ONOWAY AND DISTRICT HISTORICAL GUILD IS A WINNER!

Shauna Paisley Cooper presents Rick Hansen Foundation Barrier Buster cheque to Hazel Bourke, President of Onoway and District Historical Guild

Submitted by Yvonne Slemko | Onoway and District Historical Guild

Members of the Onoway and District Historical Guild were all smiles as the Guild was presented with a cheque for

\$30,000 that will make the Onoway Heritage Centre more easily accessible by all members of the community. The grant, part of the Rick Hanson Foundation Access4All project, is designed to eliminate accessibility barriers in public places. Automatic door

openers have been installed at the entrance to Heritage Centre and to the Onoway Museum/Alliance Activity Centre entrances and the very rough cement at the Heritage Centre entrance has been levelled.

MAYERTHORPE RCMP RESPOND TO COLLISIONS AT HIGHWAY 43 AND 22 INTERSECTION

Submitted by Mayerthorpe RCMP

Mayerthorpe, Alberta – Mayerthorpe RCMP are urging drivers to use caution and follow the rules of the road when travelling through the intersection of Highway 43 and Highway 22 after emergency crews responded to two separate collisions in

two days involving 6 vehicles. The collisions are still under investigation and fortunately only minor injuries to one passenger was reported.

The intersection of Highway 43 and Highway 22 is to be treated the same as any other intersection, with a median separating the travel lanes. RCMP are advising motorists

not to stop in the middle of the intersection. Many motorists have been using the intersection incorrectly by travelling partly through the intersection and then yielding for vehicles on the other side who have a stop sign. This is incorrect.

THRESHING TIME AGAIN

Submitted by Yvonne Slemko | Onoway and District Historical Guild

Save the date!

Straw will be flying on Saturday September 23rd at the Adam farm when Onoway and District Historical Guild hosts the 11th annual threshing bee. The threshing machine is primed up and ready to go, and the Guild is looking for hardy souls to head out to the fields to pitch bundles

on to the hayracks.

Young and old are invited to pitch bundles, ride the hayrack then pitch the bundles on to the threshing machine feeder. Those who grew up in the threshing machine (rather than combine) era will no doubt have many tales to tell.

Teams of horses (plus their drivers) have been recruited to provide wagon rides. Demonstrations of old-time skills such as blacksmithing, spinning,

ropemaking, and sawing firewood will be held throughout the day; antique tractors and equipment, cars and trucks will be on site as well. Special activities are planned for children.

One of the traditions of the threshing bee is having lunch out in the field so both workers and visitors will be able to try out some home-made pie as well as hot dogs and hamburgers as they listen to Connie and Norm Lefebvre's music.

Watching the strawpile grow, leaving behind the world of cell phones and texting, eating the old-fashioned version of junk food – there's fun for the whole family out in the field when harvesting as it was done in the first half of the 1900s once again happens in Onoway. But everyone will need to keep their eyes on the sky as well. Divers from Eden North Parachute School will be dropping down for a visit.

The threshing bee will be held in the field on the corner of Highways 43 and 633. Look for directional signs to access the field. Mark your calendar now!

FARMERS FACING WEATHER CHALLENGES AGAIN

Submitted by Mustafa Eric, Media Coordinator | Agriculture Financial Services Corporation

Weather has been variable throughout Alberta this spring and summer with continuing wet conditions in the north central region, and drier than normal conditions in the south. There are concerns about the yield and quality of all crops, including hay and pasture.

Agriculture Financial Services Corporation (AFSC), the provincial Crown corporation that delivers Business Risk Management programs for producers, reminds clients to carefully assess their options to get the most out of their insurance coverage.

"AFSC has two types of insurance programs in place to protect insured clients who are experiencing either dry conditions or excess moisture," said Nancy Smith, Coordinator of Insurance Products at AFSC.

"Production-based programs for crops and hay provide protection from an individual production shortfall or reduction in quality. Area-based programs protect clients' crops and pasture based on events that happen in a geographical area near the client's farm."

Production-based insurance programs

Crop Insurance provides coverage for losses in both production and quality on insured crops. When the losses are due to an insurable risk, claims are calculated and paid based on the client's actual production. The list of risks covered includes drought on dryland crops, as well as excessive moisture.

