RCMP INVESTIGATE ATTEMPTED ROBBERY

Submitted by Stony Plain/Spruce Grove/Enoch RCMP

On May 6th, 2019 at 12:14 pm., Stony Plain/Spruce Grove/Enoch RCMP responded to a complaint of an armed robbery in progress.

Two males with hammers attempted to rob the Wabamun Hotel Bar but were chased off by customers. A staff member was injured when he confronted the suspect.

MALE ARRESTED ON OUTSTANDING WARRANT

Submitted by Stony Plain/Spruce Grove/Enoch RCMP

On May 14, 2019 at approximately 6:30 p.m., Stony Plain/Spruce Grove/Enoch RCMP Drug

Section arrested an adult male on an outstanding warrant at the Tri Leisure Centre in Spruce Grove.

At the time of his arrest the adult male was bound by three separate probation orders and one recogni-

zance. Other charges have been laid as a result of him being in possession of 24 grams of crystal methamphetamine, and 2 grams of fentanyl.

EVANSBURG SCAVENGER HUNT AGES 8 – 14 JUNE 1ST

Submitted by Tipple Park Museum

A water tower. A fire hall. A coal tipple. A grain elevator. A

creamery. Does this sound like Evansburg? To some old-timers, it may well indeed! But to others, not so much. A coal tipple? Since when does Evansburg

have a coal mine? A grain elevator? Nobody uses those anymore. A creamery? That's been an abandoned building for years.

RCMP Investigate Attempted Robbery

Continued from Page 1

Suspect 1 is described as:
 • 6'1" to 6'2"
 • slim build
 • wearing a red hoodie and a black balaclava.
 Suspect 2 is described as:
 • approximately 5'8"

- heavy build
- wearing a black hoddie and a black balaclava.

Witnesses followed the two suspects who fled in an older model (possible 2001-2007) extended cab black Chevrolet Silverado with an Alberta marker possibly starting with "BTC". Witnesses indicate a

long haired female was driving. If you have information about this investigation, please call the Stony Plain RCMP at 780-968-7267, or call your local police detachment. If you want to remain anonymous, you can contact Crime Stoppers by at 1-800-222-8477, by internet at www.tipsubmit.com, or by SMS.

Male Arrested on Outstanding Warrant

Continued from Page 1

Further investigation resulted in the seizure of another 6 grams of

crystal methamphetamine inside a locker at the Tri Leisure Centre. Tyson Niles (31) of Spruce Grove, has been charged with:

- Possession of methamphetamine for the purpose of trafficking
- Possession of fentanyl
- Possession of property obtained by crime
- Fail to comply with a probation order (x6)
- Fail to comply with a recognizance

Niles has been remanded into custody after a judicial hearing and will be appearing in Stony Plain Provincial Court on May 22, 2019. As this matter is now before the courts, no further details will be available.

JOKE OF THE WEEK

A farmer purchased an old, run-down, abandoned farm with plans to turn it into a thriving enterprise. The fields were grown over with weeds, the farmhouse was falling apart, and the fences were broken down. During his first day of work, the town preacher stops by to bless the man's work, saying, "May you and God work together to make this the farm of your dreams!" A few months later, the preacher stops by again to call on the farmer. Lo and behold, it's a completely different place. The farm house is completely rebuilt and in excellent condition, there is plenty of cattle and other livestock happily munching on feed in well-fenced pens, and the fields are filled with crops planted in neat rows. "Amazing!" the preacher says. "Look what God and you have accomplished together!" "Yes, reverend," says the farmer, "but remember what the farm was like when God was working it alone!"

All the Best to All of Our Graduates

It's your day, and we hope you enjoy every moment as you celebrate the culmination of your hard work. May your graduation be the beginning of a bright and beautiful future. We look forward to celebrating your continued success!

NEW HORIZONS FOR SENIORS PROGRAM 2019-20 CALL FOR PROPOSALS FOR COMMUNITY-BASED PROJECTS

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, wishes to inform constituents that the Department of Seniors has announced the launch of the 2019–20 New Horizons for Seniors Program (NHSP) call for proposals for community-based projects.

The Program’s community-based stream supports activities that engage seniors and address one or more of its five objectives: volunteering, mentoring, expanding awareness of elder abuse, social participation and capital assistance.

Organizations are invited to apply for funding under the NHSP’s three national priorities:

- preventing elder abuse and fraud,

including measures to reduce crimes and harms against seniors;

- supporting healthy aging in community and addressing dementia, including community supports and intergenerational housing; and

- counteracting ageism in the workplace to promote labour market retention of seniors.

