Gerald Soroka, Member of Parliament for Yellowhead, rose in the House of Commons to call on the government to provide support to a new business in Drayton

Valley which would create 50 full-time jobs.

MP Soroka stated, "In my riding of Yellowhead, I have the Town of Drayton Valley, where oil and gas has been the main employer until recent years."

"More than two weeks ago,

## CITY OF LEDUC SHARES KEY INFORMATION ABOUT FIREWORKS

**Submitted by City of Leduc**

As Canada Day draws near, the City of Leduc believes it's important for all citizens to know the facts on fireworks.

Fireworks are not permitted within the city's boundaries, which is outlined in a number of municipal by-

laws:

- Community Standards Consolidated Bylaw, section 6 'Dangerous Actions'
- Parkland Bylaw 689-2007, section 9 'Dangerous Actions While on Parkland'

If anyone wishes to use fireworks outside of the city limits, they are required to contact the local municipality for their fireworks

regulations as each municipality may vary.

Natural Resources Canada has a 'Display Fireworks Manual 2010' posted online as a resource and Leduc Fire Services suggests residents to reference Appendix 5 for more information.

# LEDUC CITY COUNCIL SAYS NO TO A TAX REVENUE INCREASE FOR 2020

**Submitted by City of Leduc**

The City of Leduc will not be implementing a municipal tax revenue increase for property owners in 2020. Leduc City Council passed the 2020 Property Tax By-law this evening, sending a strong message to taxpayers letting them know they have heard residents' concerns regarding the financial impacts of COVID-19 and are responding with a zero increase.

The overall impact will see an annual tax decrease

of an average of \$260 per household (based on an assessment of \$325,000), and \$1,050 for non-residential ratepayers (for every \$1 million in assessed value). This was achieved through no tax revenue increase and up to a 2.75 per cent reduction relating to the Provincial Education Tax for 2020. In 2019, the city made an estimate relating to the education tax in anticipation of the provincial budget, which was released after the city's fiscal budget year. As a result, there is a small

savings in 2020 due to the city's conservative estimate.

Property tax notices are slated for release in mid-July and citizens need to be aware of other key dates:

- Aug. 31, 2020 is the payment due date for property taxes
- Dec. 31, 2020 is the payment due date for non-residential property owners who opted to defer payment. To participate, email [propertytaxes@leduc.ca](mailto:propertytaxes@leduc.ca) before Aug. 31, 2020 deadline
- Late payment pen-

alties will be waived for the remainder of 2020

For more information, email [propertytaxes@leduc.ca](mailto:propertytaxes@leduc.ca), visit [Leduc.ca](http://Leduc.ca) or call 780-980-7177.

# A MESSAGE FROM MLA MARK SMITH

**Submitted by MLA Mark Smith | Drayton Valley – Devon Constituency**

This month is a time to celebrate the history and diversity that make our province, and country, a great place to live. I take great pride in being Canadian and I wish everyone a very happy Canada Day! I hope you will get a chance to enjoy the great attributes of our province and country by getting out in the beautiful sunshine we have been blessed with recently.

After a difficult beginning of the year, our province has been gradually reopening businesses and facilities. Our province's relaunch strategy puts the health and safety of our community first. Our province has expanded its testing capacity and contact tracing ability, and put a rapid response plan in place for possible outbreaks to ensure that our province can continue to prevent the spread of COVID-19. General workplace and industry-specific guidelines, which can be found at [alberta.ca/bizconnect](http://alberta.ca/bizconnect), are in place to protect employees and customers of businesses across the province. Our wonderful local businesses are at the heart of our community, and I encourage you to shop local and show them

your support!

I am happy to share that the hard work and sacrifices of Albertans has paid off, and our province was able to begin Phase 1 of the Alberta Relaunch Strategy in May. With strict guidelines in place, our community can and should confidently support Alberta businesses as our economy begins to reopen. Alberta's relaunch strategy puts safety first as restrictions are gradually lifted. Our province is prepared to gradually allow some businesses and facilities to reopen, including retail, hairstylists and barber shops, and cafes and restaurants in the first stage. General workplace and in-

dustry-specific guidelines, available at [alberta.ca/bizconnect](http://alberta.ca/bizconnect), must be implemented to keep patrons and employees safe in this stage.

This week our province launched the Human Trafficking Task Force, which will find ways to prevent human trafficking, and protect and empower survivors. Anti-human trafficking advocate Paul Brandt will lead the seven-member task force that will provide guidance and recommendations on how to best implement the government's strategy to combat human trafficking in Alberta. This task force will also help shed a light on an often overlooked and under-re-

ported crime that causes serious harm. The task force will provide recommendations on how to support survivors, enhance collaboration between organizations working on this issue, engage experts on how to bring sustainable change, and lobby other levels of government to take coordinated action against human trafficking. Alberta should be a place where people can live free from exploitation and coercion. The new Human Trafficking Task Force will help shine a light on an important issue in our province and make change.

As always, it is my honour to serve as your MLA.

**All the Best to All of Our Graduates**

Graduation ceremonies may look a little different this year, but that doesn't mean they aren't still cause to celebrate. It's your day, and we hope you enjoy every moment as you celebrate the culmination of your hard work. May your graduation be the beginning of a bright and beautiful future. We look forward to celebrating your continued success!

