## **EMERGENCY RESPONDERS NEED ROOM TO WORK**

**Submitted by Megan Candie**

While responding to an incident earlier this week on an area highway, two Leduc County Fire Services firefighters were nearly struck by a passing vehicle.

Motorists are reminded to drive for weather conditions and to slow down and move over, if possible, when approaching

or passing emergency response personnel who are responding to an emergency.

"The men and women who make up Leduc County Fire Services are committed to protecting life and property. We ask motorists to please give us the room we need to do our important work on-scene; slowing down and giving us room will prevent further emergencies and

ensure the lives of our first responders aren't put at increased risk." - Darrell Fleming, fire chief

Motorists are required to slow down to 60 kilometres per hour when passing emergency vehicles and tow trucks on highways, as per the Traffic Safety Act. Failure to slow down could result in doubled speed fines.

## **LEDUC RCMP ARREST SUSPECT IN EARLY MORNING HOME INVASION**

**Submitted by Leduc  
RCMP**

The Leduc RCMP, with assistance from the Police Dog Services Unit apprehended one suspect in the early morning of January 13, 2017 following a home invasion in Leduc County.

At approximately 3:20 a.m., the RCMP received a complaint from a homeowner on Township Road 500, that two individuals were on her property. They arrived in a truck and stole her yard tractor, departing in both the truck and the stolen yard tractor.

The male on the yard tractor went to a neighbouring rural property where he broke into the residence and assaulted the home owner before fleeing. The home owner has suffered minor

injuries. No property was taken from the second residence.

The truck was later discovered abandoned, and it was determined to have been stolen earlier in the morning from a residence in Leduc City. The yard tractor has also been recovered.

The RCMP Police Dog Services Unit assisted the Leduc RCMP members and were able to locate one male suspect and arrested him. He is currently in police custody and criminal charges are pending.

Several units are actively working on this investigation including the Leduc RCMP General Investigation Section and the Forensic Identification Section.

The safety of every resident in Leduc and Leduc County is of paramount importance to the

RCMP", says Staff Sergeant Chad Orr, the Operations NCO of Leduc RCMP Detachment. "We are working diligently and utilizing all resources to solve this crime".

The RCMP are still seeking information and trying to identify and locate the second suspect in this occurrence. The public is being asked to call the Leduc RCMP at 780-980-7200 if they saw any suspicious person or vehicle in the rural area this morning. Any information is of value.

Deputy Premier Sarah Hoffman met with an Edmonton family that received a rebate under the program.

"The carbon price is a made-in-Alberta solution that protects pocketbooks with rebates for 66 per cent of Albertans to help our most vulnerable and ensures that we get pipelines built. We are committed to providing Albertans with the support they need to use

energy more efficiently and save money." - Sarah Hoffman, Deputy Premier

The rebate program helps lower- and middle-income families adjust to the additional costs of carbon. Families will also be able to take advantage of energy-efficiency programs that will start as early as spring 2017.

The carbon levy rebate is expected to recycle \$95 million back to Alberta households in 2016-17 and \$435 million in 2017-18.

## JOKE OF THE WEEK

A young man excitedly tells his mother he's fallen in love and is going to get married. He says, "Just for fun, Ma, I'm going to bring over three women and you try and guess which one I'm going to marry." The mother agrees. The next day, he brings three beautiful women into the house and sits them down on the couch and they chat for a while. He then says, "Okay, Ma. Guess which one I'm going to marry." She immediately replies, "The red-head in the middle." Stunned, the young man says, "That's amazing, Ma. You're right. How did you know?" "I don't like her," she says.

# BE AWARE OF CO DANGERS IN THE HOME

**Submitted by Mariann McLaughlin**

Leduc Fire Services is reaching out to citizens on social media this month to help raise public awareness on the dangers of carbon monoxide (CO) and provide helpful tips to be proactive.

"It's known as the silent killer and our goal is to help educate

residents on methods to prevent CO build-up in their home," says Deputy Fire Chief Gerry Kelly.

Carbon monoxide is an odourless, colourless gas produced by fuels when they don't burn completely. Those include:

- Propane
- Gasoline
- Natural gas
- Heating oil or wood in appli-

ances (furnaces, fireplaces, hot water heaters, stoves, barbecues, portable heaters, generators and vehicles)

Earlier this month, the province launched a one-week campaign to educate Albertans on preventative measures in the home, such as installing a CO detector, and how to identify the signs of CO exposure. These details can be found online

(<http://bit.ly/2eM9j56>).

"CO exposure is 100 per cent preventable and it's important to continue this message of general awareness and prevention to ensure Leduc citizens are taking the appropriate safeguards for themselves and their families," says Kelly.

The borderless fire service, which is managed and operated by Leduc County, became effective Jan. 1, 2017; fire service in the district was previously provided by the Town of Calmar.

