## FOUND ALUMINA FLAT BED TRAILER

**Submitted by Thorsby/ Breton RCMP**

File number: 20161212443

On September 12h 2016, Breton RCMP received a complaint of an abandoned trailer at the Buck Creek gravel pits.

The trailer is described as a 2007 Aluma flatbed utility trailer. The trailer is a single axle with dimensions of approximately 6 feet wide by 8 feet long.

The trailer was found with damaged tire on the left hand side.

If you have any information that could assist in this investigation, or if you believe the trailer belongs

to you please contact the Breton RCMP at 780-696-3520; or Crime Stoppers at 1-800-222-8477 or [www.crimestoppers.ab.ca](http://www.crimestoppers.ab.ca).

## THEFT OF COPPER WIRE OVER \$5000

**Submitted by Leduc RCMP**

Leduc, Alberta - On September 23, 2016, Leduc RCMP responded to a break and enter to the Alta Fab Structures industrial yard at 9 Avenue in Nisku. Access was gained to the property and approximately

\$50,000 in copper wire was stolen. The theft was believed to have occurred sometime after September 21, 2016.

The Leduc RCMP are continuing to investigate the incident and are seeking the public's assistance. If you have information about this incident, please call the Leduc RCMP

at 780-980-7200. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at [www.tipssubmit.com](http://www.tipssubmit.com), or by SMS (check your local Crime Stoppers website [www.crimestoppers.ab.ca](http://www.crimestoppers.ab.ca) for instructions).

## RIDING UPDATE – SEPTEMBER 1-16, 2016

**Submitted by Jim Eglinski, MP – Yellowhead**

As many of you may know, the House of Commons reconvenes on September 19th. I have been busy preparing my summer notes from meetings I had with constituents, as well as attending Alberta Caucus

and National Caucus meetings.

I started out the month recording radio messages for a 'Don't Drink and Drive' campaign over the Labour Day long weekend, as well as a 'Back to School Safety' message to remind drivers to slow down in school zones.

I enjoyed the long weekend at

home with my family before leaving the following week to meet with other Conservative Members of Parliament from Alberta to discuss issues specific to our region.

# TRAFFIC SAFETY THE FOCUS THIS LABOUR DAY WEEKEND

Submitted by Megan Can-die

Leduc County, Alberta – Leduc County peace officers remained focused on traffic safety during patrols this Labour Day long weekend.

Over the four-day period from Sept. 2 to 5, Leduc County peace officers travelled 3,142 kilometres and issued a total of 137 charges and 23 warnings for violations such as speeding, distracted driving and intersection safety.

"The weather resulted in few-

er motorists on the roads this long weekend; however, some motorists were found to be travelling at excessive speeds," says Clarence Nelson, director of Enforcement Services. "Speeding jeopardizes the safety of individuals travelling on our roadways and a failure to follow posted speed limits will result in fines."

Leduc County Enforcement Services and the RCMP integrated traffic unit jointly conducted a traffic operation along Highway 2, which was focused on speed violations and other infractions. This traffic opera-

tion resulted in charges for a number of speeders, including two drivers travelling 167 kilometres per hour in a 110-kilometre-per-hour zone.

Another driver was found travelling 142 kilometres per hour in a 100-kilometre-per-hour zone on Highway 770 near Township Road 502.

In 2015, peace officers issued 91 charges and 49 warnings over the same four-day period.

## Riding Update – September 1-16, 2016

### Continued From Page 1

I later attended the Conservative National Caucus Meeting to discuss national matters and how we will continue to hold the Liberal Government accountable.

The week of September 19, I will be travelling with the Standing Committee on Environment and

Sustainable Development (ENVI) as it visits our riding. I look forward to touring Yellowhead with the committee and educating its members on the industries and environmental concerns in the region.

So far, my office has received over one thousand responses to the poll in my householder sent out this summer on electoral reform. Thank

you to those that have responded. If you have not yet responded, I encourage you to participate in the poll and mail it, postage free, to my Ottawa office. I will be compiling these results in order to best represent my constituents' views on this issue.

When I return to Ottawa, I will begin updating you on a weekly basis.

# BREAKFAST WITH THE GUYS – AND GALS – IS COMING TO LEDUC, NOV. 1

**Submitted by Mariann McLaughlin**

The City of Leduc is set to host the 2nd annual Breakfast with the Guys (and Gals) fundraiser to help raise awareness and much needed funds to help end family violence in the Leduc region. This year's guest speaker is Edmonton Eskimo president/CEO Len Rhodes and he'll be sharing his childhood experiences of how he survived family violence.

