CANADA SUMMER JOBS 2022 - ALBERTA

Submitted by Canada Summer Jobs

Good morning, We are hoping you can help us get the word out about the launch of the

2022 Canada Summer Jobs (CSJ) application period for employers. Canadian employers and small businesses have been hit hard by the COVID-19 pandemic, and some are

struggling to hire the workers they need. Young people have also been impacted, and continue to face obstacles in finding quality jobs ...

WE NEED THE PUBLIC'S HELP TO LOCATE CHARMAINE BEAR

Submitted by Alberta RCMP

North Battleford RCMP is again seeking the public's assistance to help locate 34-year-old Charmaine Brett

Bear (1987-02-10), also known as Charmaine Spyglass, from Battleford, Saskatchewan.

A media release was issued February 4, 2021 related to this investigation. Several tips and

information from the public were followed up on, but Charmaine has not been located to date.

Canada Summer Jobs 2022 – Alberta

Continued from Page 1

... that will help them earn money, grow professionally, and build their careers.

The CSJ Program is a long-standing Government of Canada program that strives to help youth from ages 15–30 obtain their first summer work experience.

This year, the program

is aiming to create up to 100,000 full-time summer jobs for young people across the country.

This program is a win-win for local businesses and youth. Public and private sector employers will be reimbursed for up to 50% of Alberta minimum wage, and not-for-profit employers will be fully reimbursed

for Alberta minimum wage! At the same time, young people in Alberta will gain experience they need and make money at the same time. Employers interested in applying for funding to hire young Canadians next summer have until January 25, 2022 to submit their applications.

Canada-Alberta Livestock Feed Assistance AgriRecovery

Continued from Page 1

... (a secondary payment) to help cover costs over and above the phase one initial payment. Due to prolonged dry weather and extreme high temperatures, many producers experienced reduced grazing capacity causing a severe eco-

nomie hit.

The secondary payment will be calculated using a feed-need calculation, supplemented by proof of eligible expenses, for all livestock with the exception of bees. Eligible beekeepers can be compensated for up to 70 per cent of the extraordinary costs associated

with feed (pollen patties or syrup) required to prepare eligible hives for winter to a maximum of \$7.50 per hive/colony.

Application deadline is January 31, 2022.

JOKE of the week

Reaching the end of a job interview, the Human Resources Officer asks a young engineer fresh out of the Massachusetts Institute of Technology, "And what starting salary are you looking for?" The engineer replies, "In the region of \$125,000 a year, depending on the benefits package." The interviewer inquires, "Well, what would you say to a package of five weeks vacation, 14 paid holidays, full medical and dental, company matching retirement fund to 50% of salary, and a company car leased every two years, say, a red Corvette?" The engineer sits up straight and says, "Wow! Are you kidding?" The interviewer replies, "Yeah, but you started it."

We Need The Public's Help To Locate Charmaine Bear

Continued from Page 1

She was charged in January, 2021 with:

1 count, failing to provide the necessaries of life, Section 215 of the Criminal Code

1 count, Criminal Negligence Causing Bodily Harm, Section 221 of the Criminal Code.

As a result of continued investigation, Charmaine Bear now faces additional charges of:

1 count, aggravated assault, section 268(2) of the Criminal Code

2 counts, assault, section 266 of the Criminal Code

2 counts, uttering threats, section 264.1(1)(a) of the Criminal Code

This investigation began in December, 2020 when North Battleford RCMP and North Battleford RCMP General Investigation Services received a report of alleged child abuse.

Warrant for arrest extended to Alberta

The warrant for her arrest has been extended Alberta-wide as investigation has determined Charmaine has been seen in the City of Edmonton, Alberta. She is also known to frequent the Lloydminster, North Battleford, Mosquito First Nation and Saskatoon areas.

It is believed she is actively evading police and traveling between and staying in some or all of these locations.

Clothing and appearance descriptors

Charmaine is described as being:

also known to go by the name "Charmaine Spyglass"

5'6" tall,

123 lbs with a slender build

long, black hair that she is known to wear tucked up under a ball cap

brown eyes

she is known to wear baggy clothing

she is known to wear sunglasses indoors

Male charged in relation to same investigation

Lyle Aaron Bear (1987-03-02) was arrested and charged in relation to this investigation in January, 2021. There is no warrant for his arrest. He faces charges of:

1 count, failing to provide the necessaries of life, Section 215 of the Criminal Code

1 count, criminal negligence causing bodily harm, Section

221 of the Criminal Code.

