WANTED MALE ARRESTED

Submitted by Western Alberta District CRU Team

A man has been arrested on his outstanding warrants after he fled from police on May 20, 2018.

On June 8, 2018 the Western Alberta District CRU Team acted on gathered intelligence and were lead to a rural location in Yellowhead County northeast of Edson where it was believed two wanted suspects were located. A warrant was obtained to enter the property and wanted suspect Robert William Sherwood (35) of Entwistle

was arrested on scene.

Robert Brett Macleod (43) of Edson attempted to elude police on foot but was quickly apprehended with the assistance of Police Dog Services.

In addition to his outstanding charges, Sherwood is facing new Criminal Code charges of possession of property obtained by crime over \$5000, and two counts of failing to comply with his Recognizance. He was remanded into custody and is due in Stony Plain Provincial Court on July 3, 2018.

Macleod is facing charges of possession of property obtained by crime over \$5000 and failing to comply with a condition of his Recognizance. He was remanded into custody and is due in Stony Plain Provincial Court on July 3, 2018.

Our dedicated crime reduction teams are hard at work to address repeat crime trends throughout the province. Through their sustained efforts and initiative, Albertans should see a reduced impact of crime in their communities in the long term.

LAKE ISLE - LOVE YOUR LAKE UPDATE

Submitted by Lorraine Taylor, Horticulturist/Conservation Coordinato | Lac Ste. Anne County

Nature Alberta is providing this update to our Lake Isle partners participating in our Shoreline Assessment program. We have completed most of our assessments and want to update you on our progress.

1. Most of the assessments conducted from the boats in 2017 are complete and letters with your unique property code will be sent to you this summer. If you wish to follow up with any recommendations identified in your report please contact us.

2. There are still boat-conducted shoreline assessments to do, scheduled for June 2018. We were unable to complete all the assessments in 2017 due to inclement weather and shortage of volunteer boat operators.

We need local volunteer boat operators on Lake Isle for approximately one week. If you are interested in helping out by donating your time and a boat to achieve this shared goal please contact us.

Lake Isle - Love Your Lake Background

Love Your Lake is Canada's most comprehensive shoreline assessment and stewardship education program available to lake communities. It provides entire lakes with property-specific shoreline stewardship information and voluntary recommendations for improved lake health.

The data collected about each shoreline property is summarized into unique shoreline property reports available to each shoreline property owner. Reports will be complete with a photo of the shoreline property, and provide friendly information and recommendations for voluntary actions

to improve the shoreline, and ultimately the lake. Each report is unique to the individual property. Landowner privacy is important to the program – you can access the program's Privacy Policy online at LoveYourLake.ca.

You may see trained staff from Nature Alberta in a boat along the shoreline, looking at properties and taking notes. Unless invited, we will not access your property or inconvenience you at all. We will be taking photos but will not take photos with people in the field of view. We will gladly tell you about the program, answer your questions, or talk with you about shoreline and lake health.

If you would like more information on the Love Your Lake program in Alberta, contact our team at 780- 427-8124 or lbw@naturealberta.ca or visit naturealberta.ca/programs/living-by-water/.

WHITECOURT TOWN COUNCIL UPDATE

Submitted by **Tara Galant, Legislative Manager | Town of Whitecourt**

June 12, 2018

Whitecourt Town Council has decided to cancel the Highway 43 Stair re-construction project, and will be proceeding with trail enhancements along Memorial Point Trail to connect the west hilltop area to the Highway 43 Trail. Enhancements will include trail lighting, resurfacing of

Memorial Point Trail to fine packed gravel, signage and other landscaping improvements. Administration for the Town of Whitecourt is working to confirm a construction schedule for the project, and will keep the community informed as the project progresses.

Whitecourt recently submitted an application to the Alberta 2018 Flood Readiness Initiative to purchase thirty-seven Tiger Dam™ tubes and equipment. In a flood situation, the

tubes will be used to protect critical infrastructure and development, create temporary dykes, divert river flow, and protect essential utilities. One Tiger Dam™ tube replaces 1,500 sand bags.

The Whitecourt RCMP was present at last night's Council meeting and reviewed the 2017 Annual Report. The Detachment was pleased to report that the number of files in 2017 was calculated at 4,280; down by over 300 files in the last two years. Both the Staff Sergeant and Sergeant felt that crime prevention initiatives, including the Prolific Offender Program, contributed to this significant decrease. Throughout 2017, the Whitecourt RCMP logged:

- 698 condition checks;
- 685 violation tickets;
- 204 check stops;
- 506 school visits.

The second highest file type responded to by local RCMP in 2017 was false alarms. Whitecourt Town Council, through the Protective Services Committee, will be working on solutions to decrease the number of false alarm calls that Whitecourt RCMP officers attend.

