ONOWAY JR. SR. HIGH SCHOOL – GOING, GOING, GONE

The school's cinder block walls come down.

Canada's flag is respectfully brought down first.

Window walls are removed.

Submitted by Terry Slemko

Formal education in Onoway is 111 years old. On September 1, 1905, David Lent and about 30 students began schooling in Beaupré School, a one-room school made from local material and constructed by local help at a cost of \$600.

When that school became too

small to accommodate the burgeoning school population, a new school was built in the hamlet of Onoway – the two-room brick school which came in under budget at \$11,000. As years passed, the brick school (with several additions including the east and west wings) also became too small, and a five-room school was built north of Beaupré School on the hill. This was to become Onoway

Junior Senior High School.

With several additions over the years, this school provided the educational needs for grade 7 to 12 students in the Onoway area for 56 years. 4,085 students graduated from Onoway Jr. Sr. High School.

DRUGGED DRIVING IS IMPAIRED DRIVING

Submitted by Government of Alberta

Last year in Alberta, nearly half of all 24-hour licence suspensions were due to drug impairment.

Few drivers are aware of the penalties for drugged driving and may believe alcohol-impaired drivers are more likely to be stopped by police than drug-impaired drivers.

"It comes as a surprise to many people that drunk driving and drugged driving carry the same criminal charges. This is because both substances impair a driver's ability and increase the likelihood of being involved in a collision."

-Brian Mason, Minister of Transportation

"Impaired driving is Canada's leading cause of criminal death in Canada. The number of drugs present in motor vehicle fatalities in Canada continues to grow. It is absolutely essential that when you are using drugs that you not drive and create that risk of death or injury to yourself or others." -Andrew Murie, CEO MADD Canada

Impaired Driving Facts

- The Traffic Injury Research Foundation determined that in Canada during 2012, drugs were detected in 40 per cent of fatally injured drivers.

- Alberta is slightly above the national average at 41 per cent. This represents 82 drivers who were killed in collisions during 2012 who tested positive for drugs. For perspective, 71 fatally injured drivers tested positive for alcohol during that same year. Of those, 34 had both alcohol and drugs in their system.

- Anything that impairs your ability to drive – alcohol or drugs, whether legal or illegal – may result in an impaired driving charge.

HERITAGE VEGETABLES GROWING AT PEGG GARDEN

Submitted by **Diana Johnstone, George Pegg Botanic Garden**

George Pegg Botanic Garden invites you to come check out Alberta's first historic garden! Stroll among the many garden beds filled with both native plant and introduced ornamental plants. Venture into the Pegg family log

house and other original outlying buildings.

Unique this year is the heirloom vegetable garden that was planted on June 5, 2016 using seed stock from heirloom seed grower Denise O'Reilly of A'Bunadh Seeds of Cherrhill. Often bringing seed from Europe and Asia and any part of the 'Old Country', using saved seed is representative of

what pioneers would have grown. The Pegg vegetable garden includes the tried and true vegetables such as carrots, corn, peas, beans, as well as some unusual crops such as watermelon, soybeans, and celeriac! In September Denise is leading a workshop about how to save seed.

In other parts of the garden common visitors have snacked on saskatoons and raspberries. Soon the crabapples will be ready to pick. The Pegg Garden in August is open 7 days a week from 10 am- 5 pm. Admission is by donation.

On Monday, August 15, in conjunction with the Barrhead Public Library, we are hosting a workshop called Make Your Own Promotional Video. Working in small groups we'll learn the whole process, from planning to shooting, editing, adding titles and sound, and uploading to the internet. For more details call the Garden at 780-203-0331 or visit www.PeggGarden.org

JOKE OF THE WEEK

Sherlock Holmes and Dr. Watson went on a camping trip. After a good meal and a bottle of wine, they lay down for the night, and went to sleep. Some hours later, Holmes awoke and nudged his faithful friend. "Watson, look up at the sky and tell me what you see." Watson replied, "I see millions and millions of stars." "What does that tell you?" Holmes asked. Watson pondered for a minute. "Astronomically, it tells me that there are millions of galaxies and potentially billions of planets. Astrologically, I observe that Saturn is in Leo. Horologically, I deduce that the time is approximately a quarter past three. Theologically, I can see that God is all-powerful and that we are small and insignificant. Meteorologically, I suspect that we will have a beautiful day tomorrow. "What does it tell you?" Holmes was silent for a minute, then spoke. "Watson, you idiot. Somebody has stolen our tent!"

