COUNCILLOR DWIGHT DAVIDSON PASSES AWAY AT 70

Submitted by Bill Hegy, Mayor – Lac Ste. Anne County

Sangudo, Alberta, October 27, 2016 – A prominent figure in the stewardship of Lac Ste. Anne County, Councillor Dwight Davidson passed away on Tuesday, October 25 at the age of 70. Councillor Davidson represented Division 4 on County Council for two consecutive terms, serving from 2010 to his recent passing. He was a respected

member of Lac Ste. Anne County Council, and was passionate and participatory in the County's growth and economic development initiatives. Notably, Councillor Davidson promoted cooperation through intermunicipal agreements with Mayerthorpe, Onoway and Alberta Beach.

"On behalf of the staff and Councillors at the County, I wish to pay my heartfelt condolences to Councillor Davidson's family," said Mayor Bill Hegy. "We're all the better for his con-

tributions during his time with us on Council, and we are appreciative of the vital role he played to ensure the County's growth and stability."

GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda Mc-Cool

The first Saturday Acoustic Jam Session on October 22nd was attended by a small but very enthusiastic group of music lovers who were entertained for close to two hours. The next Jam will be on November 19th at 7:00 pm and everyone is welcome to attend. Bring along your instrument and/or your voice and join us for an evening of music and fun.

Grilled Pork Steak was featured at the Friday Night Supper and although the crowd was small everyone was very happy with the meal. Lorne O. barbecued the steaks to perfection while Bob C., Jay K., Marcelle J., and Brolie H. worked hard in the kitchen preparing and serving the rest of the meal. Thanks to Venessa, for washing all of the dishes, and to Angela v. L., "Spark" Ariana v. L., Jessica M. and "Brownie" Chelsea M. for clearing and cleaning the tables. Linda Thompson won the free meal voucher, Cheryl Wellon the meat draw and Wayne Nelson was the lucky winner of the 50/50 draw.

Congratulations to Rick Potter's and Randy Wenckowski's teams for securing places and going forward to represent the Legion at the District 8 Legion Darts at the Jasper Place Legion on November 19th. Wade Neilson returned to play Tuesday Night Fun Darts for the first time this season and darters are travelling from Alberta Beach and Gunn to compete in our games. Even if you don't play darts or pool please consider visiting the Legion on Tuesday evenings, most Wednesday evenings as well as Friday and Saturday afternoon/evenings to enjoy the fun and companionship.

Many customers filled out the Suggestion Forms and some of the ideas presented were: New Year's Eve dance (DJ, masquerade ball), various entertainment venues (choirs, bands, open mike, talent contest, hypnotist, Halloween in June), games (ladder/washer toss, trivia night, board game night, name that tune, bingo, horse races, crib or whist tournaments), courses (scrapbooking, paint party, greeting card making) and wine/beer/liquor tasting. Thanks for the great feedback and taking the time to fill out our questionnaire.

Some Grey Cup Pool tickets are still available from Legion members and at the bar. They only cost a dollar each and money prizes will be awarded at the end of each quarter and for the final score.

The Lest We Forget concert will held at the Winspear Center on November 6th and tickets are being sold at the bar for \$25.00 per person. The committee is asking for donations to their silent auction which takes place on the same evening. Please contact Neil Gorman at

780-960-4160 for more information on the concert or to add donations to the silent auction.

UPCOMING EVENTS:

November 1 - Tuesday Night Darts - Registration 6:45 to 7:15 pm. Play at 7:30 pm.

November 2 - Wednesday Night Pool – Registration 7:00 pm. Play at 7:30 pm.

November 4 - Friday Night Supper – Crispy Chicken

November 7 – General Meeting – 7:00 pm

The Legion phone number is 780-967-5361. Please contact Ted Latimer @ 780-967-4980 for hall rentals, Bob Clark @ 780-967-3640 to reserve your plate for the Friday Night Supper, for meal inquiries/suggestions or to volunteer in the kitchen, Cheryl Sadler @ 780-967-4146 for membership, Neil Gorman @ 780-960-4160 for sports and Lorinda McCool @ 780-967-3640 to place information in the Legion newsletter. See you at the Onoway Legion and have a great week!

