### WHITECOURT RESPOND TO REPORT OF MISSING CHILD SWIMMER

Submitted by Whitecourt RCMP

Whitecourt RCMP along with Fire and Emergency Services are still on scene continuing efforts to locate

the missing child swimmer. The swimmer has been identified as a 14-year old from the Edmonton area.

Whitecourt RCMP advised Rotary Park remains closed at this time and are asking

people to avoid the area.

Whitecourt RCMP send their condolences to those affected by this tragedy.

### ROTARY PARK CLOSED UNTIL FURTHER NOTICE

Submitted by Town of Whitecourt

Access in to and all water features at Rotary Park are closed until further notice. Barricades have been

erected at the 51 Street vehicle entrance, as well as the pedestrian entrances at 57 Avenue, 53

Avenue and Pritchard Trail near the Off Leash Dog Park.

RCMP and emergency services remain on scene following a report of a missing child swimmer made August 14, 2022.

### COMPOST WORKSHOP AT THE SANGUDO LIBRARY

Submitted by Sangudo Library

Compost is a wonderful asset to have in the garden and knowing how to make

it from weeds, kitchen scraps, and other waste materials is an invaluable (and satisfying!) skill for any gardener to have. Join us at the Sangudo Public Library on

Thursday, Aug. 25, at 7 PM to dig into composting with Lac Ste. Anne County's horticulturist, Lorraine Taylor!

# Compost Workshop At The Sangudo Library

*Continued from Page 1*

Decomposition that gives us compost is an amazing, natural process – but sometimes it doesn't quite work. We'll talk about common problems and how to get great compost. Participants can also build sifting screens to take home for weeding, transplanting, and processing finished home-made compost! We'll have tools available to assemble screens, but if you have your own (cordless drill & hammer), please feel free to bring them along.

Workshop is FREE to attend – compost screens will be available by donation to the Sangudo Public Library to cover materials

(\$15 recommended). We will be meeting outside by the Sangudo Community Gardens (5028 - 50 Ave.), or in the Sangudo Public Library in case of inclement weather. Snacks and refreshments will be available! Please RSVP with Jamie by email at jamieohler@hotmail.com or by phone/text at (780) 909-9390, though drop-ins are also welcome.

Please visit the Sangudo Public Library webpage (sangudolibrary.ca) and our Facebook page for news on other programs and events.

# BLUE-GREEN ALGAE BLOOM ADVISORY ISSUED FOR LESSARD LAKE

A blue-green algae (cyanobacteria) bloom has been identified in areas of Lessard Lake. Residents living near the shores of this lake, as well as visitors to this lake, are advised to take the following precautions:

- Avoid all contact with blue-green algae (cyanobacteria) blooms. If contact occurs, wash with tap water as soon as possible.
- Do not swim or wade (or allow your pets to swim or wade) in any areas where blue-green algae (cyanobacteria) is visible.
- Do not feed whole fish or fish trimmings from this lake to your pets.

Consider limiting human consumption of whole fish and fish trimmings from this lake, as it is known that fish may store toxins in their liver. (People can safely consume fish fillets from this lake).

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any recreational body of water, including Lessard Lake, at any time. Boiling of this water will not remove the toxins produced by blue-green algae. An alternate source of drinking water should also be provided for pets and livestock, while this advisory is active.

Blue-green algae is naturally occurring, and often becomes visible when weather conditions are calm. Appearing like scum, grass clippings, fuzz or globs on the surface of water, blue-green algae can be blue-green, greenish-brown, brown, and/or pinkish-red, and often smell musty or grassy.

People who come in contact with visible blue-green algae or who ingest water containing blue-green algae may experience skin irritation, rash, sore throat, sore red eyes, swollen lips, fever, nausea and vomiting and/or diarrhea. Symptoms usually appear within one to three hours and resolve in one

to two days. Symptoms in children are often more pronounced; however, all humans are at risk of these symptoms.

Weather and wind conditions can cause algae blooms to move from one location in the lake to another. As such, this advisory will remain in effect for Lessard Lake, until further notice.

Please note that areas of Lessard Lake in which the blue-green algae bloom is NOT visible can still be used for recreational purposes, even while this blue-green algae Health Advisory is in place.

# MAYERTHORPE LEGION MEDIA REPORT

Submitted by Mayerthorpe Legion Branch #126

Mayerthorpe Legion Branch #126 is happy to announce we're back to regular business and rentals since Covid restrictions were lifted this spring. Last summer and most of this winter it was take-out orders only.

