HIGHEST 4-H HONOURS FOR STONY PLAIN YOUTH

Amanda Hardman, from Stony Plain, is the 2019 4-H Alberta Premier's Award recipient.

Submitted by Government of Alberta

Amanda, 17, is a member of the Stony Riders 4-H Club, and was chosen from among the province's top 4-H members to receive this prestigious award during the annual 4-H Selections program at Olds College.

"4-H has been such an amazing and influential program for me.

My 4-H family is absolutely irreplaceable and the experiences I've had have been so important to my own development." - Amanda Hardman, 2019 4-H Alberta Premier's Award recipient

Since 1964, the 4-H Premier's Award has recognized the accomplishments of youth in rural Alberta. 4-H members and leaders continue to be instrumental in keeping rural communities

strong, developing skills in leadership and giving back to their communities through volunteer work and developing their skills and expertise in agriculture and other project areas.

SUMMER FLOODING IN YELLOWHEAD COUNTY MOVES SWIFTLY ACROSS THE REGION

Submitted by Yellowhead County

(July 11, 2019 - Edson, AB) Severe flooding followed the heavy rains throughout several areas of the County this past week, resulting in temporary road closures and damage to infrastructure.

Over the past several years, Yellowhead County has experienced

flooding issues in several areas of the County due to extreme weather conditions that affected bridges and roads, resulting in significant repairs and replacement of bridges and culverts.

It is undetermined how many properties were impacted, but approximately 25 residences were affected.

There was no evacuation

during this incident. Several residents sheltered in place but were free to leave their property. Yellowhead County opened a reception centre in Peers to accommodate any residents that were kept from accessing their property during the flooding due to road or bridge closures caused by the flooding.

YELLOWHEAD COUNTY COUNCIL HIGHLIGHTS

Submitted by Yellowhead County

July 9, 2019

CAPP Presentation – CAPP (Canadian Association of Petroleum Producers) gave an overview of their organization’s future predictions of oil and gas and other non-renewable and renewable energy sector nationally and globally. Developing countries require increased oil and gas that Canada has available to export but is facing issues delivering them to market. Canada is also facing increased competition from US production.

Titan Farms – Presented a plan “cradle to grave” process where water leaving the site would be in better condition than when it entered. Looking to deliver a height quality compost byproduct as opposed to an unusable waste product using natural systems. Working with legislation

and provincial regulatory agencies to develop this process and byproduct.

LAWIR Business Plan – Council did not support a motion at the request for LAWIR, a non-profit organization, to sign a business plan confidentiality agreement.

Invite to MLAs – An Invitation will be sent to the local MLAs to visit Community Services offices in Wildwood for a tour of the facility and an overview of all the services offered out of that location.

Emergency Spring Repairs – Council approved the transfer of \$300,000 from the County’s general emergent reserve to cover the emergency maintenance repairs on the Wolf Lake Rd and Elk River Rd. By choosing this option the County’s current level of service for roadways would not change for the remainder of the year.

Grading Tender – Council awarded the tender for Long Lake Rd and Rosevear Rd.- Selective Grading, Drainage Repairs and Other Works to Northern Road Builders LP in the amount of \$2,263,330.87. This option will allow this project to proceed in 2019.

Communications Tower Tender – Council award the tender for the YH-8 Edson Communication tower build to True North Towers at a cost of \$649,029.00 dollars

LARB Chair Appointment – Council appointed Sandra Cherniawsky as Chair of the Local Assessment Review Board.

The next Council Meeting is July 23, 2019. The next Governance & Priorities Committee Meeting is July 16, 2019. All meetings start at 9:30 a.m. in the Council Chambers.

JOKE OF THE WEEK

Jacques Larouche, a Canadian calls the RCMP, ‘Hello is this the RCMP? I’m calling about my neighbour, Étienne Dubois. He is hiding marijuana in his firewood.’

