# RCMP WARN PUBLIC OF HIGH RISK OFFENDER

Submitted by Alberta RCMP

In the interest of public safety, Alberta RCMP are issuing the following information and warning in regard to the release of Lorne Wallace Papastesis on the completion of his sentence, and plans to reside in Edmonton.

Lorne Papastesis, 41, is described as an:

- Indigenous male;
- 178 cm (5' 10");
- 66 kg (145 lbs);
- brown hair with brown eyes; and
- has a prosthetic leg.

Papastesis has been convicted of multiple offences including: assault causing bodily harm, assault with a weapon, aggravated assault, forcible confinement, carrying a concealed weapon,

and possessing a weapon dangerous to the public peace.

Papastesis has severe mental health concerns and often appears in a delusional state. He has been known to conceal weapons in his prosthetic leg and exhibit unpredictable violence towards strangers.

The RCMP is issuing this information and warning after careful deliberation and consideration of all related issues, including privacy concerns, in the belief that it is clearly in the public interest to inform the members of the community of the release of Papastesis. The RCMP believes that there is a risk of significant harm to the health and safety of the public.

The RCMP has made an application to the Courts

to have Lorne Papastesis bound by conditions upon his release. These conditions are to assist with his reintegration back into the community and for public safety.

Members of the public are advised that the intent of the process is to enable members of the public to take suitable precautionary measures and not to embark on any form of vigilante action. Anyone believing that a crime has been or is about to be committed is encouraged to call police. If the matter is felt to be of an urgent nature, please call 911 immediately.

# Sheriffs Enhance RAPID Enforcement On Highways

*Continued from Page 1*

This includes impaired driving and criminal offences they encounter in the course of their duties.

Giving highway patrol sheriffs the authority to handle more incidents on provincial highways means the RCMP has more officers on patrol and available to respond to higher-priority criminal matters.

"We are taking action to address the very real issue of crime in rural Alberta. We

know Albertans have been frustrated with response times in rural areas, and we are committed to making sure they feel safe and protected in their communities. More boots on the ground means authorities can respond more quickly when Albertans need them. It will also deter crime and make our highways and communities safer." - Kaycee Madu, Minister of Justice and Solicitor General

In rural areas police can be stretched across large

distances, which can lead to longer response times. RAPID Response helps reduce response times by expanding the roles and authorities of 400 peace officers in Sheriff Highway Patrol and Fish and Wildlife Enforcement Services.

Earlier this year, fish and wildlife officers' roles were also expanded so they can respond to requests from the RCMP to be first at the scene of an emergency in cases where they are closer than police. Fish and

wildlife officers will also respond to RCMP requests for backup, which could involve helping the police locate suspects or preserve a crime scene.

RAPID Response currently covers most areas of rural Alberta policed by the RCMP. The government is holding a series of meetings with First Nations and Métis leaders to determine their interest and earn their support before expanding RAPID Response to their communities.

# ALBERTA IS OFFICIALLY OPEN FOR SUMMER

*Virtually all COVID-19 restrictions are now lifted as Alberta leads Canada by entering Stage 3 of the Open for Summer Plan.*

**Submitted by Government of Alberta**

As of July 1, Albertans are now free to gather indoors and outdoors, places of worship and businesses can operate at full capacity, the provincial mask mandate is repealed, and people can safely get back to doing all of the activities they enjoy.

To date, 72.8 per cent of eligible Albertans have received their first dose of vaccine, and 42.4 per cent have received both doses, offering a strong level of community protection in the province. Alberta Health estimates that 50 per cent of eligible Albertans will be fully immunized by July 6.

Mandatory isolation and quarantine rules remain in place, and masking is still re-

quired in hospitals, continuing care, mass transit, ride shares, and taxis.

“This is a fantastic day for Alberta. We have crushed COVID-19 and with cases plummeting and vaccine uptake climbing, we are Open for Summer. With vaccines on our side, businesses can once again thrive, and Albertans can get back to their normal lives. Together, thanks to the sacrifices made by Albertans, we have made it through this terrible time. Now, a new day dawns and the future looks bright.” - Jason Kenney, Premier

“Thanks to the tremendous efforts of Albertans and the power of modern medicine, now is the time to safely pivot from strict restrictions to vaccine protection to keep people

safe. As we lift restrictions, I urge Albertans to continue to do their part by getting fully vaccinated.” - Tyler Shandro, Minister of Health

“We are entering a new phase in our fight against this virus. As we gather and celebrate with our loved ones, I encourage every Albertan to continue to get their vaccines, make safe choices and support each other with compassion through this time of transition.” - Dr. Deena Hinshaw, chief medical officer of health

All COVID-19 restrictions are now lifted unless otherwise indicated. Health officials have created a general guidance document (General guidance for COVID-19 and other respiratory illnesses) for all sectors to help Albertans safely transition into Stage 3.

Limited measures will remain in effect to protect continuing care and acute care settings, and to offer additional safeguards until all Albertans have had the opportunity to receive their second dose of vaccine.

- Confirmed cases of COVID-19 are still required to isolate for 10 days.
- Close contacts of confirmed cases are still required to quarantine. Quarantine length continues to be based on vaccination status.
- Protective measures

in continuing care settings remain in effect.

Masking will continue to be required in limited and specific settings:

- Continuing care and acute care settings.
- Public transit, taxis and ride sharing.

Albertans may wish to consider individual risk factors and choose to wear masks in other public indoor settings.

Get fully vaccinated  
Albertans are encouraged to continue booking appointments for first and second doses to ensure full effectiveness and long-lasting protection.

Anyone who has not yet booked their vaccine can do so by visiting [alberta.ca/vaccine](http://alberta.ca/vaccine) to find available appointments with AHS or participating pharmacies across the province. Select locations are offering walk-in clinics for first doses.

Alberta is providing an extra incentive to Albertans who are vaccinated through its Open for Summer Lottery. To register and for complete details, visit [alberta.ca/lottery](http://alberta.ca/lottery).

Alberta’s government is responding to the COVID-19 pandemic by protecting lives and livelihoods with precise measures to bend the curve, sustain small businesses and protect Alberta’s health-care system.

# CANADA RECOVERY HIRING PROGRAM

**Submitted by Gerald Soroka, MP for Yellowhead**

Gerald Soroka, Member of Parliament for Yellowhead, wishes to advise the launching of an online calculator to help eligible employers prepare their CRHP applications. This calculator integrates the new CRHP with the Canada Emergency Wage Subsidy (CEWS), automatically showing applicants which subsidy will pro-

vide them with more support, based on the information they enter.

The CRHP and the CEWS are both based on four-week claim periods. From June 6, 2021 to September 25, 2021 (claim periods 17 to 20), the subsidies overlap so that, as CEWS rates gradually decline, eligible employers would still be able to receive support through the CRHP if they hire more workers or increase workers' hours

or wages.

For the four overlapping claim periods, eligible employers can apply for either subsidy, based on whichever subsidy provides the higher amount of support. An eligible employer must claim the greater of the CRHP and the CEWS for a particular claim period, but not both.

Eligible employers will be able to apply for the CRHP as of July 7, 2021, when the Cana-

da Revenue Agency (CRA) will open applications through My Business Account and Represent a Client. The CRA will begin to issue CRHP payments to eligible employers during the week of July 12, 2021.

Further information can be found at:

# SUDOKU

*of the week*

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
