# MAYERTHORPE RCMP LAY ARSON CHARGES

**Submitted by Mayerthorpe RCMP**

The Mayerthorpe RCMP have arrested and charged one person in relation to the recent rash of fires in the area, of which includes the CN trestle bridge fire.

RCMP arrested and charged 19 year old, Lawson Michael SCHALM of Mayerthorpe Alberta with eighteen (18) counts of Arson.

Lawson has been held in custody and will make his first court appearance in Stony Plain Provincial Court on May 4th, 2016.

Mayerthorpe RCMP would like to thank the CN Police, the Edmonton and Whitecourt General Investiga-

tive Sections as well as the residents of Mayerthorpe for their assistance in this investigation.

Previous Releases: Mayerthorpe RCMP Investigation Into Additional Fires

Mayerthorpe Alberta-Mayerthorpe RCMP have responded to several suspicious fires since the CN Trestle Fire that took place on April 26, 2016. Mayerthorpe RCMP have engaged the services of the CN Police as well as both the Edmonton and Whitecourt General Investigative Sections to assist in the ongoing investigations. RCMP are investigating the possible relation of these files.

Should you have any information

in relation to these active investigations, please contact the Mayerthorpe RCMP at (780) 786-2291 or Crime Stoppers.

Mayerthorpe RCMP Confirm Trestle Bridge Fire Is Suspicious

Mayerthorpe, Alta. – Mayerthorpe RCMP have confirmed that they are investigating a suspicious fire at the CN rail trestle bridge located on the northwest edge of the town limits of Mayerthorpe. # STOLEN PROPERTY SEIZED EXCEEDING \$300,000.00 FOLLOWING SEARCH WARRANT EXECUTED ON RURAL PROPERTY

**Submitted by RCMP Stony Plain/Spruce Grove/Enoch**

2016-442998

Onoway, Alberta -On April 15, 2016, at approximately 2:30 PM members of the Spruce Grove/ Stony Plain/ Enoch RCMP responded to a complaint of a possible Fraud at the Onoway Feed and Seed. A male was reporting that his credit card had been used that morning at the Onoway Feed and Seed to purchase numerous ranch supplies. RCMP obtained a description of the male suspect who had used the card

and the vehicle with trailer that he was driving at the time.

Later that day a vehicle and trailer matching the description of the suspect vehicle was stopped by police near a rural residence, both the truck and trailer were found to be stolen. The male driver and female passenger were both arrested in connection with the fraud and possession of stolen property.

Following further investigation of the suspects and the rural property, a search warrant was executed on April 16, 2016. As a result, stolen vehicles, ATV's, livestock, livestock

feed and various other property exceeding \$330,000.00 was seized.

28 year old, Devon SALISBURY of Parkland County, Alberta is now facing twenty charges including numerous counts of possession of stolen property over \$5,000.00, altering a Vehicle Identification Number, possession of a controlled substance, and fraud.

28 year old Kayla SORIA, also of Parkland County, Alberta, is facing seven charges in relation to the occurrence.

# Mayerthorpe RCMP Lay Arson Charges

Continued From Page 1

The RCMP are waiting on those results to continue their investigation.

The RCMP were called to the fire on the afternoon of April 25, 2016 at 1:20 pm. Mayerthorpe RCMP Sgt. McAuley says "this is the fifth fire they have been called to in the past thirty days". "This is very concerning given the dry conditions we are seeing this spring".

RCMP are asking anyone who may have information about these fires to contact the Mayerthorpe RCMP at 780 786-2291.

Should you wish to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at [www.tipsubmit.com](http://www.tipsubmit.com), or by SMS (check your local Crime Stoppers [[www.crimestoppers.ab.ca](http://www.crimestoppers.ab.ca)] for instructions). You do not have to reveal your identity to Crime Stoppers.

# ST. ALBERT MAN WANTED ON WARRANT

Submitted by RCMP St Albert

File: 2016 – 285927

St. Albert, AB - On April 14, 2016, as a result of a drug investigation, the St. Albert RCMP Drug Section conducted a drug search warrant on a residence in Heritage Lakes in St. Albert. As a result of that search, the RCMP seized:

- approximately 2 ounces of cocaine,
- over 3 pounds of marijuana,
- multiple ounces of THC resin – commonly known as “shatter” on the street,

• hundreds of pills packaged for illicit sale. The pills still have to be analyzed to determine which drugs they contain.

- A stolen grey 2009 GMC Sierra truck, and
- A stolen red 2008 Honda quad.

A 22 year old female resident of St. Albert was arrested at the scene of the Search Warrant and is facing pending charges.

Bradley Thomas Cooper, age 37, of St. Albert, Alberta has been charged with several crimes including Possession of Drugs for the Purpose of Trafficking and Possession of Stolen Property. Mr. Cooper has not

been located and a warrant for his arrest has been issued. He already has outstanding warrants from Edmonton and St. Albert for previous alleged violence related charges including Aggravated Assault and Assault with a Weapon.

St. Albert RCMP is looking for your help on these crimes. If you have any information about the location of Mr. Cooper or any crime, call the St. Albert

RCMP at 780-458-7700, or if you wish to remain anonymous, call Crime Stoppers. At Crime Stoppers, you do not need to reveal your identity. Crime Stoppers does not subscribe to Call Display, Call Trace or tape any phone calls. If your information leads to an arrest, you may qualify for a cash award up to \$2,000.00. We want your tip, not your name. Call Crime Stoppers at 1-800-222-8477 (TIPS).