The next day the RCMP descends on Étienne’s house and search the shed where the firewood is kept. They break open every piece of firewood, but find no marijuana. They apologise to Étienne and leave.

Now the phone rings at Étienne’s. ‘Hey Étienne, did the RCMP come to your house?’ ‘Yep.’

‘Did they chop all your firewood?’ ‘Yep.’

GOLFER'S GUIDE

9 WAYS TO IMPROVE YOUR GOLF GAME

Warmer weather sends scores of golfers to their favorite courses each and every day. Golf is a challenging pastime, but a few pointers can help golfers hone their short games, long games and everything in between.

- Choose the right clubs. There is more to selecting clubs than pulling any old iron out of your golf bag and whacking away. Wind, hazards and obstructions in landing areas should influence your decision of which club to use. Novice golfers may want to rely on their caddies to make club recommendations, and as they become more confident in their abilities they can start to make their own choices.

- Anchor your feet. Anchor your foot behind the ball to drive the ball further. Right-handed players will keep the right foot anchored, and lefties will do the opposite. Do not lift your foot prematurely; otherwise, you can lose power and distance.

- Identify your weaknesses. As with any hobby, identifying those areas that

need the most work can help you become a better golfer. Keep track of each shot you take, and then look at the results to see which areas of your game need the most work.

- Fix your alignment. Align your shots by assessing the target from behind the ball. Then set the clubface behind the golf ball and align it with the target before you enter your stance.

- Use your torso for power. The torso is essential

to a solid swing. Practice rotating from your core to control your backswing and then maintain the same spine angle and posture on the downswing.

- Use the wind. Not every golf game will be played in perfect weather. A good player knows how to make adjustments for the wind depending on the shot. Use the wind to your advantage when you can, and adjust your swing when hitting into the wind.

- Become a better chipper. Many players put so much emphasis on their backswings and putt shots that they fail to devote any practice to chips. All shots are important for golfers trying to shed strokes off of their scores.

- Keep fit. Maintaining or improving your physical strength and overall health can help your golf game. Exercise and eat right, and you will have more endurance on the links.

KEY MESSAGES FROM GYPSD'S PUBLIC BOARD MEETING

Submitted by Grande Yellowhead Public School Division

June 19, 2019

On June 19, 2019, the GYPSD Board held their organizational meeting. As part of the special meeting, the positions of Chair and Vice-Chair for the 2019/20 school year were selected. B. Rosadiuk, trustee from the Lobstick zone, was re-elected as Board Chair, and J. Zaporosky, trustee from Edson, was also re-elected as Vice-Chair. Trustees also appointed representatives to board committees as identified in Board Policies 8 and 9.

The Board regularly reviews all division policies to ensure alignment with current legislation, regulations, and government policies. Policy 19 - Recognition of Staff, Policy 17 - Student Transportation Services, and Policy 17 - Appendix

A, were amended. Please see the separate release for changes to student transportation services for the 2019/20 school year, upon ministerial approval.

- School instructional times for the 2019/20 school year were shared with trustees.

- The board's annual Communications Plan was approved.

- C. Wang, Secretary Treasurer, reported on the division's financial results as of May 31, 2019, as well as projections for the year ending August 31, 2019. The Division is on track to achieve its financial target that was set out in its annual budget.

- The Board also approved the 2019/20 School Year Budget and School Fees Schedule. The upcoming budget is projecting a \$1.2 million deficit due to expected declining enrolment, and the uncertainty of government funding at this time. Please view the separate release on the

2019/20 Budget for more information.

- Trustees approved the 2019/20 schedule of board meeting dates. Please note that this is the last Public Board meeting before breaking for the summer; the first meeting of the new school year for the Board is August 21, 2019.

- Trustees shared information and highlights about their governance and advocacy on behalf of the division as they recently attended the Public School Boards Association of Alberta (PSBAA) Spring General Meeting, Rural Caucus, and the Alberta School Boards Association (ASBA) Spring General Meeting. In addition, trustees discussed their visits to schools, end of the year school celebrations and graduation ceremonies. The Board also voiced their appreciation of the outstanding teaching and learning they observed in their recent school visits to Jasper and

Grande Cache schools.

