## EVANSBURG RCMP RECOVER STOLEN PROPERTY AND IDENTITY DOCUMENTS

Submitted by Evansburg RCMP

Evansburg, Alberta – Two people are facing several charges after getting a stolen truck stuck in a ditch last week in the rural Evansburg area.

On January 23, 2018 at approximately 8:00 a.m., a passerby reported a vehicle stuck in the ditch on Township Road 534. RCMP attended and determined the vehicle to be stolen and arrested the adult male and adult female inside.

Upon searching the vehicle it

was determined the vehicle was equipped with dashboard cameras. A subsequent investigation ensued and it was determined the cameras in the vehicle had recorded several more criminal acts in various communities allegedly depicting the occupants of the stolen vehicle.

Evansburg RCMP continued to follow the evidence and were able to solve two separate rural Break and Enters, identify property owners of 6 different electronics, recover stolen identification and recovered an additional stolen vehicle.

Jason Roy Gregory (39) of No Fixed Address has accumulated 54 Criminal Code Charges including possession of property obtained by crime over \$5000. Gregory has been remanded into custody for a court appearance on February 12, 2018 in Mayertorpe Provincial Court.

Sierra Seward (24) of Jasper has been charged with 6 Criminal Code offences including multiple counts of possession of property obtained by crime over \$5000.

## MP EGLINSKI CONGRATULATES LOCAL ORGANIZATIONS APPROVED FOR FUNDING UNDER THE NEW HORIZONS FOR SENIORS PROGRAM

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, is pleased to announce a total of \$144,674 in funding for Yellowhead organizations through the New Horizons for Seniors Program.

Since 2004, the Employment and Social Development Canada program has helped to en-

sure seniors benefit from, and contribute to, the quality of life in their communities through active living and participation in social activities. The selected projects are either led or inspired by seniors.

The projects include:

The Town of Mayerthorpe will receive \$8,600 for their community garden to build raised planter beds, a sun shelter, and a cement pad for seniors with

disabilities so that they can continue to harvest and distribute produce.

The Thorsby Seniors Citizen Club will receive \$23,500 to upgrade their activity center. This will include purchasing a greenhouse for gardening, leather working tools for leather working, and kitchen equipment for cooking classes.

# SERIOUS COLLISION ON HWY 16A

Submitted by Stony Plain/Spruce Grove/Enoch RCMP

A 21 year old female from Parkland County has died as result of injuries sustained in a collision on Friday.

On February 2, 2018 at ap-

proximately 12:30 p.m., a sedan was travelling east bound on Highway 16-A when it crossed the median and was struck by a west bound pick up. The female driver of the sedan was transported to Hospital in Edmonton where she succumbed to her in-

juries on February 3, 2018. The adult male driver of the pickup was not injured.

No charges are anticipated. Our thoughts are with the involved families during this difficult time.

Names will not be released.

# MP Eglinski Congratulates Local Organizations Approved For Funding Under The New Horizons For Seniors Program

Continued From Page 1

The Edson and District Recycling Society will receive \$25,000 for their Senior Mentorship Program's community garden. Seniors involved with the organization will mentor youth and community members through workshops on garden maintenance, pruning and harvesting.

The Warburg Cultural Society will receive \$25,000 to make improvements to their Cultural Centre. This will include renovating the kitchen and craft area to allow seniors to participate in activities such as quilting and cooking classes.

The Cadomin Legion Branch 124 will receive \$24,054 to repair their damaged roof to allow seniors to continue participate in activities such as darts, foosball and air hock-

ey.

The Alberta Beach and District Active 50+ Club will receive \$25,000 to purchase and install outdoor exercise equipment and benches to allow seniors to participate in exercise and have a place to socialize.

The Evansburg Senior Citizens Society will receive \$13,520 to purchase curling equipment, chairs and a vacuum cleaner to allow seniors to

continue floor curling, card games and socializing in a comfortable, well-kept facility.

"As a member of the Parliamentary All-Party Seniors Caucus and being a senior myself, I am convinced that a high quality of life for seniors requires helping them stay active, engaged and informed. I am pleased to see these outstanding projects in our communities receive funding," concluded MP Eglinski.