### JOKE OF THE WEEK

Two guys were out walking their dogs on a hot day, when they pass by a pub. The first guy says "Let's go in there for a pint." Second guy, says, "They won't let us in with our dogs." First guy: "Sure they will, just follow my lead." He goes up to the pub, and sure enough the doorman says, "I can't let you in here with that dog." He replies, "Oh, I'm blind and this is my seeing-eye dog." The doorman says, "Ok then, come on in." The second guy sees this and does the same thing. He goes up to the pub, and the doorman says, "You can't come in here with a dog." He replies, "I'm blind and this is my seeing-eye dog." The doorman responds, "You have a chihuahua for a seeing-eye dog?" The second guy stops for a second, and exclaims, "They gave me a chihuahua?"

# PARKLAND POSSE LACROSSE 2016 LAX DAY

Submitted by Kristen Lindstrom, Promotions - Parkland Posse Lacrosse

Parkland Posse held their season opening LAX day on Saturday April 16 at Glenn Hall Arena in Stony Plain.

Multiple events were planned for the day to engage players and community. 21 team photos were taken for Parkland Posse and Posse apparel, featuring their new logo, was on sale. In addition, CAN LAX had a booth set up selling lacrosse merchandise and stringing heads for players. Volunteers were busy barbequing burgers and hot dogs to raise money for the club. A shout out to Stony Plain Co-Op for their great service, having all the food ready for pickup early Saturday morning and supplying the BBQ.

To tie up a great day 3 games were played. Posse Pee wee B1 played Westlock Rock and Posse Midget A played Sherwood Park Titans in exhibition games. The third game was the first season game between Posse Bantam A's and Saskatchewan Swat. All posse teams secured wins in their games – what a great start to the season for our players and coaches!

A huge thank you to all the volunteers who helped to make this day a success.

# BULLYING

## Tips for Dealing With Bullying

- 1) Take complaints of bullying seriously. Do not dismiss your child or expect your child to work through the situation alone.
- 2) Praise your child for reporting bullying situations to you and assure your child you will take action.
- 3) Talk to your child's teacher, counselor, or other caregiver about reports of bullying.
- 4) Work together to address the bullying situation. Don't confront the parents of the bully directly.
- 5) Ask your child specific questions about how your child is treated by peers, who he or she eats lunch with, and how other children are treated.
- 6) Teach your child to be assertive. Your child should be able to express feelings and needs clearly, without shouting or other aggressive behavior.

- 7) Provide opportunities for your child to make friends. Identify some of your child's interests and encourage your child to pursue them through sports, clubs, or other group activities.
- 8) Teach your child to identify bullying behaviors. These include hitting, damaging possessions, threatening, name calling, & excluding someone

# RURAL CRIME AWARENESS

Protect machinery from theft by leaving valuables locked in a shed or storage facility and by marking equipment with your drivers licence and province of issue (an engraver can be borrowed free of charge from most local police detachments).

Protect livestock by checking herds regularly and keeping accurate records of livestock born, sold or purchased.

“Grain Fette” or “Grain Guard” is a unique approach to identifying your crops. Small bits of paper, each one imprinted with your special code number, are mixed with grain as grain is being augered into the storage shed. This is approved by the Canadian Grain Commission. The paper used is also digestible in animal feed.

Utilize the Report-A-Poacher Program. Their toll free number is 1-800-642-3800.

Rural Crime Watch Members are concerned citizens who are watchful for unusual activity in their community. They record information on suspicious people and vehicles and pass it along to local police. Join together with your neighbours to install a crime watch program in your area. Do not approach suspicious individuals on your own.

# NEVER COOK AGAIN? THE UN-COOKING IS SEMINAR COMING TO ONOWAY!

**Submitted by Onoway SDA Church**

Summary: A raw vegan cooking seminar comes to Onoway on May 15

You've heard of raw and vegan "cooking" and you've probably thought to yourself, I could never do that! But did you know incorporating just some healthy un-cooking practices can help you with conditions such as high cholesterol, high blood pressure,

diabetes and obesity?

You can learn how on May 15th when the Un-Cooking Seminar, presented by lifestyle guru Janet Thomsen, shows attendees how to turn down their stove and turn up their health, without sacrificing taste.

This is a great way to learn some new things you can make in your kitchen that your whole family will love. In fact, switching to a raw vegan diet has been a lifesaver for many people, one

of which attends the Onoway Seventh Day Adventist Church. This member was on insulin for over thirty-eight years. He was always health conscious, eating a vegetarian diet, walking for exercise, and even ate a vegan diet most of those years, but the need for insulin was always there. A huge reversal came when he stopped cooking his healthy meals and went raw vegan. After only two weeks on the raw food lifestyle he had to stop

all his insulin. His blood sugars normalised and he has been insulin free since 2010!

The Onoway Seventh-day Adventist church ([www.facebook.com/OnowaySDAChurch](http://www.facebook.com/OnowaySDAChurch)) wants to reach out to the community with information that could help others regain their health, and also for those that would just like to learn something new. Whether you would like to go raw vegan or simply incorporate a few healthier recipes into your menu planning, this seminar is for you.