- Superintendent C. Lewis provided key updates addressing how she is meeting the competencies in the Superintendent Leadership Quality Standard. In addition, the superintendent discussed how rural school boards may be affected by changes to the Funding Framework. The superintendent shared that she too was in attendance at PSBAA, Rural Caucus, ASBA and school walk throughs in Jasper and Grande Cache. The superintendent also discussed her work with principals and assistant principals as well as the strategic planning taking place in preparation for the upcoming school year. Furthermore, the superintendent was honored to share that she has been invited by the College of Alberta School Superintendents to facilitate the summer Superintendent Leadership Quality Standards certification.

ADDITIONAL ADMINISTRATIVE APPOINTMENTS FOR 2019-2020

Leanne Gruending

Fran Bell

Heather Brownlee

Marc Dickner

Marsie Fisk

Submitted by Parkland School Division

Parkland School Division's Superintendent of Schools, Shauna Boyce, is pleased to announce the following administrative appointments for the 2019-2020 school year effective August, 2019. Two new Principals will be in place for Tomahawk School and Seba Beach School while three current administrators move to new assignments. Four current Parkland School Division teachers will be transitioning to administrator roles and the Division welcomes another successful applicant from outside the province.

"Parkland School Division's administrative pool is deep", stated Superintendent Boyce.

"We are so excited for these additions to an already exceptional Leadership Team throughout the Division. Each successful candidate presents a unique skill set and body of experience but all are ready to serve our students by building positive relationships and will be strong members of their respective learning communities."

Leanne Gruending, Principal | Seba Beach School (K-9)

Leanne Gruending began her teaching career in 2009 and has spent most of her professional

career with Bjorkdale School in Bjorkdale, Saskatchewan. She's been a Differentiated Instruction Facilitator, has taught English Language Arts & Creative Writing as well as Math and Art in the Middle Years and High School setting. She became an administrator as Principal in Bjorkdale in 2011 and has been a Principal at Lord Asquith School just west of Saskatoon in the Prairie Spirit School Division since August of 2013.

Ms. Gruending earned her Bachelor of Education degree from the University of Saskatchewan in 2008 and a Masters of Educational Administration from the U of S in

2015. "I am incredibly excited to be a part of the community of learners and leaders in Parkland School Division. I hope to bring with me my energy, experience, enthusiasm and my passion for the Heart Work we do everyday as educators."

Fran Bell, Principal Tomahawk School (K-9)

Fran Bell's teaching experience began abroad as a Middle Years Math, Language Arts and Social Studies teacher in Kalispell, Montana in 2004. She first joined Parkland School in 2006 at Ecole Broxton Park School when she spent ten years in various classrooms from

Additional Administrative Appointments for 2019-2020

Continued from Page 7

Since then, Marc has had teaching roles at French Immersion schools primarily in Early and Middle Years settings. He has a background in physical education and has been a member of the Division's Tech Focus and Lead Learning & Technology Policy Framework groups.

Marc earned his combined Bachelor of Physical Education/Education for Secondary at the University of Alberta in 2009. He completed the University transfer program with a Diploma in Kinesiology from Red Deer College. He is currently enrolled in the Master of Arts in Interdisciplinary Studies with a focus on Educational Studies & Work as well as Organization & Leadership through Athabasca University.

"I am very grateful and honored to have worked, learned and professionally grown with the students, colleagues and families from École Meridian Heights School. I am very excited to begin working with the FUSION team at École Broxton Park School, particularly in building new relationships, promoting wellness through movement and the 'joie de vivre' for French Immersion."

