## FOURTEEN ARRESTED IN OPERATION ICE REIGN

**Submitted by Alberta Law Enforcement Response Teams (ALERT)**

Edmonton... Operation ICE Reign, an ALERT investigation focusing on child sexual exploitation offenders, has resulted in the arrest of 14 suspects from across northern Alberta.

Between June-October 2016, ALERT's Internet Child Ex-

ploitation (ICE) unit charged 14 suspects with 33 offences related to online child sexual exploitation. ICE is an integrated unit comprised of Edmonton Police Service and RCMP members.

Operation ICE Reign was launched in response to a noted increase in child sexual exploitation offences. In the past six years the ICE unit has experienced a 75% increase in

the number of new child sexual exploitation cases it investigates. ICE investigates offences involving child pornography, any computer-related child sexual abuse, child luring over the Internet, voyeurism involving victims under the age of 18, and child sex trade/tourism.

## CARFENTANIL DETECTED IN TWO DEATHS IN ALBERTA

**Submitted by Government of Alberta**

Alberta's Chief Medical Officer of Health is alerting the public, as well as health and law-enforcement officials, that the illicit opioid carfentanil has been confirmed by the Chief Medical Examiner in two recent deaths.

"Albertans need to know that the drug carfentanil has made its way into our province and that it is an extremely dangerous and deadly opioid. The smallest trace of carfentanil can be lethal and Albertans should be aware of the life-threatening dangers in using this drug." - Dr. Karen Grimsrud, Chief Medical Officer of Health

Earlier this week, the Chief Medical Examiner notified the Chief Medical Officer of Health that carfentanil was detected in

the deaths of two men in their 30s. One of the deaths occurred in the Edmonton area, the other in Calgary. Until very recently, toxicology tests could not confirm the existence of carfentanil in human blood due to the very low level of the drug being deadly.

"To my knowledge, there are very few laboratories in North America that are able to measure carfentanil in human blood. Alberta's Office of the Chief Medical Examiner is believed to be the first toxicology laboratory in Canada to positively identify carfentanil in human blood. The discovery of this dangerous drug is concerning to us, and we will continue to work closely with our health partners, as part of sharing information and raising awareness of opioids." - Dr. Eliz-

abeth Brooks-Lim, Acting Chief Medical Examiner

"We are already in the eye of a deadly storm in fighting the horrific impacts of fentanyl in our communities. We are now even more challenged by the arrival of carfentanil on our streets. The primary role of the Alberta RCMP is to stop the flow of these substances and the criminal activities that support them. We will work together with our partners to weather this storm." - Deputy Commissioner Marianne Ryan, Commanding Officer, RCMP in Alberta

Carfentanil is an opioid drug licensed for use with large animals, but not for humans. Carfentanil is 100 times more toxic than fentanyl. An amount as small as a grain of sand could be lethal.

# INFLUENZA IMMUNIZATION PROGRAM BEGINS MONDAY, OCTOBER 24, 2016

Submitted by Alberta Health Services

Starting Monday (October 24), Albertans will have the opportunity to protect themselves and others against influenza through Alberta's annual influenza immunization program.

Offering influenza immunization, free of charge, to all Albertans six months of age and older, Alberta's program will make vaccine available at hundreds of Alberta Health Services (AHS) public influenza immunization clinics – as well as some pharmacists and physician offices – around the province.

"We are already seeing cases of influenza in Alberta," says Dr. Kathryn Koliaska, Medical Officer of Health in North Zone. "You may be healthy now, but without immunization everyone

is at risk. Prevention is your only protection."

Immunization is the most effective means of protecting against the strains of influenza virus circulating this season. Because those strains change from season to season, Albertans are reminded that they cannot rely on having been immunized in years past.

"Last season, influenza immunization cut Albertans' risk for influenza in half. That's great, but last year's immunization won't protect you this season. You need this season's immunization to be protected," says Dr. Koliaska.

In six months alone last season, more than 1,600 Albertans were hospitalized with influenza and 62 Albertans died. Influenza causes more emergency department visits than heart attacks

and strokes, and hospitalizes more children than poisonings.

"Influenza does not discriminate," reminds Dr. Koliaska. "Though some Albertans are at greater risk of severe complications, no one is immune to its potentially severe impact. Please don't take that risk.

