## Lay Charges Using New Drug Screening Equipment

*Continued from Page 1*

...Expert and Alberta Sheriffs, attended the scene to assist with the investigation. The Alberta Sheriffs were recently trained and equipped with the Drager Drugtest Approved Drug Screening Equipment (ADSE) device. This screen-

ing device has the capacity to test for illicit drugs using a roadside saliva sample. The male driver tested positive for cocaine on the ADSE device, which was administered by an Alberta Sheriff.

As a result, the driver was issued a 90 day license suspension, a 30 day vehicle seizure, and violation tick-

ets under both the Gaming Liquor and Cannabis Act and the Traffic Safety Act.

The Drager Drugtest ADSE device is the only approved device for roadside testing in Alberta. The device has the capacity to test for THC and Cocaine and provides invaluable support to law enforcement.

...medicine physicians at Barrhead Healthcare Centre to 11.

“Having two new physicians practicing in Barrhead makes a huge difference to the community,” says Glenn van Dijken, MLA for Athabasca-Barrhead-Westlock. “Access to nearby care makes it easier for families

to visit loved ones in the hospital, easier for people to get timely emergency care and easier for parents to welcome their new babies close to home. These are foundations of a healthy community.”

Alberta Health Services (AHS) continues to recruit for physicians across northern Alberta to meet community needs. AHS has physician resource planners who

are dedicated to identifying and pursuing international and domestic physician recruitment opportunities. They work closely with various community partners and organizations, such as local Health Advisory Councils, the Rural Health Professions Action Plan, and independent physician attraction and retention committees.

Alberta Health Services

is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

## FOUND SUSPECT RESPONSIBLE FOR PEDESTRIAN HIT AND RUN

Submitted by Whitecourt RCMP

On May 2, 2022, at approximately 9 p.m., a rural homeowner discovered an unknown vehicle on their property. The homeowner approached and spoke to the male driver of the vehicle. After a brief conversation, the vehicle accelerated and struck the homeowner, who ended up on the roof. The suspect proceeded to drive from Range Road 123C on Highway 32 into the Town of Whitecourt, and then on Highway 43 to 42 Avenue. The suspect then drove in front of the RCMP Detachment, at which time the victim was thrown off the roof of the vehicle.

The victim was subsequently taken to hospital where they were treated and released.

Police are looking for a 2001-2005 Honda Civic coupe, blue in colour. The vehicle is believed to have the following noticeable characteristics:

- Damage to the front driver side bumper

# Lac Ste. Anne Community Springs Into Song

*Continued from Page 1*

...Keat Machtemes, leads the singers in a variety of musical pieces. Admission to all the concerts is by donation.

The season kick-off for this popular community choir is at 2 p.m. on Saturday, May 7 at St. John's Anglican Church (4801 50 St.) in Onoway.

On Friday, May 13, the choir travels to Alberta Beach for a performance at the Alliance Church (4705 - 47 St). The concert begins at 7 pm. It is our traditional Friends and Family performance (where everyone who likes music is a friend!), and the entire audience is invited to stay after the performance to enjoy some goodies and visit with choir

members.

People in the Mayerthorpe area are in for a treat for our final performance this spring. It's at 2 p.m. on Sunday May 15 at the Mayerthorpe Legion (5115 - 45 Ave).

The Lac Ste. Anne Community Choir is open to anyone over 18. No auditions are required, and there's no need to read music or

have choir experience. All that's required is a love of singing, and a wish to meet other like-minded people. After a summer break, registration and the first practice for fall's season will be early in September at the Heritage Centre in Alberta Beach (5012 - 49 Avenue). Watch for the exact date, to be publicized in late August.

## Summer Village of Silver Sands SUMMER LABOURERS 2 Full-Time Seasonal Positions

The Summer Village of Silver Sands is managing partner of an Alberta Community Partnership Grant focusing on flowering rush abatement strategies in Lake Isle. Along with our partner communities of Lac Ste. Anne County, Alexis Nakota Sioux First Nation, the Summer Village of South View, the Summer Village of West Cove and the Lake Isle Lac Ste. Anne (LILSA) Water Quality Management Society, we are seeking applications from outgoing and energetic candidates seeking a rewarding summer job in the local community.

