SUMMER AT TIPPLE PARK MUSEUM

Submitted by Tipple Park Museum

Our summer season has kicked off at Tipple Park Museum, and as always there are plenty of things to look forward too!

For the month of July, we have our Indigenous Exhibit inside the main building featuring some wonderful photography and art pieces on loan from Reg Faulkner. Our main building, as always,

also has a bit of local history for Evansburg and Entwistle for any of those curious about how the 'towns' got started, and our outdoor buildings are open for exploration and tours (guided or self-guided). At the end of July, we will be bringing in a Barbie display that we're all looking forward too.

For programs, we are lucky enough to have the University of Alberta partnering with us for a

children's 'Fossil Casting and Paleontology' lesson on July 20th with some spots still open. They are going quick though, so don't wait to call and reserve a spot for your son or daughter. Then, on July 22nd, we have a 'Campfire Cooking' program where kids will learn a bit about starting a campfire safely and cooking on them. July 29th our second 'Barbie Clothing' lesson...

FATAL COLLISION ON HIGHWAY 43

Submitted by Stony Plain RCMP

Stony Plain RCMP have completed the scene examination and the roads were reopened July 10, 2022, at 1:15 a.m.. Stony Plain RCMP would like to thank the pub-

lic for their patience while the scene examination was conducted.

The initial investigation indicates that a motorcycle was westbound on Hwy. 43 approaching the intersection with Hwy. 33. A southbound car entered the intersection

and collided with the motorcycle. The motorcyclist, a 65 year old male from Sangudo was pronounced deceased at the scene. Two occupants from the car were transported to a local hospital with non-life threatening injuries.

We hope to see as many of you as possible at our Museum this summer, and if our paths don't cross, we wish you fun in the sun!

TWO NEW RAIL SAFETY MEASURES ANNOUNCED

Submitted by Gerald Soroka MP

Gerald Soroka, Member of Parliament for Yellowhead wishes to advise that two new rail safety measures have been announced:

- One focusing on railway-related fire prevention
- Another focusing on improving the resiliency

of Canada's railway infrastructure against flooding, landslides, or fire

These new rules require railway companies to:

- Reduce train speeds and perform extra track inspections during high temperatures to reduce derailment risks caused by track conditions.
- Inspect locomotive ex-

haust systems more frequently to ensure that there are no hazardous deposits that could pose a fire risk

- Implement a fire risk reduction plan.

JOKE of the week

My brother came back from school all motivated because he said he would be following a new diet from that day. We didn't really give it much thought until my brother really started eating his homework for dinner. When we stopped him and asked why he was doing that, he replied, "I was just trying to see how it tasted because my teacher said that the homework would be a piece of cake for me."

DARWELL & DISTRICT AGRICULTURAL SOCIETY ANNOUNCING OUR CITIZEN OF THE YEAR.

Submitted by Darwell & District Agricultural Society

The Darwell and District Agricultural Society would like to announce the 2022 Citizen of the Year- Chantelle Lalonde. Please pass on your congratulations to our dedicated member and if possible, join us in Darwell for our annual Barnburner concert August 12, 2022, the Ag Drags August 13 & 14, 2022 and annual Agriculture Fair August 19, 20, & 21, 2022. For more information please go to www.darwellag.com

I'm Chantelle Lalonde and I am a fourth generation farmer, living on the north

shore of Lake Isle. In 1907, my great grandfather began his homestead and my family has lived on this farm ever since. We were recognized as a Heritage Farm in 2007 and received our centennial recognition from Lac Ste. Anne County. All 4 generations went to Darwell School and can't wait until my grandchildren attend as well in a few years.

My twin brother, Chad (Julie, Jace & Cali) and I now run a cow/calf operation on the family farm. My mom, Cynthia, still lives on the farm where she is enjoying kayaking and being close to family. I am extremely thankful to have

been able to raise my children, twins, Kolton & Kassity, in this special place and in a community which has meant so much to my family. The kids didn't move too far away, Kassity is engaged to a wonderful young man, Keenan, living in Stony Plain. Kolton & Brayden are married and have my 2 grandbabies, Ryker (2) and Steely (2 months) who reside in the Darwell area. As new adventures always come up, I am enjoying my time with my ever growing family, my partner Terry and our 10 year old daughter Audrey, farming, camping,...

Darwell & District Agricultural Society Announcing Our Citizen Of The Year.

Continued from Page 3

...Ukrainian dancing and hopefully spending some time on the lake.

Off the farm, I am the Branch Manager of ATB Financial in Onoway. I

have enjoyed the challenges and rewards of serving our community there since starting with ATB 8 years ago. Through ATB's own progressive initiative, my job has also given me the privilege of getting out into

the community and giving back.