"Mr. Rhodes was named to Venture Magazine's list of Alberta's 50 Most Influential People in 2016 and we're very fortunate to have such a prominent businessman speak at

this year's fundraiser," says Leduc Mayor Greg Krischke. "Breakfast with the Guys, and Gals, demonstrates the importance of how everyone has a role to play to create a safe and healthy environment and help end family violence in the Leduc region."

Breakfast with the Guys – and Gals – is designed to gather businesses and organizations together to educate community leaders on the effects of family violence in this region, and to support not-for-profits that work with those who have experienced family violence.

"Family violence is a much larger issue than many realize, as it affects

so much of our daily lives, whether it's a co-worker, friend, relative or neighbour," says Donna Brock, director of Family and Community Support Services with the City of Leduc. "Breakfast with the Guys (and Gals) is a fundraising event designed to support local organizations who help victims, but also to educate people on an issue that doesn't discriminate – family violence can be found in all ethnicities, genders, social and economic statuses, and all ages."

#### EVENT DETAILS

- WHAT: Breakfast with the Guys – and Gals
- WHEN: Nov. 1, 2016 (7:30 a.m.)

- WHERE: Executive Royal Hotel Edmonton (8450 Sparrow Drive, Leduc)

- TICKETS: \$400 for a table of eight; or \$60 per person (prices include GST)

To purchase a table, or individual ticket, call 780-980-7177.

Proceeds of this year's Breakfast with the Guys – and Gals – will be going to Leduc and District Victim Services, and Caring for Kids Foundation.

For more information, visit [Leduc.ca](http://leduc.ca) or call 780-980-7177.

## APPLY TO SIT ON PRIME MINISTER'S YOUTH COUNCIL

**Submitted by Jim Eglinski, MP - Yellowhead**

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to extend an invitation to young resi-

dents of the riding to apply to sit on the Prime Minister's Youth Council.

The Council will advise the Prime Minister on national issues such as employment, access to education, building stronger communities, cli-

mate change and clean growth. The Council will meet multiple times a year.

If you are aged 16 to 24, you are eligible to apply to become one of the Youth Council members.

You have until October 7 to submit an application to join the second wave of members who will meet with the inaugural members and the Prime Minister in 2017.

**JOKE OF THE WEEK**

A bus carrying many people crashed on an icy road, burst into flames, and killed everyone. Upon arrival in heaven, God says "Since you have died in a terrible way, I'll grant you one wish before I let you into heaven." The first woman, being a person always concerned on her looks, comes up to God and says "I wish to be beautiful." God grants her wish. The next person can't decide on what to wish for so ends up wishing for the same thing. At this point a man at the very back of the line starts to laugh. The next couple of people make their wish to become beautiful and the man at the end laughs even louder. One after another the people wish the same thing and the closer God gets to the end of the line, the harder the man laughs. When God finally reaches him, he asks "What is your wish my son?" The man says, "Make them all ugly again!"

# U OF A STUDENTS BENEFIT FROM FEDERAL-PROVINCIAL FUNDS

**Submitted by Government of Alberta**

Ten projects will be funded and the money will help with commercialization of spaces where students turn innovative ideas into reality and breathe life into start-up ventures. While contributing to economic diversification, these projects will also improve the environmental sustainability of post-secondary infrastructure.

"These significant investments help Alberta students put their best foot forward by maximizing the number of new, modernized learning spaces, while also creating much needed jobs to spur economic growth." - Marlin Schmidt, Minister of Advanced Education

"I want to thank the Govern-

ment of Alberta for its partnership in the Strategic Investment Fund program. It's essential that young Albertans have access to world-class education, right here in their home province. SIF funding will help to establish critical infrastructure, enabling Alberta's best minds to pursue new ideas, tackle global issues, and build a better university and province." - David Turpin, President, University of Alberta

The funding, which includes \$26.5 million from the Government of Alberta, supports capital projects and renewal at the university that will help maintain and improve current campus infrastructure, benefitting students and ensuring the province plays a key role in diversifying our economy and creating a more sustainable future.

Enhancement of the university's Electrical and Computer Engineering Research Facility will put Alberta at the forefront of research in electrical-power generation and transmission. Renewing labs at Campus Saint-Jean will triple the number of student spaces for increasingly needed bilingual health professionals.