Congratulations CLASS OF 2018!

We'd like to take a moment to congratulate our area's graduates on this milestone accomplishment. We wish all of you continued success as you pursue new challenges and goals after graduation.

ATVS: BE AS SAFE AS POSSIBLE

Submitted by Alberta Health Services

It's Child Safety Week and Alberta Health Services (AHS) is reminding all Albertans to make all-terrain vehicle (ATV) safety a priority this week and every week.

ATVs pose significant risk to all users and particularly children less than 16 years of age, who have not yet developed to the point of having the strength, skills or judgment needed to operate an ATV. Over a one-year period ending April 1, 2017, 78 children were seen in Alberta's two pediatric emergency departments due to ATV-related injuries; 31 required hospital admission and one died.

To protect children less than 16 years of age, parents and caregivers are advised to ensure these children do not drive or ride in an ATV. This includes ATVs marketed as 'child-sized'. Albertans 16 years of age and older are urged to take the fol-

lowing precautions to ensure their ATV excursions are as safe as possible:

- **Get trained:** Before you hit the trails, get formal hands-on training from a recognized/trained ATV instructor. Don't be shy about refreshing your training seasonally.

- **Wear the gear:** Always wear a helmet. As of May 15, 2017, CSA-compliant helmets must be worn by OHV users when riding on public land, but a helmet worn every ride can save your life. From 2002 to 2013, 41 per cent of quad-rider deaths in Alberta were due to head injuries. In 80 per cent of these head injury deaths, the quad riders were not wearing a helmet. In addition to a helmet, always wear a jacket, long pants, goggles, boots and gloves.

- **Look first:** Be sure you're aware of the weather forecast, fire outlook/potential, and any hazards (geographical, animal or human) or risks that the trail(s) could pose. Ensure

your ATV is equipped with an appropriate head lamp.

- **Buckle up:** Be sure you're fastened in properly and that all gear and equipment (including your ATV restraints) are in proper working condition before you hit the trails.

- **Drive sober:** Don't drink or do drugs before or while operating an ATV: 55 per cent of those who died in ATV crashes between 2002 and 2013 tested positive for alcohol.

- **Seek help:** Before you head out on the trail, let others know where you're going and when they should expect you back. This helps your loved ones know when to call for help if you've been gone too long. Take a cellphone or working radio with you, as well as a first aid kit.

Visit www.ahs.ca/injuryprevention.asp for more information on ATV safety and injury prevention.

Congratulations
to the **2018 Graduates of**
Onoway JR/SR High School

May your hard work and education open the door to a world of new opportunities and success! A bright future awaits you, graduates!

WHERE ARE OUR REFUGEES?

AN UPDATE FROM THE LAC STE ANNE REFUGEE COMMITTEE

Submitted by Kathleen Arnold | Lac Ste Anne Refugee Committee

It has been a long time since we have updated you about the status of our refugee family. 18 months ago, we were elated to submit the application for sponsorship. With your generous support, we had raised enough money to bring our family, Yasir and Sarah Laali

and their two children with grandpa Sami Samaan to our community. We had a home for them to live it, volunteers lined up to support them and arrangements for the children to go to a local school. We were so excited! We believe they would be here in 3-6 months and we dreamed of our next community event, a meet and greet with our family. And then we started waiting. Well,

it's been 18 long months and our last attempt to connect with immigration was not inspiring. The family has had all their paperwork in for 18 months. They had their immigration interview and health check completed months ago, they have signed their travel agreement. All we are waiting on is a visa. We had truly hoped they would be here this summer to settle in and get the children ready for school. Last month, after our inquiry, we were informed by the Department of Immigration that they should be here by Christmas. We were deeply distraught. The family's living conditions have deteriorated. They are losing hope and the only thing keeping them going is the promise of a chance to build a life in safely in Canada. Committee members have decided to write letters to members of local and federal government requesting that their visas be expedited. It seems incredible that thousands can walk

over the borders from the United States and seek assilm, while a family that has been displaced for years is waiting such a long time when all their paperwork has been completed and their launch in Canada is assured by a committed group of citizens at no cost to the government. The refugee committee would like to express our deepest thanks to all of you who support this initiative and want you to know that everything remains in place for their arrival. As soon as we have any news, we will update you. Once they arrive, the real work of this project will begin and we will send out another call for folks who would like to help settling them in and getting the family oriented to life in rural Alberta. Meanwhile, if you feel moved to get involved, please consider writing a letter to our elected officials, requesting they speed up this visa process.

