2024 ALBERTA BEACH CAR SHOW

Submitted by Alberta Beach 50 plus Club

On August 17th, the Alberta Beach 50 plus Club held the 25th Annual Show and Shine. The weather in the morning didn't look too promising, but it turned out to be a good day.

Thank you to all the participants who came to enjoy the day. Thanks you to all

the sponsors who donated a door prize or silent auction item. Thank you to all the volunteers who helped out to make this community event possible. It was a great success. See you next year.

Penny & Andre

LOCAL ALBERTA, THE FARMER SHOWCASE AT GEORGE PEGG GARDEN

Submitted by Jonathan Kramer, Garden Supervisor

The 6th annual Rural Roots Farmer Showcase (RRFS) on August 17 kicked off the Garden's participation with Alberta Open Farm Days. The market, hosted right inside the Garden, highlighted local producers and their products! This year, Dutch van den Elst played his accordion throughout the day, building on the positive atmosphere. As part of RRFS, there were small workshops and activities, and the horse pulled wagon rides were a highlight of the day. New this year was Mama Bear's food truck, serving delectable foods enjoyed by visitors, vendors, and volunteers. Check out the RRFS Facebook page throughout September for profiles on

each of the vendors.

To finish the incredible day, the evening didn't end with a 'bang' but instead with the sound of music. This year's dinner included Board & Iron charcuterie boxes along with dinner platters and delicious desserts from The Jaded Chef. With food, music by Never Too Late, and a table decorating contest, the guests assuredly enjoyed their day and evening of exploring Local Alberta.

The Garden is now closed for the season- but we have one more special event. Anyone with an interest in Pegg Garden is welcome to attend the Annual Meeting & Volunteer Appreciation on Sunday, September 22, 2:00-4:00PM. Join us at the Garden for a quick look at the activities of the past seasons. We have a group of

dedicated board members. If you are interested in joining the team of people who coordinate the work of the Society to keep this lovely historic site open to the public, we always welcome new board members. Enjoy an autumn corn roast as we celebrate the efforts of our wonderful volunteers. There will be two chances to win a West End Meals on Wheels Cash Calendar with \$6,500.00 in prize money. This is also a great opportunity to enjoy the Garden's autumn colours and see the lovely late season beauty of the New Perennials demonstration bed. For more information about the AGM contact the Garden at peggbotanicgarden@gmail.com. Pegg Garden is just north of Glenevis, off HWY 43.

JOKE of the week

A young man agreed to baby-sit one night so a single mother could have an evening out. At bedtime he sent the youngsters upstairs to bed and settled down to watch football. One child kept creeping down the stairs, but the young man kept sending him back to bed. At 9pm the doorbell rang, it was the next-door neighbor, Mrs. Brown, asking whether her son was there. The young man brusquely replied, "No." Just then a little head appeared over the banister and shouted,

"I'm here, Mom, but he won't let me go home!"

CHERRILL 4 – H MULTI CLUB

Submitted by Cherhill 4-H Club

Hello everyone and welcome to our final report for the 2023-2024 year. Today I think we will begin with the live stock projects.

The sheep project painted name tags and pens for live stock achievement day, which was held on June 3rd at the Mayerthorpe Ag. Barn. Our sheep and beef projects joined with the Three Trails Home Multi Club, Anselmo Willing Workers, Lakewell 4-H Multi Club, and Mayerthorpe 4-H Beef Club for a day of livestock judging, showmanship competition, and live auction of project animals. It was a busy day for all.

Now, the life skills projects. The quilting kids made bucket hats for a color challenge (where you pick certain colors of fabric and make a project out of those colors) to compete in a viewer's choice competition at Life Skills Achievement Day. Bees project kids installed a new comb in the replacement hive after their first bees died off. The woodworking kids finished their bird house construction and completed painting and decorating them, and the vet science group had their final project questions marked by local veterinarian Dr. Tammy Nay. The archery members were trying to get a field trip together for their last workshop.

All the life skills projects had a very successful Achievement Day presenting their projects to the public on June 8th at the Cherhill Hall. Everyone had a great time touring members' projects and asking questions about projects.

We had our last round of tire recycling on June 9th. Thank you to all of our donors! We will start picking again in the fall. At the end of June the Quilting kids were given a tour of the youth challenge quilts at

the Quilt Canada Show. Which was held in Edmonton. This was a great chance to get a private tour of this wonderful show. Some of our members are thinking of putting in an entry for this years show in Toronto.

On June 29th the Club had a float in the Cherhill Fundays parade and worked the concession! Over the summer we attended the Rural Alberta Farm Day at the George Pegg Botanic Garden on August 17th.

The New year will be here soon and our first information and registration night will be on September 27th, 2024, at 7:00pm in the Cherhill Community Hall. For more info call Dorothy at 780-674-1411

Thank you for reading, and I hope you had a very good summer.