"For yourself, and your loved ones, get immunized."

Find more information, including local clinic schedules, Albertans can visit [www.ahs.ca/influenza](http://www.ahs.ca/influenza) or call Health Link at 811.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

# Fourteen Arrested in Operation ICE Reign

## Continued From Page 1

“Operation ICE Reign resulted in the seizure of thousands of photos and videos of children being abused and each one of those images represents a real-world victim. As a society we have a collective responsibility to protect children and shield them from sexual exploitation,” said ALERT Insp. Dave Dubnyk.

ALERT is also hoping to use Operation ICE Reign to raise awareness about the pervasiveness of child sexual exploitation and has partnered with the Canadian Centre for Child Protection.

“While the internet did not create this problem, it has created unprecedented opportunities for offenders to access, possess and distribute child sexual abuse material—as well as actively participate in the market of child sexual abuse. Today’s announcement not only underscores how significant a problem this is, but also challenges the misconceptions about who and what type of individuals participate in these crimes against children,” said Lianna McDonald, Executive Director, Canadian Centre for Child Protection.

The arrests took place between June and October. All of the accused are all men and range in age from 26 to 61 years old.

- Jeremy Able, 27, of Edmonton;
- Aaron Badger, 26, of Bonnyville;
- Brian Bandura, 61, of Edmonton;
- Nicholas Bauer, 28, of Edmonton;
- Robert Caissie, 26, of Edmonton;
- Brett Gray, 38, of Edmonton;
- Daniel Houde, 44, of Fort McMurray;
- Daniel Kozel, 38, of Edmonton;
- Alexandre Martin, 29, of Fort McMurray;
- James Morris, 40, of Grande Prairie;

- Freddy Reiter, 56, of St. Albert;
- James Reiter, 39, of Spruce Grove;
- Peter Ritchie, 45, of Kikino Metis Settlement;
- Cody Roguski, 32, of Fort McMurray.

None of the accused were deemed to work in professions of trust and/or authority. There is no definitive link between the suspects other than the offences allegedly committed.

Operation ICE Reign investigators utilized information from

a variety of agencies and partners during the investigation, including RCMP’s National Child Exploitation Coordination Centre, Cybertip, Canada Border Services Agency, Interpol, Royal Newfoundland Constabulary, Tennessee Internet Crimes Against Children Task Force, and numerous RCMP detachments.

Anyone with information about this investigation, or any child exploitation offence is encouraged to contact local police or cybertip.ca.

ALERT was established and is funded by the Alberta Government and is a compilation of the province’s most sophisticated law enforcement resources committed to tackling serious and organized crime. Members of Alberta Sheriffs, Calgary Police Service, Edmonton Police Service, Lethbridge Police Service, Medicine Hat Police Service, and RCMP work in ALERT.

## Influenza is serious. Immunization works. Get Immunized.

Alberta’s influenza immunization program is ongoing. Influenza immunization is offered, free of charge, to all Albertans six months of age and older.

# RIDING UPDATE

Submitted by Jim Eglinski, MP – Yellowhead

Week of October 10, 2016

Parliament was down for the week, allowing me the opportunity, while in the riding, to participate in several community events.

I spent the Thanksgiving long weekend with my family, enjoying turkey and great conversation.

On Tuesday, I was in Hinton, meeting with constituents. Later that day and in the spirit of Fire Prevention Week, I stopped by the Edson Fire

Hall Open House. It is always great to see our community's first responders interacting with and educating the kids, as well as the broader public.

On Wednesday, I attended the Pembina Resources Ground Breaking Ceremony for the new Drayton Valley office.

Later that day, I took part in the Mountain Pine Beetle information session in Hinton. The open house meeting was held by Hinton, Yellowhead County, Alberta Agriculture and Forestry, and West Fraser. I am glad to see the conversation around this

issue continuing as we battle these destructive pests.

I spent Thursday and Friday in the office working and meeting with constituents. Also on Friday, I held a conference call with the Alberta Agriculture and Forestry Minister regarding the Softwood Lumber Agreement. On Saturday, I attended a meeting in Edson.

I look forward to returning to Ottawa on Sunday where I will spend the next three weeks. My next update will be next Friday on my week in Ottawa.

