## FIRE PREVENTION WEEK: PLAN TWO WAYS OUT

**Submitted by Lauren Arscott, Press Secretary, Municipal Affairs | Government of Alberta**

Fire Prevention Week 2017 reminds Albertans to practice a home escape plan with a second way out of rooms and their home.

While a door is the most obvious evacuation route from a room, home or apartment, this year's Fire Prevention Week theme, "Every second counts: Plan two ways out" urges Albertans to think carefully about having another way out.

Practice your fire escape plan

- draw a map of your home, including all doors and windows
- find two ways out of every room
- make sure doors and windows are not blocked
- choose an outside meeting place
- push the test button to sound

the smoke alarm (test smoke alarm monthly)

- practice your fire drill with everyone in the home
- get outside to your meeting place

"Families that have a home fire escape plan and practice it are much more likely to get out of their homes safely. I've made it a priority in my home to have a plan in place to protect my family, and I think it's important for all Albertans to do the same. Knowing what to do and where to go, especially if your doors are blocked, can save lives." - Shaye Anderson, Minister of Municipal Affairs

"A fire escape plan needs to be practical and easy for your family to follow. This also means having a complete plan for safely using an alternate escape such as a window. If you have questions about using a

second escape route when making your plan, contact your local fire department for advice." - Kevan Jess, Acting Alberta Fire Commissioner

"During an emergency, there is no time to stop and think about an escape route. Edmonton Fire Rescue Services encourages everyone to prepare an escape plan and practice the escape plan in order to spare valuable seconds in a real emergency. It is especially important to determine a meeting place close by that everyone is familiar with and is easy to remember so that every family member can be accounted for in the event you are separated." - Ken Block, Fire Chief, Edmonton Fire Rescue Services

## WHITECOURT RCMP INVESTIGATE SPRAY PAINTING OF VEHICLES

**Submitted by Whitecourt RCMP**

Whitecourt, Alberta -- The Whitecourt RCMP are investigating a rash of vandalism to vehicles. The culprits spray painted a number of vehicles over a period of 4 nights over the weekend. The occurrences are happening during the overnight hours and in all areas of the Town of

Whitecourt. Numerous vehicles and holiday trailers have been blasted with paint. The taggings don't have any messages or symbols and are random.

Police are encouraging the public to come forward should they have any evidence to identify the culprit(s). If you have been a victim to this crime please contact the Whitecourt RCMP.

If you have information about this incident, please call the Whitecourt RCMP at 780-779-5900 or call your local police. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at [www.tipsubmit.com](http://www.tipsubmit.com), or by SMS (check your local Crime Stoppers [www.crimestoppers.ab.ca](http://www.crimestoppers.ab.ca) for instructions).

## Fire Prevention Week: Plan Two Ways Out

Continued From Page 1

During Fire Prevention Week, kindergarten to Grade 6 students from across Alberta complete the "Fire Safety Starts With You" activity book, which teaches early elementary students important life-saving steps they can take to protect themselves, their families and their homes from fire. The Government of Alberta's Office of the Fire Commissioner and ATCO distributed more than

270,000 activity books across the province this year.

"Fires can be deadly and devastating. That's why we're pleased to work with fire departments across Alberta, participate in Alberta Fire Prevention Week and support the Fire Prevention Week Children's Program. Fire prevention should be a part of our everyday lives. Let's keep everyone safe by making sure there are two ways out of every room in our house in case of fire, smoke

or carbon monoxide alarm. Every second counts." - Dean Reeve, senior vice president & general manager, ATCO Gas Distribution

Quick facts

- Fire Prevention Week 2017 runs from Oct. 8 to 14, which marks the anniversary of the Great Chicago Fire in 1871.

- In 2016, there were 4,324 fires in Alberta resulting in 29 deaths and 166 injuries.

- Cooking fires, fires caused by smokers' materials and fires involving electrical wiring in the home accounted for 68 per cent of all home fires from 2007 to 2016. Other common fire causes include arson and deliberately set fires, heating equipment and appliances.

- Properly maintained smoke alarms provide reliable, early notification allowing your family to escape and call the fire department.

- From 2012 to 2016, the smoke alarm did not activate due to power failure (no battery, dead battery or disconnection from home wiring) in 27 per cent of the fires where a smoke alarm was present.

## JOKE OF THE WEEK

Tom, Dick and Harry went to a party. After the party they returned to the hotel. The hotel was 600 stories high. Unfortunately for them, the elevator was not working. They made a plan for the first 200 stories, Tom will crack jokes. The second 200 stories Dick will tell a happy story and lastly Harry will tell a sad story. They then started up the steps. After 2 hours it was Harry's turn. He turned to the other two and said "Ok guys, here's my sad story. I forgot the keys downstairs."

# WHITECOURT TOWN COUNCIL UPDATE

**Submitted by Tara Galant, Legislative Manager | Town of Whitecourt**

SEPTEMBER 29, 2017

Whitecourt Town Council has adopted Phase 1 of the Sportfield Master Plan. The Plan will help guide investments over the next 15 to 20 years to meet both current and future outdoor recreation needs of our community. Development of the Sportfield Master Plan included significant consultation with user groups, Council Committees, students, community partners, and the general public.

