CALLING ALL LOCAL ARTISTS AND CREATIVE SOULS!

Submitted by Tipple Park Museum

PV Daze is just around the corner. Tipple Park Museum would like to display something creative and cultural for the occasion. This year, we are planning to put together an art walk around the museum for guests

to enjoy. Vendors will showcase their talent with live demos.

We are looking for all sorts of creative talent. Some talent may include but is not limited to wood carving, candle making, tea brewing, pottery or tie-dying.

We have five spots to fill on a volunteer basis. It's a great way

to give back to your local community and have some fun!

The art walk will take place August 10th from 1-4pm, at Tipple Park Museum. If you're interested please phone Melissa at 780-727-2240 or email tippleparkmuseum@gmail.com.

Thanks for your interest!

The supper on May 10 was well attended. We appreciate your support. Join us for supper on June 14 at 6:00 pm. Our supper will consist of Pork with a mushroom gravy sauce, mashed potatoes, vegetables, buns and desert.

The bottle depot is open Tuesday through Friday 11:00 am to 5:00 pm and Saturdays 10:00 am to 5:00 pm. The bottle depot is getting busy with the spring cleanup continuing. We appreciate advance notice for large deposits, like a bottle drive, so we can serve you better.

We are open at 11:00 am for lunch on Thursdays with Elno-

ra Wiebe cooking up different items each week. We still have fun crib in the afternoon at 1:00 pm. We are open Friday afternoons from 1:00 pm till 6:00 pm. We are still looking to find something to have on Fridays for people. How about a drop in for pie and coffee? Give us a call at 780-325-2015 and let us know if that catches your fancy.

Every Saturday we have a meat draw, basket draw and a 50-50 draw, with ticket sales starting for the meat draw at 2:30 pm. Due to the continued support we have increased our meat to provide a better variety. There are three meats and one bacon and eggs to choose from for each of our five draws. Everyone is welcome to attend and try their luck.

Our next meeting is June 17, 2019 with the executive meeting at 6:00 pm and the general meeting starting at 7:00 pm dress casual.

JOKE OF THE WEEK

A small boy was at the zoo with his father. They were looking at the tigers, and his father was telling him how ferocious they were.

"Daddy, if the tigers got out and ate you up..."

"Yes, son?" the father asked, ready to console him.

"...Which bus would I take home?"

ALBERTANS CELEBRATE SENIORS' WEEK 2019

Albertans are encouraged to celebrate Seniors' Week, which runs June 2-8.

Submitted by Government of Alberta

For more than 30 years, Alberta has formally honoured seniors during the first week in June. With hundreds of events taking place across the province, people of all ages can attend an event, catch up with the seniors in their lives or thank those who have made a difference in their community.

"Seniors' Week is an opportunity to thank seniors for the lifetime of service they have provided to their families, friends and neighbours. Seniors built Alberta into a key engine of our collective prosperity – and they continue to contribute through caregiving, volunteerism and experience." - Josephine Pon, Minister of Seniors and Housing
Seniors' Week celebrations will kick off with an event on

Monday, June 3 in Medicine Hat.

"Seniors need to be recognized and acknowledged for the vital role they play in our daily lives. They provide us with valuable knowledge, skills and experiences that benefit us now and will continue to benefit our province, cities and towns in the future." - Ted Clugston, mayor, City of Medicine Hat

During Seniors' Week, Al-

bertans 65 years and older receive free general admission to the province's 20 historic sites, museums and archives. Free admission does not apply to tour groups; fees for special programming at facilities still apply.

A calendar of Seniors' Week events and more information can be found at alberta.ca/seniors-week.aspx.

Ukraine School Program Was A Hit At Tipple Park Museum

Continued from Page 1

We have a strong Ukrainian heritage in our local area, so we thought it would be fit to showcase a program that focuses on that.

Students had the chance to learn a Ukrainian dance, make a pysanky egg, play traditional Ukraine games, learn some Ukraine language, make potato pancakes, learn about Ukraine's wheat industry by painting an original Van Gogh wheat field, learn about Ukraine's history and culture and go on a Holy Trinity scavenger hunt.

Thank you to all the loyal volunteers and parent helpers. Without your help, the program would not have been as successful as it was.

Students had such a great time. The feedback from teachers and parent helpers was positive and they would like the program available all year long for local students.

In total, the museum had seventy-five students drop in the for the program during the span of three days.

If you are a teacher and would like to take part in our Ukraine Program please phone 780-727-2240 or email us at tippelpark-museum@gmail.com.

