FAMILY DAY 2019

Submitted by Melissa Kilklick | Tipple Park Museum

Wow, what a great turnout for Family Day. Thank you to all the families who braved the cold.

Between the pancake breakfast, and the festivities held at Tipple Park Museum, we had 500 guests between both locations.

We had lots of festive activities to take part in including the Pan-

cake breakfast, face painting, crib tournament, bonfire roast, sledding, woodworking, games, coloring, and snow painting.

Family Day 2019

Continued from Page 1

Thank you to all our volunteers and vendors who helped out and made the day a huge success including: Roy & Darleen Miko of Double Gear Ranch, Bill Lawton, Paul & Liz Van Hecke, Jeff's Plumbing and Heating and his volunteers, Evansburg Cadets, Family Foods, Kathy Hicks, W.E.E Food Bank, Entwistle Community Church, Servus Credit Union, Floyd Fausak, Evansburg Legion and Tipple Park Museum.

We had a coloring contest competition at the Museum. There were three age category winners. Congratulations Karmen, Tazon, and Zinzi!

It was nice to see the community come together, and share a great time. If you are interested in being part of community planning and the overall Family Day operations please join our committee next year!

Volunteer Income Tax Program Gets Your Taxes Done Free

Continued from Page 1

You will be contacted at a later date to pick up your tax return. The program hours are as follows: 8:00 AM to 12:00 noon; then 1:00 PM to 4:30 PM, Monday to Friday at the Wildwood Office, and 8:00 AM to 4:30 PM, Monday to Friday at the Edson Office.

Please note that you will be asked to complete a questionnaire and sign an authorization form to e-file your tax return by the volunteers. No records or documents will be kept by the volunteers.

To be eligible, your Tax Returns must be simple (no business or farm income, no capital gains, no depreciation and not a death return). You must also be a resident of Yellowhead or Parkland County, and have a low income, wherein a single Income is \$35,000 or less, couples income is \$47,500 or less, and a single adult with dependent income is \$37,500 or less. As well, note that a current tax return is required for federal benefits to continue without disruption.

For more information, please call Yellowhead County at 780-325-3782 or 1-800-814-3935.

START YOUR DAY RIGHT.. WITH THE COMMUNITY VOICE

JOKE OF THE WEEK

An Irishman, by the name of O'Malley proposed to his girl on St. Patrick's Day. He gave her a ring with a synthetic diamond. The excited young lass showed it to her father, a jeweller. He took one look at it and saw it wasn't real. The young lass on learning it wasn't real returned to her future husband. She protested vehemently about his cheapness. 'It was in honour of St. Patrick's Day,' he smiled. 'I gave you a sham rock.'

RCMP Warn Public Of Frauds

Continued from Page 1

Protect yourself by learning how to recognize fraud. Here are some tips:

- If it sounds too good to be true, it probably is
- Ignore communication from unknown contacts
- Purchase items from reputable organizations
- Never send money on a dating site
- Regularly monitor credit card statements for unknown charges
- Research organizations via the Better Business Bureau
- Don't leave personal identification in your vehicle

On March 2, 2019, Alberta RCMP and partners launched Fraud Prevention Month with a public event at West Edmonton Mall. The event took place on Centre Stage. RCMP attended a Southern Alberta event, organized by the Calgary Police Service, on the same day from 9 a.m. to 6 p.m. at CrossIron Mills in Balzac.

The public received tips on how to prevent fraud, had the opportunity to take photos with a Mountie and Monty the Safety Bear, shred old hard drives, tapes and phones without batteries courtesy of the Electronic Recycling Association, and were entered into a draw for a chance to win a prize basket.

The organizations that attended the Edmonton event are as follows:

- Edmonton Police Service
- ATB Financial
- Competition Bureau
- Better Business Bureau
- Alberta Provincial Rural Crime Watch Association
- Edmonton Police Commission

- Association of Certified Fraud Examiners
- Bank of Canada
- Electronic Recycling Association

Check out our social media accounts and #StopFraud2019 and #FPM2019 for more fraud education and tips. Follow us on Twitter @RCMPAlberta and on Facebook @RCMPinAlberta.