Alberta Beach Employment Opportunity
Equipment Operator –
Public Works Department

The Village of Alberta Beach seeks a F/T qualified equipment operator to assist the Public Works Department. This is a hands-on position with requirements to work in all weather conditions. The ideal candidate will be highly motivated, mechanically inclined and competent in the operation of heavy equipment (grader, hoe, excavator, skidsteer, etc.), and must have a valid Alberta Class 3 with Q endorsement at a minimum. For a complete description please see this employment opportunity ad on the home page of our website: www.albertabeach.com.

JOKE OF THE WEEK

A woman gets on a bus with her baby. The bus driver says, "That's the ugliest baby that I've ever seen. Ugh!" The woman goes to the rear of the bus and sits down, fuming. She says to a man next to her, "The driver just insulted me!" The man says, "You go right up there and tell him off – go ahead, I'll hold your monkey for you."

NEW HORIZONS FOR SENIORS - DEADLINE EXTENDED!

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, is advising that the Call for Proposals for New Horizons for Seniors Program (NHSP) has been extended until June 22, 2018. The previous deadline was June 15, 2018.

The NHSP call for proposals is seeking proposals for projects led or inspired by seniors. Eligible organizations can receive up to \$25,000 in project funding. Organizations are invited to apply under the following three national level priorities for projects that empower seniors to initiate and participate in activities that:

- benefit vulnerable seniors populations,
- focus on diversity of Canada's

seniors; and
• will promote volunteerism to increase an organization's capacity.

Starting this year, organizations that have not benefitted from NHSP funding during the last five years can receive up to \$5,000 as part of the new small grants pilot project. These organizations can apply for the small grants up to \$5,000 per project or for the Community-based funding of up to \$25,000 (but not for both). In the context of Small grants Initiative, priority will be given to projects for seniors that meet at least one of the three above priorities.

"If you are planning to apply, don't forget you can contact my Ottawa office if you require a support letter," concluded MP Eglinski.

For more information and the application for the regular funding pro-

gram, visit: <https://www.canada.ca/en/employment-social-development/services/funding/new-horizons-seniors-community-based.html>

For more information and applica-

tion for the Small grants Initiative, visit: <https://www.canada.ca/en/employment-social-development/services/funding/new-horizons-seniors-community-based-small-grant.html>

PARLIAMENT UPDATE – WEEK OF JUNE 11, 2018

Submitted by Jim Eglinski, MP – Yellowhead

This week, we covered many topics including marijuana, Iran, the carbon tax, accessibility, and federal finances.

The following was debated in the House:

- Bill C-45 – Cannabis Act (Consideration of Senate Amendments)
- Bill C-68 – An Act to amend the Fisheries Act and other Acts in consequence (Time Allocation and Report Stage)
- Bill C-69 – An Act to enact the Impact Assessment Act and the Canadian Energy Regulator Act, to amend the Navigation Protection Act and to make consequential amendments to other Acts (Third Reading)
- Bill C-344 – An Act to amend the Department of Public Works and Government Services Act (community benefit) (Third

Reading)

- Bill S-218 – Latin American Heritage Month Act (Report Stage)
- Motion 157 – Visitability
- CPC Motion – Carbon Pricing
- CPC Motion – Iran
- NDP Motion – Global Climate Change and Clean Energy Leadership
- Main estimates – Consideration of motions to concur in the Main Estimates for the fiscal year ending March 31, 2019

On Wednesday, I had the opportunity to ask questions during debate on Bill C-45, which legalizes the recreational use of marijuana. You can read all questions, comments, and speeches in the House on the corresponding day's Hansard at www.ourcommons.ca/en.

The House sat through the entire night on Thursday to debate and vote on the Main Esti-

mates. Because the votes went past 10am the next morning, the House did not convene Friday.

In the Standing Committee on Canadian Heritage (CHPC), we considered a draft report for our study on the state of Canadian museums, as well as a draft report for our study on cultural hubs. For more information on these meetings, visit the CHPC

Committee website at www.ourcommons.ca/Committees/en/CHPC.

This week, I attended 10 meetings and one event. Over the weekend, I will remain in Ottawa as the House will continue to sit for one final week before the summer recess. Look for my next update on the happenings of Parliament.

LETTER TO THE EDITOR: SPOT THE DANGER BEFORE YOU PLAY

Submitted by Martine Lépine, Manager, Communications | The War Amps

Dear Editor,

A few years ago, I made a decision that would change my life forever. I was playing by the railway tracks with my friends when I decided to hop onto a moving train. I fell off and my

left leg went under the wheels. Doctors tried to save my leg but they couldn't.

As a member of The War Amps Child Amputee (CHAMP) Program, I'm spreading the safety message and sharing my story in a new video, PLAYSAFE: Don't Let It Happen to You.

