## OJSH WRAP-UP ACTIVITIES TO THE SCHOOL YEAR

**Submitted by Onoway Junior Senior High School**

Students are busy studying and writing final exams during the last week of school at OJSH.

Gone are the days of the last-day-of-school picnic or field trip or class party. But, that is not to say there is no place for some fun and entertainment. The week before the school year ended,

OJSH students – and staff - had a chance to have some fun, lessen their stress and enjoy teamwork and socializing.

## YOU GOTTA VISIT ONOWAY MUSEUM!

**Submitted by Onoway and District Historical Guild**

If you're looking for something to do this summer, or if you have relatives or friends visiting, pop in to Onoway Museum. When the new Onoway Elementary School was built, the Old Brick School was salvaged and repurposed as a museum. When you walk into what used to be classrooms, you travel back in time.

Visit Main Street and see some of Onoway's businesses from the last century and the products they

sold. In the Farm Room, you are reminded of the days when cows were milked by hand. Then there's the original door from St. Barnabas Hospital – did you know that Onoway once had a hospital? The Country Home showcases basic furniture plus the extras that local residents accumulated as they moved past the "pioneer" era. The School Room is a different world from today's schools. Sit in a double desk (if you are small enough) and pull out a reader – not a single computer or screen in sight!

You must tour the basement

where you'll find amazing typewriters as well as some of the early Mac computers. Look for the telephones and the switchboard as well as the different formats recorded music was played in the home decades ago.

Spend time in the Reading Room and browse local newspapers from 50 years ago as well as magazines of all sorts. (Reminds you of the days when doctors promoted smoking cigarettes and other "healthy" practises.)

## OJSH Wrap-up Activities to the School Year

Continued from Page 1

On June 20th, OJSH staff were treated to an appreciation lunch courtesy of the School Council. It was a wonderful treat for all staff to enjoy a delicious lunch, sit down together and relax for a few moments. The School Council parents set up the buffet style lunch of buns, wraps, sandwiches, fresh fruit and vegetables plus wonderful squares and cakes for dessert. OJSH staff wishes to say thank you so much to School Council for this

special lunch!

June 21st was National Indigenous Peoples Day. In the morning, OJSH offered our gymnasium so that the students and staff from Onoway Elementary could enjoy the drummers and dancers from Alexis. One of the drummers is OJSH grade 11 student Rowyn Mustus.

Principal Lobo, for the third year in a row, arranged to have food trucks at the school for lunch time. Mr. Lobo called for an extended lunch so that all students and staff could enjoy the five different food

trucks lined up outside the school. Fish and chips, pitas, donairs, hamburgers and hot dogs, poutine, mini doughnuts, and ice cream treats were gobbled up by happy students and staff.

In the afternoon, junior high students had a Fun Day filled with team building activities. Assistant Principal Mrs. Villneff was instrumental in arranging this junior high fun afternoon. Grade 8s were pitted against the Grade 9s as the whole junior high population divided up into teams. All of the events were held inside as weather conditions were unpredictable. Teams competed in such fun events as T-Shirt Tangle, Blanket Volleyball, Dodgeball, Cookie Decorating, Search and Sort, and Tiny Island. Before the final bell rang to end the day, all students gathered at the drama pit to hear which of the teams had gained the most points. It was a great afternoon filled with team-building, fun and laughter – just what everyone needed before the start of final assignments and final exams.

One last activity will happen before the end of the school year: Graduation 2019 on June 28th.

# WHITECOURT TOWN COUNCIL UPDATE

Submitted by Town of  
Whitcourt

JUNE 25, 2019

The Allan & Jean Millar Centre is converting a squash court into a new boutique fitness studio space. In the short term, the new space will provide a dedicated studio for spin classes, and other high energy, mood dependent classes (including Pound, and STRONG by Zumba) and other small group training. Construction is expected to start this summer, with the studio open for programming in the fall.

The Communities in Bloom Committee recommended that Council pursue the development of a bylaw to ban single use plastic bags in Whitcourt. The recommendation came after months of research, and a public survey to gauge interest. The Communities in Bloom Committee will be promoting the concept to area businesses through the Chamber of Commerce in the coming weeks, and bringing back findings to Council for review.