To be recognized as Citizen of the Year is one of the greatest honors I've had to date, and I appreciate the acknowledgement. I couldn't have done any-

thing without all the love and support from my family and friends at the Darwell & District Ag Society where it takes a team to get things done and I am just a spoke in the wheel of DDAS.

ARTICLE BY MLA SMITH

Have your say for the chance to win \$500!

Your Community, Your Budget

Parkland County is conducting a survey to understand community priorities to inform future budgets and we want to hear from you!

Take the 15-minute survey by July 31 and you can be entered to win a \$500 pre-paid Mastercard.

Why is this survey important?

The budget is the plan for how tax dollars and other funding will be distributed to different programs and services the County provides. This is your chance to have a say on how budget dollars are prioritized within the County and will help Council understand community priorities when it comes to allocating tax dollars.

Participation is important and the information gathered will be shared with Council to inform their decision-making and future budgets.

Ready to take the Survey?

 	www.parklandcounty.com/PBBsurvey	780-968-8888

Submitted by MLA Mark Smith

Jobs are up, the budget is balanced, and Alberta has finished the fiscal year strong.

Thanks to a growing economy, improved energy prices, and a commitment to fiscal discipline, Alberta ended the 2021-22 fiscal year with a budget surplus of \$3.9 billion, the first surplus our province has seen in seven years. Further, the Alberta Heritage Savings Trust Fund grew to its highest net value in Alberta history – \$18.7 billion – earning \$1.95 billion in investments to bring the total value of the fund's investments to \$20 billion.

This is a strong economic turnaround that all Albertans can celebrate, and an opportunity to save resource revenue for future generations and avoid past mistakes that led to today's debt burden. In fact, our United Conservative government paid down the provincial debt by \$1.3 billion, so Albertans can look forward to a future without ballooning debt servicing costs.

Going forward, we will continue to focus on sound fiscal management.

LAC STE. ANNE COUNTY
OFFICE OF THE REEVE

REEVE'S REPORT ON THE UPCOMING PAPAL VISIT AND PILGRIMAGE

The Lac Ste Anne Pilgrimage is a one-of-a-kind gathering that has drawn hundreds of thousands of visitors to our sacred lake each summer for the past 123 years.

With the presence of His Holiness Pope Francis, attendance at this year's event is certain to be on an entirely different scale. While this is a truly historic occurrence — both for the devout and the County at large — it does require focused and coordinated effort from multiple stakeholders. Here are some highlights on how things are taking shape.

STAKEHOLDERS AND RESPONSIBILITIES

To be clear: Council and Administration had no prior knowledge of the papal visit, nor the authority to say no to its occurrence. Further, an event of this magnitude takes about two years to properly plan (rather than the two months we were given). Regardless, the County is committed to making this event as safe and memorable as possible while minimizing any negative impacts on our communities.

To help achieve these outcomes, the County is part of a larger group that includes:

- Alberta Health Services and EMS
- Alberta Transportation
- Alexis Nakota Sioux Nation
- Catholic Archdiocese of Edmonton
- Government of Alberta
- Lac Ste. Anne Pilgrimage
- Metis Association of Alberta
- Provincial Office of the Papal Visit
- Royal Canadian Mounted Police

In addition to working closely with these organizations, the County has reached out to adjacent municipalities for their support with policing, signage, emergency services and logistics. I am grateful for their camaraderie and willingness to help.

PILGRIMAGE AND PAPAL VISIT SCHEDULE

The Lac Ste. Anne Pilgrimage is scheduled to place July 26-29. Pope Francis has been confirmed to attend the Lac Ste. Anne Pilgrimage for one hour on July 26 after hosting an open-air mass at Edmonton's Commonwealth Stadium that same day.

Further updates on the Pope's pilgrimage visit, free tickets to attend the stadium event, volunteer opportunities and other details can be found at papalvisit.ca.

ROUTES, TRAFFIC AND ROAD CLOSURES

The County is primarily taking direction from Alberta Transportation and the RCMP regarding approved routes for traffic, park-and-rides to the pilgrimage site, road closures and other logistical details.

Residents should factor in considerable traffic congestion on provincial highways and County roadways before, during and after the pilgrimage. It goes without saying that pedestrian traffic will be unusually high at the pilgrimage site and in surrounding communities. Throughout this timeframe the County will prioritize public safety, and will work to mitigate any harm to property or our environment.

For anyone planning to circumvent traffic via back roads or summer villages: **this will not happen**. There will be no access to the pilgrimage grounds via Val Quentin, Sunset Point, Alberta Beach or any other non-approved route. These roadways will be reserved for local traffic only.

