## YELLOWHEAD COUNTY MAYOR GERALD SOROKA RUNS FOR VACANT MP SEAT

Submitted by Gerald Soroka

Yellowhead County Mayor Gerald Soroka has entered the race for the Conservative MP nomination in the Yellowhead Riding. Soroka made the announcement amid a gathering of supporters at the Galloway Station Museum in Edson on April 17.

With Conservative MP Jim Eglinski's announcement on January 9 that he won't be seeking re-election in 2019, the seat will become vacant. He will continue to serve until the next election is called. "After 52 years of public service it is time to retire,"

said Eglinski.

Gerald Soroka knows how important it is to have a strong voice for rural communities in Ottawa. He grew up on a family farm just north of Evansburg and has lived in the County all his life. "I still live on our original homestead from 1930."

Soroka has been representing constituents in the area for nearly 14 years and points to his proven track record. "I was a Yellowhead County Council member since 2004 and the Yellowhead County Mayor since 2007."

Yellowhead County Mayor Gerald Soroka announcing on April 17 that he has entered the race for the Conservative MP nomination in the Yellowhead Riding.

## SMALL TOWN MARKET WITH LIVE ENTERTAINMENT

Submitted by Terrie Stone, Library Manager | Wildwood Public Library

Wildwood Public Library & Visitor Information Centre is the Hub of this Community. We have so much local creative talent in our community & surrounding. We felt it was time to showcase those talents again.

Three years ago we hosted a Giant Parking Lot Market with Live Entertainment, (the Mathy Family from Germany.) They sang and played all sorts of musical instruments. They sound-

ed very similar to the Von Trap family. We had appr.150 visitors that day.

This September 8th we will be hosting another Giant Parking Lot Market with Live Entertainment. This year we have booked to perform, Dallas Arcand Jr. Three time World Champion Hoop Dancer, Inspirational Key Note Speaker, Musician, Storyteller, Advocate for Anti-Bullying and Healthy Life Choices. Dallas performed at the 2018 Olympics and he has danced for the Queen! Within 24 hours of posting this event on Face Book,

we received over 1100 views, which is huge for us!

We know that we have people coming from all over Alberta and some from B.C. as well. We expect a minimum of 300 people for this event. We already have 11 vendors booked and they all contacted us!

Our Market Vendors will be open for business from 10:00-3:00. Dallas will perform from 1:00-1:45. Barbecued lunch sales go from 11:00-2:30. We have activities for kids (weather permitting).

**WSFA FAMILY BARBECUE BINGO**

Friday, April 27 6:30pm  
(Doors open 5:30pm)

Win steak, chicken & pork prizes.  
at Wabamun Jubilee Hall

Players of all ages welcome. Special kids only and adults only bonanzas.

# PARLIAMENT UPDATE – WEEK OF APRIL 16, 2018

**Submitted by Jim Eglinski, MP – Yellowhead**

This week, we covered topics including Budget 2018 and the ongoing Trans Mountain Expansion Project crisis.

The following was debated in the House:

- Bill C-25 – An Act to amend the Canada Business Corporations Act, the Canada Cooperatives Act, the Canada Not-for-profit Corporations Act, and the Competition Act (Consideration of messages between the Senate and the House of Commons)
- Bill C-74 – Budget Implementation Act, 2018, No. 1 (Second Reading)
- Bill C-330 – An Act to amend the Controlled Drugs and Substances Act (landlord consent) (Second Reading)
- Bill C-395 – Opportunity for Workers with Disabilities Act (Second Reading)

• Bill C-396 – An Act to amend the Department of Industry Act (financial assistance) (Second Reading)

• Bill S-210 – An Act to amend An Act to amend the Immigration and Refugee Protection Act, the Civil Marriage Act and the Criminal Code and to make consequential amendments to other Acts (Second Reading)

• Emergency Debate – Trans Mountain Expansion Project  
On Monday, I had the pleasure of meeting with Avery Pelz, a young constituent and student from Edson. She was visiting Ottawa as a participant of Encounters with Canada.