With the help of seven other young amputees, I warn kids

to spot the danger before they play and to be aware of "mean machines" like lawn mowers, trains, boats, cars and farm equipment. If I could say anything to kids that are thinking of jumping onto a train or playing near the railroads because it seems like fun or just because your friends do it – don't do it!

As the weather warms up and

kids spend more time outside, I encourage parents, teachers and community group leaders to help me pass on the PLAYSAFE message. Please take some time to watch or download the video free-of-charge online at waramps.ca/playsafe.

Kennedy Rhodes, 15

RCMP EXECUTE SEARCH WARRANT

Submitted by Spruce Grove/ Stony Plain/ Enoch RCMP

Parkland County, Alberta- On May 27, 2018 Stony Plain/ Spruce Grove/ Enoch RCMP with assistance of the Spruce Grove/ Stony Plain Rural Crime Reduction Unit (CRU), K Division Auto Theft, Forensic Identification Services, and Police Dog Services executed a search warrant at a rural residence in Parkland County. Police entered into the investigation as a result of a complaint from the public regarding a suspicious vehicle.

A 31-year-old male from Stony Plain, Aaron WHITBY, was arrested and faces numerous charges including:

- Possession of Stolen Property Over \$5000
- Tampering with a Vehicle Identification Number (VIN)
- Production of Marijuana
- Trafficking Marijuana
- Trafficking a substance believed to be Fentanyl
- Possession of Methamphetamine

WHITBY was released from custody to appear in Stony Plain Provincial Court on May 30, 2018.

We need your assistance. Cooperation between the RCMP and the public is instrumental to the success of our Crime Reduction efforts. The simple act of reporting any suspicious activity and/or crime provides us with the necessary information by which we gather intelligence.

ALBERTA BEACH COUNCIL
CORDIALLY INVITE THE PUBLIC
AND THE MANY VOLUNTEERS TO A:

COMMUNITY AND COUNCIL Meet and Greet

BEING HELD ON
SATURDAY, JUNE 23RD, 2018
FROM 10:00 A.M. TO 12:00 P.M. AT THE ALBERTA BEACH
AND DISTRICT ACTIVE SENIORS CLUB (5012 - 49TH AVE)
"COME AND JOIN US"

The public is invited to the event, See what's happening within our local group in our community. And meet your new council members also meet representatives from local community organizations to learn more about the services they provide and the volunteer positions available.

Sign up to become a "Volunteer!" We need you!

Coffee and breakfast bun provided as well as door prizes and giveaway.

If any organization has not been contacted to set up a booth at the Community and Council Meet and Greet please contact the Alberta Beach office at 780-924-3181.

This event was made possible through FCSS funding from the province of Alberta as well as the local regional FCSS Board made up of the Village of Alberta Beach, the Summer Village of Sunset Point, the Summer Village of Val Quentin and the Summer Village of Castle Island.

VOLUNTEERS NEEDED

REDESIGNED, MORE SECURE DRIVER'S LICENCES UNVEILED

Submitted by Tina Faiz , Press Secretary, Service Alberta | Government of Alberta

New driver's licences and identification cards will help protect Albertans against counterfeiting and ID theft and save government more than \$1 million annually.

To better protect Albertans from fraud, the government has redesigned provincial driver's licences and ID cards with updated security features like clear windows, laser engraving and 3D embossing that makes it harder to alter or replicate the cards.

The new cards also include imagery that reflects Alberta's landscape and history.

"Our government takes identity fraud very seriously. We are the first jurisdiction in North America to integrate this combination of design and security to protect Albertans from ID theft and prevent fraud. We are using the latest technology available to safeguard people's personal information and prevent scams." - Stephanie McLean, Minister of Service Alberta

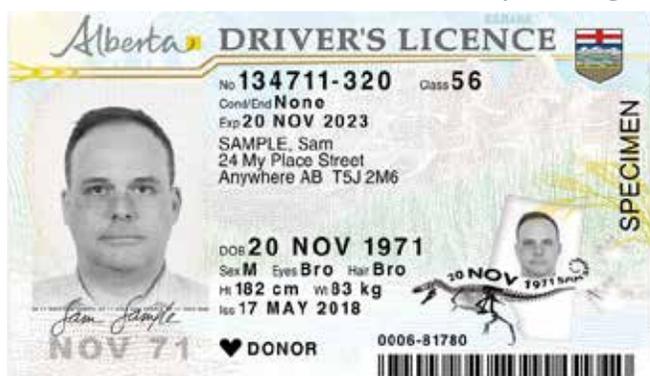

The cards are now in production and, because of advances in technol-

ogy, cost less to manufacture than the previous design, saving Alberta taxpayers more than \$1 million annually.

