**Submitted by Gerald Soroka, MP for Yellowhead**

Gerald Soroka, Member of Parliament for Yellowhead, wishes to advise applications for the 2021 Indigenous Intellectual Property Program grant is now open. This will provide greater opportunities for Indigenous peoples, including community organizations and Indigenous businesses, to build their intellectual property (IP) awareness and capacity, encourage use and participate in the development and implementation of related policies and programs in Canada and abroad.

The three funding streams for IIPP grants are:

1) Travel Stream  
Grants for Indigenous organizations for travel to events, meetings, discussions and negotiations in Canada and abroad related to IP and IK and ICEs, up to \$5000 per person per organization for a single trip or up to \$15,000 per organization for multiple trips and/or multiple travelers in a funded year. Grants under this stream can fund required preparation work, travel costs, and registration fees.

3) Project Stream

Grants for IP-related projects that are more complex or comprehensive than Small-Scale Initiatives, requiring more resources and a longer

duration and can include a combination of activities, up to \$50,000. These grants can fund multiple activities needed to carry out a project, including, but not limited to, related travel, research, development of resource material, event planning, business planning, etc.

Applications must be received by September 8, 2021 by 11:59pm.

*Continued from Page 1*

Whitecourt RCMP would like to caution anyone that online buy and sell accounts may be used to resell stolen goods such as these and caution should be exercised—especially in regards to the safe handling of food products and the sale of highly perishable items such as meat.

Meat that is sold for human consumption is regulated by Federal and Provincial agencies and any legitimate business would be able to provide records supporting compliance with regulations in Canada.

The Whitecourt RCMP are asking anyone who may have information regarding this incident or who may be responsible, to contact the Whitecourt RCMP at 780-779-5900, or your local police.

# HAPPY CANADA DAY FROM THE ALBERTA BEACH MUSEUM

**Submitted by Linda Sydor, Museum Publicist**

Are you looking for something fun to do? Then come to the museum for our season opening on July 1st.

Our location is directly behind The Senior's Center, beside the ball field.

Doors open at 1 p.m. and

we will be handing out cookies, a beverage and miniature flags as well to celebrate the day.

Our hostess will be on hand to give you a tour and share some tidbits of info pertaining to the history of our area - maybe even share a little town gossip from the past.

Or, if you prefer to browse at your own leisure, you are welcome to do so.

Each of our 11 buildings with the exception of the store are original and have been refurbished. The original store was torn down and so we re-created a very close replica.

They are all wonderfully

staged and with just a little imagination can transport you back in time to "The Good Old Days"..

As you make your way along the boardwalk which once was the old pier you will be stepping on ghosts of the past where residents and visitors once walked.

You may have even left your own footprints there once upon a time.

If you are interested in leaving a more permanent mark we can help you do that. For just \$50 you can purchase a personalized plaque that will be engraved and installed on the plank you choose.

Don't forget to stop by the office before you leave. There are numerous old photo albums, scrap books and various antiques inside.

We will be happy to answer any questions and would love for you to sign our guest book. Comments are welcomed and any donations are greatly appreciated.

We hope you will come join us and take part in the festivities. More importantly we hope that as our honored guests we leave you wanting more and you will visit us as often as you like and bring others.

Hours of operation are 1p.m. to 6 p.m. daily until after The Labor Day long weekend. Closed Tuesdays.

P. S. For a more in depth look at the history of the area and its people, you may want to consider purchasing our new release entitled:

Stories and Memories 1920-2020

Alberta Beach and Area

It is an extremely unique book overflowing with short stories contributed by the very people who were part of our past.

Their shared memories breathe life in to our heritage. What could be more fascinating!

# COVID-19 UPDATE FOR WHITECOURT

**Submitted by Town of Whitecourt**

Stage 3 of the Province's Open For Summer Plan starts on July 1. Alberta has hit the vaccination threshold set by the Province and all mandatory restrictions will be lifted, including the ban on indoor social gatherings. Isolation requirements for confirmed cases and protective measures in continuing care settings may remain. For more information please visit <https://www.alberta.ca/enhanced-public-health-measures.aspx>.

