RCMP OBTAIN WARRANTS FOR BRADLEY GORDON DUFF'S ARREST

Submitted by Whitecourt RCMP

Whitecourt, Alta. - On June 23, 2020, at 8:30 a.m., Mayerthorpe RCMP received a complaint of a suspicious person in a rural area northeast of Mayerthorpe, Alta., in a pick-up

truck with a dirt bike in the box. Mayerthorpe RCMP attended the location and located the stolen pick-up abandoned off road in the Connor Creek area. The stolen pick-up truck was linked to the June 18, 2020, incident in Barrhead, Alta., outlined in the background

below.

A short time later information was received by Mayerthorpe RCMP of an individual matching Bradley Duff's description, having been in the area seeking fuel for the dirt bike.

CONSERVATIVES' PROPOSE 'BACK TO WORK BONUS' TO HELP WORKERS AND LOCAL BUSINESSES

Submitted by Gerald Soroka, MP for Yellowhead

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead, joined his Conservative colleagues in announcing a new proposal to improve the Canada Emergency Response Ben-

efit (CERB) - called Back to Work Bonus. This plan would ensure that Canadians will no longer be put in a position where they will earn less money by working more.

"As our province moves forward with its reopening plan, I've heard from many of my constituents wonder-

ing how the transition back to a more open local economy will affect them. I've listened to your concerns and expectations for the future, and I'm proud to say that Conservatives have put forward a proposal that will help you get ahead.

Continued from Page 1

An extensive search of the area was conducted by Mayerthorpe, Evansburg, Whitecourt and Barrhead RCMP along with the assistance of RCMP Air Services, Police Dog Services and the Emergency Response Team; however, the search was unsuccessful in locating the suspect.

Whitecourt and Barrhead RCMP, along with the assistance of the RCMP Western Alberta Crime Reduction Unit, continue to investigate these incidents.

As a result of further investigation, RCMP have

obtained warrants for Bradley Gordon Duff's arrest in relation to the following charges:

- Break and enter to a residence

- Flight from police

Bradley Duff is also facing an additional charge of assault relating to an incident that occurred on May 13, 2020, for which Whitecourt RCMP have obtained a warrant for his arrest.

A 28-year-old female from Whitecourt, Alta., is also charged with break and enter to a residence. She was released on an undertaking for Barrhead Provincial

Court on September 22, 2020. Her name cannot be released as the information has not yet been sworn.

Conservatives' Propose 'Back to Work Bonus' to Help Workers and Local Businesses

Continued from Page 1

We are focused on getting workers and businesses in this community and across the country back on their feet," MP Soroka stated.

Since the beginning of the pandemic, Conservatives have been putting forward constructive solutions to fix the design flaws in the Liberals' programs and help deliver better outcomes for Canadians. We are building on that success with the new Back to Work Bonus. We know helping workers and local businesses will drive Canada's economic recovery.

Under our Conservative plan, Canadians who lost their jobs through no fault of their own during the pandemic will continue to receive their full \$2,000 CERB. In addition, as businesses reopen, workers who make between \$1,000 and \$5,000 per month would qualify for a CERB top-up that would be gradually phased out by 50 cents for every extra dollar earned over the \$1,000 threshold.

For a part-time server making \$2,000 per month, the Back to Work Bonus would result in a top-up of \$1,500, for a total monthly

income of \$3,500.

"Our plan is flexible and generous because Conservatives believe it should always pay to work," MP Soroka said. "After all this country has been through, Canadians should not be penalized for picking up a shift or gradually returning

to their job as their employer reopens. We're going to keep working to get all Canadians the help they need."

"I hope the government will listen to Conservatives' and implement these much-needed changes."

Applications are now available for the 2020-2021 school year. Please see our website at Darwellag@yahoo.com for applications. Deadline for these applications will be July 31, 2020.

Dear Participants, Competitors, Vendors

The Darwell & District Agricultural Society would like to thank everyone for all the continuing support through the years. Unfortunately, due to the ongoing Covid-19 Pandemic and the restrictions of large gatherings, the Darwell Ag Society has been forced to cancel our 2020 Barnburner, Tractor Pull and Fair. Our decision was a very hard one to make and we hung in there as long as we could. In the best interest of the health and safety of the public and volunteers, we will be cancelling these events for the 2020 season and will prepare to be bigger and better for the 2021 season!