The Legion officially reopened March 16 for in-lounge Wing Night dining with an early celebration of St. Patrick's Day. We welcomed back an amazingly supportive crowd. Since then it has been very busy with take-out orders, and usually a full house eating-in on Wing Wednesday, plus rentals.

Since January, current By-laws have been reviewed, and a new slate of officers and staff have taken over the helm. Enthusiastic Kim O'Dempsey dove whole-heartedly into the challenging position of Manager, and we're thankful Brenda Murphy stayed on as cook. Just an update: President Terry Nelson, Vice-President Deb Hagman, Secretary Kim Nelson, Treasurer Connie Morton, Sergeant-at-Arms Owen Knott, with 14 others holding positions on committees.

A heartfelt thanks to Yvonne, Marie, Gary and Mac for their years of service in many capacities, and to Val for her years as Manager.

Volunteers never cease to amaze us with their smiling support every Wing Wednesday, and for assistance at rentals and social functions. It is also a very

supportive community that helps keep the Legion's doors open. Thank you all!

## EVENTS ENJOYED:

May 15 the Legion walls resounded with the gift of beautiful music from the Lac Ste. Anne Choir.

June 11 Seniors' Week was celebrated with fancy "Seniors' Sweets and Mocktails" courtesy of the Legion. The Cadets and RCMP added to the pomp and ceremony by escorting and serving the seniors. Our special guest was accordionist Eric Schocat, a terrific entertainer.

June 18 was a trip back to the 50s and 60s, with celebrated tribute artist Jaedyn Pilon. We heard from Elvis, Buddy Holly and other great entertainers in a blast from the past. Sylvia Krikun won the prize for best dressed woman with her poodle skirt and scarf, and Gary Bowman won the prize for best dressed man, from his slicked back Brylcreemed hair to his pointy-toed shoes. Best twister prize went to Bev Wells, who even had the toe action going. The RCMP again joined the Legion workers to take orders and deliver milkshakes, floats, and sundaes to the crowd. If you missed the fun this year, we're looking at bringing Jaedyn back next year.

July 20 and 21 was the St. Albert Casino, and whiz-kid Connie spent hours getting more volunteers because of last minute sickness of two volunteers. It will be the end of the year before we know the profit. We will have more back-up volunteers in place next

time. If you're interested, let us know.

**UPCOMING EVENTS:** (put them on your calendar now!) With info and tickets coming out closer to the events:

Oct. 14 David James and the Big River Band will present a tribute to Johnny Cash. Walk the Line with the man in black. Do you or your group want to wear black to the concert? Go for it! Let it be a challenge.

From mid-October to late November, the Veterans' Banners will again be flying in Mayerthorpe. We had 36 banners in 2021 and only 30 appropriate Town poles. So the other six banners were hung in business windows. This year we have 22 new banners, and the businesses have enthusiastically offered their store windows to display them. Please stop and look at the faces of these local young men and women who went to war for us. They're mere children, with the courage of seasoned warriors.

Any profits from the Veterans' Banner Program in 2021 and 2022 will be used to make repairs on the Legion cenotaph and improve the signage in the Veterans' section of the cemetery.

Nov. 26 - Fly With the Eagles tribute at the Legion for your Christmas party! There will be a dinner before the entertainment, so we encourage local businesses to buy tickets for their staff, without the hassle of planning. Let us do the work. Check that chore off your Christmas "to do" list by putting it on your calendar!

There are ongoing discus-

sions for plans for the rest of 2022, including a Marathon Bingo, date not yet determined. But watch the Legion site, this paper, and the posters around town for an announcement.

There are also half a dozen possible exciting events for 2022, but details are still being worked on. So stay tuned. Please phone Mo 780-284-4151, or Margaret 780-786-2751 if you have workable suggestions for Legion events and fundraisers for 2022.

In August we got word that Mick Besko did very well in the Legion Canadian Youth Track and Field Championships down east. He came seventh in Canada in the U18 Decathlon and his U18 400 X 4 Alberta Men's Relay Team won a silver medal. Mick is the son of Brad (MHS graduate) and Tina Besko, and grandson of Bob and Carol Besko of Mayerthorpe. Please let us know of any children or grandchildren with a local tie, who have won a Legion-sponsored contest or event outside of our local area.

The Legion donated \$2,500 to the Mayerthorpe Hospital Auxiliary Fund toward purchasing what they deem most-needed for the patients.