The driver's licence design depicts Castle Mountain and the Bow River in Banff National Park, while the ID cards feature a Wild Rose, Alberta's provincial flower. Both cards also include an image of an Albertosaurus, a dinosaur whose name honours Alberta, where its remains were first discovered.

The last redesign occurred in 2009 and the Alberta government has incorporated advice from law enforcement agencies to ensure the cards have the most up-to-date safeguards against fraudsters and identify thieves.

"The new security measures in the Alberta driver's licences and identification cards will help ensure the safety and security of the public's information. These security measures will help law enforcement in identifying those individuals who are fraudulently attempting to use this document for illegal purposes." - Brian Simpson, Deputy Chief, Edmonton Police Service

There is no need to replace current licences or ID cards. Current cards will be phased out through the normal renewal process as cards expire.

Some security features on the cards can be verified using a look-listen-feel approach:

- Look
 - Clear window: three complex look-through windows, including one in the shape of Alberta, contain the cardholder's photo. The use of a complex, asymmetrical window is a first in Canada.
 - Rainbow printing: a gradual transition of colour from one part of the card to another makes it difficult to scan and replicate.
 - "Ghost" date of birth: the security background is visible through the characters of the birth month and year.

- Listen
 - The card makes a tin-like sound when dropped on a hard surface, unlike credit cards or bank cards.
- Feel
 - Clear laser engraving: you can feel the clear lettering (date of birth and sex) to the left of the photo.
 - Raised text: you can feel the raised black text on the date of birth, date of expiry and signature. The data is engraved into the core of the card and difficult to alter or replicate.
 - Embossed Alberta shield: can be seen and felt in the lower part of the clear window.
 - 3D embossing: you can feel the Albertosaurus image raised above the card surface. It creates a 3D effect – the tail continues on the back of the card and appears to travel through the Alberta-shaped window.

OPENING JUNE 16, 2018

ALBERTA BEACH TRUCK FILL STATION

LOCATED 1/2 MILE SOUTH OF ALBERTA BEACH ON RANGE ROAD 32

TO SET UP A WATER ACCOUNT AND PIN PLEASE CONTACT FLOW POINT AT 1 (844) 509-2837 OR AT WWW.WATER-FILL.COM

WEB APPLICATION IS FREE | PHONE APPLICATION IS \$19.95

TRUCK FILL STATION IS OWNED AND OPERATED BY THE WEST INTER LAKE DISTRICT (WILD) REGIONAL WATER SERVICES COMMISSION

Lac Ste. Anne County | P.O. Box 219 | Sangudo, Alberta | T0E 2A0 | 1.866.880.5722 | www.LSAC.ca

ROAD CONSTRUCTION NOTIFICATION ONOWAY AND AREA RESIDENTS

- TWP RD 544 FROM RGE RD 14 TO RGE RD 21
- RGE RD 21 FROM TWP RD 544 TO TWP RD 545
- TWP RD 545 FROM RGE RD 21 – 22 (47TH AVE. SOUTH ONOWAY)
- RGE RD 20 BTWN TWP RD 542 AND TWP RD 543
- BRIDGE REPLACEMENT RGE RD 544

Road and bridge construction is scheduled at the above locations beginning the first of July and continuing throughout the summer of 2018. Construction crews will be base and paving the roads indicated and the bridge on Twp Rd 544 will be removed and replaced with a culvert. **Please note the bridge work on Twp Rd 544 will result in a total closure of the road for the duration of the project.** Providing weather conditions remain favorable, we hope to have the projects completed by this fall. There will be times when specific roads will be closed to the public and unfortunately you may experience unavoidable inconveniences as a result of this construction. Detours, slower moving traffic, rougher road conditions and higher noise levels may occur.

Please slow down and use caution when driving through these areas. Obeying all road signs, speed limits and traffic control personnel will keep both yourself and road crews safe. We will ensure the motoring public is updated as construction begins and progresses.

Lac Ste. Anne County appreciates your understanding and cooperation and apologizes for any inconveniences that may occur while road construction is being completed.

Drive with Caution. Slow Down. Observe Traffic Signs. Save a Life!

UNDERPASS PAINTING

Submitted by Wanda Pederson | Onoway Junior Senior High School

OJSH Art teacher Mrs. Carolyn Walker and her husband, Barry, an EA at OJSH, commute to and from school, driving on Hwy 43. When Alberta Transportation changed the entrances in to and out of Onoway, the Walkers commute necessitated going under an old underpass. The underpass has traditionally been a favourite 'concrete canvas' for graffiti spray artists. Mrs. Walker realized that now, with the entrance change, many more people had to use the underpass, and in doing so, view the graffiti -- some of it interesting, some of it messy, and much of it inappropriate.