Development Type	2019 Off-Site Levy Rate	2020 Off-Site Levy Rate
Residential		
Single Family Dwelling	\$4,208/dwelling unit	\$4,260/dwelling unit
Multi-Family Dwelling Units	\$1,832/dwelling unit	\$1,855/dwelling unit
Non-Residential		
Non-Residential	\$49,036/hectare	\$49,644/hectare

Administration completed a review of Off-Site Levies, and based on the review rates will be changing as of January 1, 2020. Off-Site Levies are a cost recovery tool that helps municipalities pay for infrastructure projects that allow the community to grow, including roads, and water and sewage treatment, to name a few. For further details, visit [www.whitcourt.ca](http://www.whitcourt.ca).

Whitcourt received notice from Woodlands County that it is terminating the Tax Revenue Sharing Agreement effective immediately. Whitcourt Administration will be reviewing the impact of the termination of this agreement, and bringing a report back to Council at the July 15, 2019 Regular Council Meeting.

Council has approved an additional street closure from 12:00

p.m. on Friday, July 12 through to 5:00 p.m. on Sunday, July 14 to accommodate a Show and Shine event as part of the Whitcourt & District Chamber of Commerce's Summerfest Event. The event includes the

Wild Rose Amusements Carnival Midway, an outdoor market, food trucks and more.

Councillor Schlosser will serve as Deputy Mayor from July 1 to August 31, 2019.

# REEVE'S MESSAGE

Submitted by Lac Ste. Anne County | [www.LSAC.ca](http://www.LSAC.ca)

As Luke Bryan sings in the song "Rain is a Good Thing", we must remember when it feels like we are going to grow webbed feet - not only does rain make corn and corn make whiskey - it also waters the earth,

refills streams, rivers, and our lakes, most importantly it prevents the wildfires like the ones that Northern Alberta is currently facing. Our thoughts go out to all the men and women currently working day and night to keep the fires at bay. On that note, on behalf of County Council, I would like to congratulate our very

own Fire Chief Randy Schroeder on his recent appointment as President of the Alberta Fire Chiefs Association (AFCA). Thank you for your service to all Albertans, we appreciate your dedication to the fire industry.

Recently the County had asked the public to participate in a "Social

Needs Assessment", which we are happy to report, had a decent response. Council is currently working with Community Services and RC Strategies to determine the top five social issues within our communities. We want to thank those that participated and will be looking deeper into this as the year goes on.

As the end of June approaches, so does Graduation. On behalf of County Council and myself, we would like to congratulate each and every one of the students graduating from the Mayerthorpe and Onoway High schools, and all of the post-secondary institutions. Your journeys are just beginning, and as I told all the Grade Six student's that attended Council this Spring, you come from an amazing school system and are very fortunate to have the education that you do - go out in the world and make something of yourself! The sky is truly the limit, congratulations!

With graduation, also comes the end of the school year which means that the buses will be off the roads and the playgrounds will be filled with little ones running around. Be safe and watch out for the kids and each other on the roads.

On Monday, in the Standing Committee on Public Safety and National Security (SECU), we heard from Minister Ralph Goodale as well as several witnesses from the Department of Public Safety and Emergency Preparedness, the Department of Justice, Civilian Review and Complaints Commission for the Royal Canadian Mounted Police on C-98, 'An Act to amend the Royal Canadian Mounted Police Act and the Canada Border Services Agency Act and to make consequential amendments to

other Acts'. This was followed by Clause-By-Clause consideration of the Bill.

For more information on this meeting, visit the SECU Committee website at: [www.ourcommons.ca/Committees/en/SECU](http://www.ourcommons.ca/Committees/en/SECU)

On Monday evening, my wife Nancy and I attended, along with my Conservative colleagues who were also retiring, a dinner at the home of our Conservative Leader, the Hon. Andrew Scheer. It was our final get together with Andrew and my colleagues.

On Tuesday, votes in the House went well into the night.

