### MASS GRAVE IN KAMLOOPS BC CONTAINING REMAINS OF 215 SCHOOL CHILDREN

Submitted by Gerald Soroka, MP for Yellowhead

Just days ago, the discovery of a mass grave in Kamloops, British Columbia, containing the remains of 215 school children, was a heartbreaking remind-

er of the pain indigenous children, their families and their communities were subjected to through residential schools. This is a dark reminder of the horrendous reality that was faced by many Indigenous Canadians. My thoughts

and prayers are with all indigenous families as they mourn. It is our burden to carry, and we must start to ease the heavy load that has been carried by indigenous people for far too long.

# AHS GRANTED INJUNCTION AGAINST RODEO ORGANIZERS

Submitted by Alberta Health Services

June 4, 2021  
EDMONTON - Alberta Health Services (AHS) was this morning granted an injunction in the Court of Queen's Bench against the organizers of a rodeo planned for June 5 and 6, near Bowden.

The injunction prevents the organizers from holding any future events which do not comply with all Chief Medical Officer of Health Order (CMOH) requirements, including masking, attendance limits, and physical distancing, as well as complying with any requirements that may exist for sporting competitions or spectator events.

The injunction applies to the organizers, as well as any attendees present at any events put on by the or-

ganizers.

The injunction includes police enforcement and imposes significant consequences on the organizers or attendees of this event and deters others from organizing similar events in the future.

AHS has taken this step due to the ongoing risk to Albertans created by those breaching COVID-19 public health restrictions and advertising social gatherings which, if held, breach current and active CMOH Orders and pose a risk to public health.

Previous enforcement efforts against the organizers, as well as attempts to proactively work with them to not proceed with the event have been exhausted by AHS and law enforcement partners.

This injunction follows a pre-emptive injunction

granted on May 6, 2021 against anyone who is organizing, promoting and/or attending an illegal public gathering that does not comply with COVID-19 public health orders.

AHS strongly condemns the intentional disobeying of COVID-19 public health restrictions.

It is extremely disappointing that people would knowingly put their fellow Albertans at risk by ignoring the current rules.

AHS Environmental Public Health continues to enforce the restrictions, in partnership with enforcement partners including but not limited to municipalities authorities, police, and RCMP.

AHS strongly encourages Albertans to continue to follow all CMOH restrictions.

# Mass Grave in Kamloops BC Containing Remains of 215 School Children

*Continued from Page 1*

While communities and families grapple with this unthinkable revelation, it is time for all of us to come together and aid in the healing process.

For many indigenous people, although the discovery opened tremendously deep wounds, it was not a surprise. According to the Truth and Reconciliation Commission, at least 3,200

children died while attending residential schools. We owe it to each and every one of them to redouble our efforts toward reconciliation and healing. In the face of this tragedy, words are not enough, and concrete action is needed.

Canada's Conservatives have called on the Prime Minister to immediately implement the TRC's recommendations #71-76, which deal with missing children. We have also called

for the following additional measures to be taken:

\*Funding the investigation at all former residential schools in Canada where unmarked graves may exist, including the site where 215 children have already been discovered.

\*Ensuring that proper resources are allocated for communities to reinter, commemorate, and honour any individuals discovered through the investigation, according to

the wishes of their next of kin; and

\*Developing a detailed and thorough set of resources to educate Canadians of all ages on the tragic history of residential schools in Canada.

My sincere condolences to all of those who had to endure these residential schools. It is time to act NOW for the sake of all the children we lost. Words are not enough. Action must be taken.

• How much time would it take to implement a national three-digit number?

• Should a three-digit number be deployed across Canada at the same time or phased in?

• Should the caller's location information be captured automatically when dialing the

• Should Canadians be able to send text messages directly to the three-digit number?

Deadline for comments is September 1, 2021 and can be sent by:

• filling out the online form at: Intervention Comment Form ([crtc.gc.ca](http://crtc.gc.ca)) or

• writing to the Secretary

General, CRTC, Ottawa, Ontario K1A 0N2; or

"In my January mailout I asked a similar question: Are my Conservative colleagues and I on the right track in advocating for a National Suicide Prevention Hotline? The majority of the responses I re-

ceived was 'Yes'. I am encouraging you to let the CRTC know as well," concluded MP Soroka.