The 2019–20 NHSP community-based call for proposals is open

until June 21, 2019.

“Our seniors have worked hard to support their families, communities and grow our economy. I encourage organizations in the Yellowhead to apply,” concluded MP Eglinski.

For information on how to apply, visit <https://www.canada.ca/en/employment-social-development/programs/new-horizons-seniors.html>

Evansburg Scavenger Hunt

Continued from Page 1

Well, it may come as a surprise, but Evansburg has had all of these buildings at one point or another. The water tower can probably be remembered by most of us – it only came down this year. Some of these buildings have been transformed and renovated and passed from owner to owner, yet the old structure still remains. Others have been rebuilt with pride from scratch into shiny new edifices.

Buildings have a special place in our hearts, even if they can seem insignificant to an outside observer. It is fascinating to think about the thousands of people buildings have seen pass through their doors, and the thousands of stories that they have heard. When a building is torn down, somehow these stories and memories are harder to perpetuate as well.

But there’s no need to worry! On June 1st, at 3pm, kids can come down to Tipple Park Museum for a scavenger hunt to discover the history of buildings in Evansburg. Follow clues to a present-day building or space, then search for a special box. Inside will be a photograph of an older version of the structure, which you will be able to paste into a book. At the end of the hunt you’ll have information and photographs of about twenty old buildings in your own book, so you can remember how Evansburg once looked and think about the stories that have happened here. Also, there will be prizes rewarded finishing the event.

Get your detective on!

HOW TREE SERVICES CAN PROTECT YOUR PROPERTY

Cold weather can take its toll on a property, especially in regions of the world where winters are harsh. Most parts of the landscape are vulnerable to damage from winter storms, but trees may be especially susceptible. By the end of winter, many homeowners wonder if their trees would benefit from some professional TLC.

Tree services provide a host of services. While fall is a popular time to remove trees from a property, doing so in spring is not unheard of, especially if trees were affected by winter storms and now pose a threat to a home and the people who live inside it.

Homeowners considering tree services can explore the following ways that some professional arbor attention can protect them and their homes.

- Tree services can help protect a home's foundation. Old trees that stretch well into the sky can be captivating, but they also can pose a threat to a home's foundation. Such trees may have especially large root zones that may extend beneath walkways and even a home. In the latter instance, foundations may crack as roots try to stake their claim to the ground beneath a home. According to the home improvement resource HomeAdvisor, homeowners pay an average of just over \$4,000 to repair foundation issues, though major problems can cost considerably more than that. A professional tree service can remove aging trees that might be beautiful and awe-inspiring but still pose a threat to a home and the areas surrounding it.

- Tree services can improve vis-

ibility. Trees that have aged a bit since their last trimming might affect the view of a property from inside a home. Overgrown branches can compromise residents' ability to see and experience the natural beauty just outside their windows. The average homeowner may be able to trim short trees on his or her own, but if views from the second floor of a home or higher have been compromised, it's much safer to call a professional tree service. Such services have the right tools and experienced personnel necessary to safely trim high branches on tall trees.

- Tree services can help prevent future damage. Even if trees made it through a recent winter unscathed, that's no guarantee next winter or even the coming seasons of spring, summer and fall won't ultimately

prove their undoing. Travelers Insurance notes that weather-related roof damage, including damage resulting from falling limbs and branches weighed down by snow during the winter months, accounted for more than half of all Travelers property loss claims between 2009 and 2016. According to BNC Insurance and Risk Advisors, homeowners may be liable if a tree they knew posed a threat falls onto a passerby or a neighbor's property and causes damage or injury. Having all trees properly trimmed each year, but especially those that can fall on your home and your neighbors' homes, may prevent future damage and legal issues.

Tree services can ensure trees maintain their awe-inspiring beauty and help homeowners protect their homes and their belongings.

GET READY: EARLY SPRING LANDSCAPING TIPS

During the cold months of winter, many people stare longingly out of the window dreaming of spring and time spent outdoors. For those with green thumbs, images of tending to the garden and other aspects of their landscapes no doubt dominate such daydreams.

Draw inspiration from those budding crocuses and daffodils pushing through the last remnants of snow and employ these tips to prepare for the upcoming gardening season.

- One of the first steps is to apply a preemergent weed killer to get a head start knocking out weeds that can plague the lawn during the growing season. Killing weeds at the roots early on can mean far fewer has-

sles in spring and summer, and may prevent new generations of weeds from cropping up each year.

