ALBERTANS CELEBRATE SENIORS' WEEK 2019

Albertans are encouraged to celebrate Seniors' Week, which runs June 2-8.

Submitted by Government of Alberta

For more than 30 years, Alberta has formally honoured seniors during the first week in June. With hundreds of events taking place across the province, people of all ages can attend an event, catch up with the seniors in their lives or thank those who have made a difference in their community.

"Seniors' Week is an opportunity to thank seniors for the lifetime of service they have provided to their families, friends and neigh-

bours. Seniors built Alberta into a key engine of our collective prosperity – and they continue to contribute through caregiving, volunteerism and experience." - Josephine Pon, Minister of Seniors and Housing

Seniors' Week celebrations will kick off with an event on Monday, June 3 in Medicine Hat.

"Seniors need to be recognized and acknowledged for the vital role they play in our daily lives. They provide us with valuable knowledge, skills and experiences that benefit us now and will

continue to benefit our province, cities and towns in the future." - Ted Clugston, mayor, City of Medicine Hat

During Seniors' Week, Albertans 65 years and older receive free general admission to the province's 20 historic sites, museums and archives. Free admission does not apply to tour groups; fees for special programming at facilities still apply.

A calendar of Seniors' Week events and more information can be found at alberta.ca/seniors-week.aspx.

LEDUC COUNTY SENDING ADDITIONAL FIREFIGHTERS, EQUIPMENT TO HIGH LEVEL FIRES

Submitted by Leduc County

Leduc County Fire Services deployed additional firefighters and equipment this morning to help fight the wildfires near High Level.

In response to the Provincial Operations Centre request for additional assistance, five paid, on-call firefighters and a spare pump-

er truck were dispatched at 10:30 a.m. today to provide assistance for as long as required.

"This deployment will provide much-needed support to help fight the out-of-control wildfires near High Level, and will not impact the service provided in Leduc County fire districts. We are pleased to offer support to our fellow Albertans while ensuring we don't compromise fire and

rescue services in our region." - Keven Lefebvre, fire chief

This crew is in addition to the pair of paid on-call firefighters and spare tanker which were deployed on May 22; two pairs of firefighters have since been dispatched to relieve this group, for a total of six paid, on-call firefighters taking shifts.

ALBERTA RCMP REITERATES WILDFIRE SAFETY MESSAGING

Submitted by Alberta RCMP

Edmonton – While various wildfires across Alberta continue to challenge firefighters, our police operations continue to be focused on keeping Albertans safe.

Due to worsening wildfire conditions, RCMP reminds motorists across Alberta to turn your headlights on, obey posted road

signs and follow instructions provided by local authorities and emergency personnel.

The RCMP is ensuring the safety and security of people and property on the ground by controlling access points on the highways leading into the communities affected by wildfires and putting in place the resources necessary to mitigate criminal activities such as looting.

Anyone who chooses to ignore evacuation notices is potentially putting not only themselves in danger, but also is placing First Responders in harm's way.

The patience and cooperation of affected people has been appreciated. During times like this, it is extremely important that residents follow instructions provided by emergency personnel.

Leduc County Sending Additional Firefighters, Equipment To High Level Fires

Continued from Page 1

Crews will continue to be relieved by other paid, on-call firefighters as long as required.

"We are proud of and grateful to our paid on-call firefighters for their dedication to Leduc County Fire Services. We sin-

cerely thank them for their service to businesses and residents in our borders, as well as to other communities in need. We also thank the families and main employers of these firefighters for allowing them to do this incredibly important work." - Keven Lefebvre, fire chief

The fire risk in central and northern Alberta is extreme. For updates on Alberta wildfires, visit emergency.alberta.ca.

A fire restriction remains in effect for Leduc County until further notice.

JOKE OF THE WEEK

A small boy was at the zoo with his father. They were looking at the tigers, and his father was telling him how ferocious they were.

"Daddy, if the tigers got out and ate you up..."

"Yes, son?" the father asked, ready to console him.

"...Which bus would I take home?"

GOLFER'S GUIDE

TIPS FOR NEWCOMERS TO THE GAME OF GOLF

Few hobbies can be as enjoyable one moment and as frustrating the next as golf. Golfers know a great putt can be quickly followed by a bad tee shot, and maintaining their composure through the highs and lows of the game is a key to success on the links.