# APRIL/MAY CHERHILL 4-H CLUB REPORT

Submitted by Madison Bouius

Though covid is still affecting our club very much, cases are starting to go down and we are able to do many more in-person activities, though many things are also still online and on zoom meetings.

We had our first activity of the month, that was for our monthly meeting on the 9th. We discussed all the new covid restrictions and rules, along with the activities planned for the next month and the months ahead. Our sheep members had two different things planned for the month, the first was a zoom meeting, and the second was on the 30th, it was a book workshop. Our quilting members were finishing up a bag that they were making. Our photography members had a photoshoot with easter props to celebrate the holiday. The members in foods made lasagna that would make a nice, big dinner, and some snacks for sitting around a campfire and having fun. Our members that

are in vet science had a c-section video to watch, learning things like how it happens and how to properly do it. Nothing has happened for our members in trapping. The members that are in small engines had a workshop on the 18th. For our feathered friends member, they had recently gotten new chicks.

On the 24th we had our public speaking event, it was at the Cherhill Community Hall, and for this we had each family come in at different times, all wearing masks until the moment they needed to speak. The only other people that were there besides the people speaking were judges, A chairperson, and our club leader. The placings for junior speeches was Katrein Bakos for 1st place, 2nd place was Madison Bouius, 3rd was Emma Lovich, 4th was Benjamin Russell. For our intermediate speeches Haily Russell got 1st, Peyton Lovich for 2nd, and in 3rd place we had Ethan Hickie. For our senior speeches, in first place we have Grace Churchill,

in 2nd we have Jullianna Russell, and in 3rd place we have Leah Churchill. For our junior presentations we had Annabelle and Isabelle Haresnape in 1st, in 2nd we had Darius Hickie, and in 3rd we had Jessica Hickie. For our intermediate presentation we have Beau Churchill in 1st place, 2nd is Timothy Hickie, and 3rd is John Vanderwell.

Some of our club members signed up for virtual regional judging [this is not mandatory for members]. On the 10th a few of the members of our club went to the NorthWest regional virtual fair [this is also not mandatory]. Many of our club members got new club shirts ordered in for the 3 achievement days. For community service this year we had different families come to the Cherhill Community Hall on either the 12th or 13th from 5-8pm, or on the 17th. We cleaned out the kitchen, hall, bathrooms, and basically everywhere else in the hall that you can think of. We scrubbed walls, we washed chairs, we did windows. Dust

was everywhere. It was worth it,50The Reno's looked very nice.

This month was way busier than other months, but in a good way, that meant that things are starting to slowly get back to normal. All of our members had fun this month, and can't wait for what's gonna come in the next months ahead.

On May 29 the Sheep members held their achievement day. Results coming out after the other 2 achievement days.

On June 6-7 bidding opens for our online beef and sheep sale for the Lac Ste.Anne 4-H District members. There is 43 steers and 9 lambs for sale. Go to teamauctions.com and register to bid.

Our Lifeskills members will be holding a drive through trunk show in the parking lot at Cherhill on June 12 from 1-3pm. Come for a drive and take in some interesting displays.

We won't let Covid-19 get us down.

We Learn to Do by Doing.

# LAC STE. ANNE COUNTY WEIGHS SUSTAINABILITY OPTIONS FOR TOWN OF MAYERTHORPE

*County Council decries proposed 'Mayerthorpe Surcharge' and explores alternatives to biased arbitration process.*

**Submitted by Lac Ste. Anne County**

Sangudo, Alberta, Monday, June 7, 2021 – Lac Ste. Anne County has completed an initial review of the financial position of the Town of Mayerthorpe to determine a course of action in the wake of stalled Intermunicipal Collaboration Framework (ICF) negotiations with the Town.

The financial review consists of a high-level assessment of publicly-available data, and looks at indicators like expenditure practices and overall financial sustainability compared to benchmarked municipalities with reasonably comparable populations.