Projects approved for Strategic Investment Funding:

- Electrical and Computer Engineering Research Facility enhancement
- Chemistry Lab modernization and renewal
- Chemical Materials Engineering Building redevelopment
- Biological Sciences and Earth and Atmospheric Sciences expansion and enhancement

- Innovation and Incubator Space development
- Research Network Infrastructure upgrade
- Augustana Science Lab renewal
- Campus Saint-Jean Lab renewal
- Clinical Sciences – Mechanical System renewal
- Medical Sciences Building infrastructure upgrade

Under Budget 2016, the Alberta Jobs Plan, the Government of Alberta made a commitment to investing \$449 million for post-secondary capital projects and renewal across the province. This investment, combined with the federal government's Post-Secondary Institutions Strategic Investment Fund, will generate direct economic activity and enhance research and innovative infrastructure for students in Alberta.

## Apply To Sit On Prime Minister's Youth Council

**Continued From Page 4**

"This is a unique opportunity for

youth in our Yellowhead riding to directly voice the concerns of young people to the government and advocate on behalf of residents

in the area," stated MP Eglinski. "I urge any youth in my riding with a passion for public service to apply," concluded MP Eglinski.

For more information on this process, please visit <https://www.canada.ca/en/campaign/prime-ministers-youth-council.html>

## SUSTAINABLE FLOORING OPTIONS ABOUND

Kitchen and bathroom remodeling projects tend to make great investments, earning homeowners significant returns when they sell their homes down the road. But flooring upgrades are another home renovation project that can attract attention and help sellers when they put their homes on the market.

Home flooring options abound, and it is easy to get excited and overwhelmed about flooring renovation projects. When choosing new flooring materials, homeowners should keep in mind the latest consumer trends, as those trends might help them recoup more of their flooring investment down the road.

One popular flooring trend is the use of sustainable materials. In addition to the more widely known benefits of choosing sustainable flooring, such as protecting natural resources and reducing a home's carbon footprint, sustainable flooring can help

reduce indoor air pollution. Various studies from the U.S. Environmental Protection Agency have shown that indoor air pollutant levels may be higher indoors than outdoors. A major contributor to indoor air pollution are the volatile organic compounds, or VOCs, being off-gassed by carpeting and other flooring in a home.

Flooring manufacturers and designers are embracing the green design and remodeling movement. Today there are many beautiful and sustainable eco-flooring options. Here are some of the more popular materials.

**Bamboo:** Contrary to popular belief, bamboo is not a wood, but a grass. It is a fast-growing grass, and that makes it a smart choice in many design applications. Also, unlike wood, which will absorb moisture and can warp, bamboo repels water and can be used for flooring

in areas where one wouldn't think to put wood, such as in bathrooms, entryways or mudrooms. Bamboo is naturally very light in color, but can be stained in many different hues to give homeowners more options.

**Green carpeting:** Consumers can now find a wide range of sustainable carpets and rugs that are available at competitive prices. Wool carpets made with undyed or vegetable-dyed yarns and minimal glues are some options. Some carpets are even made from recycled content, such as rubber and plastics. Water-based, low-VOC adhesives paired with recycled cotton padding can reduce the toxicity and impact of carpeting even further.

**Cork:** Growing in popularity, cork is a material harvested from the bark of cork trees found in the forests of the Mediterranean. The bark grows back every three years, so it is a handy renewable resource. Cork

boasts fire-retardant properties and may naturally repel insects. It can usually be stained to suit various color schemes.

**Rubber:** Rubber flooring may call to mind fitness gyms and playground safety substrate, but it's also slowly finding its way into homes. Made from recycled tires, rubber flooring is flexible underfoot and can be long-lasting and colorful.

**Reclaimed wood:** Rather than purchasing brand new hardwood planks for flooring, homeowners can opt for reclaimed wood reused from other building applications. After some sanding, staining and finishing, reclaimed wood provides homeowners with the opportunity to choose traditional hardwood flooring without any concerns about deforestation.

Eco-friendly flooring materials continue to evolve and can be smart choices in today's homes.

## TIPS ON SHOPPING FOR NEW APPLIANCES

Now may be the right time to make large appliance purchases. Know the product before visiting the store.

As the weather turns cooler, outdoor improvements become less practical. Homeowners' thoughts may turn to projects they can tackle inside of the home. Now may be the time to consider the purchase of new appliances that can be the finishing touches to renovated spaces.

Fall is prime time to purchase new large appliances. Manufacturers typically unveil their latest models during September and October. At this point, prices on older models will be reduced to make room for new ones. By the end of the year, any older models that have not yet been cleared out will be discounted further. Even though the end-of-the year deals will be better,

the selection may be limited the longer you wait.