Leduc County will build off the great work by the Town of Calmar and is committed to maintaining the service levels received by both urban and rural ratepayers in the Calmar Fire District.

Mayor John Whaley

A borderless fire service enables Leduc County to respond to emergencies seamlessly, regardless of where an emergency occurs in Leduc County fire districts.

Leduc County will deliver all fire and disaster services in the Calmar Fire District with the Town of Calmar paying Leduc County a fixed fee for service.

We welcome all firefighters from the Calmar Fire District to the Leduc County Fire Services family and are proud to have such a skilled crew providing a vital service to our residents.

Darrell Fleming, Leduc County Fire Services fire chief

Leduc County has committed to constructing a roughly \$3.2-million fire hall in the Town of Calmar to serve the community for the next 40-plus years; construction is expected to begin in 2017, with the fire hall to be fully operational in 2018. Leduc County will rent the existing fire hall until the new fire hall is constructed.

The Calmar Fire District includes all property east of Range Road 275 and west of Range Road 262, including in the Town of Calmar. Roughly 4,100 individuals live in the district, including 2,100 in the Town of Calmar and 2,000 in Leduc County.

# SENIORS STAY INDEPENDENT WITH NEW LOAN PROGRAM

**Submitted by Tim Chu,  
Press Secretary, Seniors  
and Housing**

More than 800 applications have been received since the program's launch on July 1, 2016, and the government has paid out more than \$5 million in loans and about \$230,000 in grants. Approximately 10 new applications arrive each day.

"Seniors built this province and they deserve to retire in dignity. Thanks to our government's SHARP program, Alberta seniors can receive the financial assistance they need to repair or adapt their homes, supporting them to age in the community."

- Lori Sigurdson, Minister of Seniors and Housing

"It's really given us a new lease on life, so to speak. Instead of moving into a care facility, we can stay in our home—close to our family and friends, for as long as our health allows." - David and Jill Osborne, recipients of the home-equity loan

The Seniors Home Adaptation and Repair Act includes measures to protect consumers, including a provision to review the costs of repair projects to ensure they are fair.

- Most requested repairs or adaptations include:

- House roof
- Windows
- Flooring
- Furnace
- Hot water tank
- Average loan amount:
- \$16,000 (couple)

# LOOMING FISCAL CRISIS

**Submitted by Jim Eglinski, MP – Yellowhead**

Just over a year ago, Canada's economy was the envy of the world, as our Conservative government proudly balanced the federal budget. All that hard work was quickly undone by the new Liberal Prime Minister.

The Federal Finance department during the Christmas break released a new report stating we will now have annual budget deficits for the next quarter century, a predicted culminated fed-

eral debt of \$1 trillion in the next 15 years and we will likely see a tripling of current debt levels to \$1.5 trillion by 2050. If Prime Minister Justin Trudeau stays on course, Canada may not see another balanced budget until the year 2055. In fact, analysts are predicting bigger deficits could lead to the collapse of our economy.

This week we learned from the Parliamentary Budget Office that the stimulus measures from infrastructure spending will likely be delayed. The government

committed \$186 billion over 11 years in last fall's fiscal update. The economic impact of this is now projected for later 2017 and into 2018.

How can Justin Trudeau pull out of this self-inflicted economic tailspin? He can stop his reckless spending, or, raise taxes. Unfortunately we've already seen which choice he prefers.

Future generations will be on the hook and his spending is putting programs that provide financial security to those who are entering their golden years

at risk.

Justin Trudeau's out-of-control spending and continuing tax hikes are sending Canada on a dangerous path. What happened to the Liberal promise to balance the budget before the next election?

## SEVERAL CHARGES LAID

**Submitted by RCMP Beaumont**

On January 9th, 2017, Beaumont RCMP located two people in a reported stolen vehicle out of Edmonton. The male driver abandoned the vehicle and attempted to flee on foot but was caught and arrested.

Jessie BRYENTON (age 35 years) of Edmonton was found to have an outstanding warrant out of the Beaumont detachment for property crimes and has been charged with over 30 additional Criminal Code offences, including possession of property obtained by crime over \$5000, break and enter and theft, possession of a weapon for a dangerous purpose, possession of prohibited weapon, breaching a recognizance, and fraud charges.

BRYENTON was found to have possession of stolen property belonging to many of Beaumont's residents from thefts from vehicles. He has also been charged with breaking into a Beaumont resident's garage and stealing property.

The RCMP wants to thank local residents who assisted in identifying BRYENTON and assisting the Beaumont RCMP in securing the necessary evidence to lay all the charges as noted above.

The Beaumont RCMP also want to remind vehicle owners to lock their vehicles when not in use and to remove or hide valuables from sight.