Grace Yaremy

NOW ACCEPTING FCSS GRANT APPLICATIONS

The Town of Onoway administers FCSS funding for the following areas:

- Alberta Beach
- Summer Village of Castle Island
- Summer Village of Sunset Point
- Summer Village of Val Quentin
- Summer Village of Yellowstone
- Town of Onoway

Family & Community Support Services (FCSS) is:

"FCSS is a unique 80/20 funding partnership between the Government of Alberta and participating municipalities or Metis settlements. Provincially, the FCSS Program receives its mandate from the FCSS Act and Regulation. The Act describes what the province and municipality/Metis Settlement can do to provide preventive social services. The Regulation describes how services may be provided ... Under FCSS, communities design and deliver social programs that are preventive in nature to promote and enhance well-being among individuals, families and communities ..."

What are the eligible projects for FCSS funding?

Services provided under the program must:

1. Be of preventive nature that enhances the social well-being of individuals and families through promotion or intervention strategies provided at the earliest opportunity;
2. Do one or more of the following:
 - a. Help people to develop independence, strengthen coping skills and become more resistant to crisis;
 - b. Help people to develop an awareness of social needs;
 - c. Help people to develop interpersonal and group skills which enhance constructive relationships among people;
 - d. Help people and communities to assume responsibility for decisions and actions which affect them;
 - e. Provide supports that help sustain people as active participants in the community.

If you feel you have a program that meets the FCSS funding mandate please visit www.onoway.ca to access the application form and send the completed application to the below by noon on **Monday, September 30, 2024** for **Town of Onoway and/or Tri-Village funding:**

COUNTY SEEKS PUBLIC MEMBERS FOR THE SUBDIVISION AND DEVELOPMENT APPEAL BOARD (SDAB)

[LSAC.ca/planning](https://lsac.ca/planning)

Help guide regional land use and planning and development decisions – the County is looking for public members to strengthen its Subdivision and Development Appeal Board.

The SDAB is a quasi-judicial board established in accordance with the *Municipal Government Act* – hearing appeals regarding decisions made by Lac Ste. Anne County regarding subdivisions and development. Comprised of citizen members and independent from the County, the board deliberates the outcome of each appeal, makes impartial decisions and issues a written decision.

SDAB Hearings are held on an as-needed basis in Council Chambers at the County Administration Office.

Interested parties are invited to email a cover letter and resume to csuter@LSAC.ca.

In your cover letter, please outline your expression of interest and include any relevant experience.

12TH ANNUAL COUNTY PHOTO CONTEST UNDERWAY

[LSAC.ca/photo-contest](https://lsac.ca/photo-contest)

Showcase your talent in our exciting County Photo Contest! We're looking for stunning photos that capture the beauty, diversity, and spirit of people. Whether it's candid shots, powerful portraits, or heartwarming family moments, we want to see how you express the theme of "people" through your lens.

Winners will receive one of twelve \$100 prizes or the grand prize of \$250, and the winning photos will be featured in the 2025 County calendar. All entries must be received no later than Tuesday, October 1. To qualify, photos must be taken by a County resident and within Lac Ste. Anne County boundaries. Photo submissions will be posted on our social media channels, where the public can choose their favourites.

Don't miss this chance to share your unique perspective with the community – just remember local photos only.

NEW CAMPAIGN PROMOTES ALBERTA'S SKILLED TRADES

Submitted by Government of Alberta

Alberta's government is launching a new campaign to highlight the important role of apprenticeship education and skilled trades in the province to encourage more students to begin in-demand careers.

From homes to highways, skilled tradespeople build Alberta's landscape and play a pivotal role in upholding and advancing industry standards. They are highly valued individuals that go on to become leaders, innovators, business owners and educators in various industries.

Alberta's government is launching an advertising campaign and website to champion apprenticeship education and emphasize the value skilled tradespeople bring to our province. Apprenticeship education is post-secondary education and any effort an individual takes to build skills, whether through an apprenticeship or a university education, will set them

up for economic success and career satisfaction.

"With the world around us consistently changing, Alberta's government is committed to helping our post-secondary students get the skills they need to succeed in the economy of tomorrow. By championing apprenticeship education and careers in the skilled trades, we can inspire future apprentices and attract more skilled tradespeople to our province."

Rajan Sawhney, Minister of Advanced Education

In 2024-25, Alberta is investing more than \$117 million in apprenticeship programming. This includes \$78 million for seats in apprenticeship programs in 11 post-secondary institutions around the province, an increase of \$24 million over last year.

When considering apprenticeship education, students are considering a high-impact, low-cost investment in their future with a wide range of opportunities to contribute to Alberta's growing economy. From carpentry to hair

styling, Alberta currently offers 47 different apprenticeship programs to choose from.