On Wednesday, I had a private meeting with Minister MacAulay to go over some Veteran issues in Yellowhead riding. That evening, I was on House Duty to midnight and during that time I spoke on Bill C-75, An Act to amend the Criminal Code, the Youth Criminal Justice Act and other Acts, and on C-83, Corrections and Conditional Release Act. It was a long day!

You can read the comments and questions from the Debates on the House Publications page at [www.ourcommons.ca/en](http://www.ourcommons.ca/en)

On Thursday morning, I heard the sad news that my colleague, MP Mark Warawa had passed away. Mark and I along with other MPs, travelled together to Ukraine as observers during the Ukraine Presidential Election in March and again in April of this year. I will miss him. With a heavy heart I spent the morning on House Duty. That afternoon, tributes were given by members from all parties on Mark's passing. The House was then adjourned for summer recess.

On Friday, I said good-bye to our Ukrainian intern, Mykola Antoniuk and thanked him for his time volunteering in my Hill office. I wished him a safe trip home. That evening, I returned to the riding as the House will be down for the summer.

This week, I attended four meetings and one event.

As the House has adjourned until the fall, my summer updates on my time in the riding will be sent at the end of July and August.

If you see me around the riding this summer, please say hi!

# SUMMER EVENTS AT THE GEORGE PEGG BOTANIC GARDEN

Submitted by Rylee Sargeant

On Father's Day, Sunday, June 16th, the historic George Pegg Botanic Garden hosted the 7th annual Outdoor Art in the Garden Show and Sale. It was a day full of sunshine and warm weather and the event went off without a hitch.

The lovely weather helped create an atmosphere that encouraged attendees to peruse vendor tents at a leisurely pace. This was the perfect setting for visitors to learn about the artists' craft. Phenomenal live music was provided by the Joe Saumer Big Band, the Magic Lamp Singers, and Lester Jodzio. Attendees could be seen bopping their heads along with the music at any given moment.

Children at the event were kept occupied at the craft corner and artist Dave Hogg let some young artists try out his sculpting tools. Four legged friends also enthusiastically

explored the property.

The George Pegg Botanic Garden would like to thank all the volunteers who made this event possible, the musicians who knocked our socks off, the artists whose skill blew us away, and the attendees who made the event worthwhile.

Four special events are planned for July. High Heat Composting with Dawn Boileau of Sunrise Gardens on Wednesday, July 3, 6:00pm-8:00pm. Join Artist Rayma Peterson on Sunday, July 14 for An Introduction to Botanical Art, from 10:00am-2:00pm. Fabulous Flower Pots with Lac Ste. Anne County's Parent Link Program is Thursday, July 18 from 1:00-3:00pm. The fine china is coming out again for the 2nd Annual Tea

in the Garden- Thursday, July 25. Join us from 1:00-3:00pm for a light lunch and musical entertainment.

For all the details call 780-203-0331, check out our Facebook page, or visit [www.PeggGarden.org](http://www.PeggGarden.org).

## You Gotta Visit Onoway Museum!

# SUMMER GOINGS ON AT DARWELL PUBLIC LIBRARY

**Submitted by Sandra Stepaniuk, Library Manager | Darwell Public Library**

We are extending the collection date for your used clothing, shoes, accessories, books, linens and small household items (small items only no furniture) until July 10, 2019. You can pick up a list of acceptable items at the library or find the complete list on our website or Facebook page. Drop off your donations at the library expansion during regular library hours. Should these

times not work for you please contact the library @ 780-892-3746 to make alternate arrangements. Funds raised will go towards the completion of the library expansion.

Registration is now open for the Summer Reading Program for children 6 to 13 years of age at the Darwell Public Library? This year we will be exploring the Natural World and each week will be centred around various aspects of nature. We will be kicking off the program this year with the Kompany Family Theatre interactive per-

formance of "Secrets of the Curious Creepy Crawlies" at the Darwell Centennial Hall. We are extending an open invitation to all families in the community, so even if you are unable to register your children for the program, we encourage you to attend the performance starting at 2 PM. Admission for non program attendees will be a donation of your choosing to the library. We have room for 15 participants, so we encourage you to pre-register by calling the library early to avoid disappointment. The program starts

Thursday, July 18 from 1-3PM and will run for 6 consecutive weeks until August 22, 2018. See you there! Sponsored by FCSS from Lac Ste Anne County.

