## MLA ONEIL CARLIER ADDRESSES TRANS MOUNTAIN PIPELINE ISSUE

**Submitted by MLA Oneil Carlier, Whitecourt Ste. Anne**

This past week, the Legislature has been on a break and I have spent my time in the constituency talking to constituents. I've been hearing from you about things that matter to you most such as Health Care, Education, Infrastructure and essential services.

The one issue I am hearing the most about, however, is pipelines. So, I would like to give you an update on that issue.

Premier Rachel Notley has been relentlessly fighting for Alberta, both in public and at the negotiating table, because Albertans deserve the best—and

fairest—return on our resources.

With the B.C. government threatening endless delays to Trans-Mountain's construction, I and our entire caucus proudly passed Bill 12 in the Legislature, which gives us the power we need to restrict the export of natural gas, crude oil and refined fuels. The Premier is now fully prepared to turn off the taps of resources flowing to B.C., if the path to building that pipe is not cleared immediately.

It is critical to get the Kinder Morgan pipeline built. Our province and our communities need the revenue that will be generated by the pipeline to support such things as hospitals, seniors

facilities, low income housing projects, repaving of highways including Highways 22, 37 and 43 as well as Community Facility Enhancement Program and Community Initiative Program grants to name a few.

That's why the only outcome we'll accept is that the Trans-Mountain Pipeline expansion gets built. End of story.

Meanwhile, UCP leader Jason Kenney is not helping. He's talking Alberta's chances down instead of backing our efforts. He can't keep his story straight, first agreeing we could invest in the pipeline, then saying funding it is wrong.

## FIRE BAN FOR LAC STE. ANNE COUNTY

**Submitted by Randy Schroeder, County Fire Chief | Lac Ste. Anne County**

The Fire Hazard Rating for Lac Ste. Anne County is EXTREME. As a result, the Fire Advisory has been upgraded to a COMPLETE FIRE BAN, effective as of May 24, 2018, until further notice.

No new Fire Permits will be issued, and all existing Fire Permits are hereby cancelled.

This Fire Ban affects all burning, including cooking / warm-

ing fires (backyard fire pits and campground fire pits), brush pile fires, slash pile fires AND the use of burn barrels. This Fire Ban also includes backwoods or random camping areas, charcoal briquettes, deep fryers (e.g. turkey fryers), tiki torches and wood fires in outdoor recreation facilities such as group campsites, gazebos, tee pees, and wood burning stoves inside tent-like structures. Additionally, Fireworks discharge permits will not be issued at this time.

Please report any wildfire to

9-1-1. Provide the exact location to 911 to assist Lac Ste. Anne County Fire Personnel in locating and extinguishing these fires in a timely fashion. Your cooperation is greatly appreciated.

Additional information may be found on [www.albertafirebans.ca](http://www.albertafirebans.ca).

For further information, please contact the Lac Ste. Anne County Fire Services Department at 1.866.880.5722 or 780.785.3411, or through the County website at [www.LSAC.ca](http://www.LSAC.ca), or [www.countyfire.ca](http://www.countyfire.ca).

# MAJOR CRIMES NORTH LAY CHARGES IN FATAL PEDESTRIAN HIT & RUN

Submitted by Thorsby/  
Breton – RCMP Major  
Crimes North

UPDATE #5  
Thorsby, Alberta – The RCMP Major Crimes Unit have made an arrest and laid charges against 27-year-old Mitchell Robert Sydlowski of Spruce Grove in the death of Ki Yun Jo.

On October 6, 2017 a hit and run occurred at the Fas Gas service station resulting in the death of 54-year-old Ki Yun Jo. A stolen white cube van was seen to flee the Fas Gas after not paying for gas. The owner of the service station, Ki Yun Jo, made efforts to stop the van and was fatally injured when he was struck by the van.