Mrs. Walker had a 'light-bulb' moment this spring, coming up with a plan that would not only beautify the underpass but also provide a unique learning experience for her art students. She contacted MLA Oneil Carlier to see how this could be accomplished. He directed her to the Ministry of Transportation. Normally, the ministry does not approve private projects to paint underpasses but in this case, since it was a combined student, school, and commu-

nity project, they agreed to support the project. Mrs. Walker then had to get appropriate insurance from Northern Gateway Public School's finance department. Traffic control was supplied by the county by-law officers and RCMP. Ledcor's highway maintenance division contributed appropriate signage. The local Timbermart supplied all of the paint at a discount and the Town of Onoway graciously picked up the paint tab. Everything that the students did was dictated by Ministry of Transportation guidelines.

Twenty-six senior high art students participated in this project which had the theme of "Personal Passions". Throughout the project, parents Mrs. Kirwin, Mrs. Puhov, and Mrs. Bouius volunteered their time and help as did Mr. Walker. The students had to initially prep the underpass concrete by painting it a solid gray colour before creating their art works.

The almost month-long project culminated in a media event on Friday, June 8th when Onoway Mayor Judy Tracy, MLA Oneil Carlier and his Press Secretary Renato Gandia arrived at the school to interview the students involved and to commend their good work.

The beautification of the underpass

has already made a difference. Jacqueline Gaffney and Ronny Grenier, parents of an OJSH student who is not in Art classes this semester, were so pleased with the result of the project and what a difference it made to their drive, that they have donated a pizza and pop lunch to the whole senior high art class.

CELEBRATE THE 25TH ANNIVERSARY OF

Cherhill Family Fun Days

A DAY OF FUN ACTIVITIES TOPPED OFF WITH A BBQ AND DANCE AT THE CHERHILL COMMUNITY HALL!!!!

JUNE 30, 2018 Doors open at 5:00 p.m. Dance to follow

FIGHTING MOUNTAIN PINE BEETLE IN WHITECOURT AREA

Submitted by Renato Gandia, Press Secretary, Agriculture and Forestry | Government of Alberta

The Alberta government is partnering with Woodlands County and the town of Whitecourt to combat mountain pine beetle.

The mountain pine beetle threatens six million hectares of Alberta's pine forest and affects the activities of more than half of the major forest companies oper-

ating in the province.

In order to protect Alberta's crucial forestry industry, the province is providing Whitecourt with \$29,000 and Woodlands County with \$26,000 for the control, suppression and eradication of mountain pine beetle on municipal and private lands. The funds are part of the Mountain Pine Beetle Municipal Grant Funding Program which helps communities minimize the spread of mountain pine beetle infestations in their areas.

"Our best chance to combat the mountain pine beetle infestation is if our government partners with local municipalities on aggressive and proactive detection and control programs. This funding will help us work with the Town of Whitecourt and Woodlands County to do that." - Oneil Carlier, Minister of Agriculture and Forestry

"On behalf of the Town of Whitecourt, thank you to the Government of Alberta for its continued support of our local

mountain pine beetle program. For several years, with Alberta Agriculture and Forestry's support, our community has conducted local surveys and control work to minimize the effect of an infestation. Whitecourt is heavily invested in the forest industry, and the control of this insect is vital to our economic, environmental, and social health." - Maryann Chichak, mayor of Whitecourt

"From a municipal point of view, one of the greatest supports from the provincial government has been the pine beetle mitigation. Keeping our forests healthy is vital to the viability of our communities in Woodlands County. This new grant will help strengthen our local mountain pine beetle program. It will assist in educating our residents and stakeholders in identifying trees infected by the pest." - Jim Rennie, mayor of Woodlands County

Quick facts about mountain pine beetle

- Mountain pine beetle threatens six million hectares of Alberta's pine forest.
- The value of pure pine stands in Alberta is more than \$8 billion.
- Last year, more than 92,000 trees across the province were cut and burned to help control the mountain pine beetle outbreak.
- More than half of the major forest companies operating in Alberta are reliant on pine to continue operations.

BETTER QUALITY OF LIFE

and a money saver, too!

You can immediately see and feel the difference Elite makes to the quality of your water and the quality of your life. With Elite conditioned water, you and your family will look and feel better - with noticeable glowing complexions and soft, shiny hair.

Beautifully soft, dazzling whites and brilliant colors will replace the rough, matted clothing and towels your hard water previously produced.

Even housework is less of a chore as conditioned water leaves no bathtub ring, scummy film on shower stalls or unsightly spots on glassware, dishes and fixtures.