If you have been the victim of a fraud, report it to your local police service and to the Canadian Anti-Fraud Centre online at: www.antifraudcentre.ca or by calling: 1-888-495-8501.

FARM SAFETY TIPS

- Hire right - hire the right person and pay them fairly rather than hire an unqualified person for less money then pay for their liability and errors.
- Get a check-up - make sure every worker is checked up on at least every two hours
- Know the code - the Code of Practices for Farm Safety (PEI) has set the industry standard for agriculture
- Train for safety

RCMP INVESTIGATE UTTERING THREATS AND THEFT

Submitted by **Stony Plain/Spruce Grove/Enoch RCMP**

On Jan. 2, 2019 Spruce Grove RCMP responded to a report of a theft from a local liquor store. Two males stole multiple bottles of li-

quor and while fleeing, threatened to assault the store owner who had followed them outside.

Spruce Grove RCMP are requesting the public's assistance with this incident. Photo's of the suspects are shown.

If you have any information regarding this incident, please contact the Stony Plain RCMP at 780-968-7267 or call your local police.

TRUDEAU MUST RESIGN AMID SNC-LAVALIN AFFAIR: MP JIM EGLINSKI

Submitted by **Jim Eglinski, MP – Yellowhead**

Jim Eglinski, Member of Member for Yellowhead, today reiterated Conservative Leader Andrew Scheer's demand that Justin Trudeau resign amid the SNC-Lavalin affair.

"Canadians were shocked to hear the explosive testimony of former Attorney General Jody Wilson-Raybould on the SNC-Lavalin affair. It's clear there was inappropriate – and potentially illegal – pressure brought on her by the highest officials in Justin Trudeau's government, all in a bid to let a Liberal-connected corporation off the hook on corruption charges," said MP Eglinski.

Media began reporting in early February that the Prime Minister's Office (PMO) pressured Justice Minister and Attorney General, Jody Wilson-Raybould, to intervene in the criminal prosecution of Montreal engineering and construction giant SNC-Lavalin Group Inc.

At the Justice Committee, Ms. Wilson-Raybould said, "...I experienced a consistent and sustained effort by many people within the government to seek to politically interfere in the exercise of prosecutorial discretion in my role as the Attorney General of Canada in an inappropriate effort to secure a deferred prosecution agreement with SNC-Lavalin."

Ms. Wilson-Raybould's testimony tells the story of a Prime Minister who has lost the moral authority to govern. A Prime Minister who allows his partisan political motivations to overrule his duty to uphold the law. A Prime Minister who has allowed a systemic culture of corruption to take root in his office.

"Canada's Conservatives are calling on Justin Trudeau to resign and the RCMP must immediately open an investigation into the numerous examples of obstruction of justice

that was detailed in the testimony," concluded MP Eglinski.

Canada should be a country

where we are all equal under the law. Where nobody – regardless of wealth, status or political connec-

tions - is above the law. Canada's Conservatives believe we can be that country again.

YELLOWHEAD COUNTY COUNCIL SUPPORTS PROPOSED YCE CENTRE

Yellowhead County Council moved to support the Joint Steering Committee's proposed Yellowhead County/Edson (YCE) Centre project outline, estimated to cost some \$70 million.

Submitted by Dan Ivanov, Communications Department | Yellowhead County

Yellowhead County Council moved to support the Joint Steering Committee's proposal for the new Yellowhead County/Edson (YCE) Centre, which is expected to be constructed at Edson's Griffiths Park at a cost of some \$70 million.

County council has stressed the importance of developing a conservative timeline for the project's fruition

as the county aims to budget responsibly for the benefit of ratepayers in light of the current economic situation. The county is also adverse to borrowing funds for the project.

Additional costs are also under consideration, including the demolition of Repsol Place and planned YCE Centre's site infrastructure upgrades (including road and intersection construction, water/sewer line upgrades, fire protection, etc.).