The WEE Community Food Bank (Wildwood-Evansburg-Entwistle) would like to thank the individual community members, companies, schools and organizations who contributed donations, money and their time over the past year and especially over the holiday season. The food bank was blessed with an overwhelming amount of donations, making our task of supplying food to those in need much easier. We are truly thankful to be located in such a generous community!

## Evansburg RCMP Recover Stolen Property and Identity Documents

Continued From Page 1

Seward was released from custody for a court appearance on January 25, 2018.

"This illustrates how important it is to report suspicious vehicles and activity in the rural areas. This investigation resulted from an observant rural citizen who took the time to call us about a suspicious vehicle in the ditch. This could have been

something with the potential to be ignored given the time of year and generally snowy icy roads", said Detachment Commander Brian To-pham.

We need your assistance. Cooperation between the RCMP and the public is instrumental to the success of our Crime Reduction efforts. The simple act of reporting any suspicious activity and/or crime provides us with the necessary information by which we gather intelligence.

# LAKEWELL 4H MULTI CLUB JANUARY REPORT

**Submitted by Aynsley Shupack, The Club Reporter | Lakewell 4H Multi Club**

Lakewell 4H multi club has had a busy month so far. We finally had our Club Christmas party on January 6th. The whole club went down to Lake Isle Hall for that month's

general meeting. When the meeting was over we all went outside to the baseball diamond and had a wiener roast potluck. The food was great and the kids played games and had a Chinese gift exchange. Everyone had a really good time and the club has gotten closer.

On January 11 two of the clubs

members put together a communications workshop which included rules and regulations, dress code and examples. Horse went to the Drayton Valley arena to ride on January 13 to work on gymkhana skills. In January 14 Vet Sciences met with a vet at a bison farm outside of Stony Plain to check on the

pregnancies.

Our General Leader went to a Leader's Conference the January 20-21 weekend so she could help the club learn and expand.

The Presentation Day was Saturday February 3 at the Lake Isle Hall at 9:00 am. Everyone was welcome.

# YOUTH MUSIC CLUB & GAME NIGHT

**Submitted by Melissa Killick | Tipple Park Museum**

What defines a community? Merriam-Webster's dictionary defines it as "people with common interests living in a particular area". As a community we should always make sure we have activities and social events for all ages and categories. This year Tipple Park Museum is proud to offer a Music Club and Game Night for our local youth grades 7-12.

Our Evansburg and Area Music Club launches February 16 from

7:30-9:30pm and will continue every last Friday of each month. We will be bringing in a professional classic guitar player that will assist the youth in various musical exercises and theory. The goal of this program is to engage youth in their musical talent and eventually form a community band. There is no cost to join, but fundraising will most likely take place in the future. We ask everyone to bring their own musical instrument, pen, notepad and talent! If you're new to guitar and would like to learn, feel free to join and learn from our music community.

To register please phone or email Tipple Park Museum, 780-727-2240 or [tippelparkmuseum@gmail.com](mailto:tippelparkmuseum@gmail.com)

Pop in! Play games! Eat some snacks! Youth Game Night will also be taking place, starting March 1st from 6-8pm and will continue every first and last Thursday of each month. Games include Monopoly, Apples to Apples, Checkers, Chess, Trouble, Scrabble, Nintendo Wii, Game Cube and others. There is a \$2.00 cost per youth. The funds will go back into the program to buy food and new games. There is no

need to register. All walk-ins from grades 7-12 are welcome.

In the near future Tipple Park Museum will also be hosting a Youth Art Club which will consist of Jr. High and Sr. High artists joining together with professional artists to teach. Stay tuned for more information.

A huge thank you to everyone who supports our continually growing Museum. We are always thankful for community support and engagement. We are looking forward to the youth programs starting up and seeing how they take off and grow.

