# Electricity Rebates To Start Arriving On July Bills

*Continued from Page 1*

“We are providing targeted support to help hard-working Albertans deal with the rising cost of living. These rebates, combined with the fuel tax exemption and upcoming natural gas rebate, will help the large majority of Alberta households pay their bills while we make the long-term changes needed to make energy more affordable in the years ahead.”

Dale Nally, Associate Minister of Natural Gas and Electricity  
Electricity rebate

Alberta’s government has worked closely with electricity distributors and retailers to develop and implement the electricity rebate.

Albertans currently connected to the system that have consumed electricity within the past calendar year, up to a maximum of 250 megawatt hours per year, are automatically eligible for the rebates. Support will reach more than 1.9 million Albertans, which means that most farms, residences and small businesses will receive the rebates.

Eligible Albertans can expect to see an automatic \$50 rebate on their bills. It is being applied directly to eligible utility bills, meaning no application or other action is needed to start receiving the rebate in July.

Unlike the previous government’s electricity rate cap, the \$50 rebates will apply to the entire bill, not just the energy portion. In addition, the \$50 rebates will be on all eligible bills – protecting consumers on the variable regulated rate option as well as those on competitive contracts.

Consumers wishing to protect themselves from price volatility may enter into a competitive fixed-rate contract and still be eligible for the \$50 rebates. Albertans can visit the Utility Consumer Advocate to

see what products are available in their area.

The rebate will be listed on each bill as a line item titled “GOA Utility Commodity Rebate,” and \$50 rebates will follow in August and September, for a total of \$150. Exact timing will vary depending on the billing cycle of one’s utility provider.

Consumers who believe they meet the eligibility criteria but have not received the rebates by the end of July should contact the Utility Consumer Advocate.

Upcoming natural gas rebate  
Alberta’s government is implementing two programs to ensure utilities remain affordable while providing stability for millions of Albertans through the next nine months.

Along with the electricity rebate, a natural gas rebate will provide cost certainty and protect eligible Alberta customers from European-style price spikes starting in October. More details on the natural gas rebate will be announced soon.

With the electricity rebate reaching bills in July, August and September, and the natural gas rebate starting in October, Alberta’s government will be

providing support on utility bills for millions of Albertans until March 31, 2023 if prices remain high.

# SELECT AREAS OF THE AQUATIC CENTRE IN THE ALLAN & JEAN MILLAR CENTRE WILL BE CLOSED JUNE 23 TO JULY 12 FOR REPAIRS

Submitted by Town of  
Whitecourt

The leisure pool and waterslide in the Energy Transfer Canada Aquatic Centre will be closed from June 23 through July 12 to complete repairs to the pool liner. The lap pool, tot pool, hot tub and steam room in the Aquatic Centre will remain open for use; however, guests should note that lap pool availability will be limited to one lane Monday through Thursday from 5:00 to 7:30pm due to Blue Dolphins Swim Club practices and facility swimming lessons.

The repairs, which will be covered under warranty, include replacing the liner of the leisure pool/Lazy River. This work has been scheduled for some time but, due to the COVID-19 pandemic, crews were unable to travel to Whitecourt to complete the work.

The Allan & Jean Millar Centre is eager to have the repairs completed, and appreciates the community's patience and understanding during the temporary closure.

# ALBERTA BEACH LIBRARY NEWS

Submitted by Alberta Beach Library

Summer is here! Hurray! After a two year "break" we can once again run our summer programs for kids. Join us on Wednesday mornings, starting on July 6, at 11:00 am for stories, games, rhymes, and maybe even a snack. Drop-ins are welcome but pre-registration would be nice if possible. You don't need to attend each session - drop in when it fits your schedule. Each week we will explore a different theme:

- July 6 Superheroes
- July 13 Wizards and Potions
- July 20 Deep Sea Adventure
- July 27 Castles and Dragons
- August 3 Space Odyssey
- August 10 Going on Safari
- August 17 Wrap Up Picnic

These programs are geared for kids 5 and older but younger kids are welcome to join with an accompanying adult to supervise and help with activities. We hope to have programs outside in our garden/parking lot area when the weather cooperates. The schedule of events is listed on our website <http://www.albertabeachlibrary.ca/> ([www.albertabeachlibrary.ca](http://www.albertabeachlibrary.ca/)) and on facebook (alberta beach municipal). You can also e-mail us for info ([abllibrary@yrl.ab.ca](mailto:abllibrary@yrl.ab.ca)) or call 780-924-3491.

On Fridays, starting July 8, we will also have drop-in session for kids - there will be Lego, K'nex, robots, button maker, whatever interests. These session will run from noon until 1:30 pm. When the weather is nice we may do activities outside.

This year we are introducing

an easy Bingo activity for kids and adults. Pick up a Bingo card or e-mail us to send you a copy. Complete the activities listed on any 3 lines and return the card to enter your name into our draw for some great prizes. The cards must be returned by Friday, August 19 to make it into our draw.