Marsie Fisk, Assistant Principal Memorial Composite High School (Gr. 10-12)

Marsie has had many wonderful opportunities as a teacher in Northern Gateway Public Schools and Parkland School Division. She began her teaching career in 1995 with job postings in Valleyview and Whitecourt. During her 10 years in Parkland School Division, she has held various roles including Math Teacher, Inclusive Education Lead, Learning Coach, and Assistant Principal at Connections for Learning, École Broxton Park School and École Meridian Heights School.

Marsie earned her Bachelor of Education Degree from the University of Alberta, with a major focus in French As A Second Language. She recently completed a Masters of Education in Educational Leadership from Vancouver Island University.

"I feel so grateful to have worked alongside so many students and staff at Memorial Composite High School, École Broxton Park, Connections for Learning, and most recently at École Meridian Heights School. I feel as though I am com-

ing full circle; returning to the high school fills my heart. I look forward to supporting all the amazing things that are available to our youth at Memorial."

Heather Huisman, Assistant Principal

École Meridian Heights School (K-9)

Heather's educational journey began overseas in Japan teaching English as a second language to high school students in Tsuwano as part of Japanese Exchange Teaching Program. She travelled abroad from 1999 to 2001 before returning to the Edmonton area to begin her 17-year career with Parkland School Division. She's provided modified programming for students with diverse needs in Grades 1 through 6, has been an Early Education teacher, a Collaborative Teaching Partner with Early Childhood Services and an Early Childhood Facilitator working with a multi-disciplinary team supporting school teams, children, and families throughout the division in Early Ed and Kindergarten. She has been a Collaborative Teaching Partner at Millgrove School since January, 2019.

Heather earned a Bachelor of Education from the University of Alberta in 1999 as well as a Masters of Education in Educational Leadership from the University of Portland in 2012.

"I am excited to join the École Meridian Heights team and look forward to getting to know the staff, children and families within the community. I will miss the PSD ECS team, however, I am looking forward to sharing all that I have learned from this strong team and continue my learning and collaboration."

"We'd like to extend a big thank you to outgoing Assistant Principal Berenice MacKenzie for all she's done for Parkland School Division students over the years. We wish her all the best in her future endeavours as she and her family pursue new opportunities in British Columbia," stated Superintendent Boyce.

Nicole Marcinkevics, Assistant Principal

Graminia School (K-9)

Nicole began her teaching career with Parkland School Division at Stony Plain Central School after earning her Bachelor of Education degree from the University of Alberta in 2008. In her decade in

education, she has taught at Stony Plain Central School, Brookwood School, and Prescott Learning Centre, along with one year in Northern Lights School Division. Her most recent role in Parkland has been as a Collaborative Teaching Partner at Prescott, Graminia, and Parkland Village Schools working with Kindergarten to Grade 9 students and teachers in the area of literacy. Along with her teaching and team-teaching experience in Early Years classrooms, Nicole has taught Grade 7 band and developed a Career & Technology Foundations course for Prescott students interested in textiles and design.

Nicole completed her Master's of Education with a focus on Early Learning and Literacy from the University of Alberta in 2013. In 2016, she began a Master's of Business Administration, with a focus on Leadership and Strategic Management at the University of Alberta School of Business.

"I am honoured to continue working alongside Graminia staff and students in my new role and am excited to continue contributing to the great work already underway."

Linnaea Nielsen, Assistant Principal

Spruce Grove Composite High School (Gr. 10-12)

Linnaea started her teaching career with Regina Public Schools teaching Grade 7/8 French Immersion. She began joined Parkland School Division teaching in both the Maranatha Christian program and French Immersion programs in 2010, teaching Grades 5 through 9. Linnaea began her administrative career when she took on her most recent post as Assistant Principal of École Broxton Park School beginning in the 2015-2016 school year.

Linnaea completed a Baccalauréat-en-Éducation from the University of Regina in 2008, which included 1 year at Laval University in Quebec City. She recently obtained a Master of Education degree, with a specialization in Leadership, through the University of Calgary.