It is best never to wait until an appliance is on its last leg for repair or replacement. Then consumers do not have the luxury to price shop nor find items that include the features they desire most. Here are some other buying tips.

### Research

Shoppers should begin their research at home before they even enter a store. Make a list of features you want in the appliance, which helps narrow down the playing field and better focus your purchasing decisions.

Once you have a list handy, speak with friends or family members about their experiences with brands and/or retailers. Ask about which features they like the most and how often they have had to call for repairs. If

they could do things differently, what would those things be?

### Know your space

Perhaps you are familiar with the adage to measure twice and cut once. The same can be said for measuring prior to purchasing an appliance. Be sure you know the exact measurements of the space that will house the new appliance. Take into consideration the clearance needed to open doors, such as with a refrigerator or front-loading washing machine. It can be a waste of time and money to have an appliance delivered only to find it doesn't fit at the time of installation.

### Energy savings

Consider appliances that reduce energy usage. Energy Star® appliances are produced in adherence to international standards for energy efficiency.

The program was started more than 20 years ago by the EPA and the Department of Energy. Since then, other countries have adopted the program. Appliances that feature the Energy Star® logo use 20 to 30 percent less energy than required by typical federal standards. Homeowners who purchase qualifying appliances may be eligible for tax breaks and other incentives.

### Consider your lifestyle

It is easy to be overwhelmed and awestruck by the number of appliances available. You may desire the biggest and best there is, but if you are not a superstar in the kitchen, you may not need the commercial stove. A bachelor may not require an oversized washing machine.

Do your research and comparison shop so you won't have any regrets later on.

# HomeReno

## TOP 5 RENOVATION TIPS TO CREATE MORE SPACE IN YOUR HOME

(MS) - As real estate prices continue to climb, the cost to trade up to a larger home is on the upswing across the country, especially as markets remain hampered by tight inventory levels. As a result, more and more Americans are choosing to renovate their current homes instead of relocating. In fact, some forecasts predict that 2015 renovation spending could exceed the record of \$324 billion set during the peak of last decade's housing boom. While the hunt for more square footage can be challenging, homeowners shouldn't feel like a costly second story or complete addition are the only options.

Here are five great ways to create or optimize space in your existing home.

1. Finish an unfinished basement. A basement renovation can hold limitless potential and increase the

resale value or income potential of your home. Think about the possibilities: a home theater, office, spare bedroom, basement apartment or recreation room. The key to doing it successfully is to focus on what's behind the walls, especially since moisture is a common issue in basements. Choosing the right insulation is critical. Look for products that are vapor permeable, dimensionally stable and mold and moisture resistant. Many contractors use Roxul Comfortboard IS semi-rigid sheathing board paired with Comfortbatt batt insulation to combat thermal bridging and protect against mold and mildew growth. An added benefit of this type of mineral wool insulation is that it's also fire-resistant to 2,150 F. For interior walls and ceilings, Safe 'n' Sound insulation is ideal because of its ability to absorb noise and indoor traffic

sounds, ensuring your newfound space is a peaceful one.

2. Create a more open-concept feel with light and color. If your home wasn't blessed with towering windows, installing French doors and pot lights can encourage light to travel more freely, creating the illusion of space. Likewise, choosing a paint color for walls, trim and moldings that is lighter and cooler in tone (think soft grays or blues) will help to reflect light and give the room a more open feel.

3. Remove non-load-bearing walls. Homeowners have the opportunity to rethink the layout of their home by removing non-load-bearing walls. Removing structurally unnecessary walls can make your whole home feel larger, improve flow, lighting and the function of your home.

4. Convert your garage into us-

able living or work space. For many homeowners, the garage becomes an overflow room for storage -- and is often a walk-in headache. Convert your garage (or a portion of it) into another living space, guest bedroom or home office. Install carpet and quality thermal insulation such as Roxul Comfortbatt to block outdoor noise and keep in warmth.

5. Choose furniture and accessories carefully. Adopt a minimalist's eye. Begin looking around your home for furniture or accessories that overwhelm the space. Interior designers recommend choosing low-profile or small-scale furniture for rooms with less square footage. Dual-purpose items, such as ottomans with storage chests inside, are a budget-friendly way to save on space while staying organized.

# NEW OPPORTUNITIES OPEN FOR CITIZENS TO SERVE THEIR COMMUNITY

**Submitted by Mariann McLaughlin**

The City of Leduc is now accepting resumes to fill more than 10 volunteer positions on various city advisory boards and committees that provide specific services and guidance to administration and Leduc City Council.