The RCMP Major Crimes Unit

(North) took carriage of this investigation and have been diligently investigating, including following up on all possible leads. This incident was witnessed by several people and impacted the community. On May 25, Sydlowski was arrested by the RCMP at the Edmonton Remand Centre. He has been charged with: Second degree murder, fail to remain at the scene of an accident causing death, possession of property obtained by crime over \$5,000 and theft under \$5,000. A bail hearing was held on May 26 and the matter has been set over to Tuesday, May 29 at the Provincial court in Wetaskiwin.

"An investigation into a homicide remains active until it's solved" says Sergeant Bryce Long of the RCMP Major Crimes Unit. "Our team has worked hard on this investigation, and seeing these charges laid brings a great sense of closure not only to the Major Crimes Unit, but to the community at large and particularly the family of Ki Yun Jo."

**JOKE OF THE WEEK**

One day, a little girl is sitting and watching her mother do the dishes at the kitchen sink. She suddenly notices that her mother has several strands of white hair sticking out in contrast to her brunette hair. She looks at her mother and inquisitively asks: "Why are some of your hairs white, Mum?" Her mother replied: "Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turns white." The little girl thought about this revelation for a while and then asked: "Mumma, how come all of grandma's hairs are white?"

# CALL FOR HOSTS FOR SIXTH ANNUAL OPEN FARM DAYS

Submitted by Renato Gandia, Press Secretary, Agriculture and Forestry | Government of Alberta

Farmers and ranchers are invited to share stories, educate and expand their markets as hosts for Alberta Open Farm Days on Aug. 18-19.

Producers and ag-tourism operators can sign up using the on-

line registration form available at the Alberta Open Farm Days website. The application deadline is May 31.

"Our government is focused on supporting the development of Alberta's local food sector, and Open Farm Days promotes local producers and agri-businesses. It offers Albertans a first-hand look at where and how our

food is produced and gives this growing sector an opportunity to showcase the significant contribution it makes to our province."

- Oneil Carlier, Minister of Agriculture and Forestry

"The continued growth of Open Farm Days demonstrates that it's a hit with Albertans and helps the province's producers and agri-businesses recognize their ag-tourism potential. Whether it's sharing stories on where our food comes from or showcasing everything rural Alberta has to offer, I encourage farmers and ranchers to open their gates, get involved and take advantage of this incredible opportunity to expand their markets and grow ag-tourism."

- Ricardo Miranda, Minister of Culture and Tourism

This year's Open Farm Days follows a record-breaking 2017 event that included:

- more than 20,000 visits
- \$146,000 in on-farm sales

"Good Morning Honey is a family-owned apiary, covering a diverse area of natural land and farms just west of Edmonton. We are participating in Open Farm Days because we want to share our story; Alberta's story of producing some of the finest honey enjoyed by thousands of consumers across North America, Asia and Europe. We want to connect directly with our customers and fans of all things related to bees!" - Amber Ozero, owner/operator, Good Morning Honey Ltd.

Alberta Open Farm Days is a partnership of Alberta Culture and Tourism, Alberta Agriculture and Forestry, the Alberta Association of Agricultural Societies, the Alberta Culinary Tourism Alliance and Travel Alberta.

# RIDING UPDATE – WEEK OF MAY 14, 2018

**Submitted by Jim Eglinski, MP – Yellowhead**

Parliament was down for the week and I was happy to spend some time in the riding. I spent most of the week in the Edson office, meeting with constituents, returning phone calls, and planning my summer travels throughout Yellowhead.

On Saturday, I will have the pleasure of attending the Big

Horn Rodeo Parade, hosted by Caroline's Chamber of Commerce. With the theme Wild, Wild West, I am sure there will be a lot of cowgirls and cowboys! With rodeo season entering full swing, I want to encourage everyone to come out this summer and support your community's local stampede.

I also want to remind everyone that I am always an email or phone call away. Since my

re-election to office in 2015, I have met many of you in my travels throughout the riding. Please never hesitate to get in touch with my Edson office should you require federal assistance, wish to meet with me, or are holding an event you would like me to attend. Also, if you find yourself in Ottawa, don't forget to contact my Ottawa office and I would be more than happy to welcome you, arrange

a tour of Parliament, and reserve tickets for you to attend Question Period.

