## CALL FOR ARTISTS: STONY PLAIN ART WALK

**Submitted by Angela Watt,  
Event Manager & Founder |  
Stony Plain Art Walk**

The 5th annual Stony Plain Art Walk Show and Sale, will be held on July 1, 2017 at Heritage Park, 5100-41 Ave Stony Plain. This art show and sale will feature local artists from Stony Plain, Spruce Grove, Parkland County and the Greater Edmonton area; and will be open from 10:00 am until 3:00 pm. The Stony Plain Art Walk is currently looking for local artists to reserve

a space for \$40.00 and have the opportunity to showcase and sell their original art work during the Town of Stony Plain's Canada Day Celebration. As this is the 5th year for the Art Walk, and the 150th birthday for Canada, we are hoping to find 50 local artists.

The Stony Plain Art Walk is proud to be running for the 5 year, with the support of the Town of Stony Plain, as an additional event for the annual Canada Day celebration. Attendees are invited to this event to not only support local artists, but to celebrate

the Town of Stony Plain's Canada Day activities including a Kids Zone, Live Entertainment, food trucks and of course, birthday cake.

For more information about the Stony Plain Art Walk, please contact Angela Watt, 780-221-0114, stonyplainartwalk@gmail.com or visit [www.stonyplainartwalk.com](http://www.stonyplainartwalk.com)

## WOODLANDS COUNTY AND WHITECOURT LEADING THE WAY FOR MUNICIPAL COLLABORATION ACROSS ALBERTA

**Submitted by Maryann  
Chichak, Mayor | Town of  
Whitecourt & Jim Rennie,  
Mayor | Woodlands County**

Woodlands County and Whitecourt have been selected by the Province of Alberta to complete an intermunicipal collaboration pilot project. Woodlands County and Whitecourt will develop an Intermunicipal Collaboration Framework, and the process and resulting documents will be used to create a template and guide for municipalities across Alberta.

The Government of Alberta, as part of its review of the Municipal Government Act, will be requiring all municipalities to prepare Intermunicipal Collaboration Frameworks (ICF). The frameworks will formalize how municipalities that share borders will manage growth, coordinate service delivery, and optimize resources for citizens. Funding has been awarded to Woodlands County through the Alberta Community Partnership Grant to manage and complete the project.

"Our Council is proud to have been selected for this grant as it ac-

knowledges the hard work of both the Town and County to work collaboratively on so many projects that benefit our residents," stated Woodlands County Mayor Jim Rennie. "While I know of many other communities who are dreading the work needed to complete the ICF project, we look forward to it, and believe many others will follow our lead on how to best make it work!"

Woodlands County and Whitecourt were selected because of their long and respected history of partnership projects and initiatives.

## Woodlands County And Whitecourt Leading The Way For Municipal Collaboration Across Alberta

Continued From Page 1

This project will further build on agreements already formalized, and provide continuous, seamless and enhanced services to the residents of both communities.

"We are thrilled that our municipalities will be one of the first to showcase our agreements under the ICF," added Whitecourt Mayor Maryann Chichak. "In accomplishing this, we continue to be a mentor and role model for communities across the province by providing templates on how good partnerships are formed, nurtured and expanded. We thank the Province for recognizing this and affording us this opportunity."

# ROCKY OF THE RAINFOREST MUSICAL COMEDY A SUCCESS

**Submitted by Wanda Pederson, Onoway Junior Senior High School**

On Saturday, March 17, OJSH presented Rocky of the Rainforest, a one-act musical. There was an afternoon matinee as well as a dinner theatre later that evening. OJSH Art teacher Mrs. Carolyn Walker was the executive producer and director of the musical comedy.

Five years ago, Mrs. Walker pro-

duced the play, Blue Suede Paws, and ever since that successful production, she has wanted to do another musical. Unfortunately, most of her experienced actors have since graduated. So, initially, for this new production, Mrs. Walker tapped actors from the group of students who had been in her choir for the last two years. This core group got other students excited about and involved in the play. Rehearsals for Rocky of the Rainforest began in November.

Because this was the first play most of the students had been involved in, Mrs. Walker also had to lead the way in showing them how to put together sets and costumes as well as the actual acting and singing.

Mr. Murray Galliford and his lighting and sound crew as well as Mr. Norm Lefebvre did the lighting and sound design for the production. It was a new and exciting experience for these veterans since the play was the first to be produced in the new OJSH theatre.

All told, the musical had an audience of about 60 people for the mat-

inee and about 100 for the dinner theatre. Mr. Galliford and his crew catered the dinner portion of the evening with a delicious roast beef and salmon supper.

Mrs. Walker said that considering most of the students were novices at acting, set design and set up, it was a great success that can be built on for future productions. She also gave a special shout out to grade 12 student Gabrielle Kramer, Mrs. Walker's stage manager, who she heavily relied upon and couldn't have done the show without.

**JOKE OF THE WEEK**

For weeks a six-year-old lad kept telling his first-grade teacher about the baby brother or sister that was expected at his house. One day the mother allowed the boy to feel the movements of the unborn child. The six-year old was obviously impressed, but made no comment. Furthermore, he stopped telling his teacher about the impending event. The teacher finally sat the boy on her lap and said, "Tommy, whatever has become of that baby brother or sister you were expecting at home?" Tommy burst into tears and confessed, "I think Mommy ate it!"

## EDWIN PARR NOMINEE 2017

Tessa Barrass, Grade 3 teacher at Whitecourt Central School (WCS), demonstrates a deep understanding of student learning styles and is passionate about student engagement. Mutual respect and understanding are key elements in Tessa's classroom where students are encouraged to build relationships with all other students regardless of culture, beliefs, gender or ability level.

As a first year teacher, Tessa has been an active participant in NGPS' Beginning Teacher program. She

participates in the Grade Three Learning Network, including extensive work with our division Math Consultant, Geri Lorway. An enthusiastic member of the school community, Tessa planned the school's Jump Rope for Heart activity this year and is a regular volunteer in WCS's Breakfast Program and Lunch Clubs.

In her own words, Tessa loves to see kids grow and progress in their learning:

"The students make my job easy. Just seeing them succeed is reward enough. This nomination is an honour because it says to me that I am doing right by my students."