Consistent with the measures taken by the County in its own planning and budgeting approach, County Council intends to explore similar opportunities for operational efficiencies, programming changes and ownership models to support sustainable governance of the Town of Mayerthorpe.

Following two years of good faith negotiations, ICF talks ultimately broke down due to the Town of Mayerthorpe's precondition of additional financial support from County ratepayers (the Town was the only municipality that attached a financial stipulation to its ICF negotiations). As mandated by the Municipal Government Act, the County has successfully completed ICF agreements with every adjacent municipality, with the sole exception of the Town of Mayerthorpe.

Lac Ste. Anne County Council cautions that the Town's demand for a steep and incrementally climbing increase in recreation funding would place an unreasonable financial burden on the County and its citizens. During a period of unprecedented and unrelenting financial strain, the County

simply cannot support an increase of taxes on ratepayers in order to compensate for the unaddressed financial management issues of another municipality.

"The longer the County continues to prop the Town of Mayerthorpe up, the longer these inefficiencies will continue to occur," stated Lac Ste. Anne County Reeve Joe Blakeman.

"We are weighing our options on this matter, because everything the Town has put forward to date amounts to a 'Mayerthorpe Surcharge' that would hurt all ratepayers of this region – on an ongoing and incrementally rising basis. I strongly encourage everyone who pays taxes in Mayerthorpe as well as Lac Ste. Anne County to sit up and take notice of what is happening here. Visit [mayerthorpesurcharge.ca](http://mayerthorpesurcharge.ca) and look at the numbers yourselves, because any shortfalls will be coming from your pockets if the Town gets its way."

It is the County's position that the Town of Mayerthorpe's rate of escalation in recreation spending is unsustainable. Overall recreation spending was 2.75 times greater in 2019 than 2014. Over that six-year period, total inflation was 8.53%, and the Town of Mayerthorpe's population has consistently declined.

Spending Raises Questions About Town's Sustainability

While recreation spending was the catalyst for the failed ICF negotiations, the County's review of the Town of Mayerthorpe's financial reporting related to recreation led to further scrutiny of all operating expenses and revenues – and subsequently the financial position of the Town.

In addition to unreasonably high expenditures on recreation, the financial review indicates a financial position that

is adversely impacted by unreasonably high expenditures on salaries, wages, and benefits relative to benchmarked municipalities with comparable populations.

"It is evident that Mayerthorpe is out of both money and ideas," continued Reeve Blakeman. "First they sought to balance their books by digging into our coffers. Then they tried (and nearly succeeded) to increase their own ratepayers' taxes by a whopping 15%. Now they seek to drag us through an arbitration process that is all but certain to shake the County down to some degree. These are not the actions of a fiscally sound, sustainable local government."

County Questions Spirit of Arbitration; Explores Alternatives

In a February 26, 2021 media release, Town of Mayerthorpe Mayor Janet Jabush stated that the Town and County have no other options except a costly arbitration process. It should be noted that the cost burden to which Mayor Jabush refers to would be almost entirely borne by Lac Ste. Anne County ratepayers.\*

While arbitration may be a desirable and relatively risk-free option for the Town of Mayerthorpe, Lac Ste. Anne County Council is in the process of exploring other alternatives to this costly and structurally biased approach; up to and including amalgamation of the Town.

"By triggering binding arbitration, Mayerthorpe knows they will get to have their cake and eat it too," continued Reeve Blakeman. "Sadly, the system is designed to support such behaviour. Of course Mayerthorpe favours the arbitration process, because they know it means they are all but guaranteed to receive some sort of favourable judgment. Municipal Affairs also supports arbi-

tration because it allows them to check a box and file this matter away. But let's be clear: neither of these parties care whether the average Lac Ste. Anne County ratepayer gets the short end of the stick."

Despite the Town of Mayerthorpe's apparent eagerness to embark upon what Town Mayor Jabush described as an 'expensive arbitration process,' it is incumbent upon Town administrators to explain what they seek to arbitrate to begin with. Further, any meaningful arbitration proceedings would need to be conducted by an individual who is both qualified to arbitrate such a matter, and who is free from conflict and bias.