# GYPST FEBRUARY SCHOOL NEWS

**Submitted by Nikki Gilks, Manager, Communications Manager | Grande Yellow-head Public School Division**

Evansview School, Evansburg  
January has been a flurry of learning and physical activity for the students at Evansview. For the last two weeks of the month, all students from kindergarten to Grade 6 have had the opportunity to skate for one hour at the local arena each day. This is the first year that students in all grades have gone skating, and the excitement was contagious. It has been fabulous watching children gain their balance and confidence,

and whiz around the ice!  
February has always been a busy month, and this this year will be no exception. On February 7th, students will be kicking off the start of the 4-day long weekend by participating in our annual winter carnival. They'll spend the afternoon outside, moving through different stations, while challenging themselves and others. They will also be participating in three Indigenous games. Let the games begin!  
The Grade 1/2 class will be celebrating the 100th day of school on February 13th. Students will be completing a number of activities centered around 100, and are in-

vited to come to school dressed as though they were 100 years old. Also in February, the Grade 1/2 class is participating in the 'Great Canadian Valentine Exchange'. The class made 20 Valentines and mailed one each to 20 schools across Canada, along with a letter showcasing Evansburg. In return, they are receiving 20 valentines, and information about other communities. Each community is being marked on a map in the front entryway of the school. What a great and exciting way to learn about our community, other communities, and Canada!  
Grand Trunk High School (GTHS)  
The second semester is about to

begin at Grand Trunk High School and the excitement of new courses and experiences fills the air. Grand Trunk High School staff and students would like to welcome Mrs. Shelley Hay to the teaching staff. Mrs. Hay will be teaching a variety of subjects in both junior and senior high in the second semester.  
Basketball season is in full swing and all four teams at Grand Trunk are busy with league games and tournaments. Please come out and cheer them on to show your support to our hard-working athletes and their dedicated coaches. Please see the list of games in our upcoming events list at the bottom of this article.

Staff and students came back from Christmas break well rested, and ready to make 2018 a great year. We had another Superflex assembly, where we celebrated the students who defeated 'Space Invader'. We also introduced another unthinkable called 'Destroyer of Fun'. Our Grade 4/5 and 6 classes started off the year with the start of the Oilers' Energizer Program. This a program that is focused on keeping kids active through the winter months. Students log and track their physical activity every week, and participate in challenges throughout the months.

We welcomed Brooke Sterling to our staff in January. She has really bonded with her students, and is planning some amazing lessons. Her 2/3 class is currently busy creating and building their own city, as a part of their 'Building Things' unit. They created a blue print of their city together as class, and have

# GYPSD February School News

started building the structures that they decided on. Students are showing some great teamwork and lots of creativity.

Our Grade 6 class participated in a power exercise on racism this month, as a part of their, 'Voices for Change' unit. Based on the experiment that educator Jane Elliot came up with, students were separated by their eye colour: brown eyes and blue eyes. The blue-eyed students were then discriminated against. They weren't allowed to use certain washrooms or water fountains, had to wear a coloured pinny, and were segregated from the rest of class. Students made some great connections to what racism can look like, and the discussion after the experiment really showed how students were impacted by this exercise.

In junior high, the Grade 8 class started finishing up their Renaissance unit with a variety of presentations. Students were assigned to research a topic of the Renaissance that they were more curious about, and created a presentation. Students created presentations on art and dance, sports, torture devices, and pirate ships. Students did a great job researching and presenting their knowledge.

- Wildwood School, Wildwood

A big thank you to Drayton Valley UFA from the students and staff of Wildwood School! Drayton Valley UFA Farm and Ranch Supply Store donated the building materials required for the kids to be able to have a shiny rink in the school field. A shiny rink is simply a makeshift winter hockey rink where the kids can play hockey in their boots with no skates required. Community volunteer Darrell Hunter came to the grounds to help the outdoor education class put the rink together. From the moment it became useable, it has been a huge recess time attraction. Ashley Chipiuk donated a set of hockey nets for either side of

the rink. Our school council donated money for sticks and protective equipment for the goalies. The shiny rink is so popular that a second smaller shiny rink for the younger grades is being built out in the field alongside the larger one.