Working under the supervision of the Project Manager/Technical Advisor, the successful candidate(s) must be hardworking, punctual, comfortable in and near open waterways, exercise conscientious ecological awareness and cultural sensitivity. As part of the project team, all members must be engaging and respectful when dealing with other stakeholders, volunteers and residents/visitors both in the field and during training activities.

Some specific tasks which may be required of the successful candidate will include:

- Being on site from 7:00 a.m. to 3:00 p.m. during workdays
- Operating a class 5 motor vehicle
- Operating a motorized watercraft
- Engaging with communities, including door knocking awareness campaigns
- Participation in invasive species identification and abatement training
- Participation in cultural awareness/sensitivity training
- Manual labour as required, including mechanical abatement (hand-pulling) of weeds
- Light administrative support, including recording data and records maintenance

The proposed term of this position is June 1st, 2022 through August 31st, 2021, with workdays running Tuesday through Saturday, inclusive. Compensation will be between \$16/hr and \$24/hr based on previous experience and demonstrated work ethic. The project is entering the final year of its mandate, however pending project extension or expansion there may be an opportunity for successful candidates to return next season as well. Pending availability and funding there may be an opportunity to begin the 2022 season earlier than, or extend the season longer than, the stated term above.

Additional requirements: a valid driver's license (driver's abstract will be required at time of interview), CSA approved work boots, own transportation.

Please submit your resume, including expected compensation, to:

Summer Village of Silver Sands Administration Office  
c/o ACP Flowering Rush Project  
Box 8. Alberta Beach, AB. T0E 0A0  
Fax: 780-967-0431  
Phone: 780-967-0271

Email: [administration@wildwillowenterprises.com](mailto:administration@wildwillowenterprises.com)

Deadline for applications/proposals is Thursday May 20th, 2022.

We thank all those who submit resumes/proposals, but only those selected for an interview will be notified.

# CHIEF ADMINISTRATIVE OFFICER KAREN ST. MARTIN ANNOUNCES RETIREMENT

Submitted by Town of Mayerthorpe

Town of Mayerthorpe Chief Administrative Officer announces retirement after 30+ years of public service. CAO St. Martin will retire in her sixteenth year with the Town of Mayerthorpe.

"I started my career in local government at the early age of nineteen and have been fortunate to have been mentored by some of the best professionals in field. It is through this mentorship and experience that I have been able to serve the Mayerthorpe community."

"I have been fortunate

to achieve my careers goals, be invited to speak on Brownfield Redevelopment at Ryerson University and receive the Society of Local Government Managers and Alberta Municipalities Dedicated CAO Award. I look forward to spending time with family, embarking on new challenges, and getting back to contributing to my community."

Major initiatives completed by CAO St. Martin during her tenure with the Town of Mayerthorpe include completion of the Little River Bank Stabilization, construction of the Mayerthorpe Exhibition Centre, Mayerthor-

pe Aquatic Centre, Water Treatment Plant, Force Main to Lagoon, Sanitary Sewer Main Rehabilitation, Water Distribution Main Rehabilitation, commissioning of a new raw water production well, facilitated development of 22 fully serviced highway commercial and light industrial lots, development of 7 residential lots, PVC Solar Panel installations on two public facilities, oversight of seven general elections, implementation of sound organizational structures, establishment of safe work procedures, operational plans and budgets, developed a Brownfield Redevelop-

ment Program, developed unique grant and incentive programs, spearheaded regional emergency management plans, secured millions of dollars in grant funding, and countless smaller projects too numerous to list.

"To say I have mixed feelings about Karen's retirement would be a gross understatement," says Mayor Jabush, adding that while she's happy CAO St. Martin will get to enjoy some well-deserved family time, her departure leaves a hole in the fabric of the Town.