With these considerations in mind, county council is considering the following timeline: Once the concept is presented to communities for information and clarity, pending any unforeseen negative reactions, the detailed design work would commence. This would likely begin at the end of 2019 or early 2020 and may take as long as 2 years to complete.

Following this, county council will look closely at the economic situation and consider the feasibility of such a project with respect to its impact on the county's ratepayers. Permitting favorable economic conditions, the construction phase may begin in early 2022—estimated to be complete in 2024.

Yellowhead County is committed to serving its residents in a responsible manner, and aims to ensure that all fiscal considerations are made in the process of this project.

As always, county council looks forward to working jointly with the Town of Edson to ensure that the project outcome meets residents' needs.

4 ARRESTED AFTER INTERRUPTED BREAK AN ENTER TO A RESIDENCE

Submitted by Stony Plain/Spruce Grove/Enoch RCMP

Stony Plain, Alta – On Feb. 25, 2019 at 4:05 P.M. Stony Plain/Spruce Grove/Enoch RCMP members were dispatched to a residence

north of Highway 16 on Highway 44, Parkland County. The home owner returned to his residence to discover four individuals in the act of a break and enter to his residence and removing his effects from his house. The suspects were wearing

bandanas to cover their faces and had a hand gun that was pointed towards home owner. The suspects assaulted the homeowner, and attempted to steal his van. The suspects were unsuccessful in stealing the van and took off on foot, break-

ing into some outbuildings on a golf course on Highway 44. Utilizing the rural crime reduction strategies, RCMP members were able to set up containment of the area quickly.

Continued on Page 9

NATIONAL AGRICULTURAL SAFETY WEEK

Parkland County takes pride in its agricultural heritage, recognizing that agriculture is more than a way of life - it is an integral component of our business sector and of the sustainability of Parkland County.

Thank you to all who contribute to our quality of life by providing access to locally-grown foods, whether directly to consumers, or by sale to local businesses. Our future is growing because of you.

www.parklandcounty.com

RCMP INVESTIGATE AN ASSAULT AND REQUEST PUBLIC ASSISTANCE

Submitted by Stony Plain/Spruce Grove/Enoch RCMP

On Feb. 22, 2019 at approximately 9:30 P.M., a female youth was driving on Parkland Drive and turned south on Range Road 20 in the area of Parkland County. The youth observed a truck parked on the side of the road with its lights on and a male standing in the middle of the road. The male was flagging the youth to stop for assistance. The youth stopped, turned off her vehicle and exited the vehicle to help the male. Once out of the vehicle, the male grabbed the youth by the shoulders and the youth pushed the male away. The male then punched the youth

several times in the face, causing the youth to fall to the ground. As the youth fell to the ground another vehicle turned south bound on Range Road 20 from Parkland Drive. The male fled to his truck and left the area. The youth was left laying on the ground as the other vehicle drove by. It is believed that the male's intent was to take the youth's vehicle after the assault.

Stony Plain/Spruce Grove/Enoch RCMP are looking for assistance from the driver of the vehicle that drove by the altercation or anyone

else that may have witnessed the male and the vehicle.

The male was described as:

- Caucasian
- Over 6' tall
- Wearing a black jacket
- Stubble on his face
- Large nose, red in color

No other details were provided.

The vehicle was described as a black or dark coloured long box truck. No license plate was obtained.

The RCMP would like to remind the public to exercise caution when

you observe someone in distress on the side of the road. Do not stop for apparently stranded strangers along the road. Note their location, pull over in a safe place once you've passed and call your local police detachment.

The RCMP are seeking the public's assistance to locate the suspect driver and vehicle involved in this incident. If you have any information regarding this incident, please contact the Stony Plain RCMP at 780-968-7267 or call your local police.

4 Arrested After Interrupted Break an Enter to a Residence

Continued from Page 8

With the help of RCMP Police Dog Services and RCMP Air Services, all four suspects were located and taken into custody without further incident. The suspects' vehicle was later found with property from the homeowner's residence inside. The suspects were identified as Mason Anderson, Danny Friedrich, Jenny Ray and Taylor Krushinsky. At no time was the public in danger during this incident.