Maintaining that composure isn't always easy, even for the professionals. It's even more difficult for beginners, who quickly learn the game of golf involves more than just spending sunny weekend afternoons on pristine golf courses. In fact, golf can be quite demanding, and beginners would be wise to heed a few tips before hitting the course.

* Don't commit to an expensive set of clubs right off the bat. Golf clubs can be very expensive, so beginners should buy an affordable secondhand set of clubs so they can get the hang of what they like before spending a lot of money. Visit a pro shop and explain that you are just a beginner. The shop will likely make some valuable suggestions and might even let you try out a pair of clubs. In addition, many driving ranges allow customers to rent clubs, and this can be a great and inexpensive way to find the right clubs for you.

* Take lessons. Even the very best at self-teaching might find it

extremely difficult to become a self-taught golfer. When first trying your hand at golf, take some lessons and don't expect to be playing 18 holes any time soon. Before hitting the course, where you might be discouraged and you might frustrate those golfing behind you, learn the fundamentals by taking a few lessons at the driving range. Learn from a professional, who won't offer you any hidden secrets to golfing glory (there aren't any) but will offer sound advice on the game's fundamentals.

* Take the game home with you. Beginners can even take

advantage of golf's vast popularity by taking the game home with them. This doesn't mean building a putting green in your backyard. Rather, purchase some instructional DVDs to learn the game during your down time throughout the week. Many golfers don't have time to hit the links during the week, but they do have time to watch some DVDs when they get home from work. Such instructional DVDs can help you master your grip and stance, which you can then take with you to the course over the weekend.

* Have fun. Golf is a fun game;

it just takes time to hone your skills. But even if you aren't ready for the professional tour after your first few rounds, you can still have fun. Don't let some beginner's frustration, which every golfer experiences, ruin the fun of the game. Take note of your surroundings when you hit the links, and appreciate the time you're spending with your group. If the game becomes more a source of frustration than fun, then take a break and put in some more work away from the course, be it at the driving range or studying at home.

PARLIAMENT UPDATE – WEEK OF MAY 13, 2019

Submitted by Jim Eglinski, MP – Yellowhead

The following was debated in the House:

- C-98 (Second Reading) -- An Act to amend the Royal Canadian Mounted Police Act and the Canada Border Services Agency Act and to make consequential amendments to other Acts
- C-266 (Second Reading) -- Respecting Families of Murdered and Brutalized Persons Act
- C-421 (Second Reading) -- An Act to amend the Citizenship Act (adequate knowledge of French in Quebec)
- C-447 (First Reading) -- An Act to amend the Criminal Code (aggravating circumstance — evacuation order or emergency)
- C-448 (First Reading) -- Excise Tax Act
- C-449 (First Reading) -- Old Age Security Act
- C-450 (First Reading) -- Canada Health Act
- C-451 (First Reading) -- Chil-

dren's Health Commissioner of Canada Act

- S-6 (Third Reading) -- Canada-Madagascar Tax Convention Implementation Act, 2018
- S-243 (Second Reading) -- Fairness for All Canadian Taxpayers Act
- S-248 (second reading) -- National Physicians' Day
- NDP Opposition Motion -- Declaration of an environment and climate emergency
- Government Business No. 29 (amendment) -- National climate emergency

On Monday, in the Standing Committee on Public Safety and National Security (SECU), we heard from witnesses on the Annual Report of the National Security and Intelligence Committee of Parliamentarians and later, witnesses briefed us on the 2018 Public Report on the Terrorist Threat to Canada.

On Tuesday, I presented a petition requesting that the third day in May of each year be

designated as Vyshyvanka Day throughout Canada. Later that day, the House resolved itself into a Committee of the Whole to study the Main Estimates for the Department of Justice with Minister Lametti.

You can read comments and questions from Debates on the House Publications page at www.ourcommons.ca/en

On Wednesday, in the SECU Committee, we heard from witnesses on the Cybersecurity in the Financial Sector as a National Economic Security Issue. Later that day, the House resolved itself into a Committee of the Whole to study the Estimates for the Department of National Defence with Minister Sajjan.