It is now known then when you heat foods to over 118 degrees, most of the enzymes are destroyed. Thomsen demonstrates the most delicious meals and delectable desserts, all of which retain all their phytonutrients by simply "un-cooking" them. You won't believe your eyes – or your taste buds.

Please pre-register for this seminar by May 10. The cost is only 15.00 to help with food expenses. Call Evangeline at 780-967-5461 to register and for more information – and warm up your taste buds by checking out Thomsen's Pinterest boards at [www.pinterest.com/thomsen3/raw-desserts/](http://www.pinterest.com/thomsen3/raw-desserts/) and <https://www.pinterest.com/thomsen3/raw-breads-and-crackers/>.

# CELEBRATE SPRING WITH THE LAC STE. ANNE COMMUNITY CHOIR

Submitted by Jean Moses

Members of the Lac Ste. Anne Community Choir, under Director Debbie Rosen, with help from accompanist R.J. Chambers, have been polishing the wide range of popular, ethnic and classical harmonies that make up the season's music. "That sounded really good, but let's go again from B on page 3, making sure you observe the dynamics." Direction like this from Debbie tells the members that the finishing touches are going on, just in time for the spring concert season of this almost 50-member group.

The first performance for this popular community group is at 7 p.m. on Sunday, May 15 at the Lac Ste. Anne Catholic Mission. Admission is free, but donations will be gratefully accepted.

On Wednesday, May 18, the choir will entertain residents at the Chateau Lac Ste. Anne Seniors' Centre (5123 49 Ave.) Onoway. Although this 6:30 p.m. performance is primarily for residents, the general public is also welcome.

The next local performance is 7 p.m. on Wednesday, May 25 at St. John's Anglican Church (4803-50 St.) in Onoway. Admission is \$10, with tickets available from choir members, church members or at the door.

On Sunday, May 29 the Lac Ste. Anne Community Choir has

been invited back to to sing at Hope Lutheran Church in Edmonton, (5104 - 106 Ave.). The performance begins at 7 p.m., and also features the Hope Lutheran Men's Choir. Again, admission is free but freewill donations will be accepted.

The final performance of the season will be a joint concert with the Joe Saumer Big Band on Saturday, June 4. Beginning at 7 p.m., it will be at Immanuel Lutheran Church of Rosen-

thal (52401 - Range Road 13). That's just west of Stony Plain on Hasse Road. A reception after the concert gives friends and family a chance to socialize with members of both the choir and the band. Tickets are \$15 each, available from members of both the Lac Ste. Anne Community Choir and the Joe Saumer Big Band, as well as at the door.

The Lac Ste. Anne Community Choir is open to anyone over 18, whether experienced singer

or not. Since it began, the choir has grown from the original five members to almost 50 singers. No auditions are required, and there's no need to read music or have choir experience. All that's needed is a love for singing, and a wish to meet other like-minded people. The next season will begin after Labour Day. Watch for details in August.

Questions? Call Eunice at 780-892-3159 or Judey at 780-924-3478.

# VOLUNTEERS "SPRING CLEAN" ALBERTA HIGHWAYS

Submitted by Government of Alberta

Young volunteers will be on the road Saturday, May 7, during the Annual Highway Cleanup event.

Motorists will see volunteers wearing safety vests and picking up garbage along roadsides across the province as they earn money for their community or-

ganizations. In the event of bad weather, the cleanup will take place the following Saturday, May 14.

The annual highway cleanup was established as a fundraiser for non-profit and community organizations and to help clean up provincial highway right-of-ways. The event is held each year on the first or second Saturday of May, depending on

weather.

Last year, the Alberta government contributed \$1,032,282 to 650 volunteer organizations as 16,245 volunteers helped clean up more than 11,400 kilometres of Alberta roadways.

Volunteer organizations include 4-H clubs, Scouts, Girl Guides, Rotary clubs, sports teams and various non-profit groups. Groups must register with the province as non-profit organizations to participate. Organizations can earn between

\$81 and \$101 per kilometre cleaned, with the higher amount going to those groups cleaning highways closer to urban centres, which tend to have more trash accumulated.

Anyone over the age of nine is welcome to participate in the cleanup and more information can be received by calling 310-0000 toll-free or by visiting the Annual Highway Cleanup website.

Motorists are asked to slow down, obey signs and be cautious when passing cleanup crews. Pedestrians are discouraged from randomly walking the highways, and anyone involved in the cleanup is asked to be aware, make sure they are visible, and obey all traffic signs.

Volunteers will be wearing bright orange safety vests and will be out from 7 a.m. to 5 p.m. They must attend a safety training program and be under adult supervision.

# CELEBRATE KIDS ONOWAY HEALTH & WELLNESS FAIR

The 7th year of the “Celebrate Kids Onoway Health & Wellness Fair” at the Onoway Heritage Centre had the best turn out yet. All kids received a gift bag at the front entrance. People from the community brought in donations for the food bank, the admission was free of charge. There was lots of learning and activities for the kids to participate in. The goal was to have a day full of fun for the kids. This included various activity stations. Some activities that were provided was the story time reading, wash-

able tattoos, giant Jenga, Play-Doh, etc. There were lots of kids participating in the healthy eating booth where they were taught about healthy smoothies for every day nutrition. Another learning experience that they were engaged in was the harmful aspects of the E- Cigarette from the tobacco reduction booth. A Big thank you to all the sponsors who helped make this event possible; ATB Financial, Pembina Gateway Parent Link Centre, the County of Lac. Ste. Anne, and Alberta Health Services.

