CAPITAL GAINS TAX

Submitted by MP Gerald Soroka

For nine years, Justin Trudeau has continually made life tougher for hard working Canadians.

Starting June 25:

- Capital gains inclusion rate increases from 50% to 66.67% for individuals earning more than \$250,000 in capital gains in a year;
- All capital gains generated through a corporation will be subject to the 66.67% inclusion rate, and

• Lifetime capital gains exemption for eligible property will increase from \$1,016,836 to \$1,250,000.

This is simply a job-killing tax on health care, home-building, small businesses, and farmers in order to pay for their uncontrolled inflationary spending.

Conservatives were the only party that voted against this Liberal capital gains tax hike. Why? Because the hike would only make our productivity, home building and doctor

shortages worse. I ask, what other last-minute surprise tax hikes will this Liberal government bring forward? Who will pay for this tax? Firstly, people who have one-time sales or disposal of long-term assets, like a grandmother trying to give some of her farmland to her children for homes. Secondly, 300,000 businesses, and indirectly, their workers will pay this tax hike.

EVANSBURG GROUCH ELECTION BEGINS

Submitted by Tipple Park Museum

Evansburg, get ready! The Grouch elections have begun!

This year's candidates for Evansburg Grouch are Kathlene Greenwood and Hayden Jones. Kathlene was raised on a family farm north of Evansburg. The thing that gets this self-proclaimed recycling queen grouchy is littering! Wishy-washy people also get on Kathlene's nerves. She loves singing, karaoke, and spending time with her horse.

Hayden, our other candidate, is also a local of Evansburg. This college student enjoys doing activities by herself, like walking her dog, though she will also take the time to grumble to those nearby. Hayden gets particularly annoyed by slow drivers and people who are always late!

Voting will take place from June 11th to July 8th at various local businesses. For those new to the game, each participating location has a voting box. To vote, deposit loose change in the slot of the Grouchiest candidate. Whichever candidate has

the most money at the end of the voting period will be declared the new Grouch for the next year! They will be crowned during Pembina Valley Daze, and may be invited to participate in community events throughout the next year.

Participating locations for voting include: Tipple Park Museum, Tipple Park AG Foods, Skeletons In Our Closet, White Willow Gifts, Evansburg Family Foods, Evansburg Family Clothing, Cauldron & Crystal, and Whitey's Garage.

Capital Gains Tax

Continued from Page 1

Conservatives will make hard work pay again and incentivize production in Canada with a 'Bring it Home' tax cut that will:

- o Bring home production and paycheques, by making Canada the best place to invest, hire and make things.
- o Bring home fairness by

reducing the share of taxes paid by the poor and middle class while cutting tax-funded corporate welfare and cracking down on overseas tax havens.

- o Cutting the paperwork and bureaucracy in the tax system by at least 20%.

To fix what Justin Trudeau broke, Canada needs to overhaul the system to

make taxes low, simple, and fair. Raising taxes to generate revenue is not the answer. This Liberal government needs to STOP its uncontrollable spending. Conservatives will not punish Canadians for their hard work but rather reward them for their success.

Evansburg Grouch Election Begins

Continued from Page 1

Proceeds from the voting boxes will go toward future "grouching shenanigans" (ie. upkeep of the Grouch's costume and other things the new Grouch will need to continue participating in community events)!

The Evansburg Grouch is currently arranged through the Tipple Park Museum. We ask that if you would

like to see the Grouch at your event, please contact the museum and we will help you make arrangements.

BOARD MEETING BRIEF

Submitted by GYPSD

The Board enjoyed performances from Niton Central School students and Ms. Kelly's Grade 3 students from Sheldon Coates; Grand Trunk student, Jazlynn Mochniuk, shared her experience serving on the Minister's Student Advisory Council this past year.

The musical performances and Jazlynn's report can be viewed on the Board's live stream channel!

The Board approved the 2024/25 Budget and the 2024-2027 Education Plan submissions to Alberta Education.

Once submitted to the Education Ministry, the documents will be posted to the Division's website.

Chair Karpluk recognized the important deadlines that occur in May - includ-

ing the Division's Education Plan. The Education Plan identified student success goals based on the aggregated data collected from all schools in GYPSD. Provincial Achievement Tests, Diploma Exams, Assurance Measure Survey Results, Early Years Assessments applied in the primary grades, and other local assessment data are collected throughout May and June; the data provides feedback on the effectiveness of the strategies identified in the plan.