We wish everyone the best and a healthy and safe summer and look forward to seeing you all in 2021.

Thank you all very much.

WHITECOURT TOWN COUNCIL UPDATE

Submitted by Town of Whitecourt

JUNE 24, 2020

Whitecourt residents can drop off waste at the Whitecourt Regional Landfill for free between August 25 to 29, 2020. The initiative is being offered in lieu of the annual Spring Clean Up campaign which was postponed due to the COVID-19 pandemic. This initiative will provide an additional refuse disposal option to residents while taking into account the health and safety of staff and the public to prevent further spread of COVID-19. Additional details on the initiative will be provided to residential utility customers and on the Whitecourt website in July.

Whitecourt will be submitting an application to the Federation of Canadian Municipalities Asset Man-

agement Program for grant funding to complete an asset management implementation plan. The plan will involve a more comprehensive catalogue of infrastructure asset data sets than currently inventoried, and the creation of a management strategy, procedures, reporting and training for staff and Council. Asset management helps communities manage municipal infrastructure assets and make decisions on maintaining, replacing and repairing municipal infrastructure; it takes into account community growth and changing needs.

The 2019 Collision Report is complete. The report, which is completed annually, shows that collision trends remain similar to 2018, and that traffic through the community is down by approximately 3% from 2018. Study findings also reflect a slight

increase in collisions at the intersections of Dahl Drive and 55 Avenue, and Highway 43 and Highway 32. The report will be forwarded to the Whitecourt Protective Services Committee for review, and information will also be sent to Alberta Transportation, which is responsible for safety and maintenance of the highway.

The annual review of Off-Site Levies is complete and, based on the study, rates will be changing as of January 1, 2021. Off-Site Levies are a cost recovery tool that help pay for infrastructure projects that allow the community to grow, including roads, and water and sewage treatment.

Councillor Derek Schlosser will serve as Deputy Mayor from July 1 to August 31, 2020.

Whitecourt Town Council will hold only one meeting

during the months of July and August. The meetings will be held on the following dates:

- Monday, July 20
- Tuesday, August 25

Council's regular meeting schedule, of every second and fourth Monday of each month, will resume in September.

ONOWAY LEGION NEWS

Submitted by Richard Moses

Good news, we are beginning to open! We are slowly getting back to normal with our events, but must follow Alberta Health Services guidelines.

Pub Nights: We're open every Wednesday for pub nights, beginning at 6:30 PM. Social distancing rules will apply, with taped guides to help pa-

trons safely move around. It'll be table service only, and no one is to approach the bar. There will be packaged snacks available, but no games will be allowed.

Friday Night Meals

We're also open at 3 PM on Fridays. Meals are restricted to table service only, and since we can't have lots of people in the kitchen, the menu must be restricted.

On Friday, July 3, we'll be serving smokies, baked beans, potato salad and ice cream, all for \$10. Reservations will still be required because numbers must be limited. Please text or phone 780-340-0760, or leave a message on the Legion answering machine at 780-967-5361.

Of course, the bar will be open too (also with table service only). Regular Friday

night dinners will resume as soon as we can do so safely.

BBQ raffle: Ste. Anne Gas has donated a Napoleon Prestige BBQ to raffle off - 1,140 sq.in. with five stainless steel burners. It has five main burners, infrared side & rear burners, an integrated woodchip smoker tray, dual-level stainless steel sear plates, LED night lights, safety-glow control knobs, and an integrated ice/marinade bucket.

Tickets cost \$5/ticket or 3 for \$10, with the draw to be on Friday, October 23 at the Onoway Legion dinner. Thank you, Ste. Anne Gas, for the generous donation to help us raise funds for a new kitchen dishwasher.

Volunteers required!

Because of the heavy volunteer demands caused by the Covid restrictions, we need extra staff in order to open at all! If you're willing to help out for an evening, call either Carol at 780-967-0607 or Neil at 587-785-3080.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
