Parkland RCMP Search For Missing Boater At Wabamun Lake

Continued from Page 1

Parkland RCMP attended and a boat search on the water was conducted by fire services, and ground searches by Parkland RCMP until conditions would not allow the search to continue.

On July 24, 2021, at approximately 10 a.m., Parkland RCMP, along with the assistance of the Central Alberta Recovery Dive Society (CARDS) team, resumed searching with boat patrols that included CARDS' sonar technology and a robotic underwater vehicle. The search continued until approximately 8 p.m.; however, the swimmer was not located.

Today, July 25, 2021, at approximately 9:30 a.m., Parkland RCMP, along with

CARDS' assistance and the assistance of Alberta Conservation officers, resumed the search of Wabamun Lake for the missing swimmer. Search efforts are ongoing.

Parkland RCMP are asking anyone on Wabamun Lake in the area of the search to remain clear to allow room to work.

Parkland RCMP are also asking anyone who is on Wabamun Lake for recreational purposes to keep an eye out for signs of the missing swimmer. If anyone believes they have seen anything, please contact Parkland RCMP at 825-220-2000. If you want to remain anonymous, you can contact Crime Stoppers at 1-800-222-8477 (TIPS), online at www.P3Tips.com or by using the "P3 Tips" app

available through the Apple App or Google Play Store.

JOKE of the week

Boy: Ah, finally, I've waited so long.
Girl: You want me to leave?
Boy: No, I dare to not even think about it.
Girl: Do you love me? **Boy:** Of course. Lots!
Girl: Have you ever cheated on me?
Boy: No! Why are you asking me?
Girl: Will you kiss me?
Boy: Every time I get the chance!
Girl: Will you ever hit me?
Boy: Are you crazy? Of course not!
Girl: Can I trust you?
Boy: Yes. **Girl:** Darling?
Now Read it Backwards.

WAVES MUSIC FESTIVAL IN WABAMUN COMING AUG 21

Submitted by Town of Wabamun

Grab your lawn chair and head to the street by Wabamun Jubilee Hall on Aug 21 for SummerFest 2021, hosted by WAVES (Wabamun Area Volunteer Entertainment Society).

This is a FREE FAMILY EVENT with so much activity & fun going on for the entire family.

Outside the Hall on the street will be the Music Stage with bands playing from 1-9pm. There will be plenty of seating areas so bring a lawn chair or

a blanket. Adults are welcome to also grab a seat in the outdoor Beer Garden. On the stage this year we have lots of local talent to entertain the crowd. This line-up is sure to have you singing along & dancing in the street. 1:00 Shady Mavis, 2:30 Red Cannons,

4:00 Mandy McMillan, 5:30 Playing with Fire and 7:30 Hometown Stereo. Our music & sound will be hosted by Loreda Dimensional.

For the kids, and young at heart, FCSS is hosting Face Painting by the very talented Katie from Enchanted Dragon and Russ; the creative Balloon Artist from 12:30-4pm.

Inside the Hall WAVES will have a concession to grab a bite to eat, an indoor Beer Garden and a huge Silent Auction with over 100 items. There has been tremendous support for the Silent Auction from the Wabamun businesses and Parkland County as well as many businesses in the surrounding areas. Auction items include a huge variety of everything such as gift certificates, hotels & resort stays, theatre tickets, kids toys, a BBQ, artwork and so much more! You don't want to miss out on this amazing Auction.

Bring your family and Come join in the Fun at this event on August 21 at Wabamun Jubilee Hall.

SUPPORT FOR FARMERS FACING

Submitted by Gerald Soroka MP for Yellowhead

Gerald Soroka Member of Parliament for Yellowhead wishes to advise that

the Minister of Agriculture and Agri-Food Canada has announced support and resources for producers in areas affected by extreme weather. The early designation of the Livestock Tax Deferral provision for prescribed drought regions will allow beef producers who are forced to sell a significant amount of their breeding herd due to drought conditions to offset the resulting revenues with the costs to replace the herd.

Also announced was federal support to all Prairie provinces for immediate bilateral adjustments to the cost-shared AgriInsurance program to make drought-damaged crops available for feed.

AgriRecovery assessments are underway which could include direct assistance to producers for the added cost of livestock feed, transportation and water infrastructure.