Tessa maintains a successful balance between being firm and being caring. She recognizes when students are in need and demonstrates a keen awareness of underlying issues

that they may be experiencing. Her efforts have not gone unnoticed by students who know that they can always count on Miss Barrass for a chat or extra moment if they are having a difficult day.

Congratulations Miss Barrass!

"Tessa's energy and enthusiasm are contagious and refreshing and her love of teaching is evident daily!" WCS Principal, Tammy McKeever

"Miss Barrass is a dedicated first-year teacher with a demonstrated ability to connect with her students and their families in an effective and supportive way. Her creativity and commitment make her a strong advocate for student success and an asset to both her school community and to NGPS." NGPS Superintendent, Kevin Andrea

# WHITECOURT TOWN COUNCIL UPDATE

Submitted by Tara Galant, Legislative Manager | Town of Whitecourt

April 27, 2017

The 2017 Budget Report is now available online. The report provides details on the budget, how property taxes are calculated, and how tax dollars have been allocated for 2017. Property owners can expect to receive combined assessment and taxation notices in mid-May. If you have questions about your tax notice, or the 2017 Budget, please contact the Town Office.

Whitecourt Town Council approved the 2016 Financial Statement for the year end of December 31, 2016. A presentation was made by the Town's auditor, Curtis Friesen from Hawkings Epp Dumont LLP, who reported that the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Town of Whitecourt as of December 31, 2016.

Whitecourt will be conducting FireSmart activities in the hilltop area near Chickadee Drive, Fee-

ro Drive and Baxter Crescent this summer. The work is funded by the Forest Resource Improvement Association of Alberta (FRIAA) and the project will treat more than 53 hectares of land. The project, which has been awarded to Wide Open Slashing, has come in under budget, and Council has authorized additional work up to the approved grant amount at the per hectare rate. Whitecourt is also working to update the FireSmart Mitigation Strategy. The draft document was presented for Council's information, and will be finalized later this year.

The Town of Whitecourt is preparing for the upcoming October 2017 Municipal Election. Similar to previous elections, Whitecourt will be offering special ballots, an advance vote and institutional voting. Information on the 2017 Municipal Election can be found online at [www.whitecourt.ca](http://www.whitecourt.ca). Amendments have also been made to Bylaw 1487 – Automated Vote Counting System.

Council has renewed the contract for skate sharpening services at the

Scott Safety Centre with Raw Edge Pro Shop for two years, and has also entered into a two year agreement for the Scott Safety Centre Restaurant/Concession with QK3 Holdings and Catering by Mama Gray's Kitchen.

Based on feedback received from local developers, Whitecourt has amended Policy 61-003 Development Agreement. The changes to the security requirements will not only protect the Town, but will also allow developers flexibility with cash flow. Feedback on the policy was received at an open house held in March 2017.

Whitecourt will be participating in the 35th Annual Whitecourt Trade Fair hosted by the Whitecourt & District Chamber of Commerce. Whitecourt will be encouraging residents to prepare a 72-hour emergency kit, and will also be promoting FireSmart activities. Be sure to stop by our booth in the Scott Safety Centre on May 12, 13 and 14.

Councillor Bill McAree has been appointed Deputy Mayor from May 1 to August 31, 2017.

# MLA APPLAUDS ALBERTA NDP BUDGET 2017

## "IT GETS RESULTS FOR RESIDENTS IN WHITECOURT-ST. ANNE"

Submitted by Hon. Oneil Carlier, Whitecourt-St. Anne

Oneil Carlier, MLA for Whitecourt-St. Anne and Minister of Agriculture and Forestry, celebrates the infrastructure being built thanks to the Alberta NDP government's budget and commitment to making life better

for Albertans.

"I'm thrilled to see new funding for Gunn's McCullough Centre", says Minister Carlier. "This is an incredible organization that provides support, 24 hours a day, seven days a week, for homeless men who struggle with complex mental or physical issues. Ensuring stable funding for the McCullough Centre is critical for those who rely

on its services. I'm proud to be part of this government that is working to help all Albertans—including the most vulnerable."

Also included in Budget 2017 is money for several highway preservation projects in the Whitecourt-St. Anne constituency in areas along Highways 16, 22, and 32. Improved road conditions will mean safer high-

ways for travellers and residents.

"As our economy recovers, we will keep a steady hand and continue to make lives better for Albertans," adds Minister Carlier. "Our government's investment in infrastructure will support long-overdue projects, put people to work in my constituency of Whitecourt-St. Anne during construction and will boost the local economy."

# MAYOR CHICHAK MAKES BIG PUSH AHEAD OF CRITICAL FEDERAL BUDGET

Submitted by Tara Gallant, Legislative Manager | Town of Whitecourt

Budget 2017 needs to empower communities like Whitecourt.

Whitecourt Mayor Maryann Chichak joined municipal leaders from across the country last week to cap a historic effort to show the federal government that the key to building a better Canada with Budget 2017 lies in empowering cities and communities of all sizes.

Mayor Chichak met with fellow Board members from the Federation of Canadian Municipalities (FCM) in Whistler, BC, to discuss the federal budget which will be released today. Their meeting follows two years of unprecedented dialogue between FCM and senior federal officials, cabinet ministers and the Prime Minister. At every step, the FCM Board of Directors has delivered a clear message: municipal leaders are ready to deliver cost-effective local solutions to national challenges—including jobs, growth and emission reductions.

"The road to a better Canada runs through our communities," said Mayor Chichak. "It's in our communities where we can build more affordable housing and spur economic growth - if this budget delivers the right tools."

FCM's recommendations for Budget 2017 include predictable, long-term allocations to launch the next era of public transit—with reasonable cost-sharing so local fiscal limits don't hamper progress. FCM is also calling for major investments to tackle Canada's housing crisis by protecting social housing and building new affordable homes. Lastly, the municipal leaders are calling on the federal government to support local green innovation and to implement a plan to spark economic growth in rural, remote and northern communities.

"When municipal leaders have a seat at the nation-building table, it's Canadians who benefit," said Mayor Chichak.