THANK YOU ALBERTA BEACH LIBRARY BOOK/DVD SALE SUPPORTERS!

Submitted by Cathy Brennan, Library Manager, Alberta Beach Municipal Library

Happy summer everyone!

Our annual book/dvd sale over the Poly Days weekend was an overwhelming success. We had a packed parking lot for much of the

two days.

The weather mostly held off on Saturday – we did have to close down an hour earlier than usual due to a nasty incoming storm. Just as the last boxes and tables went in the door, the big raindrops started to fall. Thank you all who pitched in to help us get everything in the door of the library in time.

Sunday started off beautifully and then, as seems the norm this year, darkling clouds started coming over the lake.....and then some droplets of rain (no!). Thankfully there was blue sky right behind those clouds and we were able to make it to 4:00 pm closing time.

Thank you to everyone – to those who donated the items for the sale,

to those who volunteered their time to help before, during, and after the sale, and to those who very generously donated to us. Everyone is so important to the success of the sale and we are very appreciative. Don't forget that we take books and dvds all year. Some items go in to our collection and some in to the sale.

RCMP INVESTIGATE 2 VEHICLE COLLISION WITH MULTIPLE INJURIES

Submitted by RCMP Stony Plain

Stony Plain RCMP are investigating a 2 vehicle collision in the east

bound lanes of Highway 16 near Highway 779 at approximately 4:40 PM. Initial investigation shows a Pontiac G6 rear ended a Mitsubishi Mirage causing it to roll over. 3

people in the Mitsubishi were transferred to Edmonton area hospital, 1 of which by STARS air ambulance with undetermined injuries.

Stony Plain RCMP along with the

RCMP collision analyst are continuing their investigation and no other details are available at this time.

MAYERTHORPE HOSPITAL AUXILIARY ASSOCIATION REPORT

Submitted by Lil Roszko

Mayerthorpe Hospital Auxiliary Association Still meet every 4th Monday at 5:00 P.M. in the health care center education room. We have been fortunate to have the Administrator, Auxiliary Wing coordinator, and their Recreation coordinator attend most of our meetings.

We never miss a meeting date! Two of our Ladies attended the Alberta convention & came back with useful information.

We have raised funds by: having bake sale in the Health Care Center, selling lap robes, throws, slippers, and dish rags made by and donated to us by generous talented women. We accept memorial donations, sup-

ply tax deducted receipt to donor and mail acknowledgement cards to the donors requested. There have been generous donations made by various groups, for example: Kinettes, Legion, Rural Crime Watch, Catholic Women & more!

Several Ladies go each Tuesday with tuck cart to both wings of the health care center selling bars,

cheezies popcorn twists, chips, gum and knitted items. We are going to refurbish the much used palliative care room, buying blanket warmers and anything else that is requested or needed but Alberta Health Care will not provide.

Onoway Jr. Sr. High School – Going, Going, Gone

Continued From Page 1

This school too aged out and construction of a new school, a two-story edifice at a cost of \$24 million,

began on March 1, 2015. A new era of schooling in Onoway will begin in September 2016. The new school will accommodate 750 students with the ability to expand to 850

students. Binder Construction is the contractor for the project.

And so, sadly, a part of Onoway's history will soon be gone. Revlon Demolition has begun the task of

razing the "old" high school which will soon be replaced by a track. But memories will keep OHS alive in the hearts and minds of former students.

Drugged Driving Is Impaired Driving

Continued From Page 1

• Mixing alcohol and drugs of any sort is also a concern. Combining impairing substances has major risks. Always use substances responsibly.

• According to a study done by

the Canadian Centre on Substance Abuse, cannabis creates performance deficits in many skills required to drive safely, such as tracking, reaction time, visual function, concentration, short-term memory and divided attention.

• Studies of driving performance

(both simulated and on-road) show increased likelihood to swerve, following distance, and speed as a function of cannabis use.

• In the 2014 driver attitude survey, seven in 10 Albertans agreed that too many people are driving under the influence of legal or illegal

drugs.

• The 2014 Driver Attitude Survey also noted only 55 per cent of Albertans make other driving arrangements when they have taken drugs which can affect their ability to drive.

GREETINGS FROM THE ALBERTA BEACH AND DISTRICT AGRICULTURE SOCIETY!

