SERVUS CREDIT UNION DONATES \$100,000 TO FORT MCMURRAY RELIEF, PLEDGES ADDITIONAL SUPPORT

Submitted by Servus Credit Union

On behalf of its members Servus Credit Union today donated \$100,000 to the Red Cross Alberta Fires Emergency Appeal.

Servus has also started reaching out to its members and employees who have been affected by the fire to provide support directly to them.

“Albertans come together in times like these, we stick by our

neighbours, we stand shoulder to shoulder in support of those who need it,” said Servus President and Chief Executive Officer Garth Warner.

CO-OP MOVES ON \$100K FOR FORT MAC

Submitted by FEDERATED CO-OPERATIVES LIMITED

Co-op is making an immediate \$100,000 donation to the Canadian Red Cross to support disaster assistance in Fort McMurray, Alta.

This donation is part of the \$1 million commitment by Federated Co-operatives Limited (FCL) and more than 200 independent retail Co-ops to support emergency relief efforts across Western Canada.

“Co-op made a long-term commitment to the Canadian Red Cross so that we could lend a hand to our neighbours when disaster struck,” said FCL CEO Scott Banda. “While this amount is normally used to match local Co-op donations, we are releasing the full amount now due to the urgent need in northern Alberta.”

The initial five-year commitment in 2013 included \$100,000 per year to pre-position goods across Western Canada to re-

spond quickly to local crises and another \$100,000 per year to match local retail Co-ops’ donations. This is in addition to the donations and collections from local Co-ops across Western Canada.

With the Red Cross scaling up operations, prepositioning amounts will be used in part to support registration, reunify families and provide accommodations, food, water and basic supplies.

Stony Plain/Spruce Grove RCMP remind you not to make it easy for thieves. Always ensure your home looks occupied. When away, have a friend/family member mow lawns and pick up papers. Have various lights and fixtures, such as your TV, on timers to come on at different times after dark.

The Spruce Grove / Stony Plain Drug Section Information Tip Line is 780-968-7212. Anyone with drug information is asked to call and leave a message.

If you have information regarding any of these crimes, or any other crime, please call the RCMP At 780-962-2222 or 780-968-7267. You can also call Crime Stoppers at 1-800-222-8477 or text the keyword TIP205 (TIP250 for Edmonton Metro) & your Tip to CRIMES (274637)

JOKE OF THE WEEK

The boss was concerned that his employees weren't giving him enough respect, so he tried an old fashioned method of persuasion: He brought in a sign that said "I'm the Boss" and taped it to his door.

After lunch, he noticed someone had taped another note under his. "Your wife called. She wants her sign back!"

Servus Credit Union Donates \$100,000 To Fort McMurray Relief, Pledges Additional Support

Continued From Page 1

“I speak for all our members and employees when I say to everyone impacted by this devastating fire: We’re with you. We’ll be here for

you. Servus will be providing loan payment deferrals, extensions of overdrafts, and other forms of support to members, and is currently exploring additional ways to help members, employees, and everyone impact-

ed by the fire. Servus will continue posting updates on their Facebook and Twitter pages as more details are available.

“Our profound thanks to the amazing people who are bravely and diligently doing everything they can to

fight this fire,” continued Warner, “and to those helping and taking care of Albertans evacuated because of the fire. You’re a great example of why we’re so very proud to be Albertan.”

Co-Op Moves On \$100K For Fort Mac

Continued From Page 1

The local co-operative effort Today’s donation does not include the efforts by FCL, retail Co-ops and their customers on the front line. FCL is working to deliver more products to serve evacuees while retailers are finding ways to support evacuees in the communities that need the most assistance.

Near Fort McMurray, the local Co-op in Plamondon, Alta., is now operating 24 hours to serve the rush of evacuees while employees and community volunteers are working to keep supplies on shelves. Meanwhile, St. Paul Co-

op has deployed its Co-op Community Connector – a trailer that can prepare food for large groups at public events – to Lac La Biche, Alta., to serve meals to evacuees. In British Columbia, Vanderhoof Co-op has provided fuel and supplies to volunteers who are driving to affected communities to deliver emergency supplies.

Co-op’s donation to the Red Cross was used to assist wildfire relief efforts in northern Saskatchewan last year, as well as flood relief efforts in southern Alberta, southeastern Saskatchewan and southwestern Manitoba in 2013 and 2014.