Mason Anderson (31) of Spruce Grove, Alta., Danny Friedrich (29) of Edmonton, Alta., Jenny Ray (27) of Stony Plain, Alta. and Taylor Krushinsky (25) of Edmonton, Alta. have been charged with:

- Break and Enter into a Residence with the intent to commit theft;
- Break and Enter into a Business;
- Robbery with a Firearm;
- Disguise with Intent (Wearing a mask while committing an offence)
- Possession of a restricted firearm.

Mason Anderson and Taylor Krushinsky were also charged with Breach of Probation.

Mason Anderson and Danny Friedrich were remanded into custody. The two females, Jenny Ray and Taylor Krushinsky were released on a recognizance.

NOTICE OF PUBLIC HEARING

In accordance with the requirements of Section 606 of the Municipal Government Act, as amended, the Council of Parkland County has scheduled a Public Hearing regarding the proposed adoption of the following Bylaw:

Bylaw: 2018-29	Date: March 12, 2019	Time: 9:30 am	Location: Parkland County Council Chambers 53109A Hwy 779, Parkland County, AB
-----------------------	-----------------------------	----------------------	---

Proposed Bylaw 2018-29 Parkland County and Summer Village of Betula Beach Intermunicipal Development Plan

An Intermunicipal Development Plan (IDP) is a statutory document prepared with two (or more) municipalities that share a common border, and where at least one member is not a part of a growth management region. An IDP ensures future development and land use policy are coordinated between municipalities. Parkland County and the Summer Village of Betula Beach, under the direction of Section 631 of the Modernized Municipal Government Act, have agreed to jointly engage in an IDP. This plan has been developed to reduce the possibility of any potential conflicts between the municipalities and to ensure the relationship remains strong, transparent and collaborative in the future.

Hearing Procedure

This is a formal Public Hearing and Council is prepared to hear and receive formal submissions and presentations (verbal or written) from those who wish to speak to the proposed Bylaw. Written submissions or presentations may either be submitted in advance to Planning & Development by 4:00 P.M. on March 1, 2019, or submitted at the commencement of the Public Hearing on March 12, 2019.

Anyone wishing to make a verbal presentation to Council must notify Planning & Development Services in advance of the Public Hearing by 4:00 P.M., on March 1, 2019. Verbal presentations at the Public Hearing will be limited to a maximum of 10 minutes. Anyone wishing to make a verbal presentation who has not made prior arrangements may be allocated a time at the commencement of the Public Hearing. Council advises that this is your last opportunity to comment on the proposed Bylaw as Council is unable to receive further submissions after the Public Hearing is closed.

Copies of Proposed Intermunicipal Development Plan

Copies of the proposed IDP are available free of charge during regular business hours (8:30 A.M. to 4:30 P.M., Monday to Friday) from Planning & Development Services at Parkland County Centre. They are also available on the County's website at <https://www.parklandcounty.com/en/county-office/inter-municipal-planning.aspx>. If you have any questions please call 780-968-8888 and dial extension 8795 for Trina Lamanes or extension 8636 for Thomas Lippiatt, Planners at Planning and Development Services.

The personal information you provide will be used for the purpose of the items described above and is collected under the authority of Section 33 (c) of the Freedom of Information and Protection of Privacy (FOIP) Act. If you have any questions about the collection, use, and disclosure of this information, please contact the FOIP Coordinator at Parkland County, 53109A HWY 779, Parkland County, Alberta T7Z 1R1 (780-968-3229) or email foip@parklandcounty.com

FARM SAFETY WEEK

Preventing Crushes

- From rolling machinery to falling front-end loaders there are countless crush hazards on a farm. While farm operators and workers can't prevent every hazard on a farm, they should prevent every hazard they can by taking simple preventative measures while working.