The Town of Whitecourt thanks all of those who contributed time and provided feedback throughout the development of this Plan. The Sportfield Master Plan focuses on three main areas: Rotary Park, Graham Acres, and the new Community Learning Campus (near the new Ecole St. Joseph School). Phase 2 of the Sportfield Master Plan will provide detailed costing and will recommend an order for completion of the proposed projects. The plan can be viewed on our website at [www.whitecourt.ca](http://www.whitecourt.ca).

The Stark Sport Society is ap-

plying to the Community Facility Enhancement Program for a grant to complete a 3,000 square foot addition to the Scott Safety Centre, as well as roof and ceiling replacement. Whitecourt Town Council supports the project, and Whitecourt will be providing the Society support for its application. If the grant application is successful, the Stark Sport Society is requesting a \$400,000 contribution from the Town of Whitecourt. The Town had previously committed to replacing the ceiling and roof in 2018 at a budgeted cost of \$175,000, and the remaining

\$225,000 would then be recovered by the Town through either a loan or lease agreement with the Whitecourt Wolverines.

Council approved first reading of Bylaw 1529, a bylaw to authorize the lending of funds to the Community Lunchbox Society. The Society requested the loan so that it could pay down the purchase and renovation of the support centre located at 4904 52 Avenue.

Effective January 1, 2018, Whitecourt will be following new guidelines in regards to off-site levies. The new theory and methodology for collecting off-site levies was adopted after an extensive review, and numerous consultations with area developers, builders, and ratepayers. Off-Site Levies are growth related improvement charges a municipality may collect from developers under the Municipal Government Act (MGA) as a cost recovery tool to help fund "off-site" infrastructure projects. Closer to the implementation date, advertisements and information sheets will be published informing ratepayers of the process. Watch for details on [www.whitecourt.ca](http://www.whitecourt.ca) in the coming weeks.

Amendments have been made to the Land Use Bylaw and Municipal Development Plan as a result of the downtown parking study that was conducted last year. The study was initiated to determine the long and short term needs of parking in the downtown area. The study determined that there is sufficient parking in the downtown to accommodate this change in policy and bylaw for up to 25 years before additional parking is warranted. One of the most significant changes includes the creation of a "Downtown Parking Overlay District" for the downtown core area to specifically identify areas where the Town would provide parking as an overall benefit to the community. Council will be discussing the possibility of parking levy refunds at a meeting in the new year.

Sagitawah RV Park submitted an application for an exemption to its current operating period for 2017/2018 to allow for temporary accommodations for people working on local pipeline projects, as well as the major shutdown at the Whitecourt Biomass Plant. Coun-

Province of Alberta, this 21 day of September, 2017.

  
(Returning Officer)

# Whitecourt Town Council Update

cil has deferred the item to the next Regular Meeting of Council for further information.

Whitecourt has submitted an expression of interest to participate in FortisAlberta's Streetlight LED Conversion initiative. If approved by the Alberta Utilities Commission, Fortis will convert approximately 790 streetlights within our community. Converting the streetlights would bring consumption, maintenance and environmental benefits.

Council has set the FortisAlberta Franchise Fee rate for 2018 at 2.55% - a decrease from 2017. Every year Council has the opportunity to review the franchise fee charged for the delivery of electricity to town residents. The franchise fee is paid in exchange for giving Fortis the exclusive right to supply power distribution in Town. The average franchise fee rate for all municipalities is 7.87%.

Council has approved first reading of Bylaw 1531 which provides for the renewal of the ATCO Gas Franchise Agreement. Council has also set the ATCO Gas Franchise fee rate for 2018 at 20.59% - a decrease from 2017. Every year Council has the opportunity to review the franchise fee charged for the delivery of gas to town residents.

Due to the upcoming municipal election, Council has cancelled its Policies and Priorities Committee meeting scheduled for October 16.

The new Whitecourt Town Council will be sworn in at an Oaths of Office Ceremony on Saturday, October 21.

**SEPTEMBER 18, 2017**

Council has scheduled a Special Meeting for Wednesday, October 18 to discuss the 2018 Budget. This is the first of several meetings that will be held to discuss and prepare the 2018 Budget for the municipality. Council urges members of the public to attend the October 18 meeting to gain information and insight on municipal operations and plans. This will then lead into a 2018 Public Input Session scheduled for October 23 where ratepayers will be able to provide verbal and written comments to Council for consideration during the 2018 Budget development process. Watch for

advertisements and details on [www.whitecourt.ca](http://www.whitecourt.ca) and on our Facebook page @TownofWhitecourt in the coming weeks.

Council has approved an application by the Community Lunch Box Society under the Investing In Our Community Program. The Investing In Our Community Program provides financial assistance in the form of loans to community organizations to assist in leveraging their resources for capital investments that will benefit the community. The Society requested an interest free loan to pay off debt owed for the purchase and

renovation of its support centre located at 4904 – 52 Avenue. A borrowing bylaw will be prepared and brought to Council for approval at a later date.

Alberta Justice and Solicitor General recently completed a review of Whitecourt's Automated Traffic Enforcement (photo radar) Program. Similar reviews are conducted periodically throughout the province to ensure that programs continue to meet standards and requirements as directed by the Province. Whitecourt is in full compliance with the Province's guidelines, and Council accepted

the report as information.