For more information on these meetings, visit the SECU Committee website at: www.ourcommons.ca/Committees/en/SECU

On Thursday, with some of my Conservative colleagues, we met with Mayor Shaigec, Deputy Mayor Phillis Kobasiuk and

CAO Mike Heck from Parkland County who were in Ottawa to discuss the report from the Task Force on Just Transition for Canadian Coal Power Workers and Communities and the findings as they relate to their community. We also discussed infrastructure, trade corridors, Parkland Airport and rail safety. Later that afternoon, I met with Mayor Shaigec and a CN representative to discuss the CN Rail project in Carvel.

On Friday, I will be in the south-east part of the riding and will be attending the Big Horn Rodeo Parade on Saturday, and hopefully later that day, if time permits, be able to make it to the Thorsby Parade.

This week, I attended nine meetings, four events and did two recordings. Thursday evening, I flew back to the riding as the House will be down next week. During my week in the riding I will be attending meetings and events.

A MESSAGE FROM MLA MARK SMITH: PROMISE MADE – PROMISE KEPT

Submitted by MLA Mark Smith | Drayton Valley – Devon Constituency

The election is over and the new government has now been sworn into office, the Speech from the Throne has been delivered by the Honourable Lieutenant-Governor Lois Mitchel and we are now just into the very early days of the Legislature. The various ministry offices are now up and running and legislation is starting to be introduced into the Legislature.

The United Conservative Party ran on a platform of killing the Carbon Tax and Bill 1: An Act to Repeal the Carbon Tax was introduced into the Legislature. This act will repeal the Climate Leadership Act eliminating the Alberta carbon tax effective 12:01 on May 30th, 2019.

Bill 2: The Open for Business Act will address some of the policies passed by the previous NDP government that have had the effect of killing jobs in Alberta. It will maintain new rules for compassionate leave and restore mandatory secret ballots for union certification votes. It will also end the practice of forcing employers to pay holiday pay to employees who are not working and give employees more freedom and flexibility to bank overtime hours.

One of the problems identified by businesses across Alberta has been the raising of the minimum wage law. I have met with local employers who are very concerned with the impacts that the minimum wage has had on their business. Across Alberta we have seen the average number of employees in the restaurant industry drop from 13 to 11.7 employees between 2015-2018. We have record high youth unemployment at 11.6%. It is critical that youth have the opportunity to gather the needed experience and knowledge that a first job creates. At \$15 dollars/hour businesses had to adjust by laying off youth who did not have the necessary skill

and experience of an older worker. Bill 2 will create more opportunities for young people to gain necessary skills and experience by encouraging businesses to hire youth at a lower hourly rate.

During the election the United Conservative Party campaigned on rebuilding the economy. Jobs, pipelines and the economy would be the priority of this government.

Bill 3: The Job Creation Tax Cut will move Alberta forward on this promise by lowering corporate tax rates over a period of years from 12% to 8%. This will entice capital back in to Alberta and will, according to economist Jack Mintz, create 55,000 jobs over the next few years. By 2022 Alberta's combined federal-provincial business tax rate will lower

than that of 44 U.S. states and will be one piece of the economic puzzle that will result in a competitive Alberta economy capable of affording the social programs that all Albertans desire.

These are just the first three bills before the Legislature, they all address key 2019 platform promises made to the people of Alberta. Promise made – promise kept.

PURE HEMP CBD PRODUCTS
AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

WHAT IS CBD?

A Health and Beauty Breakthrough!

Cannabidiol, CBD, is one of over 80 active cannabinoid chemicals in the hemp plant. CBD, unlike, THC, does not produce euphoria or intoxication. CBD targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using CBD products for both treatment and prevention of numerous ailments.

Therapeutic Uses For Pure Hemp CBD

Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

Anti-Aging Uses For Pure Hemp CBD

Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

KEY BENEFITS

PAIN RELIEF: Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.

PROMOTES HEALTH: Helps to promote relaxation and overall health.

WELL-BEING: Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.

CBD PET PRODUCTS

PET CHEW TREATS

KEY BENEFITS

SYNERGISTIC BENEFITS: Can be used in conjunction with regular medications with no side effects.

NO SIDE EFFECTS: Does not damage the liver, kidney or GI Tract like OTC medication.

DIETARY SUPPLEMENT: Can be administered daily as part of your pet's diet.

