### MUNICIPAL GENERAL ELECTION INFORMATION

Submitted by Lac Ste. Anne County

A growing resource hub for both candidates and voters. With the municipal general election just around

the corner, it's important that prospective candidates have the resources they need, and that voters can keep tabs on election related issues. For example, a senate election is being held

in tandem with the municipal election; and important referendum questions are being tabled for a direct vote.

# SUPPORTING TRANSPORTATION PROJECTS IN RURAL ALBERTA

Submitted by Kenny Trenton

Alberta’s government is investing over \$1 million to support rural roads by upgrading bridges and culverts in the Lac St. Anne County, Parkland County and Brazeau County.

This money will help the counties complete various

rural road projects through the Strategic Transportation Infrastructure Program (STIP).

• \$251,250 is going towards three culvert maintenance and design projects from the STIP fund in Parkland County

• \$262,500 will be invested in bridge maintenance, and the replacement of another

bridge; and,

• \$521,250 will help replace pipes on two bridges in Brazeau County.

“I want to thank Transportation Minister, Rajan Sawhney, for approving these important projects for our rural communities. This will add around 10 jobs locally and we know how important it is in rural Al-

berta to have structurally sound roads and bridges. This is great news for the Drayton Valley-Devon riding, and many others who use our roads and bridges daily.” Mark Smith – MLA for Drayton Valley-Devon

# OLDER SENIORS TO RECEIVE ONE-TIME PAYMENT OF \$500 NEXT WEEK

Submitted by Government of Canada

Older seniors across Canada face higher financial pressures. As they age, seniors tend to have lower incomes and often face higher health-related expenses, all while they are more likely to be unable to work, have disabilities or be widowed.

Today, the Minister of Seniors, Deb Schulte, highlighted that older seniors who were eligible for the Old Age Security (OAS) pension in June 2021 and born on or before June 30, 1947, will receive a taxable, one-time payment of \$500 next week, without needing to apply. Older seniors who live in Canada or receive their pension payment by direct deposit, will automatically receive the payment next week. Delays can be expected for cheques mailed outside of Canada.

This one-time payment will provide immediate support before the OAS pension is increased by 10% for seniors aged 75 and over beginning in July 2022. The 10% increase will provide an extra \$766 to full pensioners over the first year and will be the first permanent increase to the OAS pension since 1973, other than adjustments due to inflation.

These measures are part of broader work to support seniors' financial security, including: restoring the age of eligibility for the OAS pension and the Guaranteed Income Supplement (GIS) to 65 from 67; strengthening the Canada Pension Plan for future retirees; increasing the GIS for single seniors; raising the GIS earnings exemption; and reducing income

taxes for all Canadians.

Quote

"The Government of Canada is providing older seniors more help with the higher costs later in life. The one-time payment and the increase to the OAS pension for seniors aged 75 and up will strengthen seniors' financial security and help provide more support to all Canadians when they are planning their retirement." – Minister of Seniors, Deb Schulte

Quick Facts

• While the one-time payment is taxable, it is exempt from the calculation of income for the Guaranteed Income Supplement (GIS), which means it will not affect the GIS calculation for future years.

• A separate tax slip will be issued for this payment and recipients will need to declare this payment when filing their Income Tax and Benefit Return.

• Eligible seniors will receive the one-time payment regardless of their income or whether they receive the GIS or not.

• Ninety-eight percent of OAS recipients are receiving their pension by direct deposit.

• This payment will benefit 3.3 million seniors who were eligible for the OAS pension in June 2021, 56% of whom are women.

• The Government of Canada has taken a number of actions to support seniors:

• The GIS was increased for nearly 900,000 low-income single seniors, lifting an estimated 57,000 seniors out of poverty.

• Strengthening retirements of future Canadian seniors by restoring the age of eligibility for the OAS pension and the GIS to 65.

• The GIS earnings exemption was enhanced for working low-income seniors, to help them keep more of their benefits.

• Income taxes are being reduced through increases to the Basic Personal Amount. When the increases are fully implemented in 2023, 4.3 million seniors will benefit, including 465,000 whose federal income tax will be reduced to zero. Every year, singles will save close to \$300 and couples will save nearly \$600.

• The Canada Pension Plan's maximum yearly benefit was increased for future retirees by about 50%, meaningfully reducing the risk of not saving enough for retirement. The Quebec Pension Plan mirrored these improvements.

• One-time, tax-free pay-

ments were issued to help seniors with their extra costs during the pandemic, worth over \$1,500 to a low-income couple. In April 2020, more than 4 million low- and middle-income seniors received a GST credit top-up—worth an average of \$375 for individual seniors and \$510 for senior couples. In July 2020, we provided a one-time tax-free payment of \$300 to 6.7 million OAS pensioners and a further \$200 to 2.2 million seniors eligible for the GIS.

Gerald Soroka Member of Parliament for Yellowhead would like to inform constituents of the Rural Transit Solutions Fund in the amount of \$250 million. This funding is available over five years beginning in 2021 and will support the development of locally driven and transit solutions by helping people living

# LETTER TO THE EDITOR

Submitted by David Chawner

Joke of the Week - no - year!!

