“WHAT MATTERS TO YOU”: RETURN TO SCHOOLS

Submitted by **Shane Getson, MLA Lac Ste. Anne-Parkland**

The suspension of in-person schooling in March has

been hard for many students and their families. Kindergarten to Grade 12 education changed significantly as a result of the COVID-19 pandemic, and I know that stu-

dents, parents, teachers and school boards did their best to adapt to a different way of learning.

YOU'RE INVITED TO THE LAUNCH OF THE ALBERTA BEACH MUSEUM HISTORY BOOK!

Submitted by **Alberta Beach Museum**

After almost two years of gathering stories and memories, organizing them, editing them and getting them in the correct order, the Alberta Beach Museum's 100th Anniversary book is ready!

Stories and Memories, 1920- 2020, Alberta Beach & Area will be launched at the Alberta Beach Museum on Saturday, August 22 at 1 p.m., and you're invited! The almost 200-page book costs just \$50, a true treasure for you and your family.

"This book has been a la-

bour of love," says Museum member Sylvia McGinley. "Getting the word out to the many people who contributed stories and memories was the easy part. Putting all those submissions together, and adding pictures and other information took a lot of work by a lot of people. We'll be excited to open those boxes of published books!"

President Leann Knysh agrees. "We wanted to celebrate our 100th birthday, and thought about publishing another book to bring the first one up to the present. As the idea grew, though, we decided that, instead, we wanted

to hear people's stories about living in the Alberta Beach area. We wanted their memories, good and bad, and how they made our community into what it is today."

The books will also be available for sale at the museum after August 22nd if you can't make it to the launch. You will find us at the Heritage Centre, 5000 - 47 Avenue, Alberta Beach. The museum is open from 1 p.m. to 6 p.m. every day except Tuesday.

“What Matters to You”: Return to Schools

Continued from Page 1

However, we all know that students who attend schools learn best in the classroom with their teachers and peers, and our goal is to get us back to normal learning as soon as possible. With back to school season approaching, many parents have been eagerly waiting to see what school will look like this upcoming year.

This week, Alberta’s government announced that students will be returning to classrooms across the province at the beginning of the new school year. This is great news for families in our community. The decision to re-open schools has been made with the safety of students, teachers, and other staff members being the highest priority. For

“What Matters to You”: Return to Schools

in-person learning to proceed, health measures are being put in place for their safety. Each school will implement public health measures, including frequent cleaning of surfaces, introducing hand sanitizers to school and classroom entrances, grouping students in cohorts, and adjusting schedules to allow for greater physical distancing. While school may feel a little different at first, these changes will allow a safe, near-normal return to class.

In addition to these measures, \$15 million of capital spending is being moved up to replace old water fountains with water bottle refill stations, install automatic doors, automatic flush toilets, and other touchless technology to help limit the spread. Throughout the COVID-19 pandemic, keeping Albertans informed on new measures has been a key part of Alberta's response. To help prepare families, Alberta's government has developed a re-entry toolkit to help prepare parents and students for what to expect in the new school year. This toolkit includes videos for students explaining some of the health measures, a guide for parents, frequently asked questions, school posters, a self-screening questionnaire in multiple languages, and links to health guidelines. The resources in the school re-entry toolkit will help families discuss changes with their children.

I know many school authorities are working to give parents as much choice as possible. Some divisions are working to allow for the choice to school from home with online/email assignment support. I thank those divisions that are working to provide as much choice as possible, and provide learning to those who may be immune compromised.

As Alberta's students, parents, and teachers prepare for back to school, the Minister of Education will continue to work closely with school boards, and Dr. Hinshaw the Chief Medical Officer of Health, to ensure that all schools are prepared to

welcome students back.

The re-opening of our schools, and our entire economy, is a result of the hard work of Albertans to slow the spread of COVID-19. We have worked hard in our area to look after each other and keep the spread of this virus down, and our local numbers are very low as a result. I thank you all for doing your part. As we move forward, and students return to school, we must continue to be mindful of guidelines and keep the numbers down. This will ensure a safer return for both stu-

dents and staff. Each of us has safely return to daily life, and the tools to ensure that we can make this successful.

BLUE-GREEN ALGAE (CYANOBACTERIA) BLOOM ADVISORY ISSUED FOR LAKE ISLE

Submitted by Alberta Health Services

LAC STE. ANNE COUNTY/PARKLAND COUNTY—A blue-green algae (cyanobacteria) bloom has been identified in areas of Lake Isle, which has shores in both the Edmonton Zone and North Zone of Alberta Health Services. Visitors to this lake, as well

as residents living near the shores, are advised to take the following precautions:

- Avoid all contact with blue-green algae (cyanobacteria) blooms. If contact occurs, wash with tap water as soon as possible.
- Do not swim or wade, or allow your pets to swim or wade in any areas where blue-green algae (cyanobac-

teria) is visible.

• Do not feed whole fish or fish trimmings from this lake to your pets.

• Consider limiting human consumption of whole fish and fish trimmings from this lake, as it is known that fish may store toxins in their liver. (People can safely consume fish fillets from this lake).

As always, visitors and res-

idents are reminded to never drink or cook with untreated water directly from any recreational body of water, including Lake Isle, at any time. Boiling of this water will not remove the toxins produced by blue-green algae. An alternate source of drinking water should also be provided for pets and livestock, while this advisory is active.

