### MAYERTHORPE LEGION BRANCH #126 CORRECTION!

Submitted by Margaret Thibault

In the last Mayerthorpe Legion report, this reporter provided incorrect information. It was the FRIENDS OF

THE LAC STE. ANNE FOUNDATION who donated \$3,000 to the Legion toward re-doing the floors. Apologies to them and the Floor Curlers who were confused reading that credit was given to them

for the donation. My apologies for that. Thanks to all the readers who caught the mistake. The good thing is, we now know there are many of you reading the reports, and we appreciate that!

# Parkland RCMP Lay Multiple Charges After Dangerous Operation Of A Stolen Vehicle

*Continued from Page 1*

a jobsite near Glenevis, that had the picker boom out and a welder attached to it. Mayerthorpe RCMP and Parkland RCMP responded, trying to stop the fleeing stolen vehicle. "This was a very dangerous and dynamic situation because the stolen picker truck boom was extended and swinging wildly into traffic, dragging a welder that had caught fire, during high volume of traffic from a long weekend," says Sgt. McCoombs. A tire deflation device was successfully deployed near highway 16 and highway

43 in Parkland County. The vehicle was stopped by RCMP and the suspect was taken into custody. There was some civilian vehicle damage as a result of the debris left on the highway from the fleeing suspect vehicle, however, there were no report of injuries. "This is a great example of RCMP jurisdictions working together to prevent serious injuries and protecting the public on our Alberta highways"

says Sgt. McCoombs. Jesse Caithness-McGregor (31) of no fixed address, was charged with:

- Dangerous driving
- Possession of stolen property
- Theft over \$5000
- Fail to stop for police
- Mischief
- Fail to comply with an order

The accused next appearance is July 11, 2024

# ALBERTA RCMP REMINDS RESIDENTS OF THE 9PM ROUTINE

Submitted by Alberta RCMP

Alberta summers mean late nights with the sun shining bright, however, it's still important to remember a nightly routine. On average, property crime tends to rise during the summer months. In July 2023, in Alberta RCMP jurisdictions, there were 2,798 reports of Theft Under \$5,000.

Property crimes are often crimes of opportunity, and maintaining a nightly routine can help deter thefts. The "9PM Routine" is a movement followed by police services around the

world, encouraging people to follow a nightly checklist to ensure their property is secured.

A 9PM routine checklist consists of:

- Locking your doors at night (yes, even if you live in a small town).
- Locking your garage or shed.
- Ensuring all yard tools and recreational equipment is safely stored, preferably in a locked garage or shed.
- Removing all keys from vehicles and locking the doors; securely store any off-highway vehicles.
- Consider install-

ing a home alarm; if you already have one, set your alarm before going to sleep.

Use motion sensor lights on the exterior of your property.

If you have a seasonal property or trailer, there are still 9PM Routine tasks you can follow, such as:

- Using motion sensor lights on your property, especially at the entryways or near your shed or garage.
- Use a hitch lock and ensure it is properly secured.
- Remove the battery from your trailer when you leave for an extended period.

Ensure all tools and recreational items are securely stored once you are done with them.

Ensure your vehicle is locked and the keys and garage door opener are removed.

Ensure your garage or shed is locked each night.

For more tips and crime prevention information, follow #9PMRoutine and our social media accounts on X (@RCMPAlberta) and Facebook (@RCMPinAlberta).