Whitecourt will be applying to the Forest Resource Improvement Association of Alberta (FRIA) for a grant totaling \$557,000. Our community has been extremely successful over the years in receiving support from FRIA to conduct a variety of FireSmart related activities. Vegetation management activities, a detailed sprinkler and water deployment study, demonstration/education program, and a joint emergency management exercise are all proposed activities included in the grant application.

# RCMP RECOVER FOURTH STOLEN BOAT

**Submitted by Stony Plain/  
Spruce Grove/Enoch RCMP**

## UPDATE #2

Enoch, Alberta – On September 26 the RCMP in Stony Plain recovered the fourth boat which was stolen from Wizard Lake Marine during the night of September 13, 2017.

The boat was located abandoned on a road south of Enoch and the RCMP are continuing to investigate circumstances of this with the assistance of the Forensic Identification Section.

The outcome of this final boat recovery is very positive and

the RCMP are pleased to report same.

Investigation is ongoing. If you have information about this investigation, please call the Leduc RCMP at 780-980-7200, or call your local police detachment. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at [www.tipssubmit.com](http://www.tipssubmit.com), or by SMS.

## BACKGROUND:

### UPDATE #1

Cold Lake RCMP Recover boats stolen in Calmar

Cold Lake, Alberta - During the afternoon of September 23,

2017, Cold Lake RCMP recovered 3 of 4 boats stolen from Wizard Lake Marine during the night of September 13, 2017.

The three boats, with trailers, valued at approximately \$600,000.00 were located at a rural property near Cold Lake. During the search of the property, an additional \$250,000.00 worth of stolen property was recovered by Cold Lake RCMP.

Two adult males are in custody with charges pending. The investigation is continuing by Cold Lake and Leduc RCMP detachments and further updates will be provided when they are

available.

"Crime has no boundaries and it is very common for criminals to cross jurisdictions" says Staff Sergeant Jeremie Landry of Cold Lake RCMP Detachment. "Sharing intelligence and information amongst RCMP detachments is critical in solving crimes. We're pleased with the progress being made on this investigation."

If you have information about this investigation, please call the Leduc RCMP at 780-980-7200 or the Cold Lake RCMP at 780-594-3302, or call your local police detachment. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at [www.tipssubmit.com](http://www.tipssubmit.com), or by SMS.

## ORIGINAL RELEASE

Leduc RCMP investigate thefts of boats

Calmar, Alberta – Leduc RCMP are investigating the theft of four boats and trailers worth a total estimated value of \$800,000.

On September 13, 2017 Leduc RCMP responded to a complaint of a break and enter at a boat dealership. It occurred sometime in the early morning, after 01:00 a.m. The boats are all 23' Nautique Super Air G23, and each boat and trailer combination is worth approximately \$200,000.

Investigation thus far indicates that four pick-ups were used and they left the dealership eastbound on Highway 39. A description of the suspects is not currently available.

These boats are very recognizable and Leduc RCMP are seeking public assistance in locating these boats and identifying the culprits involved.

If you have information about this investigation, please call the Leduc RCMP at 780-980-7200, or call your local police detachment. If you want to remain anonymous, you can contact Crime Stoppers by phone at 1-800-222-8477 (TIPS), by internet at [www.tipssubmit.com](http://www.tipssubmit.com), or by SMS.

## BETTER QUALITY OF LIFE *and a money saver, too!*

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

# ROLE OF A COUNCILLOR

**Submitted by Bill Hegy**

I was recently asked if my understanding of the role of a municipal councillor has changed over the past four years and I can say most emphatically – yes! Most of it is the result of now having a better realization of what a municipal government actually is, or is not.

When you stop and think of it, there is a ‘Government of Canada’, a ‘Government of Alberta’, but there is no ‘Government of Lac Ste. Anne County’. Why is that - it’s because the Constitution Act, 1867 establishes how the Federal and Provincial levels are to govern - but the only reference to the municipality level is: “In each Province the Legislature may exclusively make Laws in relation to ...Municipal Institutions in the Province.” Which means municipalities essentially exist as a subset of the Province and here in Alberta the regulation of municipalities falls mainly under the Municipal Government Act (MGA). The administration of the Act is done by the Municipal Affairs Ministry.

We see where at the Federal and Provincial levels of government, the responsibility of administrating the respective areas of their responsibilities is primarily done by way of various Ministries. Elected officials are then appointed to head up the day-to-day administration of these Ministries. So, in

a way, you can think of these levels of government as functioning as an “Administrative Government”.

The same level of governance does not exist at the municipality level. So why not - it’s because, as I mentioned above - there is no ‘Government of Lac Ste. Anne County’, but there is a ‘Corporation of Lac Ste. Anne County’ – which is how the County is legally referred to. This means a municipal council is expected to function more as a board of directors, rather than a form of government for advancing a certain political party’s view. It is for sitting down and enabling the running of a municipality ‘like a business’.

What the MGA also does is retain at the provincial level most of the authority of how municipalities will actually function. It gives the Province the exclusive right to form, merge, or dissolve municipalities - without the approval of the electorates of those municipalities! The Municipal Affairs Minister can fire elected officials and/or appoint an administrator to run the municipality. Something, in the past the Minister has done more than once. Can you imagine the backlash if the federal government could fire elected MLAs, or dissolve a Provincial Government!