"My time at École Broxton Park School has been extremely rewarding and I am grateful for the strong relationships I have built. I will miss the Fusion spirit. I look forward to building new relationships and it will be a privilege to work with the amazing staff, students and community of Spruce Grove Composite

High School."

Donna Miners, Assistant Principal

Duffield School (K-9)

Donna began her teaching career in 1991 with Wildrose School Division in Drayton Valley where she taught primarily Grade One and Grade Three. Her first stop with Parkland School Division was actually Duffield School in 2006 where she spent a total of eleven school years. Ms. Miners also had teaching posts with Grande Yellowhead School Division in that span. She has previously served in an Acting Administration role at Duffield. She's held roles as Collaborative Teaching Partner and Acting Assistant Principal at Duffield School.

Donna earned her Bachelor of Education from the University of Calgary in 1991 and is currently in the Masters of Educational Studies program at the University of Alberta.

"I am honoured and excited to continue working with everyone at Duffield School. The dedicated staff, inspired students and invested community make this school a wonderful place to work!"

Roni Pirot, Assistant Principal

École Meridian Heights School (K-9)

Roni Pirot has built a 16-year educational career working in various French Immersion and dual-track schools within the Seven Oaks School Division in Winnipeg. She has taken on roles such as: Classroom Teacher, in assignments from Grade 2 through 6, Learning Support Teacher and Acting Principal. Roni was selected to participate in the Provincial Committee for the Implementation of the New ELA Curriculum and the Consulting Committee during the renewal of the French Immersion curriculum. She's been involved in her Division's Aboriginal Education Planning Committee and has recently completed Treaty Education Training.

Roni has completed a Post Baccalauréat en administration scolaire et en littérature from the Université de Saint-Boniface. She is currently working towards a Master in Education in Curriculum Teaching and Learning from the University of Manitoba.

"I am honoured and grateful for the opportunity to become part of and collaborate with the staff, the students and the parents of the PSD community."

CONSERVATIVE ENVIRONMENT PLAN INCLUDES TAX CREDIT FOR GREEN HOME IMPROVEMENTS

Submitted by Jim Eglinski, MP – Yellowhead

Jim Eglinski, Member of Parliament for Yellowhead, wishes to inform constituents that under a new Conservative government led by Andrew Scheer, Canadian homeowners will be eligible for the new Green Homes Tax Credit to make energy efficient home improvements affordable.

"For so many Canadians, making our homes energy efficient is too expensive. This makes it difficult for

Canadians to play a meaningful role in the fight against climate change. Under A Real Plan to Protect Our Environment, Andrew Scheer will make it more affordable for Canadians to lower their emissions by making their homes more energy efficient," said MP Eglinski.

With the Green Homes Tax Credit (GHTC), Canadians will be eligible to receive a 20% refundable credit on their income tax for green improvements to their homes of over \$1,000 and up to \$20,000. This will allow Canadians to save up to \$3,800 on

their renovations each year.

Green improvements could include:

- installation of high-quality insulation;
- investments in high-efficiency furnaces;
- replacement of doors and windows with more efficient models;
- upgrading of ventilation, heating and cooling systems; and,
- installation of solar panels.

"Green home improvements do not just lower emissions, they can save Canadians money on bills through

lower energy costs. The Green Home Tax Credit will help families install energy-saving products and technologies so that they can realize savings on their bills in the long-term," concluded MP Eglinski.

A Real Plan to Protect Our Environment focuses on green technology, not taxes as the best way to lower emissions at home.

The Green Homes Tax Credit (GHTC) will be a two-year plan to help Canadians adopt green solutions for their homes.

PROVINCIAL PARKS DAY-USE LIQUOR SITES SELECTED

As of June 28 Albertans can enjoy liquor in select provincial parks' day-use area picnic sites.

Submitted by Government of Alberta

As part of government's commitment to relax liquor consumption in Alberta parks 14 of the province's day-use area picnic sites will permit liquor consumption with food.