Town of Onoway Career Opportunity – 1 Position Public Works Operator Seasonal Position

The Town of Onoway, a quiet yet growing community located approximately 30 minutes west of Edmonton, has a career opportunity within our Public Works department. Assisting the Public Works Manager, the successful candidate will be required to work in all areas of the department.

The successful candidate must have:

- Valid Alberta Operators License (class 3 or higher would be an asset)
- Minimum Grade 12 education (or equivalent)
- Class 3 with air brakes
- Must be competent and proficient in the operation of heavy equipment (grader, loader, bobcat ect).

This position requires flexibility in work, and will result in some irregular hours of work and call outs (line breaks, snow removal, special projects etc.) and this work may involve evenings or weekends.

We offer:

- An exciting opportunity to work in a team-based, supportive environment
- A busy, diverse and challenging position
- Ongoing opportunities for personal and professional development
- A competitive compensation, giving consideration to qualifications and experience

Resumes will be accepted until Monday, November 14, 2016 at 3:00 p.m.or until a suitable candidate is found.

We thank all applicants for their interest, however only those selected for an interview will be contacted. A recent drivers abstract and criminal record check will be required by the successful candidate upon acceptance of position.

Please forward your resumes to:

Jason Madge Town of Onoway

Box 540 Onoway, AB. T0E 1V0 Ph: 780-967-2309 Fax: 780-967-0685

Email: jason@onoway.ca

Questions directly about the position, please call Public Works Manager Jason Madge at 780-967-2309.

DARWELL PUBLIC LIBRARY NEWS

Submitted by Sandra Stepaniuk, Library Manager

The weather is turning and we continue our fundraising efforts to complete the new library expansion. We are currently doing a donation drive and are looking for your used clothing, shoes, accessories, books, linens and small household items (small items only no furniture). You can drop off your donations at the library expansion on Monday and Tuesday during regular library hours until November 8, 2016. Should these times not work for you please contact the library to make alternate arrangements.

Did you know that the library has passive programming available during regular hours? Passive programming is programs that are self-directed by patrons and available anytime at the library. We have a few things available in the library for families and individuals to do when they come to visit. The colouring club, family games and makerspaces are examples of passive programming. The great thing about passive programming is that it always fits into your schedule, no specific dates and times to remember, just come down when you want to. We encourage you to ask about our passive programming and provide ideas for what you would like to see in the library. We look forward to hearing you.

Our book club is growing, we have had 3 new people join in the last few months and we want to take this opportunity to thank them and all of our members for supporting the library and its programs. The next Book Club meeting will be on Monday, November 7, 2016 at 7:00p.m. to discuss "Bone & Bread" by Saleema Nawaz. Do you love to read? Do you like to discuss what you have read with others? We have a few open spots and are always interested in a new perspective to add to our conversation. If you are interested in participating you can register and make arrangements for loan of the current title by calling the library @ 780-892-3746.

The Christmas Family Movie Night, at the Lake Isle Community Hall, will be held on Friday, November 25, 2016. We will be showing the pre-release "G" rated title "BFG". The doors will open at 6:30pm and the movie starts at 7:00 pm. Admission will be free for children and each child will receive a grab bag at the end of the movie; the concession will also be available. See you there! All of our programs are sponsored by The Darwell Public Library Society, Darwell Library Friend Society, FCSS

and the CLSA Library Grant.

The health benefits of Tai Chi, a gentle form of exercise can help maintain strength, flexibility and balance, and could be the perfect activity for the rest of your life. Tai chi is often described as "meditation in motion,". There is growing evidence that this mind-body practice, which originated in China, has value in treating or preventing many health problems. And you can get started even if you aren't in top shape or the best of health.

Tai chi differs from other types of exercise in several respects. The movements are usually circular and never forced, the muscles are relaxed

rather than tensed, the joints are not fully extended or bent, and connective tissues are not stretched. Tai chi can be easily adapted for anyone, from the most fit to people confined to wheelchairs or recovering from surgery. We currently have a signup sheet in the library for a 4 month beginner Tai Chi class that will run 2 times a week, starting in February and ending in May, 2017. There will be a cost for this program which is yet to be determined based on facility cost and number of registrants. We need a minimum of 10 people to register to see the program go forward so if you are interested please stop by and add your name to the list along

with your preference for daytime or evening sessions.