On Tuesday, in the House of Commons, I had the opportunity to recognize a local constituent. Ciera Knight, a 24 year-old from Edson, is currently at the base camp of Mount Everest and will attempt to summit the mountain between May 20 and 26. You can

read comments, speeches, and debates in the House on the corresponding day's Hansard at [www.ourcommons.ca/en](http://www.ourcommons.ca/en).

In the Standing Committee on Canadian Heritage (CHPC), we continued our study on cultural hubs and cultural districts in Canada. We also continued our study on the state of Canadian museums. For more information on these meetings, visit the CHPC Committee website at [www.ourcommons.ca/Committees/en/CHPC](http://www.ourcommons.ca/Committees/en/CHPC).

This week, I attended seven meetings four events. I will return to the riding on Thursday to attend an event in the riding. The House will not sit on Friday to accommodate the Liberal national convention that kicked off Thursday in Halifax. I will return to Ottawa on Sunday as the House will resume on Monday. Look for my update next Friday on the happenings of Parliament.

**JOKE OF THE WEEK**

Today I went to a barber's shop for a shave. The barber asked me to put a small wooden ball in my mouth so he could get a closer shave around my cheeks.

I asked: "But what if I swallow the ball?"

He replied: "No problem sir, you just bring it back tomorrow like everybody else."

**OPEN LATE ON WEDNESDAYS**

Our clinic is now open until 7pm every Wednesday to accommodate the busy schedules of our clients.

# LAKEWELL 4-H MULTI CLUB REPORT

**Submitted by Jean Henderson | Lakewell 4-H Multi Club**

The Lakewell 4-H Multi Club has had a lot going on this past month. The District Fun Day was on March 10th. Everyone that attended had lots of fun and they can't wait to see what's in store for next year! The food drive went really well. Lakewell would like to send out a great big thank you to everyone who donated. We ended up with enough food to make four large hampers to give to families in need around the area. Please keep in mind that the need is great all year long and most food drives are at Christmas. Don't forget that there are a lot of holidays that people don't celebrate simply because they can't afford to. Also March 10th was the day the Cleavers had their Chick Day. All the Cleavers enjoyed it

and all the chicks are well. On Friday, April 6th some of our members and parents went to the Darwell Cow Palace to help the Darwell Ag Society clean the barn.

One of our senior members, Mariah Corbiere, was accepted to attend Selections. Selections are an opportunity to meet other senior members and learn about things they might want to be involved in their future. To get into Selections you must be a senior member and must send in your diaries to be assessed. Based on diary points and what is in the diaries members are selected to attend. If they are accepted they receive a package explaining the events as well as the study packages before they head off to Olds College to compete. What are they competing for? Depending on their grade they could win a trip somewhere in Canada or the U.S. Not every-

one gets accepted into selections so we are very proud of Mariah!

On April 14th we co-hosted the District Multi- judging competition with Alselmo 4-H club. It started at 10:00am at the May-erthorpe Ag barns. Four of our members participated and three of them placed. Regional Multi-judging will be held on April 21 in Barrhead.

We will be participating in the Hwy Cleanup Program set for May 5th – that is if the weather cooperates and the government doesn't move it to the following weekend. If there is anyone out there that would like to give us a hand, we would appreciate the help. Just contact Jean Henderson for information. And remember to watch out for us working hard along Hwy 765.

That is all for this month and we are looking forward to sharing with you next month.

# Yellowhead County Mayor Gerald Soroka Runs For Vacant MP Seat

Continued From Page 1

"In the Fall I ran for Mayor and I had no intentions of going any further. If someone had said on January 1st you will be running for the next Conservative MP—I'd have told them no; I fully supported Jim. In fact I signed up to be on the nomination committee," said Soroka. "It took me several weeks to decide I really wanted to do this."

"I got into politics because I want to make our communities a better place to live, enhance our services and facilities, and the quality of life in our rural areas," said Soroka.