The Federation of Canadian Municipalities (FCM) is the national

voice of municipal government, with nearly 2,000 members repre-

senting 91 per cent of the Canadian population.

# ALBERTA BEACH AND DISTRICT MUSEUM AND ARCHIVES SOCIETY ANNUAL REPORT FOR 2016

Submitted by Leann Knysh

2016 was extremely busy. Operating by the dedication of many volunteers who oversee all functions of the Heritage Village Park from fundraising, project overviews, construction, restoration, hosting a table at the Farmers Markets, running a Meat Draw Raffle at the Alberta Beach Hotel every Saturday, Collection and Curating, Preservation and reports and general cleanup and maintenance of the buildings and site. The Heritage Village Park is open to the public from July 1 to the September long weekend, 6 days a week. While closed for the winter, the

members busy themselves with what lies ahead to ensure we are viewed as a valued tourist attraction and historical learning facility in our community. Funding for the Alberta Beach Museum comes solely from the Fundraising efforts, Grants and Donations.

Looking back on last year's accomplishments:

- Seniors Interviews (ongoing discussions and integration of a program forthcoming to compile and complete this endeavor) The end goal is publishing another history book based on Seniors Interviews and Stories
- Continuation Plank Plaque Program

and Picture Blocks as fundraising effort

- Continuation of Scavenger hunt which has been hugely successful with the children to get them involved in the history of the area.

- Acquisition and restoration of the ORR House

- New installation of the RR Crossing Donation Box at the gate

- Finishing the boardwalk

- Community Awareness

- Completion and Grand Opening of the Red and White replica store 225 People attended

- Update and maintain the Alberta Beach Museum Facebook page and Web-

site

- School and Senior Private Tours
- 40th Anniversary Of Incorporation Party

- 100 Anniversary of Alberta Beach Celebrations on site

- Raffles both Spring and Xmas

- Xmas Volunteer Dinner at Golf Course

- Acquisition and record keeping of artifacts and accessioning

- Farmers Market Table – every Sunday from Mothers day to October and one Xmas one in December

- Meat Draws – 50 meat draws held every Saturday at the Alberta Beach Hotel

- Poly Days Parade Entry

- Flag Poles and Flags to be installed at our sign entrance and on the fence at Heritage Park

- Donations and Grants (private donations received this year as always as well as grants received from Canada Works and FCSS)

- We have 1124 recorded visitors through the park in 2016. We recorded 1883 volunteer hours as well. It is important to note that both of these figures are a bit skewed as it is impossible to count every person that enters as it impossible for every hour of volunteer time to be counted.

We grew the membership again this past year which we are so grateful for as we need new people with new energy and ideas to help keeps us operating. The many volunteers are to be recognized for all they do such as grounds keeping, general building maintenance and clean up, project management, administration work, Farmers Markets, Meat Draws and general work. Thanks to all those members who helped on a more than regular basis. Thanks also to some of the public such as Delores Hager for the decorating of the facility for the many events we hosted this year and wrapping the raffle baskets, thanks to Dave's Painting for volunteering his expertise in restoring the look of our buildings and for getting Cloverdale Paint to donate the materials. These people take time every year to help us and we are forever grateful for their expertise and community spirit.

Things to Accomplish in 2017:

- Signage for added community awareness

- Casino May 17 and 18th

- Seniors Stories

- Grand Opening of the Orr Cottage ("Ayerbank Cottage" as it will be named)

- Flag Poles

- Landscaping completion

- Celebration of Canada's 150th year anniversary

- Poly days Parade, Fundraisers (meat draw, plaques, block, farmer's markets, raffles)

We all look forward to 2017 and see that the list of things to do is getting shorter. We can then concentrate on Historical Programs and community awareness.

# DRUNK & DRUGGED

## IT'S YOUR DUTY TO REPORT AN IMPAIRED DRIVER

### TIPS TO SPOT AN IMPAIRED DRIVER

Drivers who are impaired by fatigue, drugs, alcohol or other distractions such as cell phones, are a danger not only to themselves, but also to the innocent drivers around them. If you witness any of the behaviors below, call 911 and tell the operator that you are calling to report an impaired driver. Be prepared to describe the make, model, color and license plate number of the vehicle, and provide its exact location.

#### Signs of impaired driving include:

- Failure to turn on headlights at night.
- Illegal or sudden turning.
- Turning within an unusually wide radius.
- Nearly striking other cars or objects.
- Sudden or erratic braking.
- Drifting, swerving or weaving.
- Driving with the face close to the windshield.
- Drinking alcohol in the vehicle.
- Driving much slower than the posted speed limit.
- Rapidly accelerating.
- Tailgating.
- Driving in the middle of the road, or with the left tires on the center line.
- Responding slowly to traffic signals

# BULLYING

## Tips for Dealing With Bullying

- 1) Take complaints of bullying seriously. Do not dismiss your child or expect your child to work through the situation alone.
- 2) Praise your child for reporting bullying situations to you and assure your child you will take action.
- 3) Talk to your child's teacher, counselor, or other caregiver about reports of bullying.
- 4) Work together to address the bullying situation. Don't confront the parents of the bully directly.
- 5) Ask your child specific questions about how your child is treated by peers, who he or she eats lunch with, and how other children are treated.
- 6) Teach your child to be assertive. Your child should be able to express feelings and needs clearly, without shouting or other aggressive behavior.

- 7) Provide opportunities for your child to make friends. Identify some of your child's interests and encourage your child to pursue them through sports, clubs, or other group activities.
- 8) Teach your child to identify bullying behaviors. These include hitting, damaging possessions, threatening, name calling, & excluding someone.

# RURAL CRIME AWARENESS

Protect machinery from theft by leaving valuables locked in a shed or storage facility and by marking equipment with your drivers licence and province of issue (an engraver can be borrowed free of charge from most local police detachments).

Protect livestock by checking herds regularly and keeping accurate records of livestock born, sold or purchased.

"Grain Fette" or "Grain Guard" is a unique approach to identifying your crops. Small bits of paper, each one imprinted with your special code number, are mixed with grain as grain is being augered into the storage shed. This is approved by the Canadian Grain Commission. The paper used is also digestible in animal feed.