Two separate hay insurance programs provide production coverage for hay crops that are intended for both feed and export. Hay Insurance provides production coverage for hay crops that are intended to be harvested for feed; it does not compensate clients for quality loss. Export Timothy Hay Insurance provides coverage for insured pure timothy hay stands intended for export and adjustments to yields are made when the grade falls below Choice.

Smith says it is extremely important for clients with production-based insurance to contact AFSC prior to putting their insured

crops to another use such as silaging, pasturing or plowing down, to ensure insurance coverage is not negatively impacted.

Area-based insurance programs

Smith says AFSC also offers area-based programs where indemnities are calculated based on events that occur in a geographical area near the client's farm.

The area-based programs for annual crops are Silage Greenfeed Lack of Moisture Insurance and Silage Greenfeed Barley Proxy Insur-

ance, and for pasture the programs are Moisture Deficiency Insurance and Satellite Yield Insurance. Details of the insurance coverage under these programs can be found at www.AFSC.ca

Clients can choose in advance to defer a potential payment prior to it being calculated by contacting either their Branch or Central Office.

AgriStability

Clients who are enrolled in AgriStability have protection for their whole operation against large

margin declines. The program is funded by both federal and provincial governments and provides assistance when participants experience margin declines greater than 30 per cent.

Smith says clients who are in search of more detailed information on their insurance coverage options are encouraged to contact their local AFSC branch office, call toll free 1-877-899-2372 or email info@afsc.ca.

JOKE OF THE WEEK

Two little boys stole a big bag of oranges from a neighbor. They decided to go to a quiet place to share the lot equally. One of them suggested the nearby cemetery. As they were jumping over the gate to enter the cemetery, two oranges fell out of the big bag but they didn't bother to pick them since they had enough in the bag. A few minutes later, a drunk man on his way home from a bar passed near the cemetery gate and heard a voice saying: "One for me, one for you. One for me, one for you. One for me, one for you." He immediately sobered up and ran as fast as he could to a church nearby. "Father, please come with me. Come and witness God and Satan sharing corpses at the cemetery." They both ran back to the cemetery gate and the voice continued: "One for me, one for you. One for me, one for you. One for me, one for you." Suddenly, the voice stopped counting and said: "What about the two at the gate?"

CRA IMPROVES SERVICES FOR SMALL BUSINESSES

Submitted by Jim Eglinski,
MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform local business owners that Canada Revenue Agency (CRA) is making its services more user-friendly.

The changes are based on CRA's 2016 Serving You Better consultations with small and medium businesses and chartered professional accountants in the fall of 2016.

CRA's 2017-2019 Serving You Better action plan contains over 50 action items that will improve services for small and medium businesses. Here are the top ten service improvements for businesses. They will allow businesses to do the following:

1. Receive a CRA security code by email
2. Call a new dedicated telephone service for tax preparers that helps with more complex technical issues

3. Request a Liaison Officer visit
4. Provide T4 information slips to their employees in electronic format (certain conditions apply)
5. Use T2 Auto-fill through commercial software
6. Create their own filing and balance confirmation letters online
7. View short "how-to" videos that explain the services on My Business Account
8. Experience telephone service improvements from CRA
9. Share feedback about their audit experience in a new post-audit survey
10. Have their objections resolved faster

"These changes should ease and simplify the process of dealing with CRA's services so small business owners can focus less on government red-tape and more on growing their business," concluded MP Eglinski.

Onoway And District Historical Guild Is A Winner!

Continued From Page 1

This means that people using walkers or wheelchairs, parents pushing strollers and those who have mobility issues will find it much easier to enter the building.

Shauna Paisley Cooper, representing the Rick Hansen Foun-

dation, presented the cheque and reminded Guild members of Rick Hansen's two-year long Man in Motion tour when he wheelchaired his way through 34 countries. This amazing journey raised funds to help community facilities become more accessible but, perhaps more importantly, raised awareness of

people with disabilities and the barriers they face every day. Ms. Paisley Cooper who became a paraplegic in 2008 as the result of a mountain bike accident told Guild members how Rick Hansen gave her hope and inspiration. She cited examples of how she faces access challenges on a daily basis, things as fundamen-

tal as getting into the school her children were attending or the local hockey rink where they play ringette.

The Guild is delighted to have improved access to their facility. A special event for the whole community is planned for September 16 to celebrate the "Open Doors".

