## ARMED ROBBERY

Submitted by Parkland RCMP

Spruce Grove, Alta. - On Nov. 2, 2020 at 9:26 a.m. Parkland RCMP responded to an armed robbery involving a firearm in the area of Prescott Boulevard. As

police arrived on scene, two suspect vehicles fled the area. Two victims were located with injuries resulting from an assault.

One of the suspect vehicles was later located by police in the Leduc area with the assistance of the

RCMP helicopter. Two suspects, one male and one female were arrested without incident. The other suspect vehicle was located in the area of the River Cree but the suspect(s) were not inside. The investigation is ongoing.

# THERE IS STILL TIME TO CONTRIBUTE TO TIPPLE PARK MUSEUM'S NEXT EXHIBIT!

**Submitted by Tipple Park Museum**

Our upcoming exhibit at the museum is all about heritage, culture, and traditions. We are looking for

more items from community members to put on display. If you have photos, recipes, documents, family trees, letters, stories...anything that shows off your family's heritage or special

traditions we would love to hear from you! We hope to put these paper-based items in a collage that shows off all of the separate bits that go into making our community what

it is. If you have any questions about the exhibit, or have something you would like to display please contact us at: 780-727-2240 or tippleparkmuseum@gmail.com.

## RCMP Charge A Male With Sexual Exploitation

*Continued from Page 1*

The accused followed and attempted to engage two young males, ages eleven and twelve, while at the Tri-Leisure Centre swimming pool. The accused touched one of the young males inappropriately. Staff at the Tri-Leisure Centre did not witness the actual event, but suspected inappropriate behavior, immediately intervened and prevented further abuse.

As a result of the investigation, Leonard Frostad (58) of Spruce Grove, Alta. is charged with the following offences:

- Sexual Exploitation
- Sexual Assault

Following a Judicial Hearing, Leonard Frostad was released from custody with numerous conditions, including not to have any contact or communication with a child under 16-years-old and not to attend any public areas where youth

could be present. His first appearance is Nov. 25, 2020 at Stony Plain Provincial Court.

Parkland RCMP are seeking information on any other potential victims.

If anyone has information regarding this incident or any other crime please contact the Parkland RCMP Detachment at 825-220-7267 or their local police. If you wish to remain anonymous, you can contact Crime Stoppers at 1-800-222-

8477 (TIPS), online at [www.P3Tips.com](http://www.P3Tips.com) or by using the "P3 Tips" app available through the Apple App or Google Play.

### JOKE of the week

A man takes his sick Chihuahua to the veterinarian. They're immediately taken back to a room. Soon, a Labrador walks in, sniffs the Chihuahua for 10 minutes and leaves. Then a cat comes in, stares at the Chihuahua for 10 minutes and leaves. Finally, the doctor comes in, prescribes some medicine and hands the man a \$250 bill. "This must be a mistake," the man says. "I've been here only 20 minutes!"

"No mistake," the doctor says. "It's \$100 for the lab test, \$100 for the cat scan and \$50 for the medicine."

# HONOURING OUR VETERANS IN 2020

**Submitted by Royal Canadian Legion Wildwood BR149**

Remembrance Day Celebration 2020 was very different this year. Normally we hold our service of Remembrance in the Wildwood Community Hall with almost a full house. Approximately 50 people came out

to honour our Veterans on a cool sunny morning. Thank You to everyone.

However you celebrated Remembrance Day this year, we hope you all took a moment to reflect and remember the ultimate sacrifice paid by our Veterans. Many Veterans returned home broken in body and spirit. We have the free-

doms and rights that we enjoy today because of their sacrifices! WE WILL REMEMBER THEM!

President Charlotte Winters opened the service with a brief welcome speech. The service that followed was very short, but meaningful. Chaplin Tom Myrholm led with the singing of O Canada. The Honour Roll of the

dead was read, followed by two minutes of silence. The service included the recognition of Veterans, by Michael Johnston, the Act of Remembrance, by Christine Dungey and a reading of the poem "In Flanders Fields." by Past President Lori Rehn.

The list of wreaths purchased, and donations made, were acknowledged. The service closed with the singing of God Save the Queen, led by Chaplin Tom Myrholm.

Legion Executive members had pre-laid wreaths and community members were invited to lay their wreaths at the conclusion of the service.

We paid tribute and honoured our Veterans in spite of the Pandemic. We sincerely hope that Remembrance Day 2021 will be not like this year!

## NOW MORE THAN EVER, WE ALL NEED TO GET IMMUNIZED AGAINST INFLUENZA

### WE ARE ALL IN THIS TOGETHER.

AHS is offering influenza immunization to those under five years of age and their immediate families or household members only. There will be no drop-in immunizations at AHS locations.

If you meet the criteria above, you can visit [ahs.ca/flu](https://www.ahs.ca/flu) to book an appointment.

Albertans not in this age group are asked to call a pharmacy or doctor's office to arrange a flu shot.

# BLUE-GREEN ALGAE (CYANOBACTERIA) BLOOM ADVISORY LIFTED

**Submitted by Alberta Health Services**

Recent weather has cooled lake and reservoir water temperatures to such an extent that blue-green algae is no longer a health concern, including in 24 bodies of water in North Zone, all of which had previously been placed under blue-green algae (cyanobacteria) bloom advisories.