- Failure to block-up equipment safely can result in a fatal crushing injury. A jack may slip, a hose or overhead support may break, or the equipment may roll. Always take the precaution of placing support blocks under the equipment prior to working with raised machinery for any reason.

OPEN FARM DAYS 2019 CALL FOR HOSTS

Submitted by Government of Alberta

Calling all farmers, ranchers and ag-tourism operators: host applications for Alberta Open Farm Days 2019 are now being accepted.

Now entering its seventh year, Open Farm Days features open houses, culinary events and tours at locations across the province. This year's event takes place on Aug. 17 and 18.

Alberta Open Farm Days is an ag-tourism event that offers an opportunity for Albertans and visitors to learn about and experience a rural agricultural lifestyle. The event connects urban and rural Albertans, and supports rural communities. It features farm to table culinary events and free admission to farm tours throughout the weekend.

Last year's event set records for on-farm sales, reaching almost \$190,000 over two days, and host participation was up 30 per cent over 2017. The overall year-over-year growth of Open Farm Days highlights ag-tourism's continued contribution to diversifying Alberta's economy and creating jobs.

Based on this strong performance, officials are hoping for an even bigger and better Open Farm Days showing this year.

"Open Farm Days is an ag-tourism event that helps farmers meet new customers, share their stories and grow their businesses," says Ricardo Miranda, Minister of Culture and Tourism. "It's also a fun and educational way for Albertans and

our visitors to experience all the hidden gems rural Alberta has to offer. We hope even more farms and ranches sign up to participate in this year's event."

The weekend's selection of experiences also helps showcase the growing number of opportunities available to rural and culinary tourism entrepreneurs. There is a wide range of farms and ranches participating, such as:

- Alpaca, sheep, llama, goat, poultry farms
- Bison and cattle

ranches

- Breweries, distilleries, wineries and meaderies
- Corn mazes
- Guest ranches, bed and breakfasts
- Honey, fruit, vegetable, grain and u-pick farms
- Organic operations
- Stables and petting

zoos

Participating hosts can access product development supports such as business coaching, industry learning opportunities and regional networks. The

deadline for host applications is May 31.

"Becoming an Open Farm Days host is a great way to grow your business," says Tim Carson, CEO, Alberta Association of Agricultural Societies. "Farmers and ag-tourism operators tell the story of agriculture in our province, produce some of the world's best food and create unique Alberta ag-tourism experiences."

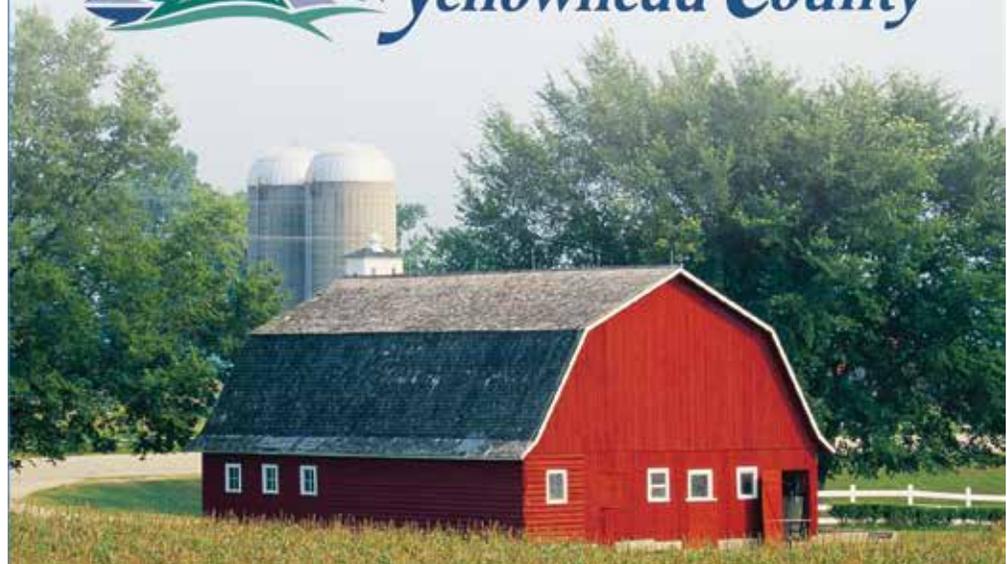

For more information on Open Farm Days and becoming a host, visit AlbertaFarmDays.ca.