# TIPS TO STOP SCHOOLYARD BULLYING

- Take it seriously. It's easy to say, "Kids will be kids" and assume it will pass. But if your child is coming home upset and is suddenly anxious about school because of the way a kid (or kids) are treating him, you should pay attention.
- Drop your kid off at school or stand on the sidelines during recess. Bullying tends to occur when adult supervision is lacking, so before school or on the playground at recess.
- Talk to other parents. Young kids are talkers. If you're friendly with a parent in your kid's class, ask them if their child has mentioned anything about kids being picked on at school.
- Tell the teacher. It's really important to let your child's teacher know what your kid is telling you -- especially if someone is getting hit.
- Empower your children. Let your kids know that it's not their fault that they are being bullied. Teach your kids to focus on their own behavior.

# ST ALBERT RCMP AND MUNICIPAL ENFORCEMENT JOIN FORCES WITH EDMONTON POLICE TO CATCH SPEEDERS

**Submitted by RCMP St Albert**

The Alberta Selective Traffic Enforcement Program (STEP), Traffic Safety Calendar lists Speed, Aggressive Drivers and Motorcycles as the target for enforcement activities in the month of April. 4 Edmonton Police West Division Traffic officers, 2 St Albert RCMP Traffic Unit officers and 2 St Albert Municipal

Enforcement officers took part in a Joint Forces Operation for speed enforcement on April 22, 2016 that resulted in 35 traffic tickets being issued and 1 Suspended Driver being charged under the Criminal Code.

This Targeted traffic enforcement activity was held on LeClair Way just west of Sir Winston Churchill and near the exit from the Anthony Henday towards Ray Gibbon Drive. "Aggressive drivers and speeding

drivers cause collisions and endanger all of us." warns Cpl. Tim Gaultois, Non-Commissioned Officer in charge of the St. Albert RCMP

Traffic Unit. "Plan your day to give yourself extra time to get to your destinations and help keep everyone safe this spring."

### Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

# PEMBINA PIPELINE PROJECT SCHEDULED TO START IN JUNE

Submitted by Tara Gallant

The Town of Whitecourt is pleased with Pembina Pipeline Corporation's recent announcement that it has received approval from the Alberta Energy Regulator (AER) to proceed with construction of the Fox Creek to Namao Pipelines.

The project, valued at \$2 billion, involves the construction of two 270 kilometre pipelines between Fox Creek and Namao. It is the largest capital project in Pembina's history. Construction of the

pipelines is expected to generate 160 jobs to the local economy, and the economic benefit to our service industry is valued in the millions of dollars. Construction is scheduled to start mid-June, with an in-service date anticipated in mid-2017.

Pembina Pipeline has committed to housing non-local workers and contractors in local hotels, and is not planning to develop a camp for project employees. This is fantastic news for the local hospitality industry, as well as other

businesses in our service sector.

"The impact this project will have on our community is substantial – not only in the short term during construction, but well into our future. It will ensure that resources from our region can reach processing facilities to meet current market needs, and will have the potential to be expanded as demand grows," stated Whitecourt Mayor Maryann Chichak. "I'm also extremely pleased with Pembina Pipeline's decision to support the hospitali-

ty industry to house workers. This decision alone will add hundreds of thousands of dollars to Whitecourt's economy."

Representatives from Pembina Pipeline will be discussing the Fox Creek to Namao project at the May 18 Business Support Network meeting. The meeting, which is free to attend, is scheduled from 11:30 a.m. to 1:30 p.m. at the Forest Interpretive Centre. For more information on the Business Support Network visit [www.whitecourtsn.ca](http://www.whitecourtsn.ca).

# DRUNKS & DRUGGED

## IT'S YOUR DUTY TO REPORT AN IMPAIRED DRIVER

### TIPS TO SPOT AN IMPAIRED DRIVER

Drivers who are impaired by fatigue, drugs, alcohol or other distractions such as cell phones, are a danger not only to themselves, but also to the innocent drivers around them. If you witness any of the behaviors below, call 911 and tell the operator that you are calling to report an impaired driver. Be prepared to describe the make, model, color and license plate number of the vehicle, and provide its exact location.

#### Signs of impaired driving include:

- Failure to turn on headlights at night.
- Illegal or sudden turning.
- Turning within an unusually wide radius.
- Nearly striking other cars or objects.
- Sudden or erratic braking.
- Drifting, swerving or weaving.
- Driving with the face close to the windshield.
- Drinking alcohol in the vehicle.
- Driving much slower than the posted speed limit.
- Rapidly accelerating.
- Tailgating.
- Driving in the middle of the road, or with the left tires on the center line.
- Responding slowly to traffic signals

# CRIME PREVENTION

Use these helpful tips to help keep our community a safe, enjoyable place. Look around your home, school or office and see where you can make a difference.