"Another promise made and another promise delivered as our government continues to reduce red tape and end unnecessary prohibition-era liquor constraints." - Jason Kenney, Premier

The select sites feature about 200 picnic tables between them, and are located in all regions of the province. All approved day-use area picnic sites will include signage indicating permitted liquor consumption from 11 a.m. to 9 p.m.

"We've committed to ending the war on fun in Alberta's provincial parks. The vast majority of park users enjoy our natural spaces responsibly and our government believes in allowing adults to be adults. Happy Canada Day and, as always, please enjoy the province's parks responsibly." - Jason Nixon, Minister of Environment and Parks

Recently, in addition to ending the provincial parks' liquor ban, government announced that regulations and policies have been clarified to ease approvals and support for event organizers hosting festivals in municipalities and provincial parks.

Relaxing liquor constraints supports government efforts to reduce red tape and ensure that regulations are rooted in sensible,

evidence-based approaches.

Highest 4-H Honours For Stony Plain Youth

Continued from Page 1

"4-H provides thousands of Alberta youth with personal development opportunities and invaluable life skills each year. Congratulations to the 2019 Premier's Award recipient and the 4-H senior delegates and ambassadors. I know you will represent Alberta well." - Devin Dreesen, Minister of Agriculture and Forestry

The Premier's Award recipient represents 4-H Alberta at various

regional 4-H and agricultural events throughout the year and will also have the opportunity to meet with the Premier and minister of Agriculture and Forestry.

About Amanda Hardman – 2019 4-H Premier's Award Recipient

- Six-year member of the Stony Riders 4-H Club

- 4-H Club president

- 4-H Canada Youth Service Leader

- Bronze medal winner as a 4-H Canada Fair finalist at the Canada-wide science fair

- Recipient of the Spruce Grove Chamber of Commerce's Youth Idea Expo for her business, Experience the Acres.

In addition, 14 senior 4-H delegates were named as 4-H Alberta Ambassadors to promote 4-H and youth involvement in Alberta. 4-H Alberta has also selected 34 members to represent 4-H Alberta at major educational events and conferences throughout Canada and the United States.

4-H Alberta marked its 100th anniversary in 2017 and its up-

dated mission is to inspire, educate and develop members who are outstanding rural and urban youth, leaders and engaged citizens. 4-H members develop leadership skills and learn the value of volunteerism by participating in dynamic projects, programs and community service. In honouring our province's rural roots, 4-H continues to recognize the importance of food and agriculture in Alberta. Visit www.4h.ab.ca for more information.

Summer Flooding In Yellowhead County Moves Swiftly Across The Region

Continued from Page 1

Fortunately, no residents needed to utilize the reception centre while it was open.

Residents' safety was our primary concern during this flood. Yellowhead County Protective & Emergency Services went door to door in the areas impacted by the flooding to ensure the safety of the residents. Barriers were placed on roadways where there were damaged or flooded roads or bridges. Messages were put out on Alberta Emergen-

cy Alert, the local media, and on social media sharing details about the emergency and reminding residents to be cautious if travelling in these areas and to take caution when entering their property or residences.

A localized State of Local Emergency was declared by Yellowhead County. When a State of Local Emergency (SOLE) is declared, it is in place for seven days unless it is withdrawn earlier or extended past that date. A SOLE, as mandated by the Alberta Emergency Manage-

ment Act, gives a municipality extraordinary powers to help prevent, combat or alleviate the effects of an emergency or disaster.

Flood waters began to recede on July 10, 2019, but the excess water continues to move along its natural courses and compounds as it collects into these areas. Residents in these areas are reminded to be cautious around any overland flooding.

Yellowhead County has continued to receive reports of areas and infrastructure impacted by

the flood. Crews are working to repair damaged roads, debris such as log jams in rivers at chokepoints and bridges. County staff continue to monitor the area to determine whether we have more issues.

From this point forward, the County will continue to assess for damage and repair infrastructure as required. A full assessment is being compiled by the County to determine the extent of the damage caused by the flooding.