Your Elite water conditioner will save you time and money, too. You'll spend significantly less on detergents, cleaning products, conditioners, creams and personal grooming products. In addition, your plumbing fixtures and appliances will be protected against costly repairs or premature replacements.

QUALITY SALES & SERVICE OF:

• DISTILLERS	• CHEMICAL-FREE IRON FILTERS
• SUBMERSIBLE PUMPS	• SOFTENERS

CALLS CATCH CRIMINALS

Submitted by St Albert RCMP

File: 2018 - 712660
 St. Albert, AB - At approximately 3:20 a.m., on Friday, May 25, 2018, St. Albert RCMP received multiple calls in a short time period from the Grandin neighbourhood in St. Albert of suspects trying door handles on vehicles parked in a parking garage, suspects entering parked vehicles on the street and of a break in alarm being triggered at a residence. Descriptions of a suspect vehicle connected to these calls was provided as a dark grey 4 door hatchback car.

Immediate attendance to the area by RCMP, combined by information provided by residents, resulted in a grey 2013 Ford Focus car being located and stopped. This car was found to be stolen from Edmonton and the 3 occupants, a 20 year old man from Onoway, a 15 year old male youth from Edmonton and a 13 year old female youth from Edmonton were arrested.

While this matter is still under

investigation, the 15 year old male youth from Edmonton has been charged with:

- Driving while disqualified
- Possession of stolen property over \$5000
- 2 counts of Fail/ refuse to comply with an order under the Youth Criminal Justice Act.

On June 5, 2018, The youth entered a plea of guilty to some of the charges and received the following sentence:

- Driving while disqualified - 5 days in gaol and a 1 year driving prohibition
- Fail/ refuse to comply with an order under the Youth Criminal Justice Act, - one charge was withdrawn by the Crown, while a sentence of 7 days in gaol was given to the other charge.

The charge of Possession of Stolen Property was set over for an entry of a plea in St. Albert Court on July 3, 2018. As the youth had already served time in custody, he has been released by the Court on Bail until his next court date. He has several conditions on that release including a curfew condition restricting his

whereabouts between 10 pm and 7 am.

This incident speaks to the strength of the police and the community working together to stop criminals in their tracks. Using the information from the multiple calls from Grandin residents, three suspects were caught and any illegal activities that they are alleged to have been committing that night were stopped. Crime prevention is a shared responsibility. Members of the community are reminded of their role in preventing criminal activity:

- Lock up houses, sheds, vehicles and any other property that is easily accessible
- Never leave running vehicles unlocked. Nearly half of the vehicle thefts in Alberta over the past year have had the keys left inside
- Take photos and record serial numbers of property
- If you see or suspect suspicious activity notify police immediately

St. Albert RCMP is looking for your help on this crime. If you have any information about this or any crime, call the St. Albert

RCMP at 780-458-7700, or if you wish to remain anonymous, call Crime Stoppers. At Crime Stoppers, you do not need to reveal your identity. Crime Stoppers does not subscribe to Call Display, Call Trace or tape any phone calls. If your information leads to an arrest, you may qualify for a cash award up to \$2,000.00. We want your tip, not your name. Call Crime Stoppers at 1-800-222-8477 (TIPS).

GOLFER'S GUIDE

DRIVE HOME A WINNING GOLF TOURNAMENT

(NC) The arrival of warmer weather has many Canadians dreaming of the hitting the local golf course. It is also the time that many companies, organizations, charities and other groups start planning their golf tournaments.

Hosting a golf tournament is a great way to entertain customers, thank employees or raise funds for your group. While there are many details to arrange, organizing such an event doesn't have to be distressing.

Experts recommend that you cover the basics first. Picking the right date and a course that is suitable for your group is the first priority. The earlier you do this the better as you will get a wider selection of dates and courses.

Ensuring your guests are well fed and hydrated out on the course should be another priority. In the heat of summer, a good supply food and non-alcoholic beverages will ensure your

AHS NOTIFYING PATIENTS OF POTENTIAL DTAP VACCINE INEFFECTIVENESS

Submitted by Sharman Hnatiuk | Alberta Health Services

EDMONTON – Alberta Health Services (AHS) will be notifying 298 patients who visited the emergency department at Leduc Community Hospital that the dTap vaccine provided to them as part of their treatment was potentially ineffective, due to incomplete temperature monitoring of a vaccine fridge.

During a routine audit on May 7, 2018, it was found that the temperature of the vaccine fridge at Leduc Community Hospital’s emergency department had not been recorded properly.

The dTap vaccine prevents against diphtheria, tetanus and pertussis. In the emergency de-

partment, the vaccine was being used to update immunizations for patients with possible tetanus prone wounds.

