### WATER QUALITY ADVISORY LIFTED FOR TRESTLE CREEK BEACH

Submitted by Alberta Health Services

Effective immediately, Alberta Health Services (AHS) has lifted the water quality advisory that was issued June 5, 2024 for the water of Trestle Creek Beach (located within the Edmonton Zone of AHS).

Water quality, including fecal bacteria levels, has returned to an acceptable level and the health risk is low for usage of the lake for recreational purposes.

As always, visitors and residents are reminded to never drink or cook with untreated water directly from any lake or reservoir,

at any time.

Alberta Health Services is the provincial health authority responsible for planning and delivering health supports and services for more than four million adults and children living in Alberta.

### LIVE AND SILENT AUCTION TO SUPPORT LAKESIDE CURLING CLUB IN SEBA BEACH

Submitted by Lakeside Curling Club

For decades, local curling rinks have been the heart of rural Canadian communities. The ice is akin to hallowed ground in many counties. It's where generations of friendships have been forged, business ideas

have sparked, Olympic dreams have flourished and new love has blossomed. Curling is first and foremost a community sport.

No matter your background or current circumstances, you can always guarantee you'll find someone at the curling rink with whom to share a few laughs

(and maybe a beer or two). If you've never tried curling, this is reason alone to explore the sport. If you've curled in the past, the community is calling you home. And, if you're a current member of a curling club then you know exactly what I'm talking about.

# Live And Silent Auction To Support Lakeside Curling Club In Seba Beach

*Continued from Page 1*

Curling clubs are always about more than just the facility, they are about the hopes and dreams and real-life moments of every member inside.

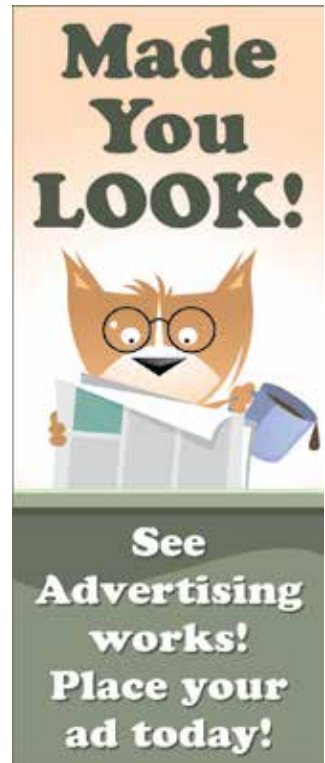

Lakeside Curling Club is a not-for-profit organization that has been the heart of the community since its incorporation in 1958. The club is located near Seba Beach, Alberta in an area that is otherwise under-served as far as entertainment, social and physical activity go, especially in the winter months. It's operated through the dedication and generosity of volunteers from the community. Its mandate is to provide safe, family-based, social and recreational activities for all ages. In addition to

league curling 4 evenings per week, the club supports amateur sports through the local school curling programs and hosting several bonspiels each season including a Junior Funspiel annually. A Family Curling league is being planned for next season. The facility is also available for private events.

As you can imagine, maintaining a curling club isn't cheap. The club employs part-time ice makers during the season and relies on volunteers to staff the bar and maintain the facilities during bonspiels. But the operating costs of managing the three-sheet facility are obtained through grants and donations – and here's where Lakeside Curling Club needs you. Please

show your support by attending the live and silent auction, scheduled for July 6th, 2024. Doors open at 7:00 PM, Live Auction starts at 8:00 PM. The Auction will be held at the Seba Hub (Old Seba Beach School). There will be, golf packages, landscaping materials, home and garden décor, Oilers tickets, autographed Connor McDavid jersey, Mayfield Dinner Theatre tickets and many more great items.

Come and have a look. Bring your friends and neighbours; meet new friends, bid on something you just can't live without and enjoy a fun evening.

# THE WILDWOOD AND DISTRICT AGRICULTURAL SOCIETY NEWS

Submitted by Wildwood And District Agricultural Society

Hello From The Wildwood And District Agricultural Society

As we wait for global warming (Summer) plans are coming together for the great celebration of the Wildwood And District Agricultural Society 85 years. It is also the 95th anniversary of the Wildwood Ladies Aid. In celebration of this, they are sponsoring some fun events at the annual fair on August 16th, 2024. Thank You to this organization and the Yellowhead County for the special event grants.

Also Santa's Anonymous will be hosting a dinner and dance the evening of this event.

Fair books are out in the community and ready for pickup. Since this is a costly project, the number of books are limited. So please, to those who can, print the information and entry form off of our Facebook page. Thank you for doing this. It really helps our organization. Also a big Thank You and Congratulations to Ty Gunterson for the awesome picture he drew and was chosen to be the cover of the 2024 fair book. It was a tough choice as there was several incredible

drawings submitted.