1 count, aggravated assault, section 268(2) of the Criminal Code

2 counts, assault, section 266 of the Criminal Code

2 counts, uttering threats, section 264.1(1)(a) of the Criminal Code

2 counts, assault with a weapon, section 267(a) of the Criminal Code

Bear will appear in North

Battleford Provincial Court on January 18, 2022 at 10:00 a.m.

Charmaine and Lyle may be together

It is believed Charmaine and Lyle may be traveling together. They may have several children with them.

PUBLIC HEARING – PROPOSED BYLAW NO. 21-180 AMENDMENT OF LAND USE BYLAW 10 -157

In accordance with Section 606 of the Municipal Government Act, you are hereby advised that the Summer Village of Point Alison Council is considering Bylaw 21-180. If passed, this Bylaw would have the effect of closing a Portion of Prospect Drive in the Summer Village of Point Alison within the N.W. ¼ of Section 2 - 53- 4 - W5

In accordance with Section 22 of the Municipal Government Act, the Summer Village of Point Alison Council would like to hear from those persons who claim to be affected by proposed Bylaw 21-180.

Due to the Covid pandemic, the Public Hearing is being held via teleconference on:

January 18, 2022, at 6.00 PM.

All interested persons are encouraged to express their views by providing a written submission by email to Brenda Bennett CAO Summer Village of Point Alison, svpointalison@outlook.com.

Brenda in return will send you the link to the meeting.

Written submissions will be accepted up to 24 hours prior to Public Hearing of January 18, 2022. In order for persons to speak at the meeting we will require a written submission before hand.

Speakers will be given 5 minute to speak.

Any questions regarding the proposed Bylaw should be directed to Brenda Bennett at svpointalison@outlook.com or Gordon Wilson gord@gwilson.ca

EDSON & COUNTY RECREATION MULTI-USE FACILITY UPDATE

Submitted by Town of Edson

Progress continues on the joint Edson and Yellowhead County Recreation Multi-Use Facility.

The Project Management Committee has been meeting virtually with three pre-qualified bidders working on their proposal submissions for the project. Proposals will include a design of the facility, costing, and a construction timeline.

The goal is for proposals to be presented to the Town of Edson and Yellowhead County Councils in the spring, with potential ground-breaking at the Hillendale location in the late fall of 2022. The build time will span two-and-a-half to three years, and the joint Council-based Steering Committee directing the project sees no barriers to meeting that timeline.

“The Town of Edson is very pleased to see this exciting project moving forward,” said Edson Mayor Zahara. “This type of facility will be a great benefit to the region, and we’re extremely pleased to work with

our partners in Yellowhead County, as well as the provincial and federal governments to see it to fruition.”

County Mayor Wade Williams said, “The steering committee is eagerly awaiting the design options from the three bidders. The committee and administration have worked hard to ensure the input from our residents and stakeholder groups is reflected accurately in this new facility--we want to get it right.”

This \$70 million project will provide a full range of ice, aquatic, walking track,

and gymnasium-based recreation and sport development opportunities for the residents of all ages in the region, now and into the future. The project priorities that were set are function over form, maximized utilization, and operational efficiencies through design with a focus on flexible spaces.

Both municipalities remain committed to the project and to fostering their historic partnership, which is one of the strongest in the province.

Build your very own **BEE HOTEL** & webinar! Feb 2 5 - 6:30 PM

Yellowhead County's Agricultural Services presents:

Take-Home Bee Hotel Building Kit .

And Live Pollinator Webinar with experienced bee-keeper **Patty Milligan**. Your step-by-step instructions will be included when you pick up your kit and you can build it whenever you like!

ALBERTA RCMP ENFORCE ROADWAY SAFETY THROUGHOUT THE HOLIDAY SEASON

Submitted by Alberta RCMP

Over the course of the holidays, the Alberta RCMP were helping to make the season safe, merry, and bright for all road users. Between Dec. 24, 2021 and Jan. 3, 2022, RCMP carried out enforcement initiatives focussed on promoting traffic safety and issued a total

of 1,812 traffic tickets across the province.