So how does all this effect the role of councillors? Historically some smaller municipalities have had fairly basic

administrative capabilities and this resulted in situations where councillors had to become directly involved in the day-to-day administration decisions. Unfortunately in some cases, this did allow for favoritism and collusion to creep into the decision making process. To address these concerns, Municipal Affairs incorporated within the MGA the requirement for municipal councils to hire a Chief Administrative Officer (CAO) and then delegate the administration of the municipality to the CAO.

The MGA establishes a very clear separation of the responsibilities of Council and Administration. It is the responsibility of Council to establish the level of service the municipality will provide its residents and Administration is then required to produce an annual budget to ensure those service levels can be achieved. In turn, Council is responsible to authorize that budget and then get out of the way - so Administration can use that funding to run the municipality.

You can think of it along the lines of where Council, based on recommendations of advisors, approves an annual program to gravel, or upgrade certain roads. But they cannot tell Administration who to buy the gravel from, or how the process will actually be done. Likewise, Council can approve a particular task which will require the hiring of staff. But they cannot tell Adminis-

tration who to hire, how much they will be paid, participate in their performance review, nor can they fire them. The CAO is the only County employee for which Council has a say in who is hired/fired, what their duties are and how much they will be paid. The separation of powers under the MGA means an individual councillor cannot direct a member of Administration (including the CAO) to do anything. In the strictest sense, a councillor cannot communicate with Administration staff without the approval of the CAO.

Another area a councillor must have a good understanding is with respect to personal bias. Councillors have the duty to consider the welfare of the municipality as a whole - especially when you consider the significant effect council decisions can have on residents and businesses. This means it is important councillors keep an open mind until they have had the opportunity to hear all sides of an issue.

There is an interesting blog written by a Penhold councillor where she has written about her views of councillor roles - especially with respect on running for council. Have a look at it <http://danikloo.com/five-terrible-reasons-to-run-for-municipal-office/> - I’m sure you will find it interesting.

# GREETINGS FROM THE ONOWAY LEGION

**Submitted by Lorinda McCool | Onoway Royal Canadian Legion**

Monday October 9, 2017

Our volunteers enjoyed having no meal on October 6th but are looking forward to the corporate sponsored meals coming up on October 13th and October 20th. Morand Industries Ltd. will be sponsoring Heike Post's October 13th Oktoberfest meal (with entertainment by Bill Heide and Helmuth Hansen) and Tyschuk Construction Ltd. will be sponsoring the October 20th Christmas in October fundraiser for

the Lac Ste. East Foodbank. Both of these suppers are very popular and plate reservations are strongly recommended as these meals are limited to 100 plates. All money raised at the fundraiser will go the Foodbank and everyone is asked to be generous with their donations to help those in need. Non-perishable food donations can be brought to the Legion or, if you don't feel like shopping, cash donations are also welcome.

Thanks to Sherry Brown and her Crew of Pat T., Marian L., Joanne G., Neil G., and Jerry M. for their preparation and serving of the deli-

cious Lasagna Supper on September 29th. Cheryl S. handled the meal sales, Scott S. the draws and Louise B. looked after the refreshments. Congratulations to Terry Adamson for winning the free meal voucher, Meila Spreen the meat draw and lucky Ted Latimer the 50/50 draw.

Scott Sadler has stepped down as President to assume another position and has handed the responsibility of President to Ric Moses with Neil Gorman assuming the duties of Vice President. Thank you, Scott, for your many years of service as President of the Onoway Legion

Submitted by Larry Villneff re the

Area "A" Singles Tournament results: "Thank you to Bill Cormier (a former Area "A" Commander) and Neil Gorman (Onoway Legion's Sports Officer) for supervising the Area "A" 8-Ball Pool Singles playoffs at the Onoway Legion on September 30th. The playoffs were held to determine who will represent Area "A" at the November 25th District 8 Playoffs. There were 10 players representing Morinville, Leduc, Jasper Place and Onoway Legions. Representation at the District tournament is determined based upon the player's ranking in these playoffs. The following top six players will move forward to the November 25th event. Congratulations to the following six players: 1. Lucas Mattice - Leduc; 2. Peter Menzel - Onoway; 3. Kim Koroll - Onoway; 4. Rob Ewart - Onoway; 5. Jim Hryniuk - Onoway; 6. Gary Henry - Jasper Place. Note: If Area "B" does not fill all of its 6 positions, other members of today's tournament may be extended an invitation in order to fill the roster. Special thanks to the volunteers that played a key role in making the day a very big success. Kudos to Glo J., Joanne G., Patricia St. H., Carol V., Kim M., Broley H. and Louise B."

#### UPCOMING EVENTS:

October 10 – Tuesday Night Drop-in Fun Darts – Registration from 6:45 to 7:15 pm. Play @ 7:30 pm.

October 11 – Wednesday Night Drop-in Fun Pool – Registration from 6:45 to 7:15 pm. Play @ 7:30 pm.

October 13 – Friday Night Supper – Sponsored by Morand Industries Ltd. Oktoberfest by Heike Post and Crew. Live entertainment by Bill Heide and Helmuth Hansen.