AMBER ALERT ISSUED AFTER ABDUCTION

Submitted by Fox Creek RCMP

Fox Creek, Alta. – June 1, 2019 at approximately 1:30 a.m., Fox Creek RCMP responded to a report of a child abduction from a residence in Fox Creek.

Preliminary investigation revealed three children (9 months, 3, 4) were abducted at a resi-

dence and taken in a vehicle.

An AMBER Alert was issued with a description of the alleged abductor, vehicle and child information at approximately 5:00 a.m., based on circumstances surrounding the ongoing investigation.

At approximately 7:00 a.m., Sylvan Lake RCMP attended to a vehicle roadside on Highway

20 north of Sylvan Lake where the mother and three children were located. The children were unharmed but taken to hospital as a precaution.

Charmaine Darnel was arrested and taken into police custody. Charges are pending further investigation and additional information will be released when available.

AMBER Alerts are used by police to engage the public in locating an abducted child (or adult with a proven mental or physical disability) who is at risk of harm. The Alberta RCMP would like to thank the member of the public for alerting police after they received the AMBER Alert that led to a swift resolution to this mornings incident.

ALBERTA RCMP REMINDS PUBLIC OF BEST RESOURCES TO ANSWER MOST COMMON 911 CALLS DURING WILDFIRES

Submitted by Alberta RCMP

In an effort to help mitigate some of the common calls the Operational Communications Centre (OCC) receive during the wildfires, the Alberta RCMP hosted a press conference at "K" Division Headquarters to provide Albertans and evacuees with the best resources for their most common questions:

- For questions concerning highway closures or road conditions due to heavy smoke, contact Alberta 511 at 511.Alberta.ca or call 511.
- For questions regarding evacuation reception centres, please visit Alberta.ca/emergency. The current evacuation centres are as follows:
 - The Slave Lake Legacy Centre
 - The Misery Mountain Ski Hill

- in Peace River
 - La Crete Heritage Centre
 - Grande Prairie Regional College
 - Fort Vermillion Community Cultural Complex

Note: All evacuees should register with an evacuation reception centre, if alternate accommodations have been found. This is to help ensure authorities can reach you if the situation changes.

- For questions regarding pets, please call High Level Animal Control at 780-926-2201. For evacuees within the Wabasca, Alta. area, please fill out an on-line form on the Alberta Animal Disaster Response Facebook group, or text 403-869-4964 and provide your name, contact number, number of animals missing, address they were last seen, and a brief description of your pet.
- For questions regarding live-

stock, please note that the County of Northern Lights is providing temporary access hours from 7 a.m. to 10 p.m. for residents to enter the property to handle live-stock care. Residents must register for a temporary access pass at the County Office.

- For questions on returning home, please follow the Government of Alberta Twitter page hashtags #ABFire and #ABE-merg

Fast facts:

- The Alberta RCMP has deployed approximately 40 additional members from various detachments across the province help augment existing detachments to ensure the safety of Albertans and to protect their property.
- In 2018, the OCCs took more than 910,217 calls for service with 220,608 (25%) coming from 911. Of these calls, 2,609

were generated as high priority or urgent police requests.

"On behalf of the Alberta RCMP, I would like to thank our provincial partners, first responders and continued assistance from firefighters for their tireless assistance. I would also like to thank all the well-wishes and heartfelt comments the Alberta RCMP has received. These messages have not gone unnoticed." – Supt. Terry McLachlan, Alberta RCMP.

COMMUNITY CONNECTOR II NEWS

Submitted by Royal Canadian Legion Wildwood Br 149

The name Community Connector was chosen from, Name the Bus Contest Entries, when a new bus was purchased in 2007. Prior to that we were known as

the "Legion Bus". When we purchased our present bus in 2016, we named it the Community Connector II. The bus can carry up to 18 passengers or 4 wheelchairs and 14 passengers.

Now a bit of history as to how this all started. In the ear-

ly 80's a group started the Wolf Creek Pembina Transportation Society to address the need for transportation for seniors and the disabled. They purchased a used van and provided door to door service in the area from Evansburg to Wolf Creek. The bus was not wheelchair friendly and by the early 90's it was no longer roadworthy. The Society purchased a new wheelchair accessible bus. By 1992 they could not meet their financial obligations, due mostly to the monthly bus payments. They returned the bus to the dealer and dissolved the society. In 1992 ID# 14 and the board of Wolf Creek Pembina Transportation Society approached Wildwood Legion Branch 149 to provide basic transportation for seniors and the disabled. Several buses were used to provide service till 2007. In 2007 a 14 passenger wheelchair accessible bus was purchased and became the first Community Connector.