Month of August, 2016

This summer has been busy meeting with constituents, attending events and holding town hall meetings.

I spent the beginning of August meeting with local mayors and constituents. I visited the Drayton Valley & Rocky Mountain House farmers markets, the Pembina Pipeline barbeque, and spent an afternoon in Jasper meeting with locals. Later, I took part in the Pembina Daze Parade in Evansburg. It was great to see everyone out and celebrating in their community.

In the second week of August, I flew to Victoria, B.C. to meet with provincial government officials. After I returned, I met with representatives of the oil and gas industry. That weekend, I attended the Northern Alberta Conservative Association summer barbeque.

The following week, I had a meeting regarding agri-business in our riding, and held several town hall meetings to discuss with constituents the federal Liberal government's defence policy. These community meetings were held in Grande Cache, Jasper, Hinton, Warburg, Rocky Mountain House, and Drayton Valley.

I also enjoyed an informative tour of the Blue Ridge Lumber facilities, and attended the Cloverleaf Manor's annual barbeque in Warburg. On the weekend, I stopped in at the Darwell Summer Fair, and had the opportunity to join in the dancing at the Paul Band Pow-Wow.

During the last week of August, I held the final town hall meetings on the defence policy in Edson and Wildwood and attended the Grand Opening of Garva Petroleum, Husky's new convenience store in Edson. I also met with Thorsby Town Council & Seniors' group, as well as the Grand Opening of the new Main Street in Rocky Mountain House.

I spent last Saturday on my motorcycle participating in Edson's Annual Toy Run. It was great to see riders from around central Alberta attend. Oneil Carlier, Alberta's Minister of Agriculture & Forestry, rode his Harley in from Alberta Beach. We had rainy weather but there was a good turnout. Thank you to all the participants for showing up and to the diehards that took in the poker run.

August was an eventful month meeting constituents across our beautiful riding. In total, I had 18 meetings and participated in 15 events. As your voice in Ottawa, I will bring your input to Parliament when it resumes mid-September.

# CALL FOR PROPOSALS TO 2016 SOCIAL DEVELOPMENT PARTNERSHIP PROGRAM

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to invite local not-for-profit organizations to apply for funding through the 2016 Social Development Partnership Program – Disability Component (SDPP-D). This program provides \$11M an-

nually in grant and contribution program funding to organizations to support projects intended to improve the participation and integration of people with disabilities in all aspects of Canadian society with respect to social inclusion. "I believe everyone deserves opportunities to participate in society on an equal basis," said MP Eglinski.

The focus of this call for proposals will be innovation. Funded projects will be required to identify, develop and test/pilot new promising practices and tools that promote the social inclusion of people with disabilities. The practices and tools may be new or build on existing programs and services. "This call for proposals provides

an important opportunity to make sure that all residents in our riding of Yellowhead, regardless of their abilities, feel welcome in their workplaces and communities. That is why I strongly encourage eligible organizations to submit a proposal for this funding," concluded MP Eglinski. The deadline to apply is November 3, 2016.

# LEDUC RCMP & DISTRACTED DRIVING EDUCATION

Submitted by Leduc RCMP

On October 13, 2016, the Leduc RCMP's Municipal Integrated Traffic Unit (LMITU) partnered with the Youth Initiatives & Education in Lifestyles & Driving (Y.I.E.L.D) Association to present hands-on education about the dangers of distracted driving. The event was held at Christ The King school in Leduc,

where students were given the opportunity to drive in a sophisticated driving simulator. Participants were asked to send a brief text message while in the simulator, resulting in a variety of traffic safety hazards, from extreme changes in vehicle speed, crossing into oncoming lanes, and collisions. In this risk free simulation, students were able to experience the very real results of distracted driving.

As part of the Leduc RCMP's strategy to reduce injury collisions in the City of Leduc, this presentation will be held at other schools and events throughout the community.

# ENFORCEMENT SERVICES SHARES THE DOS AND DON'TS OF RV PARKING

Submitted by Mariann McLaughlin

Leduc Enforcement Services' monthly campaign for October focuses on raising community awareness on:

Recreation vehicles (RVs)

Recreational vehicles are a common sight around Leduc during the summer months; however there are certain restrictions that

come into effect between Oct. 16, 2016 and April 30, 2017. This cycle applies to each fall/winter season in respect to the city's residential areas.

