SONGS FOR THE CHRISTMAS SPIRIT

Submitted by Lac Ste. Anne Community Choirs

It's the songs of Christmas that bring the Christmas spirit, and the Lac Ste. Anne Community

Choir has three concerts planned to enhance that special feeling with a variety of old favourites and newer, less-well-known songs.

You are invited to cele-

brate the season and enjoy one (or more) of this popular choir's performances this December. Director Debbie Rosen, with help from

accompanist Keat Machtemes, leads over 40 singers in a variety of Christmas musical pieces.

The first concert is in Onoway at St. John's Anglican Church (4801 50 Street). For those who don't like night driving, the music

for this performance begins 2 pm on Saturday, December 2.

On Wednesday, December 13 the choir gathers for a special performance for the residents of Chateau Lac Ste. Anne in Onoway. This performance is just for residents at the centre, helping them to get into the spirit of Christmas.

The final performance of the season is on Friday, December 15. That is our traditional Friends and Family performance (where everyone who likes music is a friend!) at the Alberta Beach Alliance

Church (4507 47 Street Alberta Beach), with singing beginning at 7 pm. The entire audience is invited to stay after the performance to enjoy some goodies and visit with choir members.

Admission to all concerts is free but donations are gratefully accepted.

The Lac Ste. Anne Community Choir is open to anyone over 18. No auditions are required, and there's no need to read music or have choir experience. All that's needed is a love for singing, and a wish to meet other like-minded people. After

a holiday break, registration and the first practice for the next season will be Wednesday, January 3 at the Heritage Centre in Alberta Beach (5012 - 49 Avenue). Registration begins at 6:15.

JOKE of the week

Lauren was frustrated. She had complained dozens of times to her daughter about her newest gag of kissing the bathroom mirror immediately after applying lipstick, but it was all to no avail. Finally, one day after spending a half hour scrubbing the mirror, only to find another kiss mark an hour later, Lauren had enough. "Lizzy!" she hollered, "What?" came her daughter's reply through her bedroom door. I can't find the toilet brush that I've been using to clean the bathroom mirror. Do you have any idea where it is?" After hearing the gagging from behind the bedroom door, Lauren knew her days of cleaning kiss marks off of mirrors were over.

BULLYING AWARENESS WEEK: MINISTERS TURTON, NICOLAIDES

Submitted by Government of Alberta

Minister of Children and Family Services Searle Turton and Minister of Education Demetrios Nicolaides issued the following statement on Bullying Awareness Week: "Bullying can happen to anyone, of any age. The long-term health and social impacts can be challenging to overcome and make people feel powerless and alone.

"That's why it's important for all of us to learn how to recognize and prevent bullying, as well as support victims and help them find resources if they're struggling. Alberta's Bullying Helpline is available 24-7, in more than 170 languages. Albertans can get help by calling or texting 310-1818 or by connecting with trained staff at any time online."

Searle Turton, Minister of Children and Family Services

"Everyone deserves to feel safe no matter where they are, whether that's at home, in our schools, at work or online. We can ensure our communities are safer for everyone by standing up to bullying and letting those around us know there are people and resources to help.

"This year's theme, #WhereToTurn, encourages everyone to raise awareness that help is always available. Get involved by using the hashtag on social media, start-

ing a discussion with your friends, family or coworkers about how to intervene, and taking part in anti-bullying events at your school. Let's work together to promote safe, healthy and respectful relationships."

Demetrios Nicolaides, Minister of Education

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