- While it may be tempting to take a prematurely warm day as a sign that spring is in full force and purchase a bunch of annuals, it's better to know the last of the possible frost dates (check "The Farmer's Almanac"); otherwise, you may waste time and money planting flowers or vegetables only to have them zapped by another frosty day.

- Amend the soil so that it is the right consistency - just crumbling when lifting it. Soil that is too muddy after spring thaw can harden, making it difficult for plants to flourish later on. Speak with representatives at a local

lawn and garden center about which types of amendments you can add to the soil in your particular area to enrich it.

- Lawn and garden experts at The Home Depot suggest filling in bare patches of lawn now by mixing a few shovelfuls of soil with grass seed. Then apply this patch to the bare areas, water, and continue to care for the area until the spot fills in.

- Spend a day in the garage or shed tending to the lawn mower and other gardening equipment. Clean all tools and ensure that everything works, repairing parts as needed.

- Give outdoor entertaining spaces a good scrubbing, clearing away dirt and grime that may have accumulated over the win-

ter. Use a leaf blower to blow away any leftover leaves.

- Check if the front porch, railings or decking need painting and/or staining. Tackle these projects when the weather is cooler so everything will be ready for those peak spring days.

- Think about any annuals you might want to plant in the landscape this year that will complement any existing shrubbery or perennials. Come up with a theme so that the entire yard is cohesive.

Before homeowners know it, winter is gone and it is time to once again enjoy long days spent outdoors. Get a jump start on spring lawn prep as soon as you can.

4H UPDATE: ANTICIPATION GROWING!!

Submitted by Wyatt Bahrynowski | Lobstick 4H

The big day for all 4-H beef members is drawing near, the annual show and sale!! As I previously reported this year was going to be a 2 day event, but after some debate we back to having a one day action packed show and sale. The Lobstick 4-H members would like to invite you out to see their 4-H projects for this year. A lot of hard work has gone into getting our heifers and

steers ready for the show day. The journey started in November when it was time to pick out our projects and weigh them in, over the next 7 months there was daily feedings, halter breaking, grooming and clipping. For those of you that are wondering if this is the only thing we focus on in the 4-H beef club, it's not... being a member of the club you are also required to attend monthly meetings, participate in community service, participate in public speaking and complete a record book.

This record book documents the costs involved with our 4-H animals along with other information.

Our club had a mini show on May 5, it was very successful with all the animals cooperating, fingers crossed that everything runs just as smoothly at the big show and sale. This years event takes place May 27 at the Drayton Valley Omniplex. The show kicks off at 9 am and will run throughout the day. Parade of Champions takes place at 6:30 pm followed by the sale at 7pm. Along

with our club, (Lobstick 4-H) will also be the Lin-Berry-Buck Club and the Two Rivers Club, so there will be a lot of great show animals to view and to purchase.

If you are interested in purchasing some of this tasty quality Alberta 4-H Beef you can contact our beef leader Brent at 780 898 0659 or Corey Sekura at 780 542 4337. All the 4-H Beef members truly appreciate all the support they receive from the community and from the beef buyers.

PRINCIPAL'S MESSAGE

Submitted by Les Worthington, Principal, Wabamun School

Blanket Exercise – On Thursday, May 23rd, we will be hosting a Community Blanket Exercise. Please call the school to have your name added to the attendee list. This event is for adults only.

Rainbows Nutrition Program – Each week in Phys. Ed. students have the opportunity to try a different fruit or vegetable. We have tried four different ones to date. See if your child can list them all!

Personal Technologies – Starting

Tuesday, May 21st students will no longer be permitted to have personal devices (cellphones, headphones, etc...) out from the morning bell until the end of the day. This means that during the school days (breaks & recesses included, they are to remain in lockers). At a teacher's request, students may use laptops, and if needed, wired headphones. If students require wired headphones we (the school) can provide them.

Badminton – Congratulations to Mr. Pon and all of the badminton players who have been participating.

Swimming – Swimming for students in Grades 1-5 begins on Fri-

day, May 3!

Bell Times – Next year the bus will arrive at Wabamun School at 7:35. This has resulted in a change to our bell schedule. Our first bell will be at 7:47 and our final dismissal bell will be at 2:35.

WSFA – A huge thanks goes out to the Wabamun School Fundraising Association who awarded 10 lucky students a free laptop! WSFA also hosted a Ham & Turkey Bingo. The event was very well attended and made for a great night of family fun. In addition, WSFA has sponsored the Grade 3-5 overnight trip to Drumheller! When we return in the fall WSFA will be looking for

volunteers to assist with the casino.