A shiny new deep fryer was recently bought, as there were some challenges that couldn't be fixed on the old one. Not even by our handyman Garth.

From now on, the Mayerthorpe Legion will be publishing an article once a month. Again, stay tuned, be well, and smile!

# 12-HOUR PERIODS WITHOUT PHYSICIAN COVERAGE IN LOCAL ED

Submitted by Alberta Health Services

The Barrhead Healthcare Centre Emergency Department (ED) will be temporarily without on-site physician coverage:

7:00 p.m. Aug. 12 to 7:00 a.m. Aug. 13

7:00 p.m. Aug. 14 to 7:00 a.m. Aug. 15

7:00 p.m. Aug. 16 to 7:00 a.m. Aug. 17

7:00 p.m. Aug. 17 to 7:00 a.m. Aug. 18

During this time, nursing staff will remain on site in the Emergency Department providing urgent triage and

assessments and referrals for patients to alternate Emergency Departments in neighbouring communities.

Patients are asked to call 911 if they have a medical emergency. EMS will be available to the community and re-routed to the Westlock Healthcare Centre (41 km) or Whitecourt Healthcare Centre (99 km).

This is a temporary measure and AHS is working hard to ensure local residents continue to have access to the care they need during this time.

Depending on their needs, patients seeking care at the ED in Barrhead may also be made aware of services available through local pharmacies. Residents are reminded to call Health

Link at 811, which is available 24/7 for non-emergency health-related questions.

We are thankful for the support of surrounding healthcare centres and medical staff and would like to thank the community for their patience and understanding during this time.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

# MONKEYPOX IMMUNIZATION APPOINTMENTS NOW AVAILABLE

Submitted by Government of Alberta

Starting today, Albertans aged 18 and older who self-identify as meeting the eligibility criteria for targeted prevention of monkeypox, prior to an exposure, can book an appointment to receive monkeypox vaccine in nine cities across the province, including Edmonton, Calgary, Edson, Fort McMurray, Grande Prairie, Lethbridge, Medicine Hat, Red Deer and St. Paul.

Anyone who is eligible and interested in receiving the monkeypox vaccine must call Health Link at 1-866-301-2668 to review eligibility and book an appointment.

Imvamune (smallpox and monkeypox vaccine) has been authorized in Canada for adults who are 18 years and older and who are determined to be at high risk for exposure to the virus. Alberta has been providing Imvamune to close contacts of a confirmed monkeypox case after exposure...

Appointments are re-

# GOLFER'S GUIDE

## INTERESTING FACTS ABOUT GOLF

Golf is played all over the globe. Golf is one of the world's oldest sports, boasting a rich history. Golf is a sport of skill, that can involve not only athletic prowess, but also brain power. Here are some interesting facts about the

game.  
 • To this date, golf is only one of two games to be played on the moon. The other is a javelin throw.  
 • Long before the advent of tees, golfers played off of hand-built sand piles.

• In 1889, Ab Smith inadvertently coined the phrase "birdie," when he hit a shot he defined as a "bird of a shot."  
 • Making a hole-in-one during a round of golf is quite a challenge. However, the

odds of making two are incredibly low, at one in 64 million.  
 • Only around 20 percent of golfers have a handicap below 18. The United States Golf Teachers Federation defines handicap as "a measure of a player's current ability over an entire round of golf, signified by a number. The lower the number, the better the golfer is."  
 • The word "caddy" comes from "cadet," the French word for "student."  
 • A regulation golf ball contains 336 dimples.

# ELECTRICITY REBATE PROGRAM EXTENDED UNTIL DECEMBER

Submitted by Government of Alberta

Nearly two million homes, farms and businesses will receive electricity rebates for the rest of the year to help cover high bills amid rising energy costs.

The electricity rebate program will now offer about \$600 million in relief through the rest of 2022, providing eligible Albertans with a monthly \$50 bill credit for six consecutive months.

More than 1.9 million homes, farms and small businesses will receive monthly credits on their electricity bills starting this month and stretching until the end of December, for a total of \$300 in rebates.

“We are doubling the electricity rebate to help reduce the financial burden that many families in Alberta are dealing with due to the rising cost of living. This move will help millions of families and business owners pay their bills and keep their

lights on while we continue working to build a stronger, more affordable long-term electricity system.”