Ever have the ideas in your head come out faster than you can get them down on paper? Read & Write Google is the answer, and on World Literacy Day, January 26th, Wildwood School students received intensive training from division tech specialist Amelia Bird on how to use 'Voice to Text' technology. Using a headset with a microphone, students can dictate phrases and sentences

that they wish to compose and Read & Write Google technology rapidly lays those words down onto a document. Excited students found it remarkable how well the technology knows what a person is actually trying to say. School trustee Brenda Rosadiuk was also present for the event. Grande Yellowhead has made Read & Write Google a part of the user platform for every student in the division.

Jonie Gerspacher organized Literacy Day events at the school again this year. Younger grades also received a celebrity guest appearance that day from Terrie Stone, treasured librarian of the Wildwood Public Li-

brary.

# PARLIAMENT UPDATE – WEEK OF JANUARY 29, 2018

**Submitted by Jim Eglinski, MP – Yellowhead**

This week Parliament reconvened for the spring session.

The following was debated in the House:

- Bill C-50 – An Act to amend the Canada Elections Act (political financing) (Report Stage) Bill C-62 – An act to amend the Federal Public Sector Labour Relations Act and other acts (Second Reading)

- Bill C-65 – An Act to amend the Canada Labour Code (harassment and violence), the Parliamentary Employment and Staff Relations Act and the Budget Implementation Act, 2017, No. 1 (Second Reading)

- Bill C-348 – An Act to amend the Department of Employment and Social Development Act (persons with disabilities) (Second Reading)

- Bill C-365 – An Act to amend the Criminal Code (firefighting equipment) (Second Reading)

- Bill S-2 – Strengthening Motor Vehicle Safety for Canadians Act (Third Reading)

- Bill S-5 – An Act to amend the Tobacco Act and the Non-smokers' Health Act and to make consequential amendments to other Acts (Second Reading)

- M-124 - Automated external defibrillators (Agreed to)

- M-133 – British Home Child Day

- M-148 – National Impaired Driving Prevention Week

On Monday, I participated in debate by asking questions on Bill C-65, which strengthens the existing framework for the prevention of harassment and violence, including sexual harassment and sexual violence, in the work place.

On Tuesday, I gave a statement in the House, congratulating Grande Cache on the sale of their steelmaking coal mine. The new owners plan to restart operations after the purchase closes later this spring.

On Thursday, I participated in debate by asking a question on Bill C-62, which deals with the collective bargaining process for civil servants.

On Friday, I participated in

debate by speaking on M-148, which is a motion to establish National Impaired Driving Prevention Week in the third week of March each year; I asked a question on Bill C-50, which changes the rules around cash-for-access political fundraisers; and, I gave a statement in the House on the Prime Minister's refusal to provide funding for injured veterans.

To read my comments on any of the above, visit the corresponding day's Hansard on

the House Publications page at [www.ourcommons.ca/en](http://www.ourcommons.ca/en).

As announced earlier this week, I have been named as a member of the Standing Committee Canadian Heritage (CHPC). For more information on these meetings, visit the CHPC Committee website at [www.ourcommons.ca/Committees/en/CHPC](http://www.ourcommons.ca/Committees/en/CHPC).

As CHPC did not sit on Thursday, I had the opportunity to attend the Standing Committee on Industry, Science and Technology (INDU) where we continued

to hear witnesses on the broadband study.

I also sat on the Standing Committee on Public Safety and National Security (SECU) on Tuesday, where we heard witnesses on Bill C-59 which overhauls our national security and intelligence agencies.

This week, I attended five meetings and two events. I will remain in Ottawa over the weekend. Look for my update next Friday on the happenings of Parliament.

## BETTER QUALITY OF LIFE

*and a money saver, too!*

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

### QUALITY SALES & SERVICE OF:

# ARMED ROBBERY AT 7-11

**Submitted by Stony Plain/  
Spruce Grove/ Enoch RCMP**

On February 3, 2018 at approximately 2:00 am Spruce Grove RCMP responded to an armed robbery and bomb threat at the 7-11 on Spruce Ridge Road. A lone male entered the

7-11, showed the clerk a bulge in his shirt and stated that people had strapped a bomb on him. The clerk handed over an undisclosed amount of money and the male left the store on foot.

RCMP were in the area and arrived immediately. As such, they were able to track the sus-

pect by his footprints in the fresh snow to a residence.