The first step to becoming the Conservative Member of Parliament is to become the Party Representative. "I may have a lot of people who support me but they can't vote for me unless they purchase a Canadian Conservative Party membership," said Soroka. Memberships are \$15 per year and anyone 14 years or older can buy a membership and vote.

A few of the current issues Soroka wants to tackle as MP include seeing the pipeline completed, coal and jobs, housing problems, finding a solution to the Caribou issue, the Mountain Pine

Beetle problem, and rural crime.

"The laws and the courts are almost making crime into a viable business where criminals have more rights on your property than anyone else," said Soroka. "It's become a catch and release program and before this becomes a vigilante system we need to strengthen our legal system."

"With the Pine Beetles and Caribou, you need to have someone that understands these issues and can fight for industry and the ecosystem," said Soroka. "The ecosystem is out of balance and if we don't continue managing it properly we are going to do more harm to the Caribou than just walking away."

"I feel I have strong leadership abilities and I understand the issues faced by our rural communities. I am going to do my best to represent your issues and concerns at the federal level—and with your support we can make that happen," said Soroka."

Soroka can be reached at 780-241-0241 or by email: [geraldsoroka@gmail.com](mailto:geraldsoroka@gmail.com). For more information go to his website at [www.geralsoroka.com](http://www.geralsoroka.com).

The 43rd federal election is scheduled to take place on or before October 21, 2019.

# PURE POTENT CBD DROPS

## The World's Purest CBD Oil

• 500mg • 750mg

### Organic Non GMO

CBD is in a class of its own - affordable, high quality, and convenient!

## WHAT IS CBD?

**Cannabidiol (CBD)** is just one of over 85 cannabinoids that is identified in the cannabis plant. CBD is becoming increasingly popular amongst the masses for having a wide scope of medicinal benefits - due to clinical reports and mounds of test data showing little to no side effects and a lack of psychoactivity (typically associated with marijuana products and high THC).

Our CBD products are made with certified organic hemp grown in Colorado & Kentucky and we are 100% free of any synthetic or artificial ingredients. We have a very potent and high purity level in our products. Everything is tested in an FDA Approved facility and our products contain 0.3% THC.

## Benefits of CBD Oil

- Reduce Nausea & Vomiting
- Suppress Muscle Spasms
- Reduce Seizures & Convulsions
- Promotes Health
- Promotes Brain Tissue & Bone Growth
- Fibromyalgia Pain
- Reduces Blood Sugar Levels
- Antibacterial
- Anxiety & Depression
- Reduces Nicotine Cravings
- Digestive Aid
- Anti-Psychotic
- Ringing Ears - Tinnitus
- Inhibits Cell Growth in Tumors

## CBD HEALTH BENEFITS

### Mental & Brain Health

CBD affects principal cannabinoid receptor in the brain promoting a healthy state of mind.

### General Health

Cannabidiol has incredible medicinal benefits and will improve overall wellness.

### Healthy Balance

Cannabidiol helps restore healthy balance to the endocannabinoid system.

## DISTRIBUTORS NEEDED! Home Based Business MLM

## FOR PETS

### CBD Dog Treats and 250mg CBD Oil for Pets

- Highest Quality Ingredients
- Natural

# KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

Submitted by Nikki Gilks, Manager, Communications Services | Grande Yellowhead Public School Division

• Trustees revised Board Policy 01 – Division Foundational Statement with a new vision, mission and core values for the jurisdiction. Please visit the website to see the new policy in its entirety.

VISION - Our school division endeavours to provide each student with the opportunity to fulfill their potential and pursue their dreams.

• The board welcomed the division's new Secretary-Treasurer, Cindy Wang, who spoke to the board in regards to

the 2018-19 Budget Allocation Model. Alberta Education's funding framework allocates funds to school boards to provide educational services to students for instruction, transportation, facility operations and maintenance.

• As part of its monthly review process, trustees discussed attendance at upcoming events and celebrations noted in the board's annual work plan.