Blue-green algae is naturally occurring, and often becomes visible when weather conditions are calm. Appearing like scum, grass clippings, fuzz or globs on the surface of water, blue-green algae can be blue-green, greenish-brown, brown, and/or pinkish-red, and often smell musty or grassy.

People who come in contact with visible blue-green algae or who ingest water containing blue-green algae may experience skin irritation, rash, sore throat, sore red eyes, swollen lips, fever, nausea and vomiting and/or diarrhea. Symptoms usually appear within one to three hours and resolve in one to two days. Symptoms in children are often more pronounced; however, all humans are at risk of these symptoms.

Exposure to the blue-green algae may be fatal to pets.

Weather and wind conditions can cause algae blooms to move from one location in the lake to another. As such, this advisory will remain in effect for Lake Isle, until further notice.

Please note that areas of Lake Isle in which the blue-green algae bloom is NOT visible can still be used for recreational purposes, even while this blue-green algae Health Advisory is in place.

If you suspect a problem related to blue-green algae or if you require further information on health concerns and blue-green algae, please call Health Link at 811. Additional information is also available online, at www.ahs.ca/bga.

BACK TO SCHOOL

Below are tips to help your child start the school year well rested and back on their regular schedule.

1. Start early. Begin the transition to a regular sleep schedule a couple of weeks before school starts.
2. Shift times in small increments.
3. Be prepared for some resistance.
4. Limit the use of electronics before bedtime.
5. Use a different approach for adolescents.
6. Once the routine is established, don't backslide. Once your child or teen is in a good sleep routine, maintain this routine throughout the week.

ONOWAY LEGION NEWS

Submitted by Richard Moses

It's German Cuisine! On Friday, August 21, Liane and Joanne are preparing a German meal. It includes bratwurst & sauerkraut, German potato salad; creamy cucumber salad, cheesy beer bread, and Oma's apple bread pudding with rum sauce for dessert. Adults pay \$15, and take-out is available.

Don't miss this delicious meal, with musical entertainment by Ron Evans and friends

after dinner. Reservations are required because numbers must be limited. Please text or phone 780-340-0760, or leave a message on the Legion answering machine at 780-967-5361. Of course, the bar will be open too (also with table service only).

Pub Nights: We're open every Wednesday for pub nights, beginning at 6:30 PM. Social distancing rules will apply, with taped guides to help patrons safely move around. It's table service only, and no one

is allowed to approach the bar. There are packaged snacks available.

BBQ raffle: Ste. Anne Gas has donated a Napoleon Prestige BBQ for the legion to raffle off. This huge BBQ is 1,140 sq.in., with five stainless steel burners. It has five main burners, infrared side & rear burners, an integrated woodchip smoker tray, dual-level stainless steel sear plates, LED night lights, safety-glow control knobs, and an integrated ice/marinade bucket.

Tickets cost \$5/ticket or 3 for \$10, with the draw on Friday, October 23 at the Onoway Legion dinner. Thank you, Ste. Anne Gas, for the generous donation to help us raise funds for a new kitchen dishwasher.

Volunteers required!

Because of the heavy volunteer demands caused by the Covid restrictions, we need extra staff for both Wednesday and Friday evenings! If you're willing to help out for an evening, call Carol at 780-967-0607 or Neil at 587-785-3080.

WHITECOURT TOWN COUNCILLOR BILL MCAREE RECEIVES PROVINCIAL RECOGNITION FOR MUNICIPAL SERVICE

Submitted by Town of Whitecourt

The Town of Whitecourt is proud to announce that Councillor Bill McAree has received the 2020 Distinguished Service

Award from the Alberta Urban Municipalities Association (AUMA). The award recognizes local leaders who have demonstrated innovation and distinction in their respective municipalities.

"For me, the honour is not in the award; the honour is the people of Whitecourt trusting me over the years to always do what's best for our community, to be honest, to have integrity and to listen," stated Councillor

Bill McAree.

Councillor Bill McAree was first elected to Whitecourt Town Council in 1994. Over his years of service, Councillor McAree has been a strong advocate of developing social programs, enhancing quality of life, prioritizing community safety services, and building a progressive, inclusive community.

"I am so pleased to see Councillor McAree recognized for his dedication and commitment to local government," said Whitecourt Mayor Maryann Chichak. "His thoughtful, educated and compassionate perspective is valued on Council and throughout the community, and for this he is more than deserving of the Distinguished Service Award."

The award is typically presented to recipients at AUMA's annual conference; however, due to COVID-19 health restrictions, the 2020 conference will be held virtually. Whitecourt Town Council will be recognizing and honouring Councillor McAree at a future Council Meeting.

Safety First!

Children who walk or ride bicycles to school should also obey the rules of the road. Be sure you see the kids off every morning, and consider checking in with the school or calling kids' cell phones to confirm they arrived safely.

Welcome Back to School!

Let's Keep the Kids Safe this School Year with These Easy Tips

- Plan a walking route to school or the bus stop and walk with your child beforehand.
- Ask your children to walk home in pairs or with friends
- Teach your child never to talk to strangers.
- Make sure your child knows their phone number & address as well as how to call 911.

BACK-TO-SCHOOL LUNCH SAFETY

When making school lunches, wash your hands, cooking tools and food surfaces often with warm soapy water. Do not use meat, eggs, dairy products or mayo in lunches if food can't be kept cold. If possible, use freezer packs. Teach children to wash their hands before they eat their lunch.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
