LSAE FOOD BANK

Submitted by Lac Ste. Anne Food Bank

The Lac Ste Anne East Food Bank located in Onoway would like to thank organizations, individuals and local businesses for the many financial donations that have been con-

tributed this year, it truly takes a community working together to help one another.

In addition, thanks to the overwhelming support of the recent food drive, we are in a position where our shelves are full. As our space is limited we re-

quest donations pause for a short while.

Fresh produce will still be accepted.

We are open for donations 8-10am Wednesdays and we accept hamper requests before noon on Tuesdays. 780.271.3131

LAKEMERE 4-H BEEF CLUB

Submitted by 4 H Alberta

Did you know that 4-H Alberta was founded in 1917? The Lakemere 4-H Beef Club was founded in 1939 and is one of the oldest clubs in Alberta. 4-H is open to members from age nine to twenty one and age six to eight for cleavers. 4-H is a youth organization focused on development of life skills and project related skills.

Members must attend seventy percent of club activities, complete a community service and a communication activity (presentation or speech).

On October 6, 2021 Lakemere had our club reorganizational meeting. Topics we discussed included what projects we are going to offer this year, how we are going to proceed with the upcoming year, our tire re-

cycling fundraiser and we welcomed new members.

Every year at least once, sometimes two to three times, we have a tire recycling fundraiser. Anyone who has tires they want to donate to the club can call us, we will come pick up the tires, and take them to the Parkland County Transfer Station.

Lakemere 4-H Beef Club

Continued from Page 1

We are very thankful for the community's support in our club.

This year Lakemere has the following projects; vet sciences, beef (calendar year calf, market steer, carcass steer, yearling heifer, second and third year old cow/caf), cleavers (for ages 6-8), woodworking, and new this year horticulture and foods. Vet sciences is run by Dr. Tammy Nay from the Onoway Veterinary Clinic and the meetings include information on small, large, and exotic animals. The perfect project for the aspiring veterinarian! The beef project has many projects within itself. Beef Weigh In day is on November 6 at the Bowman farm and anyone wanting to participate in the market

beef, yearling heifer or carcass steer projects need to have their animals there.

Cleavers is for the budding 4-H members and is only for kids age six to eight. Activities include crafts, baking, and agriculture related topics. Cleavers are also invited to participate in other projects to discover what they would like to pursue when they are old enough to be in a 4-H project. Woodworking members in previous years have made cutting boards, christmas decorations, and tool boxes. Woodworking meetings are held on weekends at NAIT or another workshop. New this year we are offering horticulture and foods, as there has been an interest from the membership to learn more about gardening and cooking.

Our next meeting will be on November 3 at the Onoway Heritage Centre and start time will be at 7pm. Hope to see some new faces!

JOKE of the week

Once an old man and woman went to a restaurant and ordered two sandwiches. The waiter brought the sandwiches and the old man started to eat but the women was only staring at the food. The waiter noticed this and went to see what the problem was. The old woman said nothing and just stared at him but the old man interrupted and said, "The sandwich is delicious, but she can't eat because I am using her teeth."

WHAT MATTERS TO YOU

Submitted by MLA Getson
Lac Ste. Anne County

The fall weather has been cooperating in our area - fairly warm, not too windy, and touch wood, no white stuff on the ground yet. The leaves are lingering as well, which makes for some amazing photographs around the area that I've been seeing posted up on social media. With that, I'd like to put out a call to those who would be interested in sharing with me some of those photos of our area, so that we can put them up on our web site, and shamelessly promote Lac Ste. Anne - Parkland. I'd like to hear about your harvest stories, your upcoming hunting stories, or any fond fall memories.

This past week I was able to christen my newly opened Mayerthorpe satellite office by meeting with several local farmers who shared some great ideas on how to improve the pasture crop insurance program. It's all too easy just to say it's bad, and that someone needs to fix it - it's much more difficult, and rewarding, to work as a team and come up with real proposals on how to fix it. I've noted down all the ideas and input I received and will be able to apply some of my previous job experience to formulate a method and model for the proposed changes to compare how the two-day rain events in August would have been mitigated with a new model if the rain periods were not monthly, if soil moisture is considered, and taking into account lengthy sustained temperatures combined with wind. Again, hats off to the local folks who rolled

up their shirt sleeves so we could work on this together.

If you read the news, you know there was a bad accident on highway 37, east of highway 779 near Calaloo, which is becoming unacceptably too common. A local Sturgeon County Councilor (Wayne Bokenfohr) has been working on a practical solution - lowering the speeds through that section of road and increasing the size of the school bus signs. Unfortunately, the most recent accident further enforced the need for a speed reduction. I, and other local representatives, will continue to work with Transportation, and the minister's office to accelerate a review, and hopefully have the changes made in short order. I would also like to put out a humble request for those that use that section of road to slow down and keep vigilant so that no one else gets hurt until the changes are made.