October 17 – Tuesday Night Drop-in fun Darts and Playdowns for Legion Mixed Darts

October 18 – Wednesday Night Drop-in Pool

The Legion phone number is 780-967-5361. Please contact Ted Latimer @ 780-967-4980 for hall rentals; Lorinda (Lindy) McCool @ 780-967-3640 to reserve your plate for the Friday Night Supper or to place information in the Legion newsletter; Cheryl Sadler @ 780-967-4146 for membership; Joanne Gorman @ 780-960-4160 to volunteer in the kitchen; Neil Gorman @ 780-960-4160 for sports. See you at the Onoway Legion and have a great week!

# OUTDOOR ED 2017 FALL CAMP

Submitted by Wanda Pederson | Onoway Junior Senior High School

Very early on the morning of Friday, September 22, sixteen OJSH students along with supervisors Mrs. Elliott and Mr. Van Camp

boarded a bus that would take them to this year's fall outdoor education camp. The Outdoor Ed camp is located at Black Cat Guest Ranch - a

woodland lodge with Rocky Mountain views that is located between Hinton and Jasper National Park. The three days gave the students a variety of weather- everything from warm and sunny to cloudy and rainy.

The students and supervisors spent the three days with the knowledgeable and certified instructors from Inroads Mountain Sports, learning about first aid in the wilderness. OJSH students were given various mountain wilderness emergency scenarios and were led through the processes of aiding and helping those needing emergency help. These scenarios took place outside in as realistic circumstances as possible. When the three days were over, all students had achieved their Wilderness First Aid certificate.

In addition to wilderness first aid, students were also required to complete a research project on the Canadian fur trade as well as research about subsistence living in the early 1900s, wildlife trends and their effects on society, and Alberta ecosystems. In total, the students earned 3 CTS credits for the trip.

The boys in the Outdoor Ed adventure even set up a large 8-person tent in the classroom and slept there.

One participant, grade 12 student Kennedy Lind said that she would "absolutely, 100%" recommend this Outdoor Ed adventure to any student. She said that you really get to know your fellow participants, even if you hadn't really talked to them at school. Kennedy also said that the Inroads staff are great and they helped to make the whole experience very worthwhile and fun.

The next Outdoor Education trip is expected to be in the coming spring. There will be a variety of different experiences for the students to enjoy and learn as each Outdoor Education trip emphasizes a different aspect of outdoor life.

# Essentials of Selling Local Food

**This one-day workshop is for people interested in learning more about selling food direct to consumers and potentially transitioning into retail sales.**

## Content for the Day

### Setting the Stage

- Learn about the local food opportunity and the different farm direct marketing channels, their benefits and challenges.
- Discover the scope of the retail market, market drivers and the pros and cons of accessing the retail market opportunity.

### Overview

- Meet the Agriculture and Forestry specialists available to assist you as you establish your food business.
- Hear about the regulations that apply to your food business.
- Alberta Health Services will share the Food Regulation requirements as well as safe food handling practices.
- Learn everything you need to know as you assess the retail food market.
- Receive insights into the Yellowhead County Local Food initiative.

## Registration and Information

**Date:** Tuesday, October 24, 2017

**Time:** 8 a.m. - 4 p.m.

**Registration deadline:** October 17, 2017

**Location:** Wildwood Community Hall  
4904 51 Ave, Wildwood

**Cost:** \$23.75 + GST

Lunch and refreshments provided

Payment options: Visa, MC or cheque

**Register by October 17 at**

**FIRE PREVENTION WEEK**

OCTOBER 8-14, 2017

[firepreventionweek.org](http://firepreventionweek.org)

©NFPA 2017. Sparky® is a trademark of the NFPA®.

**Submitted by Cathy Brennan, Library Manager | Alberta Beach Municipal Library**

A young woman in our community, Bonnie Corbett, was diagnosed with breast cancer 3 ½ years ago. After surgery, radiation, and chemotherapy, we all hoped that she had the cancer beaten. Sadly, this past summer she was given the news that the cancer had come back and spread to her lungs. The diagnosis is grim. She has been given at most two years to live. This news is devastating – Bonnie is 36 years old, is married to

Geoff, and has three terrific girls.

In the hopes of prolonging her time with her family and to keep her as well as possible, Bonnie has gone to Mexico to seek medical treatment that is unavailable to her in Canada.

To support the family, some of Bonnie's friends have come together to hold a garage sale fundraiser. It will be on Saturday, October 21, 10:00 am to 4:00 pm at the Gunn Hall. We will have items for everyone and a concession will also be available. Please plan to attend – even if you don't want to buy any items, come and

buy lunch. All proceeds from the sale/concession will go to Bonnie.

We are also accepting garage sale-type donations for the sale. If you have any items, new or gently used, please contact Reanne at 780-967-4674. We can arrange for pick up or hopefully will have drop off at the hall available on Friday night, the 20th. If you can't make the sale, please consider donating to Bonnie's go fund me campaign [www.gofundme.com/time-for-bonnie](http://www.gofundme.com/time-for-bonnie). At times like these a community rallies around their members – it is time now.