The male was located at the residence and identified as Matthew DESPRES, age 28. DESPRES was charged with:

- Robbery
- Possession of a Weapon for a Dangerous Purpose

• Failure to Comply with a Probation Order

DESPRES did not have a bomb on him and there were no injuries to anyone involved.

DESPRES was remanded in custody and will appear in Stony Plain Court on February 7, 2018.

## RCMP BEATS

## WEDDING COSTS: WHAT TO EXPECT

Newly engaged couples may experience an array of emotions when they sit down to plan their weddings. Some couples cannot wait to jump into planning and want to catalog every aspect of the process, while others may proceed with caution because they don't know what to expect - particularly in regard to cost.

Many couples find it difficult to create their wedding budgets because they have no previous experience to draw on. The wedding planning advisor CostofWedding.com indicates the average wedding cost in the United States is \$26,720, with most people spending between \$20,000 and \$34,000. Seventh Heaven Event Catering states that,

in Canada, the average wedding costs around \$30,000. Such costs can vary greatly depending on couples' preferences, including where they hope to tie the knot.

By breaking down wedding expenses, couples can get a clearer picture of how much they may need to pay for their weddings and where they may need to cut costs.

• Reception site: According to The Knot, a premiere wedding planning resource, couples can expect their receptions to eat up the largest chunk of their wedding budgets. Wedding reception venues may cost between \$10,000 and \$15,000. The average price for catering per person is roughly \$70. Bar service may be around \$2,000 for a three- to four-hour party. Some reception sites combine the room cost with the food and beverage costs, while others have à la carte fees.

• Cake: Wedding cakes tend to be multitiered intricate designs, so they will cost more than birthday cakes. According to Statistics Brain, wedding dessert will come in around \$390.

• Music: The Knot says wedding bands cost around \$3,500, which is more than twice as much as hiring a deejay (\$1,200). Soloists or ceremony musicians may cost around \$650.

• Wedding planner: Many couples employ wedding planners to make planning their weddings easier. Wedding planners cost an average of \$1,300, says Thumbtack, a company that matches professionals with people who require their services.

• Transportation: Limousines and other transportation prices vary depending on the vehicle(s) couples choose. The Knot notes that budgeting between \$400 and \$500 for transportation might be wise.

• Wedding gown: Brides-to-be should expect their gowns to cost around \$1,100 and the veil or headpiece to be roughly \$120, according to the Association of Bridal Consultants.

• Photography and Video: Preserving wedding day memories costs around \$2,800 for video and photography services, based on data from Statistics Brain.

The smaller details, such as accessories, gifts, officiant fees, stationery, spa services, and favors can quickly add up as well. Couples should be sure to leave some wiggle room in their budgets for incidental expenses that may pop up.

## FROSTING-FREE CAKES THE LATEST TREND

A new trend is taking hold both in North America and on the other side of the Atlantic Ocean. Cakes are being pared down so that frosting and fondant coverings are now nearly absent from the confections.

They're called "naked cakes," and these simplified desserts showcase the texture of the cakes and their fillings. According to culinary experts, the idea for the naked cake came from Christina Tosi, owner of Momofuku Milk Bar. It's an award-winning bakery with locations across the United States and Canada. Now many other pastry chefs and bakers are hopping on the naked cake bandwagon, with the trend being highlighted by the likes of Martha Stewart and the respected wedding

resource The Knot.

Just because these cakes may be short on exterior buttercream doesn't mean they fall flat on flavor or visual appeal. Cakes can be embellished with fresh blooms, gum paste-molded flowers, edible pearls and gems, fresh berries, and much more. The Knot notes many naked cakes are garnished with flavors that are included in the cake, such as chocolate chips, crumbs, cookie dough, or candy sprinkles.

Couples who are stripping down their weddings to include more basics and natural effects may be drawn to these naked cakes. They're also an option for those who find frosting, buttercream and fondant too sweet for the palate. Naked cakes enable the interior flavors to really shine.