# AHS CELEBRATES NATIONAL NON-SMOKING WEEK

**Submitted by Alberta Health Services**

NORTH ZONE— January 15 – 22, 2017 is National Non-Smoking Week, and this year, Alberta Health Services (AHS) is partnering with communities throughout the North Zone to raise awareness amongst new Albertans about the dangers of tobacco and tobacco-like

products.

Newcomers to Alberta may come from communities with high tobacco use rates and unique social norms related to smoking. AHS strives to ensure its tobacco supports and services are sensitive to the diverse cultural practices of newcomers, and has developed tobacco cessation supports and services information in the six languages

that reflect the most common newcomer groups in Alberta. This work is in addition to the outreach AHS does with all Albertans.

An annual event across Canada for more than 30 years, National Non-Smoking Week aims to raise awareness about the health risks of tobacco, in all its forms, as it provides education on the resources and support services

available for those who wish to reduce or quit tobacco use.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

One of the males was believed to be wearing a grey hooded sweatshirt (hoodie), was approximately 5'8" in height

and weighs approximately 150 lbs.

The suspects confronted, confined and seriously assaulted an elderly male home owner. The homeowner was able to escape, and flagged down a passer-by who drove him the closest RCMP detachment. Subsequently, the elderly male was admitted to the hospital for his injuries. He is in stable condition and is

expected to recover.

Three firearms and personal effects were stolen from inside the residence.

"We are seeking the public's help," Says Cst. Geoff Harnum of the Leduc RCMP. "Please contact us if anyone saw something suspicious early in morning of January 10th in the area of Range Road 241 and Township Road 495, between 6 AM and 11

AM."

If you have information about this incident, please call the Leduc RCMP at 780-980-7200. Should you wish to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at [www.tipssubmit.com](http://www.tipssubmit.com), or by SMS (check your local Crime Stoppers [www.crimestoppers.ab.ca](http://www.crimestoppers.ab.ca) for instructions).

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

# RCMP URGE PUBLIC TO KEEP VALUABLE OUT OF VEHICLES

**Submitted by Leduc RCMP**

Leduc RCMP want to educate the public about complaints of vehicle's being rummaged through and items stolen. This tends to occur overnight, any night of the week. Leduc RCMP receives reports from members of the public in Leduc and surrounding communities who have left their keys in the vehicle, and other valuables in plain sight.

"For some thieves, even spare change, Canadian Tire money, and cigarettes is enough to get their attention" Notes Cst. Julian Celms of the Leduc RCMP. "We want to

# WANTED MAN LOCATED

Submitted by Leduc RCMP

Update #2: On October 9, 2016 Leduc RCMP investigated a home invasion. As a result of that investigation, 30-year-old Konrad Chittick was identified as a suspect and charged with 19 criminal code charges. A warrant for his arrest was issued.

Chittick was arrested on January 7, 2017 by Edmonton Police Service. He has been remanded in custody to appear in Leduc Provincial court on January 12, 2017.

This matter is now before the courts. Public and media assistance was appreciated in the search to locate Chittick.

Update #1: A warrant for the arrest of Konrad Melbourne CHITTICK, DOB: 1986/07/22 has been issued in relation to a Home Invasion that occurred in Leduc County on October 9, 2016. CHITTICK is facing 19 charges including Robbery with a firearm, break and enter, and forcible confinement.

Original Media Release: On October 9, 2016 in the early morning hours Leduc RCMP responded to a home invasion in progress in the County of Leduc. Multiple suspects forced their way into a residence and restrained the occupants of the home. Several firearms along with one of the resident's vehicles were stolen.

stress to our citizens that being careful about what they leave in sight can be an easy target for thieves."

Police believe thieves are walking by vehicles checking doors to see if they are locked at night.

Also of concern, is when car keys are left with the vehicle. This makes your vehicle a target for theft. What may seem like the simplest items can make your vehicle a target. Lure-  
ctive items include:

- Spare change and cash (even pennies, dimes)
  - Gift cards, Canadian Tire money
  - Sunglasses

- iPod's, cell phones
- Plug in cell phone chargers
- GPS devices
- Wallet/purse
- Knives, multi purpose tools
- Gym bags, briefcases
- Cigarettes

"Ask yourself this; if I walked by my parked car, looked through the windows, is there anything that someone might be interested in taking? Even the smallest things often have value" Stressed Cst. CELMS. "Many of things can easily be placed out of sight, in a glove box or compartment. Leave your gym bag

or briefcase in your trunk or safely out of sight, or take it into your home".

Key strategies to keep your valuables safe:

- Check that you rolled up your windows
  - Check that your doors are locked
  - Check items are stowed away
  - Check keys are not left in the vehicle.

If the public see people checking door handles, call the RCMP complaint line 780-980-RCMP. Please use 911 for life threatening emergencies.
