ALBERTA BEACH WINS LILSA MEMBERSHIP DRIVE CHALLENGE

Submitted by Angela Duncan, Vice President | LILSA Water Quality Society

In an effort to promote lake stewardship and support the Lake Isle and Lac Ste Anne Water Quality Society (LILSA), Alberta Beach challenged the local Summer Villages, Towns, and County to participate in a friendly membership drive challenge. We are pleased to report that a

total of 4 municipalities joined in the challenge and we would like to thank Alberta Beach, Lac Ste Anne County, the Town of Onoway, and the Summer Village of Ross Haven for your participation and commitment to help promote LILSA. In total, 60 memberships were sold during the challenge, which ended on Jul 31. An impressive 40 memberships were sold by Alberta Beach, making them the

challenge winners. Congratulations and thank you to Alberta Beach for putting forth the challenge and to all the communities that participated. Every little bit helps us improve our watershed and the quality of our lakes. Just because the drive is over, does not mean that you cannot still purchase a membership, please visit lilsa.ca for more information about the Society or how to purchase your membership.

PARKLAND RCMP THWART ATTEMPTED ABDUCTION

Submitted by Parkland RCMP

On Tuesday, Aug. 21, 2019 at 7:10 p.m. Parkland RCMP were dispatched to the report of an alleged abduction at the parking lot of a local business. Witnesses reported a male smashed the window of a car and forced the female passenger into his vehicle. The suspect vehicle then left the scene.

The female driver of the car remained on scene to wait for police. She provided information

that the male suspect blocked her vehicle, smashed her front passenger headlight and then went to the passenger side window and demanded the female passenger get out. When the passenger refused, he smashed the passenger side window and opened the door. The male grabbed the passenger, took her to his van and fled the scene. The driver of the vehicle was not injured.

RCMP received information that the suspect vehicle was in Onoway. When members lo-

cated the vehicle, it attempted to flee. In the interest of the safety of the passenger and the general public, RCMP forced the vehicle to stop and the driver, William Jensen was arrested. The victim was safe and had minor injuries on her arm from the glass fragments from the smashed car window.

RCMP seized a significant amount of money, crystal methamphetamine and stolen property from inside the vehicle.

Reminder: A Current Mailing Address Is Required for County Collateral

with the County.

As more and more households abandon their land lines, it becomes increasingly problematic for County administrators to maintain accurate contact information.

If you haven't seen any Lac Ste. Anne County mail in a while, it's important that you call 780.785.3411 to ensure your current mailing address is on file.

Those living in rural areas can have two addresses: a mailing address, and a municipal address (street address). Your municipal address is that blue sign at the end of the driveway. While a municipal address helps emergency responders or courier services find your property, it doesn't suffice as a mailing ad-

dress. The County cannot mail correspondence to a municipal address; a current mailing address is required.

If you fail to receive County correspondence, you may be missing out on some important opportunities, like the chance to appeal your property's assessed value, or the ability to have your say on your neighbour's proposed development of a big gravel hauling business next to you. Even worse — you may have missed a letter indicating your property is going up for public auction due to tax arrears.

If you haven't received your Tax & Assessment Notice this year, or if you wish to confirm that your current mailing address is on file, please call the County office at 780.785.3411.

NEWS HIGHLIGHTS

Lac Ste. Anne County | Box 219, Sangudo Alberta T0E 2A0 | 1.866.880.5722 | www.LSAC.ca | facebook.com/LSACounty

CORRECTION: FIRE SERVICES OPEN HOUSE

The County ran an article in the August 19 issue of the Bulletin and in the August 20 issue of the Community Voice that incorrectly noted August 24 as date for the Rich Valley Station 3 Open House. The correct date for the open house is **Saturday, August 31**. The County apologizes for any confusion this error may have caused.

On Saturday, August 31, head on down to Station 3 for BBQ burgers, a tour of the fire hall and a meet-and-greet with your friendly neighbourhood Fire Fighters.

NOTICE: COUNCIL MEETING CANCELLATIONS

Pursuant to Section 193(3) of the *Municipal Government Act*, please be advised that Lac Ste. Anne County Council has cancelled the regular scheduled County Council meetings on September 4 and September 26, 2019. A new County Council meeting has been scheduled for September 19, 2019.

