JOKE OF THE WEEK

Just before Christmas, two brothers were spending the night at their Grandma's house. At bed time, they knelt down to say their prayers. As they closed their eyes, one boy said in a loud voice, "Dear Lord, please ask Santa Claus to bring me a Wii, a telescope and a new bike."

His older brother said, "Why are you shouting? God isn't deaf." "I know," said his brother, "but Grandma is."

GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool

The Legion learned Friday night of the passing of one of its' fine volunteers, and Cowboy Poet, Ken Blacklock. Ken was a director on the executive committee, very active with Remembrance Day preparations, poetry and literary judging, and he, along with his wonderful stories and poems, will be greatly missed. Rest in Peace Ken.

Thanks to Clint Waddell for his contribution of time and knowledge to the Friday Night supper featuring selections from his "Clint's Country Cooking" cookbook. He easily headed up the crew consisting of Bob C., Jay K., Marcelle J., Lorne O., Lynn R. and Diane K. to help produce a home cooked meal YOU didn't have to cook at home! Some of proceeds of his cookbook sales will be going toward bar renovations. Dale K. was kept busy in the kitchen washing dishes that Scouts Harvey K., Landon M. and Sam M. consistently brought to him and he and Diane stayed and helped with the clean-up. The evening also featured the Heritage Trail Silent Auction with many items on display and lively competition during the bidding. Congratulations to all of the lucky auction victors and to our Friday night draw winners: Chere Myers the free meal voucher, Jackie Murdoch the meat draw and Pat St. Hilaire the generous 50/50.

The Onoway Legion was successful in their bid for the beautiful hand carved solid wood plaque that will be permanently placed on display very soon. Make sure you look for it during your next visit! We are anticipating work to begin on renovating the front entrance shortly and will try to keep the inconvenience of entry and egress to a minimum. Please be patient as the finished product will be well worth the wait!

Bud Westerlund has been moved from the Royal Alex to the Westview in Stony Plain and would greatly appreciate visitors. Don Grant is recovering from successful abdominal surgery and is looking forward to going home soon.

Congratulations to Rick Potter and his team of Sylvia Potter, Teresa McGuire and Randy Wenckowsky for winning the Area "A" Seniors Darts in Devon on November

26th. All teams will be going forward to the District 8 tournament in St. Albert on December 10th so Rick's team will be joined by Bob Clark's team, who tied for third place, and Scott Sadler's team. A fun 8-Ball Pool tournament will be held on December 29th so be sure to check out the registration information posted on the bulletin board. As it is a special holiday tournament there will be prizes for the best Hawaiian shirt and/or craziest Christmas Sweater so get all decked out and come in to enjoy the fun.

Raffle tickets for the signed Ed-

monton Eskimo history book are still available at the Legion and will be sold until the draw at the final 2016 meal on December 16th.

LAC STE. ANNE COUNTY COUNCIL SESSION HIGHLIGHTS

Submitted by Lac Ste. Anne County

HIGHLIGHTS FROM THE LAC STE. ANNE COUNTY COUNCIL MEETING HELD NOVEMBER 24, 2016

County and Town of Mayerthorpe Team Up on Economic Development

Lac Ste. Anne County Council has approved a partnership with the Town of Mayerthorpe to access grant funding from the

Community and Regional Economic Support (CARES) program. If successful, the County and the Town will partner to develop training series for local businesses and people considering starting a local business, as well as conduct studies into Workforce Capacity and Recruitment and Agricultural Sector.

The CARES program funds Alberta municipalities', communities' and regions' initiatives

that enhance local economic conditions, leverage regional economic development resources, and build local and regional capacity for sustainable economic development delivery. As part of the Alberta Jobs Plan, the Alberta Government has allocated \$30 million over 2 years to promote long-term economic growth and prosperity in Alberta's communities and regions through this new program.

If you have any questions

about Economic Development initiatives, please contact Economic Development Officer Cindy Suter at 1.866.880.5722.

Council Makes Improvements to the Solid Waste Utility

County Council passed second and third reading for Solid Waste Utility Amendment Bylaw #44-2016, which made several amendments to the utility.

The amendments approved in the Solid Waste Utility Amendment Bylaw #44-2016 include:

- The utility fees billed this fall, an amount of \$107.50, is valid for the twenty-four month period of January 2016 to December 2017, for each property required to participate in the Solid Waste Utility.

- Properties located in the Hamlet of Sangudo are exempted from mandatory participation in the Solid Waste Utility. As properties in the Hamlet pay for curb side solid waste under a second utility, participation in the Transfer Station utility is voluntary.

- Properties that contract a third party waste disposal service, are exempted from mandatory participation in the Solid Waste Utility. As these properties can verify that they have solid waste services from another provider their participation in the Transfer Station utility is now voluntary.