ORAL SPRAYS & DROPS

KEY BENEFITS

MANAGES PAIN: Helps to treat inflammation, arthritis and joint pain.

TREATS DIGESTIONAL ISSUES: Helps with loss of appetite, nausea, IBS and gastrointestinal swelling.

GENERAL HEALTH: Helps to manage mood, anxiety and general joint pain. For healthy, happy pets.

CONVENIENT: Can be sprayed into pet's mouth or on food.

PLANS ANNOUNCED FOR 2019 LEDUC CANADA DAY CELEBRATIONS

– Juno award-winning quartet Sloan to headline outdoor concert

Submitted by **Natalie Lang, Communications Associate | City of Leduc**

The City of Leduc invites residents and visitors to celebrate Canada's 152nd birthday at our annual outdoor concert and fireworks show:

WHAT: Canada Day outdoor

concert

WHERE: Lede Park

WHEN: July 1, 2019 (evening events begin at 7 p.m., and fireworks at 11 p.m.)

This year's free outdoor concert will be headlined by Canadian rock band and Juno award winners Sloan and will be followed by a spectacular fireworks

display. Calgary-based band The Static Shift will open the concert.

There are a full day of festivities planned throughout the city in addition to the evening concert and fireworks, including:

- 10 a.m. – Pancake breakfast at the Leduc Legion
- Noon – Canada Day parade

(50 Avenue)

• 12:30 p.m. – Flag raising ceremony, Leduc Legion

• 12:30 – 3 p.m. – Family activities at the Leduc Heritage Grain Elevator (47 Street)

For more information, please call 780-980-7177.

NEW AIR PASSENGER PROTECTION REGULATIONS

Submitted by **Jim Eglinski, MP – Yellowhead**

OTTAWA: Jim Eglinski, Member of Parliament for Yellowhead, wishes to inform constituents that the Department of Transport has proposed new rules requiring airlines to provide status updates every 30

minutes if flights are late or cancelled.

Starting on July 15, airlines will be required to pay up to \$2,400 for anyone who is denied boarding for situations within the airline's control, such as over-booking, and up to \$2,100 for lost or damaged luggage.

Beginning on December 15,

airlines will be required to seat parents beside or near their children at no extra cost, as well as compensation for flight delays and cancellations within an airline's control.

"For more information on these new regulations, I recommend that you go to either of the below links," concluded MP

Eglinski.

<https://otc-cta.gc.ca/eng/air-passenger-protection-regulations> or go to: <https://www.canada.ca/en/transportation-agency/news/2019/05/air-passenger-protection-regulations-finalized.html>

HOW TREE SERVICES CAN PROTECT YOUR PROPERTY

Cold weather can take its toll on a property, especially in regions of the world where winters are harsh. Most parts of the landscape are vulnerable to damage from winter storms, but trees may be especially susceptible. By the end of winter, many homeowners wonder if their trees would benefit from some professional TLC.

Tree services provide a host of services. While fall is a popular time to remove trees from a property, doing so in spring is not unheard of, especially if trees were affected by winter storms and now pose a threat to a home and the people who live inside it.

Homeowners considering tree services can explore the following ways that some professional arbor attention can protect them and their homes.

- Tree services can help protect a home's foundation. Old trees that stretch well into the sky can be captivating, but they also can pose a threat to a home's foundation. Such trees may have especially large root zones that may extend beneath walkways and even a home. In the latter instance, foundations may crack as roots try to stake their claim to the ground beneath a home. According to the home improvement resource HomeAdvisor, homeowners pay an average of just over \$4,000 to repair foundation issues, though major problems can cost considerably more than that. A professional tree service can remove aging trees that might be beautiful and awe-inspiring but still pose a threat to a home and the areas surrounding it.

- Tree services can im-

prove visibility. Trees that have aged a bit since their last trimming might affect the view of a property from inside a home. Overgrown branches can compromise residents' ability to see and experience the natural beauty just outside their windows. The average homeowner may be able to trim short trees on his or her own, but if views from the second floor of a home or higher have been compromised, it's much safer to call a professional tree service. Such services have the right tools and experienced personnel necessary to safely trim high branches on tall trees.