A Volunteer Committee oversees the day to day operation of the bus, "at arm's length" from the Legion operations. The bus goes to Drayton Valley on Fridays and to the Adult day program at the Health Unit on Wednesdays. Did you know the Community Connector Bus can be chartered for that special trip? Get your group together and we will do our best to accommodate

you. The present kilometer rate is .75 cents. (subject to change) Charters pay the kilometer rate plus the driver's wage, hotel room and meals if applicable. Operational Grant funding from Yellowhead County and Parkland County does not cover all the cost of operation. Our goal is to operate on a cost recovery basis and still be able to put money into a capital reserve fund for the next Community Connector III bus.

We will be doing our annual Miette Hot Springs trip later this year. This trip will fill up fast, so call our coordinator Zenobia at 780-727-2207 to book your seat! If we have enough requests, we could arrange a second trip. We will do overnight trips if requested. Do you want to go to on the Stettler train ride? Perhaps you would like to go to the Ukrainian Village or the Valley Zoo or give us a call with your ideas. We want your input and suggestions for social trips, keeping in mind that we like to have a minimum of 14 passengers to make a special trip feasible, to be fair to riders and cost of bus operations. Steering committee members are: Lori Rehn, Charlotte Winters, Zenobia MocarSKI, and Terry Randall.

We are honored and privileged to serve the communities in our service area with the Community Connector II Bus. Thank you!

PARLIAMENT UPDATE – WEEK OF MAY 27, 2019

Submitted by Jim Eglinski, MP – Yellowhead

The following was debated in the House:

- Government Business No. 30 -- Extension of sitting hours and conduct of extended proceedings
 - C-81 (Second Reading) -- Accessible Canada Act
 - C-93 (Report Stage - motions in Group No. 1) -- An Act to provide no-cost, expedited record suspensions for simple possession of cannabis
 - C-97 (Report Stage - motions in Group No. 1) -- Budget Implementation Act, 2019, No. 1
 - C-98 (Second Reading) -- Royal Canadian Mounted Police Act
 - C-99 (First Reading) -- Citizenship Act
 - C-100 (First Reading) -- Canada-United States-Mexico Agreement Implementation Act
 - C-418 (Second Reading) -- Protection of Freedom of Conscience Act
 - M-230 — Energy Costs
 - S-243 (Second Reading) -- Fairness for All Canadian Taxpayers Act

On Monday, in the Finance Committee, we heard from witnesses during our clause-by-clause consideration of Bill C-97 the Budget Implementation Act. Later, in the Standing Committee on Public Safety and National Security (SECU), we heard from witnesses during our clause-by-clause consideration of Bill C-93, An Act to provide no-cost, expedited record suspensions for simple possession of cannabis. That evening, the government adopted the extension of sitting hours and conduct of extended proceedings. The House will sit from 6:30pm to midnight starting on Tuesday, May 28th until summer recess.

On Tuesday, I met with Ukrainian interns (Canada-Ukraine Parliamentary Program (CUPP)), who are volunteering in various MP offices to learn first-hand how our democracy works. During my meeting with them we discussed the role of Parliamentarians, issues presently before the House and much more.

On Wednesday, I attended the TELUS Days of Giving. This is the 14th Anniversary of this event

of giving back to the community where we work and live. I assisted with filling the backpacks for a school in my riding. Later that afternoon in the SECU Committee, we heard from witnesses on Cybersecurity in the Financial Sector as a National Economic Security Issue and later from witnesses on Motion 208, Rural Digital Infrastructure. That evening I attended the Wild Game Reception for Retiring MPs hosted by the Conservative Hunting and Angling Caucus (CHAC), where I was presented with an 'Honourary Lifetime Member' certificate.

For more information on these meetings, visit the SECU Committee website at: www.ourcommons.ca/Committees/en/SECU

On Thursday, I participated in debate on C-93, An Act to provide no-cost, expedited record suspensions for simple possession of cannabis.

You can read comments and questions from Debates on the House Publications page at www.ourcommons.ca/en

Thursday evening, I returned to the riding and will be heading to

Grande Cache Community High School's graduation ceremony the next day where I will be addressing the graduates. The Class of 2019's theme is 'Night at the Oscars.' Yes, it will be a night for all the graduates, their friends and family to acknowledge each other and be proud of what they have achieved. This evening will be a stepping stone to their future.