We hope you have had a first hand look and use of the new cover over the bleachers when you attended the Wildwood Bronc Bustin' it is a beauty.

Thank you to the Agricultural Societies Infrastructure Revitalation Grant.

Just a reminder...There is a new class for the youth---SHOW YOUR GARDEN PATCH. There are two age categories; 8 yrs and under and 9 to 17 yrs old. Pray for sunshine so there will be lots of beautiful Flowers, Vegetables, and Grains to enter into the Fair.

# PARKLAND RCMP SEEK OWNERS OF STOLEN FIREARMS

Submitted by Parkland RCMP

On June 12, 2024, at approximately 12:20 a.m., Parkland RCMP received a report of a suspicious white GMC Sierra truck with an attached flat deck trailer parked on a dead-end road in the residential area near Duffield, Alta.. Police located the suspicious vehicle and conducted a traffic stop. The lone male driver was a suspended driver and he was wanted on outstanding warrants. When the driver opened the driver's door of the GMC truck, police observed a fake Vehicle Identification Number

(VIN) attached to the door. The initial police investigation determined that the GMC truck and trailer were stolen, and a further search uncovered suspected Methamphetamine, one prohibited firearm, seven other firearms and two prohibited devices (over capacity magazines), also believed to be stolen. The suspect is known to police and he was arrested without incident.

Kalen Mailhot, 41-year-old resident of Parkland County was charged with:

- Possession of a firearm
- Possession of a prohibited weapon

- Possession of a weapon
- Fraud
- Altering or removing a VIN (x2)
- Possession of methamphetamine

Mailhot was taken before a Justice of the Peace and remanded into custody and his next appearance is June 19, 2024, at the Alberta Court of Justice in Stony Plain, Alta..

The Parkland RCMP are trying to reunite the recovered stolen firearms with the rightful owners, therefore, if you had a firearm stolen and have not reported the police, please contact the Parkland RCMP at

825-220-7267 to file a report. Anyone trying to claim the firearms will be required to provide the make, model and serial number.

The Parkland RCMP would also like to thank the public for being vigilant and reporting this suspicious vehicle to the police, which had a successful outcome in recovering stolen property and removing unlawful firearms from the street.

# “TOGETHER WE CAN”

Submitted by MJ Suntjens

OPTPS 21st Annual Farmer's Day Tractor Pull – June 8 & 9 was a success with entries of tractors/drivers from Sangudo, Barrhead, Neerlandia, Sherwood Park, Fort Saskatchewan, Leduc, Boyle, Drayton Valley, Blue Ridge, Whitecourt, Calmar, Stony Plain & Ardrosan.

Saturday with the cold, inclement weather drivers registered and weighed into their

classes; ready for their two pulls on Sunday. Our track held up very well, with each of the 56 entries, having two pulls to compete in their class.

1st, 2nd, 3rd place winners were:

Class 1: Robert McKell, Terry Dietrich, Darren Buryn

Class 2: Cambell MacKay, George Freiser, Sten Nielsen

Class 3: Peter Newman, Tom Speedie, Chris Whitford

Class 4: Earl Mills, Robert McKell, Duane Olson

Class 5: Darcy Harapchuk, Mike Harapchuk, Earl Mills

Class 6: Aurele Duperon, Dylan Kowalczyk, Darcy Harapchuk

Bantam: Terry Dietrich, Chris Whitford, Boris Heshka

Demo: George Suntjens, Abe Klassen

Our Feature Tractor was Dylan Kowalczyk's 1962 International 660 (produced from 1958-1963).

Dylan's tractor story:

Despite being discontinued

in the early 1960's, the International 660 remains a cherished and sought-after tractor among collectors and enthusiasts, revered for its ruggedness, performance, and contribution to agricultural history. Even with its age surpassing 60 years, my trusty 1962 660 tractor remains invaluable on the farm. Whether it's raking hay, cultivating fields, or hauling my dead trucks around the yard; it's proven its worth time and time again. Plus, it holds a special place in my heart as the first tractor I ever used for a pull. And, the girls think "My tractor's sexy."

West End Meals on Wheels Society's 50/50 ticket #375869, for \$140, was won by Bob Beveridge, Sherwood Park.

There were many sponsored gift draws for drivers, and the adults & children in the audience. A new idea, Kowalczyk Money Mine; was a big hit with the children, as they dug in the sand pile for Loonies & Toonies!

On site the announcer was Dennis Morawski from Leduc; and the video photographer Glenn Salkeld from Fort Saskatchewan.

Conrad Cave Family Concession was on site, providing concession food.

West End Meals on Wheels Society served an evening meal on both Saturday & Sunday for the members, drivers, sponsors and volunteers. Those homemade pies were delicious!

# HAVE YOUR SAY IN THE CREATION OF A NEW PLAN FOR PARKS

Submitted by Government of Alberta

Alberta's government is inviting public feedback on the development of a new strategic vision for recreation and conservation in Alberta's provincial parks.