About Federated Co-operatives Limited and the Co-operative Retailing System

Federated Co-operatives Limited (FCL), based in Saskatoon, is the 43rd largest company in Canada and the largest non-financial co-operative in Canada. FCL is a unique multi-billion dollar wholesaling, manufacturing, marketing and administrative co-operative owned by more than 200 autonomous retail co-operatives across Western Canada. Together FCL and those local retail co-operatives form the Co-operative Retailing System (CRS). The CRS serves our members and communities

with products and services that help build, feed and fuel individuals and communities from Vancouver Island to northwestern Ontario. Our total workforce of 24,500 employees serve 1.8 million active individual members and many more non-member customers at 2,500 retail locations in more than 500 communities. We are a different kind of business – we are locally invested, community-minded and offer lifetime membership benefits including patronage refunds, quality products, quality service and fair prices. More information is available at www.coopconnection.ca.

STE. ANNE NATURAL GAS CO-OP LTD.

NOTICE OF ANNUAL MEETING & CALL OF DIRECTOR NOMINATIONS

The Annual Meeting of the Ste. Anne Natural Gas Co-op Ltd. will be held at 7:00pm on August 18, 2016 at the Co-op office located west of the Onoway turn off on Highway #43. The purpose of the meeting is for interested Members to hear the Auditor’s report on the previous fiscal year’s financial statements as well as reports from the Board and Management on various facets of the Co-op’s operations. There are 3 – 3 year Director’s terms open for election at that time. As per Supplemental Bylaw #8, the Secretary of the Association will accept nominations for the position of Director for any member in good standing up to close of business (4:30 p.m.) on June 10, 2016 at the Co-op office. **NO NOMINATIONS WILL BE ACCEPTED AFTER THAT TIME.** More details on the Annual Meeting as well as the list of candidates nominated will be available in July.

Nomination Process

Nominations to the Board must have the signature of the candidate and certifying that he/she is a member in good standing. As well as the person or persons making the nomination must also sign indicating that they are also a member(s) in a good standing.

OHS COMMEMORATIVE BOOK

Submitted by Wanda Pederson

Oneway Junior Senior High School is moving into a brand new building this fall. To commemorate the current Oneway Junior Senior High School, a book that celebrates the murals and painted doors of OHS – as well as the history of the school - has been produced and collated by teacher Mr. Chiumento. Copies of this book will be available for sale for \$20.00.

Community members, past and present students, teachers, parents and grandparents are invited to place their order for this special memento

of a great school. Book orders will be taken on Saturday, May 28 from 1-5 when OHS welcomes the community for a final walk through of the current school: this will be the last time for previous staff, students and community members to walk memory lane. Bring your cameras, too! Everyone is welcome to come and have a chat with friends, neighbours, teachers and staff.

If you wish, you can pre-order your book to ensure that you get one. Please phone Mrs. W. Pederson at the school, 780-967-2271. Only 400 copies have been ordered so we encourage you to place your order as soon as possible!

Lac Ste. Anne Parent Link/Early Childhood Development Initiative is pleased to present:

Building Resilience in Children Lunch & Learn

Presented by: Suzanne Hanly, Mental Health Promotion Facilitator
Addictions and Mental Health, Alberta Health Services

How well we cope with challenge and change is based on a concept called resiliency. Resiliency is the ability to "bounce back" from setbacks and deal with adversity, our ability to react positively and adapt well to change when things don't go as expected or hoped.

We will go over some key concepts and strategies that you can do as a parent to help your child in building their resiliency.

Wednesday, May 25th, 2016
Lunch at 12:30 pm, Presentation 1:00 -2:00 pm
Oneway Public Library Program Room
Oneway Heritage Center

Pre-registration for this FREE program is required.

RIDING UPDATE – WEEK OF APRIL 25, 2016

Submitted by Jim Eglinski, MP – Yellowhead

Parliament was down for the week, allowing me the opportunity, while in the riding, to attend town council meetings, meet with mayors, as well as local business owners and students.

On Friday, April 22, I attended the Woodlands County Volunteer Appre-

ciation Dinner. I had the pleasure of speaking to two grade nine classes at Holy Redeemer High School on Monday. Following this, I met with members of the RCMP.

I stopped in to say hello to residents in Jasper on Tuesday, and met with two more classes in Grande Cache on Wednesday. Also in Grande Cache, I met with numerous local organizations and later attended the town

council meeting.

I spent Thursday in Rocky Mountain House for the grand opening of my new satellite office, as promised during the election campaign. Here I was able to meet with residents from the town and surrounding area, as well as councillors and the mayor. This office will be open Tuesday through Thursday, weekly, to better serve constituents in the south part of

Yellowhead.

On Saturday, I attended an event in Sunnybrook for the re-opening of the community hall.

I look forward to returning to Ottawa on Sunday where I will participate in the debate on physician-assisted dying, as the Liberal Government's Bill C-14 continues at second reading. My next update will be next Friday on my week in Ottawa.