• Superintendent Lewis provided a current overview of the results from the latest OurSchool Survey data. GYPSD has administered the Our School survey in all schools for students in Grades 4-12 for the past four years. In addition, the OurSchool survey was combined with the Alberta Education's Accountability

Pillar survey during the first three years. These surveys afford schools and the division a means to measure their success and challenges in meeting identified objectives, and assess their progress towards meeting their students' learning goals. OurSchool combined with the Alberta Education Accountability Survey questions through the lens of the following measures:

- social-emotional outcomes
- physical health outcomes
- academic outcomes
- drivers of student outcomes (quality instruction, school context, classroom context, and family context)

• The board received information on carbon tax levy expenses since January

2017. The province implemented a tax on carbon dioxide emissions from burning fossil fuels used for transportation and heating. The transportation department has tracked these expenditures as an additional \$30,000 cost to their budget to date.

• A tentative schedule for the 2018 Education Week events and celebrations happening in schools throughout the division during the week of April 30 to May 4, 2018, was shared with trustees. A full schedule of events will be posted on the division's website at the end of April.

• There are currently nine full time Family School Liaison Counsellors (FSLC) working in all Grande Yellowhead schools who provide additional supports and resources for students and their families. FSLCs have many referrals coming in for support related to family difficulties (ie. domestic violence parent-child relational difficulties, poverty, parental mental health needs requiring hospitalization, divorce and separation), anxiety and depression and lagging social skills.

• Students in Grande Yellowhead are supported by three different Regional Collaborative Response Delivery Systems who enable effective collaboration between Children's Services, Community and Social Services, Education, school authorities, Health, Alberta Health Services, First Nations and community organizations at the local, regional and provincial levels. Funding is to support resources and services needed unique to each community including access to speech language and occupational therapy specialists.

• Superintendent Lewis noted discussions around staffing changes for the upcoming school year are beginning. To support leadership development and succession planning, she is investigating a number of administrative position changes within the division. Schools that currently have principal vacancies are Wildwood School, Grand Trunk High School in Evansburg, and Sheldon Coates School in Grande Cache. In Hinton, Principal Kurt Scobie from Crescent Valley School has been reassigned to École Mountain View School i, and Principal Robin Hengel from Mountain View is reassigned to Crescent Valley as of September 2018, to share their expertise and expand their instructional leadership skills with each other's school communities. A new position for an Assistant Superintendent of Secondary Learning/ Programming was also recently posted for the division. "We have excellent leaders throughout our jurisdiction, but we need to continuously seek opportunities that support their development and instructional leadership skills," noted Superintendent Lewis when presenting to the board. "We have a number of leadership positions currently available, and dependent upon the successful applicants, we may have others open up for other aspiring leaders for the upcoming school year. Busy, but exciting times ahead for GYPSD."

# WILDWOOD SENIOR CITIZENS CLUB 2018

**Submitted by Marilyn Nepper | Wildwood Senior Citizens Club**

The 2018 Seniors' Club President is Margaret (Jean) Riehl; the Vice President is Anna Hutchison; the Treasurer is Charlotte Winters; and the Secretary is Esther Johnston. The Directors for 2018 are Joan Brown, Opal Buckland, Richard Buckland, Connie Gatzke, and Michael Johnston.

On Wednesday, April 25, 2018, Anna and ladies are preparing the second fundraiser supper at the Wildwood Seniors Centre at 5:00 pm. Please come and enjoy the evening with local seniors and friends. We can accommodate 65 people. The meals are open to everyone with a reduced fee for children under 10 years of age. Watch for the green posters with information on the menu. Please mark your calendars and come in to enjoy the evening.

We have a Silent Auction currently setup at the Centre with over 100 items. It closes on April 25, the same night as our second meal. The Silent Auction at the centre has been open to view and bid for a few weeks. There are books, sewn items, exercise machines, etc. Drop in to check the auction out; you might find something you are looking for on the tables. The hall is open Friday, April 20, and Saturday, April 21, from 10:00 to 3:00 pm, on Monday, April 23, from 1:00 - 3:00 pm and Wednesday, April 25, from 3:00 to closing after the supper. Drop by for coffee, a visit, cards, game of pool, etc. to see what we have to offer. Successful bidders will be contacted to pick-up your item(s).