# UPDATED: TENTATIVE DATES FOR REOPENING OF RECREATION FACILITIES

Submitted by City of Leduc

Under the health and safety guidelines of Stage 2 of the Government of Alberta's re-launch strategy, the City of Leduc is preparing for a phased reopening of recreation facilities and amenities.

The city is taking a phased approach as there are a number of contributing factors

affecting the reopening of Leduc's many indoor and outdoor facilities, which include new health and safety protocols with enhanced cleaning and available staffing.

The following dates are tentative and may be changed with little to no notice:

- July 6 – Leduc Recreation Centre (LRC) fitness centre and Wilhawk Arena; most other sports fields
- July 13 – Alexandra Outdoor

Pool; LRC Robinson Arena

- July 20 – LRC Fieldhouses
- July 27 – LRC Aquatic Centre

Sobeys Arena and Alexandra Arena will reopen later in the summer and this fall, depending on facility bookings for those amenities.

It is important to note that these dates are tentative and may change based on a number of factors, including most importantly health and safety

protocols.

The City of Leduc continues to focus on the health and safety of its citizens, including employees, throughout the recovery stages. All decisions are made in consultation with Leduc City Council, along with provincial health and subject matter authorities.

For more information, visit [Leduc.ca/COVID-19](http://Leduc.ca/COVID-19) or call 780-980-7177.

## ADDITIONAL \$20 MILLION INVESTMENT IN THE NEW HORIZONS FOR SENIORS PROGRAM

Submitted by Gerald Soroka, MP for Yellowhead

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead, would like to inform constituents that the government has announced an additional investment

of \$20 million in the New Horizons for Seniors Program (NHSP) during the COVID-19 pandemic.

This funding will support organizations that offer community-based projects that reduce isolation, improve the quality of life of seniors, and help them

maintain a social support network during the pandemic.

The goal of this program is to invest in community-based projects as equitably and quickly as possible across the country to help seniors during the pandemic.

To meet these objectives, the government is working with organizations that applied to the NHSP's '2019 to 2020 Call For Proposals' to identify new projects eligible for funding.

More information is available at <https://bit.ly/GC-NHSP>

## SUDOKU

*of the week*

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

# CONSERVATIVES' PROPOSE 'BACK TO WORK BONUS' TO HELP WORKERS AND LOCAL BUSINESSES

**Submitted by Gerald Soroka, MP for Yellowhead**

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead, joined his Conservative colleagues in announcing a new proposal to improve the Canada Emergency Response Benefit (CERB) – called Back to Work Bonus. This plan would ensure that Canadians will no longer be put in a position where they will earn less money by working more.

"As our province moves forward with its reopening plan, I've heard from many of my constituents wondering how

the transition back to a more open local economy will affect them. I've listened to your concerns and expectations for the future, and I'm proud to say that Conservatives have put forward a proposal that will help you get ahead. We are focused on getting workers and businesses in this community and across the country back on their feet," MP Soroka stated.

Since the beginning of the pandemic, Conservatives have been putting forward constructive solutions to fix the design flaws in the Liberals' programs and help deliver better outcomes for Canadians. We are building on that

success with the new Back to Work Bonus. We know helping workers and local businesses will drive Canada's economic recovery.

Under our Conservative plan, Canadians who lost their jobs through no fault of their own during the pandemic will continue to receive their full \$2,000 CERB. In addition, as businesses reopen, workers who make between \$1,000 and \$5,000 per month would qualify for a CERB top-up that would be gradually phased out by 50 cents for every extra dollar earned over the \$1,000 threshold.

For a part-time server mak-

ing \$2,000 per month, the Back to Work Bonus would result in a top-up of \$1,500, for a total monthly income of \$3,500.

"Our plan is flexible and generous because Conservatives believe it should always pay to work," MP Soroka said. "After all this country has been through, Canadians should not be penalized for picking up a shift or gradually returning to their job as their employer reopens. We're going to keep working to get all Canadians the help they need."

"I hope the government will listen to Conservatives' and implement these much-needed changes."

## DRAYTON VALLEY RCMP WARN RESIDENTS OF PARTS SHOP CREDIT CARD SCAM

**Submitted by Drayton Valley RCMP**

Drayton Valley, Alta. – Between June 12-17, 2020, Drayton Valley RCMP have received a number of complaints of fraudulent credit

card purchases being made by active cards that have not been reported stolen.

Further investigation has shown that in these cases, the suspect, identified as a male, telephones the business and orders parts for vehicles. Most notably, the

parts are for Dodge trucks, Ford F150, F350 and Dodge Caravans. The suspect provides payment in the form of a credit card over the phone. The suspect then picks up the merchandise from the business.

After the transaction has

already taken place, the businesses and cardholders have become aware that their cards have been compromised.

Drayton Valley RCMP are recommending businesses take precautions to avoid fraudulent transactions:

- Request Photo ID
- Document the name and ID on the purchase order.

Drayton Valley RCMP continue to investigate these incidents. If you have any information in relation to this incident (or identifying those responsible), please contact The Drayton Valley RCMP at 780-542-4457 or your local police.

If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at [www.P3Tips.com](http://www.P3Tips.com) or by using the "P3 Tips" app available through the Apple App or Google Play Store."