Provinces affected by drought can invoke the late participation provision of AgriStability as well as apply for interim payments.

CANADA CHILD BENEFIT

Submitted by Gerald Soroka MP for Yellowhead

Gerald Soroka Member of Parliament for Yellowhead wishes to advise that the maximum annual Canada Child Benefit will once again be increased to keep up with the rising cost of living. For the 2021-2022 benefit year, the maximum annual benefit will be \$6,833 per child under age 6 and \$5,765 per child aged 6 through 17.

Additionally, in 2021, in recognition that many families are struggling with a wide range of expenses during the COVID-19 pandemic, families entitled to the CCB are receiving additional temporary support of up to \$1,200 for each child under the age of 6 through the CCB.

2021 ANNUAL GENERAL MEETINGS

Join the EQUUS Board of Directors and CEO at one of three Annual General Meetings this August to review the 2020 annual report and financials, elect Directors to the Board, and vote on proposed amendments to the Memorandum of Association as well as proposed Standard By-Law amendments.

In addition to the election of directors, the annual auditor's report, and the appointment of an auditor for 2021, the Board will be presenting proposed changes to both the Memorandum of Association and Standard By-Laws.

The proposed changes will:

- Confirm EQUUS' operations as an at-cost, not-for-profit co-operative;
- Expand EQUUS' objects to permit it to supply telecommunications goods and services;
- Increase the number of member votes required to sell EQUUS' entire works;
- Provide for some future membership meetings to be held electronically;
- Provide for membership votes to be cast by mail or electronically for some meetings;
- Clarify types of and procedures for future membership meetings, and
- Make other minor consequential amendments.

The proposed changes are one of many steps being undertaken as part of the Board of Directors' Strategic Plan to improve the sustainability of our co-operative for years to come. The proposed revised Memorandum of Association and Standard By-Laws are available for viewing by EQUUS members at any of our Area or Corporate Offices by appointment. Call 1.888.211.4011 to arrange a time for viewing.

INTERNATIONAL FLIGHTS TO LAND AT FIVE ADDITIONAL CANADIAN AIRPORTS

Submitted by Gerald Soroka MP for Yellowhead

Gerald Soroka Member of Parliament for Yellowhead wishes to advise on September 7, 2021, provided that the domestic epidemiologic situation remains favourable, our borders will open to any fully vaccinated travellers who have completed the full course of vaccination with a Government of Canada-accepted vaccine at least 14 days prior to entering Canada and who meet specific entry requirements.

Subject to limited exceptions, all travellers must use ArriveCAN (app or web portal) to submit their travel information. If they are eligible to enter Canada and meet specific criteria, fully vaccinated travellers

will not have to quarantine upon arrival in Canada.

Effective August 9, 2021, international flights carrying passengers will be permitted to land at the following five additional Canadian airports:

- Halifax Stanfield International Airport;

- Québec City Jean Lesage International Airport;

- Ottawa Macdonald-Cartier International Airport;

- Winnipeg James Armstrong Richardson International Airport; and

- Edmonton Inter-

national Airport.

Further information on accepted vaccines can be found at: <https://www.canada.ca/en/health-canada/services/drugs-health-products/covid19-industry/drugs-vaccines-treatments/vaccines.html>

ALBERTANS TO VOTE ON SENATORS, EQUALIZATION, DAYLIGHT SAVING TIME

Continued from Page 1

•Equalization payments – Should the principle of making equalization payments be removed from the Constitution?

•Daylight saving time – Should Alberta end the practice of changing our clocks twice a year?

“Alberta has a long and proud tradition of grassroots, direct democracy. We will renew that tradition this fall. I encourage all Albertans to get engaged on these important issues and I look forward to taking part in the debate this fall.” Jason Kenney, Premier
Equalization

Over the last 25 years, Albertans have contributed more than \$400 billion more to the nation in tax dollars than they have received in federal spending. Albertans make an immense contribution to equalization through federal tax contributions, which are transferred by the federal government to other provinces for programs and services. The current program has many issues, including a formula that requires it to grow automatically with Canada’s economy, even if contributing provinces like Alberta are experiencing immense economic challenges.
Daylight saving time

Across Canada and the United States, more governments are bringing forward legislation to move to permanent daylight saving time, also known as summer hours. In 2019, Service Alberta asked Albertans if they thought we should make a similar shift. More than 141,000 Albertans responded, of which 91 per cent were in favour of year-round summer hours.