Parks are for people and Alberta takes great pride in welcoming millions of visitors every year to come explore its provincial parks and enjoy the benefits they offer. Alberta's government will be conducting a two-phase public engagement process to gather feedback from Albertans, park visitors, Indigenous communities and community organizations to inform the development of a new Plan for Parks.

The Plan for Parks engagement provides an opportunity to hear from Albertans on topics such as understanding new and emerging trends in recreation and camping, ensuring environmental responsibility, advancing reconciliation and continuing to deliver great visitor experiences for current and future generations.

"Our parks provide truly spectacular outdoor experiences, and we need to make sure their unique beauty is preserved for our children and our children's children. We want Albertans to share their vision with us, as we create a renewed and modern plan to bring Alberta's parks into the future."

Todd Loewen, Minister of Forestry and Parks

"More and more Albertans are using parks and public lands and the Friends of Kananaskis is excited by the Alberta government's commitment to engaging the public on creating and implementing a vision for the future of parks across the province. As a proud partner of the Alberta government for the past 28 years, we look forward to continuing to promote the recreational use and sustainability of our parks and public lands."

Trevor Julian, executive director, Friends of Kananaskis

"We are excited to contribute our perspective on supporting the growth of tourism and outdoor recreation in the province to meet visitor demand and enhance opportunities and connecting with the beautiful landscapes Alberta has to offer."

Gerry Haracsi, executive vice president, Recreation Vehicle Dealers Association of Alberta

As more visitors explore Alberta's provincial parks, creating more recreation opportunities will be a top

priority of the new plan. This updated vision will help Albertans to enjoy the great outdoors by creating additional campsites and improving access to activities like kayaking and canoeing.

"As Albertans, we love our provincial parks. The public engagement process will allow visitors and users a valuable opportunity to share their thoughts, ideas, and opinions on shaping the direction of Alberta Parks."

Tyler Dixon, Alberta Parks Ambassador

Public engagement will begin June 19 and run for 60 days. Albertans are invited to share their thoughts on an updated vision, guiding principles and options for the future of parks. Feedback will be collected through an online survey.

All feedback will be collected, analyzed and used to create a new draft plan. This draft will be shared with Albertans publicly to ensure that it reflects the diverse input received. This will support making any required changes to the plan before it is finalized.

# RUNNING FOR WELLNESS

Submitted by GYPSD

On May 31st, Grand Trunk High School (GTHS) students were able to participate in a Fun Run at their school. The students have been working hard training during their lunch breaks once a week with the Wellness Navigator, Jenessa Mulgrew. Exercise enhances mood and self-esteem while decreasing stress tendencies/symptoms. The event gave GTHS students a great opportunity to flourish within their school community.

The Alberta Medical Association (AMA) Youth Run Club (YRC) is a partnership program between the AMA and Ever Active Schools (EAS). It is a free, fun and flexible program aimed at increasing physical activity levels in children and youth across Alberta.

# DRAYTON VALLEY RCMP SEEKS PUBLIC ASSISTANCE IN CYCLIST HIT AND RUN

Submitted by Drayton Valley RCMP

On June 21, 2024, at approximately 1:10 a.m., a Drayton Valley RCMP officer noted someone laying on the side of the road just south of the city dump. The officer spoke

with the male, who stated he had been hit by a car while cycling and the car never stopped. The cyclist stated he believed he had a broken leg. The officer called EMS and the cyclist was transported to the hospital.

Drayton Valley RCMP is

currently seeking public assistance in identifying the vehicle and driver involved in the collision. The vehicle is believed to be an early 2000's Silver VW Jetta, possibly with a black front bumper, that will have damage consistent with impact with a

bicycle. The vehicle will be missing a passenger side mirror, most likely have damage to the passenger side front lights and possible red paint transfer from the bicycle.

# PARKLAND COUNTY "CHAMP" ATTENDS SPECIAL EVENT

Submitted by Parkland County "CHAMP"

Marcus Ohle, 22 (third from left), of Parkland County, attended a fun-filled event on the weekend at the Edmonton Inn & Conference Cen-

tre. Marcus, born a left arm amputee, is a graduate member of The War Amps Child Amputee (CHAMP) Program. Champs are eligible for financial assistance for artificial limbs and specialized devices, as well

as peer support. The event provided an opportunity for child amputees and their families to meet other amputees, share experiences, and learn about The War Amps and its programs. Marcus connected with both old and new friends in a supportive community that understands his

journey. The event also featured engaging activities designed to motivate and empower young amputees to live full and active lives. He is pictured with fellow Champs, Aiden Nasbimana, Connor Young and Alaric Lavallee, of Edmonton.

# SUDOKU

*of the week*

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

**Like puzzles?** Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!