- Tree services can help prevent future damage. Even if trees made it through a recent winter unscathed, that's no guarantee next winter or even the coming seasons of spring, summer and fall won't ul-

timately prove their undoing. Travelers Insurance notes that weather-related roof damage, including damage resulting from falling limbs and branches weighed down by snow during the winter months, accounted for more than half of all Travelers property loss claims between 2009 and 2016. According to BNC Insurance and Risk Advisors, homeowners may be liable if a tree they knew posed a threat falls onto a passerby or a neighbor's property and causes damage or injury. Having all trees properly trimmed each year, but especially those that can fall on your home and your neighbors' homes, may prevent future damage and legal issues.

Tree services can ensure trees maintain their awe-inspiring beauty and help homeowners protect their homes and their belongings.

RIDING UPDATE – WEEK OF MAY 20, 2019

Submitted by Jim Eglinski, MP – Yellowhead

As mentioned in my Parliament Update for the week of May 13, I returned to the riding the evening of May 16th. The next morning, I drove to Rocky Mountain House where I met with constituents.

On Saturday, I attended the Big Horn Rodeo Parade in Caroline and later the Thorsby Parade where I attended a fundraising BBQ with graduates. Had fun in Caroline and Jasper even though it was very cold, -5. OUCH!

On Monday, May 20th, being Victoria Day, I enjoyed my time with friends and family.

On Tuesday, I met with Social 9 classes at Holy Redeemer High School. Our discussions were about current issues such as climate change, the economy, and the proposed pipeline, while other questions focused on my current role as an MP. The students also wished me well as I prepare to retire from federal politics in the next few months. If my calendar per-

mits, I would be honoured to speak at your school. Call my Edson office to arrange a day and time.

On Wednesday, I flew back to Ottawa to attend the Annual Commemoration to Remember those who Served Canada and their families at the RCMP National Memorial Cemetery at Beechwood Cemetery on Thursday morning. At the commemoration, Senator Vernon White and I laid a wreath on behalf of the Government of Canada. I was proud to be there. Later that evening, I flew back to the riding. Upon arriving in Edmonton that evening, I noticed I had a flat tire. Not happy.

On Saturday, I will be in Hinton attending the EDA Directors' Meeting and then on to Drayton Valley for the Air Cadets Annual Ceremonial Review dinner.

On Sunday, I will be returning to Ottawa as Parliament will be re-convening for the next four weeks. Lot to be done!

Look for my next update for the week of May 27th on the happenings of Parliament.

ANOTHER RAINBOW SALE

PARLIAMENT UPDATE – WEEK OF MAY 27, 2019

Submitted by Jim Eglinski, MP – Yellowhead

The following was debated in the House:

- Government Business No. 30 -- Extension of sitting hours and conduct of extended proceedings
- C-81 (Second Reading) -- Accessible Canada Act
- C-93 (Report Stage - motions in Group No. 1) -- An Act to provide no-cost, expedited record suspensions for simple possession of cannabis
- C-97 (Report Stage - motions in Group No. 1) -- Budget Implementation Act, 2019, No. 1
- C-98 (Second Reading) -- Royal Canadian Mounted Police Act
- C-99 (First Reading) -- Citizenship Act
- C-100 (First Reading) -- Canada-United States-Mexico Agreement Implementation Act
- C-418 (Second Reading) -- Protection of Freedom of Conscience Act
- M-230 — Energy Costs
- S-243 (Second Reading) -- Fairness for All Canadian Taxpayers Act

On Monday, in the Finance Committee, we heard from witnesses during our clause-by-clause consideration of Bill C-97 the Budget Implementation Act. Later, in the Standing Committee on Public Safety and National Security (SECU), we heard from witnesses during our clause-by-clause consideration of Bill C-93, An Act to provide no-cost, expedited record suspensions for simple possession of cannabis. That evening, the government adopted the extension of sitting hours and conduct of extended proceedings. The House will sit from 6:30pm to midnight starting on Tuesday, May 28th until summer recess.

On Tuesday, I met with Ukrainian interns (Canada-Ukraine Parliamentary Program (CUPP)), who are volunteering in various MP offices to learn first-hand how our democracy works. During my meeting with them we discussed the role of Parliamentarians, issues presently before the House and much more.