MAKING FRIENDS OUT OF NEIGHBOURS

Yellowhead County wants you to meet and mingle with your neighbours and community members—and we'll even cover some of the cost of your block party!

Submitted by Yellowhead County

(July 4, 2018) – Want to meet your neighbors and community members but finding it challenging? Then Yellowhead County's Family and Community Support Services (FCSS) has just what you need—with the Neighbourlink grant!

The Neighbourlink grant is meant to offset the costs of neighbourhood get-togethers, and is intended for events with up to 25 families/properties. With this grant, you can receive up to \$250 reimbursement for a community party! (Larger subdivisions can apply to 2 grants.) Please note: The reimbursement cannot be used to cover costs of

alcohol.

With summer upon us, now is the perfect time to hold a neighbourhood party to get to know the people in your area. And it's not only just fun—the benefits of meeting your neighbours include an increased sense of community; get-togethers encourage neighbours to look after each other and the neigh-

bourhood, and promote safety and help prevent crime when bonds are formed and members are familiar with one-another's schedules.

So how do you apply? The grant is available on the Yellowhead County website. Alternatively, or for more information, please call 780-325-3782/1-800-814-3935.

NEW TRANSPORTATION FEE SCHEDULE

Submitted by Grande Yellowhead Public School Division

June 29, 2019

FOR IMMEDIATE RELEASE - The Grande Yellowhead Public School Division's Board of Trustees approved the 2019/20 school year transportation fees at its June 19, 2019, Public Board Meeting. School boards are not obligated to provide transpor-

tation services to students attending a school of choice, nor students who reside less than 2.4 kilometres from their designated school. Therefore, the Board will retain its ability to charge transportation fees in such situations.

Transportation fees for ineligible students will increase from \$350 in the current school year to \$400 in the 2019/20

school year. Students who request transportation to a school of choice will now be charged a \$400 annual fee, and those families who request an additional dropoff or pick-up location, will be charged \$300 in the new year.

Transportation fees are set annually by the board to partially offset the financial shortfall due to the difference between the cost of transportation and Al-

berta Education's transportation grant. The cost of student transportation services is estimated to be over \$800 per student, which has been annually increasing due to inflationary cost factors.

For more information, please visit Policy 17 and Appendix A on the Division's website, or contact the Transportation Services department at 780-723-4471.

WHAT MATTERS TO YOU?

Submitted by MLA Shane Getson – Lac Ste. Anne - Parkland

Only a few weeks have passed, but honestly, it feels like a month or two. It has been a long couple of weeks with a few real late-night sessions, the longest one going on for 45 hours, from July 3-5th. This session brought the House to adjournment until October 22nd.

What Matters to you...the items that were on our platform, and what I have heard directly from you, are

the items we're working on. The provincial carbon tax is gone and now we're challenging the federal one.

Bill 13, The Alberta Senate Election Act, which had been around since 1987 and gave Albertans the power to elect their senator nomination candidate had expired under the previous government. It became clear to us though with Bill C-69, the no-more-pipelines bill, that elected Senators who are accountable to Alberta voters are more likely to defend our prov-

ince's interests. This government fought hard to get this obvious right to select a candidate back to you. Yes folks, Bill 13 was passed!

If you want to see how these proceedings go, I strongly recommend to either come on down and see this live, or have a look on the web site / television channel for the legislature (<http://assemblyonline.assembly.ab.ca/Harmony>) Your tax dollars pay for it, you may as well use it.

The other big achievement is that I am able to get some great support,

feedback, and yes, answers from Cabinet ministers, and we are navigating our way through the departments. I didn't know a bunch about these folks when they were chosen, but I can see why now. They're very strong, responsive and care about Albertans.

Over the last few weeks I've managed to take care of my work in the Legislature, and also get in some community engagement in mornings, evenings, and on the weekends. Parades, birthdays, graduations, and anniversaries. I have to tell you the more people I meet in our area, the prouder I am to represent you. For example, I met Flora Weiss who recently celebrated her 103rd birthday. Needless to say, Flora faced more challenges that you and I can imagine throughout her life. So, of course I had to ask what her secret is. She said "stay positive and be resourceful". Flora – you truly are an inspiration!

