OCTOBER UPDATE FROM WABAMUN SCHOOL

Submitted by Les Worthington, Principal Wabamun

It was great to see the smiling faces (even if they were covered with masks) return to school in September. The energy is electrifying, and although it may have taken a little time to get the rust off, the students were eager to get back to school routines. We're pleased to announce that Wabamun School's enrollment continues to grow and this year we have 115 students! Everyone is to be congratulated for this growth as it is a reflection of the efforts of students, school staff, parents and the community of Wabamun. Go Wild Go! Below are some highlights and things to look forward to:

AJA Louden - AJA Louden was out to complete the spray painting of the backboards for our new basketball court.

He also took the time to spray paint several student skateboards.

Basketball Court - A second basketball court has been poured and we are hopeful that the backboards will be installed this fall

School Improvements - Over the last several months there has been lots of work being done in the school, including: installation of a second water bottle filling station, a new phone system throughout the school, all new lighting throughout the school, renovations to Mr. Pon's room, painting in Mrs. Stankov's and Mr. Johnson's room, the front entrance ramp was redone, a display cabinet was installed outside the liberty, and so much more! I can't wait to tour you through the building in the future.

Parent/Student/Teacher Conferences - Conferences will

be online and can be booked through Breeze. Conferences will take place on Wednesday, October 28th & Thursday, November 5th from 4:00-7:00.

Wabamun Wild Apparel - An order form for Wabamun Wild apparel will be coming home next week. In addition to hoodies, you can also order t-shirts, sweat pants, hats and toques!

Special Announcement: To promote school spirit, Wabamun School Fundraising Association will be purchasing a Wabamun Wild toque for every student!!!

RCMP Urges Citizens To Safe'gourd' Their Cabins

Continued from Page 1

The highest months for reported break and enters were November, October, and December. Break and enters can also occur during the off-season but end up being reported in the spring. In an effort to curb break-ins during the winter months, Alberta RCMP is providing these tips:

- It's not just pumpkins that should be hollow this time of year, remember to take home all valuables.
- Don't 'fall' into old habits. If you can't take all valuables home, be sure to lock them in a shed or garage.
- Help 'squash' crime by locking all doors and windows.
- Safe'gourd' your cabin by periodically checking on your property.
- 'Leaf' robbers 'stumped'

by installing alarms and surveillance cameras.

- Make a criminal 'beleaf' you're there by installing timers on lights.
- Keep autumn-mobiles and toys safe by locking them in a secure building or take them home.

Alberta RCMP will be using #SeasonalSafety for the duration of October. For more crime prevention and safety tips, follow @RCM-PAAlberta (Twitter) and @RCMPinAlberta (Facebook).

If you see something suspicious, report it to your local police service. If you see a crime in progress, call 911. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app available through the Apple App or Google Play Store.

GYPSD GOOD NEWS STORIES

VTRA COMMUNITY INFORMATION NIGHT

On September 29, 2020, GYPSD hosted a virtual community information night on the The West Yellowhead Community Violent Threat Risk Assessment and Intervention Protocol (VTRA).

VTRA partners were on hand to answer questions

and share information on the VTRA process with community members who joined in the virtual meeting. Partners are engaged and responsive with a shared responsibility to actively take steps to prevent traumatic events in schools and the community.

GYPSD is a partner on the West Yellowhead Community Violent Threat Risk Assessment and Intervention Protocol and uses this assessment tool in situations of threatening and violent behaviours.

Together with partners from the Royal Canadian

Mounted Police, Children Services, and Alberta Health Service Mental Health and Addictions, Grande Yellowhead staff have undertaken training to equip schools to recognize these signs, assess them, and put in place interventions to support and reduce the level of risk.

ORANGE SHIRT DAY 2020

Orange Shirt Day is a movement that officially began in 2013 to address

an incident that occurred in 1973 when six-year old Phyllis Webstad entered the St. Joseph Mission Residential School, outside of Williams Lake, B.C. Phyllis was wearing a brand new orange shirt for her first day of school but the missionaries made her take it off and replaced it with the school's institutional uniform.

The goal of Orange Shirt Day recognized on September 30th, is to create awareness of the individual, family, and community inter-generational impacts of Residential schools through Orange Shirt Day activities, and to promote the concept that "Every Child Matters".

GYPSD staff and students wore orange and participated in various events and activities in support of reconciliation.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