The Book Club is on Summer Break until Monday, September 9, 2019. Do you love to read? Do you like to discuss what you have read with others? We are always interested in a new perspective to add to our conversation. If you want to participate, you can register and arrange for loan of the current title by calling the library @ 780-892-3746.

Join us on Monday, September 16, 2019 from 1 to 2 pm., as we are hosting a free demonstration session of Music Pups®. Katelyn Riva will be here to present this fun filled class of singing, dancing, movement and instrument play. The Music Class® is an international music education company that offers playful and creative music and movement classes including the Music Pups® program. Should you wish to attend the session please register by calling the library @ 780-892-3746. The cost to attend would be as follows: children 9 months and under are free, 1 child is \$ 125.00, sibling \$ 75.00. Depending on interest and commitment of families, we would look at running a 10-week program in the fall or early 2020. Should we meet the minimum required registration of 10 children we would look at reducing the cost by partial funding through our FCSS partners. We have a New Program Survey on our website and Facebook page and encourage you to provide your feedback.

The Darwell Library Friends Society will be holding a meeting Monday July 8, 2019 starting at 7PM at the library. All meetings are open to the general public and everyone is welcome to attend. See you there!

The next Darwell Public Library Society meeting will be held Monday, September 23, 2019 starting at 7 PM. The Library is open 11:00 am to 4:00 pm on Monday, Tuesday and Thursday and from 5:00 pm to 8:00 pm Wednesday and Friday, closed Saturdays, Sundays and Holidays. You can also find out what is happening at the library by checking our Website [www.darwellpubliclibrary.ab.ca](http://www.darwellpubliclibrary.ab.ca) or follow us on Facebook at [www.facebook.com/DarwellPublicLibrary](http://www.facebook.com/DarwellPublicLibrary)

# GOLFER'S GUIDE

## ADJUSTING GOLF SWING GETS EASIER

Golfers rejoice! Those dreaded slices or hooks could become a thing of the distant past thanks to adjustable clubs and drivers. In addition to helping improve accuracy, adjustable clubs also lighten the load in your golf bag.

With a few twists of a wrench or even turning the shaft of the driver itself, golfers can adjust the face angle, loft and lie angle of the driver to hit the ball farther and straighter. Golfers can make small adjustments to create the right loft and improve distance without having to purchase a new club or visit a club fitter.

Many club manufacturers now offer adjustable drivers and other clubs. According to an informal poll on Golf.com, 34 percent of the 2,337 respondents owned an adjustable driver by the end of 2011. The ability to upgrade shafts has also become popular as golfers respond to what the

pros are doing.

Adjustable golf clubs enable golfers to walk out onto the course with one driver and a few different shafts. With a couple of clicks from a wrench, a person can have an entirely new driver. That cuts down on the equipment that needs to be carried and can fine tune a golfer's accuracy. These high-tech clubs are corresponding to changes being made to golf balls. Engineers have reduced the spin on golf balls to help the balls travel farther. To do so, golf experts advise that the ball needs to be hit higher

into the air. Adjustable drivers can give players the edge they need to produce the right height and trajectory.

According to data from golf club manufacturer TaylorMade, 70 percent of consumers who use the company's adjustable drivers adjust their club at least once to get the desired shot. Afterward, 10 to 15 percent of adjustable driver users report further adjustments as they become comfortable with the features.

Although golfers can now put adjustments into their own hands, it is still advisable to get a

professional fitting regardless of which clubs are chosen. A certified club fitter can help a person sort through the myriad options available and make recommendations based on various factors, including the golf ball used.

Those who are not fans of adjustable drivers say that the adjustment mechanisms add weight to the drivers, which can compromise efficiency. However, that isn't stopping larger numbers of golf fans from taking adjustable drivers for a trial run in an effort to improve their game.

# SUDOKU OF THE WEEK

## Fun By The Numbers

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