Dale Nally, Associate Minister of Natural Gas and Electricity

Expanded electricity rebate

As the cost of living continues to pose challenges for Albertans, the government is providing an additional three months of bill credits to alleviate some of the high utility costs that many families and businesses have faced during recent months.

The expanded electricity rebate will hold the criteria currently in place:

- Albertans currently connected to the system that have consumed electricity within the past calendar year, up to a maximum of 250 megawatt hours per year, are automatically eligible for the rebates.

- Eligible Albertans can expect to see an automatic \$50 rebate on their bills. No application or oth-

er action is needed to start receiving the rebate.

The extended monthly rebates will apply to the entire bill, not just the energy portion. In addition, the \$50 rebates will be on all eligible bills – protecting consumers on the variable regulated rate option as well as those on competitive contracts.

The July rebate will be listed on each bill as a line titled “GOA Utility Commodity Rebate,” and \$50 rebates will follow in August, September, October, November and December for a total of \$300. Exact timing will vary depending on the billing cycle of one’s utility provider.

Upcoming natural gas rebate

Alberta’s government is implementing two programs to ensure utilities remain affordable while providing stability for millions of Albertans through the next nine months.

Along with the electricity rebate, the natural gas rebate will protect eligible Al-

berta customers using natural gas and other heating fuels from European-style price spikes.

With the electricity rebate reaching bills in July, and the natural gas rebate starting in October, Alberta’s government will be providing support on utility bills for millions of Albertans until March 31, 2023, if prices remain high.

Fixed rate contracts and other options

Along with the rebates, Albertans wishing to protect themselves from price volatility may also enter into a competitive fixed-rate contract. Albertans can visit the Utility Consumer Advocate to see what products are available in their area.

Consumers who believe they meet the eligibility criteria but have not started receiving the rebates by the end of July should contact the Utility Consumer Advocate.

# COVID-19 VISITOR RESTRICTIONS RESCINDED AT AHS ACUTE CARE SITES

Submitted by Alberta Health Services

Visitor restrictions at Alberta Health Services (AHS) acute care, ambulatory care, urgent care, and emergency care sites have now been rescinded.

This includes removing limits to visitation and limits to the number of designated family/support persons and visitors permitted per patient.

Throughout the COVID-19 pandemic, access restric-

tions at AHS sites have been in place to limit the number of visitors and designated family/support persons permitted in healthcare settings.

While these limits have been necessary to reduce the risk of transmission of COVID-19, we understand how challenging they have been for patients and their families.

What families and visitors should keep in mind:

While most sites will be able to accommodate open

access for visitors and designated family/support persons, it is important to know that some healthcare settings may need to impose access limits due to the vulnerability of their patients, or in the event of a COVID-19 outbreak. There may also be limits on how many people can be in an area at one time in order to maintain physical distancing requirements.

If you are planning to come to site to see a patient, speak with the site or

patient’s care team beforehand to find out if any access limits are in place.

It is also important to remember that, as healthcare facilities are vulnerable environments, certain measures must remain in place for the safety of patients, staff, and all on site. Anyone entering must continue to follow precautions such as continuous masking, entry screening, physical distancing, and hand hygiene.

# Monkeypox Immunization Appointments Now Available

*Continued from Page 7*

...since June 7. To help curb the spread of the virus, Alberta expanded the monkeypox vaccine eligibility to include Albertans who are at higher risk of being exposed to monkeypox and began vaccine administration in Calgary and Edmonton on July 29. By expanding availability beyond these two cities, AHS is further enhancing the opportunity for more eligible people in Alberta to receive the vaccine.

Vaccine eligibility

Alberta residents 18 years and older eligible for the monkeypox vaccine include:

- Transgender, cisgender or two-spirit individuals who self-identify as belonging to the gay, bisexual and other men who have sex with men (gbMSM) community and who meet at least one of the following criteria:

- o Have received a recent (in the last six months) diagnosis of a sexually transmitted infection.

- o Are planning to have, or in the past 90 days had, sex outside of a mutually monogamous relationship.

- o Have attended venues for sexual contact within the past 90 days (e.g., bath houses, sex clubs) or may be planning to.

- Any sexual contacts of the individuals described above.

- Staff and volunteers in a social setting or

venue or event where sexual activities between men (individuals described above) may take place.

Protection against monkeypox virus

Close contacts of people suspected or confirmed to have a monkeypox infec-

tion may also be eligible for post-exposure immunization. Immunization is recommended up to 14 days, and ideally within 4 days, after exposure to help prevent illness. Close contacts are also advised to self-monitor for 21 days

after their last exposure. If symptoms develop, they should self-isolate, seek care and get tested. Call 811 for further information.