- Lac Ste. Anne County residential property owner(s) or occupant(s) excluded or exempted from the Solid Waste Utility may elect to voluntarily participate in the utility.

Exempted properties who do not wish to voluntarily participate in order to gain access to County Transfer Stations are urged to contact Lac Ste. Anne County Administration at 1.866.880.5722 to ensure that utility accounts are properly closed prior to December 31, 2016.

Council Supports "Crop in Field" Signs for Farmers

County Council has initiated a "Crop in Field Signs" program for local agricultural producers at risk of losing their livelihood due to weather conditions during the harvest. These are the same conditions that led Lac Ste. Anne County to become the second municipality in Rural Alberta to declare a State of Agriculture Disaster this fall. While current and more accurate harvest numbers will be available soon from Alberta Financial Services Corporation, there is still ample visual evidence throughout the municipality that a large amount of crop remains in the field.

The program presented by Lac Ste. Anne Agricultural Services will produce and distribute "Crop in Field" signs to agricultural producers with crops remaining in the field at no cost to the producer. The proposed signs provide a quick, effective visual indication to off-highway vehicle users that there is a crop remaining on the lands they intend to access and that it is the producers request that they do not enter. Although yields would be reduced, many crops — if undisturbed over the winter — can be salvaged and harvested in the spring.

To learn more about the "Crop in Field" Sign program, contact Agricultural Services Manager Glenn Kummer, or Assistant Agricultural Services Manager Aren Skogstad, at 1.866.880.5722.

County Tax Penalty Structure is Changing in 2017

County Council has passed a bylaw to reduce the number of tax penalties each year from seven to three. County Administration recommended the improvement to the County's tax penalty structure to achieve greater efficiencies, including the ability to send the tax statements to each account on which a penalty is applied.

The changes will be implemented following the mailing of the 2017 tax notice in May. This delay in implementation is to allow additional time to notify the public as some print material have been mailed that reference the January, February and March 2017 penalties. Effective 2017, tax penalties will be applied in July for 6%, October for 9% and one in January for 9%.

If you have any questions about the Tax Penalty Bylaw 40-2016, please feel free to contact Laurie

Coulson, Property Tax Administrator at 1.866.880.5722.

County Council sets the 2016 Tax Recovery Auction Reserve Bids

County Council has established the reserve bids for the upcoming tax recovery public auction. The Municipal Government Act Section requires that Council must establish for each parcel of land to be offered for sale at a public auction a reserve bid that is as close as reasonably possible to the market value of

the parcel, and any conditions that apply to the sale.

The tax recovery public auction was postponed to Friday, December 16, 2016, at 1:30 p.m. at the County Administration Building, Sangudo, Alberta. More information about the property being auctioned and the auction process can be found at www.LSAC.ca or by contacting Property Tax Administrator Laurie Coulson at 1.866.880.5722.

CHECK STOP SEASON

Submitted by St. Albert RCMP

St. Albert, Alberta - The Christmas Season is upon us and so are Holiday Check Stops. St. Albert RCMP are wanting to remind the community to be responsible when attending Holiday functions, planning ahead for safe transportation to and from the event. This past weekend St. Albert Traffic Services were actively out conducting Check Stops and roving patrols

in which two arrests were made.

In one case a vehicle was travelling north bound on Inglewood Drive with no headlights on thus St. Albert Traffic Services conducted a vehicle stop, which led to an Edmonton resident being arrested and later charged with Impaired Driving - Section 253(1)(a) Criminal Code and Driving over 0.08% alcohol in blood - Section 253(1)(b) Criminal Code.

Later in the evening another roving patrol by St. Albert Traffic Services led to the arrest of

two males for Possession of a Controlled Substance - Section 4(1) Control Drug and Substances Act. Although the individuals were not driving at the time of the arrest they were by their vehicle.

"Impaired driving means operating a vehicle (including cars, trucks, boats, snowmobiles and off-road vehicles) while under the influence of alcohol or drugs and it is a crime under the Criminal Code of Canada," states Cst. M-J Burroughs. The consequences are serious and you

may:

- lose your licence
- have your vehicle impounded
- need to pay an administrative monetary penalty
- need to attend an education or treatment program
- be fined upon conviction
- be required to install an ignition interlock device in your vehicle
- spend time in jail
- end up with a criminal record

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Tara Gallant

DECEMBER 1, 2016

The Lac Ste. Anne Foundation's Chief Administrative Officer presented its proposed 2017 budget at the November 28 Regular Meeting of Council. The organization manages and operates seniors supportive housing in the region, and a portion of Whitecourt property owners' annual property taxes is allocated to the Foundation for operations.