Submitted by Jessica Puhov, President AB Ag. Association

I would love to say that our annual Polynesian Days went off without a hitch but Mother Nature has made that impossible!! Despite the rain many of our events did take place and these events were well attended while the sun was shining. Having received much positive feedback; it appears our parade was a fan

favourite as always and boasted 5 different entries from the Shriners alone! The Kids Park at Boat Launch Park unfortunately had to shut down at 330pm due to an imminent storm approaching. Our goal with the Kids Park is to offer low cost entertainment to the children and we hope to expand this area next year. Big kudos goes to IDVIP Team for trying so hard to stick it out in the rain in an effort to save the Music Fest on Saturday. After

an hour and a half of relentless rain with a handful of tenacious fans it was all to apparent that the weather was just not going to cooperate. Sunday's funnel cloud warning resulted in the postponement of our Free Movie Night and wagon rides. The tug of war did go ahead as planned and what a fantastic event!!! It is always such a fun and exciting event that is so well attended - if you want to make your mark on Poly Days plan to have a tug

team next year!! Please check out our FB page to see all the pictures! At the time of writing this I do not have an update on the ball tournament.

I also want to make mention and personally thank each and every volunteer and sponsor who made Polynesian Days possible. This has been nothing short of a difficult financial year for everyone and yet we had tremendous support from our sponsors and FCSS. Without that financial support this event would put a financial burden on our organization and attendees and quite possibly not even take place - certainly not to the extent that it does. PLEASE see our thank-you page and PLEASE remember to offer your support to these businesses. It is also so very important to recognize each and every volunteer who took time away from their families and personal commitments to organize this event. There are so many of you to mention and you all did so much to make the event happen! Our volunteers hit the pavement to get sponsorship, liaised with advertising companies/village/vendors/supply companies, helped design advertising, picked up supplies, delivered programs, put up posters, organized events, put up barricades, delivered & picked up the generator, organized extra washrooms, monitored the washrooms, picked up recycle in Gazebo Park, liaised with groups and businesses about their events and attended numerous organizational meetings. The tremendous amount of work done by such small group of volunteers is astounding!! You guys are what make a community!! We are always looking for new faces and new ideas and your don't have to be a member to volunteer a few hours of your time.

RIDING UPDATE – MONTH OF JULY, 2016

Submitted by Jim Eglinski, MP – Yellowhead

I enjoy being in the riding during the summer where I can reconnect with my constituents. After Parliament adjourned for the summer, I began my travels throughout the region.

In late June, I had the pleasure of attending the Alberta Beach Boat Launch Grand Opening, the re-dedication of the cenotaph at the Thorsby Legion, and the Village of Warburg's Heritage Day Parade.

My family and I celebrated Canada Day with many of our constituents in our hometown of Edson at the beautiful Centennial Park. From the local talent and birthday cake to the fireworks, the celebrations of Canada's 149th birthday was an enjoyable family event.

I was pleased to be present, along with other dignitaries and

members of the media, at the facility tour of the new \$200 million Edson Hospital. We were all very impressed with the spacious and bright rooms, and the special features in the operating and delivery rooms. A great new addition that will save many patients the lengthy drive to Edmonton for the medical service.

I met with the Edson Fish and Game Association to discuss current proposed firearms legislation, such as Bills S-223 and C-246 which I know many hunters and sports shooters have been con-

cerned about.

In mid-July, I returned to Ottawa in order to catch up on pending issues pertinent to the riding.

In the latter part of July, I prepared a radio message in recognition of Heritage Day in Alberta (August 1st). The following day, I met with constituents in Jasper and later toured the Miette Hot Springs in Jasper National Park.

I was pleased to hear that the Town of Hinton's application for a grant toward The Guild Performing Arts Venue Project was approved.

I also met with Mayor Herb

Castle of Grande Cache, to discuss the current and future economic situation in the community.

On July 30th, I was in Peers to participate in their '40th Annual Gold Dust Daze Parade' and Opening Ceremonies where I enjoyed the festivities and speaking to many of my constituents, then on to Cadomin for the Community Dinner at the Legion. The next day, I watched a few slo-pitch games at the 'SLO-Pitch Tournament' in Edson.

Please feel free to drop by the Edson office to say hello should you be in the area.