On Saturday, I will be dropping in at the Parkland Lodge Fundraiser BBQ in Edson followed by addressing the Holy Redeemer High School's graduation ceremony that evening. Their theme is 'Enchanted Forest.' An enchanted forest is a giant tree (the graduates) whose branches (future possibilities) stretch up into the clouds (their success is boundless).

This week, I attended six meetings, two events and did one recording.

On Sunday morning I will be returning to Ottawa as Parliament will be sitting.

Look for my update next Friday on the happenings of Parliament.

GOLFER'S GUIDE

FIVE TOP GOLF TIPS TO HELP BOOST YOUR GAME

(NC) When it comes to golf, it's the little things that can have the biggest impact on your game. Whether it's your first attempt, or 10th season, golf expert Bob Weeks has got you covered at the links this summer with these five tips:

Choose the right clubs: Regardless of your experience or skill level, choosing the right equipment can be the difference between duffing it and striking the ball straight down the fairway. It's important to work with a professional to get the clubs best-suited to your game and then, to have them custom fit. You should be fit for the length, loft, lie angle, shaft flex and even the grip size. If your clubs aren't custom fit, it will be like walking around in shoes that are the wrong size.

Get on the ball: Choose the right kind of golf ball for your game. While golf balls all look the same, it's what's inside that determines if it's right for you. Golf balls fall into two categories: distance or control. Distance balls are generally two-piece balls with a large core and a cover. They are harder and better suited for higher handicappers or beginners. Control balls, usually three- or four-piece balls, are softer and spin more meaning they will land on

the green and stop. More skillful players should use these.

Consider the elements: Weather is always a factor in golf and dealing with it must always be considered. For instance, in cold temperatures, the ball will travel shorter distances, so take more club. The opposite is true for warmer temperatures. If you're playing into the wind, swing easy as that will keep the ball from spinning too much and rising up into the breezes. And downwind, make sure to judge the intensity of the breezes so

you can choose the proper club. Your ball will roll further than normal on a downwind shot so take that into account.

Putting and chipping is priority: Lots of players like to boom their drives and will spend a lot of time on the range hitting their drivers. But if you want to improve your scores, you should spend more time working on your putting and chipping. Since most average players miss a lot of greens, the best way to save strokes is by chipping it close and making more putts. Focus

more on your short game than your drive and you will improve.

Play the 19th hole: Win or lose, there's no better way to celebrate than hitting the 19th hole. Less is often more in golf and the same applies when considering what to eat and drink after a round. Molson Canadian 67 for example is specially brewed with 67 calories and an ABV of 3% per 341ml, offering a light, refreshing alternative for active players.

CONTAINER GARDENING FOR BEGINNERS

Gardening is a rewarding activity that gardening enthusiasts can't wait to get back to once the weather warms up. Many gardeners find getting their hands dirty while tending to a garden can be a great form of escapism. In addition, growing one's own fruits and vegetables can be great for the environment.

Though it's easy to assume gardening is an activity exclusive to homeowners with their own yards, that's not the case at all. Container gardening can make it possible for anyone to garden regardless of where they live.

The benefits of container gardening go beyond making gardening accessible to everyone. Many plants grown in containers are less susceptible to disease

than plants grown in the soil, which can reduce reliance on potentially harmful pesticides. Container gardens also tend to be easier to maintain than traditional gardens, making gardening more doable for people with especially hectic schedules.

Container gardening can be simple, and novices can consider these tips when planning and ultimately tending to their first gardens.

- Conduct a light audit. Walk around your home to determine where your plant can be placed so it gets as much light as it needs to thrive. Some plants need a lot of light, while others can thrive with a lot less. By conducting a light audit before choosing plants, you can deter-

mine if your home is most conducive to plants that require a lot of a light or those that need little light to get by.

- Make sure containers have ample drainage. The gardening experts at Good Housekeeping note that drainage holes are essential when choosing containers. Waterlogged soil can be fatal for plants, so there must be ample drainage in the container. Don't focus too much on the size of the holes, just make sure that they allow excess water to drain out from the pot.

- Don't forget to feed your plants. Potting soil won't necessarily have nutrients that plants can access, so many container gardeners must fertilize the soil so plants can thrive.

Good Housekeeping notes that watering with diluted fish emulsion, seaweed extract or compost tea can help plants thrive. Feed once every two weeks to start, adjusting the schedule thereafter depending on how the plants respond.