Reeve Blakeman posited: "You tell us what the issue is, and we'll tell you if we think that's what the issue is. And then we can discuss who to choose to arbitrate the matter – on the County's dime. Regarding payment of the considerable legal and administrative fees that come with arbitration, perhaps we could earmark some of the \$200,000.00 we give the Town each year."

In the absence of a substantive description of the Town of Mayerthorpe's arbitration position, Lac Ste. Anne County Council will continue to explore opportunities for operational efficiencies, programming changes, and ownership models that will support sustainable operations and programming for Mayerthorpe residents.

For more details on this evolving matter, please visit [LSAC.ca/icf](http://LSAC.ca/icf).

\* If the Town of Mayerthorpe forces Lac Ste. Anne County into binding arbitration, County ratepayers will be legally responsible for covering 95.09% of all related arbitration costs – in addition to payment of any judgment awarded to the Town.

# THE MAVERICK PARTY: HOW THE WEST CAN BE ONE!

**Submitted by Amber Gosselin**

The Maverick Party will be running a candidate in the Sturgeon River-Parkland riding in the next federal election. Just as the West was won by adventurers, the party is looking for innovative risk-takers who are willing to stand up for Western Canadians in Ottawa. Former MP Jay Hill is leading the charge, running candidates only in the four Western provinces (Alberta, Saskatchewan, British Columbia and Manitoba). The party is taking a hard stance: Western Canada will no longer appease the wants and needs of Ontario and Quebec. The system is broken and the Maverick Party is determined to get Western Canada a fair deal.

When asked about why we need a "Maverick" in Sturgeon River-Parkland, Ed Toupin, President of the Maverick Party's Electoral District Association, doesn't hold back: "Our constituency has been hit hard by job losses in the energy sector, caused by Justin Trudeau and his anti-Alberta policies, and area families are suffering. Through equalization payments and other forms of taxation, there is a significant wealth transfer from West to East. And unfortunately, the deck is stacked against us with unequal representation in the House of Commons, the Senate and the Canadian Supreme Court."

Toupin also indicates Trudeau is killing the economic advantage of the West: "Capital investment in Western Canada has dried up and there is a significant "brain drain" leaving the West. We've had enough!"

The Maverick Party's twin-track approach includes gunning for constitutional amendments to level the playing field for Western Canada within confederation. The "Save Canada"

approach includes seeking constitutional amendments to market access, provincial rights, property rights, provincial self-governance, and fair representation. In the absence of securing these amendments, the Maverick Party will work to lay the foundation for an independent Western Nation.

Due to Ottawa's draconian policies targeting the West, the Maverick Party advocates scrapping the existing Equalization Formula and repealing Bill C-48 (North Pacific tanker ban), Bill C-69 (No-new pipelines), and the carbon tax. The Maverick Party also supports cancelling the Liberal gun grab and defunding the CBC. For more information on the Maverick Party's platform please visit [maverickparty.ca/policy-platform](http://maverickparty.ca/policy-platform).

When asked why Sturgeon

River-Parkland constituents should vote for the Maverick Party, and not the Conservative Party of Canada (CPC), Toupin has this to say: "Even with (Erin) O'Toole's carbon tax flip flop and now his support for Quebec unilaterally changing the constitution, the Western Canadian CPC MPs are unwilling or unable to go against party lines. The Maverick Party is the answer for fair and accountable representation for the West in Ottawa and - if staying is unattainable - we will walk away from confederation and build a better future for our children and grandchildren."

Toupin optimistically notes that the West already has what it takes to get 'er done: "I have great faith in the work ethic and can-do attitude of Western Canadians. Their unwavering determi-

nation will always drive the Maverick spirit here in the West."

The Sturgeon River-Parkland riding includes the City of Spruce Grove, towns of Stony Plain, Spring Lake, Onoway, Morinville, Legal, Bon Accord, Gibbons and Redwater, portions of Parkland, Sturgeon and Lac Ste Anne counties, and the Alexander and Enoch First Nations. The riding is located on Treaty 6 Territory and Zone 4 of the Alberta Metis Territory. # SUDOKU

## of the week

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