Alberta's government is committed to ensuring all underrepresented groups, such as women, newcomers and people with disabilities have the opportunity to pursue a career in the skilled trades.

Promoting skilled trades and apprenticeships

Alberta's commitment to advancing apprenticeship education and the skilled trades has been supported by investments in institutions such as the NAIT Advanced Skills Centre and the Apprenticeship Learning Grant, and partnerships like BLUprint (TELUS Spark Science Centre) and Crane and Hoisting Equipment Operator training (International Union of Operating Engineers).

Alberta is committed to reaching students in various ways, including physical outreach opportunities. This summer, Apprenticeship and Industry Training (AIT) hosted information booths at two of Alberta's most popular summertime

events: the Calgary Stampede and K-days. Advanced Education will also be visiting high schools in the fall to reach potential apprentices and ensure information is available for those hoping to learn more about apprenticeship opportunities.

Alberta is amplifying the voices of young adults in the skilled trades through the Skilled Trades Youth Ambassador advisory council and the Youth Skills Network, and has also partnered with Ontario's Ministry of Labour, Immigration, Training and Skill Development, signing a memorandum of understanding to define a framework for international credential recognition and post-journey person certification.

By making targeted investments that increase apprenticeship seats and programs in high-demand sectors, Alberta's government is connecting students to fulfilling career paths that are key to boosting the province's economy.

fall HOME RENO GUIDE

HOW TO ENSURE A SUCCESSFUL BASEMENT REMODEL

Americans continue to fuel remodeling spending across the country, driven by upward growth in real estate prices and the rising cost to trade

up to a larger home. Basement renovations are expected to be a hot trend in 2016, as buyers look to maximize available living space rather

than move, and as young buyers look to offset the cost of homeownership with potential income suites.

While finishing a base-

ment can be a great alternative to moving -- especially if you love your neighborhood - there are some challenges homeowners must be aware of when tackling below-grade living spaces. Choosing the right products is vital to the comfort, safety and function of your new living area. Look for products that help to maximize energy efficiency and protect against moisture, fire and noise.

Here are the top points to consider to ensure a successful basement renovation.

Waterproof it. Check the interior foundation and floors to make sure there are no existing moisture issues, water damage or mold problems. Address any primary moisture issues before finishing the space. Examine grading to ensure water runs away from your foundation.

Insulation is key. Insulation plays a critical role in making your basement feel comfortable, while keeping it safe and dry. For the best results, install a rigid board insulation, like Roxul ComfortBoard IS, against the concrete foundation before you stud the wall. The board is mechanically fastened or adhered to the concrete foundation wall,

fall HOME RENO GUIDE

How To Ensure A Successful Basement Remodel

Continued from Page 10

which prevents thermal bridging through the studs, providing better thermal performance. Finish with a moisture-resistant and dimensionally stable insulation between the studs, like R14 Comfortbatt, to protect against common basement issues such as mold, mildew and rot.

Choose a functional design. Draw out plans, carefully taking into consideration any low ceilings or small windows.

Try to incorporate structural features, such as attractive wood beams, into your design. Keep the space as open as possible. Select lighting that provides a bright, airy feel.

Don't forget to soundproof it. Soundproofing is the ultimate solution to maximize your basement's quiet and privacy. Whether your newfound space will function as a home theatre, music room, home office or playroom, it will benefit from quality acoustic in-

sulation, like Roxul Safe 'n' Sound. Not only is it highly effective, but it's also easy to install.

Consider fire safety. Since many basements are now being renovated as income suites, fire protection is also a vital consideration. Whenever possible, select building materials with a high fire-resistance rating and look for products that will not off-gas or contribute to toxic smoke in the event of a fire. Include additional exits in your renovation plan and

educate yourself on your local fire code.

Before you start your renovation, be sure to check with your municipality to secure the right permits and to ensure that you're complying with local bylaws and building codes. Finishing a basement can be a smart renovation, if done properly, adding to a home's value, increasing its function and providing greater enjoyment or income potential.

PREVENT STAIRWAY INJURIES

Stairs are a necessity in many homes. While stairs serve a practical purpose, they also have the potential to be dangerous.

According to the National Safety Council, more than one million injuries result each year from stairway falls. Staircase and stairway accidents constitute the second leading cause of accidental injury, second only to motor vehicle accidents. Each year, there

are 12,000 stairway accident deaths. The Canadian Mortgage and Housing Corporation states that a large portion of Canadians who visit hospitals after a fall on or from stairs or steps in their homes are seniors (men and women age 65 years or older).

However, many stairway falls can be prevented with some simple planning.

- Install sturdy handrails. A common

contributor to stairway falls is a failure to use handrails. Sturdy handrails can decrease fall rates. Even if a person slips, he or she may be able to prevent the fall by grabbing on to the handrails and regaining some of his or her balance.