Coffee with the Principal – Approximately once a month I meet with parents and community members for what we like to call "Coffee with the Principal". In a nutshell, it is an informal conversation about whatever is on your mind, all while enjoying a cup of coffee or tea, and sometimes some treats. As a school administrator it is important for me to engage the community, for you are all stakeholders in strengthening our school, which in turn strengthens the community. This month's Coffee with the Principal will be at Gossamer Treasures, on Tuesday, May 21st from 10:30-11:30am.

PATHWAY TO PERMANENT RESIDENCE FOR CAREGIVERS CLOSES JUNE 4, 2019

Submitted by Jim Eglinski, MP – Yellowhead

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, wishes to inform constituents that Immigration, Refugees and Citizenship Canada (IRCC) is launching two new five-year caregiver immigration pilot programs. This will replace expiring and ineffective pilot programs.

The new pilots will allow caregivers to come to Canada

together with their family and provide a pathway to permanent residence.

Under the new pilots, applicants will be assessed for permanent residence criteria before they begin working in Canada. Once the caregiver has their work permit and 2 years of work experience, they will have access to a direct pathway to become a permanent resident.

These pilot programs will replace the Caring for Children and Caring for People with High

Medical Needs pilots and include:

•Occupation-specific work permits for caregivers, providing the ability to change jobs quickly when necessary.

•Open work permits for spouses/common-law partners and study permits for dependent children, to allow the caregiver’s family to accompany them to Canada.

The Interim Pathway for Caregivers, which will be open from March 4, 2019, until June 4,

2019.

The Interim Pathway for Caregivers will provide those caregivers an opportunity to stay in Canada permanently.

“Caregivers provide care to families in Canada needing assistance. I encourage caregivers and all those involved with caregivers in the Yellowhead, whether personally or professionally, to let them know,” concluded MP Eglinski.

The Interim Pathway for Caregivers was launched as a three-month program on March 4 as a short-term pathway for caregivers, their spouses and their children for the opportunity to become permanent residents. This pathway was launched to help caregivers who have been working in Canada but who haven’t qualified for any other current caregiver program.

To apply, a caregiver needs to have:

• a valid work permit (or have applied to extend their work permit or restore their status)

• one year of Canadian work experience as a home childcare provider or home support worker, or a combination of both jobs since November 2014

• a minimum of Canadian Language Benchmark level 5 in reading, writing, listening and speaking in either English or French

• a Canadian high school diploma or a foreign equivalent

If an applicant can’t get the results of a language test or Educational Credential Assessment in time before the deadline, they can submit proof they have scheduled a language test and have submitted a request for an assessment.

“I encourage caregivers and all those involved with caregivers in the Yellowhead, whether personally or professionally, to let them know,” concluded MP Eglinski.

For more information please go to: <https://www.canada.ca/en/immigration-refugees-citizenship/services/immigrate-canada/caregivers/interim-pathway.html>

YELLOWHEAD COUNTY 2019 FINAL MUNICIPAL BUDGET, TAX RATE BYLAW ADOPTED

County council adopts 2019 municipal budget with a focus on several notable capital projects.

Submitted by Yellowhead County

On May 14, 2019, Yellowhead County council adopted the 2019 municipal budget and retained the same municipal tax rate from the previous year. As a result, the county's property owners, businesses, and industry will not see an increase in the municipal government tax rate when they receive their tax notice this spring, but will see an increase in the school requisition and seniors requisition rate.

"We have worked hard to bring forward a budget that doesn't require a tax rate increase for our residents and businesses this year," said Yellowhead County Mayor Gerald Soroka. The total municipal budget, which comes in at some \$156 million, includes a \$41.5 million allotment for county operational costs.

The budget continues to reflect council's continued support of development in the region, and includes a significant range of capital projects for many of its departments. Total capital costs will be \$55.9 million with an allotment of \$14.6 million for Parks and Recreation; \$1.5 million for Fire and Protective Services; and \$35.7 million for road connectivity and rehabilitation projects.

"This year, our focus is on a handful of capital projects which we hope will improve the quality of life for our residents," added Mayor Soroka, "We will continue to work towards developing the collaborative Yellowhead County-Edson Recreation complex in a fiscally responsible manner. And as always, road infrastructure remains a priority."