The Darwell Public Library Society will be holding their next regular meeting on Monday, September 26, 2016 starting at 7 pm. All meetings are open to the public and everyone is welcome to attend. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website www.darwellpubliclibrary.ab.ca or like us on Facebook at www.facebook.com/Darwell-PublicLibrary

CALL FOR PROPOSALS TO 2016 SOCIAL DEVELOPMENT PARTNERSHIP PROGRAM

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is pleased to invite local not-for-profit organizations to apply for funding through the 2016 Social Development Partnership Program – Disability Component (SDPP-D). This program provides \$11M an-

nually in grant and contribution program funding to organizations to support projects intended to improve the participation and integration of people with disabilities in all aspects of Canadian society with respect to social inclusion.

"I believe everyone deserves opportunities to participate in society on an equal basis," said MP Eglinski. The focus of this call for proposals will be innovation. Funded projects will be required to identify, develop and test/pilot new promising practices and tools that promote the social inclusion of people with disabilities. The practices and tools may be new or build on existing programs and services.

"This call for proposals provides

an important opportunity to make sure that all residents in our riding of Yellowhead, regardless of their abilities, feel welcome in their workplaces and communities. That is why I strongly encourage eligible organizations to submit a proposal for this funding," concluded MP Eglinski.

The deadline to apply is November 3, 2016.

Councillor Dwight Davidson Passes Away

Continued From Page 1

A local resident since 2005, Councillor Davidson was passionately involved in driving municipal initiatives that would benefit of the County and its ratepayers. He worked diligently to strengthen communications between administration and ratepayers, and to encourage the County to become more active in promoting new businesses and development across the region. One of his most

recent accomplishments was helping establish and grow broadband communications infrastructure across many parts of Lac Ste. Anne County.

"I can recall many great discussions with Dwight," continued Mayor Hegy. "Being very much a law-and-order guy, his approach was always very direct and honest. He will be greatly missed by us all."

Councillor Davidson was known to volunteer his time and consid-

erable energies wherever and whenever he was able. He was also an active member of the Sangudo Golden Age Club. An avid outdoorsman, he could often be found hunting, fishing, gardening and enjoying his leisure time in the County with family and friends. Prior to his career in municipal politics, Councillor Davidson served as a member of the Royal Canadian Mounted Police for nearly three decades, attaining the rank of Staff Sergeant before

retiring from the force in 1994.

Councillor Davidson is survived by his wife Val, his two children and four grandchildren. His funeral was held Sunday, Oct. 30 at 2:00 pm at the Park Memorial Funeral Home at 9709-111 Avenue in Edmonton. His family has requested that in lieu of flowers (Mrs. Davidson is highly allergic), donations be made to the Stollery Children's Hospital Foundation. Please visit stollerykids.com for more information.

SIMPLE MAINTENANCE TIPS TO KEEP YOUR RIDE RUNNING STRONG

Motor vehicles are sizable investments that, for many people, trail only homes and educations in terms of the biggest expenses they will ever have. So it's in drivers' best interests to take every step possible to protect their investments and keep their vehicles running smoothly as long as possible. While knowledgeable mechanics can be invaluable resources, drivers can take several minor, simple steps to keep their cars running smoothly for years to come.

· Perform weekly visual inspections. Few drivers take the time to look at their vehicles once those vehicles lose their new car luster. But visual inspections can help drivers find problems that, though minor, may impact their vehicles' performance. For example, a routine examination of vehicle tires can indicate if those tires are properly inflated. Poorly inflated tires can decrease fuel efficiency and affect the overall safety of a vehicle. If tires appear flat, check their pressure and inflate them to the levels listed in your owner's manual.

· Look for fluid leaks. Another telltale and easily identifiable sign that a vehicle needs some maintenance is the sight of fluids beneath the car. If you notice puddles or stains beneath where you normally park your car, your vehicle may be leaking fluids. Note the color and consistency of the fluid and then call your mechanic to determine which fluid is leaking and how to fix the problem.

· Stick to manufacturer-recommended maintenance schedules.

Whether your vehicle is brand new or has some tread on its tire, consult the owner's manual for manufacturer recommendations with regard to changing fluids and replacing filters. Many recent models can now be driven roughly 5,000 miles before they need an oil change, but check your owner's manual for the guidelines established by your vehicle's manufacturer, and adhere to that schedule religiously. If you drive an older car, recognize that the vehicle may benefit from more frequent oil changes and tuneups.