During this time, recreational vehicles must be removed from the front driveway in a residential location and stored off site, or on a pad which has been approved by the city to the rear of the property for such a purpose.

The rules for parking recreational vehicles on the roadway don't change during this time, as trailers must not be left on the roadway unattached from a vehicles and can't be present for over 72 hours at a time.

A recreational vehicle includes, but is not limited to:

- Boat trailers
- Motorhomes
- Fifth wheel trailer

• Tent trailers

This doesn't include recreational vehicles used solely for the purpose of winter activities.

For more information on this month's topic, visit Leduc.ca for the city's Land-use Bylaw 809-2013 or contact Leduc Enforcement Services at 780-980-7200 (option 5).

## HEALTHY HALLOWEEN

Submitted by Alberta Health Services

Halloween is a time that children get excited about dressing up as their favourite character and stocking up on candy. Read on for tips to make your Halloween festivities healthier for your family and others.

For your family:

• Work out a plan with your children and discuss how to enjoy their candy and to decide what

they can do with the extra. Use your best judgment based on their personality and eating habits.

• Limit the amount of candy your children collect by limiting the number of houses they visit, or the amount of time they spend Trick-or-Treating.

• Always keep safety in mind. Keep only items that are unopened and in their original wrapping.

• Trade candy for non-food items like bouncy balls, pencils or tattoos.

• Know how much candy was collected and store it out of sight. Having candy visible makes it more likely that you or your children will eat it.

• Use Halloween candy for craft projects.

For others:

• Hand out stickers, temporary tattoos, bubbles or Halloween themed pencils.

• Offer healthier food options like small bags of flavour rice cakes or pretzels, boxes of lower

sugar cereal, pre-packaged cheese sticks, higher fibre granola bars, or bottles of water.

• Avoid bringing leftover candy to school.

You and your family can enjoy a healthy Halloween! Continue healthy eating and active living habits during the Halloween season.

For more ideas on healthy eating please visit: [healthyeatinstart-shere.ca](http://healthyeatinstart-shere.ca).

# PARLIAMENT UPDATE

**Submitted by Jim Eglinski, MP – Yellowhead**

Week of Sept 26, 2016

This week in Parliament, we covered topics including labour unions, national security, and the protection of animals.

The following was debated in the House:

- Bill C-4 – An Act to amend the Canada Labour Code, the Parliamentary Employment and Staff Relations Act, the Public Service Labour Relations Act and the Income Tax Act (Third Reading)
- Bill C-22 – An Act to establish the National Security and Intelligence Committee of Parliamentarians and to make consequential amendments to certain Acts (Second Reading)
- Bill C-227 – An Act to amend the Department of Public Works and Government Services Act (community benefit) (Second Reading)
- Bill C-236 – An Act to amend the Payment Card Networks Act (credit card acceptance fees) (Second Reading)
- Bill C-246 – Modernizing Animal Protections Act (Second Reading)
- NDP motion regarding Canadian arms sales and exports
- Motion 45 – Infrastructure investments
- Motion 24 – Tamil Heritage Month

The Standing Committee on Environment and Sustainable Development (ENVI) resumed. This week, we discussed federal protected areas and conservation objectives. For more information on these meetings, visit: [www.parl.gc.ca/Committees/en/ENVI](http://www.parl.gc.ca/Committees/en/ENVI)

I participated in the debate on Monday, asking questions on Bill C-4. I also gave a statement on the same day, paying tribute to our fallen police and peace officers who were honoured at the Canadian Police and Peace Officers' 39th Annual Memorial service at Parliament Hill and across Canada.

On Thursday, and as part of my role to bring forward the concerns of constituents in our riding, I questioned the Minister of International Trade on what the Liberal Government is doing to ensure a softwood lumber deal is signed by October 12.

You can read my above questions and statements on the corresponding day's Hansard at <http://www.parl.gc.ca/housechamberbusiness/ChamberSittings.aspx>

Week of October 3, 2016

This week in Parliament, we covered topics including climate change, pre-born victims of crime, firearms definitions, and doing away with Friday sittings.