PARLIAMENT UPDATE – WEEK OF MAY 9, 2016

Submitted by Jim Eglinski, MP – Yellowhead

Last weekend, after attending an event in Wildwood, I had the pleasure of taking the Honourable Lois E. Mitchel, Lieutenant-Governor of Alberta, and Oneil Carlier, Alberta's Minister of Agriculture and Forestry, on a tour of the Coal Creek Forestry Fire Base. While there, we had the opportunity to meet and talk to fire attack crews.

On Sunday, I flew back to Ottawa. The following was debated this week:

• Bill C-7 – An Act to amend the Public Service Labour Relations Act,

the Public Service Labour Relations and Employment Board Act and other Acts and to provide for certain other measures. I asked a question concerning this bill. (See page 23 of the following document.) <http://www.parl.gc.ca/content/hoc/House/421/Debates/053/HAN053-E.PDF>

- Bill C-15 – Budget Implementation Act, 2016, No. 1
- Bill C-237 – Candidate Gender Equity Act
- Bill C-227 – An Act to amend the Department of Public Works and Government Services Act (community benefit)
- Bill C-246 – Modernizing Animal

Protections Act

- Bill C-231 – Fight Against Food Waste Act
 - Bill C-241 – An Act to amend the Excise Tax Act (school authorities)
 - Opposition Motion by the Conservative Party to support the Trans-Pacific Partnership
 - Opposition Motion by the Conservative Party to protect the freedom of conscience of medical and nurse practitioners in regards to physician-assisted dying
- I presented a petition calling on Parliament to pass legislation that would recognize preborn children as separate victims when they are

injured or killed during an offence against their mothers.

This week in the Standing Committee on Environment and Sustainable Development, we continued to study and hear witnesses regarding federal protected areas and conservation objectives. For more information on committee meetings, visit: <http://www.parl.gc.ca/Committees/en/ENVI>

Throughout the week, I attended 12 meetings and 7 events. I will remain in Ottawa this weekend and my next update will be on the happenings of Parliament as it continues to sit next week.

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Tara Gallant

Whitecourt will be issuing a request for proposals to recruit a prime consultant to develop concept plans for a new municipal centre. The consultant will be asked to provide concept plans for a building with a town office and library, as well as a facility with a town office, library and arts & culture centre. The need for a new town office has been under discussion for several years, and has been identified in the 20 year capital plan and

Whitecourt's Strategic Plan as a priority. The existing town office is reaching capacity, and as our community and service levels grow, there is an increasing need for a more sufficient space. The concept plans are for planning purposes, and will assist Council on making decisions in regards to budget, project timelines, and components. The concept plan will also assist with future grant applications to both the federal and provincial governments for when Council chooses to proceed with the construction of a

new building.

Whitecourt Town Council has awarded Terry's Classic Construction, a local construction company, the contract to design and construct a public transit shop. The shop, which will be an addition the existing public works shop, will house bus fleet for Whitecourt Transit and is funded in part by Alberta's GreenTRIP grant program. The project is scheduled for completion in October 2016.

Stantec Consulting Ltd. has been hired to complete the pre-

liminary/detailed engineering and provide construction/post construction services for the Water System Upgrade project. The project, funded in part by the Building Canada Small Communities Fund, includes upgrades to the local utility system (such as a second utility river crossing to service west Whitecourt, and a dedicated trunk main feed to the hilltop reservoir) to enhance service within the community.

Tickets are on sale now at the Allan & Jean Millar Centre for the Whitecourt Children's Festival. The festival, scheduled for May 26 and 27, is geared towards children 12 and under and will feature a number of performances, educational workshops, and other activities. Tickets are only \$12 and are valid for the entire festival. For more information visit www.whitecourt.ca.

The Whitecourt Youth Advisory Committee is hosting Town Hall Meetings at Percy Baxter and St. Joseph Schools later this month. Whitecourt Council Members will be participating to talk about local government, and answer questions from local youth.

Local seniors will be celebrated at events throughout Whitecourt during Seniors' Week June 6 to 12. Help celebrate their contributions to our community by joining the activities. Details can be found on www.whitecourt.ca

The Whitecourt Business Support Network is hosting a bbq on May 18 at the Forest Interpretive Centre. Representatives from Pembina Pipeline will be in attendance to discuss the recently approved Fox Creek to Namao expansion project. For details visit www.whitecourtbns.com

DARWELL PUBLIC LIBRARY NEWS

Submitted by Sandra Stepaniuk, Library Manager

Preschool Story Time continues on Monday mornings, except holidays, from 10:00 to 11:00 AM at the library until May 30, 2016. . This is a barrier free program designed to promote early literacy and gives preschool children and their parents/guardians an opportunity to explore a love of reading in a non-judgmental and supportive environment. So mark your calendar and join us for stories, crafts and a snack.