Inclusive Learning Consultant Amy Corser shared the school events promoting health and wellness for GYPSD students - all part of May's focus on mental health. Assistant Superintendent Carra Aschenmeier shared her recent attendance at CASS's Trades and

Technologies Summit, exploring pathways for students into these important careers, and her work to bring a new math assessment/screening tool for GYPSD's students.

Chair Karpluk shared the Board's pride for the 22 GYPSD students nominated for ASBA's Honouring Spirit: Indigenous Student Award. All 22 nominees received an Honourable Mention Certificate for their commitment to education. The nominating schools - Crescent Valley, Mary Bergeron, and Ecole Pine Grove, will be acknowledging the students locally.

In the Land Acknowledgment, Board Chair Karpluk shared the Board's commitment to reconciliation, highlighting Trustee attendance and participation at CASS's First Nations, Métis,

and Inuit Education Gathering.

Board Chair Karpluk reported on the Trustees' attendance at a ASBA Zone 2/3 Engagement Event for elected officials to connect with school board trustees. The event, attended by Premier Smith, Education Minister Nicolaidis, and local MLAs provided an important opportunity for trustees to advocate for key issues in public education.

In her Superintendent's Report, Dr. Lewis shared highlights of her work, including the extensive leadership professional development that occurred in May. Additionally, Dr. Lewis shared her appreciation to the Finance and HR teams led by Secretary-Treasurer Jun Lin and HR Director Meghan Auriat

Board Meeting Brief

Continued from Page 3

for their work and collaboration to prepare the 2024/25 budget. The budget reflects the Board's first priority - student learning - which begins with an allocation to provide full-day (and wherever possible) full-week kindergarten programming.

Dr. Lewis, Principal Reynolds, and members of the Board will be attending AS-

BA's Zone 2/3 Award Ceremony to support GYPSD's Edwin Parr Award nominee, Grade 3 teacher Paige Ekdahl.

In their ongoing attendance area reviews, the Board engaged the Lobstick stakeholders to consider various options for school attendance areas following the completion of the K-12 Grand Trunk School. Once completed, the Lobstick Ward will have a K-12 school

in the Hamlet of Evansburg and a K-9 school in the Hamlet of Niton Junction. Concerns about shrinking enrolments raised at a January event at Niton Central were also raised by Fulham School stakeholders. This prompted the Board to include options for Fulham in an attendance area review event, held May 14th, in Wildwood. An online survey was also provided to Fulham and Lobstick con-

stituents to consider ideas to address the small school issues at GYPSD's two small schools: Niton Central and Fulham.

The majority of stakeholder feedback from both Lobstick and the Fulham area respondents revealed a preference for the current attendance areas, and that the Board continue to provide a nonattendance area bus service option. In response to majority stakeholder feedback, the Board amended Policy 17 to maintain the option for parents to apply for out-of-area bus service. The Board also approved the purchase of eight new school buses.

In its ongoing advocacy work, the Board shared its awareness of mental health, classroom complexity, and the necessity for educational assistants with the skills needed to support more complex special needs students. Along with the awareness, they will be advocating for an increase for funding for Special Needs Students.

BEST coaches and the Wellness Navigators are preparing a range of summer programming options - opportunities will be shared out through schools.

A partnership between the Hinton and Edson Friendship Centre Elders has led to the creation of an Indigenous sacred site on the McLeod River, accessed through the Medicine Lodge Rodeo Grounds. Indigenous Pathways Lead Jennifer Albrecht and approximately 15 IPL teachers will be visiting the site to learn from Elders David Cree, Joe Cardinal, and Dorothy Courtereille on May 31.

ENHANCING PUBLIC SAFETY WITH FIRE SERVICE GRANTS

Submitted by Government of Alberta

Alberta's government is supporting a new research initiative to gather fire services data that will help municipalities strengthen public safety in Alberta.

Firefighters across Alberta play a critical role in the public safety of communities. Besides fighting fires, municipal firefighters provide first response to medical emergencies and other disasters, conduct search and rescue operations, and educate the public about fire safety and prevention.