Effective immediately, Alberta Health Services has lifted the blue-green algae (cyanobacteria) bloom advisories for:

- Baptiste Lake
- Bear Lake
- Calling Lake
- Chatwin Lake
- Chickakoo Lake
- Floatingstone Lake
- Fork Lake
- Garner Lake
- Goose Lake
- Hawrelak Park Lake
- Iosegun Lake

- Matchayaw (Devil's) Lake

- Mink Lake
- Moose Lake
- Pigeon Lake
- Steele Lake
- Stoney Lake
- Sturgeon Lake
- Vincent Lake
- Wabamun Lake
- Winagami Lake

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any lake or reservoir, at any time.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

# NOVEMBER IS FAMILY VIOLENCE PREVENTION MONTH

**Submitted by Yellowhead Emergency Shelter**

When thinking about Intimate Partner Violence, the picture of seniors rarely comes to mind.

Abuse can happen at any age. If you suspect a loved one is being abused, report the abuse and call 911 if they are in immediate danger. Covid-19 has also caused many seniors to be isolated, which could lead to an increase of abuse in the

home. The most likely victims are women, people with cognitive impairments and people without relatives nearby to assist them. Elder abuse may occur when there is an imbalance of power and control. Types of elder abuse can include physical abuse, sexual abuse, emotional abuse, financial abuse, neglect and self neglect.

It is important that family and friends pay attention to warning signs as not all seniors

are able to communicate what is happening to them. Some signs that you may notice are unexplained bruising, broken bones, changes in financial situation, depression, withdrawal from previous activities, poor hygiene and weight loss.

Seniors are just as likely to experience domestic violence from their intimate partners as anyone else. Some reasons that keep seniors quiet are that they grew up and lived in a time when domestic vio-

lence was silenced and often accepted. Some seniors may have lived so many years in a controlling abusive relationship that they see it as normal behaviour. Seniors may also be financially dependent on their partner. Fear of being alone later in life may scare them into silence. Some seniors may feel that they do not have the supports so that they can confide about the situation. There can also be a fear of losing their independence if they report the abuse to someone, however, the seniors wishes will always be the first thing considered when a situation of elder abuse is reported.

Seniors can fall victim to financial abuse by people that they feel love them or by those they have recently met or those have never met. Seniors are often targeted through their telephone or online and their information taken and used by people who do not have the senior's best interests in mind. This could be done by strangers posing a scheme or by a family member they trust. Financial institutions are often the first to notice some form of financial abuse happening.

Some warning signs of an abuser can be jealousy, possessiveness, a bad temper, cruelty to animals, verbal abuse, extremely controlling behavior and strong beliefs about roles of men and women in relationships.

Any mistreatment can leave an elderly person fearful and depressed. Often the victim feels this is their fault and are ashamed to report it to the police. If you see signs and have concern, try talking with the older adult to get them to tell you what is happening in their life.

Yellowhead Emergency Shelter for Women is available 24 hours/day, 365 days/year to answer questions, to help with safety planning and offer support as needed. Please call the shelter at 780-865-5133 or 1-800-661-0937.

# Auto TUNE-UP

## THE MANY BENEFITS OF AUTOMOTIVE ROOF RACKS

Today's auto manufacturers understand that maximized cargo space is a feature many buyers want in their new vehicles.

But even the most spacious car or SUV may not always provide the right amount of space drivers need to haul

large items. In such instances, roof racks are an asset, especially to avid travelers or outdoor enthusiasts.

Roof racks benefit travelers and everyday motorists in numerous ways. Racks make it easy to transport cargo that does not fit the shape or size of a car trunk or cargo area of an SUV. Also, roof racks enable drivers to free up interior space and keep sight lines open, contributing to driver safety.

By boosting a vehicle's storage space, roof racks essentially transform the top of a car or truck into a second trunk. Moving items up and outside of the car can free up additional legroom and give passengers

greater comfort on longer trips. Plus, roof racks provide a sturdy surface on which to store kayaks, mountain bikes, furniture, surfboards, and more - without damaging the paint and finish of the vehicle.

Roof racks are sold in a variety of styles and applications. Roof boxes and bags also can be purchased, if you have items that need to be protected from the elements. Many auto manufacturers offer roof racks as an option on new vehicles, or they can be installed after-market by a qualified professional.

When purchasing roof racks, drivers should consider their needs and the size of the items they're most likely to store.

# Auto TUNE-UP

## PROTECT YOUR VEHICLE FROM SNOW, ICE AND DAMAGE FROM THE COLD

Winter can be an unforgiving season. Freezing temperatures coupled with snow and ice can take its toll on people who live in climates where cold weather is a fact of winter life.

While winter can test people's patience, it also can be harsh on cars and trucks. Understanding what components of a vehicle can be compromised by dropping temperatures and snowy roads can help drivers take action to safeguard their automotive investments.