## CHOOSING WEDDING COLOR PALETTES

Some brides may feel beholden to the color white on their wedding days, at least in regard to their gowns. Those who do often embrace the opportunity to showcase their personal styles and set the mood for their nuptials by embracing various colors throughout their ceremonies and receptions.

Color can be a critical compo-

nent when establishing the ambiance for a wedding. Color can evoke certain moods and set the tone for the day. Some colors work better together than others, so while choosing a color scheme may seem like an easy undertaking, some couples may find it requires more careful consideration than they first imagined.

According to the bridal guide *A Practical Wedding*, wedding colors can give couples a starting-off point for all of the other details of their weddings. This ensures the wedding ultimately has a cohesive look. Colors need not necessarily match, but borrowing on similar hues can make it easier to plan wedding party wardrobes, flowers,

table linens, and much more.

Colors can come from anywhere, but many couples try to coordinate their color schemes with the season in which the wedding takes place. In fact, couples who are finding it difficult to decide on a palette can look to seasonal colors for inspiration. For example, pastels and blooming flowers can set the scene for spring weddings, while jewel tones and rich reds and greens may be fitting for winter ceremonies.

Some couples opt for more loosely defined color palettes, such as neutral and natural colors. Country and garden weddings can borrow ideas from the landscape, with natural linens paired with wildflowers. Using whites, grays and beiges enables couples to add a pop of color without overwhelming the setting.

Brides magazine suggests that couples avoid choosing too many colors. A maximum of three with one metallic can ensure that things look cohesive without being over-the-top. Also, brides and grooms needn't feel pressured by the "hot" colors of the moment. As with clothing and hairstyles, trends change. It is better to select colors that will stand the test of time and look good for years to come.

Couples may have to incorporate colors already at their wedding venues into their style. Fortunately many reception sites are outfitted in neutral tones to enable customization.

The wedding resource *The Knot* also says having a basic knowledge of the color wheel can help. Typically, colors that pair well together are those that are opposites on the color wheel. Also, colors that share proximity on the color wheel will have similar tones and play well together. Examples of opposite colors include purples and yellows, reds and greens, and oranges and blues.

Couples should not be afraid to take some chances with their color palettes, especially if they want to make a bold and modern statement.

# YELLOWHEAD COUNTY COUNCIL HIGHLIGHTS

**Submitted by Stefan Felsing, Communications Coordinator | Yellowhead County**

January 23, 2018

**Public Participation Policy** – Council adopted the revised Public Engagement & Communications Policy which includes the addition of public participation options that can be used when looking for public input from residents and other stakeholders. These opportunities for feedback can help better inform decisions made by the County on a variety of issues ranging from open houses and surveys to Public Hearings and public presentations.

**Dust Control Fees Change** – The dust control fee to residents will be formula based, and set at 33% of the previous year’s costs of application. The 33% is currently about the same as the \$200 flat rate fee but will reflect the costs for the suppressant materials as they fluctuate. Dust control will continue to be applied at no charge to school zones, playgrounds, major intersections, and railway crossings.

**Edson Rec-Plex Sale** – A letter is being sent from Yellowhead County Council requesting the Town of Edson to place a suspension on the sale of the Edson and District Recreation Complex until the Town and County have finalized a long-term plan on regional recreation facilities that are used by both Town and County residents in the Edson area.

**New Landfill Zoning** – A new bylaw for landfills specific zoning has received first reading by Council. Any new or proposed landfill or composting facilities would require the developer to apply for the area to be rezoned to this Landfill and Composting (LC) District. This rezoning allows any concerns to be heard at a Public Hearing and helps regulate landfill and composting developments and encourages developers to locate them on Crown land away from residential settlements.

**Bylaw 17.17 Passed** – Passing of Bylaw 17.17 rezones a property located west of Edson Estates from Rural District (RD) to Country Residential District (CR). The rezoning allows the property owners to move ahead with their application to subdivide the property into five additional Country Residential (CR) parcels.

**Assessment Review Board Appointments** – Brian Broughton, David Russell and Sandra Cherniawsky were appointed to the Local and Composite Assessment Review Boards. The Local Assessment and Composite Assessment Review Boards are established for the purpose of hearing assessment appeals and are comprised of both members

of the public and members of Yellowhead County Council as directed by the Alberta Municipal Government Act.