Overall, 506 individuals were ticketed for speeding, 55 motorists were caught distracted driving, and 125 impaired drivers were removed from the roads by way of provincial Immediate Roadside Sanctions. Due to a variety of aggravating factors, of the 125 impaired

drivers, 15 were also charged with Criminal Code Impaired Driving by Alcohol. Another 1,251 motorists received tickets for traffic safety violations including careless driving, driving with a prohibited or suspended license, moving offences, and more.

In total, Alberta RCMP recorded 1,952 roadway offences

compared to last year's 2,578.

The holidays are a time spent creating memories and #UnwrappingMoments with loved ones. This season, through traffic education and enforcement initiatives, the Alberta RCMP worked to help you and yours arrive home safely.

ALBERTA RCMP LAUNCH MOBILE APP TO HELP KEEP ALBERTANS INFORMED

Submitted by Alberta RCMP

Alberta RCMP has officially launched their brand-new mobile app for iOS and Android devices. The app has been developed to simplify online user experience on mobile devices to ensure that Albertans can access information quickly and conveniently. The app is

available as a free download through Apple or Google Play.

Developing the app allows the Alberta RCMP to provide the public with online access to news, crime reporting, detachment locations, crime mapping and statistics, and a map for initiatives like Project Lock Up. The app also provides access to partner law enforce-

ment services, mental health supports, Crime Stoppers and links to Alberta RCMP social media accounts.

Even though the app provides convenient links to Alberta RCMP social media account, this app will not replace existing website, social media feeds, or other sources for information. The tool also will

not replace other methods of crime reporting, engagement, or emergency assistance. Citizens should remember that social media posts or use of other third-party crime apps are not appropriate ways to report a crime.

TALK • ASK • LISTEN

Online Mental Health Session for Farmers

January 31, 6-10 PM | FREE to Attend

This webinar is for agricultural producers, workers, and organizations serving them.

Learn about:

- Signs and symptoms of mental illness
- What support looks like for mental health
- How to prepare and have conversations with a fellow producer or family member
- How to support others as well as yourself, and how to access ag-specific resources.
- Self care and prevention strategies.

Registration deadline is January 25.
Registration is limited!
Call 780-325-3782 or wrobinson@yhcounty.ca to register.

EDSON RCMP INVESTIGATE FATAL COLLISION

Submitted by Edson RCMP

On Jan. 5, 2022, at approximately 6:35 p.m. Edson RCMP, RCMP Forensic Collision Reconstruction, Yellowhead County Fire Department, Yellowhead County Peace Officers and EMS responded to a two vehicle collision in the west-

bound lanes of Highway 16 near Range Road 130 (Niton Junction).

The preliminary investigation revealed a small passenger car that was travelling westbound had collided with the rear of a westbound semi-tractor trailer. The semi-tractor trailer had entered onto the

highway and was accelerating when it was struck by the car. The driver of the car was the sole occupant and had to be extricated from the vehicle by fire crews. A 37-year-old man, from Edson, was pronounced deceased at the scene. The name of the deceased will not be released.

The driver of the semi-tractor unit was not physically injured.

The Edson RCMP and RCMP Forensic Collision Reconstruction continue to investigate this collision; however, no charges are anticipated.

TIPPLE PARK MUSEUM LOOKING FOR WEDDINGS DRESSES FROM 1930 – 1980 FOR AN UPCOMING EXHIBIT

Submitted by Tipple Park Museum

Oh, Weddings. A time to focus on both the Bride and Groom, especially the Bride. Pinpointing every detail, the Bride chooses everything from colors, bridesmaid dresses, cake, and the most important thing of all, the dress. Dresses come in all colors, shapes, and designs, the wedding dress defines a Bride's personality and makes her stand out

amongst everyone.

As the years, and decades change, so does the wedding dress. In the 1930s, most Brides wore silk or satin dresses, typically opting for long-sleeve styles with a small train and a minimal ornamental design.

During the 1960s long veils and trails fell out of style, brides reached for birdcage veils and hats while walking down the aisle in a short swing dress.

The eighties showed us the bigger the dress, the better. Dresses were made to take up space with high lace necklines, gathered sleeves, and fluffy details.

This year Tipple Park Museum would like to showcase your wedding dress or loved ones from the years 1920 – 1980. The dresses would be on loan for a three-month time frame, ending at the end of April.