I will return to Ottawa on Sunday, as the House of Commons is scheduled to sit for the next five weeks before the summer break. Look for my update next Friday on the happenings of Parliament.

## MLA Oneil Carlier Addresses Trans Mountain Pipeline Issue

**Continued From Page 1**

Not to mention, he spent 20 years in Ottawa and failed to get a pipeline to tidewater built. Plus, while he was there, he bailed out the auto sector – but now thinks Albertan projects aren't good enough to receive the same deal? He even said no pipeline project is a national priority.

But, regardless of his antics, Premier Notley has maintained

a razor-focus, because the Trans Mountain expansion is our #1 priority. Unlike the UCP, we aren't flip-flopping on whether we support it, or how to get it built. That's why our government is the only one who can get this done.

Every step of the way, Premier Notley has taken a consistent and careful approach to make sure that we win this fight and get the right outcome for Albertans. And it's her leadership that

has pushed the federal government to move forward.

Now, finally, Ottawa is starting to take action on their jurisdiction, by getting tough with the B.C. government and proposing to backstop the pipeline – and it's because Premier Notley has been a strong, unwavering advocate for Alberta and this project. She's also helped convince a majority of Canadians that the pipeline is good for the entire country, including folks in B.C.

I am so proud to have a Premier who is steadfast in sticking up for Albertans and our fair share. Because at the end of the day, this pipeline is what's best for Alberta.

That is why Premier Notley and your government will not give up until this pipeline is built. The stakes are too high for Albertans, and all Canadians, to let up now. We're almost across the finish line, and we will get the job done.

Oneway Minor Hockey Association is a nonprofit organization committed to providing the youth of Oneway and area with a positive and healthy environment to participate in hockey.

As an organization we strive to provide kids a place to play hockey at a reasonable cost. While hockey is an enjoyable and rewarding activity for those that can participate, the ever increasing costs of ice time and equipment make it difficult for families to keep their kids involved in hockey.

Our organization has held our fees as low as possible over the years in order to allow as many kids to play as possible. With our fees where they are we have been able to cover our day to day costs and thanks to our past sponsors of jerseys the kids have been able to wear some new jerseys with pride. But we have been unable to keep up with replacing our jerseys. It is our goal to replace all of our jerseys over the next few years.

This year we are hoping to replace 2 sets of jerseys for 2 of our teams. As such we are hoping to solicit sponsorship for the upcoming season. We have many different levels of sponsorship that may interest you (see attached sheet). We feel that the exposure gained from sponsorship in our organization will benefit your company. We hope that you will see the benefit in supporting the kids in our organization.

If you have any questions please don't hesitate to contact me. We look forward to hearing from you.

### Levels of Sponsorship Jersey Sponsorship

**\$1500 - Jerseys (19)** – You will get your company name/logo on one set of jerseys for the life of those jerseys. You will also get a half page add in our Game Program.

**\$500 – Jersey Patch** – We will get a patch made up with your company name and logo on it. The patch will be sewn onto one set of jerseys (home and away) for the year. If you choose to renew for the following year you can do so at a reduced rate. You will also get a ¼ page add in our Tournament Program. Oneway Minor Hockey will be putting together a Tournament Program this season. Our game programs will be handed out at every tournament. With tournaments there will be approx 50-60 games this upcoming season with exposure to many people who may be interested in your services. We feel that this is a great opportunity for area businesses to promote themselves and their products.

# PARLIAMENT UPDATE – WEEK OF MAY 21, 2018

**Submitted by Jim Eglinski, MP – Yellowhead**

This week, we covered many topics including sustainable development, electoral reform, rural crime, and net neutrality. We will now be sitting until midnight every evening (except Fridays) as the House will only sit for four more weeks before the summer break.