Utilize the Report-A-Poacher Program. Their toll free number is 1-800-642-3800.

Rural Crime Watch Members are concerned citizens who are watchful for unusual activity in their community. They record information on suspicious people and vehicles and pass it along to local police. Join together with your neighbours to install a crime watch program in your area. Do not approach suspicious individuals on your own.

## SANGUDO HORTICULTURAL CLUB NEWS

Submitted by Brenda Ogden  
| Sangudo Horticultural Club

At our April 24th meeting Amy Kremeniuk from Greenthumb Greenhouse, north of Evansburg, showed us how to plant succulents

in containers:

It's good to have drainage eg. holes in pots or line with a layer of sand (1.5" deep, coarse sand best.) She uses ordinary potting mix, can add some sand to the mix. Succulents are pretty forgiving, they take a long

time to outgrow a pot. When arranging them in a pot plant the biggest one first. Add moss, rocks, or sand to give the pot a finished look. Succulents like to be on dry side, water once a month, don't put in full sun, they can thrive in indirect sun. It is easy to propagate new plants from succulent leaves by putting a fallen leaf of one sideways on top of some moist potting soil. The leaf will take some time to grow roots. You would then plant it into the soil. And voila, you have increased your number.

Amy orders from many suppliers, in order for her to have a wide variety, they come from many places including BC, Ontario, and Morinville (High Q).

New in petunias- There are many types of petunias beyond the Wave series which are well marketed. Amy has 20 different colours of petunias in greenhouse. She nev-

er deadheads them (does not have time!) and the new cultivars rarely set seed. Her recommendation is to fertilize well for good results. Amy has used Nature's Source for 4 years with good results. She applies it every time she waters. "We have a short window of time for blooms, if you want full vigour you have to fertilize." If you find your plants have few flowers in the centre pinch back the outside shoots.

'Citrus Twist', from Crazytunia-tend to get taller rather than spread out, in a 12" hanging basket uses 3 plants

'Blackberry Cheesecake', same growth as Citrus Twist

'Miss Marvel' from Sweetunia, trail & mound like the 'Bubblegum' petunia in the Vista series. Amy recommends using 3 plants for a whiskey-barrel sized planter, only 1 in a 12" pot. Good in a pot or a bed, has

lots of fill & spill, but not a lot of height.

'Sweet Flash' from Sweetunia – a nice orange colour which has been hard to get in petunias.

'Night Sky' and 'Pink Sky' from Selecta, have speckles.

-Calibrachoa; sold as Million Bells, Mini-Famous and other suppliers. Can be trailing or mounding. Amy likes the compact and mounding types. No deadheading is needed. Aphids love them.

Amy had several cultivars to display, including 'Pink Strike' and a new double for 2018 'Orange Strike' which looks very nice in combination with red flowers.

-6 upright geraniums, 2 ivy geraniums,

-verbenas have to be pinched back. 'Vintage' from GoldFisch is an upright cultivar.

- 'Black & Bloom' salvia has the elusive true blue colour. Smells

nice, pinch once finished blooming.

-Container plantings usually have accent plants (thrillers) and trailing plants (spillers). For the plants to fill (fillers) pots Amy recommends buying the less expensive sixpacks to add colour and texture eg. aster, verbenas, and petunia.

-Amy starts all of the vegetable transplants she sells. She has a good selection of herbs

-pineberry- an old type of strawberry. Has white flesh and red seeds. It needs 2 plants to bear fruit, Amy has not had it overwinter.

-Delosperma is a great drought tolerant, low-growing plant.

-Amy carries more than your regular annual plants in her greenhouse. She brought in some Venus flytrap plants, some mushrooms in a grow bag and some air plants. Air plants are a slow growing plant that doesn't require soil to grow in. They do need moisture however, and the

whole plant must be soaked for four hours a week in untreated water, preferably rain or snow melted water.

The Horticulture Club's trial plant of the year is the Tomatillo. Two plants are needed to cross pollinate each other to produce fruit. They are related to tomatoes. They can be buried deep when planted. Used to make green salsa.

Our next meeting at the Sangudo Golden Age Club (4927-50ave) address will not be until September 25 2017. We have our May cleanup on the 22nd. The meeting place is at the tourist information booth in Sangudo at 630pm. In June we are going to have a Solstice Day Party and July will see our tour dates start up. There are no meetings scheduled for the months of July and August. Some other dates that were mentioned during the meeting that may be of interest to gardeners were:

• Pruning workshop- Thursday, May 11 9:30am-12:30pm. In Sangudo. Pre-register with the County.

• Magnolia Joy of Gardening workbee at Pegg Garden, Thursday, June 1, 9am to noon. Everyone welcome

• Annual Pegg Garden Bird Count + Plant Swap & Sale. June 4, Sunday, 9am to 1pm

• 5th Annual George Pegg Art in the Garden Show & Sale- June 18, Sunday, noon to 5pm

• Make & Plant a Rustic Succulent Container- George Pegg Garden- Thursday, July 13.

Our annual plant sale will be at the Sangudo Golden Age Club (4927-50ave Sangudo) on May 12th from 11am until 2pm.

We will have the usual selection of annuals perennials and edible plants. Members of the club will be selling the plants and also be on hand to answer questions.

# AWARENESS TEAMWORK ACTION

**That's what it takes to help prevent crime. During Crime Prevention Week, do what you can to keep your home, neighborhood and workplace safe.**

## When away from home for extended periods:

Install timers on a few inside and outside lights.

Hold mail and newspaper delivery or donate it to a school or hospital.

Have a trusted friend or neighbor look after your home.

## Around the house:

Do not leave tools or ladders outside your home.

Make sure external doors and frames are sturdy. Steel or 1 3/8"-thick wood is preferable.

Installing a security system can add extra protection against crime, fire or accidents.

## In the neighborhood:

Join a neighborhood watch committee, and ask local law enforcement for assistance.

Get to know your neighbors. It will instill a sense of community and help everyone feel safer.

Report any suspicious neighborhood activity to the police.