- Keep an eye out for strange vehicles parked in your area at odd hours or for long periods of time
- Make sure all young children know how to handle possible confrontations with strangers.
- Start teaching children at an early age how to avoid drugs and alcohol.
- Get children involved in organized after-school programs.
- Start, join or reactivate a neighborhood watch program.
- Be aware of your surroundings, especially when walking alone at night.
- Participate in forums which involve local officials, such as city council meetings.
- Reach out to crime victims, their families or others in the community who need support.
- Get to know your neighbors - you may find others with an interest in safety, too.
- Be familiar with members of your local police and fire departments.
- Make sure all street lights in your area are in working order. Alert local officials if they are not.
- Set up buddy systems for teens going out after dark.

# REAL ESTATE AND MORTGAGE FRAUD

## Tips to Protect your Real Estate Investment Dollars

- \* Consult public real estate websites to review property listings in the community where the property is located. Compare features, size & locations to establish if the asking price seems reasonable.
- \* Get independent representation for your purchase. If the seller objects, consider it a red flag.
- \* Check to make sure your representative is a licensed real estate agent. Contact your local Real Estate Board or the Real Estate Council of Alberta. Using a licensed real estate agent does not cost anything from a purchaser's standpoint. Usually all commissions are paid by the seller.
- \* Beware of a real estate agent or mortgage broker who has a financial interest in the transaction.
- \* Ask your independent representative to provide you with a comparative market analysis of the property.
- \* Ask for a copy of the land title or go to a Registry office and ask them to do a historical title search.
- \* Insist on a home inspection to guard against buying a home that has been cosmetically renovated.
- \* When you make a deposit, ensure your money is protected by being held "in trust".

## Red Flags to Watch for Mortgage Fraud

- \* Someone offers you a fee to use your name and credit information to obtain a mortgage
- \* You are encouraged to include false information to a loan application
- \* You are asked to leave signature lines or other important areas on a loan application blank
- \* The loan amount on the mortgage is significantly higher than the value of the property
- \* The mortgage has been refinanced several times and each instance, the amount of the mortgage has increased
- \* The seller or investment advisor discourages you from seeing or inspecting the property you are offering to purchase

# CRIME PREVENTION: ARSON

Things like gas, paint thinner and aerosol spray are fire accelerants. Keep these items safely stored and away from easy reach of others. Garbage, leaves, lumber and bulky waste like mattresses should be disposed of properly. Place adequate lighting around your home or business, so arsonists have nowhere to hide. Do not allow mail to accumulate in your mailbox - mailbox fires are more common than you might realize. Be alert to any smoke or unusual odors in or around your home. Set a good example for children, and point out the safety precautions you use around fire.

# ONOWAY ROYAL CANADIAN LEGION NEWS

**Submitted by Lorinda McCool**

Greetings from the Onoway Legion.

Did you know, according to the Edmonton Humane Society calendar, that the first week of May is Be Kind To Animals Week? Please give your critters an extra pat or two to show your appreciation for the joy they bring into our lives.

Congratulations to Cory Gyman and Peter Menzel for placing fifth at the 8-Ball Pool team finals held at the Drayton Valley Legion on April 15 & 16. They competed hard on both days and we greatly appreciate their representation of the Onoway Legion at the Alberta/NWT Provincial Finals.

The Tuesday Night Darts were attended by two members that hadn't been there in a very long time. It was really nice to see Gordon Ness and Spencer Wall for the first time this year and hope they enjoyed their evening as much as everyone else seemed to.

The Roast Beef Supper on April 22 was completely sold out and unfortunately we had to turn some customers away at the door. Bob, Ron, Marcelle, Cheryl, Kyle and Kristina did a great job in the kitchen and our Scouts Harvey, Samantha and Marshall once again cleared and cleaned the tables. Victoria Williams won the free meal voucher, the meat draw was won by Shane Brown-Lefebvre and the 50/50 draw was won by Lisa Johnson. The popularity of the meals has increased to the point that reservations are recommended if you would like your meal guaranteed. Please phone Bob Clark @ 780-967-3640 before 3:30 on the Friday or call the Legion @ 780-967-5361 after 3:30 to place a late request for a plate. Answering machines are on both phones and if you would like a call back to confirm your reservation please leave your message and include your phone number. We try to keep some plates

for walk in customers and are now opening up for meal sales at 4:30 instead of 5:30 to allow for a more comfortable and less hurried evening. Thank you for your support as our Friday Night meals contribute greatly to the success of the Onoway Legion.

VE Day Celebration Ceremonies to honor our veterans start at 2:00pm on Saturday, May 7th and are free to the public. If you wish to join us for a roast beef supper at 4:30pm please purchase your meal tickets at the Legion. Everyone is welcome

and you do not have to be a Legion member to attend.

- UPCOMING EVENTS:
- May 3 – Tuesday Night Darts
  - May 4 – Wednesday Night Pool and Games
  - May 6 – Chicken Cordon Bleu Supper
  - May 7 – VE Day Celebrations @ 2:00 PM followed by a Roast Beef Supper @4:30 PM
  - May 10 – Tuesday Night Darts
  - May 11 – Wednesday Night Pool and Games
  - May 13 – Pork Steak Supper
- The Legion phone number is

780-967-5361. Please contact Ted Latimer @ 780-967-4980 for hall rentals, Bob Clark @ 780-967-3640 to reserve your plate for the Friday Night Supper, for meal inquiries/suggestions or to volunteer in the kitchen, Cheryl Sadler @ 780-967-4146 for membership and Lorinda McCool @ 780-967-3640 to place information in the Legion newsletter. See you at the Onoway Legion and have a great week!