Senate elections
Along with the municipal elections and the two referendum questions this fall, Albertans will elect three Senate nominees – one for each of the two current vacancies and one in case of early retire-

ment.

The Senate nominee election enhances democracy in the province by allowing Albertans to choose the individuals who will best represent them in Parliament. Having representatives elected by Albertans would increase senators’ accountability to Alberta voters to defend the province’s interests.

Provincial police and pension
For the topics of creating an Alberta Police Service and Alberta Pension Plan, further analysis and work are underway before next steps are determined.

“Through the Fair Deal Panel, Albertans who are policed by the RCMP said that they want to see Alberta build its own provincial police service to improve policing in their communities. We are continuing to study what this could look like and how it could improve the safety and security of Albertans and their property, as part of making an informed decision on the next steps.” Kaycee Madu, Minister of Justice and Solicitor General

Quick facts
• The equalization question will be: “Should Section 36(2) of the Constitution Act, 1982 – Parliament and the Government of Canada’s commitment to the principle of making equalization payments – be removed from the Constitution?”

• Between 2014 and 2019 alone, Albertans made a net contribution of more than \$100 billion to the federal government through federal taxes that helped build critical infrastructure.

• Alberta has not received an equalization payment since the 1964-65 fiscal year.

• The question on daylight saving time will be finalized this summer.

• During 2019 and 2020, legislation was tabled in British Columbia and Ontario to move to summer hours all year. These changes have yet to be implemented.

• In March 2020, the Yukon stopped changing their clocks and adopted Pacific daylight time year-round.

• Since 2018, 17 American states have passed legislation to move to summer hours (daylight saving time) permanently and more states are debating the topic. However, in the United States, federal approval is required to enact the change.

• Saskatchewan, Arizona and Hawaii do not change their clocks twice a year.

• The Government of Alberta would provide names of elected Senate nominees to the prime minister for consideration when filling Senate vacancies

MANY CONGRATULATIONS TOWN OF STONY PLAIN ON TODAY'S ANNOUNCEMENT

Submitted by Town of Stony Plain

The Greater Parkland Chamber of Commerce has been advocating on behalf of its membership in support of a robust, cost effective and sustainable Broadband Network as the lack connectivity throughout the region can be an economic detractor. We are all aware that access to a digital world is no longer a privilege and now a necessity in terms of economic investment attractiveness and all-round wellbeing of our communities.

Positive news

TELUS investing \$43 million to connect Stony Plain to the gigabit-enabled fibre optic network, dramatically increasing wireless and Internet speeds throughout the region

Advanced TELUS PureFibre network will connect residents and businesses directly to gigabit Internet speeds while expanding cellular coverage throughout the region

TELUS is investing \$43 million to connect homes and businesses in Stony Plain directly to our fibre optic network. This investment is part of TELUS' recently announced commitment to invest \$14.5 billion in infrastructure and operations across Alberta through 2024 to further support the province throughout the Covid-19 pandemic and subsequent economic recovery. Work on the PureFibre network in Stony Plain is expected to start in September, and TELUS anticipates the majority of homes and businesses will be connected by the end of 2023. PureFibre with its symmetrical upload and download speeds was ready to withstand the additional demands of the Covid-19 pandemic, supporting more than two million Albertans as they adapted to new ways of living, enabling people to work with large files at home while other family members could simultaneously be participating in virtual school, virtually connecting with health-care practitioners, or staying socially connected.

Last month, TELUS was named the fastest Internet service provider (ISP) in Canada by New York-based PCMag for the second consecutive year. The gigabit-enabled TELUS PureFibre network is the largest 100 per cent pure fibre-to-the-premise (FTTP) network in Western Canada, giving residents and businesses dramatically fast upload and download Internet speeds, which provides significant benefits

for applications like video conferencing, working or learning remotely, gaming, and smart home security. Supported by the TELUS PureFibre network, TELUS Smart Home Security offers 24/7 real-time monitoring and smart controls to manage cameras, lock and unlock doors, remotely manage indoor and outdoor lighting and even the thermostat. For Canadians currently working from a home office, a PureFibre connection means upload speeds will not slow down the pace of business or lag during peak hours, and the rest of

the family can simultaneously stream, play video games, and participate in online learning.