COUNTY EMPLOYMENT OPPORTUNITY COALITION ASSISTANT

The Highway 43 Come Play with Me Early Childhood Coalition is presently recruiting for a Coalition Assistant. This role will be responsible for supporting and facilitating the work of the Coalition through the development and provision of programs and tasks identified by the Coalition as a whole.

To review and respond to these employment opportunities, please visit LSAC.ca/Careers. The County thanks all applicants in advance for their interest in this position; however, only those selected for an interview will be contacted.

PLANNING & DEVELOPMENT

NOTICE OF DEVELOPMENT PERMIT APPROVALS

The following Development Permits have been approved or conditionally approved under the provisions of the Land Use Bylaw. This list does not include Permitted Uses.

Interested parties are encouraged to contact the Planning & Development Department at **1.866.880.5722** or devassistant@LSAC.ca, Monday to Friday from 8:30am until 4:30pm to request additional information on a permit.

PERMIT #	LEGAL LAND DESCRIPTION	DESCRIPTION	APPEAL DATE DEADLINE

RCMP WARNS PROPERTY OWNERS OF PAVING CONTRACTOR SCAMS

Submitted by Alberta RCMP

Edmonton—This summer, the Alberta RCMP has received reports of several incidents involving paving scams in Western Alberta. Travelling companies, posing as legitimate contractors, offer paving or sometimes roof sealing services typically to senior citizens in rural communities. These individuals have been known to provide few de-

tails of their identity and utilize non-descript vehicles rarely bearing commercial logos.

The Alberta RCMP urges property owners to beware of out-of-town companies offering such services. The contractors claim to have leftover asphalt from previous jobs and promise to provide quality services. However, the product used is believed to be cold, recycled asphalt or a gravel and oil mixture with no lasting properties.

This results in the asphalt falling apart once it is driven on. By that time, these fraudsters are long gone, disappearing with their payment before the customer realizes they have been scammed.

We would like to remind residents to exercise caution when retaining contractor services and if it sounds too good to be true, then it probably is.

Residents should be weary of any contractors who:

- Come to your door

saying they are working in the area offering a deal for leftover asphalt

- Drive vehicles bearing no business names or logos
- Pressure you into making a quick decision or refuse to take “no” for an answer
- Ask for a down payment to buy materials
- Refuse to give you a written quote with their business name, physical address and outlining the services they will provide prior to completing the work

Here are a few tips to avoid falling prey to scammers:

- Before agreeing to contract a person who comes to your door, get names of their previous customers and verify that they were satisfied with the work
- Do some research on the company with either the Better Business Bureau in Alberta, with the Consumer Investigations Unit, with your local Rural Crime Watch or on social media site
- Make sure to obtain a written quote from the contractor that includes the full business name, full address, phone number, GST number and provincial and municipal license numbers, if applicable
- Ensure the quote you receive gives details such as the quantity and specifies the quality of materials being offered
- Obtain quotes from local supplier as a form of comparison

The Alberta RCMP is working with the Alberta Consumer Investigation Unit (CIU) to counter this trend. If you or anyone you know have any information on these companies, please contact the Consumer Investigations Unit - North (north of Ponoka) at 587-985-4735 or the Consumer Investigations Unit - South (south of Ponoka) at 403-803-8229.

PAVING PROJECTS SCHEDULED TO START AUGUST 19, 2019

Submitted by Town of Whitecourt

Construction season is here and crews will be out in force in the coming weeks to complete local road and other infrastructure projects.

2019 Street Improvement Program:

A number of concrete projects have been completed across town over the last two weeks, and crews will begin paving work on Monday, August 19 as part of the 2019

Street Improvement Program. Paving throughout the community is scheduled from August 19 to September 4; work will take place between 7:00 a.m. and 11:00 p.m. on weekdays, and 7:00 a.m. to 9:00 p.m. on weekends. Projects include rehabilitation of roadways, utility cut restoration, and the Residential Driveway Replacement Program.