Our current activities include Monday from 1:30 am to 4:00 pm to drop in and socialize, to bring a project, to bring friends if wanting to play cards or games or even to play pool. Connie is handling this function. The chair exercises taught by a Registered Instructor are Tuesdays and Thursdays. If you want further information, please contact Opal at (780) 325-2030. Community Kitchen, funded by Lobstick Literacy and Learning, is on the

3rd Tuesday of each month running from September through June. Please call Donna Marie at 780-325-2333. The Grandparent Program runs Wednesdays from October through May. The Program partners with Grade 4's from the local school with FCSS funding from Yellowhead County. The contact is Connie at 780-325-2420. The third and fourth Friday and the third and fourth Saturday each month, the centre is open for quilting / crafting from 9:00 am to 4:00 pm allowing quilters, crafters and painters two days together

to work on their projects. Bring your quilt or craft and resources to work on it. There is a drop-in fee. You can contact Anna at 780-325-2425 or Jean at 780-325-2391. Please call the contact person for more information regarding the listed functions.

Our Hall is available for rent for private functions, special occasions, craft days, parties, birthdays, anniversaries, etc. Jean (780-325-2391) and Charlotte (780-325-3787) will provide more information and handle bookings. The hall is a No Smoking,

No Alcohol area. We strive to be fragrance / scent-free too. Thank you to Keith and Lana Leakvold for keeping our sidewalks clean and free of snow and ice.

We have various committees within the club. If you are interested in joining and socializing, please contact our members. Volunteers are needed everywhere. If you have some time to donate, a skill to share or having fun with others sharing the same interests along with socializing, please consider our club. Enjoy 2018 with "family and friends!"

# Spring 2018 HomeRENO

The Businesses in the following Guide can be your One Stop Solution to all your Renovation Needs!

## CORRAL ENTRYWAY CLUTTER

The entryway to a home is the first thing guests experience when coming inside. It also can be the first place residents drop their belongings after long days at school or work. As a result, entryways can quickly be consumed by clutter. Taming such messes takes a mixture of ingenuity and planning.

Homeowners hoping to clear their entryways of clutter must first decide what they want to get out of the space. Will it simply be a decorative spot with photos and other home decor on display? Or is functionality the primary goal?

Once that decision has been made, take inventory of which items, such as shoes, keys, umbrellas or coats, need to be in the area, which don't (i.e., old mail). To make things more organized, rearrange the former while removing the latter.

Next it is time to assess storage needs and what's already available.

User-friendly storage items may need to be purchased to make the room as functional as possible. The following ideas also can help bring order to the space.

- Create a command center. Create a central location where items are neat, orderly and within reach. Use a bulletin board, dry-erase calendar or something that can house schedules and important notices. Hooks can hold keys, chargers and more.
- Keep it covered. Covered bins can serve as a seating area and also a place to store shoes, hats and scarves.
- Create cabinet space. Store items in cabinets so they are organized but out of sight. This way belongings are not just left on an entryway table.
- Create another drop zone. If the entryway is too small to serve its purpose, outfit another room or area that also can do the job. This can be

a laundry room or mudroom area. Install shelves, a bench, cabinets and hooks. Just be sure this space is close enough to the entryway to make it useful.

- Go vertical. An easy way to keep things neater is to remove items from the floor and embrace vertical

storage. Shoe racks, hooks for purses and a cabinet for coats may do the trick.

Clutter can accumulate in entryways. But some simple adjustments can quickly revamp the space to make it neater and much more functional.

# CREATE A TEEN-FRIENDLY SPACE AT HOME

Teenagers are busier than ever before. But even the busiest teens need places to unwind and relax with friends. Many par-

ents aspire to create that type of environment in their homes but don't know where to begin.

Having teens close by and in-

teracting with them on a regular basis can benefit families. Data from the National Center for Education Statistics notes that parental involvement correlates to higher grade point averages. Research from the National Highway Traffic Safety Administration says certain parenting styles, including those that set rules and monitor teens in supportive ways, develop kids who are more likely to wear seat belts while driving, while such support also lowers crash risk. Involved parents also may reduce the chances of teen drug use and promiscuous behavior.