# MONITORING AND PROTECTING PINE TREES IN LAC STE. ANNE COUNTY

Submitted by Lorraine Taylor Horticulturist, Lac Ste. Anne County

Many people have travelled through Jasper and seen trees killed by mountain pine beetle (MPB). In Alberta's forested regions, the loss of these trees brings a high risk of fire along with serious harm to our watersheds. Government and industry have been working hard to slow the spread. Because Lac Ste. Anne County has only a few stands of natural pine forest, the risk of large MPB infestations is low. However, there is concern for mature, high-value pine trees in home landscapes and shelterbelts.

In 2018 high winds carried beetles from Jasper to several locations in Lac Ste. Anne County and neighbouring counties. Since 2018 there have been no new reports of MPB in Lac Ste. Anne. While the MPB population in Jasper has collapsed, there is the potential for inflight from Edson/Hinton populations.

Homeowners can take steps to protect their vulnerable trees.

1. Know where your pine trees are and monitor them for signs of MPB.

2. Keep your trees healthy by following proper pruning practices, protecting them from root damage, only pruning in the dormant season, and preventing injury from drought.

3. Use a synthetic version of the beetle pheromone Verbenone to deter attacks.

The good news is that young pine trees are not at risk. Taking a trunk mea-

surement at about 1.4 metres off the ground, trees less than about 20 cm in diameter are too small for beetles to successfully overwinter.

Based on recommendations from Alberta's Ministry of Agriculture, Forestry and Economic Development, Lac Ste. Anne County is selling pouches of Verbenone Beetle Block.

When these small pouches are hung on individual trees or are spaced throughout a grouping of pine, they give off a message to incoming beetles which prevents them from attacking the trees. Verbenone is available for sale now, from the County for \$10/pouch. Please call ahead to reserve and pay for your order. It will

be available for pickup at the County's George Pegg Botanic Garden (Glenevis) in late May. For more information about the MPB lifecycle, how to identify beetle damage, and recommendations for using Verbenone to protect your trees.

# GOLFER'S GUIDE

## HOW TO HELP KIDS GET INTO GOLF

Golf is a game of skill that can take years, if not decades, to master. Many golfers find their time on the golf course both rewarding and relaxing, even on those days when the fairways seem impossible to find.

Though many players never swing a golf club until they reach adulthood, it's never too early to hit the links. Some of the world's most accomplished golfers, including four-time Masters champion Tiger Woods, began playing as toddlers, and many feel that getting an early start can lead to a more successful game down the road.

Getting kids into golf is a great way for parents to bond with their children while enjoying the great outdoors. Golf can also be used to teach kids humility, sportsmanship and the importance of hard work. Thanks to the often frustrating nature of golf, parents may find it somewhat challenging to instill a love of the game in their youngsters. But there are ways to introduce kids to this wonderful game that kids might just play for the rest of their lives.

• Focus on having fun. Few, if any, golfers at your local golf course on a given weekend could say with certainty that golf has never frustrated them. The challenge of golf may be its most appealing characteristic to older players, but young kids can be easily overwhelmed by the challenges golf presents. By focusing on having fun instead of perfect-

ing techniques, parents can get kids to look forward to their time on the links. The more fun kids have, the more likely they will be to embrace the game and its many challenges. Don't put pressure on youngsters as they develop their games, but encourage them through their struggles and reassure them that you faced the same obstacles when you started playing.

• Hire an instructor with experience teaching children. Instructors with experience teaching children will understand the basics of the game and how learning those basics provides a great foundation for future enjoyment and success on the course. In-

structors who have taught kids in the past also know that teaching youngsters the finer points of golf requires patience and encouragement. Ask a fellow parent or an employee at the club where you play to recommend an instructor for your child. And take advantage of any kids' courses your club offers.

• Purchase the correct equipment. Even the best golfers are bound to struggle when using the wrong equipment. While it might be unwise to invest in especially expensive equipment for youngsters likely to grow out of it in a few months' time, deals can be found on used kids' equipment. Used kids' equipment is typically

subjected to less wear and tear than used equipment for adults, as kids tend to play less often and fewer holes than adults when they do play. But make sure to find correctly sized equipment that kids feel comfortable using.