I decided to run for Council again as I'm extremely passionate about building for our future. During my first term on Council the County has progressed dramatically and I would like to continue being involved in

## "MEET THE CANDIDATES" LAC STE. ANNY COUNTY 2017 ELECTION BIO FOR BILL HEGY

keeping our County moving forward.

We've had many noteworthy achievements especially in the areas of long range planning, public engagement and Council engagement. Much was achieved through the numerous public sessions which were held to get public comment on budgets and key issues. We need to continue to look for more efficient and effective ways of doing business, plus better communication

with the public.

A Strategic Plan is now in place as a key guiding document for the County to tailor budgets to address the needs of the County as directed by Council. We now have a multi-year Capital Infrastructure Plan that gives preference to long-range sustainability - rather than short-term patchwork efforts. Significant improvements were made in the budgeting process which now provides for better tracking and clarity.

### DIVISION 2

The Land Use Bylaw was extensively revised to bring it in line with the new requirements and needs of today. Changes included policies to help preserve agriculture lands and improved protection of environmentally sensitive areas. But, we need to explore the feasibility of a long-term master plan that supports diverse agri-businesses, and that helps to continue preserving agricultural lands to keep the youth on the land and in the industry. In addition, an agriculture-based commercial business park may facilitate new growth and attract economic development to the region. We need to ensure the health and beauty of our many riparian areas in the region continue to be restored and protected so they will be there for future generations.

The County provides over \$400,000 per year in financial assistance to various community organizations in recognition of the important roles they play in the delivery of recreation, culture and social opportunities to our residents. Work needs to be done with our urban municipalities to ensure these necessary endeavours remain viable.

Significant inroads were made in relationships with our neighbouring municipalities, especially in the areas of Intermunicipal Development Plans and the pending Intermunicipal Collaborative Frameworks. We need to continue working with our neighbours to help develop projects and agreements of mutual benefit.

We are all aware of the many reasons why Lac Ste. Anne County is such a great place to live and I ask for your support so we can continue working together in achieving many more successes. I'm truly inspired by the opportunities that lay ahead and I can't wait to see how the County evolves over the next four years.

# TAXATION OF PRIVATE CORPORATIONS

**Submitted by Jim Eglinski, MP -- Yellowhead**

On July 18, the Minister of Finance released a white paper outlining the government's plan to tax private corporations. Since that tax plan was released, my office has been receiving emails and phone calls from small-business owners, nurses, farmers, insurance brokers, and accountants — all deeply concerned about the proposed changes. And they should be. For decades, tax planning measures for private corporations have been recognized as legitimate by the government, and for good reason. They help mitigate personal risk assumed when starting a small business.

The fact is that business owners must risk their own capital, often securing borrowed funds against personal assets, such as the family home. They do not have many benefits that are often available to employees, such as pension plans and extended health coverage. Business owners often establish pension plans and benefit packages for their

own employees, at their own expense. They pay into CPP as both the owner and the employee, while also contributing the employer's share of CPP and EI for their other employees. These Canadians put in endless hours of hard work and take on a lot of risk to make sure their businesses are running smoothly and their employees are paid.

Most local business owners are middle class Canadians — the people who put their time, effort, and sweat into paying the bills and paying their employees before they pay themselves. They're not big multinational corporations. Now the government is targeting them with a massive tax hike, threatening jobs and the communities that are sustained by our local businesses. To borrow from the Liberal Party platform: That's sure "real change", but not for a "stronger middle class".

The Liberal government held a consultation period over the summer on the proposed changes. For many small businesses, summer is a very busy time and

they are questioning why the Liberals chose this time for these consultations. Such permanent changes should not be rushed. The government should take an adequate amount of time to properly analyze the implications of the proposed tax legislation.

The government says that they are not going after middle-class business people. They say they are going after the wealthiest Canadians. Does the government realize that the proposed changes target the very middle-class business owners they claim to protect? Why are small-business owners being singled out while the biggest abusers of our tax system are being ignored?

A tax professional from my riding wrote in to me. She said, "If these changes go through they will end up hurting not only small business, but our economy as a whole." She went on to say, "The Liberals have it wrong, equal doesn't always mean fair. These changes will drastically reduce the incentives for people to start small businesses and provide jobs to others."

How ridiculous it is that a farmer puts in years of labour and building his farm, years of planning for retirement, and years of saving — and now the Federal government wants to tax him again?

Why does the government insist on taking more money from hard-working Canadians? I have an answer to that one — to pay for the Liberal Government's spending problem.

Businesses thrive on stability, and all they see from this government is fiscal uncertainty. They worry for their employees and their families. What choices will they have to make? Will they have to let people go or just close up shop altogether? These are all legitimate questions my constituents are asking, and questions that the Liberals still have to answer. This is why we should not cut the consultations short. We need to listen to Canadians and we need answers from this government. The consultation period needs to be extended to ensure local businesses get the respect they deserve.

# MP JIM EGLINSKI ANNOUNCES 2ND ANNUAL CHRISTMAS CARD ART CONTEST

**Submitted by Jim Eglinski, MP - Yellowhead**

OTTAWA: MP Eglinski, Member of Parliament for Yellowhead, is reminding students in Kindergarten through Grade 8 to send in their designs for his 2017 Christmas Card Contest. The chosen student's art-

work will appear on the front of MP Eglinski's Christmas card.