Yellowhead County Agricultural Services Department **FARM SAFETY TIPS**

- Never adjust machinery when it's powered.
- Don't wear loose fitting clothing around moving machinery parts.
- Obtain proper training for the machinery you are using – and know its limitations.
- Go over basic farm safety knowledge with your kids regularly.

Remember, Yellowhead County offers farming related workshops throughout the year.

**Don't forget about the Ag Recycling Project for plastics.
Go to www.yellowheadcounty.ab.ca for more information.**

Farm Safety & Health Week

March 10-16

Teach small children the rudiments of safety, such as which areas are off-limits. As they grow older, explain why certain things are dangerous. When they start helping with the work, make sure they are properly trained, keeping their limited strength and experience in mind. The safe way to do things is not always obvious to a child, so always explain and enforce the safety aspects of the job.

The following businesses are proud sponsors of Farm Safety & Health Week

 Village of Wabamun 892-2699	 A.T.B. Financial -Wabamun 892-7927	 Wabamun Hotel 892-2224	 Ray's Market 892-2230

FARM SAFETY & HEALTH WEEK

MARCH 10-16, 2019

Farm Safety Tips

When farming please follow these precautions in order to keep yourself, your family and your workers safe:

- Decrease your risk of being crushed by using lockout procedures before beginning any maintenance or repair work. Lockout means to physically neutralize all energies in a piece of equipment. Machines, devices or power transmission lines can be de-energized by applying blocks to all parts under tension or pressure, bleeding the hydraulic pressure from the lines or by releasing pressure from a coil or spring.
- Provide a safe, fenced play area for all children and supervise closely. The working area of the farm is not a playground any more than a construction site or other industrial area would be a play area. Review the safety rules on your farm with your family often. Fence off all manure, retaining ponds and dugouts, and lock buildings containing hazardous goods.

4 REASONS TO SKIP TOPPING OFF AT THE GAS STATION

The familiar click of the nozzle when filling up at the gas station is recognizable to anyone with a few miles of driving under their belt. Once that nozzle clicks, just about every driver faces the decision of whether or not to squeeze a few extra cents' worth of gas into their vehicles or remove the nozzle from their vehicles, place it back where it belongs and head off on their way.

Such scenes play out every day across the globe, and it's likely that the majority of drivers try to squeeze a few extra drops into their tank. While topping off can seem like a financially savvy way to delay your next trip to the filling station, doing so may only cost drivers and the planet they call home. The following are four great reasons to skip topping off

the next time you pull into a filling station.

1. Topping off costs you money. According to the Environmental Protection Agency, drivers who top off at the pump are likely paying for gas they're not getting. That's because gas station pumps have vapor recovery systems that feed gas vapors back into their tanks in an effort to decrease air pollution. So any gas that drivers try to pump into their tanks after the nozzle has clicked may only be drawn into the vapor line and fed back into the gas station's tanks and not your vehicle's fuel tank.

2. Topping off may damage your car.

Topping off won't just hurt your pocketbook; it can potentially damage your vehicle as

well. Fuel tanks need extra room inside them so gas can expand while the car is being operated. Without room to expand, gas may evaporate into the vehicle's vapor collection system, which can damage the system and produce greater gas emissions, thereby harming the planet.

3. Topping off can affect the air you breathe.

If you had a choice, would you pay extra for more air pollution? Likely not. But the EPA notes that this is precisely what many people are doing when they top off their gas tanks. When vehicles' fuel tanks are overfilled, gas vapors can escape into the air and produce toxic air pollutants. That adversely affects air quality, which ultimately affects your health as well.