So... I see a neighbour's gates open - on a property that I know has been broken into several times in the past. Too old to charge in, and no "phone on hand, I rush home and call the C.P.O.s County Peace Officers) - it's Sunday - so it goes to the answering service and I get a call back shortly after (no problem) - "We wont go in and check. You have to call the R.C.M.P." So I call the R.C.M.P. dispatch line; I'm told that I'm in line for a dispatcher to take my call "in the order that it was received" so I wait... I got all sorts of messages - first in English and then repeated in French (not even a request to

select my language of choice) about everything from what to do in cases of fraud to what to do fro crimes without witnesses or evidence and every thing you can think of in between - and then, when they ran out of options, I was reminded that I was on-hold for a dispatcher.... FOR MORE THAN 20 MINUTES!!~!! So, being resourceful, I called 911; explained that it wasn't a life-or-death emergency and was transferred to the R.C.M.P. - Great - except that it was to the same message that I'd already wasted more than 20 minutes on!

I thought the "more policing" (even though WE got stuck with the bill) was supposed to cure that... and they wonder why there's so much rural crime and rural taxpayers are getting madder?????

# Golfer's **GUIDE**

## DRIVE HOME A WINNING GOLF TOURNAMENT

The arrival of warmer weather has many Canadians dreaming of the hitting the local golf course. It is also the time that many companies, organizations, charities and other groups start planning their golf tournaments.

Hosting a golf tournament is a great way to entertain customers, thank employees or raise funds for your group. While there are many details to arrange, organizing such an event doesn't have to be distressing.

Experts recommend that you cover the basics first. Picking the right date and a course that is suitable for your group is the first priority. The earlier you do this the better as you will get a wider selection of dates and courses.

Ensuring your guests are well fed and hydrated out on the course should be another priority. In the heat of summer, a good supply food and non-alcoholic beverages will ensure your participants enjoy a healthy and safe round.

What about prizes? The excitement of winning something is always a big draw, so hit up local businesses, suppliers, business partners and friends for prize donations.

To take your tournament to the next level, you could offer hole-in-one prizes such as a car, boat, trips or cash. "Adding big prizes to your golf tournament doesn't have to be an ex-

pensive or worrisome endeavour," says Andrea Martin, Senior Underwriting Manager, Wayfarer Insurance. "You can get insurance coverage that will pay for the prize in the event that a golfer hits an ace."

One of the biggest tips is speak to the professionals at the golf course where you book your tournament. Often courses will have staff to assist you, or at least lit-

erature that will help you plan a successful event.

# COUNTY IMPLEMENTS KNOX BOX PROGRAM

Submitted by Lac Ste. Anne County

Opt-in program facilitates rapid first-response premises entry As part of a collaborative regional initiative, Lac Ste. Anne County Fire Services has adopted the Knox Box program – and with it, a system that

allows first responders to gain access to a home within seconds in a life threatening or critical situation.

Some of the primary benefits include:

- An optional tamper switch that can be connected to an intrusion alarm
- Fewer operational issues, such as keys jamming the

lock mechanism

- Audited trails of when the key lock box is accessed

Knox Box is presently the County's only approved key lock box program.

Other participating municipalities to date include the cities of Edmonton, Spruce Grove, Fort Saskatchewan and Leduc; the

Town of Mayerthorpe; and Strathcona County.

For details on purchasing a Knox Box and participating in this new opt-in safety program, please visit

CountyFire.ca. Further information on the Knox Box master key system can be found at [knoxbox.com](http://knoxbox.com).

# WOMEN ENTREPRENEURSHIP LOAN FUND

Submitted by Gerald Soroka MP for Yellowhead

Gerald Soroka Member of Parliament for Yellowhead wishes to advise the call for applications to deliver the Women Entrepreneurship Loan Fund. The call for applications invites not-for-profit business support organizations with significant

experience in the management and delivery of loans to apply to deliver the loan fund. Applicants will need to demonstrate their ability to assess business plans, fulfill and underwrite loans, and reach groups that have traditionally experienced greater difficulty in accessing financing, such as start-ups or individuals

from under-represented communities. Applicants will also be evaluated on the scope of their proposal in helping ensure that the loan fund has national reach, as well as their ability to provide additional wrap-around services such as training or mentoring. Once implemented, the loan fund will provide loans of up

to \$50,000 to women-led businesses in all sectors of the economy, including incorporated businesses, sole proprietorships, and for-profit co-operatives and social enterprises.

# RECENT SENATE APPOINTMENT

Submitted by Gerald Soroka MP for Yellowhead

Alberta continues to be an afterthought to Prime Minister Justin Trudeau's agenda and for proof, look no further than his latest Senate nomination to fill a vacant seat in Alberta. Albertans have chosen to elect senators. Justin Trudeau ignored this and instead pursued his own partisan agenda.

These criticisms are not a personal attack against the newest senator, Ms. Sorensen, nor an attempt to undermine her experience or qualifications, but rather a criticism against how the Prime Minister chose to circumvent Alberta's wishes.

As a Conservative MP from Alberta, I hear daily how the Canadian Federation is in a

precarious position. It is clear: Justin Trudeau either doesn't care about tearing the country apart, or it is part of his political agenda to maintain power at any cost.

Either way, Albertans and all Canadians deserve better. If you feel the Prime Minister has disregarded Alberta and hurt the unity of Canada, you can let him know at: [Justin.Trudeau@parl.gc.ca](mailto:Justin.Trudeau@parl.gc.ca)

The Conservative Party of Canada is the only national party committed to unifying Canada. We will respect Albertans and have committed to only appoint senators that are elected, an important part of our plan to secure Canada's future.

# SUDOKU

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