Parents who want to keep teens nearby can create hang-

out spaces at home that make it easy for teens to feel comfortable with their friends. These "teen caves" can be private but permit supervision when necessary. With a few modifications, it's possible to transform a room in a home into a teen-friendly hangout space.

- Talk to your children. Involve teens in the process of renovating a home to create a spot in which they would like to congregate. Talk about elements they would like to see in the space, whether it be a particular design style, technology or activity.

- Establish a shared budget. Paint is inexpensive and

## Create A Teen-Friendly Space At Home

can transform just about any room in a single afternoon. If the room being renovated is the teen's own bedroom, allow him or her to choose the color palette and other accents. Even if it isn't to your taste, he or she will be proud of the results and may want to share it with friends.

- Have a snack station. Some teenagers always seem to be hungry, and hanging out with friends while enjoying food is a popular pastime. When renovating a room into a teen cave, find a way to make food a focus. Install a mini-refrigerator and non-alcoholic bar where kids can serve snacks to friends. Think about a space you would like as an adult and modify it to be more accommodating to

teenagers.

- Add more seating. Having friends over means having enough seating to handle a small crowd. Beanbags, cushioned benches, a daybed, modular seating, and more can ensure everyone has a place to sit.

- Make a private outdoor spot. Teen spaces do not need to be restricted to the indoors. Design advice site Houzz says an outdoor escape zone that includes comfortable seating in a private area - particularly a spot that can also be enjoyed into the evening - will be a coveted spot.

- Invest in "indestructible" materials. Teenagers are bound to make messes, and having other people over means

contending with a certain measure of damage. Design the space with indoor-outdoor carpeting, water-resistant fabrics, distressed wood, and other durable materials.

Adolescents are always looking for spaces to gather without overbearing adult interference. Homeowners can create such spaces for their children in their own homes.

# WEATHERIZING TO SAVE MONEY AND ENERGY

Homeowners know that maintaining a comfortable home can be a lot of work. As one project is completed or addressed, another may pop up. In spite of the hard work that can go into maintaining a home, many homeowners would agree that such efforts are well worth it

to feel safe and comfortable inside one's own home.

Weatherization is one of the ways to make a home more comfortable while also saving money and energy. Some weatherization projects may be best left to the professionals, while others can be tackled

by homeowners themselves. The following are some projects homeowners can expect to encounter as they weatherize their homes or work with professional weatherization services.

- Home energy audit: The U.S. Department of Energy notes

that the purpose of a home energy audit is to give homeowners a complete picture of how they consume energy. Audits can shed light on how much energy is being consumed and if there is anywhere in the home where energy might be going to waste. Audits should be conducted before beginning any weatherization projects. Professional auditors may give advice on which areas of the home should be addressed first, while DIYers who conduct their own audits can make a list of issues before determining where to start.

- Leakage: Homeowners may think leakage only poses a problem in winter, when cold air can creep in through cracks around doors and windows and make residents cold, forcing them to raise the temperature on the thermostat. But leaks can affect comfort levels and energy bills during the summer, too, forcing homeowners to adjust their air conditioners to ensure a home is cool on hot days. Choose a cool, windy day to inspect for drafts around doors and windows. The DOE notes that air leakage can adversely affect indoor air quality and contribute to moisture problems that can affect occupants' health.

- Insulation: A poorly insulated home will cost more to heat in winter and more to keep cool in summer. The DOE notes that heat flows from warmer to cooler until there is no longer a temperature difference. So during winter, heat will flow from heated living spaces to unheated areas of the home, including attics and garages. In summer, heat will flow from the outdoors into the home. Properly insulating a home will decrease this flow of heat, ensuring homeowners aren't paying to heat rooms they don't use in winter or paying more to keep rooms cool in summer because heat is flowing in from the exterior of the home.

Weatherizing a home is a great way for homeowners to reduce their carbon footprints and save some money.