Congratulations also to all the Grads. Keep working hard. The future is yours to build.

None of these events come together so effortlessly without the dedication and hard work of so many volunteers. These community events that we enjoy so much wouldn't happen without you. Thank you.

It may have seemed that we were as stable as a newborn calf in getting our office up and running. I appreciate your patience! We're set up now over at the Onway Heritage Center, open Mon-Fri, 9-4. Come and see us anytime and if you need to see me before or after those hours, that can be arranged too. You can reach me by phone at 780-967-0760 or by email at LacSteAnne.Parkland@assembly.ab.ca

I'm really looking forward to working out of our Onway office. I'll be closer to all the communities and I'll get a better sense of our local issues. I'm also looking forward to receiving invitations to your local events. Just drop us a line, book the time and date, and I'll be there. No better way to get my ear than if I'm out there with you at your event.

Thanks again to all of you who have told me about the hope, optimism, and positive feelings out there. Let's keep it up, and get the province rolling the right direction again. Respectfully, Shane.

ALBERTANS URGED TO BE AS SAFE AS POSSIBLE ON ATVS

Submitted by Alberta Health Services

EDMONTON – Summer weather brings people out to explore the backcountry, and Alberta Health Services (AHS) reminds Albertans to make all-terrain vehicle (ATV) safety a priority this week and every week.

ATVs pose significant risk to all users and particularly children under 16 years of age, who likely do

not have the strength, skills or judgment needed to operate an ATV. Over a one-year period ending April 1, 2019, 78 children were seen in Alberta's two pediatric emergency departments due to ATV-related injuries; 31 required hospital admission and one died.

To protect children under 16 years of age, parents and caregivers are advised to ensure children do not drive or ride on an ATV. This includes ATVs marketed as 'child-

sized.'

Albertans 16 years of age and older are urged to take the following precautions to ensure their ATV excursions are as safe as possible:

- **Get trained:** Before you hit the trails, get formal hands-on training from a recognized/trained ATV instructor. Don't be shy about refreshing your training seasonally.
- **Wear the gear:** Always wear a helmet. CSA-compliant helmets must be worn by ATV users when riding on public land but a helmet worn every ride can save your life. From 2002 to 2013, 41 per cent of ATV-rider deaths in Alberta were due to head injuries. In 77 per cent of these head injury deaths, the ATV riders were not wearing a helmet. In addition to a helmet, always wear a jacket, long pants, goggles, boots and gloves.
- **Look first:** Be sure you're aware of the weather forecast, fire outlook/potential, and any hazards (geographical, animal or human) or risks that the trail(s) could pose. Ensure your ATV is equipped with an appropriate head lamp.
- **Buckle up:** Be sure you're fastened in properly and that

all gear and equipment (including your ATV restraints) are in proper working condition before you hit the trails.

- **Drive sober:** Don't drink alcohol or do drugs before or while operating an ATV; 55 per cent of those who died in ATV crashes between 2002 and 2013 tested positive for alcohol.

- **Seek help:** Before you head out on the trail, let others know where you're going and when they should expect you back. This helps your loved ones know when to call for help if you've been gone too long. Take a cellphone or working radio with you, as well as a first-aid kit.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

PREVAIL

CELLULAR HOMEOSTASIS FORMULA

MAX

A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU ...RIGHT DOWN TO THE LAST CELL!

How do you want your **BLOOD** to look?

Before PrevailMAX:	After PrevailMAX:
poor circulation	better circulation
low energy	more vitality
brain fog	mental clarity
dehydration	cellular movement
decreased nutrients	nutrient assimilation
pH imbalance	balanced pH
poor endurance	optimal endurance

PrevailMAX™ is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells.

When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!