## INVASIVE AND THREATENING SPECIES

Introducing chemicals or pollution into the environment can compromise an ecosystem. However, seemingly harmless non-native plants and animals can do an equal share of damage as well. Many people might be surprised to learn that invasive species can cause turmoil in the environment, even contributing to the destruction of certain ecosystems. Certain invaders are more virulent than others.

Non-native species of animals and plants are like enemy marauders. They may look like the other wildlife around, but they do not quite meld with the environment. When the ecosystem is not equipped to handle a non-native species, these species can quickly consume all of the resources and multiply so quickly that they effectively obliterate the native species.

Many non-native species of

plants and animals become problematic when they are put into an environment inadvertently, such as when they hitch a ride on other items. Plant life may be brought home from a vacation abroad, or new animals can be introduced to the environment if they escape as pets. Shipping vessels can bring back microscopic sea creatures, and insects have been known to hitchhike on various modes of travel. Although efforts are made to prevent new species from invading an area, it's impossible to catch everything.

Because these plants and animals likely have no natural predators in their new surroundings, they can reproduce much faster and take over. The following are just a few of the globally invasive plants and animals that can threaten local ecosystems.

· Asian tiger mosquito: Spring and summertime outings have re-

mained forever changed thanks to this highly invasive mosquito. Its distinctive black and white stripe pattern helps the Asian tiger mosquito stand out from others. Native to tropical and subtropical areas of Southeast Asia, scientists believe it has quickly become one of the planet's most widely-distributed animal species, spreading to at least 28 countries in a matter of 20 years. It's believed these mosquitoes hitch rides on imported tires.

· Asian carp: There are many different species of carp, which are native to Russia and China. Large fish with voracious appetites, carp take food right out of the mouths of native fish. These fish also stir up sediment in lakes and riverbeds, changing clear water to murky water, thus pushing out some species that can no longer survive.

· Burmese python: These tropical snakes have been introduced into many warm areas, including Florida. Many were taken as pets only to outgrow their indoor habitats. They can live in the water and climb trees. With their massive size (20 feet in length), the pythons have few predators and require a lot of prey. Florida wildlife experts estimate 30,000 Burmese pythons reside in Everglades National Park alone. They even feast on alligators.

· Soapbush: Sometimes referred to as Koster's Curse, this is a perennial shrub that is highly invasive in many tropical regions of the world. Originally from Mexico and the Caribbean, soapbush was introduced to Hawaii in the 1940s

and quickly began taking over.

· Kudzu: This vine is native to Japan and can grow upward of a foot per day in the right conditions. It was brought to the United States to help prevent soil erosion and has never left. Since its introduction, Kudzu has been spreading across the United States at a rate as fast as 150,000 acres annually, according to environmentalists.

· Cane toads: Cane toads were introduced to many countries with warm climates as a method of naturally controlling crop pests. However, the toads' own defense mechanism of secreting toxins makes them deadly to predators outside of their normal habitats. Therefore, there's nothing to keep these cane toads in check, and they have wreaked havoc on native animal and plant species, especially in Australia.

· Asian long-horned beetle: Another invasive insect, the beetle does most of its damage in the larval stage. This is when it burrows through and feeds on tree wood beneath the bark. In large concentrations, the larvae can destroy a tree. The University of Vermont Entomology Research Laboratory says the beetle is currently infesting trees in Ohio, Massachusetts and New York. Trees must be removed, chipped and burned to destroy the invader.

Non-native plants and animals can destroy environments, and men and women must always be careful when dealing with such species.

# Lawn & Garden

## WHY HIRING A LANDSCAPER MAY BE FOR YOU

The majority of homeowners want their properties to appear as appealing as possible. While many homeowners want to be proud of their properties and come home to a welcoming home each night, the benefits to maintaining landscaping go beyond the notion that well-cared for lawns make for more comforting retreats.

Because numerous variables, including landscaping, influence property values, it's difficult to assess just how much the property values of homes with impressive landscapes are influenced by those very landscapes. Indeed, studies have produced varying results regarding the effect of well-landscaped homes on property values. But what many studies have shown and what many realtors indicate is that impressive landscaping adds a significant amount to property values, with estimates suggesting landscaping increases home values by anywhere from 5 to 20 percent.

Such estimates are good news for homeowners, and they also highlight

the stakes involved when making landscaping decisions. Homeowners with green thumbs may embrace the challenge of revitalizing their lawns and gardens, but many, especially those pressed for time, can benefit greatly from working with professional landscapers.

Why hire a professional landscaper?

Maintaining a property requires more than just mowing the lawn every couple of weeks. Even homeowners committed to making their properties as pristine as possible can run into problems when adverse weather conditions pose a threat to lawns and gardens. The following are just a handful of reasons why homeowners may find working with landscaping professionals is the best thing for their properties and their bank accounts.