E Construction will be completing 2019 Street Improvement Program projects, and areas to be milled and paved include:

- Caxton Street (38 Avenue to 34

Avenue),

- Millar Road and Beaver Drive intersection,
- Pine Road and Blueberry Drive/Sunset Boulevard intersection,
- Pineview Road (Blueberry Drive to 34 Avenue),
- Park Drive North (Pineview Road to Park Crossing),
- 35 Street and 41 Avenue intersection.

A complete list of construction areas, including localized paving areas and utility cut restoration projects, along with tentative construction

schedule is available on our website at: www.whitecourt.ca/Services/Roads-Street-Maintenance.

Flag people will be on site to direct traffic in all construction areas, and motorists are asked to drive with caution and watch for posted signs and instructions. Motorists and pedestrians should be aware there may be travel delays, and are encouraged to use alternate routes when possible. For projects scheduled in residential areas, on-street parking may be limited. Signs will be posted in affected neighbourhoods at least 24 hours in advance of crews beginning work.

West Whitecourt Road Maintenance:

Property owners on 50 Avenue in West Whitecourt may notice increased truck traffic starting next week as the millings from all community paving projects will be hauled and placed on the road to provide dust control and temporary road stabilization.

Pot Hole Patching:

As is typically the case, Whitecourt experienced temperature swings throughout the winter and spring season, which has created ideal conditions for the development of potholes. Town of Whitecourt crews will continue with pot hole patching throughout town for the next two weeks.

Line Painting:

Town of Whitecourt crews will continue with line painting (crosswalks, stop lines, no parking zones, etc.) throughout the community over the next two weeks.

Storm Catch Basin Replacements:

Crews will be working to replace storm catch basins in a variety of locations. The project contractor will notify property owners in impacted areas, and flag people will be on site to assist with traffic re-routing when necessary. It is anticipated this work will begin the week of August 19, and crews will work between 7:00 a.m. and 11:00 p.m. on weekdays; and 7:00 a.m. and 9:00 p.m. on weekends. A complete list of locations is listed on www.whitecourt.ca.

The Town of Whitecourt appreciates your understanding and patience throughout the construction season. Regular updates on construction projects will be posted online at www.whitecourt.ca and on the Town's Facebook page at www.facebook.com/TownofWhitecourt.

HOW TO PROTECT WOOD FLOORS FROM INCLEMENT WEATHER

Wood floors are a worthwhile investment that can improve the beauty and function of just about any room in

a home. Even though wood floors are durable, and new protective treatments help seal out many of the things

that may have damaged floors in the past, homeowners still need to prioritize protecting their hardwood floors.

up on hardwood if they live in an area that sees all four seasons. They just need to take a few steps to keep floors looking beautiful.

Certain seasons of the year can be more harsh on wood floors than others. For example, seasons characterized by moisture and precipitation, particularly the early spring, winter and fall, can be hard on wood floors. The experts at ServiceMaster Clean say that cold, snowy days can damage wood floors, and Lumber Liquidators agrees that winter weather can be harsh on flooring.

- Clean up the salt. Salt that keeps sidewalks and streets clear of snow and ice inadvertently gets tracked inside a home. Hard chunks of salt can scratch wood floors, and, if left to sit, that salt can eventually cause white marks and other stains. Routinely vacuuming and sweeping up salt is necessary to protect wood floors.

Homeowners need not give

- Invest in shoe storage. Wet or snowy boots can

How To Protect Wood Floors From Inclement Weather

create puddles around the house. Have a special mat or tray by the front door where wet shoes can be kept. A nice bench in the entryway makes it easy for residents and guests to remove their shoes until it's time to go back outside.

- Use water-wicking mats. Homeowners will probably need a few extra mats around to tame errant drips and wipe shoes. Any entrance that might be used by people or pets should be protected. Try to avoid petroleum-based, rubber-backed mats, as they could discolor the wood floor.

- Control humidity indoors. Cold, dry air in a home can be problematic because

the moisture in the wood can eventually evaporate into the air. The heat will suck that moisture from the flooring, causing it to shrink, creak and splinter and become more brittle. Think about investing in an in-line humidifier for the home's HVAC system that can keep a moderate amount of humidity in the home. Hardwood floorboards are installed to accommodate minor temperature and humidity fluctuations. This is typically a range of between 60 and 80 degrees F with a relative humidity range of 35 to 55 percent, advises ServiceMaster.