RCMP Beats

Continued From Page 10

13. July 29 – Area of Ellis Drive, Acheson – Theft of Vehicle, 2013 black Dodge Ram

14. July 30 – Area of 49 Avenue and 56 Street, Alberta Beach – Theft of Vehicle, 1995 silver Jeep Cherokee

15. July 31 – Area of Township Road 531 and Range Road 13 & 14 – Theft from Mailboxes

Stony Plain/Spruce Grove RCMP remind you not to make it easy for thieves. Thieves like to work in the dark. Install motion activated lights on the front and rear of your residence.

The Spruce Grove / Stony Plain Drug Section Information Tip Line is 780-968-7212. Anyone with drug information is asked to call and leave a message.

If you have information regarding any of these crimes, or any other crime, please call the RCMP At 780-962-2222 or 780-968-7267. You can also call Crime Stoppers at 1-800-222-8477 or text the keyword TIP205 (TIP250 for Edmonton Metro) & your Tip to CRIMES (274637)

GOLFER'S GUIDE

HELP KIDS LEARN THE GAME OF GOLF

Adults who play golf know just

how fun and frustrating the game can be. Whether you're a veteran golfer or someone just learning the links, golf can be challenging.

But as exacting as the game can be, it also can be just as rewarding, even for kids. Children who embrace the game of golf will learn a host of lessons they can apply in all facets of life. A humbling game even for professional golfers, golf can teach kids lessons in humility and the value of persistence even when things aren't going your way.

Golf is also a great way for parents to get kids off the couch and outdoors for some fun in the sun. Instead of spending summer afternoons in front of the television, kids who play golf are out patrolling pristine golf courses while getting some cardiovascular exercise along the way. Golf can also strengthen a child's hand-eye coordination, which can help them in other activities, including many different sports.

Though many people do not begin playing golf until they've reached adulthood, it's never too early for boys and girls to start learning the game of golf. Par-

ents of preschoolers can start their kids off with a toddler play set. Though it's just a toy, a play set can help lay a solid foundation for future golfers. Kids who have watched Mom and Dad play golf or practice their swing can develop their own swings on their play set.

As kids approach school age, don't overlook the nearby putt-putt or miniature golf range as a valuable teaching tool. Miniature golf clubs are small enough for many children to use comfortably, and kids can use miniature golf courses as a place to put any lessons or advice on putting to good use. What's more, a miniature golf course is more than just golf, with creative courses and other fun activities, so kids won't feel overwhelmed with golf.

When kids move on from preschool to elementary school, some might want to tag along with Mom or Dad to the driving range. You should try to avoid overwhelming kids with too much instruction or information. Instead, keep things as simple as possible, teaching them the basic swing and encouraging them no matter how quickly they adapt.

As kids enter middle school and approach high school, those who are enjoying the game of golf can take advantage of the driving range if they haven't already begun to. A driving range typically has markers that indicate the distance of a regular hole, regardless of which tee you will play from on an actual golf course. Kids can aim for holes at shorter distances to learn how far their drives are going. You can then adjust the lessons you teach your children based on how far youngsters can drive the ball.

As a child gets closer to high school, you might want to buy the child his or her own set of clubs. Look for inexpensive clubs (oftentimes, thrift stores or other secondhand retailers have clubs for sale) because growing children will eventually grow out of their first set of clubs. When your child finds a set of clubs that suits him or her, teach the proper way to swing and consider signing up your son or daughter for lessons. Those first few lessons can prove invaluable, turning a pastime into a passion kids will carry with them throughout their lives.

GOLFER'S GUIDE

TIPS FOR NEWCOMERS TO THE GAME OF GOLF

Few hobbies can be as enjoyable one moment and as frustrating the next as golf. Golfers know a great putt can be quickly followed by a bad tee shot, and maintaining their composure through the highs and lows of the game is a key to success on the links.

Maintaining that composure isn't always easy, even for the professionals. It's even more difficult for beginners, who quickly learn the game of golf involves more than just spending sunny weekend afternoons on pristine golf courses. In fact, golf can be quite demanding, and beginners would be wise to heed a few tips before hitting the course.

* Don't commit to an expensive set of clubs right off the bat. Golf clubs can be very expensive, so

beginners should buy an affordable secondhand set of clubs so they can get the hang of what they like before spending a lot of money. Visit a pro shop and explain that you are just a beginner. The shop will likely make some valuable suggestions and might even let you try out a pair of clubs. In addition, many driving ranges allow customers to rent clubs, and this can be a great and inexpensive way to find the right clubs for you.