MAPS, SCHEDULES AND UPDATES

The County has created a dedicated information page at [LSAC.ca/pilgrimage](https://www.lacsteanne.ca/pilgrimage). Here you'll find approved routes, road closures, boat launch closures, bus shuttle schedules and other important event details. Most of this information will be County-generated, but we will also share any relevant information provided by other stakeholders.

To find out what's taking place in other communities, I encourage you to contact the administration offices of Alberta Beach, Sunset Point, West Cove and Val Quentin — or visit their respective websites.

FINAL THOUGHTS

Lac Ste. Anne County and its neighbouring municipalities recognize the importance of reconciliation. The wisdom, tradition and pride of Indigenous communities are woven into the social fabric of our communities, adding to the rich history of the Lac Ste. Anne region. Because of these influences, we are keenly aware of the importance of this visit. We understand what it means to our communities going forward, and the legacy it will leave behind.

Speaking on behalf of Lac Ste. Anne County Council and Administration as well as neighbouring municipal leaders, I sincerely thank local families and business owners in advance for their patience and understanding during this important — yet impactful — historic spiritual gathering. I also want to commend all staff involved for going above and beyond to provide for the safety and security of visitors and community members alike.

Sincerely,

Joe Blakeman
Reeve, Lac Ste. Anne County

GOLFER'S GUIDE

HELP KIDS LEARN THE GAME OF GOLF

Adults who play golf know just how fun and frustrating the game can be. Whether you're a veteran golfer or someone just learning the links, golf can be challenging.

But as exacting as the game can be, it also can be just as rewarding, even for kids. Children who embrace the game of golf will learn a host of lessons they can apply in all facets of life. A humbling game even for professional golfers, golf can teach kids lessons in humility and the value of persistence even when things aren't going your way.

Golf is also a great way for parents to get kids off the couch and outdoors for some fun in the sun. Instead of spending summer

afternoons in front of the television, kids who play golf are out patrolling pristine golf courses while getting some cardiovascular exercise along the way. Golf can also strengthen a child's hand-eye coordination, which can help them in other activities, including many different sports.

Though many people do not begin playing golf until they've reached adulthood, it's never too early for boys and girls to start learning the game of golf. Parents of preschoolers can start their kids off with a toddler play set. Though it's just a toy, a play set can help lay a solid foundation for future golfers. Kids who have watched Mom and Dad

play golf or practice their swing can develop their own swings on their play set.

As kids approach school age, don't overlook the nearby putt-putt or miniature golf range as a valuable teaching tool. Miniature golf clubs are small enough for many children to use comfortably, and kids can use miniature golf courses as a place to put any lessons or advice on putting to good use. What's more, a miniature golf course is more than just golf, with creative courses and other fun activities, so kids won't feel overwhelmed with golf.

When kids move on from preschool to elementary school, some might want to tag along

with Mom or Dad to the driving range. You should try to avoid overwhelming kids with too much instruction or information. Instead, keep things as simple as possible, teaching them the basic swing and encouraging them no matter how quickly they adapt.

As kids enter middle school and approach high school, those who are enjoying the game of golf can take advantage of the driving range if they haven't already begun to. A driving range typically has markers that indicate the distance of a regular hole, regardless of which tee you will play from on an actual golf course. Kids can aim for holes at shorter distances to learn how far their drives are going. You can then adjust the lessons you teach your children based on how far youngsters can drive the ball.

As a child gets closer to high school, you might want to buy the child his or her own set of clubs. Look for inexpensive clubs (oftentimes, thrift stores or other secondhand retailers have clubs for sale) because growing children will eventually grow out of their first set of clubs. When your child finds a set of clubs that suits him or her, teach the proper way to swing and consider signing up your son or daughter for lessons. Those first few lessons can prove invaluable, turning a pastime into a passion kids will carry with them throughout their lives.

Article by MLA Smith

Continued from Page 4

Our new set of fiscal anchors have already worked to get Alberta's finances back on track. This includes keeping Alberta's net debt-to-GDP ratio well below 30 per cent and aligning our overall spending levels with other comparable provinces.

It's fair to say the Alberta Advantage is back. Alberta has the fastest growing economy in the country, the lowest taxes, and an affordability advantage relative to other provinces of similar size. And with more than 200,000 new jobs cre-

ated since 2021 and unemployment at its lowest level since 2015, our province has reversed the steep economic damage caused by the Notley NDP and their disastrous policies.