Mayerthorpe RCMP Respond to Collisions at HWY 43 and 22 Intersection

Continued From Page 1

Motorists who are travelling through the intersection have the right of way after stopping and proceeding when it's safe to do so. If you are making a left hand turn at the intersection and another motorist is waiting at the other side at the stop sign you are advised to complete your turn and not to stop in the middle of the intersection. By doing this you are incorrectly yielding to another motorist who is at a

stop sign and causing unnecessary congestion in the middle of the intersection.

Extra caution is urged with a reminder to motorists to come to a complete stop at the stop signs and proceed when safe to do so only when the intersection is clear.

All Albertans have a role to play in keeping our roads safe. Don't rely solely on right of way travel and always be cognizant of other vehicles on our roadways.

BACK-TO-SCHOOL

DID YOU KNOW?

- Red means STOP. The penalty for passing a school bus with its alternating flashing red lights activated is \$402 and six demerit points.
- School buses in Alberta transport nearly 250,000 youngsters twice a day.
- Transport Canada reports that school bus travel in Alberta is 16 times safer than commuting in the family vehicle.
- The biggest bus danger to children is when they are getting on and off the bus.
- More than 6,300 school buses are driven by conscientious, dedicated drivers every school day in Alberta.

BACK TO SCHOOL

Below are tips to help your child start the school year well rested and back on their regular schedule.

1. Start early. Begin the transition to a regular sleep schedule a couple of weeks before school starts.
2. Shift times in small increments.
3. Be prepared for some resistance.
4. Limit the use of electronics before bedtime.
5. Use a different approach for adolescents.
6. Once the routine is established, don't backslide. Once your child or teen is in a good sleep routine, maintain this routine throughout the week.

TOWING

Submitted by St Albert RCMP

File: 2017 - 1008651 - Between Sunday, July 30, 2017 and Tuesday, August 1, 2017, a motorcycle was stolen from a residential driveway in the Erin Ridge neighbourhood.

A black 2012 Harley Davidson

Motorcycle with a "Nam Knights" emblem and a dragon logo was stolen. It had a custom Alberta License plate, "NKMC" on it.

The RCMP investigation has not identified any witnesses or suspects in this investigation. If you have information about this incident, please

call the St. Albert RCMP at 780-458-7700 or call your local police. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477, by internet at www.tipsubmit.com, or by SMS (check your local Crime Stoppers www.crimestoppers.ab.ca for instructions).

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

1	3	8	2	4	6	9	5	7
6	7	2	9	8	5	1	4	3
5	9	4	7	3	1	6	2	8
2	6	1	5	7	8	4	3	9
7	5	9	4	6	3	2	8	1
4	8	3	1	9	2	7	6	5
3	2	7	6	5	9	8	1	4
9	1	5	8	2	4	3	7	6
8	4	6	3	1	7	5	9	2

Like puzzles? Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

	3		2		6	9

8				1				

GOLFER'S GUIDE

DON'T LET GOLFING PAIN BE PAR FOR THE COURSE

(NC) A little know-how can help golfers avoid unnecessary injury. Considering the number of times a swing is repeated during a game, it's not surprising that the season often ends early for those who are not physically prepared.

Below are a few simple stretching techniques that can help prevent or reduce the impact of injuries:

Side bending stretch

1. Stand with feet shoulder-width apart.
2. Hold the golf club above your head with your arms straight.
3. Slowly bend to one side, without rotating, until you feel a

stretch in the side of your back.

4. Hold for 15 seconds and repeat twice for each side.

Shoulder stretch

1. Hold the shaft of a golf club vertically behind your back.
2. Gently pull the club up with your top hand until you feel a slight stretch in the shoulder of your lower arm. Hold for 15 seconds.
3. Gently pull the club down with your bottom hand until you feel a stretch in the top shoulder and arm.
4. Hold for 15 seconds.
5. Reverse hand positions and repeat.

Welcome Back to School!!

Let's Keep the Kids Safe this School Year with These Easy Tips

- Plan a walking route to school or the bus stop and walk with your child beforehand.
- Ask your children to walk home in pairs or with friends
- Teach your child never to talk to strangers.
- Make sure your child knows their phone number & address as well as how to call 911.