In addition, read the manual for additional guidelines, such as how often to replace the air filter, headlight, turn signal and brake lamps, windshield wipers, and other vehicle parts that can wear down over time

· Look under the hood as well. While many drivers feel that the area beneath their vehicles' hoods is best left to the professionals, you can still lift up the hood every so often to see if there are any glaring problems that demand attention. Inspect rubber belts for signs of wear and tear, and know that such belts may need to be replaced every 50,000 miles or even more frequently depending on your driving habits. Lifting the hood is also necessary when checking fluid levels, which you should check periodically and before and after any long trips.

Drivers who notice or suspect damage when performing simple vehicle maintenance should bring these concerns to the attention of their mechanics as soon as possible.

SAFETY IN NUMBERS: WHY IT PAYS TO REPLACE HEADLIGHT BULBS IN PAIRS

(MS) - When it comes to vehicle maintenance, the rule of two has long reigned among professional automotive technicians and driving safety advocates. In accordance to this rule, drivers replacing important parts in their cars and trucks, such as tires, brakes, shocks and wiper blades, should always do so in pairs.

Replacing parts in pairs can ensure vehicles are properly balanced and functioning safely. But it's not just tires, brakes and other big-ticket components that should be replaced in pairs. Vehicle lighting plays an integral role in keeping drivers and their passengers safe, and motorists should exercise the same caution regarding their vehicles' headlights, taillights and turn signals that they do when

maintaining the rest of their cars and trucks.

Why replace aging headlight bulbs?

Few drivers include headlight bulb replacement in their vehicle maintenance routines. But old headlight bulbs can drastically compromise visibility at night, when drivers' visual acuity is naturally reduced by as much as 70 percent. As headlight bulbs age, the effects of exposure to sunlight, ozone and pollution can significantly reduce their light output. According to Philips Automotive, a leading manufacturer of vehicle lighting components, headlight bulbs begin to project significantly less light within two to three years of their initial usage, producing dimmer light outputs that compromise the safety of drivers and their passengers. For example, new headlight bulbs capable of projecting 240-foot beams in front of a vehicle may see that projection dwindle to just 160 feet within two to three years.

Why replace bulbs two at a time? In an effort to promote the importance of changing headlight bulbs two at a time, Philips developed the "Change In Pairs" safety campaign, which aims to educate motorists about the dangers of dimming lights while promoting the many reasons that changing bulbs in pairs makes the road safer for all travelers. To support this safety initiative, Philips also packages its Upgrade Headlight Bulbs in pairs.

Though replacing two headlight bulbs when only one is dimming may seem unwarranted, maintaining a consistent light output in both headlights makes the road safer for drivers, their passengers and oncoming motorists. When only one bulb is replaced, the resulting light output can be both unbalanced and unpredictable, providing inadequate lighting that can compromise driver visibility. In addition, oncoming motorists may experience difficulty seeing vehicles with just one headlight operating at full capacity, and some may even mistake oncoming cars and trucks for motorcycles, creating positioning issues for drivers on both sides of the yellow line.

How else can drivers improve visibility?

In addition to replacing headlight bulbs in pairs every two to three years, drivers can take the following proactive measures to reduce the likelihood that their vision will be compromised while on the road.

· Replace worn out wiper blades. Wiper blades need to be changed each season or in three-month intervals. Rubber wiper blades can grow brittle rather quickly, potentially compromising driver visibility at times when they need their vision to be as strong as possible, such as when rain or snow is falling.

· Clean interior glass and mirrors. Over time, interior glass can develop a film-like buildup that reduces vision and creates hazy reflections from the sun. Smokers may notice such buildup is especially thick in their vehicles. Periodically clean interior glass and mirrors to prevent this film from compromising your vision.

· Don't hang accessories in your vehicle. Fuzzy dice, photos and other items hung on rearview mirrors can prove distracting and block you from seeing the road.

Learn more about the "Change In Pairs" campaign by visiting www.philips.com/automotive.

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

	5			1			3	8
4	1				8	9		
3		7	2		5	4	6	
2	7			5		6	8	
		4						
5		8			7		9	3
	3		8	4				
6		9			2			7
			1		9	3		

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku sawy to the test!