Although the risk of tetanus infection is very low, AHS is notifying the patients related to this monitoring error and recommends that those individuals get re-immunized. There are no adverse reaction risks of getting re-immunized, though patients may experience typical reactions

such as a sore arm at the site of the injection.

Only those individuals contacted directly by AHS, are considered impacted by this issue. Though there is no impact on general public, we are informing the public of this case and our follow-up actions, as a matter of transparency.

AHS regrets that this issue has resulted in an impact to our patients and we have ensured that

proper monitoring is in now in place.

To protect patient privacy and confidentiality, AHS will not be providing any further detail relating to the patients impacted.

For general information on tetanus and the dTap vaccine, please visit www.immunizealberta.ca.

Anyone with questions can call Health Link 24/7 at 811.

Drive Home A Winning Golf Tournament

participants enjoy a healthy and safe round.

What about prizes? The excitement of winning something is always a big draw, so hit up local businesses, suppliers, business partners and friends for prize donations.

To take your tournament to the next level, you could offer hole-in-one prizes such as a car, boat, trips or cash. “Adding big prizes to your golf tournament doesn’t have to be an expensive or worrisome endeavour,” says Andrea Martin, Senior Underwriting Manager, Wayfarer Insurance. “You can get insurance coverage that will pay for the prize in the event that a golfer hits an ace.”

One of the biggest tips is speak to the professionals at the golf course where you book your tournament. Often courses will have staff to assist you, or at least literature that will help you plan a successful event.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

	3	5		4			7	
2			8	6	9	5		
			7	3		4	2	
3	8	4		9				7
	6	2			4	8		
	7	9		8	2		4	6
8							6	2
4				1	3			5
7		3	6					4

ANSWER:

9	3	5	2	4	1	6	7	8
2	4	7	8	6	9	5	3	1
6	1	8	7	3	5	4	2	9
3	8	4	1	9	6	2	5	7
1	6	2	5	7	4	8	9	3
5	7	9	3	8	2	1	4	6
8	9	1	4	5	7	3	6	2
4	2	6	9	1	3	7	8	5
7	5	3	6	2	8	9	1	4

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Private Seclusion

Secluded 4.27 Acres property at Lake Isle! Enjoy your morning coffee in private seclusion. Quality finishing from the Kitchen Cabinets to the heated 3 car garage. Home offers 3 bedrooms a large 5 piece bathroom, Main floor Laundry. Ideal for a hobbyist that enjoys lake living!

\$349,900

Steps to Beach

1200 sq ft home with wonderful vaulted ceilings, dream kitchen, main floor laundry, in-floor heating, covered deck. Park like yard with parking for six cars plus heated garage with loft. Great year-round home

PENDING

Lake View Property

This Fry's Beach starter home has everything the year round or lake house buyer could want. With a wonderful 60 x, 180 foot serviced lot this concrete building is one of the best-built lake houses on the beach. Fully serviced with drilled well and septic system.

\$89,000

Life Inside The Gate

Simply stunning waterfront with lake views and sunsets that will start and end your day in paradise. This wonderful 900 sq ft bungalow on a 17,000 sq ft lot is one of 19 estates on Castle Island. Use it starting today and start planning your new home.

\$499,900

Totally Remodeled

Spectacular is how I would describe this wonderfully remodeled bungalow. Over 1600 sq ft with unheard of 10-foot ceilings. Gas argon windows overlook this lakefront home. The oversized 32 x 28 double attached garage has 12 foot door for indoor RV parking. The southern deck spans the whole length of the house.

\$389,900

2.79 Acres in Seba Beach?

Yes it is true, this 2.79 acre Seba Beach property offers 760 ft of untouched southern exposure lakefront. With this property you get the one thing that Seba Beach doesn't offer, that word is privacy. This property offers a wonderfully kept 1040 sq ft bung, that can be a turnkey purchase with dock. This property offers many building options and unlimited trail sites.

\$1,195,000

Alberta's Best Buy

26.5 Acres with 1000 Feet plus lakefront on 2 separable Titles that include a 14 Acre Nature Park with development opportunities. Already has 3 great houses and miles of nature walks.

\$999,900

Luxury Lakefront

Newer 2 Story Castle Island 2400 sq ft on a 16000 sq ft lakefront lot. The inside of the home delivers on maximizing the lake views from every room in the house. A dream kitchen that every home chef would love.

\$979,900

Renovated

This Golf Course community three bedroom renovated home is the ultimate starter. Well located in a private cul de sac where the school bus stops if required. The basement is usable as a workshop, lots of parking. This home won't last.

\$169,900
