# CANADA EMERGENCY BUSINESS ACCOUNT LOAN FORGIVENESS REPAYMENT DEADLINE EXTENDED

Submitted by Gerald Soroka MP of Yellowhead

Gerald Soroka Member of Parliament for Yellowhead wishes to advise that the – Canada Emergency Business Account (CEBA) Loan Forgiveness Repayment Deadline has been extended. The repayment deadline for CEBA loans to qualify

for partial loan forgiveness is being extended from December 31, 2022, to December 31, 2023, for all eligible borrowers in good standing.

This extension will support short-term economic recovery and offer greater repayment flexibility to small businesses and not-for-profit organizations, many of which are facing

continued challenges due to the pandemic. Repayment on or before the new deadline of December 31, 2023, will result in loan forgiveness of up to a third of the value of the loans (meaning up to \$20,000).

Outstanding loans would subsequently convert to two-year term loans with interest of 5 per cent per an-

num commencing on January 1, 2024, with the loans fully due by December 31, 2025.

The repayment deadline to qualify for partial forgiveness for CEBA-equivalent lending through the Regional Relief and Recovery Fund is also extended to December 31, 2023.

# 2022 PROPERTY ASSESSMENT NOTICES ARE ON THE WAY

Submitted by City of Leduc

The number of property

owners has been corrected from 1,500 to 14,000.

This year, about 14,000

City of Leduc property owners can expect to receive their 2022 property assessment notices in the mail. The assessment notice shows the market value of your property, which will be used to calculate the annual municipal property tax and provincial education tax for 2022. This process ensure taxes are distributed in a fair and equitable manner in relation to the open market.

Once property owners receive their notices, please take the opportunity to review the notice. Owners

who have any questions or concerns can follow up with the City until March 29 by:

- Phone: 780-980-7105
- Email: [property-taxes@leduc.ca](mailto:property-taxes@leduc.ca)

Assessment notices are not to be mistaken for the property tax bill, which will be mailed out in May.

# COMMUNITY REPORTING IS NOW AVAILABLE AT LEDUC RESIDENTS' FINGERTIPS

Submitted by City of Leduc

The SeeClickFix app allows residents to easily submit and track city maintenance concerns.

Reporting community concerns is now just a click away for Leduc residents with the City's launch of a partnership with the SeeClickFix app.

The app allows residents to

quickly and easily submit a report directly to Public Services staff when they see a problem in the community such as:

- potholes,
- broken playground equipment,
- vandalism, or
- downed or damaged traffic signals.

When an issue is reported through the app, residents can

opt to also submit a photo of the problem and can choose to be notified of progress as City staff respond to and fix the issue. All reports that are submitted are directed straight to Public Services staff for an efficient and expedited follow-up.

The app is available on Apple and Android devices through a free download. A digital form to submit concerns to Public

Services is also available on the City's 'Report It' page, and residents are still encouraged to use this page to submit issues other than city maintenance concerns (e.g. illegally parked vehicles, Community Standards Bylaw complaints, missed garbage pickup).

# LEDUC RCMP TAKE POLAR PLUNGE FOR THE 3RD YEAR

Submitted by Leduc RCMP

Leduc RCMP are #FreezinForAReason in their 3rd annual Polar Plunge to support Special Olympics athletes in the Leduc community.

The Polar Plunge annual events have moved to a virtual event again this year and Leduc RCMP decided to get creative in support of Special Olympics Alberta. On Jan. 22, 2022 Leduc RCMP Team Copsicles achieved their initial fundraising goal of \$250 and team captain, Constable Cheri-Lee Smith along with Constable Hannah Willoughby did a snow angel as a show of appreciation to supporters.

On Feb. 10, 2022 at 5 p.m., to continue their fundraising efforts, Cst. Cheri-Lee Smith will again be #FreezinForAReason with Leduc County Fire Chief Keven Lefebvre where they will be going for a bone-chilling dip in a 4000L portable water tank.