- Seek advice. Local gardening centers can be great resources for novice container gardeners. Such centers can recommend plants with a history of thriving in the area as well as plants that might be more compatible when containers are placed next to one another.

Container gardening can bring gardening to any home, whether it's a light-filled private home or an apartment where sunlight is sparse.

KEEP KIDS SAFE WHEN MOWING THE LAWN

Warm weather beckons many people outdoors. Perhaps no group of people like being out in the warm sun more than children.

Children should be encouraged to spend time outdoors when the weather allows, as physical activity is one of the hallmarks of a healthy lifestyle. But parents must exercise caution when kids are playing in the yard, especially when the grass is being mowed.

According to the American Academy of Pediatrics, more than 9,000 children in the United States go to the emergency room for lawn mower-related injuries every year. Of the 800 children who are run over by mowers each year, 600 ultimately require amputations.

Many mower-related injuries

occur when children who are too young and/or too weak to operate a mower are asked to do so. The AAP recommends that only children age 12 and older operate push mowers, while riding mowers should only be used by kids 16 and older. No child should use a mower without first being taught how to operate it, and kids should always wear eye protection and close-toed shoes when mowing. In addition, parents should never allow children to ride as passengers while mowing the lawn.

Mower-related injuries are preventable if parents emphasize safety. The following are some tips, courtesy of the AAP, that parents can follow to ensure their kids do not become one of the

thousands of children who suffer mower-related injuries in a given year.

- Only use a mower with a control that stops the mower blade from moving if the handle is let go.
- Keep children out of the yard while mowing. Mower blades can shoot rocks, sticks or other common yard debris out in all directions, and these trajectories put kids at risk of injuries to their eyes and other parts of their bodies.
- Scour the yard for toys before mowing. Toys left in the yard can become trajectories if not removed prior to mowing, and chipped toys with sharp edges can pose a threat to kids even after the grass has been cut.

- Exercise caution if going in reverse. The AAP advises against pulling a mower backward or shifting into reverse unless absolutely necessary. If you must do so, look behind you to make sure no kids are trailing you or are nearby.
 - Only mow when there is adequate daylight.
 - Periodically inspect your mower. Periodic inspections of your mower can help you make sure guards, shields, switches, and other safety devices are in proper working order.
- When mowing their lawns, parents must make safety their utmost priority to ensure kids do not suffer mower-related injuries.

2019 YELLOWHEAD COUNTY ROADSIDE VEGETATION MANAGEMENT PROGRAM

Submitted by Yellowhead County

(April 24, 2019) – Yellowhead County Agricultural Services Department will be spraying roadsides within the county starting in April and shall continue until mid/late September, depending on weather conditions and length of growing season. Spot herbicide applications and other integrated management practices will be used throughout the County to control weeds and brush species.

Spraying of roadsides is done to control the spread of prohibited noxious and noxious weeds and re-growth of small brush. Most weed species are very prolific seed producers and can produce as many as 300,000 seeds per plant. These seeds can then germinate the following growing season or lay dormant in the soil for a number of years until growing conditions are favorable for germination. Many deep rooted perennials spread via the root system, therefore a single plant left alone can result in a heavy infestation in a relatively short period of time.

Weed infestations can invade and become the dominant plant species on any given parcel of land causing a number of problems such as:

1. They limit light and moisture availability to cereal and hay crops thus reducing yields and resulting in dockage
2. They pose a serious environmental threat to native vegetation and habitats in sensitive areas because of their competitive nature
3. They are expensive to control for adjacent land owners who are subject to their spread
4. They are responsible for live-

NEW AIR PASSENGER PROTECTION REGULATIONS

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, wishes to inform constituents that the Department of Transport has proposed new rules requiring airlines to provide status updates every 30

minutes if flights are late or cancelled.

Starting on July 15, airlines will be required to pay up to \$2,400 for anyone who is denied boarding for situations within the airline's control, such as over-booking, and up to \$2,100 for lost or damaged luggage.

Beginning on December 15, airlines will be required to seat parents beside or near their children at no extra cost, as well as compensation for flight delays and cancellations within an airline's control.

"For more information on these new regulations, I recommend

that you go to either of the below links," concluded MP Eglinski.