The following was debated in the House:

- Paris Agreement
- Standing Order 51 – Motion to consider the Standing Orders and

procedure

- Bill C-4 – An Act to amend the Canada Labour Code, the Parliamentary Employment and Staff Relations Act, the Public Service Labour Relations Act and the Income Tax Act (Third Reading)
- Bill C-24 – An Act to amend the Salaries Act and to make a consequential amendment to the Financial Administration Act (Second Reading)
- Bill S-208 – National Seal Products Day Act (Second Reading)
- Bill C-225 – Protection of Pregnant Women and Their Preborn Children (Cassie and Molly's Law) (Second Reading)
- Bill C-230 – An Act to amend the Criminal Code (firearm – definition

of variant) (Second Reading)

- Bill C-231 – Fight Against Food Waste Act (Second Reading)
  - Bill C-238 – National Strategy for Safe Disposal of Lamps Containing Mercury Act (Second Reading)
- On Monday, I participated in the debate on the ratification of the Paris Agreement, which the Liberal Government signed earlier this year. You can read my comments and questions at: [www.parl.gc.ca/content/hoc/House/421/Debates/086/HAN086-E.PDF](http://www.parl.gc.ca/content/hoc/House/421/Debates/086/HAN086-E.PDF) (pages 26, 49, and 63-66)

Also on Monday, I presented a petition that called upon Parliament to establish a national strategy on palliative care. My comments can be found on page 42 of the above link.

This week at the Standing Commit-

tee on Environment and Sustainable Development (ENVI), we discussed federal protected areas and conservation objectives, as well as reviewed the Canadian Environmental Protection Act, 1999. For more information on these meetings, visit: [www.parl.gc.ca/Committees/en/ENVI](http://www.parl.gc.ca/Committees/en/ENVI)

On Friday, I once again questioned the Minister of International Trade on what the Liberal Government is doing to ensure a softwood lumber deal is signed by October 12. That afternoon, along with MPs from other affected areas, I participated in a video concerning the Softwood Lumber Agreement. I spoke about the impact that no agreement will have for our region.

## BETTER QUALITY OF LIFE

*and a money saver, too!*

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

### QUALITY SALES & SERVICE OF:

- DISTILLERS
- SUBMERSIBLE PUMPS

*"We're recommended the MOST as the company that knows the MOST"*

# LEDUC RCMP PARTNERS WITH LOCAL BUSINESSES FOR PEDESTRIAN SAFETY

Starbucks employee **Serena HOPE** accepts 5,000 beverage sleeves for distribution from **Cst. MOSLEY** and **Peace Officer KARDASH** of the Leduc Municipal Integrated Traffic Unit.

Submitted by **Leduc RCMP**

November is Pedestrian Safety Month in Alberta, and the Leduc Municipal Integrated Traffic Unit is partnering for the second year in a row with the Black Gold Regional Schools, Leduc Second Cup and Leduc Starbucks to bring more awareness to drivers surrounding pedestrian safety.

During the end of October and

through November, both of the popular coffee shops will be providing customers with hot beverage sleeves which contain the message, "Reds Flashing... No Passing!". The message comes from the Student Transportation Association of Alberta, and the Black Gold Regional Schools. The aim of this partnership is to prevent collisions involving pedestrians by reminding drivers of their responsibilities while driving, and the potential risk to pedestri-

Starbucks employee **Archie CARILLO** accepts 5,000 beverage sleeves for distribution from **Cst. MOSLEY** and **Peace Officer KARDASH** of the Leduc Municipal Integrated Traffic Unit.

ans, especially those that are school aged.

The Leduc Municipal Integrated Traffic Unit also wants to remind motorists that winter road conditions are now upon us. Drivers are asked to take extra precautions to ensure their own safety and that of pedestrians by driving to the current conditions, installing quality winter tires, and reporting impaired or other dangerous drivers.

The beverage sleeve with attached message.

## SUDOKU OF THE WEEK

### Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**ANSWER:**

1	6	8	7	3	9	2	4	5
2	7	4	8	5	6	1	3	9
9	5	3	1	2	4	8	7	6
5	4	7	9	8	2	6	1	3
8	3	1	6	7	5	4	9	2
6	9	2	4	1	3	5	8	7
3	8	6	2	4	7	9	5	1
7	1	9	5	6	8	3	2	4
4	2	5	3	9	1	7	6	8

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

1		8	7	3				
	7		8	5				9