Masking may still be required in limited and specific settings, and the Government of Alberta will be sharing more details on this prior to the Stage 3 launch on July 1. The Town of Whitecourt Temporary Mask Covering Bylaw 1560 remains in effect, but will be discussed at the June 28, 2021 Regular Meeting of Council in light of the Province's announcement. Further information will be shared with the community as it is available.

Rotary Park's Whitecourt River Slides open July 1

With public health restrictions eased, the Whitecourt River Slides in Rotary Park will open for the 2021 summer season on Thursday, July 1. Operating guidelines remain the same as previous seasons:

• The facility will be open daily from 10:00 a.m. to 7:00 p.m. (weather permitting) as long as an outside air temperature of 16C is reached. If the 16C is not reached by 2:00 p.m., the slides will not open.

• The slides will be closed occasionally on Wednesdays from approximately 10:00 a.m. to 12:00 noon for maintenance. The slides will be open on these days when maintenance work is complete.

• The air filling station to fill tubes and floaties is located on the south side of the concession building.

All other amenities at Rotary Park, including the Splash Park and playground, are already open for the season. Concession services are offered daily from 11:00 a.m. to 7:00 p.m. (weather permitting).

Canada Day Fireworks will be moved to Graham Acres

With gathering restrictions lifted, the Canada Day fireworks will be moved to Graham Acres for public viewing. Originally the fireworks were scheduled to be set off from Eastlink Park and higher aerial fireworks were to be used. With gathering restrictions lifted, the most suitable location for this type of display, with the best seating option, is Graham Acres.

• Seating for fireworks will be available in the baseball fields and soccer practice field closest to the Golf Course entrance road.

• The Graham Acres parking lot will also be open for fireworks viewing.

For further information on activities planned in Whitecourt this Canada Day visit the event page on Facebook.

Allan & Jean Millar Centre programs and services resume

The Allan & Jean Millar Centre will be open from 9:00 a.m.

to 6:00 p.m. on Thursday, July 1, and as of that date the following components will be fully operational with no capacity limits:

- Pembina Fitness Centre and Rotary Running Track;
- Fieldhouse; and
- Life Med Pharmacy Kids' Corner and Child Mind.

The McDonald's Whitecourt Go Active Zone will open July 12.

The Energy Transfer Canada Aquatic Centre remains closed until further notice. During the facility closure this spring there was a pipe break under the pool deck that was detected immediately, but created damage under the deck. Crews are working to complete the work as quickly as possible, and it is anticipated that the Centre will be open in the coming weeks for the public to enjoy. We appreciate your understanding and patience as we work to repair these issues.

The Allan & Jean Millar Centre will resume regular operat-

ing hours on Friday, July 2:

- Monday-Friday 5:30 a.m. to 10:00 p.m., and
- Saturday & Sunday 9:00 a.m. to 9:00 p.m.

## WHEN WILL THE HOTEL QUARANTINE PROGRAM END?

**Submitted by Gerald Soroka, MP for Yellowhead**

OTTAWA: Gerald Soroka, Member of Parliament for Yellowhead, asked the following question today during Question Period.

He asked:

“Mr. Speaker, my constituents are very frustrated with the government’s handling of

the border. The government has insisted on forcing Canadians into hotel quarantine despite the Liberals’ own science expert panel recommending that the government scrap the program. These are the same hotels that have had reports of sexual assaults and lack of food and water.

On what date will the Liberals finally listen to the science

and end the hotel quarantine program?”

Reply:

Hon. Patty Hajdu (Minister of Health, Lib.): “Mr. Speaker, Canada has some of the strongest measures to protect against the importation of COVID-19. We have been guided by science and evidence and Canadians have made extraordinary sacrifices over the last

year and a half to protect each other. We will continue to use that science and evidence as we adjust the border measures, reflecting the best science and evidence and ensuring that we protect Canadians from another surge of COVID-19.”

## FULL REFUNDS FOR SUNWING FLIGHTS CANCELLED

**Submitted by Gerald Soroka, MP for Yellowhead**

terprise Emergency Funding Corp. allowing more customers to receive refunds.

Those with non-refundable bookings whose vacations were cancelled due to the pandemic, and who have received a future travel credit or travel vouchers, can now request a full refund or keep their travel

credit.