<https://otc-cta.gc.ca/eng/air-passenger-protection-regulations> or go to: <https://www.canada.ca/en/transportation-agency/news/2019/05/air-passenger-protection-regulations-finalized.html>

2019 Yellowhead County Roadside Vegetation Management Program

stock poisoning

5. They can pose a serious fire hazards

6. They obstruct visibility along roadsides and intersections

Brush left to grow along roadsides also poses various problems:

1. The obstruction of visibility along roadsides and intersections creating a situation which allows wildlife to jump onto the roadway unseen

2. Roads tend to retain moisture longer requiring more maintenance

3. They can pose a serious fire hazard

4. Creates snow removal and dust trap problems

The herbicides which will be used this upcoming season include; Lontrel – PCP #23545, Escort – PCP # 23005, ClearView – PCP #29752, Transline – PCP #24085, Vantage XRT – PCP #29994, Banvel VM – PCP #29249, Arsenal – PCP #23713, Arsenal Powerline – PCP #30203, Garlon RTU – PCP #29334, Garlon XRT – PCP #28945, Tordon 101 – PCP #9007, Tordon 22K – PCP #9005, 2,4-D Amine - PCP#14726, Milestone – PCP #28517, Navius – PCP #31382, Esplanade – PCP #31333, VP480 – PCP #28840. These products are best suited for Yellowhead County's Vegetation Management Plan. Some of these herbicides have residual characteristics so ratepayers should not be using roadside soil in their gardens.

Residents who have any concerns or questions with respect to the spraying of roadsides in their area are urged to contact the Agricultural Services Department at 1-800-814-3935 or (780) 325-3782.

DARWELL PUBLIC LIBRARY NEWS

Submitted by Darwell Public Library

Join us on Monday, June 10, 2019 from 10 to 11 am., as we are hosting a free demonstration session of Music Pups®. Katelyn Riva will be here to present this fun filled class of singing, dancing, movement and instrument play. The Music Class® is an international music education company that offers playful and creative music and movement classes including the Music Pups® program. Should you wish to attend the session please pre-register by calling the library @ 780-892-3746. The cost to attend would be as follows: children 9 months and under are free, 1 child is \$ 125.00, sibling \$ 75.00. Depending on interest and commitment of families, we would look at running a 10-week program in the fall or early 2020. Should we meet the minimum required registration of 10 children we would look at reducing the cost by partial funding through our FCSS partners. We have a New Program Survey on our website and Facebook page and encourage you to provide

your feedback. Father's Day is fast approaching, are you still looking for a gift idea? Mark the date, Wednesday, June 12, 2019 from 3:30 to 5PM on your calendar. Paulette Belhumeur Gillespie from Paulette's Sign's and Designs will be here to lead you through this fantastic painted project designed for children 6 years old and up. The cost will be \$ 3.00 per person and we have 15 spots available. Check our website or Facebook page, pick one of three designs, and let us know your choice when you register by calling the library @ 780-892-3746. This program is sponsored by FCSS from the Summer Villages of Silver Sands, West Cove and Southview. We will continue to collect your used clothing, shoes, accessories, books, linens and small household items (small items only no furniture) until June 25, 2019. You can pick up a list of acceptable items at the library or find the complete list on our website or Facebook page. Drop off your donations at the library expansion during regular library hours. Should these times not

work for you please contact the library @ 780-892-3746 to make alternate arrangements. Funds raised will go towards the completion of the library expansion. Registration is now open for the Summer Reading Program for children 6 to 13 years of age at the Darwell Public Library? This year we will be exploring the Natural World and each week will be centred around various aspects of nature. We will be kicking off the program this year with the Family Company Theatre interactive performance of " Secrets of the Curious Creepy Crawlies" at the Darwell Centennial Hall. We are extending an open invitation to all families in the community, so even if you are unable to register your children for the program, we encourage you to attend the performance starting at 2 PM. Admission for non program attendees will be a donation of your choosing to the library. We have room for 15 participants, so we encourage you to pre-register by calling the library early to avoid disappointment. The program starts Thursday, July 18 from 1-3PM and will run for 6

consecutive weeks until August 22, 2018. See you there! Sponsored by FCSS from Lac Ste Anne County. The Book Club is on Summer Break until September 9, 2019. Do you love to read? Do you like to discuss what you have read with others? We are always interested in a new perspective to add to our conversation. If you want to participate, you can register and arrange for loan of the current title by calling the library @ 780-892-3746. The Darwell Public Library Society will be holding a meeting Monday June 24, 2019 starting at 7PM at the library. All meetings are open to the general public and everyone is welcome to attend. See you there! The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website www.darwellpubliclibrary.ab.ca or follow us on Facebook at www.facebook.com/DarwellPublicLibrary

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

3	5	9	1	2	4	7	8	6
8	7	2	6	3	9	1	4	5
4	6	1	5	8	7	3	2	9