On Wednesday, I attended the TELUS Days of Giving. This is the 14th Anniversary of this event

of giving back to the community where we work and live. I assisted with filling the backpacks for a school in my riding. Later that afternoon in the SECU Committee, we heard from witnesses on Cybersecurity in the Financial Sector as a National Economic Security Issue and later from witnesses on Motion 208, Rural Digital Infrastructure. That evening I attended the Wild Game Reception for Retiring MPs hosted by the Conservative Hunting and Angling Caucus (CHAC), where I was presented with an 'Honourary Lifetime Member' certificate.

For more information on these meetings, visit the SECU Committee website at: www.ourcommons.ca/Committees/en/SECU

On Thursday, I participated in debate on C-93, An Act to provide no-cost, expedited record suspensions for simple possession of cannabis.

You can read comments and questions from Debates on the House Publications page at www.ourcommons.ca/en

Thursday evening, I returned to the riding and will be heading to

Grande Cache Community High School's graduation ceremony the next day where I will be addressing the graduates. The Class of 2019's theme is 'Night at the Oscars.' Yes, it will be a night for all the graduates, their friends and family to acknowledge each other and be proud of what they have achieved. This evening will be a stepping stone to their future.

On Saturday, I will be dropping in at the Parkland Lodge Fundraiser BBQ in Edson followed by addressing the Holy Redeemer High School's graduation ceremony that evening. Their theme is 'Enchanted Forest.' An enchanted forest is a giant tree (the graduates) whose branches (future possibilities) stretch up into the clouds (their success is boundless).

This week, I attended six meetings, two events and did one recording.

On Sunday morning I will be returning to Ottawa as Parliament will be sitting.

Look for my update next Friday on the happenings of Parliament.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

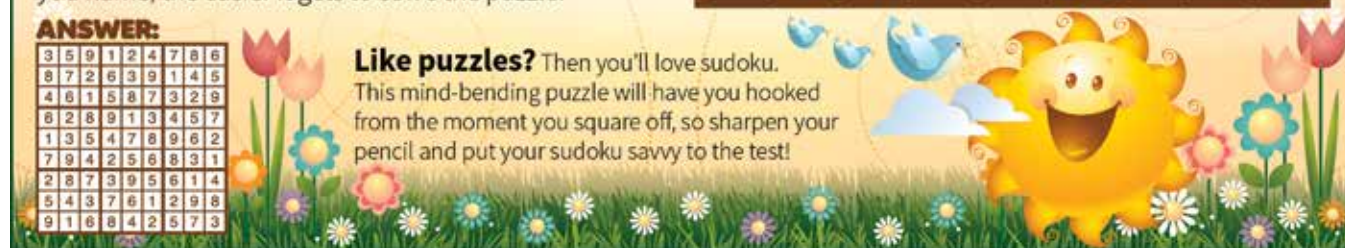

ANSWER:

3	5	9	1	2	4	7	8	6
8	7	2	6	3	9	1	4	5
4	6	1	5	8	7	3	2	9
6	2	8	9	1	3	4	5	7
1	3	5	4	7	8	9	6	2
7	9	4	2	5	6	8	3	1
2	8	7	3	9	5	6	1	4
5	4	3	7	6	1	2	9	8
9	1	6	8	4	2	5	7	3

Like puzzles? Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

3	5		1	2				
8	7		6				4	
6						4		7
1	3	5		7		9	6	
			2	5				1
2			3				1	4
5				6		2	9	
		6	8				7	3

PREVAIL

CELLULAR HOMEOSTASIS FORMULA

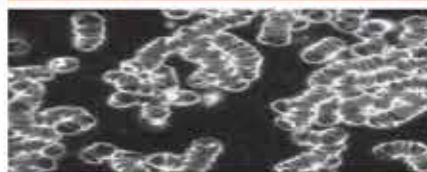

MAX

A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU
...RIGHT DOWN TO THE LAST CELL!

How do you want your
BLOOD to look?

Before PrevailMAX:

poor circulation

low energy

brain fog

dehydration

decreased nutrients

pH imbalance

poor endurance

After PrevailMAX:

better circulation

more vitality

mental clarity

cellular movement

nutrient assimilation

balanced pH

optimal endurance

PrevailMAX™ is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells.

When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!