To request a refund, eligible customers and travel agents must submit a request through an online COVID-19 refund request form by Aug. 27.

The new policy applies to

hotels, flights and vacation packages booked on or before Friday, June 25, 2021 for travel scheduled on or after Feb. 1, 2020.

## PROPOSED AMENDMENTS TO GRADE CROSSINGS REGULATIONS

**Submitted by Gerald Soroka, MP for Yellowhead**

Gerald Soroka, Member of Parliament for Yellowhead, is pleased to advise that

Transport Canada has announced the publication of proposed amendments to Grade Crossings Regulations in the Canada Gazette, Part I,

for a 30-day public comment period.

The proposed amendments establish new compliance deadlines to meet the requirements of the Regulations based on the various levels of risks posed by grade crossings. This includes:

- a one-year extension for existing public grade crossings

which present a higher risk;

- a three-year extension for all remaining public and all private grade crossings; and

- an exclusion from the construction and maintenance requirements for very low-risk grade crossings (such as field-to-field crossings with minimal train traffic).

These proposed amendments

will ensure that the Grade Crossings Regulations are more effective in focusing the efforts of railway companies, public road authorities and private crossing owners on grade crossings that present the greatest risks to community safety.

**DATE OF HEARING**

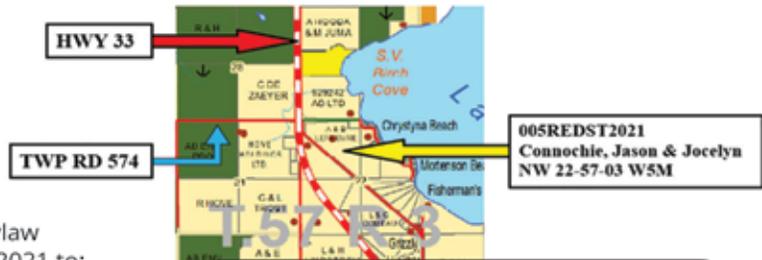

July 22, 2021

**TIME OF HEARING**

10:30 am

Pursuant to the provisions of Section 692 of the *Municipal Government Act*, the Council of Lac Ste. Anne County is considering an application for amendment to Land Use Bylaw 22-2017, by redistricting part of lands within NW 22-57-03 W5M through proposed Bylaw 22-2017-03-21.

The purpose of Bylaw 22-2017-03-21 is directed at redistricting part of the legal land described as NW 22-57-03 W5M, address 3227 TWP RD 574 from Agricultural Fringe (AGF) District to Commercial Recreation (CREC) District.

Written comments on the above proposed Bylaw may be provided prior to 4:30 pm on July 21, 2021 to:

Lac Ste. Anne County

Attn: Matthew Ferris, Manager of Planning and Development  
Or email at [MFerris@LSAC.ca](mailto:MFerris@LSAC.ca)

OK, so what this fancy language means is that someone has applied to the County to develop a campground and rezone the land from Agricultural 2 (AG2) to Commercial Recreation (CREC), and to adopt a formal plan known as the Dornbusch Area Structure Plan. Before this can happen, a bylaw must be drafted and a public hearing must be held. The ad above lets folks know about when and where the Public Hearing will take place.

Interested individuals may attend the Public Hearing to voice their comments. To schedule an appointment, please contact Manager of Planning and Development, Matthew Ferris at 780.785.3411. Catch the Wave!

The graphic features the text 'Alberta Beach CANADA DAY CELEBRATION SPECTACULAR' in large, bold, stylized fonts. The background is a light beige color with a pattern of blue and red fireworks. In the top right corner, there is a logo for 'Alberta Beach' featuring a sun, a wave, and a person surfing, with the slogan 'Catch the Wave!' below it.

**Are you looking for something fun to do? Then come to the museum for our season opening on July 1st. Our location is directly behind The Senior's Center, beside the ball field.**

**Doors open at 1 p.m. and we will be handing out cookies, a beverage and miniature flags as well to celebrate the day.**

Our hostess will be on hand to give you a tour and share some tidbits of info pertaining to the history of our area - maybe even share a little town gossip from the past.

Or, if you prefer to browse at your own leisure, you are welcome to do so.

# SUDOKU

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
