POLICE ASKING THE PUBLIC FOR HELP TO IDENTIFY SUSPECT IN SEXUAL ASSAULT

Submitted by Leduc RCMP

On December 31, 2015, at approx. 11:30 PM, a female was sexually assaulted by an unknown male near the railway tracks on Rollyview Road and 50 Street. Investigative avenues have been exhausted and the Leduc RCMP are releasing a composite sketch of the suspect.

The suspect is described as:

- A Caucasian male.
- 16 - 21 yrs. old, dark coloured long hair, parted from left to right.
- "Dots" on lower part of face which may have been slight acne scarring.

- Male also had a small scar on his upper left lip. This scar appeared to correspond with the crooked canine tooth, also in the upper left hand side.

- Brown eyes.

"We are asking the public for their help." Says Cst. Saran of the Leduc RCMP "If you believe you recognize the person in the composite sketch, please contact us."

If you have any information regarding the identity of the suspect, please contact Leduc RCMP at 780-908-7200 or Crime Stoppers at 1-888-222-8477.

RIDING UPDATE – MONTH OF JULY

Submitted by Jim Eglinski, MP – Yellowhead

I enjoy being in the riding during the summer where I can reconnect with my constituents. After Parliament adjourned for the summer, I began my travels throughout the region.

In late June, I had the pleasure of attending the Alberta Beach Boat Launch Grand Opening, the re-dedication of the cenotaph at the Thorsby Legion, and the Village of Warburg's Heritage Day Parade.

My family and I celebrated Canada Day with many of our constituents in

our hometown of Edson at the beautiful Centennial Park. From the local talent and birthday cake to the fireworks, the celebrations of Canada's 149th birthday was an enjoyable family event.

I was pleased to be present, along with other dignitaries and members of the media, at the facility tour of the new \$200 million Edson Hospital. We were all very impressed with the spacious and bright rooms, and the special features in the operating and delivery rooms. A great new addition will also be a renal dialysis unit that will save many patients the lengthy drive to Edmonton for the medical service.

I met with the Edson Fish and Game Association to discuss current proposed firearms legislation, such as Bills S-223 and C-246 which I know many hunters and sports shooters have been concerned about.

In mid-July, I returned to Ottawa in order to catch up on pending issues pertinent to the riding.

In the latter part of July, I prepared a radio message in recognition of Heritage Day in Alberta (August 1st). The following day, I met with constituents in Jasper and later toured the Miette Hot Springs in Jasper National Park.

I was pleased to hear that the Town of Hinton's application for a grant toward The Guild Performing Arts Venue Project was approved.

I also met with Mayor Herb Castle of Grande Cache, to discuss the current and future economic situation in the community.

On July 30th, I was in Peers to participate in their '40th Annual Gold Dust Daze Parade' and Opening Ceremonies where I enjoyed the festivities and speaking to many of my constituents, then on to Cadomin for the Community Dinner at the Legion. The next day, I watched a few slo-pitch games at the 'SLO-Pitch Tournament' in Edson.

Please feel free to drop by the Edson office to say hello should you be in the area.

Police Asking The Public For Help To Identify Suspect In Sexual Assault

Continued From Page 1

- Avoid all contact with blue-green algae (cyanobacteria) blooms. If contact occurs, wash with tap water as soon as possible.
 - Do not swim or wade (or allow your pets to swim or wade) in any areas where blue-green algae (cyanobacteria) is visible.
 - Do not feed whole fish or fish trimmings from this lake to your pets.
 - Consider limiting human consumption of whole fish and fish trimmings from this lake, as it is known that fish may store toxins in their liver. (People can safely consume fish fillets from this lake).
- As always, visitors and residents are

reminded to never drink or cook with untreated water directly from any lake, including Pigeon Lake, at any time. Boiling lake water will not remove the toxins produced by blue-green algae (cyanobacteria). An alternate source of drinking water should also be provided for pets and livestock, while this advisory is active.

Blue-green algae (cyanobacteria) is naturally occurring, and often become visible when weather conditions are calm. Appearing like scum, grass clippings, fuzz or globs on the surface of water, blue-green algae (cyanobacteria) can be blue-green, greenish-brown, brown, and/or pinkish-red, and often smell musty or grassy.