• Play some holes. Instructors may teach kids the differences between the types of clubs and how to swing and putt. But golf is most fun when players are out on the links going from hole to hole. Instruction is important, but don't forget to play a few holes with your child each week as well.

Golf is a challenging game, but it's one that can be enjoyed by athletes of all ages.

# WHAT MATTERS TO YOU

Submitted by MLA Shane Getson

When I was a kid there was a popular song by Janet Jackson titled "What Have You Done For Me Lately?". That song came to mind as I was reading a number of emails that we have received recently. I think we can all agree that with the turmoil of the last 2 years it's been difficult to remember some of the good things that have been accomplished. My staff suggested that I jot a few down, and perhaps even make a few videos about them in the future. I've listed a few of those items below.

1. Abolishment of the Provincial Carbon Tax. We made this bill number one in the house, and passed it with exceptional speed. We then challenged the Federal Liberal Tax and won at the provincial court level. To paraphrase, one of the judges had called the carbon levy a 'Trojan Horse'... and we all know how that horse worked out for the Trojans af-

ter the Spartans left it as a gift at the city gates. We lost at the supreme court level, however, which still astounds me, as they essentially said that the tax was valid, as it was intended to address a crisis. Where the logic escapes me is that it was not a requirement to demonstrate any efficacy of the tax to address the apparent crisis. Like jumping out of an airplane with an umbrella, the thought is there, but will it work? Don't bet your life on it.

2. I was assigned to the Skilled Trades Task Force. It provided recommendations to the Minister of Advanced Education to reform our trades program. It also included addressing the parity of esteem issues, and reviewing why other countries don't have similar challenges. The report was completed, and many of the recommendations are being implemented, and it will be to the benefit of generations of Albertans..

3. Assigned by the Minister of Justice to the Firearms

Task Force. We consulted with Albertans, on firearms, and what they would like to see going forward from their government to represent the best interest of all Albertans. One of the immediate recommendations was for the assignment of an Albertan Chief Firearms Officer, with a mandate of education, advocacy and representation; not only of public safety, but for the creation of responsible firearms owners. Given that our present PM is now putting into play the long gun registry part 2...we are going to need all the help we can get.

4. After bringing the high probability of the risk of shutting down the entire aggregate and construction industry due to a court ruling on materials classification to the attention of the Environment Minister, I was able to assist in the creation of Bill 31. The Minister asked me to carry that bill through the house, the first time in 25 years that a minister had asked an MLA to do so. It was quite an honor. More importantly the creation of this law allowed us to avoid a 2 year shutdown of the majority of construction in the province. We did this to the disbelief of the industry (and many a lawyer) as something of this magnitude should have taken 9 months, not 2. I then sat on a committee to help bring forward recommendations to allow for counties, companies, and the department to make consultations and review changes to ensure something like this never happens again.

5. I was appointed as a special advisor to the Strategic Alberta Aviation Council, which has a mandate to essentially advise the government on how to grow the aerospace and aviation sector. I bring the perspective of general aviation, small airports, and local economies to the table, and I was also able to help facilitate and coordinate the return of the Alberta International Airshow in Villeneuve. It was a massive team effort, and the result of that work was nothing short of a rousing success, which brought nearly 3.5 million dollars back into our local econ-

omy.

6. I am the Deputy Chair of the Minister's Advisory Council for Seniors and Low income housing, and had the opportunity to lead a sub group to provide a report on a mixed income housing model.

7. I'm one of six MLAs that were requested by the current Minister of Health to be part of an advisory committee regarding Covid policy, and other items regarding the improvements required in the healthcare system.

8. I was appointed Chair of the Economics Corridor Task force (ECTF) by the Premier. The mandate was to review the rail system, determine its capacity and operations, recognize areas of improvement based on cross jurisdictional demands, and provide guidance on how to protect and grow economic corridors within our province in cooperation with our provincial partners and international connections. The recommendations came down to the following:

Facilitate the growth of short line rail services to compliment the mainline system.

Strategically protect and develop routes and infrastructure to grow ports of interest.

Creation of a Corridor Management Authority that crosses provincial boundaries as needed to ensure that there is a coordinated management of growth, flow of goods, and development that enhances not only the economy of Alberta, but for all of North West Canada.