PLANNING & DEVELOPMENT

NOTICE OF DEVELOPMENT PERMIT APPROVALS

The following Development Permits have been approved or conditionally approved under the provisions of the Land Use Bylaw. This list does not include Permitted Uses. Interested parties are encouraged to contact the Planning and Development department at 1-866-880-5722 or devassistant@LSAC.ca, Monday to Friday 8:30am to 4:30pm to request additional information on a permit.

PERMIT #	LEGAL LAND DESCRIPTION	DESCRIPTION	APPEAL DEADLINE
21-D0280	SE 32-56-03 WSM 56506 RGE RD 34	Secondary Dwelling 22.0' x 50.0' (1100 sq. ft) 8.0' Walls	Nov. 2, 2021

Anyone who claims to be affected, and who wishes to lodge an appeal against any of the above developments, must do so in writing on the applicable form on or before 4:30pm on the above noted date(s). Secretary of the Subdivision and Development Appeal Board, c/o Lac Ste. Anne County, Planning & Development department, Box 219, Sangudo, Alberta, T0E 2A0.

PLEASE NOTE: Lac Ste. Anne County requires that a non-refundable fee of \$250.00 be paid for every appeal served on the Subdivision and Development Appeal Board. Fees may be paid by Cheque, Visa, MasterCard, Interac or Cash.

What Matters To You

Continued from Page 3

Municipal elections are in full swing, and like many people I've had a chance to get out and vote for a county mayor, a counselor, a school board trustee, and to say whether or not I wanted to mess around with time changes any longer; and of course, I was able to express my concern about

Alberta's equalization payments. I also must confess this was my first municipal election that I participated in. I think this year will be a similar experience for many Albertans. Being involved with many of the elected members of municipal local governments over the last couple of years gave me an appreciation for the strong role they play in our daily

lives, and the part they play in planning for the growth of Lac Ste. Anne - Parkland. When it comes to equalization payments, well, I'm not too sure that there is much in the way of equality in how our current system operates. Some have asked what this referendum accomplish - the answer is not much if considered by itself. Following the vote,

there will be a lot more work to do to ensure the will of Albertans becomes reality. The equalization vote will show how much more attention this subject needs to be discussed at the federal level. It will give a strong mandate to both provincial and Federal representatives who want to advocate for a fairer deal for Alberta.

I'm also hoping that folks can take the time to step away from social media for a few days. Last week my hope was realized as Facebook had server issues. Serendipitously, many stepped away from their screens, talked to each other over the phone, or in person. It was an interesting trend that I believe could be very helpful to the community. I was told one time that social media was like candy: a little is a sweet treat, but too much - well it just rots your teeth. I can see the wisdom in that now.

I look forward to the upcoming week, engaging with as many folks as I can so that when I am back in the Legislature again on October 25th, that I can truly articulate to the speaker and the other MLA's what matters to you.

PLANNING & DEVELOPMENT

NOTICE OF PUBLIC HEARING
of Bylaw 31-2021 (Proposed Road Closure)

LOCATION OF HEARING Council Chambers, County Office 56521 Range Road 65	DATE OF HEARING October 28, 2021	TIME 1:00pm
--	--	-----------------------

Pursuant to the provisions of Section 22 of the *Municipal Government Act*, the Council of Lac Ste. Anne County is considering the closure of the undeveloped road plan, Schedule "A" of Bylaw 31-2021 and is legally described below:

- Road Plan 162 0896 - 0.117 ha (0.29 ac)
- As shown highlighted red and labelled Proposed Road Closure 0.117 ha in the map below (page 3) EXCEPTING THEREOUT ALL MINES AND MINERALS

Written comments on the above proposed Bylaw may be provided prior to 4:30 pm, on October 25, 2021 to:

Lac Ste. Anne County
56521 RGE RD 65, Box 219
Sangudo, AB T0E 2A0

Attn: Tanya Vanderwell, Development Officer
Or email at tvanderwell@LSAC.ca

Interested individuals may attend the Public Hearing to voice their comments. To schedule an appointment please contact Planning and Development Officer Tanya Vanderwell at 780.785.3411.

The proposed amendment and/or application may be reviewed during regular business hours at the County administration office located at 56521 Range Road 65 or on the County website at LSAC.ca/Hearings.

LOCATION SKETCH

OK, so what this fancy language means is that Lac Ste. Anne County is currently considering the closure of the undeveloped road plan. The reason for the closure is that there is no need for the turnaround at this location and a new service road and turnaround will be created as part of 029SUB2021.