Submission Deadline: October 10, 2017.

#### Guidelines, Rules and Conditions:

1. This contest is open to all students in Yellowhead Riding who are in Kindergarten through Grade 8.
2. Each entry must be accompa-

nied by a signed entry form, which can be obtained from [www.jimeglinski.ca](http://www.jimeglinski.ca).

3. All formats welcome...water colour, pastel, crayon, oil painting, pen and ink drawing, photograph, etc.

Completed artwork must be submitted with the entry form, postage

free, to the Ottawa Office at:

MP Jim Eglinski

Room 304, Justice Building

House of Commons

OTTAWA ON K1A 0A6

Submissions can also be emailed to [jim.eglinski@parl.gc.ca](mailto:jim.eglinski@parl.gc.ca)

Good luck!

## RENEWED INVESTMENTS IN FORESTRY INDUSTRY

**Submitted by Jim Eglinski, MP – Yellowhead**

OTTAWA: MP Eglinski is pleased to advise constituents of a call for proposals to the Investments in Forest Industry Transformation (IFIT) program. Established in 2010 by the former Conservative Government, the IFIT program was renewed in June 2017.

"I am pleased to see this Government continuing the invest-

ments made by our party into the forest sector," stated MP Eglinski. "While this is good news for Yellowhead, we need to also continue to urge the Liberals to resolve the softwood lumber dispute."

The purpose of the IFIT program, delivered through Natural Resources Canada, is to support Canada's forest sector in becoming more economically competitive and environmentally sustainable through:

- new or increased production of bioenergy, biomaterials, biochemicals and next-generation building products by the forest sector;

icals and next-generation building products by the forest sector;

- increased deployment and encouraging broader adoption of first-in-kind innovative technologies, particularly Canadian, across the industry; and

- the creation of innovative partnerships with non-traditional forest sector partners as a way to develop new business models for the sector.

IFIT provides non-repayable contributions of up to 50% of a project's costs. Applicants are required to submit an expression of

interest by October 12, 2017, followed by a full proposal by November 28, 2017.

"Our forest sector is a major economic driver and employer in our riding of Yellowhead. I encourage all those who are eligible for funding to apply to the IFIT program to help ensure they stay competitive in today's markets," concluded MP Eglinski.

For more information on the program and how to apply, visit: [www.nrcan.gc.ca/forests/federal-programs/13139](http://www.nrcan.gc.ca/forests/federal-programs/13139)

# DARWELL PUBLIC LIBRARY NEWS

**Submitted by Sandra Stepaniuk, Library Manager | Darwell Public Library**

Wondering what to do with all those items from your fall cleaning? We continue our fundraising efforts to complete the new library expansion. We are currently doing a Value Village donation drive and are looking for your used clothing, shoes, accessories, books, linens and small household items (small items only no furniture). You can pick up a list of acceptable items at the library or find the complete list on our website or Facebook page. You can drop off your donations at the library expansion during regular library hours until November 24, 2017. Should these times not work for

you please contact the library to make alternate arrangements.

Be sure to drop by for refreshments during our open house week running from October 16 through 20, 2017. Everyone who visits the library this week will be entered in the daily draw and the grand prize draw, a \$ 50.00 Chapters Gift Card. We will also be conducting our annual Assessment Survey; please let us know how we are doing and how we can do better. We look forward to hearing from you.

Preschool Story Time for children 0 to 5 years of age returns starting Monday, October 16 and will continue every Monday morning until November 27, 2017 from 10 to 11 AM. All children must be accompanied by an adult as

this is a program designed for parents/caregivers and children together. This is a free drop in program so come join us for stories, activities, crafts and a snack.

The REDress Photography Project will be visiting the Darwell Public Library starting Monday October 16 and will be on display until mid November 2018. This project produced by a group of Canadian photographers, 2 are Aboriginal, led by Edmonton's Muffy Mathewson are taking striking photos of red dresses in unexpected places in honour of Canada's 1,181 missing and murdered indigenous women. Mathewson was inspired to start the project after seeing a full-page ad showing a red dress hanging in the woods. "Imagine if 1,181 of your daughters never returned

home, and imagine if no one cared," read the caption. "I thought to myself, I do care, I really care — but what can an 81-year-old woman do?" Mathewson remembers. "Then I thought 'Ah-hah! I know what I can do — I'm a good photographer.' " Deciding to follow the lead of Jaime Black, the photographer behind the 2012 REDress art installation at the University of Alberta, and take her own red dress pictures. The REDress Photography Project was born. Each red dress represents a woman who is not here." You can obtain more information on the project by visiting <https://www.facebook.com/REDressProject/>.

Shelly Chalmers will be here on Wednesday, October 18, 2017 at 6PM to read from her first published novel Must Love Plague, Book 1 of the Sisters of the Apocalypse series. Spreading disease isn't all its cracked up to be. Welcome to Beckwell, where myth holds a grain of truth, magic is real and the four horse-women of the apocalypse are back in town. Got you curious?? Come and meet Shelly and find out what her new book is all about.

Family Movie Night, at the Lake Isle Community Hall, will be held on Friday, October 27, 2017. We will be showing the "G" rated title "Swallows and Amazons". The doors will open at 6:30pm and the movie starts at 7:00 pm. Admission is \$ 2.50 and a concession will be available. See you there!