Investing in services that support municipalities in strengthening public safety is a top priority for the government. Strong partnerships are key to keeping Albertans safe, which includes keeping firefighters safe. To help with that ongoing work, Alberta's government is providing grants totalling \$700,000 to municipalities and the Alberta Fire Chiefs Association (AFCA) for research and training.

"Public safety is always a priority, and our government recognizes that strong partnerships are key to keeping Albertans safe. We are pleased to work together with the Alberta Fire Chiefs Association to improve firefighting services for all Albertans. We remain committed to ensuring Alberta municipalities have access to excellent firefighting resources and information."

Ric McIver, Minister of Municipal Affairs

It is vital that local fire services are equipped to respond safely and effectively to all emergencies, and firefighters are able to receive training in alignment with industry best practices. To ensure this, Alberta's government provides ongoing support to municipal fire services through annual grants for fire services training. A total of \$500,000 in grants through the Fire Services Training Program is provided each year to help fire departments cover costs such as fire services course fees and training materials. All municipalities, Metis Settlements,

and First Nations communities in Alberta are eligible for these grants, which help prepare firefighters with the knowledge and skills they need to protect their communities.

Fire hazards, risks and responses change regularly and it is absolutely critical that local firefighters have all the information they need to be able to respond quickly, safely and efficiently. Research is needed to help local firefighting experts identify the specific data they

need, the best ways to collect it, and how municipalities can use it to mitigate risks.

To accomplish this work, a one-time \$200,000 grant will help the Alberta Fire Chiefs Association to research and develop recommendations for how to strengthen provincial fire data reporting. Improving the quality of fire data reporting will put municipal leaders in a better position to make well-informed decisions about local fire services and protection strategies

for their communities.

"We are encouraged by the Alberta Government's commitment to supporting the AFCA's Fire Services Data project, which involves researching a fire services data mechanism to enable data-driven decision-making. The \$200,000 grant to enhance fire data reporting is a testament to the power of collaboration between the government and fire services."

Randy Schroeder, president, Alberta Fire Chiefs Association

All written submissions will become public information upon receipt by the Yellowhead County Council.

Copies of Bylaw no. 03.24 and 02.24 are available for public inspection during regular office hours from 8:00 a.m. to 4:30 p.m. Monday through Friday at the Yellowhead County office located at 2716 - 1st Avenue, Edson, Alberta. Further information may be obtained by contacting the office at 780-723-4800, or 1-800-665-6030.

ALBERTA RCMP PROVIDES SAFETY REMINDERS FOR SHARING THE ROAD WITH COMMERCIAL DRIVERS

Submitted by Alberta RCMP

Motorists should take extra caution when sharing the road with, or operating, semi-trucks, tractor-trailers, and other commercial vehicles. With summer approaching, roadways will become increasingly busy and the Alberta RCMP wants to remind commercial and passenger-vehicle motorists how to operate on our provincial roads responsibly.

Commercial vehicle drivers:

- Remember to complete trip inspections to ensure your vehicle is in proper operating condition.
- Always carry the

required inspection certificates.

- Stay alert while driving and pull over when you're feeling tired.

• Enhance your safety by pre-planning your trip. Stay updated on roads, traffic, construction, and weather conditions.

• Maintain a safe following distance with other vehicles.

• Be aware of your blind spots and make wide turns safely.

• If you are hauling or transporting cargo, ensure that it is properly secured.

Passenger vehicle drivers:

- Stay far enough behind big trucks so that you can see both of its side

mirrors. If you can't see the truck driver, they can't see you.

• Increase your following distance behind larger vehicles so you can better see oncoming traffic.

• Oncoming commercial vehicles can create strong wind gusts, large splashes in wet conditions, or sprays of debris. Practice defensive driving and brace when they are passing.

• Leave extra space when passing or changing lanes in front of commercial vehicles as they require more time to slow down or come to a stop.

• Stay back when large vehicles are indicating right or left, as they require a wide turning radius.

For more traffic safety information, please follow us on Facebook @RCMPinAlberta and X @RCMPAlberta.

PROMOTING ALBERTA'S POWER GRID

Submitted by Government of Alberta

Minister of Affordability and Utilities Nathan Neudorf, and MLA Shane Getson will travel to Grand Forks, North Dakota to promote Alberta's energy sector.