4. Topping off can cost the gas station money.

Many drivers may wonder why gas stations, who would seemingly benefit financially from topping off, post signs that forbid topping off. But the EPA notes that gas stations are likely to lose money due to drivers squeezing an extra few cents' worth of gas into their vehicles. That's because topping off can damage the station's vapor recovery systems, causing them to operate improperly and requiring potentially costly maintenance.

Topping off at the filling station may seem like a savvy move. But drivers, their vehicles and the planet are best served by taking the pump handle out of the tanks at the familiar sound of the nozzle's click.

HOW TO REDUCE VEHICLE MAINTENANCE COSTS

Major repairs to a vehicle can be expensive. When unanticipated repairs are necessary, drivers' budgets can be thrown out of whack, potentially causing a domino effect that compromises their ability to pay their bills on time.

Whether your vehicle is brand new, a few years old or reaching milestones on its odometer with every mile driven, there are ways to care for the vehicle so you aren't caught off guard by costly repairs down the road.

• Read your owner's manual. A vehicle owner's manual is a great resource that can help drivers keep their cars and trucks running strong for years. Every vehicle, whether it's purchased brand new from a dealership or preowned from a pre-owned dealer or private citizen, should come with an owner's

manual. Don't worry if you purchased a preowned vehicle from a private citizen who lost the manual, as many manufacturers have manuals available for free on their websites. Print manuals may cost some money. Drivers may be able to find their manuals elsewhere online on a site such as Justgivemethedammanual.com, which has thousands of manuals from various automakers available. Once you have the manual in hand or on your computer, visit the maintenance section to familiarize yourself with the manufacturer's recommended maintenance guidelines. Adhering to those guidelines is a great way to keep your car running strong for years on end, and it might just save you from the hassle of sudden expensive repairs.

• Protect the engine.

The engine is arguably the most expensive part of your vehicle to replace, so protecting it should be a priority. Routine oil changes and oil filter replacements is a great way to protect the engine. Manufacturer guidelines vary in regard to oil change and oil filter replacement intervals, but such recommendations can be found in your manual.

• Hone your DIY skills. Drivers also can save money on maintenance by doing some of their own minor vehicle repairs. YouTube is home to many DIY tutorials that can teach drivers how to change their own oil and replace the filters on their vehicles. Routine repairs are relatively easy, and many tutorials can walk you through them step-by-step. Depending on how much you drive, learning to do your own minor vehicle repairs

may save you hundreds of dollars per year.

• Perform routine inspections. Older vehicles may or may not alert drivers via noises or leaks that they're in need of repair. Routine inspections of hoses, brakes and tires, which should always be properly inflated, can let drivers know if their vehicles are experiencing problems before those problems grow and become something costly.

Vehicle maintenance costs tend to be most expensive when drivers ignore routine maintenance or miss signs that their cars and trucks might be struggling. By adhering to manufacturer maintenance guidelines and paying attention to their vehicles, drivers can reduce the cost of keeping their cars on the road.

Letter to the EDITOR

CONSERVATIVES DEMAND THAT JUSTIN TRUDEAU RESIGN AMID SNC-LAVALIN AFFAIR

Dear Editor,

Canadians were shocked to hear the explosive testimony of former Attorney General Jody Wilson-Raybould on the SNC-Lavalin affair. Her story was one of inappropriate, and potentially illegal, pressure brought on her by the highest officials of Justin Trudeau's government and Justin Trudeau himself – all to let a Liberal-connected corporation off the hook on corruption charges.

Justin Trudeau simply cannot continue to govern this great nation now that Canadians know what he has done. Ms. Wilson-Raybould's testimony tells the story of a Prime Minister who has lost the moral authority to govern. A Prime Minister who allowed his partisan polit-

ical motivations to overrule his duty to uphold the law. A Prime Minister who has allowed a systemic culture of corruption to take root in his office.

Andrew Scheer and Canada's Conservatives are calling on Justin Trudeau to resign. Further, we are asking that the RCMP immediately open an investigation into the numerous examples of obstruction of justice that were detailed in the testimony.