We are currently taking dresses in for loan start-

ing January 5th to January 19th. Along with the dress, we request a wedding picture to photocopy and a small write-up explaining how you found the dress.

If you have any further questions please phone: 780.727.2240 or email tippleparkmuseum@gmail.com Our office hours are Wednesday – Saturday 10 – 4 pm.

ARTICLE FROM MLA SMITH

Submitted by Mark Smith, MLA for Drayton Valley

While 2021 has been a challenging year for many Albertans, there is a lot worth celebrating from this past year.

Alberta is leading Canada's economic comeback. We replaced approximately 340,000 jobs that were lost due to the pandemic, and we added approximately 105,000 new jobs that will help Albertans pay their bills and mortgages. At 64 per cent, Alberta now has the highest employment rate in the nation.

2021 saw the return of

high oil prices. Our province is now producing more oil than ever before in our history. According to a recent forecast from the Canadian Association of Energy Contractors, Alberta will see over 6,000 new wells drilled in 2022 – a 26 per cent increase from 2021.

In 2021, we continued our focus on diversification, with burgeoning industries like technology having banner years in our province. Alberta is now home to more than 3,000 technology companies, a 233 per cent increase since 2012. 2021 also saw Amazon Web Services recently announce

that it's building a data hub in Calgary. This \$4.3 billion investment will create 1,000 new jobs and marks the largest technology sector investment in Alberta history.

Our film and television industry also had a record year in our province, with more than 50 major productions underway, supporting over 9,000 jobs. These projects include HBO's *The Last of Us*, the largest production in Canadian history. With Alberta being featured in movies like *Ghostbusters: Afterlife*, it's easy to understand why our province is fast becoming

the new "Hollywood North."

2021 saw historic industry investments in renewables. Air Products is investing \$1.3 billion to build a net-zero hydrogen energy complex near Edmonton and Dow Chemical is investing up to \$10 billion to build the world's first net-zero carbon emissions ethylene and derivatives complex near Fort Saskatchewan, marking the biggest capital investment in the province in 15 years.

Article From MLA Smith

Continued from Page 6

This is just a couple of the exciting investments happening in Alberta that will create thousands of new jobs for our workers.

We know the pandemic has been hard on many Albertans, so we made historic investments to support those struggling with addiction. In 2021, we doubled down on addiction treatment announcing that the government will fund more than 8,000 addiction treatment spaces annually, doubling the original commitment made in 2019 and firmly establishing Alberta as a national leader in treating addiction.

In 2021, we fought for and delivered a made-in-Alberta childcare plan that protects Alberta's mixed-mar-

ket system. This new plan will make childcare more affordable for families with kids aged zero to kindergarten by reducing fees by an average of half in early 2022 and by 2026, all Alberta families will pay an average of \$10 per-day for childcare. And unlike the NDP's proposed plan, we delivered a plan that includes private operators who make-up most of our system.

In 2021, we were proud to deliver on a promise to give Albertans a say on Canada's broken equalization system and watched as over 60 per cent of voters voted in favour of reform. We will continue to update you as we proceed to our next steps of fighting for a fair deal for Alberta within our confederation. 2021 also saw what economist Trevor Tombe called "the largest

improvement in provincial finances ever recorded." The deficit for 2021-22 is now forecast at \$5.8 billion. This is \$12.4 billion lower than the budget estimate and \$1.9 billion lower than the first quarter fiscal update. Total revenue in 2021-22, meanwhile, is forecast at \$57.9 billion, \$14.2 billion higher than the budget estimate and \$2.9 billion higher than the first quarter fiscal update. In 2022, we will remain focused on prudent fiscal management to ensure our province's books are healthy.

Alberta's Recovery Plan is working, and Albertans are going back to work. In 2022, our United Conservative government will remain relentless in delivering jobs and investment for Alberta families and businesses. Truly, our best days are still

to come.

NEW YEARS ARTICLE

Submitted by Mark Smith, MLA for Drayton Valley

For Albertans living outside the two big cities of Edmonton and Calgary, the announcement of a memorandum of understanding (MOU) for broadband funding between the Government of Alberta and the Government of Canada was an early Christmas present.