The following was debated in the House:

- Bill C-47 – An Act to amend the Export and Import Permits Act and the Criminal Code (amendments permitting the accession to the Arms Trade Treaty and other amendments) (Report Stage)

- Bill C-57 – An Act to amend the Federal Sustainable Development Act (Report Stage)

- Bill C-75 – An Act to amend the Criminal Code, the Youth Criminal Justice Act and other Acts and to make consequential amendments to other Acts (Second Reading)

- Bill C-76 – Elections Modernization Act (Second Reading)

- Bill C-330 – An Act to amend the Controlled Drugs and Substances Act (landlord consent) (Second Reading)

- Motion No. 167 – Rural Crime in Canada

- Motion No. 168 – Net neutrality

- Committee of the Whole – Department of Finance - Main Estimates, 2018-19

- Committee of the Whole – Department of Citizenship and Immigration - Main Estimates, 2018-19

- Government Business No. 22 – Extension of sitting hours and conduct of extended proceedings

On Thursday, I participated in debate on Bill C-57, which was originally passed by our previous Conservative Government and aims to make decision-making related to sustainable development more transparent, more certain and subject to greater accountability. I stated:

“I will stand in this House all day long and wave the fact that I think Canada—the provinces of B.C., Alberta, Saskatchewan, and Manitoba, and even a little has been done in Ontario and Quebec—has the greatest, strongest environmental standards in the world, and we produce the cleanest energy, regardless of what it is, whether it is coal, oil,

or gas.”

You can read comments, speeches, and debates in the House on the corresponding day's Hansard at [www.ourcommons.ca/en](http://www.ourcommons.ca/en).

In the Standing Committee on Canadian Heritage (CHPC), we continued our study on gender parity on the boards and in the senior leadership of Canadian artistic and cultural organizations. We also began our review of the Copyright Act, as well as began consideration of a draft report on

the state of Canadian museums. For more information on these meetings, visit the CHPC Committee website at [www.ourcommons.ca/Committees/en/CHPC](http://www.ourcommons.ca/Committees/en/CHPC).

This week, I attended seven meetings and one event. I will return to the riding over the weekend to attend events in Grande Cache, Edson, and Caroline. I will fly back to Ottawa on Sunday as the House will continue to sit. Look for my next update on the happenings of Parliament.

# WHITECOURT TOWN COUNCIL UPDATE

Submitted by Tara Galant, Legislative Manager | Town of Whitecourt

May 22, 2018

Whitecourt Public Transit recently launched the new TransLoc Rider App. The app, which is available for download on Apple and Android devices for free, provides real-time tracking data that will enhance transit service to riders. The app allows riders to:

- Track their bus live;
- Plan a route;
- Find bus schedule information;
- Receive special messages and ser-

vice notifications specific to transit riders;

- Provide feedback on Public Transit service;
- Participate in Public Transit surveys.

Details on the app can be found on [www.whitecourt.ca](http://www.whitecourt.ca) by searching Transit.

Council has awarded the 2018 Street Improvement Program to Knelsen Rock Products Ltd. The Program includes rehabilitation of roadways and the paved trail network, utility cut restoration work, and the Driveway Replacement Program. Information on the construction schedule and locations will be posted online at [www.whitecourt.ca](http://www.whitecourt.ca) and on Whitecourt's Facebook page as details are confirmed.

Recent ice jams along the Athabasca River have caused damage to tree revetments that were placed along the river bank downstream of the golf course. The revetments, which consisted of logs with roots anchored to the bank, were required to be constructed by the Federal Department of Fisheries and Oceans when the river erosion control spurs were constructed. Whitecourt will be working with the Disaster Relief Program to replace the damaged revetments.

The Town of Whitecourt has provided written support to Living Waters Catholic Schools Division No. 42 on its plan to build a new elementary school in Whitecourt. The project, which is the Division's number one priority, is currently identified on the Alberta government's Unfunded Capital Plan.

The Town of Whitecourt has provided written support to Living Waters

Catholic Schools Division No. 42 on its plan to build a new elementary school in Whitecourt. The project, which is the Division's number one priority, is currently identified on the Alberta government's Unfunded Capital Plan.