* Take lessons. Even the very best at self-teaching might find it extremely difficult to become a self-taught golfer. When first trying your hand at golf, take some lessons and don't expect to be playing 18 holes any time soon. Before hitting the course, where you might be discouraged and

you might frustrate those golfing behind you, learn the fundamentals by taking a few lessons at the driving range. Learn from a professional, who won't offer you any hidden secrets to golfing glory (there aren't any) but will offer sound advice on the game's fundamentals.

* Take the game home with you. Beginners can even take advantage of golf's vast popularity by taking the game home with them. This doesn't mean building a putting green in your backyard. Rather, purchase some instructional DVDs to learn the game during your down time throughout the week. Many golfers don't have time to hit the links during the week, but they do have time to watch some DVDs when they get

home from work. Such instructional DVDs can help you master your grip and stance, which you can then take with you to the course over the weekend.

* Have fun. Golf is a fun game; it just takes time to hone your skills. But even if you aren't ready for the professional tour after your first few rounds, you can still have fun. Don't let some beginner's frustration, which every golfer experiences, ruin the fun of the game. Take note of your surroundings when you hit the links, and appreciate the time you're spending with your group. If the game becomes more a source of frustration than fun, then take a break and put in some more work away from the course, be it at the driving range or studying at home.

DARWELL PUBLIC LIBRARY AUGUST NEWS

Submitted by Sandra Stepaniuk, Library Manager

The Summer Reading Club, for children 6 to 13 years of age, continues Thursday afternoons from 1 – 3PM until August 18, 2016. The theme this year is “Go Wild” and each week we will explore fun and creative ways to “Go Wild”. This is a free program that includes stories, activities or games, crafts and a snack. We still have a few spots available but ask you to pre-register by contacting the library @ 780-892-3746. The maximum space available for the program is 15.

We are selling Westjet Tickets again this year during the Barnburner, Friday, August 12, 2016 and the AgDrag Saturday and Sunday, August 13 & 14, 2016 for \$ 10.00 each. The purchase of a ticket is your entry for a chance to win airfare for two (approx. Value: \$2900.00) some restrictions apply, to anywhere Westjet flies. Tickets are currently available at the library until 4PM on Monday, August 8 and from a few volunteers in the community. The monies collected will be shared between the Darwell Ag Society, Lake Isle Farmers Association and the Darwell Public Library to fund programs and events throughout the year. Show your community spirit by purchasing a ticket to support these valuable community groups and services.

As promised, we are opening the green book shed and have scheduled a couple more used book sales. The dates and times are Saturday, August 20 and Sunday, August 21 from 10AM to 3PM during the Darwell Fair. Drop by and peruse the titles, take what you want and leave a donation of your choosing.

The donations continue to come in and we are busily preparing for the silent auction to be held Saturday, August 20, 2016 from 10AM-3PM in the new library expansion. Should you have something you would like to contribute, please have your donation to us by Wednesday, August 10, 2016.

Lisa Losole from Discovery Toys will be assisting us with fundraising to provide materials for use within the library for learning and literacy programs on Saturday, August 20, 2016 from 10Am to 3PM. All money received will go directly

towards the completion of the library expansion. See you there!

The Alberta Prairie C.O.W. (Classroom on Wheels) Bus is coming to the Darwell Public Library on Tuesday, August 23, 2016 from 11AM to 4PM. Although, for this visit the bus will be absent due to mechanical issues. Not to fear, the girls from the Centre for Family Literacy will set up in the library in the children's area for the duration of their visit. The Alberta Prairie C.O.W. Bus is a bookmobile that travels to various sites to promote early literacy and provide parents/caregivers with a friend-

ly comfortable space where they can feel at ease with books and gain confidence in their ability to read to their children. Drop by on Tuesday, August 23, 2016 between 11AM and 4PM to explore early literacy with your child/ren 0-6 years of age. All children must be accompanied by an adult as this is a program designed for parents and children together. This is a free drop in program so pre-registration is not required. All of our programs and events are sponsored by FCSS, CLSA Library Grant, Darwell Library Friends and the Darwell Public Library.