- Use the right cleaning products. Avoid excessive

water to clean wood floors, and select soaps that are specially designed for wood flooring. Consult with the flooring manufacturer for a list of detergents that are safe

to use.

With proper care, hardwood flooring can survive rain, snow and cold weather.

PROTECT YOUR PLANTS FROM WINTER WEATHER

For the majority of gardening enthusiasts, gardening is a warm weather activity. While some people live in climates that make

it possible to enjoy gardening year-round, those who don't often lament the end of the gardening season.

Winter might not be conducive to gardening, but the arrival of cold weather does not necessarily mean a gardener's work is done until the following spring. Taking steps to protect plants from winter weather is an important part of maintaining a healthy garden that thrives from year to year.

Timing is of the essence when winterizing a garden. The online gardening resource Get Busy Gardening!™ advises gardeners that the best time to winterize is after the first hard freeze in the fall. A hard freeze occurs when temperatures dip below freezing overnight. When that occurs, annual plants and vegetables are

killed off and perennial plants, which grow back year after year, begin going dormant.

Better Homes and Gardens notes that perennials are the easiest plants to prepare for winter, as they require just a little cutting back and mulching to be safe from cold weather. But no two perennials are alike, so homeowners should consult their local gardening center for advice on how to prepare their particular perennials for the coming months.

The steps necessary to winterize annuals depends on which type of annuals, cool- or warm-climate, you have. Cool-climate annuals

Protect Your Plants From Winter Weather

should be covered with polyspun garden fabric when light frost is in the forecast. In addition, Better Homes and Gardens recommends pulling dead annuals and adding them to a compost pile after a killing frost. Any annuals that developed fungal disease should be discarded. Mulch annual beds with a three- to four-inch layer of chopped leaves or similar materials, spreading the mulch only two inches thick over self-sown seeds you want to germinate in the spring.

Warm-climate annuals also should be covered with polyspun garden fabric when light frost is expected. Seeds of cold-hardy annuals can be planted for extended winter bloom, while gar-

deners also can collect seeds of warm-weather plants that will breed true to type. Even though you're winterizing, Better Homes and Gardens recommends that gardeners continue to weed and water their plant beds and plants while also keeping an eye out for pests. If organic mulch has decomposed or thinned out, replace it with a new layer.

Get Busy Gardening!™ notes that the bulbs of tender plants like dahlias and tuberous begonias can be dug up and overwintered in their dormant state. All dead foliage should be removed after the bulbs have been dug up, and the bulbs should be allowed to dry out a little before being stored. Container gardeners can

overwinter their tender bulbs in their pots inside, but be sure to remove their foliage and store them in a dark, cool place that maintains temperatures above freezing.

Winterizing may mark the end of gardening season, but it's an important task that can ensure a healthy, beautiful garden next spring, summer and fall.

NOTES FROM THE ONOWAY LEGION

Submitted by Submitted by Onoway Royal Canadian Legion

No Dinner on Long Weekend
On Friday, August 30 there'll be no dinner at the legion. As usual on a long weekend, the volunteers are giving the opportunity to spend time with their families.

Kitchen Manager Required!
So that the weekly Friday dinners can continue for the community, the Legion is asking for a volunteer Kitchen Manager. That person is not expected to

cook, but will provide guidance to the volunteer coordinator, Friday night dinner coordinator, special events/functions coordinator, and kitchen administrator. This applies only to the regular Friday night dinners!

The Kitchen Manager will organize and coordinate the other volunteers, making sure they're in place and trained. He/she is also responsible for managing the Friday dinner finances and related record-keeping, and helping the dinner coordinator to fill each open Friday.

Contact Carol at 780-967-0607

or by email at oldcronell@gmail.com if you feel you have time to help keep Friday night legion dinners happening.

Regular Pool League Begins – on New Tables!

Wednesday night pool starts again on September 4, playing singles on four tables.

Two of them are new Valley 4x8 pool tables, refurbished with new Simonis 860 cloth and fitted out with casters. These tables are extremely well-built, and come with a single piece of slate that weighs at least 300 lbs.