Parent/guardian participation is mandatory. This is a free drop in program so pre-registration is not required.

The Colouring Club for all ages continues as an ongoing, free, drop in program during regular library hours until May 31, 2016. We supply the materials (or you can bring your own); coloring pages, crayons, and markers and you supply the inspiration. Bring a friend, relative or just yourself, create, relax and see what the craze is all about. We have had a couple of requests to formalize

the colouring club so that people can learn new techniques such as shading and adding dimension, etc. to your colouring. If you are interested in participating or have the skills to teach others, please contact the library as we are looking at formalizing this program in the fall of 2016.

Wednesday evenings is Family Games Night at the library until May 25, 2016. We have a selection of games for all ages and encourage you to drop by for some good old fashioned fun and refreshments. This is a free drop

in program so registration is not required.

The Darwell Library Friends Society will be having a Book Event and Plant Sale on Saturday, May 28, 2016 from 11:00 am to 2:00 pm. Join us at the green shed behind the library. Come and peruse the titles, take what you want and leave a donation of your choosing. Drop by for lunch; we will be serving a meal deal which includes a hotdog, pop and a bag of chips for \$ 5.00. All funds from the donations for books and the proceeds from the meal deal will go towards the completion of the library expansion. And if that is not enough, to make this a little more interesting, Cynthia Lalonde from Lakeshore Fragrant Gardens will be present with a selection of plants. Need a few last minute additions to your garden, or haven't started yet? Drop by and see what she has to offer. See you there!

The Book Club will be having a potluck and the last meeting before the summer break on Monday, June 6, 2016 at 6:00 p.m. to discuss "Salt to the Sea" by Ruth Sepetys. Do you love to read? Do you like to discuss what you have read with others? We have a few open spots and are always interested in a new perspective to add to our conversation. If you are interested in participating you can register and make arrangements for loan of the current title by calling the library @ 780-892-3746.

The Darwell Public Library Society will be holding their next regular meeting on Monday, May 30, 2016 starting at 7 pm. All meetings are open to the public and everyone is welcome to attend. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website www.darwellpubliclibrary.ab.ca or like us on Facebook at www.facebook.com/DarwellPublicLibrary

BETTER QUALITY OF LIFE

and a money saver, too!

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

QUALITY SALES & SERVICE OF:

- DISTILLERS
- SUBMERSIBLE PUMPS
- SEPTIC & JET PUMPS
- PIPE, WIRE & FITTINGS
- BOTTLE BUSTER (R.O. WATER COOLER)
- CHLORINE BLEACH, CHEMICALS & SALT
- 3 MOBILE SERVICE VEHICLES
- CHEMICAL-FREE IRON FILTERS
- SOFTENERS
- CHLORINATION SYSTEMS
- MOBILE SHOCK CHLORINATION
- SEDIMENT, TASTE & ODOR FILTERS
- REVERSE OSMOSIS FILTERS (R.O.'s)
- HOT TUBS & JETTED TUBS
- POOL & SPA FILTERS & CHEMICALS
- FREE WATER ANALYSIS

OUR WORKMANSHIP IS GUARANTEED!

The benefits and savings provided by Elite conditioned water will make a wonderful difference in your life.

"We're recommended the MOST as the company that knows the MOST"

GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool

The weeks are flying by and it is hard to believe that we are already half way through May. The hummingbird feeders are filled up and hung in hopes of early visitors again this year. Looking back through my records I saw that in 2012 they arrived on May 12th and in 2006 they were here on May 13th.

The kitchen had a very busy weekend with the Chicken Cordon Bleu Meal on May 6th and VE Day Celebrations on May 7th. Bob, Ron, Marcelle, Diane, Dale, Pat St. H. and Cheryl worked very hard on Friday to provide a delicious meal for our loyal customers and then work cleanup duties. Kelsey is the new volunteer learning the ropes behind the bar with Louise and thanks to Ken and Cheryl for jumping in to clean up the mess after our watery "equipment malfunction". Frank Ammar won the free meal voucher, Florence Strembitsky the generous meat draw and Broley Huxley won \$110.00 on the 50/50 draw which he immediately donated to the Fort McMurray evacuees. The Onoway Legion donated their half of the 50/50 draws on both Friday and Saturday as did the Dart Club on Tuesday.