BACK-TO-SCHOOL

LUNCH SAFETY

When making school lunches, wash your hands, cooking tools and food surfaces often with warm soapy water. Do not use meat, eggs, dairy products or mayo in lunches if food can't be kept cold. If possible, use freezer packs.

Teach children to wash their hands before they eat their lunch.

BACK-TO-SCHOOL

PLEASE DRIVE CAREFULLY!

SCHOOL BUS SAFETY

1. Always listen to the school bus driver 2. Always stand in a group while waiting for the bus. No pushing or shoving. 3. Always stay out of the DANGER ZONE until the bus driver says its ok to get on. You are too close if you can touch the bus. 4. Always remember to wait until the bus stops before standing up and leaving your seat. You move away from the bus and out of the DANGER ZONE right away when you get off the bus.

THIS SAFETY REMINDER IS COURTESY OF THE FOLLOWING LOCAL BUSINESSES:

BACK-TO-SCHOOL

That means extra care is needed when driving in school zones and when busses are loading and unloading their students. Slow down for pedestrian crossings and watch for kids dashing across the street.

Safety First!

Children who walk or ride bicycles to school should also obey the rules of the road. Be sure you see the kids off every morning, and consider checking in with the school or calling kids' cell phones to confirm they arrived safely.

As children head back to classes, remember to take extra care in School Zones and pedestrian crossings as children sometimes run onto the road unexpectedly or do not walk on the sidewalk. Make this year a safe year by reinforcing with your children the rules of safety while going to and from school. Do not forget to slow your driving near parks and play areas.

NEW REGIONAL ON-RESERVE WATER LINE

Submitted by Jim Eglinski,
MP - Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform residents of an investment for a new regional on-reserve water line and water infrastructure.

The investment, which is made in partnership with all three lev-

els of government, will connect the Alexis Nakota Sioux Nation to the West Inter Lake District regional water supply system, as well as construct a potable water supply line, pumphouse, and treated water reservoir. The federal government plans to invest approximately \$10 million to support the completion of the project, which is part of a com-

mitment of \$1.8 billion over five years for water and wastewater.

The Alberta government is investing \$7.15 million to complete the Alexis Nakota Sioux water tie-in project connecting the regional water system to the reserve. This project is part of Alberta's \$100 million commitment over four years to ensure Alberta First Nations have ac-

cess to clean and safe drinking water.

"Everyone should have access to safe running water. I am proud to see investments being made to support one of our local Indigenous communities, promoting the health and wellbeing of the community," concluded MP Eglinski.

2016 LIST FOR LIVESTOCK TAX DEFERRAL PROVISION RELEASED

Submitted by Jim Eglinski,
MP - Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to inform local farmers that the final list of designated regions for 2016 under the Livestock Tax Deferral Provision has been released from Agriculture and Agri-Food Canada.

"Our area - Parkland County in 2015, for example - has experienced local agricultural disasters in recent years. I have seen the results of drought brought on by weather conditions and the financial toll it can take on our farmers," stated MP Eglinski.

The livestock tax deferral provision allows producers in the designated drought regions who are facing feed shortages, to defer a portion of their sale proceeds of breeding livestock to the next year. The cost of replacing the animals in the next year offsets the deferred income, thereby reducing the tax burden associated with the original sale.

Eligible producers can request the tax deferral when filing their 2016 income tax returns, or if they have already filed, submit an adjustment request directly to the Canada Revenue Agency.

A complete list of the designated regions can be found at www.agr.gc.ca/drought.

"Both past and present members of our Conservative Caucus are farmers and agricultural producers from all parts of Canada. We understand the importance of farmers and the necessity of tax relief programs, such as this, to protect them when droughts hit," concluded MP Eglinski.

BACK 2 School

WHATS YOUR ROLE?

- Motorists must watch for children crossing roads, and prepare to slow down and stop.
- No Matter what direction motorists are traveling, they must STOP when approaching a stationary school bus with alternating flashing red lights - unless the bus is on the opposite side of a divided highway.
- Always be aware of and respect "Point, Pause and Proceed", used by Alberta school children when crossing roads. Stop for pedestrians.
- Parents should plan to have a safe place for kids to go in case they miss the bus. Remind them to never take rides from strangers.
- Take the time to discuss school bus safety with your children. Teach them how to be street smart and ride safe.
- Alternating flashing amber lights means a bus is slowing down to stop. Slow down and prepare to stop too.