# PREVAIL

CELLULAR  
HOMEOSTASIS  
FORMULA

MAX

A NUTRITIONAL BREAKTHROUGH THAT SUPPORTS YOU  
 ...RIGHT DOWN TO THE LAST CELL!

LIVIN TRIM WITH

Submitted by Parkland RCMP

At approximately 9 p.m. on July 12, 2022, Parkland RCMP responded to a report of a collision involving a motor vehicle and a pedestrian. The collision occurred at the intersection of Range Road 275 and Greybriar Drive in Stony Plain.

The 72-year-old female pedestrian was transported to hospital where she was pronounced deceased from

her injuries. Her family has been notified.

The 32-year-old male driver of the vehicle remained on scene.

Parkland RCMP continue to investigate with the assistance of a Collision Analyst. At this time the cause of the collision is not believed to be criminal in nature.

# AS ALBERTANS HEAD OUTDOORS FOR THE SUMMER, REMEMBER SUMMER SAFETY TIPS

Submitted by Alberta Health Services

With the weather warming up for the season, Albertans are heading outdoors to enjoy time with family and friends. Cooling off in Alberta's lakes and enjoying outdoor activities are great ways to stay active and spend quality time with loved ones, but it is important to remember safety tips for heat-related illnesses and recreational water.

Sunburns and heat-related illness:

- Apply a sunscreen that screens out both UVA and UVB rays and has a sun protection factor (SPF) of at least 30. Apply it 20 minutes before going outside and reapply frequently.
- Wear a wide-brimmed hat and sunglasses (with a UVA/UVB CSA certified seal). If possible, wear long pants and long-sleeved shirts that cover skin.
- Drink lots of water and other non-alcoholic, non-caffeinated beverages to stay hydrated.

- If you feel dizzy, nauseous or faint, you may be suffering from heat exhaustion. Drink plenty of water and get into a shaded area. Keep in mind that children and older adults are more at risk of heat exhaustion and dehydration.

- Hot weather can also cause heat stroke. Symptoms include high body temperature, lack of sweat, confusion, fainting, and unresponsiveness. Move the person to a shaded area, remove their outer clothing and shoes, wrap them in a wet towel, and get medical attention as soon as possible.

### Recreational Water

There is always a potential risk of injury when swimming, especially in un-monitored bodies of water. Here are a few ways you can prevent water-related injuries:

- Wear a life-jacket or Personal Flotation Device (PFD) in a boat and make sure it fits.
- Young children should wear lifejackets when they are in, on, or around the water. Stay

right beside your child.

- Not all beaches are monitored for biological, chemical, and physical hazards. Look for posted signs at designated beaches.

- Unlike the local swimming pool, lakes, rivers and streams may contain disease-causing micro-organisms. Be aware of local water quality advisories, blue-green algae, and cyanobacteria advisories. Do not go near lakes or ponds that are known to have outbreaks of swimmer's itch and be sure to shower or dry yourself off with a towel as soon as you get out of a lake or pond.

- Avoid alcohol or cannabis and any other substance that may impair your judgment before and during water activities.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta. Its mission is to provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

# FINAL SETTLEMENT AGREEMENT ON COMPENSATION SIGNED FOR FIRST NATIONS CHILDREN AND FAMILIES

Submitted by Government of Canada

Today, Canada, the Assembly of First Nations (AFN), and the plaintiffs in the Moushoom

and Trout class actions announced that a final settlement agreement has been signed, regarding compensation for First Nations children and families harmed by

discriminatory underfunding of the First Nations Child and Family Services program and the federal government's narrow definition of Jordan's Principle. Together,

er, the Parties arrived at this historic settlement agreement – the largest in Canadian history – which recognizes harm to First Nations children and their families. The agreement ensures fair compensation for survivors and their families who suffered because of the discriminatory underfunding of services.

To reach this agreement, Canada, the Assembly of First Nations and counsel representing the plaintiffs in the Moushoom and Trout class actions have worked collaboratively and tirelessly over the past six months since announcing Agreements-in-Principle. Plaintiffs and their counsel took the lead on proposing a structure and roll-out of compensation that best meet the needs of the class members.

The next step is to bring the final settlement agreement to the Canadian Human Rights Tribunal asking for the Tribunal's confirmation that the settlement satisfies its orders on compensation. The final settlement agreement will then be brought to the Federal Court of Canada for approval. If approved, the process to implement the settlement will begin.