People who come in contact with visible blue-green algae (cyanobacte-

ria), or who ingest water containing blue-green algae (cyanobacteria), may experience skin irritation, rash, sore throat, sore red eyes, swollen lips, fever, nausea and vomiting and/or diarrhea. Symptoms usually appear within one to three hours and resolve in one to two days. Symptoms in children are often more pronounced; however, all humans are at risk of these symptoms.

Weather and wind conditions can cause algae blooms to move from one location in the lake to another. As such, this advisory will remain in effect for Pigeon Lake, until further notice.

Please note that areas of Pigeon Lake in which the blue-green algae (cyanobacteria) bloom is NOT visible can still be used for recreational

purposes, even while this Blue-green Algae (Cyanobacteria) Advisory is in place.

If you suspect a problem related to blue-green algae (cyanobacteria), or if you require further information on health concerns and blue-green algae (cyanobacteria), please call Health Link at 811. Additional information is also available online, at www.ahs.ca/bga.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

THEFT OF NUMEROUS UNIQUE ITEMS

Submitted by Thorsby/Breton RCMP

Thorsby RCMP are seeking information regarding a theft of numerous unique items from a trailer on Saturday July 1st 2016. The lock was cut on a large storage trailer lo-

cated in a pasture on a property near Township 482 on Range Road 25. A barb wire fence was cut to access this trailer and numerous personal items were taken.

The stolen items included:

- a large wooden table in the shape of a ship's wheel
- a black US Divers dive knife with the letter "B" on the handle
- 2 sets of Sherwood brand SCU-BA regulators
- A Canadian Navy issue dive wetsuit, a "Farmer John" beavertail style 2 piece black neoprene with the letter "B" on each piece

These items are unique and are not commonly found in the area.

Anyone having information concerning these items, or the theft is asked to please contact Thorsby RCMP at (780) 789-3950 or submit their information anonymously through Crimestoppers.

JOKE OF THE WEEK

A ghost had been staying in a bed and breakfast hotel and when he came down for dinner he asked the waitress, "Please can I have two eggs, one tough and one rubbery, really tough bacon and burned, fried bread?"

The waitress said, "Sir, we really can't serve that kind of horrid food here."

The ghost replied, "Well, you did yesterday!"

BACK-TO-SCHOOL

PLEASE DRIVE CAREFULLY!

SCHOOL BUS SAFETY

- 1. Always listen to the school bus driver
- 2. Always stand in a group while waiting for the bus. No pushing or shoving.
- 3. Always stay out of the DANGER ZONE until the bus driver says its ok to get on. You are too close if you can touch the bus.
- 4. Always remember to wait until the bus stops before standing up and leaving your seat. You move away from the bus and out of the DANGER ZONE right away when you get off the bus.

DID YOU KNOW?

- Red means STOP. The penalty for passing a school bus with its alternating flashing red lights activated is \$402 and six demerit points.
- School buses in Alberta transport nearly 250,000 youngsters twice a day.
- Transport Canada reports that school bus travel in Alberta is 16 times safer than commuting in the family vehicle.
- The biggest bus danger to children is when they are getting on and off the bus.
- More than 6,300 school buses are driven by conscientious, dedicated drivers every school day in Alberta.

BACK TO SCHOOL

Below are tips to help your child start the school year well rested and back on their regular schedule.

1. Start early. Begin the transition to a regular sleep schedule a couple of weeks before school starts.
2. Shift times in small increments.
3. Be prepared for some resistance.
4. Limit the use of electronics before bedtime.
5. Use a different approach for adolescents.
6. Once the routine is established, don't backslide. Once your child or teen is in a good sleep routine, maintain this routine throughout the week.

SAFETY FIRST!

With school starting back up, remember to slow down when driving near schools, parks and crosswalks. Keep watch for children on bicycles too. Teach your kids the rules of safety for walking near traffic and riding a bike.

BACK TO SCHOOL! SCHOOL BUS SAFETY

1. Even though the bus might be warm, always dress for the weather outside in case the bus breaks down. Wear clothes that will keep you warm when it's cold or wet outside.
2. Let the little kids get on the bus first and then get on yourself, one at a time
3. Face forward, talk quietly and keep your head, hands and arms inside the bus at all times. Keep your feet out of the aisle.
4. Look all four ways before crossing the road – left, right, ahead and behind.