## TRANSFORM BATHROOMS WITH TECHNOLOGY

Technology is infiltrating every room of the house. Many new home buyers are millennials, and this tech-savvy demographic covets technological innovations.

A recent survey by Better Homes & Gardens Real Estate indicates 77 percent of Generation X and Y home buyers want their homes equipped with the tech capabilities they have grown accustomed to. Many of these involve smart innovations, including those that can transform one of the most private rooms in the house - the bathroom.

Automated home theater rooms and Wi-Fi-enabled home security systems have become the norm, but what tech improvements are available to make the powder room more in touch with today's digital lifestyle? According to the home improvement resource The Spruce, bathrooms have the most potential of any rooms to be improved with technology. The following are just some of the bathroom gadgets and gizmos no one should resist before giving a try.

• Automatic faucets: Infrared sensors have been helping keep public restrooms more hygienic for years. The same technology can be used in home bathrooms to curtail water waste and keep faucets and sinks from becoming infested with germs. In addition, faucets with built-in timers can be programmed to set tasks for brushing teeth or washing your face.

• Musical shower: Instead of having to blast the volume on the portable speaker you use in the bathroom, a wireless speaker is built into some showerheads. This enables those who like to sing in the shower or listen to podcasts while washing up to enjoy this luxury effortlessly.

• Smarter weight management: Bathroom scales have gone high-tech as well, with various options enabling users to measure weight, BMI and body fat percentage before sending the data wirelessly to a phone, tablet or computer. This can put you in greater control of fitness goals.

• High-tech toilets: Borrowing ideas from bidets and trends around the world, modern toilets do not require hands or paper. These toilets

have temperature-controlled water, spritzing wands and air dryers to clean and sanitize. Self-cleaning toilets help busy professionals save time and are ideal for those who always want their bowls as clean as possible. And if you desire extra comfort, toilet seat warmers are available, while LED lights can make nighttime re-

stroom visits easier.

• Soaking tubs: As fast as stand-alone showers were introduced to the modern bathroom, tubless designs have been replaced with streamlined soaking tubs. Tubs come with different features, including chromatherapy, which employs colored lights to enhance mood. Air baths are

controlled electronically and provide different levels of sensation for those who are skipping the hot tub.

Round out these innovations with automated lights, chilled medicine cabinets and aromatherapy, and your bathroom will indeed become a technological spa.

# SUDOKU OF THE WEEK

## Fun By The Numbers

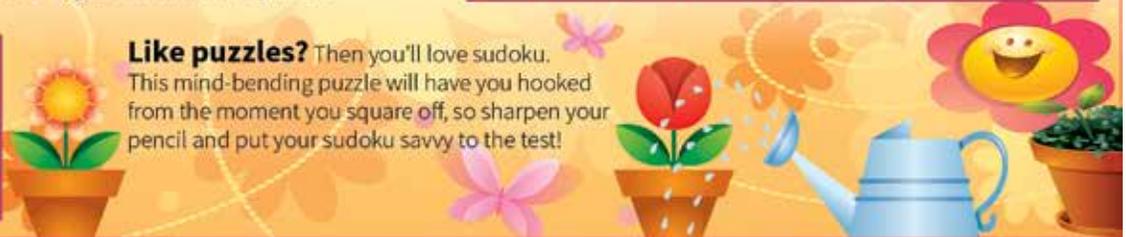

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

		8			1		2	9
1					7			3
9		6			3	8	1	5
	1					3	4	6
		4	6	3		2	9	
			1			5	8	
5			4	9				
8		1						4
		7			2	6		

**ANSWER:**

3	4	8	5	6	1	7	2	9
1	5	2	9	8	7	4	6	3
9	7	6	2	4	3	8	1	5
2	1	5	8	7	9	3	4	6
7	8	4	6	3	5	2	9	1
6	3	9	1	2	4	5	8	7
5	6	3	4	9	8	1	7	2
8	2	1	7	5	6	9	3	4
4	9	7	3	1	2	6	5	8

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