# INVESTMENT FRAUD

## Tips on how to avoid investment fraud:

1) Investigate before you invest. Ask a lot of questions. Make sure there is a market for your investment. Ask the seller for references and accounting statements. Find out if a government or industry regulatory body supervise the seller. 2) Be wary of unexpected phone calls, letters or visits from strangers who offer get-rich schemes. 3) Be wary of exaggerated claims of profit in a short period of time. Ask about how you can sell your investment when you decide to seek your investment return. 4) Be cautious when someone offers you a time limited investment opportunity and demands that you invest on the spot. Don't make snap decisions. If it's good now, it will be there tomorrow. 5) Beware of claims that there is little or no risk. All investment opportunities involve some risk. Never invest money you cannot afford to lose. 6) Beware if you are told you were chosen as one of only a few potential investors. 7) Beware when someone hesitates about promptly delivering the goods or services in which you invest. 8) Beware if you are given only a glossy brochure about the company. Always ask for a prospectus and other professionally prepared disclosure documents, especially when investing in securities, such as stock in a company. And make sure you read the small print. Some stocks cannot be resold without the permission of the directors of the company. The information you are given should tell you about the stock and the company issuing it. 9) Before making a commitment, get a professional opinion. Ask about your advisor's qualifications. If necessary, phone the government department or industry association that licenses or registers him or her. Confirm that the individual is qualified to advise you. 10) When in doubt, don't make promises or commitments. It's better to be safe than sorry! Remember, the golden rule to investing: If it sounds too good to be true - it probably is!

# TIPS TO STOP SCHOOLYARD BULLYING

- Take it seriously. It's easy to say, "Kids will be kids" and assume it will pass. But if your child is coming home upset and is suddenly anxious about school because of the way a kid (or kids) are treating him, you should pay attention.
- Drop your kid off at school or stand on the sidelines during recess. Bullying tends to occur when adult supervision is lacking, so before school or on the playground at recess.
- Talk to other parents. Young kids are talkers. If you're friendly with a parent in your kid's class, ask them if their child has mentioned anything about kids being picked on at school.
- Tell the teacher. It's really important to let your child's teacher know what your kid is telling you -- especially if someone is getting hit.
- Empower your children. Let your kids know that it's not their fault that they are being bullied. Teach your kids to focus on their own behavior.

# ABDUCTION IS NOT A GAME

**DON'T  
TALK TO  
STRANGERS!**

## Tips about Strangers

A stranger is anyone you don't know. There is no way to tell by the way a person looks if they are dangerous or not. A dangerous person does not always look mean or scary, so judging by the way people look is a mistake. It's not so easy to tell who is okay and who is not. Just because someone looks nasty doesn't mean that they would hurt you and just because someone looks nice, doesn't mean that they are a nice person.

There is only one person that is with you all the time and can be responsible for keeping you safe at all times. **THAT PERSON IS YOU!** Safety rules need to apply ALL THE TIME, not just when someone who looks bad or scary is around. One of the most common ways that kids get hurt by strangers is when being friendly and helpful to adults who pretend to need help. When you are without your parents or other adult you know, it is your job to protect yourself. It is not your job to offer help to any adults, even if they ask! A grown-up who needs help should get help from another adult, not a child. So remember, looking out for yourself is your biggest job when you are not with your parents or another adult, so you have permission to ignore or refuse adult requests for help.

## Stranger Tips:

- Walk and play with others and use the buddy system. If you walk somewhere, walk with other children.
- Adults do not usually ask children for directions or help, they should be asking other adults. If someone in a car should stop to ask for directions, you should not go near the car.
- Stay an arms reach or more away from strangers. Stand up, back up and run to someone who can help you if you feel afraid.
- If someone is following you on foot or in a car, go to a place where there are other people--to a neighbor's home or into a store, a police station or even a library for instance--and ask for help.
- No one should ask you to look for lost items such as a "lost puppy" or tell you that either of your parents is in trouble and that he or she will take you to mom or dad. If someone tells you this, run the other way immediately and find help with an adult you know or run into a safe place you know.
- Never go near a car with someone in it or get into a car without your parents' permission. You should learn whose cars you are allowed to ride in.

# GOLFER'S GUIDE

## HOW TO AVOID INJURIES ON THE GOLF COURSE THIS SUMMER

(NC) For even the best of us golf can be a frustrating sport. The precision, patience, resiliency, and mental strength required challenges even the most tal-

ented and level-headed participants. With that being said golf is one of the most popular Canadian summer past times and is enjoyed by Canadians of all skill

levels. While golf will undoubtedly test our mental strength, it can be even more taxing on our bodies. The constant bending over, repetitive swing motion, and hot weather conditions take a physical toll.

Here are some tips to help prepare your body for a round of golf and avoid injury:

Find your swing: It is very easy for amateur golfers to injure themselves by repeatedly doing an incorrect swing. Everyone's swing is different, but it is important to work with a swing that benefits our game and body. Consulting with a professional before hitting the links will help develop our game and avoid injury.

The right equipment: Wearing

proper golf attire goes beyond simply looking the part. Your playing partners will be intimidated when they see you strut to the tee box looking like Jordan Spieth; that is until you flub your first drive 20 yards right into the water. Wearing soft spike golf shoes gives you greater shock absorption and cushioning. This helps your back in both the short and long term.

Preparation: Always make sure to stretch your muscles prior to and after a round of golf. We may be in a rush to reach the 19th hole, but it is important to cool our muscles down after a strenuous round.

# GOLFER'S GUIDE

# HELP KIDS LEARN THE GAME OF GOLF

Adults who play golf know just how fun and frustrating the game can be. Whether you're a veteran golfer or someone just learning the links, golf can be challenging.

But as exacting as the game can be, it also can be just as rewarding, even for kids. Children who embrace the game of golf will learn a host of lessons they can apply in all facets of life. A humbling game even for professional golfers, golf can teach kids lessons in humility and the value of persistence even when things aren't going your way.

Golf is also a great way for parents to get kids off the couch and outdoors for some fun in the sun. Instead of spending summer afternoons in front of the television, kids who play golf are out patrolling pristine golf courses while getting some cardiovascular exercise along the way. Golf can also strengthen a child's hand-eye coordination, which can help them in other activities, including many different sports.