Despite all this good economic news, we know Albertans are struggling right now with high costs due to rising inflation. I want you to know that we are working to immediately make life more affordable for families and businesses. Just this past week, our government announced that we are extending the fuel tax cut on gasoline, diesel, and marked

farm fuel until at least the end of September. We are also reinstating the Fuel Price Contingency Program for school authorities, providing \$8.2 million in fuel cost relief to school boards and additional relief next school year if required. And soon we will be providing over 1.9 million households, farms, and small businesses with electricity rebates to ease the burden of utility bills.

Our government can help Alberta families fight inflation because our budget and our economy are in

strong shape. Conservative policies have put Alberta back on a path to economic prosperity, and helped our province embark on another economic boom – one that is more diverse and resilient than the booms we've seen before.

In every corner of the province and in all sectors of the economy, optimism is growing for the future – and our government is working tirelessly to continue this economic momentum, while making life more affordable for working families.

ELECTRICITY REBATE PROGRAM EXTENDED UNTIL DECEMBER

Submitted by Government of Alberta

Nearly two million homes, farms and businesses will receive electricity rebates for the rest of the year to help cover high bills amid rising energy costs.

The electricity rebate program will now offer about \$600 million in relief through the rest of

2022, providing eligible Albertans with a monthly \$50 bill credit for six consecutive months.

More than 1.9 million homes, farms and small businesses will receive monthly credits on their electricity bills starting this month and stretching until the end of December, for a total of \$300 in rebates.

Electricity Rebate Program Extended Until December

Continued from Page 9

“We are doubling the electricity rebate to help reduce the financial burden that many families in Alberta are dealing with due to the rising cost of living. This move will help millions of families and business owners pay their bills and keep their lights on while we continue working to build a stronger, more affordable long-term electricity system.”

Dale Nally, Associate Minister of Natural Gas and Electricity

Expanded electricity rebate

As the cost of living continues to pose challenges for Albertans, the government is providing an additional three months of bill credits to alleviate some of the high utility costs that many families

and businesses have faced during recent months.

The expanded electricity rebate will hold the criteria currently in place:

- Albertans currently connected to the system that have consumed electricity within the past calendar year, up to a maximum of 250 megawatt hours per year, are automatically eligible for the rebates.

- Eligible Albertans can expect to see an automatic \$50 rebate on their bills. No application or other action is needed to start receiving the rebate.

The extended monthly rebates will apply to the entire bill, not just the energy portion. In addition, the \$50 rebates will be on all eligible bills – protecting consumers on the variable regulated rate option as well as those on

competitive contracts.

The July rebate will be listed on each bill as a line titled “GOA Utility Commodity Rebate,” and \$50 rebates will follow in August, September, October, November and December for a total of \$300. Exact timing will vary depending on the billing cycle of one’s utility provider.

Upcoming natural gas rebate

Alberta’s government is implementing two programs to ensure utilities remain affordable while providing stability for millions of Albertans through the next nine months.

Along with the electricity rebate, the natural gas rebate will protect eligible Alberta customers using natural gas and other heating fuels from European-style price spikes.

With the electricity re-

bate reaching bills in July, and the natural gas rebate starting in October, Alberta’s government will be providing support on utility bills for millions of Albertans until March 31, 2023, if prices remain high.

Fixed rate contracts and other options

Along with the rebates, Albertans wishing to protect themselves from price volatility may also enter into a competitive fixed-rate contract. Albertans can visit the Utility Consumer Advocate to see what products are available in their area.

Consumers who believe they meet the eligibility criteria but have not started receiving the rebates by the end of July should contact the Utility Consumer Advocate.

***No meeting July/Aug/Dec.**

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

ANSWER:

5	4	9	2	3	7	6	1	8

PREVAIL CELLULAR HOMEOSTASIS FORMULA MAX

A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU
...RIGHT DOWN TO THE LAST CELL!

How do you want your
BLOOD to look?

Before PrevailMAX:

- poor circulation
- low energy
- brain fog
- dehydration
- decreased nutrients
- pH imbalance
- poor endurance

After PrevailMAX:

- better circulation
- more vitality
- mental clarity
- cellular movement
- nutrient assimilation
- balanced pH
- optimal endurance

PrevailMAX™ is a nutritional breakthrough that delivers a rapid increase of internal blood cell pressure to speed absorption, enabling the body to take maximum advantage of the nutrients in foods and supplements. The electrolytes are small enough to penetrate your cell membranes, to bind with your cells, and to be carried wherever they are needed in the body.

At the microscopic level of human cells, **PrevailMAX™** supports healthy cell performance – a nutritional breakthrough for your cells.

When you use **PrevailMAX™**, you will feel more energy and an ability to focus like never before. Take a few sprays today and see just how good you can feel!