The Town of Whitecourt has joined municipalities from across the province in support of the Trans Mountain Pipeline Expansion Project. The Alberta Urban Municipalities Association, which represents urban cities, towns, villages and specialized municipalities across the province, has submitted a letter to Prime Minister Justin Trudeau copying the Premiers of B.C. and Alberta, and the federal minister of Natural Resources Canada. The letter voices support of the pipeline project, and urges government effort to bring the project to fruition.

A number of events will be held in the coming weeks that have been approved for street closures:

- West Coast Amusements Carnival - Tuesday, June 5: A portion of 52 Avenue from 49 Street to 50 Street will be closed all day.

- Run 4 Fun - Saturday, June 9: A portion of Sunset Boulevard will be closed from 7:45 to 11:45 a.m.

- Freedom of the City Parade - Saturday, June 9: A parade will close portions of 49 Street, 52 Avenue and 51 Street in the downtown area from 11:00 to 11:45 a.m.

Further information will be posted on social media closer to the event dates to remind motorists of the closures. All closures will impact Whitecourt Public Transit service, and information will be provided to riders regarding re-routing on those days.

DD Contracting and Construction Ltd. has completed the concrete crushing contract for 2018. Over 13,100 tonnes of waste concrete and asphalt are now ready to be reused in 2018 Street Improvement Projects including pathway extension, paving base preparation, and future street, trail, and parking lot upgrades.

Dynamic Group has been awarded the contract to provide concession services at Rotary Park for the next two years. Concession services will be operated out of the new building located adjacent to the playground in Rotary Park, and will open for service on June 15.

Whitecourt Town Council encourages the citizens of Whitecourt to recognize June 3 to 9, 2018 as Seniors' Week. Seniors' Week honours and celebrates seniors for their many contributions to our community and province. Celebrate Seniors' Week with the Town of Whitecourt and join the many activities scheduled throughout the community. Details on events and activities can be found on [www.whitecourt.ca](http://www.whitecourt.ca).

## SELECT THE RIGHT FERTILIZER FOR YOUR NEEDS

For plants to truly flourish, the right growing conditions and soil that offers the right nutrients is of paramount importance. Fertilizer enhances soil so that plants and flowers can thrive. However, fertilizer is not a one-size-fits-all mix.

Choosing fertilizer can be a little overwhelming thanks to the variety of formulations available at neighborhood lawn and garden centers. Shelves contain all-purpose products, such as those billed as vegetable fertilizer, and even formulations geared toward specific flower varieties. Others may feature buzz words like "all-natural" or "organic," and consumers may not be sure just what they need to keep

plants healthy. The following guidelines can help any would-be gardener or landscaper grow more vibrant plants.

Start with a soil test

It's difficult to determine what plants need without an accurate picture of what's going on in the ground. A soil test can paint a picture of what's going on and indicate if any nutrients are lacking. A common misconception is that gardeners fertilize plants. But fertilizer amends the soil that feeds plants, according to the soil-testing lab professionals at Virginia Tech. Soil types vary by region, and conditions may even vary between spots on a landscape. Testing where the plants will be placed can yield

the most accurate results. Soil tests are available at gardening centers and online. Otherwise, landscaping professionals can conduct tests.

Know the N-P-K ratio

Most fertilizers will come with information concerning the nutrients within. Most notably it will have a breakdown of how much nitrogen (N), phosphorous (P) and potassium (K) is in the mix. Judging by the soil test, gardeners can choose a product that will give them the right ratio to amend the soil for the type of plant they are hoping to grow. Complete fertilizers often have NPK in the formulation. Incomplete fertilizers may have only one or two nutrients. This allows

a person to customize fertilizer even more without overdoing it with a particular nutrient.

Grow plant knowledge

A cursory knowledge of the plants being planted in the garden also can be helpful. Gardeners must recognize that some plants will not tolerate excess amounts of a particular fertilizer component, while some may need more. Checking books out of the library, seeking information online and consulting with landscaping experts will help expand homeowners' knowledge about plant types and the needs of each particular plant they hope to grow.