Onoway Legion hosted a successful VE Day celebration on Saturday and welcomed the attendance of 14 honored Veterans, Councillor Lorne Olsvik, Comrades from other Legions including Wayne Willis (our District Commander) and Bob Peterson (our Area 'A' Commander) as well as members of the public. We were very honored to feed three Fort McMurray evacuees who came to the Legion looking for a Church and left after being well fed and given the information they required. The "melt in your mouth" roast beef dinner prepared and served by Bob, Ron, Allen, Neil, Joanne and Marian was thoroughly enjoyed by everyone present. Thank you and congratulations to the Onoway Legion volunteers for receiving Certificates of Appreciation in honor of their continual participation and to Cheryl Sadler for her Certificate

of Merit.

The popularity of the meals has increased to the point that reservations are recommended if you would like your meal guaranteed. Please phone Bob Clark @ 780-967-3640 before 3:30 on the Friday or call the Legion @ 780-967-5361 after 3:30 to place a late request for a plate. Answering machines are on both phones and if you would like a call back to confirm your reservation please leave your message and include your phone number. We try to keep some plates for walk in customers and

are now opening up for meal sales at 4:30 instead of 5:30 to allow for a more comfortable and less hurried evening. Thank you for your support of our Friday Night meals as they contribute greatly to the success of the Onoway Legion and allow us to return significant contributions back to the community.

UPCOMING EVENTS:

- May 17 - Tuesday Night Darts
- May 18 - Wednesday Night Final Pool and Darts
- May 20 - Friday Night Meal - Sherry Brown's Homemade Lasagna

May 24 - Tuesday Night Darts
May 25 - Mason's Meeting
The Legion phone number is 780-967-5361. Please contact Ted Latimer @ 780-967-4980 for hall rentals, Bob Clark @ 780-967-3640 to reserve your plate for the Friday Night Supper, for meal inquiries/suggestions or to volunteer in the kitchen, Cheryl Sadler @ 780-967-4146 for membership and Lorinda McCool @ 780-967-3640 to place information in the Legion newsletter. See you at the Onoway Legion and have a great week!

CELEBRATE HOPE FUNDRAISING EVENING "CELEBRATE HOPE FOR REFUGEES" IS CANCELLED

Submitted by Jens & Reehana Schroeder

We like to say thank you to everyone for your support. But due to the devastating fire in Fort McMurray and the ongoing fundraising efforts, we think it is best to put this fundraising evening for the Iraqi Christian family on hold for now. Should there be enough interest in the future, we will be looking to set this up again, the same way it was planned for June 4th. You can find updates on our Facebook page: Celebrate Hope

We still like to point out that the 'Lac Ste Anne Refugee Partners' are still in need of financial support. It is a very dedicated local

group that is in the process of helping a persecuted Iraqi Christian family, as they move here. Like other refugees they are displaced due to war and terrorism. But their lives continue to be in danger, even in refugee camps, including Europe. Returning to their home is not an option for these people, as they would be facing torture and death even once the war is over. So while we think it is very important not to forget about our own people in crisis, like homelessness and women fleeing domestic violence, Fort McMurray evacuees, it is clear to us that a lot of these people have no chance of survival. Unless a country, like Canada, gives them the opportunity to start

over and rebuild a peaceful future. All of us go back to ancestors that at some point had to leave their home country and started over as immigrants in Canada, it is part of our heritage. Giving a family with young children the opportunity to resettle here, may enrich our community once they learn the language, pay taxes here and volunteer as so many of us do today. And we like to add that with them coming in through private sponsorship, they have been screened by our government with fingerprints, iris checks, criminal record checks and are health screened to keep us safe. This is why we like to support this LSA refugee project and hope you will as well. You

can send a cheque to the treasurer: Lac Ste Anne Refugee Partners, c/o Shantelle McAfee, Box 1601, Onoway, AB, T0E 1V0 Cheques made out to the Town of Onoway, as they are holding the money in a trust account for Lac Ste Anne Refugee Partners. And include 'refugee project' on the memo line. A charitable tax donation receipt can be given on request. For any questions please contact Mu Lavine at 780-967-3079. Or Kathleen Arnold at 780-967-4778, cell 780-266-4778. To email questions: onowayrefugeelove@gmail.com

For anyone that would love to be part of a Dinner & Dance Fundraiser, or volunteer in setting it up again, when the Fort McMurray situation has improved, please email celebratehopegala@gmail.com or call us at 780-337-4202

Thank you so much for taking the time to read this and we hope for your understanding!

Instantly Ageless™

Instantly Ageless™ is a powerful anti-wrinkle microcream that works quickly and effectively to diminish the visible signs of aging. Instantly Ageless™ revives the skin and minimizes the appearance of fine lines and pores for a flawless finish.

A perfect day starts with perfect skin.

Meticulously developed, our formula is lightweight and contains a skin-conditioning complex of minerals that evens skin tone. Instantly Ageless™ immediately dissolves into the skin, reducing the appearance of wrinkles. It's specifically designed to target areas which have lost elasticity—revealing visibly toned, lifted skin. Users have seen dramatic results in seconds.

