**Submitted by Sherrie Mohr, Communications Officer | City of Leduc**

Canada Day is a chance for the community to come together and experience the many exciting cultural and recreational activities the City has to offer. In preparation for this year's big celebration,

Foam Fest organizers took City of Leduc Mayor Greg Krischke to Dallas, Texas to try out the event, which is coming to the city July 1.

"I had a blast in Dallas!" says City of Leduc Mayor Greg Krischke. "I challenge you to join me in the 5K Foam Fest this Canada Day in Leduc. It is just one of the many thrilling events our City

## BRAZEAU COUNTY MOURNS LONG-TIME REEVE & COMMUNITY ADVOCATE WES TWEEDLE

**Submitted by Wanda Compton | Brazeau County**

Brazeau County, Alberta, June 5, 2017 — Brazeau County is mourning the loss of a well-known political leader, community advocate and volunteer, with the passing of former Reeve Wes Tweedle.

"Wes loved being on Council and he loved this County," says Reeve Bart Guyon. "He was the longest-serving member of Council and that is a significant contribution for anyone to make."

Tweedle served as a Councillor from 1989 to 1994, and as Reeve from 1994 to 1996, and again

from 2004 to 2013. In 2012, he was recognized for his contributions to Lindale, Brazeau County, and the wider community with a Queen Elizabeth II Diamond Jubilee Medal.

**JOKE OF THE WEEK**

Three Texas cowboys went to a steakhouse to eat. Each was trying to impress the others. The first man ordered his steak "rare -- red rare."

The second said, "Just pass mine through the flames and singe it a little. I want to see blood dripping out of it."

Not to be outdone, the third man said, "Aw, just turn the bull loose and I'll tear off a hunk as he goes by."

# Brazeau County Mourns Long-Time Reeve & Community Advocate Wes Tweedle

Continued From Page 1

The widespread respect and love for Wes Tweedle comes from his contributions to the agricultural community, committees, boards, and other community activities which has helped shape Brazeau County into the place it is today. He was well known for his warm smile and the caring he showed everyone around him.

Division 1 Councillor Shirley Mahan says, "Wes was the first Reeve I served under, and he was my mentor. He was fair, kind, and had a sense of humour. I had the best trip with him and his wife Julia to the Federation of Canadian Municipalities Conference – we laughed so much. He was very well respected, and did his best for the whole community."

"I knew Wes to be a man of integrity and kindness and one I truly honour for the respect he showed others," says Division 2 Councillor Rita Moir. "He will be deeply missed in our community."

"Wes was a politician who was a statesman, a farmer who was an integral member of a rural community, and most importantly a caring family man," says Division 3 Councillor Marc Gressler.

Division 4 Councillor Kara Westerlund says, "Wes was a man of integrity. His dedication and volunteerism will be felt in this community for years to come. I had the honour and privilege to work alongside a great man. Our community has lost a great leader."

"Wes was respected because he cared about the community," says Division 5 Councillor Anthony Heinrich. "He will be missed by all. I would like to offer my condolences to his family and friends."

Division 6 Councillor Maryann Thompson says, "Wes Tweedle was a kind, soft spoken man who cared for his family and

community. He gave tirelessly to help make our Brazeau County a place to be proud to call home. He will be missed by all who had the privilege to know him. My condolences to his family. Good bye Wes, till we meet again!"

"I had the privilege to work with Wes Tweedle who guided me through good and challenging times resulting in a relationship of trust and respect," says Chief Administrative Officer Marco Schoeninger. "Wes taught me

that one does not have to cause ripples in the water to communicate and work with others, rather be open to listening and hearing before acting. Wes' mentorship only mirrored by his great sense of humour has been a positive influence which will resonate with me forever. His absence will be missed however his words will be with us forever."

The Brazeau County family extends our deepest sympathy to Wes's family, particularly the

love of his life Julia, during this difficult time. The flags at the Brazeau County Administration Building were flying at half-mast, and remained that way until dusk on June 8th. The funeral was held at St. Anthony's Church at 10:30 a.m. on June 8th.

Residents are invited to write their condolences to the Tweedle family in a book in the lobby of the Brazeau County Administration Building.

# CALL FOR PROPOSALS FOR COMMUNITY-BASED PROJECTS SUPPORTING SENIORS

**Submitted by Jim Eglinski, MP - Yellowhead**

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to advise that the Government has opened up the application process for community-based projects supporting seniors through the New Horizons for Seniors Program (NHSP) 2017-2018.

The NHSP call for proposals, open

until June 23, 2017, is seeking proposals for projects led or inspired by seniors. Organizations are invited to apply for funding for projects that promote positive aging and empower seniors to initiate and participate in activities that benefit the community. Eligible organizations can receive up to \$25,000 in project funding.

Projects must address one or more of the following five program objec-

tives:

- promoting volunteerism among seniors and other generations;
- engaging seniors in the community through the mentoring of others;
- expanding awareness of elder abuse, including financial abuse;
- supporting the social participation and inclusion of seniors; and
- providing capital assistance for new and existing community proj-

ects and/or programs for seniors.

"I encourage organizations in my riding of Yellowhead to apply," concluded MP Eglinski.

# TWO LOCAL ARTISTS TEAM UP TO SHOWCASE THE BEAUTY OF NATURE

**Submitted by Sherrie Mohr, Corporate Communications | City of Leduc**

Check out the art wall at the back of the Leduc Public Library anytime during June to see an inspiring display of paintings and photographs capturing different perspectives and moods of nature.

Leduc artist Shelby Willis and Leduc high school student Abby Oliver lent their works for the art wall as part of the City of Leduc's celebration of Environment Week 2017.

Self-taught artist Willis has a background in environmental sciences. Her intent with each painting is to exude positive energy and inspire a fresh, unique out-of-the-box appreciation for nature. Her choice of medium is acrylic and she paints on stretched canvas and Birchwood panels.

The photographs on display were created by Oliver, a Grade 10 student in Leduc. In addition to photography, she is a talented artist and

musician. She hopes to combine two of her primary interests to one day be a professional photographer in the music industry. Oliver has won several photography awards.

The art wall will be on display

throughout the month of June.

For more information about Leduc's environmental initiatives, email [ecosmart@leduc.ca](mailto:ecosmart@leduc.ca) or call the Eco-smart Hotline at 780-980-7107. The environmental progress

report, available online at [Leduc.ca](http://Leduc.ca) and at the Civic Centre, the Leduc Public Library and the Leduc Recreation Centre, offers details on Leduc's environmental initiatives in 2016.