The Youth Advisory Committee has organized Town Hall meetings at three local schools during the month of December. The sessions involve Town Council attending all schools to discuss the municipal government's role, review current and future projects, and answer questions from students. This is the 3rd year that Council has participated in these events.

The Town of Whitecourt will be submitting an application to the CARES Grant Program. The CARES (Community and Regional Economic Support) Grant funds projects that improve local business environments, and increase investment in the community. The Town of Whitecourt is applying for funds to support an

enhanced business partnership project that is proposed to include downtown business/property owners, as well as a signage initiative to drive traffic to the downtown core.

The Town of Whitecourt will be submitting an application to the Alberta Community Partnership Program for the completion of a Regional Recreation and Culture Integration Plan. The project, which is proposed to be completed in partnership with Woodlands County, will involve the development and integration of a sportsfield master plan, as well as schematic/detailed design of the

proposed arts and culture centre and library.

The Town of Whitecourt has sent a letter to Prime Minister Trudeau and the Special Committee on Electoral Reform voicing its support of a referendum prior to changes to the current first-past-the-post voting system for federal elections. The federal government is proposing to change the current election system, which could have a significant impact on how federal governments are elected, and how communities and Canadians are represented on a federal level.

Whitecourt once again was a

big winner during the 2016 Rider's Choice Awards sponsored by SnoRiders West publications.

- Platinum Award – Favourite Overall Snowmobiling Area in Alberta

- Platinum Award – Favourite Groomed Trail Riding in Alberta

- Platinum Award – Favourite Powder Riding in Alberta

- Platinum Award – Favourite Area for Family Snowmobiling in Alberta

- Gold Award – Favourite Scenic Snowmobiling Area in Alberta

- Silver Award – Favourite Snowmobiling Area in Western Canada

HIGHWAY 43 / DAHL DRIVE INCIDENT

Submitted by Tara Gallant

At approximately 6:00 a.m. on December 2, 2016 a Whitecourt Fire Department vehicle, while responding to a structure fire call in Woodlands County, was involved in a collision with another vehicle at the intersection of Dahl Drive and Highway 43 in Whitecourt. The collision resulted in a fatality to the lone female occupant of the other vehicle. The scene and incident are currently under investigation.

ALL RIGGED and RARING TO GO

NGPS HIGH SCHOOL PRINCIPALS are DRILLING into more DUAL CREDIT OPPORTUNITIES for their STUDENTS

On Wednesday, Dec. 1, at 6:00 am, an NGPS contingent, including five senior high principals, boarded a bus for Bonnyville, AB to explore and investigate the Northern Lights School Division Service Rig program as a learning opportunity for NGPS students. Twelve hours later, the contingent returned ready to embrace this opportunity for NGPS high school students.

"Our principals and dual credit leads continue to work diligently to make these opportunities a reality for NGPS students."

- Michelle Bronnick, NGPS Deputy Superintendent

The partnership created by Northern Lights School Division allows for our students to receive industry standard training that will provide immediate employment opportunities in the service rig industry. The instruction is provided on an actual rig by industry professionals who focus on working safely.

Students complete safety courses in advance of going to the rig as well as two additional days of safety training on the rig. Students are taught potential hazards and how to avoid them. After the two days of safety training students begin training on the rig where they learn how to work as a team by accomplishing the tasks necessary to operate a working service rig.

Industry partners are very excited and look forward to having available trained rig technicians as the program progresses.

Likewise, NGPS students will be trained and prepared for immediate employment in the Service Rig Industry.

Industry HR staff shared that the need for such trained workers is greater than the current supply with some rigs being unable to work because of a shortage of trained staff. They estimate a need for an additional 68,000 trained employees in the next year at a starting wage of \$28 per hour.

"The opportunity for NGPS students to attend a week-long certification program as a part of the Rig Technician skilled trade training at a partner school division provides our students with the necessary skills to go directly into the oil and gas industry and work towards becoming a journeyman."

Even in the downturn there is significant need Alberta-wide for certified Rig Technicians. One employer shared that if students completed this week-long training they would be hired as soon as they turned 18 and could begin their first year apprenticeship training."

- Debbie Vance, NGPS Community Partnerships and Dual Credit

Onoway Jr/Sr High Principal Weighs In

"Off campus learning is an important part of many students' total learning experience at Onoway Jr/Sr High School. An expanded off campus program will offer students more opportunities to learn specific skills in areas of interest."

- John Lobo, NGPS Principal, Onoway Jr/Sr High School

Leaning for life. Together.

Off campus learning opportunities are a huge win for NGPS students. We appreciate the collective efforts and contributions of partners from business, industry, community services, other school jurisdictions and various Alberta Government portfolios.

375 NGPS students participated in dual credit and/or experiential learning opportunities last year.

In the first three months of 2016-17, we are at 238 students and growing!