Though many people do not begin playing golf until they've reached adulthood, it's never

too early for boys and girls to start learning the game of golf. Parents of preschoolers can start their kids off with a toddler play set. Though it's just a toy, a play set can help lay a solid foundation for future golfers. Kids who have watched Mom and Dad play golf or practice their swing can develop their own swings on their play set.

As kids approach school age, don't overlook the nearby putt-putt or miniature golf range as a valuable teaching tool. Miniature golf clubs are small enough for many children to use comfortably, and kids can use miniature golf courses as a place to put any lessons or advice on putting to good use. What's more, a miniature golf course is more than just golf, with creative courses and other fun activities, so kids won't feel overwhelmed with golf.

When kids move on from preschool to elementary school, some might want to tag along with Mom or Dad to the driving range. You should try to avoid overwhelming kids with too much instruction or information.

Instead, keep things as simple as possible, teaching them the basic swing and encouraging them no matter how quickly they adapt.

As kids enter middle school and approach high school, those who are enjoying the game of golf can take advantage of the driving range if they haven't already begun to. A driving range typically has markers that indicate the distance of a regular hole, regardless of which tee you will play from on an actual golf course. Kids can aim for holes at shorter distances to learn how far their drives are going. You can then adjust the lessons you teach your children based on how far youngsters can

drive the ball.

As a child gets closer to high school, you might want to buy the child his or her own set of clubs. Look for inexpensive clubs (oftentimes, thrift stores or other secondhand retailers have clubs for sale) because growing children will eventually grow out of their first set of clubs. When your child finds a set of clubs that suits him or her, teach the proper way to swing and consider signing up your son or daughter for lessons. Those first few lessons can prove invaluable, turning a pastime into a passion kids will carry with them throughout their lives.

# How To Avoid Injuries On The Golf Course This Summer

Continued From Page 22

Carrying your bag: Lugging your golf bag around the course adds a lot of unnecessary stress to your body. Elect to either drive a golf cart or else push your pull your bag using a golf bag cart.

**Hydrate:** Hydration is fundamental to success and safety in any sport. This is magnified when we are playing an outdoor sport during the summer. Drinking water helps decrease your risk of injury and fatigue when on the golf course.

# GREETINGS FROM THE ONOWAY LEGION

**Submitted by Lorinda McCool | Onoway Royal Canadian Legion**

Monday May 1, 2017

"People have asked why the Legion is not only for Veterans. It is through our membership that we are able to do the great work we do across Canada, and it was Legion Veterans who voted to open membership to their spouses, brothers, sisters and family members to grow the organization. As our WW1 Veterans passed away, and our WW1 and Korean Veterans pass away, there are not as many Veterans available to take on the essential

roles they contributed to the Legion. We welcome all Canadians to join and stand beside our Veterans in the Legion and continue to provide the supports our Veterans of yesterday and today need". (Source – The Royal Canadian Legion Dominion Website)

The raffle tickets for our Mexican themed basket are still for sale and the draw will take place on Saturday, May 6th at the Seis De Mayo party which is open to the public. We are featuring a Chili cook-off contest as well as Mexican refreshments, Mexican music, horse races and tacos available for purchase. We encourage everyone to dress in

Mexican costume to fully participate in this fun-filled evening. The Legion will open at 3:00 pm.

Friday Night's Meal on April 21st featured Chicken Cordon Blue and was completely sold out. Bob C., Ron W., Mary R., Marcelle J., Lynn R., Charles H. and Terry C. kept very busy in the kitchen preparing supper and doing dishes while Louise B. and Terri S. looked after customers at the bar. Submitted by Art Brochu: "What a great night the Onoway Legion put on last Friday. The dinner was just great Bob, thank you and Scott, you and the staff were the very best host. The Legion held their dinner, 50/50 draw, and al-

lowed Art Cycles Alberta for Wishes to hold a silent auction to help raise awareness and donations for the Children's Wish Foundation, a foundation that was started in 1984 and since that time has awarded 30,000 wishes to families that have a terminally ill child. I have seen firsthand the healing power those wishes have on the children and their families. The silent auction raised \$910.00 with another \$90.45 in donations, so just over \$1,000.00 in total. We want to thank the Lac St. Anne Cadets for all their help as well. A very special thank you to everyone within the area for all the silent auction items and community support as terminally ill children affect the communities as a whole and we all need to come together to help and support those families in their time of need. Art Cycles Alberta for Wishes, 780-975-3541; abrochu@telusplanet.net". The Legion would like to thank the table cleanup crew of 3053 Cadets Tyson Ouelette, Evan Sauve, Connor Shatosky, Brayden Tobin and Colby Lender as well as Girl Guide Mother Emily Dallon with daughters Lilly and Abigail. Lucky draw winner Kim Read won both the free meal voucher and door prize, Val O'Toole the meat draw and Ron Hucal the 50/50 draw.

# 2017 BUDGET APPROVED

**Submitted by Tara Galant, Legislative Manager | Town of Whitecourt**

Whitecourt Town Council approved the final 2017 Budget. The budget, valued at just over \$55.1 million, requires a 2.47% change to municipal mill rates for both residential and business properties.

"Preparation of this budget involved balancing the need to increase our efficiencies while at the same time meeting the demand for enhanced programs and

services," remarked Whitecourt Mayor Maryann Chichak. "With input from various stakeholders, I believe we have found that balance in the 2017 budget that allows us to maintain and enhance service levels for today, as well as plan and prepare for growth in the future."

Budget highlights include:

- The 2017 Capital Budget totals \$17,587,419.
- The 2016 Operating Budget totals \$37,571,483.
- Revenue from taxation totals \$13,235,497; accounting for 24%

of the municipality's total revenue.

The 2017 Budget was guided by public input, and the Town of Whitecourt worked to actively engage residents, business owners and Committee Members throughout the budget process. Whitecourt appreciates the feedback provided by the public during the online budget survey and at the budget information open house event.

The opinions received were incorporated into the deliberation process.

"During budget preparations our residents and business owners remained, as always, the top priority," added Mayor Chichak.