While the Canadian Automobile Association notes that winter can wreak havoc on just about every part of a vehicle, there are some parts that seem to bear the brunt of Old Man Winter's abuse. Properly servicing and caring for a car or truck can help.

Drivers should take their

vehicles for a tuneup and inspection before wintry weather arrives. A mechanic will examine the car battery and check antifreeze levels and make sure that the thermostat, defroster, brakes, and even wiper blades are working effectively. Have the tires inspected for adequate tread, which can make navigating roads safer. If the treads are worn, replace the tires.

In addition to visiting their mechanics, drivers can perform some inspections and fixes themselves.

Check that all of the vehicle's lights are operational so your car can be easily seen during inclement weather. Exchange your existing windshield washer fluid with one that will not freeze in cold conditions. Check the nozzles on the windshield-washer system routinely and clear out

any blockages of ice or debris. While addressing windshield washer fluid, also replace worn out windshield wiper blades with ones that can withstand snow and icy weather.

A new coating of wax can serve as a shield against road salt, snow, sleet, and rain. Try a polymer wax to protect the paint. Whenever possible, rinse off salt and grime so it does not dry on the car and gradually wear away at the paint. Some drivers mistakenly believe that salt stops being a problem once it dries simply because moisture is the active ingredient for a corrosive reaction. But humidity in the air is enough to keep the salt eating away at the car's paint, and that can contribute to rust. Be sure to rinse off the undercarriage of the vehicle as well.

Have your tires'

alignment checked toward the end of winter or early spring. A season of traveling over pothole-ridden roads or hitting curbs buried under snow drifts can affect the alignment. Get everything back on track. Similarly, inspect tires routinely, as weather changes can affect tire pressure and strength.

Use a soft snow brush or a foam brush to clear snow off of the car. Avoid hard plastic scrapers you might use on your windshield, as they can scratch painted surfaces.

Try to park the vehicle in a garage or under a car port, each of which can protect cars and trucks from the often harsh elements of winter.

Vehicles can be affected by the cold weather. Keep them running efficiently to prevent damage this winter.

# FATAL RESIDENTIAL STRUCTURE FIRE IN PARKLAND COUNTY

**Submitted by Parkland RCMP**

Parkland County, Alta. – On Nov. 15, 2020, at 6 p.m., Parkland RCMP received a complaint of a residential structure fire in Acheson, Alta.

Parkland RCMP attended the scene along with Parkland County Fire Services, Spruce Grove Fire Services and Emergency Medical Services (EMS).

Parkland County Fire Services and Spruce Grove Fire Services continued to manage the fire until it was

completely extinguished. A search of the residence and nearby property was conducted while the fire was active and one of the occupants of the home, a 3-year-old male child, was located and EMS provided first aid on scene; however, the child died on scene. All

of the other occupants of the home were accounted for and were not injured.

Parkland RCMP continue to investigate this incident and are currently holding the scene for fire investigators to attend.

No further information is available at this time.

## GYPSD GOOD NEWS STORY: 2020 NEW TEACHER MENTORSHIP PROGRAM

**Submitted by Grande Yellowhead Public School Division**

Teaching and Leadership Excellence is a Board Priority. Coaching and strategic mentorship opportunities for new teachers are crucial to building essential foundations for teaching excellence, student achievement, and career satisfaction.

Retention of teachers within the teaching profession and the rural setting of GYPSD is dependent upon a variety of supports through consistent and planned mentorship opportunities.

GYPSD's Mentorship framework has been in practice since the 2016/2017 school year, designed to support, encourage collaboration, advise, and coach new teachers.

New Teacher Mentorship 2020-21

On August 27 and 28, 2020 GYPSD hosted a two-day virtual orientation event that included seven first-year teachers as participants.

Supports planned for this year's cohort of new teachers include:

- School designated site-specific mentors;
- Collaboration time

with school designated mentors for coaching purposes;

- Two additional professional development (PD) opportunities designed with new teachers in mind including collaboration with second-year teachers during PD days;

- Connection and Reflection with the Director of Curriculum and Assessment as a system mentor.

## GYPSD GOOD NEWS STORY: OFF-CAMPUS PROGRAMS INSPIRE FUTURES

**Submitted by Grande Yellowhead Public School Division**

Many high school students from across GYPSD are involved in Off-Campus Programs that help them explore and expand their career interests, skills, and knowledge.

Student can access Work Experience, Career Internship, Green Certificate and

the Registered Apprenticeship Program. These experiential learning programs enable students to earn high school credits and get career-specific training and certification to support a smooth transition from school to work and/or postsecondary institutions.

For example, the Registered Apprenticeship Program (RAP) is offered to students, age 15 and up,

who are interested in splitting their time between school and the industry as paid registered apprentices in one of Alberta's 50 designated trades.

High school students can earn up to 40 credits towards their high school diploma while accumulating hours towards their first year apprenticeship in one of Alberta's designated trades.

Thanks to a partnership with local business Wighty's Tire and Mechanical in Evansburg, Grand Trunk High School student Daniel recently completed 1,000 first-year apprenticeship hours in Automotive Technician and 40 high school credits under the RAP program - it's never too early to start thinking about your future!

# SUDOKU

*of the week*

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