In recognition of the continental nature of energy markets, the Energy Council has welcomed the Government of Alberta to attend the 2024 State and Provincial Trends in Energy Environmental Issues Conference in Grand Forks, North Dakota.

Minister Neudorf and MLA Getson will have the opportunity to meet and connect with officials from other provinces and states to promote Alberta's energy sector and highlight the province's plans to ensure the province's electricity system is affordable, reliable and sustainable. Alberta's government is committed to developing strategic alliances with other provinces and jurisdictions to address pressing issues such as electricity policy.

"I am excited to have the opportunity to share how Alberta continues to be a leader in responsible energy development as we continue to modernize our electricity system. Alberta's government is committed to ensuring our power grid is affordable, reliable, and sustainable for generations to come."

Nathan Neudorf, Minister, Affordability and Utilities

"Alberta is a global energy leader with a history of developing innovative solutions to difficult issues facing the sector. This is a venue to tell Alberta's energy story, share how our

province is taking its electricity grid to the next level and learn about the work other jurisdictions are undertaking to address important energy challenges."

Shane Getson, Parliamentary Secretary for Economic Corridor Development

Minister Neudorf and Parliamentary Secretary Getson will travel with one staff member. Mission expenses

will be posted on the travel and expense disclosure page.

Who Are We?

We are a small business in Alberta Beach.

We are in the alley behind Tri-Village Pizza.

We offer metaphysical and fine arts items for sale, both new and used. This includes Crystals, Spell Candles, Incense, Pigment Liner Pens, Professional Drawing Pencils, DELETER Papers, and Reference/Research Books.

WELLNESS FAIRS

Submitted by GYPSD

May promoted Mental Health Awareness.

Grande Yellowhead Public School Division's Wellness Navigators hosted Wellness Fairs in Hinton, Edson, and Evansburg, and invited community organizations who support and provide resources to join them.

GYPSD students gathered valuable information and connections in the areas of health promotion, wellness, nutrition, physical activity, harm reduction, mental health and well-being: The Fairs connected the support available at school to beyond their school years when they transition into adulthood.

The Wellness Navigator Team hope to organize this event on an annual basis.

The Wellness Navigators are a new addition this year to the Division's focused work on System Health and Wellness. Working alongside the Bringing Empowered Students Together (BEST) Team and Family School Liaison Counsel-

ors (FSLCs), the Wellness Navigator's role is to promote health and wellness by offering preventative, universal programming to students.

There is a Wellness Navigator located in each of the five high schools in the Division.

STAFF INCLUSIVE LEARNING PD

Submitted by GYPSD

Throughout the school year, GYPSD staff engage in professional learning opportunities to enrich their expertise and expand their toolbox of skills to support students. These events occur in-person, or virtually, depending upon what best suit the needs of the learner.

This spring, educational assistants, members of the Division's Inclusion Teams, and the Division's bus drivers participated in a series of virtual sessions on behaviour management strategies in response to staff awareness of students struggling with big emotions and how those emotions impact success

in school and safety on the bus.

The sessions addressed:
 Navigating Challenges: Positive Behavior Supports
 Well-Being through Emotional & Social Learning
 Managing Classroom Behaviour
 Emotional De-Escalation
 Emotional Regulation Approaches

GYPSD, in partnership with the Edmonton Regional Learning Consortium (ERLC), designed the Professional Development series, which featured several experts in educational support.

NITRO NUT Mechanical

We now carry Manuli! They are a European manufacturer and they engineer it all in Europe. All of their product is produced in their own factory, no outsource. Adding this in we have been able to gain access to many of the European fittings that have become much more common in North America.

BSPP, Metric Din, Metic cone, JIS.
 These fittings are clear across all brands John Deere, Case, New Holland, JCB, Fendt, Massey Ferguson. Many of the implements that have been sold in the last few years have also used these predominantly European fittings.

We offer these services

- CVIP Inspections
- Hydraulic hose crimping and thousands of adapters in stock.
- A/C Repair
- Espar and Webasto Repair, Installation.
- Engine Repair and Rebuilding.
- Power train/Driveline repair and service.
- Suspension and frame repair.
- Two Fully equipped service trucks for mobile needs.

We repair

- Truck Transport
- Heavy Equipment
- Automotive
- Industrial
- School Bus
- Agriculture

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