The Town of Whitecourt publishes an annual budget report to help increase local understanding of projects and initiatives planned for the year, and residents' knowledge of where municipal tax dollars are spent. The report will be available on [www.whitecourt.ca](http://www.whitecourt.ca) and municipal social media sites at the beginning of May after the Tax Rate Bylaw has been adopted by Town Council.

## SPRING IS HERE

**Submitted by Tara Galant, Legislative Manager | Town of Whitecourt**

The Town of Whitecourt's Water Treatment Plant is dealing with an unusually high amount of organic materials in the water due to increased spring runoff into the McLeod River.

Spring runoff refers to the high water flows encountered when warmer temperatures cause snow in the watershed to melt. This melt-water will carry with it organic material, such as leaves and grasses, as well as mud and silt that is stirred up by increased stream flows. Each spring is different, but on average, runoff conditions will last for between three and six weeks, depending on ambient temperatures.

Whitecourt's water undergoes rigorous testing to detect organic and inorganic substances that occur naturally in our river systems. The treatment process removes most of the colour, but residents may notice a slight discolouration in the water. Colour in the water can occasionally give our water temporary earthy or musty flavours or odours, however the taste/odour has no health impacts. The water that leaves the Whitecourt Water Treatment Plant meets and exceeds all Provincial standards, and the water is safe for all to use and enjoy.

If you have any questions about the Water Treatment Plant please contact Nick Sloomweg, Manager of Utilities, at 780-778-4093.

# EIGHT YEAR GIRL ASSAULTED BY UNKNOWN MALE

**Submitted by Stony Plain/  
Spruce Grove/ Enoch RCMP**

2017-502233 - On April 28, 2017, at approximately 4:00 PM the Stony Plain/Spruce Grove/ Enoch RCMP received a reported that a young girl had been assaulted by an unknown male while playing near her home.

Eight and nine year old girls were

playing on the sidewalk near 51st street and 54th avenue when an unknown male walked by pinching the buttocks of the eight year old. The male did not say anything to the girls and proceeded to walk south bound on 51st Street and was last seen walking west bound on 54th Avenue in the town of Stony Plain.

The victim was not harmed. The

suspect is described as follows  
Suspect:

- Age: unknown
- Race: Caucasian
- Height: approximately 5' 10",
- Weight/build: Slim build
- Hair color: dark
- Style: chin length curly hair
- Facial Hair: short dark beard
- Clothing: blue shirt, possibly a

hoodie, and either black or blue pants.

Police are currently investigating this matter and are seeking the public's assistance. If you have any information about this please call the Stony Plain RCMP Detachment at 780-968-7267 or if you want to remain anonymous, you can contact Crime Stoppers by phoning 1-800-222-8477.

# 2016 WAS A GOOD YEAR FOR THE GUILD

**Submitted by Yvonne  
Slemko, Onoway and Dis-  
trict Historical Guild**

Onoway and District Historical Guild was formed 14 years ago by a very diverse group of local residents who were interested in preserving Onoway's history. At its recent annual general meeting, Guild members felt comfortable in saying, "We've come a long way!"

The Onoway Museum and Heritage Centre continues to be well used by many community organizations as well as for family gatherings and workshops. 41,756 people

used the facility in 2016.

Maintaining the aging building is a major concern for the Guild. Several areas of the building were painted in the past year, lighting replaced in the museum, repairs made to the washrooms. Many renovations were made to a classroom that is now a kitchen which meets commercial standards. Replacing the ancient shingles of The Old Brick School is the #1 repair/maintenance priority for 2017.

The Exhibits Committee created five exhibits for the display case in the Heritage Centre and has made many changes in the exhibit rooms

and hallway of the museum. Stop by the museum and learn all about businesses that have thrived in Onoway over the years.

The 10th annual threshing bee was held at a new location on Gordon Adam's farm; it will be held there once again on September 23rd. Programs especially designed for school classes (experiencing the 1922 classroom, making butter, washing clothes by hand) were very well received by local schools and home schoolers. Summer programs for children were offered for the first time in 2016.

The collection of artifacts for the

museum and documents for the archives continues to grow and slowly, slowly, the information is being input in the database. It has become very easy to find some "thing" or some person or organization simply by searching the database.

Hazel Bourke, re-elected as president, expressed her appreciation to all the volunteers whose different strengths have enabled the museum/Heritage Centre to operate so well. She encourages other community members to come see what happens and to join the team.

# THEFT OF PLYWOOD

Submitted by Morinville RCMP

File Number: 2017-249152

On February 28th, 2017, a theft occurred at Sturgeon Composite High School. A banded and wrapped lift of plywood, valued at over \$3000, was stolen from a compound located at the school.

The surveillance from a neighbouring business shows a white truck pulling a single axle flat deck trailer entering the East entrance of the school at approximately 11:00 p.m. The

truck is believed to be an early 2000's GMC or Chevrolet with black trim and aluminum box rails. The truck stayed at that location for approximately 15 to 20 minutes before backing the trailer into the compound. It was parked in that position for another 20 to 25 minutes before departing the area.

If anyone has any information regarding this vehicle and similar thefts, please contact the Morinville RCMP at 780-939-4520, or call Crime Stoppers at 1-800-877-TIPS (8477).

# REAL ESTATE AND MORTGAGE FRAUD

## Tips to Protect your Real Estate Investment Dollars

- \* Consult public real estate websites to review property listings in the community where the property is located. Compare features, size & locations to establish if the asking price seems reasonable.
- \* Get independent representation for your purchase. If the seller objects, consider it a red flag.
- \* Check to make sure your representative is a licensed real estate agent. Contact your local Real Estate Board or the Real Estate Council of Alberta. Using a licensed real estate agent does not cost anything from a purchaser's standpoint. Usually all commissions are paid by the seller.
- \* Beware of a real estate agent or mortgage broker who has a financial interest in the transaction.
- \* Ask your independent representative to provide you with a comparative market analysis of the property.
- \* Ask for a copy of the land title or go to a Registry office and ask them to do a historical title search.
- \* Insist on a home inspection to guard against buying a home that has been cosmetically renovated.
- \* When you make a deposit, ensure your money is protected by being held "in trust".