Canada should be a country where we are all equal under the law. Where nobody – regardless of wealth, status, or political connections – is above the law. I believe we can be that country again.

Sincerely,
Jim Eglinski, MP
Yellowhead

FARM SAFETY WEEK

is a great opportunity to stress the importance of keeping our farm families safe and healthy. The agriculture industry is unique in that so many of its members live, work and play at the worksite. This often increases the level to which farmers and their families are exposed to dangerous chemicals, machinery and livestock. Because of this potentially hazardous environment, it's essential that each and every person on the farm is experienced and knowledgeable in the area of farm safety.

- Handle cattle with respect and awareness. They have the strength and speed to cause serious injury.
 - Never operate machinery when you are fatigued, stressed or highly medicated.
 - Always read and follow owner's manuals and safety decals on all equipment.
 - Outfit all farm buildings with smoke detectors and fire extinguishers.

GUARD YOUR PROFITS

The bottom line for any business is profitability. An important part of maximizing profits is minimizing losses - and that includes non-productive time, costly machinery breakdowns as well as losses due to injury, illness, or death of the farmer, farm family, or farm workers.

Minimizing loss begins with making safety a priority, conducting a safety audit on your farm, keeping all machinery in good repair with guards and shields in place, having adequate accident insurance coverage, training workers in safe practices, leading by example every day.

PARLIAMENT UPDATE – WEEK OF FEBRUARY 25, 2019

Submitted by Jim Eglinski, MP – Yellowhead

The following was debated in the House:

- C-77 – National Defence Act (Third Reading)
- C-83 – Corrections and Conditional Release Act (Report Stage)
- C-92 – An Act Respecting First Nations, Inuit and Métis Children, Youth and Families (First Reading)
- C-93 -- An Act to provide no-cost, expedited record suspensions for simple possession of cannabis (First Reading)
- C-369 – Bills of Exchange Act (Third Reading)
- C-431 – Canada Pension Plan Investment Board Act (First Reading)
- C-432 – Public Servants Disclosure Protection Act (First Reading)
- C-433 – Competition Act (First Reading)
- C-434 – Criminal Code (First Reading)
- C-435 – Rare Disease Day Act (First Reading)
- C-436 – Acromegaly Awareness Day Act (First Reading)
- CPC Opposition Motion – Standing Committee on Justice and

- Human Rights
- Motion -- 111 – Mennonite Heritage Week
 - Motion – 194 – Precarious Employment
 - Motion – 206 – To Study Fitness and Physical Activity Levels of Canadian Youth
 - S-6 – Canada-Madagascar Tax Convention Implementation Act, 2018 (Referred to Committee)
- On Monday, in the Standing Committee on Public Safety and National Security (SECU), we heard witnesses from Public Safety and Emergency Preparedness, Royal Canadian Mounted Police, the Canadian Security Intelligence Service, Canada Border Services Agency, Correctional Service Of Canada, and the Parole Board of Canada on the Supplementary Estimates (B) 2018-19 and the Interim Estimates 2019-20.
- On Wednesday, we heard from witnesses as we continued the study on Cybersecurity in the Financial Sector as a National Economic Security Issue. For more information on these meetings, visit the SECU Committee website at www.ourcommons.ca/Committees/en/SECU

On Thursday, the Speaker of the House of Commons granted our request for an emergency debate that evening on the topic of the Prime Minister pressuring the former Attorney General to interfere in the prosecution of SNC-Lavalin. You can read comments and questions from Debates on the House Publications page at www.ourcommons.ca/en

On Friday, I flew back to the riding.

On Saturday, I will have the hon-

our of attending the Edson First Responders Dinner and Awards Banquet where I will be presenting Fire Chief, Tyler Robinson, his Federal Fire Services Exemplary Service Medal and certificate. Congratulations Fire Chief Robinson!

This week, I attended eight meetings and two events, as well as recorded a message.

I will remain in the riding for the next two weeks while the House is on recess. My next update will be on my travels in the Yellowhead.
