JUNE NEWS FROM WABAMUN SCHOOL

Submitted by Les Worthington, Principal | Wabamun School

As we enter the final month of the school year it is important to remain focused on the tasks at hand. Similar to a sprinter running a race, it is important to finish strong. As a staff we recognize that this time of year can be bittersweet. Some students may be excited about what the future

holds, and at the same time they are coming to the realizations that things will be different next year. It has been an amazing year at Wabamun School. Please take a close look at this month's newsletter as June is full of many great opportunities.

Track & Field - Huge congratulations to all of the 6-9's who represented the Wabamun Wild at the Track & Field meet today at Duffield! Whether you placed

or not you helped contribute to the positive culture of Wabamun School. Also, a big thanks to those students and parents who came today to support those who were competing. It's always nice to hear people cheering! Finally, thanks to Mr. Roberts who has been diligent at being our First Aid person at our two track meets.

Another Successful Achievement Day In The Books!!!!

Continued from Page 1

This year our club champion steer belonged to Wyatt Bahrynowski, and his sister Wendy Bahrynowski got the reserve club champion. Brody and Cordell Laackmann recieved awards for their prodigy projects, while Kooper and Kasey Volk, and Garyn Willett placed in the grooming and showmanship categories. We are proud of all our members for their participation in the show and all the hard work it took to get them to show day. Following the show there was an amazing supper and then the excitement of the sale! A sad time for members as they had to say goodbye to some of the animals they had created a bond with over the last 7 months. As usual, we had great support from the businesses and individual buyers that come out and to the sale even in this tough economical time for many in the area, it was awesome to see these people step up and support the kids. Thanks to all the buyers and all the volunteers who make the show and sale run smoothly.

Our Lobstick club is a small one with members coming from Wildwood, Evansburg and Entwistle, we have great leadership from Brent and Shannon Laackman. If you are interested in joining in on the 4-H fun we always welcome new members. Although we focus on our 4-H projects, 4-H is not all about the "BEEF". This year we did community service that included a food drive and a day of stocking the shelves at the food bank. We did tire recycling and sold wildflowers to help the bees prosper. All members participated in public speaking, and some enjoyed it more than others, but it is a great life skill that we will all use in the future, as well as learning how meetings are run. We have a monthly meeting which is basically ran by the kids. We had a

mini show and halter making class, which was funit seems that whatever we do, we are learning and having fun. We have one more get together, the year end party!!!! Not too sure much learning will take place with this event, but I can guarantee you the FUN rating will

be off the charts!! If you would like to get involved with our club, give our leaders a call, we would

love to have you. Brent 780 898 0659 or Shannon 780 898 7836

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

4	8	7	2	5	1	6	3	9
9	5	2	6	4	3	7	8	1
6	3	1	8	7	9	4	2	5
3	9	4	5	1	6	2	7	8
2	6	5	4	8	7	1	9	3
1	7	8	9	3	2	5	4	6
5	1	9	3	2	4	8	6	7
8	2	3	7	6	5	9	1	4
7	4	6	1	9	8	3	5	2

Like puzzles? Then you'll love sudoku.

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