Yellowhead County 2019 Final Municipal Budget, Tax Rate Bylaw Adopted

Continued from Page 15

For Yellowhead County's Parks and Recreation Department, notable capital projects include the development of the Yellowhead County-Edson recreation complex, the Brule Community Hall, the county-wide trails system, and the paving and lot improvement for the Wildwood Rodeo Grounds and Recreation Complex.

The county's Fire and Protective Services Department will focus on building two new communications towers, a training facility, and will also seek to acquire a new water tanker and sprinkler trailers.

The Infrastructure Services Department will focus on numerous road renovations and builds this year, including the Obed CN Crossing, Robb Lift Station, Swanson Road, Baseline Road, Long Lake Road, and Robb's 53 Ave. A number of overlays will also be constructed, including the Carrot Creek Loop

West, Niton North Road, Wildwood Old HWY, Rochfort Road, and Reno Road. As well, a decorative street lighting project will be underway this year.

The aforementioned projects are only a fraction of what the county has set out to develop this fiscal year—for a detailed budget breakdown, please visit the Yellowhead County website.

At-a-glance, the Yellowhead County 2019 budget is as follows:

- Operations: \$41,511,865
- Contributions to local government: \$12,164,140
- School requisition: \$23,423,074
- Seniors housing requisition: \$4,116,201
- Designated industrial requisition: \$620,457
- Contributions to reserves: \$2,809,526
- Capital projects: \$55,901,372
- Amortization (non-cash items): \$15,408,520
- Total: \$155,955,155

KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

Submitted by Nikki Gilks, Manager, Communications Services | Grande Yellowhead Public School Division

May 8, 2019

Trustees approved the tender results for the almost \$500,000 heating and ventilation upgrade at Summitview School in Grande Cache, subject to approval from Alberta Infrastructure. This is the final phase of a multi-year project to replace the entire system.

The board was pleased to provide a letter of support for their continued collaboration with the Jasper Local Immigration Partnership (LIP). LIPs are a community-wide, multi-sector partnership that works to increase collaboration between settlement agencies, and smooths the experience for newcomers at both the school and community levels.

A detailed summary report from the feedback for the five community engagement sessions on the current Three-Year Plan was summarized by Deputy Superintendent, K. Shipka. Trustees will review the report in more detail at their next Board Retreat, and schools will use the collected input to align their own community engagement sessions in the fall around their school continuous improvement plans.

Trustees ratified the school bus route contract for the three years from 2018/2019 to 2020/2021 with the Yellowhead Bus Contractors Association. The division has nine school bus contractors currently operating 19 bus routes.

The Alberta School Boards Association's (ASBA) spring general meeting is from June 3-4, 2019, where trustees will support for the ASBA bylaw amendment proposal to establish that the Rural Caucus of Alberta School Boards (RCASB) be established as Zone 10 of the ASBA. Initially established in 2015 to discuss rural transportation issues, the RCASB expanded their scope in 2016 to include mental health and funding. In 2017, the Rural Caucus of Alberta School Boards was formal-

ized and represents over 40 rural school boards.

Trustees shared information and highlights from activities around the division including their volunteer events for Education Week, monthly school councils meetings, and a meeting with representatives from the Public School Boards Association of Alberta (PSBAA). In addition,

Lobstick: Board Chair B. Rosadiuk noted her participation on a recent selection process for

an assistant principal for Grand Trunk High School. The recent fundraiser for Evansview School, the Grouch's Ball, was another successful venture. She also appreciated the meeting with the PSBAA members where the board enjoyed some thoughtful discussions on board advocacy and collaboration strategies.

Superintendent C. Lewis provided a Superintendent's Update which included key topics of interest from the annual Principals' Retreat in Edmonton. Held over

two days, the retreat focused on strategic planning, instructional leadership and effective instructional walkthroughs, moving forward with literacy practices, budget insights, and the sharing of various learning and curriculum updates. A common report card for K-Grade 12, school community and stakeholder engagement sessions, and a focus on effective assessment practices are some of the upcoming priorities for the 2019/2020 school year.

PREVAIL CELLULAR HOMEOSTASIS FORMULA MAX

A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU
 ...RIGHT DOWN TO THE LAST CELL!

How do you want your **BLOOD** to look?

Before PrevailMAX:

- poor circulation
- low energy
- brain fog
- dehydration
- decreased nutrients
- pH imbalance
- poor endurance

After PrevailMAX:

- better circulation
- more vitality
- mental clarity
- cellular movement
- nutrient assimilation
- balanced pH
- optimal endurance

PrevailMAX™ is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells. When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!