KEEPING YOU AND YOUR COMMUNITY INFORMED!

ALBERTA RCMP WARNS CONSUMERS OF ONLINE HAY SALE SCAM

Submitted by Alberta RCMP

Alberta RCMP are warning rural and farming communities to be aware of fraud that affects consumers looking to purchase hay. Due to extreme drought conditions this past summer, there is now a high demand for hay which is being sold at increased costs. This may cause farmers and agricultural workers to make purchases without taking time to properly verify or research production sources.

Across various RCMP jurisdictions this year, various groups have scammed victims of approximately \$64,000. With many cases potentially not being reported, this figure could be higher.

Recently, fraudsters have been placing listings for

hay on social media and buy-and-sell platforms, requesting immediate payment before buyers have the opportunity to research the producer, see the product, or receive delivery. This summer, both Evansburg RCMP and Grande Prairie RCMP received similar reports of transactions on Facebook Marketplace for a purchase of hay where a quantity of money was sent through an e-transfer, but no hay was delivered, and the funds were lost.

In all reported cases of hay fraud, the maximum individual deposit sent to scammers was over \$5,000, and the minimum was \$1,000. For consumers, it is valuable to note that those who avoided being scammed had refused to give deposits in advance,

insisted upon speaking on the phone, and had paid cash upon delivery of goods.

The following key indicators can help you to identify a potential scam across online selling platforms:

- Typically, sellers will only communicate through text messaging and avoid phone conversations.

- Sellers can be located anywhere in the world and will get the attention of buyers by having a specific or specialized knowledge of hay products.

- Pricing will be attractively low and will be consistent with the previous year's market price.

- Often, there will be an insistence of a 50% deposit but once the deposit is received, there may be excuses about delayed delivery and then

communication stops.

TRUNK OR TREAT

Saturday, October 30th, 2021
1:30-4:30PM at the Darwell Cow Palace

Come on down to the Cow Palace, decorate your vehicle, hand out candy or just dress up and bring your kids down for some family fun! Those handing out candy please make individual bags, to be spaced out on table or hand them out with tongs.

If you are coming as a visitor, dressed up and in it for the candy, please park in the hall parking lot and walk in. We will have volunteers on site directing where the cars wanting to decorate and hand out candy are to park and Stage.

There will be FREE hot chocolate and hot dogs courtesy of SANG.

Masks are required. COVID-19 protocol will be followed. The event will be held all outside.

For those handing out candy 150 kids came through the grounds last year

AUTO TUNE-UP
OCTOBER 2021

Auto TUNE-UP

PROTECT YOUR VEHICLE FROM SNOW, ICE AND DAMAGE FROM THE COLD

Winter can be an unforgiving season. Freezing temperatures coupled with snow and ice can take its toll on people who live in climates where cold weather is a fact of winter life.

While winter can test people's patience, it also can be harsh on cars and trucks. Understanding what components of a vehicle can be compromised by dropping temperatures and snowy roads can help drivers take action to safeguard their automotive investments.

While the Canadian Automobile Association notes that winter can wreak havoc on just about every part

of a vehicle, there are some parts that seem to bear the brunt of Old Man Winter's abuse. Properly servicing and caring for a car or truck can help.

Drivers should take their vehicles for a tuneup and inspection before wintry weather arrives. A mechanic will examine the car battery and check antifreeze levels and make sure that the thermostat, defroster, brakes, and even wiper blades are working effectively. Have the tires inspected for adequate tread, which can make navigating roads safer. If the treads are worn, replace the tires.

In addition to visiting their mechanics, drivers can perform some inspections and fixes themselves.

Protect Your Vehicle From Snow, Ice And Damage From The Cold

Continued from Page 7

Check that all of the vehicle's lights are operational so your car can be easily seen during inclement weather. Exchange your existing windshield washer fluid with one that will not freeze in cold conditions. Check the nozzles on the windshield-washer

system routinely and clear out any blockages of ice or debris. While addressing windshield washer fluid, also replace worn out windshield wiper blades with ones that can withstand snow and icy weather.

A new coating of wax can serve as a shield against road salt, snow, sleet, and rain. Try a polymer wax to protect the paint. Whenever possible, rinse off salt and grime so it does not dry on the car and gradually wear away at the paint. Some drivers mistakenly believe that salt stops being a problem

once it dries simply because moisture is the active ingredient for a corrosive reaction. But humidity in the air is enough to keep the salt eating away at the car's paint, and that can contribute to rust. Be sure to rinse off the undercarriage of the vehicle as well.