We owe Peter Menzel and

Mark Armishaw a huge thank you for the work in getting the tables ready to play. Peter invested a tremendous amount of time finding the tables, arranging for their delivery (that was a scary process to watch) and organizing new rails to be manufactured, covered and shipped to us from New Mexico. I suspect that behind the scene Karl was working with Peter on various aspects of this project. Once here, Peter and Mark spent about 7 hours with disassembly, slate preparation, gluing, cloth mounting and moving the two pieces of slate off and on the tables.

Registration is at 7, and the balls are racked up at 7:30 for pool. Everyone is welcome, even non-members, and no experience is necessary. Cost is just \$5 each week. The bar is always open.

Throwing Darts Begins Again
The regular darts group starts again on Tuesday, September 10. It's a drop-in league, and spare darts are available if you want to try it first. Play begins at 7 pm, but please arrive a bit early so you can be included on a team.

Cost is just \$3 each week, plus some kind of snack if possible. The bar is always open.

Onoway Legion's 85th Anniversary

All legion members are invited to help celebrate the 85th Anniversary of the Onoway Legion on September 21. Invitations have gone out, so if you have received yours, please RSVP so organizers can plan accordingly.

Parking at the Legion
Please note: The back lot at the Anglican church across the road from the legion has traditionally been available for legion use when not needed by the Church or their renter groups. However, the back lot will no longer be available for Legion use on Fridays because a group is now meeting at the church each Friday evening.

Did You Know?
The Onoway Library is holding another fundraising dinner at the Legion on Friday, September 27. Mark your calendars for a great evening!

PARKLAND RCMP THWART SUSPECT'S PLANS

Submitted by Parkland RCMP

Spruce Grove, Alta. - On Thursday, Aug. 22, 2019 members of Parkland RCMP observed a car being driven by a suspended driver who is known to police. The car entered the parking lot of the Westland Market Mall in Spruce Grove where it parked to drop off a male passenger. The car then drove around the parking lot and parked the car in a handicap stall.

RCMP pulled in behind the suspect vehicle to initiate a traffic stop for the offence of being a suspended driver and for parking in a handicap stall. The suspect put the car in reverse and rammed the marked police vehicle. The suspect then exited the car and attempted to flee on foot. RCMP were quickly able to apprehend the suspect, who had placed a mask over his face. The RCMP attempted to locate the second male suspect with negative results. Further investigation revealed the car driven by the suspect was stolen from the

Spruce Grove area. Kalob Kochanowsky (20) of Spruce Grove has been charged with:

- Obstruct a peace officer
- Possession of break and enter tools
- Possession of stolen property
- Operate a motor vehicle while prohibited

Kochanowsky did not speak to bail and was remanded into custody. He will be appearing in St Albert Provincial Court on September 26, 2019.

The investigation is ongoing. RCMP believe that the suspect was to be a get away driver for a potential crime at Westland Market Mall. RCMP are attempting to locate the second male. If you have any information in relation to this incident, please contact Parkland RCMP at 780-968-7267. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app available through the Apple App or Google Play Store.

Parkland RCMP Thwart Attempted Abduction

Continued from Page 1

William Jensen (23) of Spruce Grove has been charged with:

- Forcible confinement
- Mischief under \$5000
- Possession for the purpose of trafficking
- Possession of property obtained by crime less than \$5000 (x2)
- Illegal possession or trafficking in government documents
- Failure to comply with condition of undertaking or recognizance
- Flight from peace officer

William Jensen was held for a justice interim hearing and was remanded into custody. He will be appearing in Stony Plain Provincial Court on Aug. 28, 2019. The RCMP can confirm that

Jensen and the female victim were known to each other and this was determined to be a targeted incident.

If you have any information in relation to this incident, please contact Parkland RCMP at 780-968-7267. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app available through the Apple App or Google Play Store.

SUDOKU OF THE WEEK

Fun By The Numbers

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

ANSWER:

5	7	2	3	9	4	1	6	8
1	4	6	7	8	2	3	5	9
9	3	8	1	5	6	7	2	4
2	5	9	8	6	1	4	7	3
8	1	4	5	3	7	9	8	2
7	8	3	2	4	9	5	1	6
4	9	1	6	7	8	2	3	5
3	6	7	4	2	5	8	9	1
8	2	5	9	1	3	6	4	7

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

5		2			4	1	6	
1			7	8				9
		8				7	2