The Darwell Public Library Society will be holding their next regular meeting on Monday, September 26, 2016 starting at 7 pm. All meetings are open to the public and everyone is welcome to attend. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website www.darwellpubliclibrary.ab.ca or like us on Facebook at www.facebook.com/DarwellPublicLibrary

Instantly Ageless™

Instantly Ageless™ is a powerful anti-wrinkle microcream that works quickly and effectively to diminish the visible signs of aging. Instantly Ageless™ revives the skin and minimizes the appearance of fine lines and pores for a flawless finish.

A perfect day starts with perfect skin.

Meticulously developed, our formula is lightweight and contains a skin-conditioning complex of minerals that evens skin tone. Instantly Ageless™ immediately dissolves into the skin, reducing the appearance of wrinkles. It's specifically designed to target areas which have lost elasticity—revealing visibly toned, lifted skin. Users have seen dramatic results in seconds.

BEFORE

AFTER

A compact, yet powerful alternative to fortify skin affected by free radicals and environmental damage, Instantly Ageless™ is at the forefront of anti-aging technology.

BENEFITS

- VISIBLY DIMINISHES THE APPEARANCE OF FINE LINES AND WRINKLES
- ERASES THE APPEARANCE OF DARK CIRCLES AND PUFFINESS UNDER THE EYES
- MINIMIZES THE APPEARANCE OF PORES
- HELPS TO EVEN SKIN TEXTURE
- MATTES SKIN FOR A FLAWLESS FINISH
- RESTORES SKIN TO OPTIMUM APPEARANCE

GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool

Onoway and Gunn dart players are busy putting their teams together for the outdoor fun tournament at the Stony Plain Legion on Saturday August 27th. If you are interested in joining us for a totally different "dart experience" please contact Scott at 780-967-4146, stop in at the Legion on Tuesday or Thursday evening or visit us on Friday after 3 pm for further information. Only a limited number of teams will be accepted at this crazy and entertaining event.

We were pleased and surprised at the good attendance to our July 29th Friday Night Ukrainian Platter. With so many other events happening on that particular long weekend it was very nice to see most of our regulars and some new customers as well. The tasty supper was prepared and served by Bob, Jay, Marcelle and Pat St. H. with Sandy pitching in for much of the cleanup duty. Thanks also to Cheryl for helping clear tables and recording the names of the draw winners. Marg Maughan will be enjoying a free meal in the future, Lisa Johnson won the meat draw and Larry Backus happily pocketed his portion of the 50/50 draw. Congratulations to all winners and Happy Birthday to Cory Gyman who enjoyed

his free meal on Friday.

Thanks to everyone who takes the time out of their busy day to phone with their Friday Night meal reservations. This practice makes it much easier for the kitchen to manage the amount of food necessary to feed everyone with the least amount of waste. As with every Legion, trying to make ends meet is more difficult every year and we really appreciate your consideration of our efforts to supply a quality meal at a reasonable price.

On a sad note we lost another member on Tuesday. Our deep-

est condolences to the family of Warren Waddell on his sudden passing. He will be sorely missed by the supper and crib crowd. We would also like to extend our sympathy to Bud Westerlund on the loss of his daughter, Eva.

UPCOMING EVENTS:

August 9 - Pub and Games Night - Pool, Cards, Darts and Socializing

August 12 - Friday Night Supper - Chicken Cordon Bleu

August 16 - Tuesday Night Darts

August 18 - Thursday Night

Pool

August 19 - Friday Night Supper - Steak Dinner

The Legion phone number is 780-967-5361. Please contact Ted Latimer @ 780-967-4980 for hall rentals, Bob Clark @ 780-967-3640 to reserve your plate for the Friday Night Supper, for meal inquiries/suggestions or to volunteer in the kitchen, Cheryl Sadler @ 780-967-4146 for membership and Lorinda McCool @ 780-967-3640 to place information in the Legion newsletter. See you at the Onoway Legion and have a great week!

A HIDDEN GEM

Submitted by Darcy Lindberg

There is a hidden gem in the upstairs of the Muir Lake Community Hall, it is a playschool that has been in operation for 40 years. This playschool has seen many children over the years. It has received a well-deserved facelift this summer, with new paint from one end to the other, some upgraded office storage, new curtains, rugs, and a bathroom/kitchen update. The renovations started in the beginning of July and took about a month to complete. It was

a combined effort between the executive, the teacher and a local contractor that offered his services for an affordable rate. With that being said they were able to tackle multiple projects with the help of a budget created from working bingo's, a casino and fund raising. The transformation is incredible and really brings a modern feel to the playschool.