The final Polar Plunge will be done by members of team Copsicles on March 5, 2022 in partnership with City of Leduc Fire Services where they will chill-out while being sprayed by a fire hose.

"Tis the season to be freezin and we are looking forward to the opportunity to raise awareness and donations in support of Special Olympic athletes" says Constable Cheri-Lee Smith.

# LEDUC RCMP CHARGE MALE FOR THEFT OF TRUCK

Submitted by Leduc RCMP

On Jan. 19, 2022 at approximately 3:56 a.m., Leduc RCMP responded to a report of a theft of vehicle in progress in the area of 49 Street in Calmar.

Leduc RCMP attended the area and observed a truck with a broken rear window and an unknown suspect inside attempting to steal the vehicle. During the arrest, the suspect resisted resulting in the deployment of a Conducted Energy Weapon to gain compliance of the male suspect.

Emergency Medical Services attended the scene

to assess the suspect who was released into police custody. Two officers required treatment for their injuries at a medical facility. "This is a clear example of the extent that criminals will undergo to avoid being arrested" says Inspector Jeff McBeth, Officer in Charge of the Leduc RCMP. "Our members will not be deterred from doing their duties in keeping Albertans Safe. And I am grateful they both will recover from their injuries."

As officer's continued their investigation, they located two additional suspects in another truck.

While approaching the suspects, they fled the area in the grey truck with a broken rear window and in the process struck three parked police cars causing extensive damages. No officers were injured as a result.

Morgan Bud Hansen (27) from Winfield, Alta. has been charged with the following:

- Assault police officer (x2)
- Resist arrest
- Mischief over \$5,000
- Theft of truck
- Fail to comply with condition of release (x4)
- Possession of

weapon for dangerous purpose

Hansen was also arrested on six outstanding warrants out of Camrose, Alta., Winfield, Alta. and Drayton Valley, Alta.

Following a judicial hearing, Hansen was released to appear in Leduc Provincial court on Jan. 26, 2022.

Leduc RCMP continues the search for the two suspects. The vehicle they fled in has been located and seized for further investigation.

## ALBERTA'S ECONOMY IS HEATING UP, EVEN AS THE TEMPERATURES GROW COLD.

Submitted by Mark Smith, MLA for Drayton Valley

Despite the chilly season, our caucus has been hard at work. We continue to prioritize Alberta's Recovery Plan, which is our action-focused plan to get Albertans back to work and usher in a new era of prosperity. Last year, we added hundreds of thousands of new jobs to our economy, and the numbers indicate high levels of growth across all sectors. Things are looking up for everyone, including our dynamic agriculture sector.

Albertans rely on the hard work of our farmers and livestock producers. Unfortunately, last year, Alberta experienced severe drought conditions across the province. Our government worked with Alberta's agriculture producers to ensure their needs were being met

through these challenging circumstances. Now, we're seeing the positive results of these efforts.

On November 24, Statistics Canada released its third quarter (January to September 2021) farm cash receipts and finalized 2020 farm income estimates. I'm proud to report that for the first three quarters of 2021, farm cash receipts increased on a year-over-year basis to a new record and ranked first among all Canadian provinces.

To be specific, Alberta's total third quarter farm cash receipts increased 15.8 per cent from the same period in 2020, to a record \$13.3 billion. But not only did we rank first in total farm cash receipts – we also ranked first in livestock market receipts, cattle and calf receipts and program payments.

Alberta's Recovery Plan is focused on growing our agriculture sector and supporting Alberta's farmers and farm families. Our United Conservative government greatly values the role of farmers and agriculture producers across our province, and we will always be there to support them.

Our government recently announced a major investment of \$117 million to improve irrigation infrastructure across 10 Alberta irrigation districts. I am also pleased to announce that agriculture producers now have another opportunity to apply for financial aid. Our next phase of support for Alberta livestock producers has now opened. Now, livestock producers and beekeepers can apply for phase two of the 2021 Canada-Alberta Livestock Feed Assistance AgriRecov-

ery initiative. Through this program, we have been rapidly deploying assistance to thousands of producers to cover the costs incurred by last year's drought conditions. We have committed up to \$340 million in compensation to help members of this vital industry get back on their feet. You can find more information about eligibility at [www.alberta.ca](http://www.alberta.ca) or at <https://afsc.ca/news/phase-two-agri-recovery-applications-now-open/>.