"This is an extraordinary opportunity for citizens who want to be more involved in our community by sharing their vision and expertise. We receive insight-

ful feedback from these boards that help guide our decision making," says Leduc Mayor Greg Krischke. "So we invite you to consider adding your voice."

#### Available positions

- Family and Community Support Services Advisory Board (FCSS) – two (2) positions Three-year terms Jan. 1, 2017 – Dec. 31, 2019
- Parks Recreation and Culture (PRC) – four (4) positions; one of the four positions is open to a Leduc County citizen Two-year terms Jan. 1, 2017 – Dec. 31, 2018

## THORSBY/BRETON RCMP REPORTS FROM AUGUST

**Submitted by Thorsby/Breton RCMP Detachment**

File number: 2016-1149571 - Vandalism

On August 30, 2016, Thorsby/Breton RCMP received a complaint of vandalism to a rural property north of Thorsby on Twp Rd 492. Sometime between August 1, 2016 and August 30, 2016 several windows were damaged at a house on the farming property. As well, an RV that was parked at the property was damaged and windows broken.

File number: 2016-1153964 – Theft of

#### Camping Trailer

On August 31, 2016, Thorsby/Breton RCMP received a complaint of a theft of Jay Feather Sport 165 camping trailer near Pigeon Lake. Sometime between August 20, 2016 and August 31, 2016 the trailer was stolen from a residence on 50st in Mulhurst Bay.

File number: 2016-1160539 - Marijuana Grow

On September 2nd, 2016 the Thorsby/Breton RCMP executed a search warrant on a residence in Mulhurst Bay Alberta. As a result, a marijuana grow operation was located and approximately 40 mari-

huana plants were seized. 24 year old Dany COUTURE-ROBIDOUX and 29 year old Marc PERRAULT were both charged with Production of a controlled substance, possession for the purposes of trafficking, and possession of a prohibited weapon. Both are to appear in Breton Provincial Court. It is estimated the marijuana would have a street value of approximately \$47,000.

File number: 2016-1074598 - Trailer Theft

Sometime between August 14 and August 16th, 2016 a 2013 black utility dump trailer was stolen from Apol-

lo Concrete located at 5737 50 Street Warburg Alberta. Police are looking for any information in relation to the theft. Information can be provided to Thorsby Detachment at 780-789-3951 or anonymously to Crime Stoppers.

If you have any information that could assist in any of these investigations, please contact the Thorsby RCMP at 780-789-3951; or Crime Stoppers at 1-800-222-8477 or [www.crimestoppers.ab.ca](http://www.crimestoppers.ab.ca) if you wish to remain anonymous.

## SUDOKU OF THE WEEK

### Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

#### ANSWER:

7	8	5	6	1	2	3	4	9
6	1	3	4	5	9	7	2	8
9	2	4	7	3	8	1	6	5
2	5	8	9	7	4	6	1	3
3	4	9	1	6	5	8	7	2
1	6	7	2	8	3	9	5	4
8	3	6	5	4	1	2	9	7
5	7	2	3	9	6	4	8	1
4	9	1	8	2	7	5	3	6

**Like puzzles?** Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

7								
6	1	3	4	5	9	7	2	8
2	5	8	9	7	4	6	1	3
3	4	9	1	6	5	8	7	2
1	6	7	2	8	3	9	5	4
8	3	6	5	4	1	2	9	7
5	7	2	3	9	6	4	8	1
4	9	1	8	2	7	5	3	6

## Lose up to 5 lbs or more in just 3 days!! Yes It Really Works!!

"I've lost 30 Pounds in 45 days  
- I've tried all kinds of products  
and so happy to find one  
that actually works!"  
- *Elaine Spruce Grove*

"I've lost 21 pounds in 7 weeks! I  
tried everything over the last 10  
years and nothing worked - I kept  
gaining and got very depressed.  
Who'd of known that taking one little  
Miracle 100% Natural Pill a day  
would allow me to succeed!!"  
- *Penny M. Stony Plain*

"Down 36 lbs. in just 2 months.  
Even Dr. B's diet where I had to  
starve myself on 800 calories  
couldn't do this. This product is  
just totally awesome - Just the  
total overall feeling good"  
- *Toni Spruce Grove*

"Have heard as much as 15lbs loss  
from the 3 day sample - it works  
that good! Have nothing to lose but  
the weight which I am doing"  
- *Donna Edmonton*

"I totally love this product for not  
only the weight loss but also the  
physical & mental well-being. I just  
feel much better!"  
- *P from Onoway*