Professionals understand the local climate. Experienced professional landscapers will understand the local climate and the challenges it presents to your lawn. Experience can prove invaluable as lawns battle adverse

conditions that threaten its survival. While homeowners going it alone may struggle through a trial and error period as they try to address problems threatening their lawns, experienced professionals are more likely to identify the problem immediately, providing a ready solution that can prevent potentially costly repairs down the road.

Professionals can provide inspiration. In addition to maintaining properties, many landscaping professionals have vast experience improving properties through landscape design. Professional landscapers may have a host of ideas for your property that you would never think of. Homeowners with little to no lawn and garden experience may not realize all the things they can do with their properties, and those who go it alone may end up with unappealing landscapes that do not attract buyers' attention when the home hits the market. Professionals typically have a wealth of ideas and, perhaps more importantly, they understand which ideas will and won't work on a

given property.

Professionals can remove some of the stress of managing landscaping projects. Homeowners know that home improvement projects, whether they are addressing home interiors or exteriors, can be stressful. Professional landscapers typically have a network of professionals, including contractors, who they have worked with in the past. Such connections can ensure more complex projects that require both landscapers and construction contractors go as smoothly as possible. In addition, homeowners who receive contractor recommendations from their experienced landscapers tend to rest easier knowing the people working on their properties have already developed a rapport and established a successful track record working together.

Professional landscapers can be just what homeowners need to turn their properties into appealing oases no buyer can resist.

# CHILDREN ON-LINE

## SOME TIPS FOR CHILDREN ON THE NET

1. Do not use login names or nicknames that will reveal age or gender.
2. Never give out personal identification including friends, addresses, school activities, passwords or real names
3. Everyone is a stranger. Identities can be hijacked or passwords compromised so even your "best friend" online might not be who they say they are.
4. Everyone lies. While this might not be true, it is easier to assume that it is true and to act accordingly.
5. The Internet is NOT secure. It is a shared resource. Email is about as secure as a postcard; Chat is about as private as having a phone call with your parents listening in on the other extension.
6. The people who would harm you have often had lots of time, experience and knowledge on how to trap you. You are an amateur compared to them. They will do everything they can to trick you into trusting them.
7. Do not agree to meet anyone offline.
8. If you are even a little bit suspicious, talk to your parents.

## SELF DEFENCE

1. Computers used by children should be placed in a supervised area with the screen facing outwards.
2. All computers that can connect to the Internet should have Anti- Virus Software installed and updated at least weekly, if not daily.
3. All computers that have a dedicated connection (cable/dsl) should also have a firewall device or firewall software installed to block intruders.
4. Never open attachments unless they have been scanned. If you do not know the sender, attachments should be deleted.
5. Use passwords to secure your computer even if you are the only user. If the computer equipment is stolen, all your information could be compromised. Change your password regularly.
6. Disconnect your network connection or turn off your computer when you are not using it.
7. Your computer needs regular maintenance, upkeep and periodic upgrades to keep it functioning well.
8. Always back up your data. Keep the data stored securely and separately from the computer.

# ASSIST POLICE TO IDENTIFY A MALE SUSPECT INVOLVED IN ROBBERY

Submitted by RCMP Spruce Grove/Stony Plain/Enoch

File # 2016-491670  
Stony Plain, Alberta -Spruce Grove/Stony Plain/Enoch RCMP are seeking the public's assistance to identify a male suspect responsible for a Robbery at the Shoppers Drug Mart pharmacy in Stony Plain.

On April 25, 2016, at approximately 7:45 PM, The Spruce Grove/Stony Plain/Enoch RCMP

responded to a robbery that had just occurred at the Shoppers Drug Mart pharmacy in Stony Plain. The Culprit entered the pharmacy and walked directly to the back counter and handed staff a note demanding drugs.

The male obtained an undisclosed amount of narcotics before leaving the pharmacy, he then fled in a blue 2007 Pontiac G5. The lone male suspect is described as....

- 6'6"
- Medium build
- Caucasian

- Full beard (light brown)
- He was last seen wearing a camo hat, orange t-shirt, gloves, a black coat and dark colored shorts.

No one was injured during the incident. No weapons were produced or threatened.

If you have any information about this, or can ID the male suspect please call the Stony Plain RCMP Detachment at 780-968-7267 or if you want to remain anonymous, you can contact Crime Stoppers by phoning 1-800-222-8477.

# SPRUCE GROVE SAINTS AWARDS

# Credit Card FRAUD

## Credit Card Fraud Prevention Tips:

1. Keep an eye on your credit card every time you use it, and make sure you get it back as quickly as possible. Try not to let your credit card out of your sight whenever possible.
2. Be very careful to whom you give your credit card. Don't give out your account number over the phone unless you initiate the call and you know the company is reputable. Never give your credit card info out when you receive a phone call. (For example, if you're told there has been a 'computer problem' and the caller needs you to verify information.)
3. Never respond to emails that request you provide your credit card info via email -- and don't ever respond to emails that ask you to go to a website to verify personal information.
4. Never provide your credit card information on a website that is not a secure site.
5. Sign your credit cards as soon as you receive them.
6. Shred all credit card applications you receive.
7. Never leave your credit cards or receipts lying around.
8. Don't write your PIN number on your credit card -- or have it anywhere near your credit card (in the event that your wallet gets stolen).
9. Shield your credit card number so that others around you can't copy it or capture it on a cell phone or other camera.
10. Keep a list in a secure place with all of your account numbers and expiration dates, as well as the phone number and address of each bank that has issued you a credit card.
11. Only carry around credit cards that you absolutely need. Don't carry around extra credit cards that you rarely use.
12. Open credit card bills promptly and make sure there are no bogus charges. Treat your credit card bill like your checking account -- reconcile it monthly. Save your receipts so you can compare.
13. If you find any charges that you don't have a receipt for -- or that you don't recognize -- report these charges promptly (and in writing) to the credit card issuer.
14. Always void and destroy incorrect receipts.

