13th Annual Rural Beautification Contest

Continued from Page 1

...has become an eagerly anticipated summer tradition.

With three categories to enter, all Lac Ste. Anne County residents are eligible. They include properties that are 10 acres and smaller, 11-79 acres, and 80 acres or larger.

Nominate a friend, a neighbour, or your own yard. Awards are presented for first place and honourable mention in each category. Criteria for judging include diversity of plant material, plant health, blending of rural life with the landscape, use of space, and conservation practices

such as composting and rainwater collection.

After a two-year hiatus due to COVID-19, we are ready to reconnect with residents as we relaunch the Rural Beautification Contest! Judging takes place in mid-July. The deadline for nominations is June 15, 2022.

Paper nomination forms are available at the County Administration Office or by contacting Lorraine Taylor, Horticulturist at 1.866.880.5722 or LTaylor@LSAC.ca. This year nominations may also be submitted online on the County website. Speaking about the Rural Beautification pro-

gram, Lorraine Taylor said "Over the years so many people have generously welcomed us to visit their yards. It is a wonderful opportunity to meet gardeners across the County."

Save the date and join us on the Rural Beautification Tour when we announce the contest winners - Thursday, August 4, 2022.

AGE WELL AT HOME INITIATIVE

Submitted by Gerald Soroka MP for Yellowhead

Gerald Soroka, Member of Parliament for Yellowhead wishes to advise seniors of the launch of a new initiative called Age Well at Home, which will help seniors stay in their homes for as long as possible by providing them with practical assistance for everyday tasks. As part of the calls for proposals, organizations will be able to apply for funding for projects under two streams: In-Home Sup-

port Pilot Projects and Scaling Up for Seniors.

The In-Home Support Pilot Projects stream funds eligible organizations across Canada that have experience delivering one or more specific volunteer-based services to seniors. Organizations need to provide at least one of the eligible practical support services to low-income and otherwise vulnerable seniors in a local area, as well as help seniors navigate, and access eligible services provided by other local organiza-

tions. Eligible services are:

- light housekeeping (such as laundry, cleaning);
- meal delivery and/or preparation;
- home maintenance (such as repairs, yard work, lawn mowing);
- transportation (such as to appointments, errands);
- snow removal;
- volunteer drop-offs (such as groceries, medication, pet supplies); and
- friendly visiting in the home.

The Scaling Up for Seniors stream provides funds to eligible organizations to expand services that have already demonstrated results in helping seniors age in place. Applications must propose to deliver services in more than one province or territory.

Organizations are invited to apply for the In-Home Support Pilot Projects stream and the Scaling Up for Seniors stream of the Age Well at Home initiative until July 22, 2022.

EDSON ARREST MALE ON 16 WARRANTS AND LAY ADDITIONAL CHARGES

Submitted by Edson RCMP

On June 4, 2022, just after 8 p.m., Edson RCMP were patrolling in the area of Township Road 533A and noticed a man driving an ATV at a high rate of speed. The ATV matched the description of a stolen ATV reported earlier in the day. RCMP activated their emergency equipment, however the driver failed to stop. The ATV was eventually located after the driver crashed it into a tree and fled. Through extensive searching and with the assistance of RCMP Police Dog Services, RCMP were able to locate and arrest the driver

of the stolen ATV.

Brandon Henry Robert Bailey (23) of Niton Junction, Alta., is facing new charges as a result of the June 4, 2022, incident which include:

- Flight from police
- Obstruction of a peace officer
- Possession of stolen property under \$5000
- Possession of prohibited weapon
- Failure to comply with conditions of release order x2

Following a judicial hearing, Bailey was remanded into custody to appear in Edson Provincial Court on June 21, 2022.

At the time of his arrest, Bailey had 16 outstanding warrants for firearms/weapons

related offences, failure to comply and property related offences.

A SEASON OF HOPE AND ACCOMPLISHMENT

Submitted by MLA Shane Geston

It's graduation season, and I can't tell you how much that means to me personally this year, as my oldest is graduating from High School. I just finished shooting a little video, as I am unable to make it to the ceremony in person this year at other schools, as I'll be playing the role of Dad / MLA at my son's ceremony. The message that I gave to the students is one that I'd like to share with you as well; they are based on observations that I've had over the years, things that have helped me to put things into perspective in both my work and personal

lives.

1. Time is the most precious thing that anyone can give you. Respect that, cherish it, and don't squander that gift. We all are born, and we will all die, the biggest variable is how much time we have on God's green earth. The time we take for others, and for ourselves, is meaningful, so let's make the most of it.

2. Three basic non-negotiable rules that I had for anyone joining one of our project teams or offices:

- a. Work Hard
- b. Have Fun
- c. Don't let the team down

These rules were essential, not only for the suc-

cess of the project, but for the success of the individual as well.

Working hard, not hardly working; if you are doing a job, do it well. You should obviously work smart, but also make sure that you put in a good honest effort. If you work hard, and are disciplined, you will not only achieve your goals, but will help many more along the way.

Have fun: whistle while you work, enjoy the moment, enjoy your downtime, look on the bright side. There are so many people that want to concentrate on the bad stuff, but we need to learn to see life for the fun it can be, for the small miracles around us, and share that enthusi-

asm. Don't forget to smile, it is contagious. And above all, have fun...it's way better than the other option.

Do not let the team down. Being an army of one may sound cool, but quite frankly, unless you are part of a team, your goals will not be achieved. Again, people have invested time into you, giving the same commitment back to them is vital. Knowing that what you do will have an impact on others; they trust you, they have spent time with you and for you: do not let them down. If you master steps one and two, this third one will fall into place.

A Season of Hope and Accomplishment

Continued from Page 10

I look forward to hearing all about the trials and tribulations, hopes and dreams. Graduation season is invigorating to me; it truly is inspiring when I see the new crop of young Albertans take their place and make their

mark in our province. I know that the time others have contributed was not wasted, because these young Albertans are going to take us further than we ever could have imagined; we just need to make sure they have the best chance possible, and they

will take it from there. They are a resilient and gritty group who have weathered a pandemic and made it to the finish line of graduation when all the odds were stacked against them. Let's continue to do our part, knocking down as many

obstacles as possible, and get out of their way, because they will all too soon be grabbing the torch and leading the charge.

Congrats to all our 2022 graduates.

PORTION OF HIGHWAY 43 TRAIL CLOSED TEMPORARILY TO ALLOW FOR INSTALLATION OF NEW LIGHTS

Submitted by Town of Whitecourt

A portion of the Highway 43 Trail, from 51 Street to Memorial Point, will be closed to all pedestrian and bike traffic in order to install new pathway lighting.

- Friday, June 10 – The portion of the path will be closed between 7am and 6pm to complete site preparation activities.

- Monday, June 13 to Friday, June 24 – The portion of path will be closed and workers will be on-site between 7am and 6pm daily.

The trail closure site will be marked with signs and barricades.

Due to the location of the worksite, and nature of the work being completed, no pedestrian or bike traffic will be permitted in the work area. As such, community members are advised to use alternate routes that connect the valley and hilltop areas, such as the Dahl Drive Trail. For further information on the trail system, please refer to www.whitecourt.ca.

The lighting installation is part of a project that started last year that involved installation of decorative light standards along Memorial Point Trail. It also ties to a larger goal to enhance the overall trail network and increase the connectivity of the community. Illuminating the trails will enhance safety and night-time visibility for walkers, joggers and bikers.

The Town of Whitecourt recognizes that this is a well-utilized recreational trail in our community, and appreciates your patience and understanding.

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