## Red Flags to Watch for Mortgage Fraud

- \* Someone offers you a fee to use your name and credit information to obtain a mortgage
- \* You are encouraged to include false information to a loan application
- \* You are asked to leave signature lines or other important areas on a loan application blank
- \* The loan amount on the mortgage is significantly higher than the value of the property
- \* The mortgage has been refinanced several times and each instance, the amount of the mortgage has increased
- \* The seller or investment advisor discourages you from seeing or inspecting the property you are offering to purchase

# CHILDREN ON-LINE

## SOME TIPS FOR CHILDREN ON THE NET

1. Do not use login names or nicknames that will reveal age or gender.
2. Never give out personal identification including friends, addresses, school activities, passwords or real names
3. Everyone is a stranger. Identities can be hijacked or passwords compromised so even your "best friend" online might not be who they say they are.
4. Everyone lies. While this might not be true, it is easier to assume that it is true and to act accordingly.
5. The Internet is NOT secure. It is a shared resource. Email is about as secure as a postcard; Chat is about as private as having a phone call with your parents listening in on the other extension.
6. The people who would harm you have often had lots of time, experience and knowledge on how to trap you. You are an amateur compared to them. They will do everything they can to trick you into trusting them.
7. Do not agree to meet anyone offline.
8. If you are even a little bit suspicious, talk to your parents.

## SELF DEFENCE

1. Computers used by children should be placed in a supervised area with the screen facing outwards.
2. All computers that can connect to the Internet should have Anti-Virus Software installed and updated at least weekly, if not daily.
3. All computers that have a dedicated connection (cable/dsl) should also have a firewall device or firewall software installed to block intruders.
4. Never open attachments unless they have been scanned. If you do not know the sender, attachments should be deleted.
5. Use passwords to secure your computer even if you are the only user. If the computer equipment is stolen, all your information could be compromised. Change your password regularly.
6. Disconnect your network connection or turn off your computer when you are not using it.
7. Your computer needs regular maintenance, upkeep and periodic upgrades to keep it functioning well.
8. Always back up your data. Keep the data stored securely and separately from the computer.

# BLOCK WATCH

THE ANTI-CRIME TEAM

## NEIGHBOURS HELPING NEIGHBOURS

Start, join or reactivate a neighborhood watch program today!

Remember if you see a situation that doesn't feel right, it's suspicious.

Write down the description of any suspicious persons.

Get the model, color and license numbers of strange vehicles.

Call the police immediately. Don't assume someone else has called.

If criminal activity has occurred let your Block Watch Captain and neighbors know but **CALL THE POLICE FIRST**

### SUSPICIOUS ACTIVITY THAT YOU SHOULD LOOK FOR:

- Someone screaming or shouting for help
- Unusual noises, sounds of breaking glass or shattering wood
- Beam from flashlight or light in neighbor's home
- Persons going door to door
- Someone looking into windows of parked cars
- Persons waiting in front of a home or loitering around the neighborhood
- A stranger in the back yard
- Property being taken out of houses where no one is at home or a business after it has closed
- Property being carried by persons on foot
- Property being loaded into a vehicle or being removed from a vehicle
- An opened or forced door or window
- Strange vehicles parked at your neighbor's house
- Slow moving vehicles cruising the block
- Someone being forced into a vehicle
- A stranger sitting in a car or stopping to talk to a child
- Abandoned cars

# CRIME PREVENTION

- Keep an eye out for strange vehicles parked in your area at odd hours or for long periods of time
- Make sure all young children know how to handle possible confrontations with strangers.

Use these helpful tips to help keep our community a safe, enjoyable place. Look around your home, school or office and see where you can make a difference.

- Start teaching children at an early age how to avoid drugs and alcohol.
- Get children involved in organized after-school programs.
- Start, join or reactivate a neighborhood watch program.
- Be aware of your surroundings, especially when walking alone at night.
- Participate in forums which involve local officials, such as city council meetings.
- Reach out to crime victims, their families or others in the community who need support.
- Get to know your neighbors - you may find others with an interest in safety, too.
- Be familiar with members of your local police and fire departments.
- Make sure all street lights in your area are in working order. Alert local officials if they are not.
- Set up buddy systems for teens going out after dark.

# Credit Card FRAUD

## Credit Card Fraud Prevention Tips:

1. Keep an eye on your credit card every time you use it, and make sure you get it back as quickly as possible. Try not to let your credit card out of your sight whenever possible.
2. Be very careful to whom you give your credit card. Don't give out your account number over the phone unless you initiate the call and you know the company is reputable. Never give your credit card info out when you receive a phone call. (For example, if you're told there has been a 'computer problem' and the caller needs you to verify information.)
3. Never respond to emails that request you provide your credit card info via email -- and don't ever respond to emails that ask you to go to a website to verify personal information.
4. Never provide your credit card information on a website that is not a secure site.
5. Sign your credit cards as soon as you receive them.
6. Shred all credit card applications you receive.
7. Never leave your credit cards or receipts lying around.

8. Don't write your PIN number on your credit card -- or have it anywhere near your credit card (in the event that your wallet gets stolen).
9. Shield your credit card number so that others around you can't copy it or capture it on a cell phone or other camera.
10. Keep a list in a secure place with all of your account numbers and expiration dates, as well as the phone number and address of each bank that has issued you a credit card.
11. Only carry around credit cards that you absolutely need. Don't carry around extra credit cards that you rarely use.
12. Open credit card bills promptly and make sure there are no bogus charges. Treat your credit card bill like your checking account -- reconcile it monthly. Save your receipts so you can compare.
13. If you find any charges that you don't have a receipt for -- or that you don't recognize -- report these charges promptly (and in writing) to the credit card issuer.
14. Always void and destroy incorrect receipts.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

### ANSWER:

4	5	7	2	8	6	1	3	9
8	6	3	9	5	1	7	2	4
1	9	2	7	3	4	8	5	6
6	3	8	1	9	2	5	4	7
9	2	4	5	7	8	6	1	3
5	7	1	4	6	3	9	8	2
7	1	5	3	2	9	4	6	8
2	4	6	8	1	7	3	9	5
3	8	9	6	4	5	2	7	1

**Like puzzles?** Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