A compact, yet powerful alternative to fortify skin affected by free radicals and environmental damage, Instantly Ageless™ is at the forefront of anti-aging technology.

BENEFITS

- VISIBLY DIMINISHES THE APPEARANCE OF FINE LINES AND WRINKLES
- ERASES THE APPEARANCE OF DARK CIRCLES AND PUFFINESS UNDER THE EYES
- MINIMIZES THE APPEARANCE OF PORES
- HELPS TO EVEN SKIN TEXTURE
- MATTES SKIN FOR A FLAWLESS FINISH
- RESTORES SKIN TO OPTIMUM APPEARANCE

Lawn & Garden

The Businesses in the following Guide can be your One Stop Solution to all your Lawn & Garden Needs!

WHY HONEYBEES NEED PROTECTION

Honeybees flitting from flower to flower is one of the first signs that warm weather has arrived. Honeybees are a welcome presence in the garden, pollinating plants and contributing to local honey supplies.

Despite their importance in the ecosystem, honeybees are in grave danger. In 2014, U.S. President Barack Obama created a task force comprised of various agencies to address the growing issue of rapidly diminishing honeybees and other pollinating insects. This initiative was a response to reports from American beekeepers indicating hive deaths have been on the rise, gravely affecting the honeybee population. Honeybees pollinate many fruit trees, nut plants and vegetables, playing a crucial role for many nations' food industries.

In addition to government involvement and honeybee conservation methods designed by environmental agencies, there are many things that regular citizens and homeowners can do to protect honeybees this summer. The Environmental Protection Agency and the Pesticide Action Network offer these tips.

- Use caution when applying any pesticides to home gardens. Be especially cautious when applying pesticides when bees are likely to be flying. If you must apply pesticides, do so only after dusk.

- Stagger your planting throughout the growing season. Rather than planting everything at once, stagger planting for flowers and other plants that have blooms. This gives bees plenty of pollen sources throughout early summer and into fall.

- Provide clean sources of water. A small garden feature or a rainwater collection is enough to provide bees with a drink when needed.

- Honeybees and other bees require some sort of shelter.

Dead trees and plants provide adequate shelter, so don't be so tempted to pull out all of the undergrowth in the name of aesthetics.

- Plant a garden that will attract bees. Resources for planting a bee-friendly garden can be found by visiting <http://www.panna.org/sites/default/files/>

Bee-FriendlyGardening_PAN.pdf.

- If you come across a hive, leave it alone. It's best not to disturb a hive and honeybee colony. If bees are located where they can become a nuisance, contact a local bee expert to see if the hive can be moved.

- Think about becoming a bee-

keeper yourself. There are many different resources available to help you get started.

Bees are being threatened at an alarming rate. Educating yourself about what to do to protect honeybees can help to restore the valuable honeybee population.

BREAK GROUND WITH THE RIGHT TOOLS

The right tools for the job can be the difference between an interminable landscaping project and one that goes smoothly and efficiently. Aspiring landscapers probably have a few shovels and rakes hanging in their garages and sheds for basic landscaping work. But while such tools are effective for certain projects, when it comes to churning soil for garden beds or digging holes for outdoor structures, additional tools come in handy. It may be well worth a trip to a nearby home center to purchase or rent one of these tools ideal for breaking ground.

Rototiller
A rototiller, sometimes called just a "tiller," is a powered garden tool designed to loosen soil prior to planting. A rototiller also can help aerate soil during the growing season. Because they reduce the need for manual spade

digging or hoeing, tillers can be useful landscaping tools, particularly for homeowners who want to work efficiently.

Rototillers will break through tough soil and any plant roots. They come in a variety of sizes, and it's best to match the tool to the size of the job. Many homeowners can get by with smaller, less powerful models, especially if the tiller is only necessary at the beginning of planting season. Professional landscapers or those with large swatches of property may benefit from larger models.

Auger
Augers, both mechanical and manual, are essentially large drill bits that help move materials from one location to another. Augers are typically used to cut holes in landscapes, and they are good for post-hole drilling, which is part of the process of installing

deck footings, fencing posts or other structures. Augers come in a variety of sizes, and homeowners can choose how much power they prefer. Augers can be heavy and cumbersome, and many do-it-yourselfers will find that one-person augers are more than adequate for their projects.

Augers dig deep holes, so it is always smart to have the property surveyed prior to use. This way pipes, gas lines, buried electrical lines, and any other obstructions are clearly identified prior to drilling.