The next Council Meetings are February 13 & 27, 2018. The next Governance & Priorities Committee Meeting is February 20, 2018. All meetings start at 9:30 a.m. in the Council Chambers.

## LOSE WEIGHT WITH THE HEALTHIEST COFFEE ON THE PLANET!

-  HELPS CONTROL APPETITE TO LOSE WEIGHT
-  HELPS PROMOTE HEALTHY BRAIN FUNCTION
-  TASTES AMAZING!

**PREVAIL SLIMROAST**

# WE ARE OUR STORIES. WE ARE KIDS AT HEART.

Submitted by Dan Ivanov, Communications Coordinator | Yellowhead County

This year the Yellowhead County Heritage program will partner with Yellowhead County libraries and the Tipple Park Museum to bring our community a deep slice of local history. We are calling the project: We are our stories.

We'll be talking with current and former locals from every corner of the county and we'll gather stories, pictures, and memories for your

reading pleasure. We hope it'll inspire you to share your stories.

Our first look at the county's past comes courtesy of Joyce Wilkins, former Mountain Park resident.

We are our Stories. We are Kids at Heart.

Decades ago, Mountain Park had a stake in the vitality of the Alberta Coal Branch. This was a small mining town in a sparse constellation of similar towns stretching south of what is now Highway 16.

These towns drew both Canadians and immigrants in search of work.

Joyce's family of her father's side emigrated from the Ukraine and moved to Mountain Park in 1942. "My grandfather initially went to Mountain Park to find work, and then he got hold of my dad and told my father that there was work available in the mine."

The life of an early 20th century miner was a hard one. "I remember at least one miner being killed in the time we were there, and it was our next door neighbor." An older miner had perished in a mine collapse.

The cramped conditions of the

mine even crept into the homes of newcomers. "We lived in a house on top of the hill, which I understood was a railroad car divided in half for two families," notes Joyce, "It was very basic inside. No running water, but we did have power. My mother had a chicken coop so she kept chickens. There was an outhouse of course." In time, those who made a home of the railroad cars would find preferred accommodations—below the hill, regular houses were nested around the local school.

Still, Joyce remembers these houses for their quirks, if you can call staying warm a quirk: "When the wind blew, the linoleum which wasn't glued down, would just lift a bit." The houses weren't well insulated and staying warm was a matter of stoking a stove or coal burning heater and even getting dressed on chairs to avoid frigid floors!

Despite the unease of cold mornings, Joyce reveals that she took everything in stride: "We never remembered it as being sort of uncomfortable. You know how you are as children."

Though the mining town of Mountain Park would shrink and altogether disappear in the 1950s—near a decade after Joyce's family settled there—her and many others' memories still remain. Joyce's childhood stories remind us that hardship or not, parents will strive to bring their children small joys, if not big opportunities. But most incredibly, this Mountain Park kid is proof that childhood is blissful, and children have a knack for making the best of every moment.

The We are our Stories project kindly invites anyone who has a story of the past, whether short or long, to participate! Please contact the Yellowhead County Heritage Department, a Yellowhead County Library branch, or the Tipple Park Museum. We'll gladly provide you with a transcript of your story and digitize any photos you bring to us.

To read this story in its entirety to find out about day-to-day living in Mountain Park and what they did for entertainment including recreation, musical entertainment, and community events go to [www.yellowheadcounty.ab.ca](http://www.yellowheadcounty.ab.ca) and search for We are our Stories.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

5	2	8			1			9
		9	8		5	2	7	
3							1	8
				2				
		4			6			
8	6				4	7		
2				3		6		
4		6		1	8	3	5	
1		3			7			

**ANSWER:**

5	2	8	3	7	1	4	6	9
6	1	9	8	4	5	2	7	3
3	4	7	9	6	2	5	1	8
9	5	1	7	2	3	8	4	6
7	3	4	5	8	6	1	9	2
8	6	2	1	9	4	7	3	5
2	7	5	4	3	9	6	8	1
4	9	6	2	1	8	3	5	7
1	8	3	6	5	7	9	2	4

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