THIS SAFETY MESSAGE IS SPONSORED BY THESE CARING LOCAL BUSINESSES

UPDATE 1: ALBERTA SUPPORTS B.C. WILDFIRE RESPONSE

Submitted by **Tim Seefeldt, Communications Director, Municipal Affairs | Government of Alberta**

The Government of Alberta is providing support as British Columbia deals with wildfires. It is also encouraging Albertans to stay safe by being aware of air-quality advisories. And it is advising people to make financial donations to a recognized non-profit organization of their choice instead of providing material donations.

Air quality

- Air quality is expected to vary across the Central, Edmonton and North Zones of Alberta Health Services.

- Alberta Health Services has issued precautionary air-quality advisories for the following areas:

- Jasper, Hinton and Edson areas of the North Zone

- All of Edmonton Zone and Central Zone

- Because air quality is expected to be variable, this advisory will remain in effect until further notice.

- Residents of, and visitors to, these areas are advised to be aware of air conditions and to take precautions against potential health concerns that can be associated with smoky air.

- Information about the air quality in many areas of Alberta is updated hourly on the Alberta Environment Air Quality Website: <http://airquality.alberta.ca>. For hourly air quality readings and daily forecasts, download the Air Quality Health Index (AQHI) Canada app at <https://open.alberta.ca/interact/aqhi-canada>

- For more information on the air-quality advisory, please visit <http://www.albertahealthservices.ca/news/air.aspx>

How Albertans can help

- We recognize Albertans are caring and generous and want to do whatever they can to support British Columbians who have had to leave their homes due to wildfires, including donating material goods.

- We know from experience that B.C.'s priority is assessing evacuees' immediate needs and there is no request from B.C. for donations of material goods from Albertans. We ask that Albertans wait until our neighbouring province provides direction and further information about material donations.

- Consider helping by making a financial donation to a recognized non-profit organization of your choice. You may also access direct links to charities such as the Canadian Red Cross or Salvation Army through the B.C. government website at <http://www2.gov.bc.ca/gov/content/safety/wildfire-status/donate-to-the-british-columbia-fires>

appeal

Travel information

- At this time, all highways into B.C. from Alberta are open to travel, but this could change as the wildfire situation progresses.

- For up-to-date travel information across Alberta, please check 511 Alberta and "know before you go."

- Albertans planning to travel to British Columbia are advised to monitor @DriveBC and @EmergencyInfoBC for up-to-date information on road closures and traffic impacts.

- Information for travellers and tourists visiting B.C. is available at <http://www2.gov.bc.ca/gov/content/safety/wildfire-status/info-for-travel>

ers-tourists-in-bc

Contacting family in B.C.

- If you have been separated from your family in British Columbia, please contact the Red Cross at 1-800-863-6582 (select language and then option 1).

Alberta assistance

- Agriculture and Forestry has deployed 125 firefighters and support staff, five air tankers, two bird dog planes and 3,000 lengths of hose to British Columbia.

- Alberta is responding to a request for help from British Columbia RCMP by sending 40 Alberta members from the Special Tactical Operations unit. More information:

<https://www.alberta.ca/release.cfm?xID=48259FD713886-DFA4-7661-C7CC0C0E7DEF7DEF>

- The Alberta Emergency Management Agency has elevated the Provincial Operations Centre to Level 2 to enhance monitoring of the B.C. wildfire and, at the request of Emergency Management British Columbia, has deployed four emergency management and communications professionals to provide assistance.

- Albertans are encouraged not to travel to British Columbia on their own to provide wildfire response. All response efforts are being coordinated through Emergency Management British Columbia.

GREETINGS FROM THE ONOWAY LEGION

Submitted by Lorinda McCool | Onoway Royal Canadian Legion

Monday August 21, 2017

Many seniors suffer from loneliness and depression after seeing many of their friends and family pass on before them. The Legion would like to help ease your pain by providing companionship and friendship on Tuesday evenings, Wednesday evenings (except the fourth one each month), most Fridays and occasional Saturdays. You do not need to be a member and are always welcome to visit and enjoy

a cup of coffee along with a chat whenever we are open. Come in and watch our tournaments and feel free to participate in any of our "fun functions" such as darts, pool and cards. Regular Tuesday night darts and Wednesday Night Pool will be starting up again in September.