The agreement provides \$20 billion and, once approved... .

**PURE HEMP PRODUCTS**  
AGING IS INEVITABLE - LOOKING AND FEELING OLD ISN'T!

**A Health and Beauty Breakthrough!**  
Cannabidiol, is one of over 80 active cannabinoid chemicals in the hemp plant. Unlike, THC, it does not produce euphoria or intoxication. It targets specific receptors in the cells of your brain & body. There are many physical and mental benefits to using these products for both treatment and prevention of numerous ailments.

**Therapeutic Uses For Pure Hemp**  
Supports healthy blood sugar levels, promotes healthy energy levels, relieves anxiety, aids in digestion, supports optimal immune function and the regeneration of healthy cells, and promotes a sense of serenity and overall well-being.

**Anti-Aging Uses For Pure Hemp**  
Promotes more youthful skin, provides hydration, enhances radiance, lessens age lines as well as the appearance of dark spots.

**KEY BENEFITS**  
**PAIN RELIEF:** Known to reduce vomiting & nausea; suppress muscle spasms; reduce seizures & convulsions.  
**PROMOTES HEALTH:** Helps to promote relaxation and overall health.  
**WELL-BEING:** Helps to relieve anxiety, aid in digestion, supports optimal immune function and the regeneration of healthy cells.

**PET PRODUCTS**

**PET CHEW TREATS**  
**KEY BENEFITS**  
**SYNERGISTIC BENEFITS:** Can be used in conjunction with regular medications with no side effects.  
**NO SIDE EFFECTS:** Does not damage the liver, kidney or GI Tract like OTC medication.  
**DIETARY SUPPLEMENT:** Can be administered daily as part of your pet's diet.

**ORAL SPRAYS & DROPS**  
**KEY BENEFITS**  
**MANAGES PAIN:** Helps to treat inflammation, arthritis and joint pain.  
**TREATS DIGESTIONAL ISSUES:** Helps with loss of appetite, nausea, IBS and gastrointestinal swelling.  
**GENERAL HEALTH:** Helps to manage mood, anxiety and general joint pain. For healthy, happy pets.  
**CONVENIENT:** Can be sprayed into pet's mouth or on food.

**For more information, Call (780) 907-8642**

# Final Settlement Agreement On Compensation Signed For First Nations Children And Families

Continued from Page 16

...by the Federal Court and the Canadian Human Rights Tribunal, the following groups will be eligible for compensation:

- children who were removed from their homes under the First Nations Child and Family Services program between April 1, 1991 and March 31, 2022
- children who were impacted by the government's narrow definition of Jordan's Principle between December 12, 2007 and November 2, 2017
- children who did not receive or were delayed in receiving an essential public service or product between April 1, 1991 and December 11, 2007

• caregiving parents or caregiving grandparents of the children above may also be eligible for compensation

With respect to long-term reform of the First Nations Child and Family Services program, Parties are working hard at reaching a final settlement agreement to ensure a solid, reformed system to end the discrimination found by the Tribunal. On April 1, 2022, Canada implemented immediate measures to help reduce the number of First Nations children in care, and to provide additional supports to First Nations children, youth and families. These investments, amounting to approximately \$2.7 billion to date, represent an 80% increase in funding from 2020-21. They include increased

funding in all provinces and the Yukon Territory for prevention, for First Nations representative services, and for the expansion of post-majority care services for young adults formerly in care up to their 26th birthday.

In reaching a resolution on compensation and in continuing the work to reform the First Nations Child and Family Services program, the shared goal is to prioritize the well-being of First Nations children and their families. Canada stands with First Nation partners in the commitment to make sure that a better system is in place for current and future generations.

# SUDOKU of the week

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**ANSWER:**

4	2	5	3	7	6	1	9	8
9	6	3	8	1	4	2	7	5
8	1	7	2	5	9	4	3	6
3	4	1	6	9	5	7	8	2
6	8	9	7	3	2	5	1	4
5	7	2	4	8	1	9	6	3
7	5	8	9	2	3	6	4	1
2	9	6	1	4	8	3	5	7
1	3	4	5	6	7	8	2	9

			3					
	6		8				7	
	1			5	9			6
	4		6	9		7		2
6	8				2			4
5	7			8	1			
7				2	3	6	4	
2	9				8			
1		4		6	7	8		9

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