Beginner Crochet for Ages 8 and Up begins Wednesday, November 1, 2017 from 3:30 to 5PM and will run for 5 consecutive Wednesdays until November 29, 2017. Choose 1 of 2 projects: Classic Ladies Cloche Hat with Irish Rose detail or Viking Hat with horns (Sample hats are available for viewing at the library and on our website and Facebook page). The cost will be \$ 15.00 per person and you must pre-register no later than October 27, 2017.

Registration is open for Beginner Tai Chi starting Wednesday, February 7, 2018 at the Darwell Centennial Hall from 10 to 11 AM every Wednesday and Friday morning until the end of May 2018. All you need is loose comfortable clothes and flat shoes. The cost is \$ 70.00 per person with a drop-in fee of \$ 5.00 per person. Maximum 15 people. You must pre-register for this session by contacting the library.

The Darwell Public Library Society will be holding their next regular meeting on Monday, October 23, 2017 starting at 7 pm. All meetings are open to the public and everyone is welcome to attend. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website [www.darwellpubliclibrary.ab.ca](http://www.darwellpubliclibrary.ab.ca) or like us on Facebook at [www.facebook.com/DarwellPublicLibrary](https://www.facebook.com/DarwellPublicLibrary)

## Obituaries

CARTER, Stan

Mr. Stan Carter, late of Gunn, AB, formerly of Darwell, AB, passed away on October 3, 2017 at the age of 71 years. He is survived by his loving family; wife of 14 years, Mary Anne; son, Zane of New Norway; step-children, Rudy, Stacy (Jeff), and Mathew all of Spruce Grove; 9 grandchildren; 1 great grandchild; 5 brothers; as well as numerous other family and many dear friends. Stan is predeceased by parents, Evan & Mary Carter.

A private service was held at the family's request. Donations are gratefully accepted directly to The Heart & Stroke Foundation, 5241 Calgary Trail NW, Suite 144, Centre 104, Edmonton, AB, T6H 5G8.

Expressions of sympathy may be forwarded to the family by visiting [www.rosegardenchapel.com](http://www.rosegardenchapel.com) Rose Garden Chapel (780) 674-4644 (1) 10-10

# RE/MAX® REAL ESTATE

*Roger Hawryluk*      *Tanner Hawryluk*

Only minutes east of Wildwood, 157.95 acre hobby farm! Approx 148 acres cultivated with approx 10 acres of trees. Beautifully manicured yard site with numerous out buildings. Large 26' x 36' detached garage currently used as a workshop, completely finished 40' x 42' shop with in-floor heat and on demand hot water with 14' high O/H doors with remotes, 3 sided metal beam 34' x 60' machine shop, pole shed for hay and also a cattle shelter. There is a beautifully upgraded 3 bedroom bungalow, w/ main floor laundry, upgraded windows, vinyl plank flooring, new kitchen, s/s appliances and vinyl siding w/ extra insulation. Fully developed basement with newer high efficiency furnace. The yard site is very private and surrounded by 30-40 ft. planted spruce. The water source is a RARE artisan well with plenty of water. Even potential of two outside watering stations for livestock with power ready to hook up. A seasonal creek runs through the land and the property is a half mile south of hwy. 16 and RR 90. Less than 1 hour from Edmonton!

For more information on this property please call or visit our websites

## BILL HEGY: a proven, effective leader for Division 2 taxpayers.

## LET'S CONTINUE THE MOMENTUM

As a County resident for more than 40 years, I share your love for our region, and I have a vested interest in shaping its future while safeguarding its heritage.

In my past term as Mayor and Councillor for Division 2, the County has progressed dramatically. We've helped foster more progressive yet practical environmental protections. We've implemented a sustainable road improvement strategy. Perhaps most importantly, I've introduced informed, constructive Council-based decision processes designed to get things done.

Under my watch, County Council has moved forward in a very positive, progressive manner. I'd like to invest my next four years in continuing this momentum, and I'd like to ask for your support to allow me to do so.

As your Division 2 candidate, I pledge to dedicate the next four years to working hard on behalf of my constituents. Up to the election, I plan to visit homes across Division 2 to discuss my track record, my qualifications, and my vision for a better County.

## COUNCIL'S 4 YEARS OF PROGRESS

- Residential tax rates maintained below the average of similar counties
- Policies that vastly improve the quality of budgets, and that enhance Council and public engagement in the process
- A ten-year Capital Infrastructure Plan that gives Council a long range look at infrastructure priorities and planning
- Policies to preserve agriculture lands
- Increased public engagement through open houses on budget and key issues
- Rekindled relationships with our urban neighbours, including completing IDPs and working on pending required ICFs
- Significant improvements to land use development process, including time limitations on repetitive applications

## A PRACTICAL PLAN FOR THE FUTURE

- Continued protection and restoration initiatives for riparian areas to help safeguard the health and beauty of our region for generations to come
- A long-term master plan that supports diverse agri-business, and that helps preserve agricultural lands to keep youth on the land and in the industry
- Exploring the feasibility of developing an agriculture-based commercial park
- Continued work on Intermunicipal Collaborative Frameworks with our neighbours to develop projects and agreements of mutual benefit