Cultivator
Cultivators are similar to tillers in that they loosen soil. Cultivators are effective during the growth period of plants, when they can be used to aerate the soil and remove weeds. Cultivators come in hand-held versions and push models, and some are even

motorized. Cultivators get close to plants to remove weeds without disturbing the plant. They also are used to stir in compost or fertilizer.

While many people think cultivators and tillers are the same, that is not the case. The former is less powerful and will mix the soil or stir up the top layer, while the latter can break up moderately hard ground and loosen firm soil.

When using any tools around the garden, wear the proper protection. This includes devices to protect hearing when power tools are in use as well as gloves and safety goggles. Tillers, augers and cultivators have the potential to toss soil and rocks into the air, so make sure others keep their distance while work is in progress.

MAINTAINING BIRD FEEDERS AND BIRD BATHS ESSENTIAL TO AVIAN HEALTH

Bird watching is a pastime enjoyed by people of all ages. While many people trek into the woods to see their favorite birds, homeowners can take steps to entice these fascinating and feathered friends right to their backyards.

Homeowners who want to attract birds to their properties can do so by providing the birds food, shelter and places to wash up or cool off. Installing a bird feeder and a bird bath in your yard is one way to attract a bevy of winged creatures that can provide hours of enjoyment.

Establishing a bird-friendly environment may seem as simple as hanging a feeder on a pole or tree and erecting a bird bath nearby. But a certain level of maintenance is needed to keep birds healthy and happy.

According to the experts at the Bird Watcher's Digest, recent research indicates feeders can sometimes be a source of disease for the birds visiting them. The Audubon Society echoes that warning, saying that bird feeders and baths can serve as transmission stations for diseases such as aspergillosis, avian pox and salmonellosis. Recently, scientists noted that the spread of trichomonad protozoan parasites is on the rise, especially among mourning dove and band-tailed pigeon populations.

Such warnings are not meant to

deter budding birding hobbyists. Organizations like the Audubon Society hope that such warnings send the message that disinfection and maintenance is necessary to maintain sanitary environments for birds. Doing so is relatively easy and well worth the time for birding enthusiasts.

• The Humane Society of the United States advises cleaning hanging feeders once every two weeks or more often if they're heavily used. Ground-feeding designs should be cleaned every two days. Feeders can be immersed in a very-diluted solution of bleach to water (nine parts water to one part bleach). Let soak for a few minutes, and then scrub the feeder with a stiff brush or scouring pad before rinsing. Allow the feeder to dry completely before refilling it with seed.

• Bird baths should be emptied of water each day. Brush or wipe the bath clean, then rinse and refill with fresh water. Do not leave standing water overnight; otherwise bird baths can easily become a breeding ground for mosquitoes and other parasites.

• Frequently collect discarded seed hulls and clean bird droppings from beneath feeders. If the area around the feeder has become especially soiled, relocate the feeder elsewhere and clean its initial location.

• Follow proper instructions

with regard to seed and other bird food. For example, reduce the amount of suet offered in hot weather. Heat can cause suet to spoil, and sticky suet can become stuck in birds' feathers and make it hard for them to keep clean.

• Try to provide more than one feeder and bird bath to prevent overcrowding. Crowding can contribute to the spread of disease.

• Do not situate feeders and bird baths under perches where they can be soiled by droppings.

• If you notice birds look sick or are not acting strangely, halt feeding and bathing to prevent healthy birds from becoming ill. Wait a week before resuming feeding and notify wildlife officials if you find dead or sick birds

around your property.

• Locate feeders and baths at least 30 feet away from windows so birds do not get confused by reflections and collide with the glass.

• Store seed in a dry container with a tight-fitting lid to prevent mold from forming and moisture from getting in.

Creating a thriving habitat for bird watching is easier than one might think. But once birds begin visiting a yard, homeowners must diligently maintain clean feeders and bird baths to ensure the birds stay as healthy as possible. Any questions about wild-bird care can be directed to a local Audubon Society chapter or by visiting a pet store or bird hobby center

ST. ALBERT MAN CHARGED WITH 83 COUNTS OF FRAUD OVER \$5,000

Submitted by Edmonton RCMP

An investigation undertaken by the RCMP's Serious and Organized Crime Unit in Edmonton has culminated in 80 criminal charges of fraud over \$5,000 and 3 criminal

charges of theft over \$5,000 against a 45-year-old St. Albert man.

Wade Closson operated a company called Optam Holdings Inc. in the years between 2008 and 2013 in which the main concern was offering second mortgages to investors. Police began their investiga-

tion in 2013 after receiving reports from investors that there may be discrepancies in the past operation and eventual bankruptcy of Optam Holdings Inc.

Closson was charged on April 1, 2016 with 80 counts of Fraud over \$5,000 and 3 counts of Theft over

\$5,000 and is scheduled to appear in provincial court in Edmonton, Alberta on May 13, 2016.