# INVESTMENT FRAUD

## Tips on how to avoid investment fraud:

1) Investigate before you invest. Ask a lot of questions. Make sure there is a market for your investment. Ask the seller for references and accounting statements. Find out if a government or industry regulatory body supervise the seller. 2) Be wary of unexpected phone calls, letters or visits from strangers who offer get-rich schemes. 3) Be wary of exaggerated claims of profit in a short period of time. Ask about how you can sell your investment when you decide to seek your investment return. 4) Be cautious when someone offers you a time-limited investment opportunity and demands that you invest on the spot. Don't make snap decisions. If it's good now, it will be there tomorrow. 5) Beware of claims that there is little or no risk. All investment opportunities involve some risk. Never invest money you cannot afford to lose. 6) Beware if you are told you were chosen as one of only a few potential investors. 7) Beware when someone hesitates about promptly delivering the goods or services in which you invest. 8) Beware if you are given only a glossy brochure about the company. Always ask for a prospectus and other professionally prepared disclosure documents, especially when investing in securities, such as stock in a company. And make sure you read the small print. Some stocks cannot be resold without the permission of the directors of the company. The information you are given should tell you about the stock and the company issuing it. 9) Before making a commitment, get a professional opinion. Ask about your advisor's qualifications. If necessary, phone the government department or industry association that licenses or registers him or her. Confirm that the individual is qualified to advise you. 10) When in doubt, don't make promises or commitments. It's better to be safe than sorry! Remember, the golden rule to investing: If it sounds too good to be true - it probably is!

# WHITECOURT TOWN COUNCIL UPDATE

Submitted by Tara Gallant

Whitecourt Town Council recently adopted the 2016 Capital and Operating Budget at its April 11 Regular Meeting, and adopted the 2016 Tax Rate Bylaw on April 25.

“We know that people are feeling the pinch from our current economy – food and other household costs have increased, and at the same time incomes have been affected. In recognition of this, we made it a priority to not burden taxpayers at a time when every penny counts and have maintained our commitment to a 0% budget tax increase,” said Mayor Maryann Chichak.

Even though the Town has maintained a 0% budget tax increase, residents and businesses of the Town will see an increase for the education and seniors foundation requisitions. The education requisition applied to property taxes increased 11.1% in the 2016 Provincial budget; and the seniors foundation requisition increase 4.9% over last year. Further details on the budget, how taxes are cal-

culated, and how tax dollars have been allocated for the 2016 budget year are outlined in Whitecourt’s 2016 Budget Report which is now available online at [www.whitecourt.ca](http://www.whitecourt.ca).

Property owners can expect to receive combined assessment and taxation notices in mid-May. If you have questions about your tax notice, or the 2016 Budget, please contact the Town Office.

Whitecourt Town Council approved the 2015 Financial Statement for the year end of December 31, 2015. A presentation was made by the Town’s auditor, Curtis Friesen from Hawkings Epp Dumont LLP, who reported that the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Town of Whitecourt as of December 31, 2015.

Council received an update on the odour mitigation strategy for the Wastewater Treatment Plant. In consultation with Stantec Engineering, the Town of Whitecourt will be completing a Wastewater Treatment Plant Master Plan over the next several weeks that

will involve a technical review of the plant’s design, capacity and operations, as well as a public consultation and education component which will assist the Town in receiving feedback and input from area residents. Details on the consultation process are being finalized, and information will be advertised on how the community can participate in the process.

Development continues in the Athabasca Flats East area with the award of a surface works contract to Knelsen Sand and Gravel Ltd. in the amount of \$1.98 million. Work includes concrete curbs, pathways, approaches where required, the extension of Mink Creek Road, and the construction of McIlwaine Drive.

2016 Enhancement Grants have been awarded to the groups listed below. The Whitecourt Enhancement Grant Program was established to offer community arts, culture, and recreation organizations assistance to start-up or develop new community events or assist with existing programs. Another call for applications will be made in the fall of 2016.

- Whitecourt Motocross Association - \$800 for overnight recreational campground
- Whitecourt Minor Ball Association - \$6,248 for equipment enhancement
- Whitecourt Minor Hockey Association - \$4,118 for rink dividers/mini goals
- Mountain Bike Association - \$3,834 for the Mountain Bike Park – Phase 1

Council has approved the Whitecourt Slo-Pitch Association’s request to allow temporary, short term camping at Graham Acres Recreation Area for tournament use. Approval was granted for a trial basis and is subject to approval from Alberta Health and development of an operating agreement. Camping will only be available for locally hosted tournaments, to a maximum of 30 teams.

Whitecourt Town Council has approved the purchase of the following:

- A replacement ice resurfer for the Scott Safety Centre;
- A replacement Dial A Bus;
- A new compact wheel loader.