## RECOGNIZING AND ADDRESSING LEAF SPOT

Homeowners who take pride in their properties may be alarmed to notice seemingly spotted leaves on their trees. Such spots may be indicative of a condition known as leaf spot.

In spite of its appearance, leaf spot is often harmless. According to the Missouri Botanical Garden, leaf spot is a term used to describe a number of diseases that can affect the foliage of ornamentals and shade trees. Often caused by fungi that can spread thanks to wind and/or spring rains, leaf spot also may be a by-product of bacteria. As unsightly as leaf spot can be, the Missouri Botanical Garden advises that established plants will only be adversely affected by leaf spot if defoliation occurs three or more years in a row.

While leaf spot is often harmless, homeowners should still learn to recognize it and document its presence to ensure it

does not become a long-term problem.

How to recognize leaf spot

Because leaf spot is an umbrella term that refers to various diseases, its symptoms can vary depending on which type of leaf spot is affecting a tree.

- **Spots:** The spots of leaf spot vary in size and color depending on the plant, the organism that's affecting it and the stage of development. Spots are typically brown, but can be tan or black as well.

- **Margins:** Another sign of leaf spot is the presence of concentric rings or dark margins on the leaves around the infected areas.

- **Black dots:** If fungus is the cause of the leaf spot, the fungal bodies may appear as black dots in the spots. These dots may be within the rings or in central clusters.

- **Yellow leaves:** Some leaves that are infected with leaf spot

turn yellow and drop prematurely.

If leaf spots are not noticed immediately, they may gradually combine to form large blotches.

How to address leaf spot

Leaf spot does not necessarily need to be addressed. As the Missouri Botanical Garden notes, many trees tolerate leaf spot and suffer little to no damage. In addition, the University of Minnesota Extension notes that the majority of leaf spot diseases affect only a small percentage of infected trees' overall leaf area and are only minimal stressors on the trees.

But homeowners who want to address leaf spot can take certain steps to do so.

- **Remove infected leaves.** As infected leaves fall, homeowners can remove them so the spores that caused the initial infection

cannot be blown onto healthy leaves and spread the disease.

- **Remove dead twigs.** Removing dead twigs also can help get rid of spores that can contribute to infection.

- **Change watering techniques.** When watering trees, homeowners who want to prevent leaf spot or stop it from spreading can avoid overhead watering, instead using soaker hoses. Watering early in the day also can give foliage ample time to dry off before nightfall.

- **Prune plants.** Pruning plants promotes healthy air circulation and reduces crowding, which can help keep foliage dry, making trees less vulnerable to leaf spot.

As unsightly as it can appear, leaf spot is often harmless. But homeowners can take steps to prevent it and stop it from spreading to healthy leaves.

## Select The Right Fertilizer For Your Needs

pellets, spikes and liquid forms. Pellets or granules are dispersed over large areas and will gradually offer nutrients when the soil is watered. Liquid fertilizer is concentrated and fast-acting. These may be used for container plants or smaller areas. Spikes usually are placed in house-

plants or to feed individual trees or shrubs. Depending on the formulation, fertilizer may need to be reapplied once a month or more. Consult the product packaging for the correct application advice.

Fertilizer amends soil to grow stronger, more resilient plants.

# JUNE NEWS FROM THE RICH VALLEY PUBLIC LIBRARY

**Submitted by Melanie Fitzgerald, Library Manager | Rich Valley Public Library**

The B.E.E Program was the buzz of the day on May 23, 2018. In the morning children ages 0 to 4 participated in literacy activities and games and in the afternoon it was time for children ages 5 and 6 to have their chance to partake in program as well. We invited the kindergarten class from Rich Valley Public School to join the fun. It was quite a busy day with painting, beading, and a lot of playing, just to name a few activities. The Rich Valley Public Library

also provided parents with handouts on the activities and ideas they saw at the B.E.E. Program to take home to help give their child a head start in their reading and writing skills. Every child was also given a book to take home for their reading pleasure. The Rich Valley Public Library would like to thank the people who volunteered to run the program. This wonderful program was funded by Onoway FCSS.