Have your tires' alignment checked toward the end of winter or early spring. A season of traveling over pothole-ridden roads or hitting curbs buried under snow drifts can affect the alignment. Get everything back on track. Similarly, inspect tires routinely, as weather changes can affect tire pressure and strength.

Use a soft snow

brush or a foam brush to clear snow off of the car. Avoid hard plastic scrapers you might use on your windshield, as they can scratch painted surfaces.

Try to park the vehicle in a garage or under a car port, each of which can protect cars and trucks from the often harsh elements of winter.

Vehicles can be affected by the cold weather. Keep them running efficiently to prevent damage this winter.

PLANNING & DEVELOPMENT

NOTICE OF PUBLIC HEARING
 of Bylaw 30-2021

LOCATION OF HEARING	DATE OF HEARING	TIME
Council Chambers, County Office 56521 Range Road 65	October 28, 2021	1:30pm

Pursuant to the provisions of Section 692 of the *Municipal Government Act*, the Council of Lac Ste. Anne County is considering an application for redistricting application to adopt an Area Structure Plan for Deep Creek Camping & Events under Bylaw 30-2021:

- **Bylaw 30-2021 for Redistricting Application 006REDST2021, SW 01-57-07 W5M for adoption of Deep Creek Camping & Events Area Structure Plan.**

Written comments on the above proposed Bylaw may be provided prior to 4:30 pm, on October 27, 2021 to:

Lac Ste. Anne County
 56521 RGE RD 65, Box 219
 Sangudo, AB T0E 2A0

Attn: Abdikani Elmi, Development Officer
 Or email at aelmi@LSAC.ca

Interested individuals may attend the Public Hearing to voice their comments. To schedule an appointment please contact Planning and Development Officer Abdikani Elmi at 780.785.341.

The proposed amendment and/or application may be reviewed during regular business hours at the County administration office located at 56521 Range Road 65 or on the County website at LSAC.ca/Hearings.

LOCATION SKETCH

OK, so what this fancy language means is that a landowner/developer has applied to the municipality to redevelop an existing campground and to adopt a formal plan known as the Deep Creek Camping & Events Area Structure Plan. Before this can happen, a bylaw must be drafted, and a public hearing held first. The ad above is to let folks know about when and where the Public Hearing will take place.

PURE HEMP PRODUCTS

AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

A Health and Beauty Breakthrough!

Cannabidiol, is one of over 80 active cannabinoid chemicals in the hemp plant. Unlike, THC, it does not produce euphoria or intoxication. It targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using these products for both treatment and prevention of numerous ailments.

Therapeutic Uses For Pure Hemp

Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

Anti-Aging Uses For Pure Hemp

Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

KEY BENEFITS

PAIN RELIEF: Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.
PROMOTES HEALTH: Helps to promote relaxation and overall health.
WELL-BEING: Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.

PET PRODUCTS

PET CHEW TREATS

KEY BENEFITS

SYNERGISTIC BENEFITS: Can be used in conjunction with regular medications with no side effects.
NO SIDE EFFECTS: Does not damage the liver, kidney or GI Tract like OTC medication.
DIETARY SUPPLEMENT: Can be administered daily as part of your pet's diet.

ORAL SPRAYS & DROPS

KEY BENEFITS

MANAGES PAIN: Helps to treat inflammation, arthritis and joint pain.
TREATS DIGESTIONAL ISSUES: Helps with loss of appetite, nausea, IBS and gastrointestinal swelling.
GENERAL HEALTH: Helps to manage mood, anxiety and general joint pain. For healthy, happy pets.
CONVENIENT: Can be sprayed into pet's mouth or on food.

For more information, Call (780) 907-8642

SUDOKU

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

ANSWER:

1	4	3	5	7	9	6	2	8

Clients first...Service Always!

We now carry Manuli! They are a European manufacturer and they engineer it all in Europe. All of their product is produced in their own factory, no outsource. Adding this in we have been able to gain access to many of the European fittings that have become much more common in North America.

BSPB, Metric Din, Metic cone, JIS.

These fittings are clear across all brands John Deere, Case, New Holland, JCB, Fendt, Massey Ferguson. Many of the implements that have been sold in the last few years have also used these predominantly European fittings.

We offer these services

- CVIP Inspections
- Hydraulic hose crimping and thousands of adapters in stock.
- A/C Repair
- Espar and Webasto Repair, Installation.
- Engine Repair and Rebuilding.
- Power train/Driveline repair and service.
- Suspension and frame repair.
- Two Fully equipped service trucks for mobile needs.

WE STOCK PARTS FOR ALL MAKES AND MODELS OF TRUCKS, DRIVELINE & ENGINES.

We repair

- Truck Transport
- Heavy Equipment
- Automotive
- Industrial
- School Bus
- Agriculture