The RCMP is not able to provide any additional details or comments given that this matter is now before the courts.

GASTROINTESTINAL ILLNESS AMONG FORT MCMURRAY EVACUEES

Submitted by Alberta Health Services

Alberta Health Services (AHS) is responding to an increase in patients who are experiencing symptoms consistent with viral gastroenteritis at the evacuation/reception centre at Northlands.

This is not unexpected, given the large numbers of people who are using and living at that site, after being displaced from their homes by the wildfire burning near Fort McMurray.

AHS, in partnership with the City

of Edmonton, has enacted a plan to manage the increased numbers of ill people, and to help prevent further spread of the illness.

Environmental Public Health staff, as well as Infection Prevention and Control staff, are onsite at Northlands. Medical staff, including EMS crews and Nurse Practitioners, are also at the centre to help care for those with gastrointestinal symptoms.

Symptomatic individuals are being offered housing in a separate area of Expo Hall, which will help limit spread to evacuees who are well.

Washroom and shower facilities are being cleaned, and AHS has increased access to hand sanitizer at the site.

The evacuation/reception centre at Northlands remains safe for anyone still at the site, and for new arrivals to Edmonton.

To reduce the risk of spread, we urge people to:

- o Wash your hands thoroughly with soap and warm water before and after using the washroom; before and after eating or preparing food; after changing diapers.
- o If people are planning on visiting

family or loved ones at the Northlands site and are feeling ill, we ask them to please not visit until they are well.

Individuals experiencing symptoms can also call Health Link at 811 to speak to a registered nurse.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than 4 million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

IMPORTANT ANNOUNCEMENT FROM Tru Hardware Evansburg

To thank all our customers and business associates for their loyal patronage for the past 28 years we will have a barbeque on **Wednesday May 25th, 2016**. All food including dessert will be available inside the store.

STRAWBERRY TEA & JAIL LOCK-UP

Submitted by Sylvia Krikun & Carol Besko (Friends of LSAF directors)

The annual "Strawberry Tea & Jail Lock-Up" is coming to Pleasant View Lodge on Friday, May, 27, from 1 to 4 p.m.

Prominent citizens of Mayert-horpe and area will be charged

with a variety of crimes. These 'criminals' have to raise their own bail in advance by asking family, friends and acquaintances for donations.

The 'criminals' will be arrested by a peace officer and brought before a judge who will impose a jail sentence and set bail. Spectators can enjoy strawberry

shortcake and a beverage in the Lodge's dining room while witnessing the court proceedings.

Other activities that afternoon include a photo booth, an art display, a bake sale, a silent auction and a 50:50 draw.

This is a joint venture between Pleasant View Lodge and the Friends of the Lac Ste Anne

Foundation; with proceeds going to support programs and special equipment that will enhance the lives of seniors living in the lodge and in the community.

So, be sure to come to the Lodge on May 27 to enjoy the afternoon with friends and to have a few laughs.

See you there!

SANGUDO HORTICULTURAL NEWS

Submitted by Brenda Ogden

Mike Desmarais put on a really good presentation for the club on turf grass. Here are a few tidbits that I learned. The best way to water grass is to soak it and let it dry out, before watering again, to promote a deep root system. Keeping your grass cut to one and a half inches regularly will cause you to have a lush lawn. In order to kill quack grass the grass must be cut shorter than

one inch, however you should never mow more than one third of the plant at a time. A lot of times problems with your grass may be caused by mowing with dull mower blades. The dull blade shreds the plant and this can stunt it, and create more edges through which diseases can enter. Mike also talked about liquid versus granular fertilizers, herbicides, and how to figure out the square footage of your lawn area. He told us about the benefits of aeration and how to fix

some lawn problems. We even got some information on making our own liquid fertilizer.

May 23 the horticultural club has the Sundial Park and Sangu-do spring clean-up. This is a way to spruce up Sangudo with the spirit of community connection.

May 28 the Club will be having its annual plant sale a little later this year and in a different location. The club will have a table at the Sangudo Community Garage Sale on May 28th at the Community Hall (4924-

50str) from 10am to 3pm. There will be a diverse selection of both perennials and annuals. It's that perfect chance to try a different type of tomato or a herb you may not have encountered before. Some of the flowers for sale will be blooming, so you'll be able to picture them in your own landscape. And best of all the saleswomen are gardening members of the horticultural club, so will be able to answer most questions.

SUDOKU OF THE WEEK

	1					9		7
5			1	2	7			
8				4				1
	2	8		9	1			
			3		4	8		
7	9					5	4	
6			9		3			8
		2	7					9
		5		6		1		

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