I want to offer my sincere thanks to all Albertans who are a part of the agriculture industry. This past year has been difficult, but your hard work has helped keep our province afloat. We want to see your businesses not only recover, but also prosper in the coming year.

# Bridal Guide

## NAVIGATING AN INTERFAITH WEDDING

Celebrating family histories and traditions is a major component of weddings. During a wedding, two families come together and begin to merge their unique takes on life.

When couples tying the knot come from the same cultural or religious backgrounds, fitting the pieces together may be relatively easy. However, when a wedding must incorporate two different religions - each with its specific traditions and requirements - a couple may not know where to start. These tips may help the process along.

### Communication

It is important to open a dialogue with all involved parties at the onset to be able to craft a ceremony and subsequent celebration that aligns with the faiths of

the couple and their families. This dialogue shares what everyone expects. Ask everyone to rank the rituals they would like to be included by order of importance, and then use this as a guide when planning the ceremony.

### Discuss options

Certain houses of worship may be strict in regard to what they allow during interfaith ceremonies. Conservative congregations may even frown upon marrying outside of one's religion. That may spark an entirely new conversation about converting so couples can be married in the eyes of the church, temple or mosque. More reformed places may be open to blending certain traditions from both faiths. Couples often lean toward having one officiant from each faith at

the ceremony to incorporate key rites into the wedding.

### Neutral ground

Interfaith couples may opt to have the ceremony at a neutral location so they do not appear to be paying favor to one faith over another. Determine if religious officiants can oversee the ceremony outside of a place of worship and still have the marriage recognized by the tenets of that faith.

### Secular officiant

In instances when it may seem like there are too many obstacles to having faith-guided ceremonies for interfaith weddings, wedding planners may suggest some creative solutions, including working with a secular officiant. Traditions such as lighting a unity candle or blending two different

sands together to signify the blending of two faiths and families can be part of the ceremony, suggests the lifestyle company Sheerluxe.

### Give others tasks

Couples may be unfamiliar with each other's religious traditions. Sharing faith-specific wedding planning tasks can help couples and their families become more familiar with these customs.

Interfaith weddings require extra planning and finesse, but millions of couples get married in such ceremonies every year.

# LEDUC RCMP ON SCENE OF SERIOUS MOTOR VEHICLE COLLISION

Submitted by Leduc RCMP

Traffic flow has resumed in the area of Highway 814 and Township Road 502 in Leduc County following two collisions.

Preliminary investigation revealed a pickup truck was travelling north bound

and collided head on with a south bound SUV one-mile south of the intersection of Highway 814 and Township Road 502 in Leduc County. The driver of the pickup truck, a 75-year-old male from Beaumont, Alta. was assessed for injuries and released on scene.

The driver of the SUV, a 29-year-old female from Edmonton, Alta. was transported to local area hospital with minor injuries. A second collision occurred between responding emergency vehicles and three occupants in the ambulance were transported

to a local area hospital as a precaution. Leduc RCMP, along with an RCMP Collision Reconstructionist continue to investigate the cause of the collisions.

**SUDOKU** of the week

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

# PREVAIL CELLULAR HOMEOSTASIS FORMULA MAX

A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU  
...RIGHT DOWN TO THE LAST CELL!

## How do you want your **BLOOD** to look?

### Before PrevailMAX:

- poor circulation
- low energy
- brain fog
- dehydration
- decreased nutrients
- pH imbalance
- poor endurance

### After PrevailMAX:

- better circulation
- more vitality
- mental clarity
- cellular movement
- nutrient assimilation
- balanced pH
- optimal endurance

**PrevailMAX™** is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells.

When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!