Having reliable, high-speed internet connectivity is important for all Albertans, and it is essential to Alberta's recovery and for economic diversification. That's why it's so great that Service Alberta Minister Nate Glubish secured a dollar-for-dollar matching funding agreement between the Government of Alberta and the Government of Canada.

From education to agriculture to small business, reliable connectivity will help Albertans interact with the global economy, innovate for local solutions, and succeed. The COVID-19 pandemic has highlighted more than anything else could, the need for better connectivity in rural, remote and Indigenous Alberta communities.

Since Alberta's government announced up to \$150 million in broadband funding this past July, many people have asked how the money would be deployed and what the province's timeline for universal connectivity is. While the MOU was signed in August between Minister Glubish and his former federal counterpart, Maryam Monsef, a federal election was called and a new cabinet sworn in, which meant that those details could not be released until now.

Now that we can talk about how the \$300 mil-

lion in joint funding will be deployed, it's important to reiterate something Minister Glubish has consistently said over the past two years: we cannot afford to duplicate work and overbuild. With a need to reach the 80 per cent of First Nations communities and the 67 per cent of rural and remote communities that do not

currently have reliable internet access, we need to be strategic and work together with all levels of government and the private sector to fund shovel-ready projects that have the greatest impact. The best way to do this is to leverage the applications that were already submitted to the Universal Broadband Fund (UBF). In

doing this instead of creating a separate provincial grant program, all parties working to eliminate the digital divide are working together and not in competition.

New Years Article

Continued from Page 9

Leveraging the UBF program also means that both governments have been able to spend the past several months reviewing the hundreds of applications received from Alberta project proponents so that the first projects can be announced in early 2022 and shovels can be in the ground during the 2022 construction season. Broadband connectivity is a priority for Alberta's government, and we are pushing to connect Albertans as soon as 2023/24. That is an aggressive date, but it is important that we signal to all Albertans and all our partners in the private sector and in other levels of government that we are committed to ending the rural-urban connectivity divide.

We also must be realistic, and it is far more likely to take an additional several years to achieve universal connectivity. Part of the reason for this is that there is only so much industry capacity to complete the work and, because of the pandemic, supply chain issues are affecting the global availability of materials – for fibre optic cable, electronics, and other items be-

cause of the pandemic.

This collaboration is a game changer for rural Alberta and we're working hard to get projects announced and shovels in the ground.

PURE HEMP PRODUCTS

AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

A Health and Beauty Breakthrough!

Cannabidiol, is one of over 80 active cannabinoid chemicals in the hemp plant. Unlike, THC, it does not produce euphoria or intoxication. It targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using these products for both treatment and prevention of numerous ailments.

Therapeutic Uses For Pure Hemp

Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

Anti-Aging Uses For Pure Hemp

Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

KEY BENEFITS

PAIN RELIEF: Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.

PROMOTES HEALTH: Helps to promote relaxation and overall health.

WELL-BEING: Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.

PET PRODUCTS

PET CHEW TREATS

KEY BENEFITS

SYNERGISTIC BENEFITS: Can be used in conjunction with regular medications with no side effects.

NO SIDE EFFECTS: Does not damage the liver, kidney or GI Tract like OTC medication.

DIETARY SUPPLEMENT: Can be administered daily as part of your pet's diet.

ORAL SPRAYS & DROPS

KEY BENEFITS

MANAGES PAIN: Helps to treat inflammation, arthritis and joint pain.

TREATS DIGESTIONAL ISSUES: Helps with loss of appetite, nausea, IBS and gastrointestinal swelling.

GENERAL HEALTH: Helps to manage mood, anxiety and general joint pain. For healthy, happy pets.

CONVENIENT: Can be sprayed into pet's mouth or on food.

For more information, Call (780) 907-8642

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

ANSWER:

2	1	3	6	8	7	5	4	9
8	9	7	1	5	4	2	6	3

PREVAIL CELLULAR HOMEOSTASIS FORMULA MAX

A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU
...RIGHT DOWN TO THE LAST CELL!

How do you want your **BLOOD** to look?

Before PrevailMAX:

- poor circulation
- low energy
- brain fog
- dehydration
- decreased nutrients
- pH imbalance
- poor endurance

After PrevailMAX:

- better circulation
- more vitality
- mental clarity
- cellular movement
- nutrient assimilation
- balanced pH
- optimal endurance

PrevailMAX™ is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells.

When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!