A direct connection to the TELUS PureFibre network comes at no cost to taxpayers or residents, and TELUS plans to bring this critical network infrastructure to more communities in the years ahead. Residents can expect to see TELUS trucks throughout the community as construction begins. Once homes are connected, residents can immediately begin taking advantage of dramatically faster and symmetrical Internet speeds.

TELUS is also supporting small businesses through its second national #Stand-WithOwners initiative, investing \$1 million to promote these vitally important organizations in 2021. Small business owners have demonstrated incredible strength and ingenuity as they pivoted and innovated throughout the Covid-19 pandemic, and TELUS is proudly supporting them with funding, localized advertising, and mentorship as they move forward. Organizations located in Alberta.

Fall Dust Control July 31 Deadline

To apply for Fall Dust Control*, submit your application before the deadline.

The application form is available at the County offices in Edson or Wildwood or at www.yhcounty.ca.

PAYMENT OPTIONS include cheque (drop-off or mail), online or telephone banking, credit-card, or at your bank.

ALBERTANS SPIN BIG TO WIN BIG! SEVEN WINNERS FROM AROUND THE PROVINCE FINALLY HAVE THEIR DATE WITH THE PRIZE WHEEL AS PANDEMIC EASES

Submitted by AGLC

The wait is over! After months of being put on hold to ensure no one was put at unnecessary risk from COVID-19, seven Alberta residents have finally stepped up to spin THE BIG SPIN and THE BIGGER

SPIN prize wheels in a two-day event that saw over \$3.5 million in prizes awarded!

Winners of THE BIG SPIN included Michael Casselman of Alberta Beach, Bernard Rosier of Calgary, Eileen Balaban of Yellowhead County and Dyllan Dokken of St. Albert. Winners of THE

BIGGER SPIN, meanwhile, included June Johnson of Calgary, Paul Kenway of Lethbridge and Shelly Briggeman of Edmonton. All seven winners came to AGLC's St. Albert offices for individual spin appointments over July 15 and 16. The winners each came with one guest to

take their crack at spinning a -freshly sanitized- wheel.

"It was tremendous to see a number of Albertans have a chance to claim their THE BIG SPIN and THE BIGGER SPIN prizes this past week as AGLC gets back to regular gaming activities," said Steve Lautischer, Vice-President of Gaming and Cannabis. "We thank all those who were patient in waiting for a chance to spin over the last number of months and are happy to see them claim \$3,525,000 in prizes."

The \$5 THE BIG SPIN and \$10 THE BIGGER SPIN are ZING tickets with one big difference; not only can players win cash prizes in the same way as with a usual ZING ticket, they can also uncover a 'Spin Win', and discover their prize through an animated prize wheel on the screen at their local Lot-to-Spot retailer.

If the player's Spin Win prize reveals a 'Big Spin', they win a \$10,000 initial prize PLUS a chance to spin a real wheel at their very own spin event. A THE BIG SPIN winner will leave the spin event with a prize of \$100,000 up to \$500,000; a THE BIGGER SPIN winner will spin the wheel to win a prize of \$200,000 up to \$1,000,000!

Click here to see video footage and photos from the two-day spin event, including the three spinners who won the top prize on their respective games; Eileen Balaban, and Bernard Rosier who both won \$500,000 with THE BIG SPIN, and Paul Kenway, who took home a staggering \$1M prize with THE BIGGER SPIN. Videos are linked individually as well below.

PREVAIL

CELLULAR
HOMEOSTASIS
FORMULA

MAX

A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU
...RIGHT DOWN TO THE LAST CELL!

How do you want your BLOOD to look?

Before PrevailMAX:	After PrevailMAX:
	
poor circulation	better circulation
low energy	more vitality
brain fog	mental clarity
dehydration	cellular movement
decreased nutrients	nutrient assimilation
pH imbalance	balanced pH
poor endurance	optimal endurance

PrevailMAX™ is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells.

When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!

Golfer's **GUIDE**

HOW TO HELP KIDS GET INTO GOLF

Golf is a game of skill that can take years, if not decades, to master. Many golfers find their time on the golf course both rewarding and relaxing, even on those days when the fairways seem impossible to find.