Teen Club is back! We will be starting on July 3, 2018 from 7:00-9:00 pm. Prepare for a weekly minute to win it challenge, gaming competitions, movies and free Wi-Fi! Anyone ages 12 years and older is welcome.

The Summer Reading Club is back at the Rich Valley Library. This Program is designed to encourage children to explore ideas, enjoy reading, have fun and maintain literacy skills throughout the summer holidays. Summer Reading Club begins on Wednesday July 4, 2018 and the theme this year is Feed Your Passion. Each week we will explore a potential passion as we hold weekly challenges, crafts and of course stories and reading. This is a free program available to children from 2-12 years old.

The Summer Reading Club will be held every Wednesday. Children ages 2-4 will run from 10:00-10:30 am. Chil-

dren ages 5-8 will run from 10:30-11:30 am. Children ages 9-12 will be from 11:30 am-12:30 pm.

The Summer Reading Club is a free program, so you can join us any week you want. Registration is not necessary but if you know you are participating please stop by the Rich Valley Public Library or contact us so we have enough prizes.

The Rich Valley Public Library will be having Mrs. Fitzgerald's Read It Bingo Pizza Party on June 19, 2018 from 5:00-6:00 pm. This pizza party will mark the end of Mrs. Fitzgerald's Read It Bingo. You need to have a full card to be eligible for the pizza party and the deadline for books to qualify is June 1, 2018.

This month we are offering the following programs:

On June 5, 2018 from 5:30-7:30 pm we will be offering APP Advice. Are you searching for a literacy apps for your preschooler? Ever wondered how to download an ebook, hoopla or how to utilize our eresources? We will have some tech savvy teens who can help show you what is available to download. We will be holding the literacy app advice from 5:30-6:30 pm and continuing with tutorial for our library services from 6:30-7:30 pm. For more details please visit our website or contact the library at (780) 967-3525.

Parent and Tots is every Wednesday from 9:45-10:45 am. Parents, guardians and caregivers are invited to bring your toddlers to play, discover and make friends at this free drop-in program held at the Rich Valley Public Library. All children ages 0-6 are welcome. Snacks, juice and coffee will be provided. This program is funded by FCSS.

Story Time is every Wednesday from 11:00-11:45 am. Our final story time will be on June 20, 2018. Bring your toddlers in on Wednesdays from 11:00 to 11:45 am for stories, activities and crafts. All children ages 0-5 are welcome to join us at this free program. Every third Wednesday of the month we will alternate between Tents and Tunnels, Play Doh Fun and Lego Building.

Join us for Free Movie Night at the Rich Valley Public Library. The Rich Valley Public Library will be showing "Ferdinand" (PG) on June 16, 2018. Doors open at 5:00 pm and the movie will start at 6:00 pm in the Yellow Room. Admission is free. Popcorn, lico-rice, pop and water will be available for sale. Please feel free to bring pillows or blankets to sit on. We will also be showing "The Son of Bigfoot" (G) on July 19, 2018 and "A Wrinkle in Time" (PG) on August 16, 2018.

If you have any questions, feel free to contact us at 780-967-3525 or drop in. We are in the basement of the Rich Valley Community Hall.

## BETTER QUALITY OF LIFE

*and a money saver, too!*

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

### ANSWER:

3	8	5	4	1	2	7	9	6
6	9	2	3	7	8	4	1	5
4	1	7	6	9	5	8	3	2
1	5	8	2	3	7	9	6	4
9	7	4	8	5	6	3	2	1
2	3	6	9	4	1	5	8	7
5	6	1	7	8	9	2	4	3
7	4	9	1	2	3	6	5	8
8	2	3	5	6	4	1	7	9

**Like puzzles?** Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