Friday Night's Ukrainian Platter was enjoyed by a good crowd of customers. Thanks to Bob C. along with Ron W. and Marcelle J. for their hard work in the kitchen preparing and serving the meal, Cheryl S. and Larry V. for clearing the tables and Randy W. and Liane W. for doing cleanup/dishes. Congratulations to Doreen Heron for winning

the free meal voucher, Barb Warner the meat draw and 50/50 winner Kevin Klause.

The Onoway Legion would like to thank Bob Clark for all of the time and effort he put into leading teams and the preparation for most of the Friday night suppers during the last three years. Friday's "Cedar Plank Pork" meal will also feature music entertainment by Bernie Rigger and the Faithful Slaves. This will be the final meal prepared by Bob as Kitchen Co-ordinator. He will remain in his position as Fund Raiser at this time but needs to withdraw from kitchen duties to pursue the position of Division 2 Councillor in

the upcoming LSAC October Municipal election. Reservations for plates are strongly recommended as this is expected to sell out early and plates are limited to the first 100 customers. Please note the price for this meal including entertainment, will be \$17.50 per adult and \$10.00 for children under the age of 8. Due to the long weekend and changes in the kitchen, there will be NO FRIDAY NIGHT SUPPER ON SEPTEMBER 1. Louise Bambrick will be leading her team on September 8th to prepare a traditional "Jigg's Dinner", a meal most typically consisting of salt beef boiled with potatoes, carrots, cabbage and turnips. Pease pudding and figgy duff are cooked in pudding bags immersed in the rich broth that the meat and vegetables create. It is a traditional meal commonly prepared and eaten on Sundays in many regions around the Atlantic Canadian provinces. Louise has done this meal in the past, much to the enjoyment of many customers looking for a deliciously different dining experience. Please call the Legion @ 780-967-5361 if you would like to volunteer at this or lead your own team at any other Friday Night Supper.

UPCOMING EVENTS:

August 22 – Tuesday Night Pub and Games Night

August 25 – Friday Night Supper – Cedar Plank Pork Supper and Entertainment by Bernie Rigger and the Faithful Slaves. Bob Clark's final meal presentation as Kitchen Co-ordinator. Price will be \$17.50 per adult and \$10.00 for children under the age of 8.

August 26 – Fun 8-Ball singles Round Robin Pool Tournament – Registration from 8:30 and play @ 9:30 AM.

August 29 – Tuesday Night Pub and Games Night

September 1 – NO FRIDAY NIGHT SUPPER

September 5 – General Meeting @ 7:00 pm. All members welcome

The Legion phone number is 780-967-5361. Please contact Ted Latimer @ 780-967-4980 for hall rentals; Lorinda McCool @ 780-967-3640 to reserve your plate for the Friday Night Supper or to place information in the Legion newsletter; Cheryl Sadler @ 780-967-4146 for membership; Joanne Gorman @ 780-960-4160 to volunteer in the kitchen; Neil Gorman @ 780-960-4160 for sports. See you at the Onoway Legion and have a great week!

Testimonials

"Thank you for working on my horses at the CBHI 2016. They all benefited and were feeling great. The treatment I had myself was so amazing and beneficial. I was experiencing vertigo and feeling nauseous within a half an hour I was feeling so much better and my weekend was great. I did not feel tired and felt very energized. I did have a headache for a short time, a little ache in my shoulder area but that all was very short lived and did not interfere with my day. I really liked my treatment and as a massage therapist would highly recommend this treatment. Thank you Shirley." -Tanya Likes

"I have had BRUTAL sciatica and neck pain for years...chiropractic manages it for brief periods of time...I had one hour long treatment by Shirley Mazeppa and can honestly say I had no pain for weeks after!!!! Improved my mood and allowed me to have day to day tasks not be painful let alone ride!!!! SOOOOOOOOOOOOOOOOOOOOOO looking forward to my next treatment!!!!!!" -Jody Poulin

"I am in disbelief, Shirley Mazeppa brought her PEMF machine to Thorsby where I was competing in a horse event. I have arthritis in both my knees and I was really feeling the hurting today. Shirley hooked me up for 40 minutes on Saturday afternoon, it's now Monday evening and I am still PAIN FREE, my knees feel great. I'll be making a trip to Shirley's next time I start feeling that pain, I won't try to handle it again. Thanks so much Shirley" -Debra Rowney