Though many players never swing a golf club until they reach adulthood, it's never too early to hit the links. Some of the world's most accomplished golfers, including four-time Masters champion Tiger Woods, began playing as toddlers, and many feel that getting an early start can lead to a more successful game down the road.

Getting kids into golf is a great way for parents to bond with their children while enjoying the great outdoors. Golf can also be used to teach kids humility, sportsmanship and the importance of hard work. Thanks to the often frustrating nature of golf, parents may find it somewhat challenging to instill a love of the game in their youngsters. But there are ways to introduce kids to this wonderful game that kids might just play for the rest of their lives.

Focus on having fun. Few, if any, golfers at your local golf course on a given weekend could say with certainty that golf has never frustrated them. The challenge of golf may be its most appealing characteristic to older players, but young kids can be easily overwhelmed by the challenges golf presents. By focusing on having fun instead of perfecting techniques, parents can

get kids to look forward to their time on the links. The more fun kids have, the more likely they will be to embrace the game and its many challenges. Don't put pressure on youngsters as they develop their games, but encourage them through their struggles and reassure them that you faced the same obstacles when you started playing.

Hire an instructor with experience teaching children. Instructors with experience teaching children will understand the basics of the game and how learning those basics provides a great foundation for future enjoyment and success on the course. Instructors who have taught kids in the past also

know that teaching youngsters the finer points of golf requires patience and encouragement. Ask a fellow parent or an employee at the club where you play to recommend an instructor for your child. And take advantage of any kids' courses your club offers.

Purchase the correct equipment. Even the best golfers are bound to struggle when using the wrong equipment. While it might be unwise to invest in especially expensive equipment for youngsters likely to grow out of it in a few months' time, deals can be found on used kids' equipment. Used kids' equipment is typically subjected to less wear and tear than used

equipment for adults, as kids tend to play less often and fewer holes than adults when they do play. But make sure to find correctly sized equipment that kids feel comfortable using.

Play some holes. Instructors may teach kids the differences between the types of clubs and how to swing and putt. But golf is most fun when players are out on the links going from hole to hole. Instruction is important, but don't forget to play a few holes with your child each week as well.

Golf is a challenging game, but it's one that can be enjoyed by athletes of all ages.

INVESTMENTS IN LOCAL HOSPITAL TO IMPROVE HEALTHCARE

Submitted by Drayton Valley

More than \$650,000 will be spent on Emergency Department (ED) triage desk renovations at the Drayton Valley Hospital and Care Centre thanks to the Alberta government's Rural Health Facilities Revitalization Program (RHFRP).

The renovations will include a complete redesign and renovation of the ED triage area to improve operational efficiency and patient safety. Work on the ED renovations is expected to begin in the coming years and more detailed timelines will be shared once the project is underway.

"All Albertans, no matter where they live, deserve and need access to our world-class health system, and they need it close to where they live," says Tyler Shandro, Minister of Health. "This revitalization project helps make that a reality, and is part of our commitment to manage and improve health infrastructure and services across Alberta." The government's \$50-million commitment to the Rural Health Facilities Revitalization Program supports AHS to complete infrastructure projects over the next three years at rural sites, such as the Drayton Valley Hospital and Care Centre.

"The community is pleased to have this investment in health care," says Mark Smith MLA for Drayton Valley-Devon. "Investments like this one will make sure that the facility can deliver safe, efficient emergency care in Drayton Valley, when members of the community or their loved ones are sick or injured." A further

\$3.8 million of government funding has recently supported other upgrades at the local hospital and care centre, including repairs to the roof, boilers, sidewalk, elevator and updates to the nurse call system.

"Projects like these help maintain our facilities and

ensure our patients receive quality care in the best environments," says Dr. Verna Yiu, President and CEO of AHS. "So it is vital we keep our health care infrastructure current and up to date." Alberta Health Services is the provincial health authority responsible for plan-

ning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

PURE HEMP PRODUCTS
AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

A Health and Beauty Breakthrough!
Cannabidiol, is one of over 80 active cannabinoid chemicals in the hemp plant. Unlike, THC, it does not produce euphoria or intoxication. It targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using these products for both treatment and prevention of numerous ailments.

Therapeutic Uses For Pure Hemp
Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

Anti-Aging Uses For Pure Hemp
Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

KEY BENEFITS
PAIN RELIEF: Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.
PROMOTES HEALTH: Helps to promote relaxation and overall health.