For me the next big push will be focused on forwarding the recommendations of the ECTF, the management of the pandemic, healthcare reforms, mental health of our youth, and management of local environmental conditions. Reflection is always good: let's see what we have done, how far we have come, and where we need to go for a prosperous future. I hope that if you have items that you feel need my focus over the next year, please reach out to my office and advise me on what matters to you.

# EXCITING PLANS FOR GEORGE PEGG BOTANIC GARDEN

Submitted by Lorraine Taylor Horticulturist, Lac Ste. Anne County

New Season Set to Start  
Signs of spring are showing up all over the Garden. Our Pegg Garden Society board members and events committees have been busy making plans for 2022 with special events from May to August.

We invite all community members with an interest in supporting the work of Pegg Garden to join us on Sunday, May 29 for the Annual Meeting. New ideas are always welcome. Starting at 2:00 PM, Mile-

na McWatt is our featured speaker. Learn how she leads guided meditations among the trees, using forest therapy to quiet the mind. Get a first glimpse of what is blooming in the Garden and there will be dessert.

Save the dates for 4 more exciting events:

Sunday, June 19 is the 8th Annual Art in the Garden Show & Sale

Thursday, July 21 join us for our 3rd Annual Tea Party in the Garden

August 13 & 14 we have a busy weekend during Alberta Open Farm Days. August 13 visit the Rural Roots Farmer Showcase

plus Dinner and a Concert, and August 14 help us celebrate Pegg Garden's 30th Anniversary.

This year promises to be another great season for Pegg Garden. Along with these special events, we have plans for another restoration project, the "Wildscaping" demonstration bed will be planted, and we are working with the Royal Alberta Museum to make a nature trail guide.

Our wonderful volunteers are so important for the success of our summer. Check out our Facebook page, come to the annual meeting, call 780-

203-0331, or contact us at PeggBotanicGarden@gmail.com to find out how you can be a part of this exciting season!

# MULTIPLE STRUCTURE FIRE EVENT IN SOUTH VIEW

Submitted by Onoway Regional Fire Services

Onoway Regional Fire Services (Fire Rescue International) was paged to a structure fire located at 70 Lakeview Ave, South View, Alberta. Initial reports suggest that the fire originated in a detached ga-

rage and grew unnoticed until finally showing itself. Within five-minutes of the initial page the garage was totally involved, and the fire was spreading into the surrounding vegetation. Within then next 10-minutes, the fire appeared to have then rapidly spread to the un-occupied home on the same prop-

erty. Onoway Regional Fire Services (Fire Rescue International) mobilized its first unit within three-minutes of being notified. Additional support was requested from both Lac Ste. Anne and Parkland County Fire Services. Unfortunately, neither county was in a position to respond immediately

due to callouts of their own. Both fire services did eventually respond and were an integral part of the firefight.

By the time fire crews arrived on scene the initial garage and home were fully involved, the fire had moved into spruce trees, and fire was rapidly consuming a second home. Efforts to slow the fire spread were complicated due to downed powerlines, torching trees, and burning gas lines. Firefighters from Onoway Regional Fire Services (Fire Rescue International) and Parkland County Fire Services with water support from Lac Ste. Anne County Fire Services finally gained the upper hand and made a stand at a 3rd residence, but not before the structure sustained some fire damage as well as substantial water damage.

No one in any of the structures suffered injuries and all firefighters remained safe-and-sound throughout the battle. In addition to our own firefighters - who worked very hard under difficult conditions; Onoway Regional Fire Services (Fire Rescue International) thanks Parkland County and Lac Ste Anne County Fire Services for their skill and support as well as other responding agencies such as RCMP, Alberta Health Services, Ste. Anne Gas Co-Op, & Fortis Power. Onoway Regional Fire Services (Fire Rescue International) would like to remind residents and property owners to remember to take

steps to protect your home from exterior fire spread by removing clutter and wildfire hazards from around your homes during this year's wildfire season.

The exact cause of the fire is under investigation.

# SUDOKU

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