Muir lake playschool has the support of the community through the children that attend, the parents that volunteer their time, and the community league who work hand in hand with them, it is like

one big family. It is so nice to have a sense of community in a world that has us running one way and pulling us in another.

The teacher, Diane Dawes has been with the playschool for 12 years. Prior to being employed as the teacher, her 3 children also attended the playschool and have since moved on to the school next door. She remembers when there was an old style bar upstairs that kept the craft paper and they would have to take the kids downstairs to go to the washroom. It seems to have come a long way, the bar is gone, they have a fully functioning kitchen & washroom in the playschool with many play centres, a story corner, and a crafting area where the children can express themselves.

The playschool has been able to do all of this for the kids with the help of the community. One of the biggest fundraisers to the playschool is ladies night that happens in January. It is usually a sell out bringing women from all over to attend the event with entertainment and prizes. With the community support, the playschool is able to keep the tuition low, starting at about \$100 a month. Included in the tuition are field trips and in house guests such as dental hygienists, RCMP officers, Zumba instructors and many more.

The best part is that the community hall and playschool is located just north on hwy 779 close to many acreages and farms in the area. It is also close to Stony Plain and Spruce Grove, in the vicinity of Onoway, Calahoo and many smaller communities. The playschool accepts kids from all around and maybe that is their secret of persevering their existence for the last 40 years.

They will be at the TransAlta Tri Leisure Centre on August 11 from 6-9 accepting registrations and at the community hall on the 23rd of August from 6:30-8. Please visit their website www.muirlake-playschool.com or Facebook for more information. Their mission is to be one of a kind, to inspire, to challenge, to teach, to learn, to make a difference in the lives we touch. So if you or someone you know is looking for that hidden gem please go check them out, everyone is welcome.

ACCESS TO THE ATHABASCA RIVER FROM 47 STREET AND RIVERSIDE TRAIL WILL BE CLOSED AUGUST 8 UNTIL SEPTEMBER 30, 2016

Submitted by Tara Gallant

Access to the Athabasca River from 47 Street and Riverside Trail will be closed from August 8 until September 30 to allow construction to proceed on the Athabasca River Erosion Control Project.

The Town initiated the project in 2013 after identifying substantial erosion of the river bank north of the Millar Western mill site. The project involves the construction of erosion control spurs (rock structures) along the Athabasca River to provide protection to Riverboat Park, the Millar Western site, and Town owned land north of Flats Road. Kana Oilfield will be completing the work which is scheduled for completion at the end of Sep-

tember. The project is funded by the Provincial Community Resilience Program Grant, the Federal New Building Canada Plan, Millar Western Forest Products, and the Town of Whitecourt.

A series of nine new erosion control spurs, similar to the one at Riverboat Park, will be constructed in addition to habitat enhancements to compensate for potential lost fish habitat. The damaged portion of the snowmobile trail, north of the Millar Western mill site, will be rebuilt to provide construction and maintenance access.

Construction is underway seven days a week between 7:00 a.m. and 9:00 p.m., subject to weather and river conditions. While the majority of work will be conducted via the Millar

Western mill site, community members will notice increased truck traffic along 47 Street, north to the river. Heavy equipment working near the river, north of the Whitecourt Golf & Country Club, and west of 47 Street will result in restrictions on access to these areas until late September.

Riverboat Park:

- The park will remain open with full access to the boat launch and shelter. Work will stop during the scheduled Whitecourt Carlan Cup Jet Boat Race event scheduled August 6 and 7.

Millar Western Forest Products:

- The majority of the work will be conducted via the Millar Western mill site. The Town of

Whitecourt is working with the company to coordinate access.

North-end of 47 Street/Riverside Trail:

- Public access to the Athabasca River from 47 Street and Riverside Trail will be restricted from August 8 until September 30. (Please refer to the map attached.)

- Pedestrians and vehicles will not be allowed on 47 Street north of the Church of Latter Day Saints.

- Heavy equipment will be operating in this area to install erosion control structures.

We appreciate the community's understanding and cooperation as we work with our partners to complete this project.

SUDOKU OF THE WEEK

								1
	2	4	5			9		
		9		4	2		6	
			2	3				5
3				6				9
2		5	1		7			8
	7		6			8	9	2
	8		9				5	
9	5		4	2			3	

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