Dual credit:

Dual credits are earned when a high school student is taking either a high school or a post-secondary course that results in both high school credits and post-secondary credits. Students are enrolled and/or registered in the articulated secondary/post-secondary course in both institutions.

Preferred placement:

Post-secondary institutions exempt students from courses (often at the first-year level) in recognition of coursework completed in high school (e.g. first-period apprenticeship, Child Development Assistant).

Workplace certification:

Provincial high school curricula, particularly Career and Technology Studies, provide students with opportunities to achieve workplace certification through pathways (e.g. Medical First Responder, Adobe Certified Expert).

TOXIC OPIOID CARFENTANIL LINKED TO 15 DEATHS

Submitted by Government of Alberta

Alberta's Chief Medical Officer of Health, Dr. Karen Grimsrud, and Acting Chief Medical Examiner Dr. Elizabeth Brooks-Lim are notifying the public that the toxic opioid carfentanil is still circulating in our province and has been linked to 15 drug overdose deaths.

Fourteen of those 15 deaths occurred between September and the end of November.

"I am deeply concerned about the increasing number of deaths associated with carfentanil. It's possible these indi-

viduals were not aware they were taking it. Albertans need to know that carfentanil is here – in Alberta cities and towns – and that it's an extremely dangerous and deadly opioid. Even the smallest trace can be lethal." - Dr. Karen Grimsrud, Chief Medical Officer of Health

"The increasing number of deaths due to this dangerous drug is concerning to us, and we will continue to work closely with our health partners, as part of sharing information and raising awareness of opioids misuse. The Alberta Office of the Chief Medical Examiner is one of only a very small number of toxicology laboratories in Canada that is able to positively identify carfentanil in human

blood." - Dr. Elizabeth Brooks-Lim, Acting Chief Medical Examiner

Alberta remains focused on harm reduction as it moves forward with a co-ordinated and collaborative provincial response to the opioid crisis.

When combined with prevention, treatment and enforcement, a broad spectrum of harm reduction approaches will help decrease harmful consequences of drug use to keep people alive.

If you are using these types of drugs:

- Don't use them alone and make sure you are near someone who can call for help.

- Don't mix them with other drugs or alcohol.

- If you suspect someone is overdosing, don't wait. Dial 911 right away.

- Carry a naloxone kit. Know how to use it to save someone's life. Make sure your buddy knows how to use it to save yours. Naloxone is a temporary fix – you still need to call 911.

- Most importantly, know there are resources available to help you whether you are using drugs for the first time or have used them frequently.

- If you're concerned about your own or someone else's use of illicit drugs, call the Addiction Helpline (24 hours a day, seven days a week) at 1-866-332-2322, or Health Link at 811.

Provincial response to opioid crisis

- Working closely with other Alberta government ministries, health experts, community groups, parent advocates, law enforcement and the medical community, the Chief Medical Officer of Health is leading a collaborative and co-ordinated provincial response, focused on four key areas:

1. Improving the collection and publishing of data to better target interventions

2. Expanding access to opioid replacement therapy.

3. Funding community agencies to assess the need for supervised consumption services.

4. Promoting appropriate opioid prescribing and implementing new tools to prevent prescription drug misuse, in partnership with the College of Physicians and Surgeons of Alberta.

- Publicly funded take-home naloxone kits are available at more than 900 registered sites, including community pharmacies.

- A new public awareness social-media campaign has been rolled out. It explains how to use naloxone to prevent overdose deaths and on where people can get naloxone free of charge.

- Grant funding is being provided to Access to Medically Supervised Injection Services Edmonton to support community engagement and the development of an application for a federal exemption to offer supervised consumption services in Edmonton's inner city.

- The province has invested \$3 million over the next three years for an opioid dependency treatment (ODT) expansion project. Work is under way to increase access to opioid replacement therapy in Alberta Health Services ODT clinics.

- The province has provided "Proceeds of Crime" grants totalling \$240,000 to police and their community partners to raise awareness of the dangers of fentanyl and other illicit drugs.

- Legislation will come into effect in January 2017 to regulate pill presses to enhance enforcement for illicit fentanyl manufacturing.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

2	5	9	1	6	4	7	8	3
6	8	7	3	5	9	1	2	4
3	1	4	2	8	7	5	6	9
7	6	3	8	9	5	2	4	1
5	2	8	4	3	1	6	9	7
4	9	1	6	7	2	8	3	5
8	7	2	5	4	3	9	1	6
9	3	6	7	1	8	4	5	2
1	4	5	9	2	6	3	7	8

2	5	9			4	7	8	
		7	3			1		
7	6			9	5			1
	2				1			
4				7	2	8	3	5
	7					9		6
							5	2
1	4					7		

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