For the first time this year we are also offering one-on-one computer sessions for people

who would like some help on computers. Various days and times in July and August are available. If you or someone you know is nervous working on computers or has something specific to do, call us to arrange a spot with our summer student.

Mark your calendars so you don't miss our gigantic book/dvd sale on Saturday and Sunday of the August long week-

end. Our storage areas are full to the rafters with books and dvds that we will sell by donation. We may even sneak in a mini-sale on Friday, July 29. Follow us on facebook or watch our website for more details.

We have lots to watch, read, and play at the library - we are NOT JUST BOOKS.

# ST. ALBERT RCMP CRIME PREVENTION TIPS FOR THE SUMMER

Submitted by St. Albert RCMP

Over the past month, St. Albert RCMP have seen an increase in certain property crimes and want to educate citizens to help protect their belongings. Theft of bicycles, theft from motor vehicles and theft from garages/back-

yards are always more common during the summer months.

St. Albert RCMP ask the community to follow the following tips to prevent these types of thefts from occurring:

- Ensure bicycles/scooters are always locked up and when not in use, put away

- Put identifying marks/numbers or serial numbers on bikes, lawn mowers, quads, outdoor equipment/tools

- Put away children's toys and bikes when not in use

- Put away all tools
- Lock the front door even when outside in the back yard

- Ask a neighbour to take care of the yard & take in papers if you plan to be away

- Turn on outside lights in the evening and install motion sensor lights

Similar to the above tips, St. Albert RCMP follow #9PMRoutine / Lock It – Crime Reduction initiatives.

Every night at 9 PM:

- Remove valuables from your vehicle and ensure it's locked, windows are closed, and if possible, park vehicles in a garage.

- Close all garage windows and lock any garage doors, especially those leading into your house.

- Keep your vehicle registration and insurance documents secure. The documents can be used to commit other crimes.

- Check and lock all house doors and shut all windows.

- Turn on an exterior light.

- Close and lock your fence gate.

- Lock your shed.
- Put away bikes and toys in your yard.

Everyone has a role to play in keeping our community safe. If you see something or feel something is suspicious, do not assume someone else has reported it, write it down and call the police.

*LOCATION SKETCH*

LAC STE. ANNE COUNTY

OK, so what all this fancy language means is that a landowner/developer has applied to the municipality to develop a multi parcel residential development and rezone SW 09-54-02 W5M from Agricultural '1' (AG1) District and Country Residential Ranch (CRR) District under Bylaw #22-2017 to Country Residential Subdivision (CRS) District and to adopt a formal plan known as the Westwynd Equestrian Meadows Area Structure Plan.

Before this can happen, a bylaw must be drafted, and a public hearing held first. The ad above is to let folks know about when and where the Public Hearing will take place.

# ST. ALBERT RCMP WARN ABOUT DISTRACTION FRAUD SCAMS

Submitted by St. Albert RCMP

St. Albert, RCMP are warning citizens about distraction fraud scams due to two incidents that occurred the last month involving theft/attempted theft of individual's purses in retail store parking lots. Fraudsters use a social method of distraction to steal debit cards, purses and/or money from individuals, more often seniors.

Police say it usually involves two to four people who will target individuals/seniors at big box stores or businesses with large parking lots, using a variety of methods to distract the victim, such as bombarding them with questions or concerns, asking them for help or to borrow their phone. Often, another accomplice(s) will show up to the scene while the victim has been distracted and the fraudsters are able to remove the victim's credit/debit card/money from the unknowing victim's wallet or steal their purse from their cart.

St. Albert RCMP say the suspects usually travel from city to city, typically remaining in the same place for only a short period of time. This type of scam is more popular in the summer when the weather is nice. RCMP want the public, especial-

ly seniors, to be very cautious when approached by strangers while out walking, shopping, or even doing chores in the yard. Be cautious of strangers getting close, offering hugs, placing fake jewelry on you, or asking for help.

If you have been a victim of fraud or would like

- Short Term Rental Homes will be added as a Discretionary Accessory Use in the following districts:
  - Agricultural '1' (AG1), Agricultural 2 (AG2), Country Residential Ranch (CRR), Country Living Residential (CLR), Existing Country Residential (CRX), Country Residential 3 (CR3), Lakeside Residential (LR)

The proposed amendment and/or application may be reviewed during regular business hours at the County administration office located at 56521 Range Road 65 or on the County website at [LSAC.ca/Hearings](http://LSAC.ca/Hearings).

OK, so what all this fancy language means is that the County is considering allowing short term rentals like Air BnB's under certain circumstances within the County. So if you own land that is zoned/ adjacent to land zoned Agricultural '1' (AG1), Agricultural 2 (AG2), Country Residential Ranch (CRR), Country Living Residential (CLR), Existing Country Residential (CRX), Country Residential 3 (CR3), Lakeside Residential (LR) there is potential that sometime in the future a Short Term Rental may be approved and start operation within the area.

The ad above is to let folks know about when and where the Public Hearing will take place so you can express your support or objections.

# SUDOKU

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