- Rely on highlighters or friction strips. According to a study titled "Safety on stairs: Influence of a tread edge highlighter and its position," by

Richard J. Foster, fall risk may be reduced by using a highlighter positioned flush with the tread edge. This helps make stairs more visible, particularly for those with impaired vision.

- Improve lighting on staircases. Failure to see steps may contribute to falls as well. Staircases should be well lit so that residents and guests know where to step.

Prevent Stairway Injuries

Continued from Page 12

Subtle foot-level lighting can be installed to make it easier for people who frequently use steps at night.

- Use slip-resistant materials. Slip-resistant surface material acceptable for normal floors should work on stair treads. Loose rugs should not be placed at the top or bottom of the landing. Outdoors, rough finishes are recommended, particularly on stairs that are sub-

ject to getting wet.

- Improve step geometry. If slips and falls frequently occur on a particular staircase, consider the relationship between the rise and the run, advises the Canadian Centre for Occupational Health and Safety. The National Building Code of Canada says that, within a staircase, treads should have a uniform run and tread depth that does not vary more than 0.5 to

1 cm. Steep steps with high risers and/or short treads can increase the risk of falls.

- Clear away clutter. One easy way to prevent falls is to keep stairs free of clutter. This means removing shoes, toys and other belongings that may be left on stairs or landings.

Many falls on stairs can be prevented by being mindful of certain risk factors.

RENO GUIDE**

**5 TIPS TO PREPARE FOR
WINDOW REPLACEMENT**

Winter is coming, and for millions of people who reside in areas of the country that see the mercury drop considerably between December and March, that means prioritizing staying warm. Inefficient or aging housing materials may compromise your ability to do just that.

Drafts from doors, poorly protected attics and basements and aging windows may force heating systems to work extra hard to maintain interior temperatures.

Replacing old windows can make a home quieter by blocking out exterior noises. Consumer Reports also notes that new windows are often easier to clean and maintain than older varieties.

Many homeowners are interested in replacing their windows, but may not know where to start. These guidelines can help the process along.

1. Get several estimates. Ask for recommendations from neighbors or other people in your area

on which companies they used to install their replacement windows. When you interview the prospects, ask several questions about how they go about installing the windows. Questions can include:

- How long will the project take?
- Will I need to remain home during the process?
- Do you discard of old debris?

5 Tips To Prepare For Window Replacement

Continued from Page 14

1. What is the protocol for installation during inclement weather?

2. Research permits. Most home renovation projects need to be approved by the local municipality. Go to the permit office and find out the requirements. Some window contractors will include securing permits in the cost of the project. After the project is completed, an inspector will come by and ensure the work was done

according to code.

3. Change up the appearance. Look at the type of hardware you have around the home and other fixtures. Choose windows that have locks or latches that can match those features for continuity of style. Think about choosing a different style or frame color of the window, or a different type of window to improve efficiency and function.

4. Research top window manufacturers. It's tempting to purchase

windows based on price alone, but replacement windows are often a decision that only has to be made once or twice for the life of the home. Invest in durable windows that will have staying power. Consumer Reports offers unbiased reviews on various window brands and can help homeowners make sound decisions.

5. Prepare for installation. Clear pathways, remove window treatments and disconnect window alarm systems.

Plan for one to two days of installation, advises Andersen Windows and Doors. Keep pets and children away from work areas.

Replacement windows can be a smart investment. New windows can improve the look of a home, reduce heating costs and can keep interior spaces comfortable.

OPTPS MID-SUMMER PULL

Submitted by MJ Suntjens

Ol' Pembina Tractor Pull Society held its annual August Mid-Summer Pull. With inclement weather, Saturday pulls were postponed to Sunday, August 18th. Participation was 41 Tractors entries and 5 Demos. Each entry pulled twice, accumulating their total pull length.

Winners, listed 1st, 2nd, 3rd were:

Bantam:

Boris Heshka - Rockal B77 - 460.1 ft

Ken Connolly - Ford 800 - 429.2 ft

Art Domke - Cockshutt 30 - 397.11 ft

Class 1:

Boris Heshka - Rockal 98 - 600 ft

Darren Buryn - Allis Chalmers - 592.9 ft

Jim Carter - John Deere 50 - 572.4 ft

Class 2:

Ken Connolly - CO-OP E5 - 575.2 ft

Pat Lamoureux - IH SW6 - 531 ft

George Freiser - Fordson Major - 528.6 ft

Class 3:

Jim Carter - John Deere D - 462.5 ft

Kiefer Harapchuk - IH W6 - 455.11 ft

Joe Kowalczyk - John Deere AR - 439.3 ft

Class 4:

Tony Hodgetts - IH W9 - 538.1 ft

Earl Mills - IH W9 - 533.8 ft

Kiefer Harapchuk - IH 560 - 531.3 ft

Class: 5

Kiefer Harapchuk - IH 660 - 594 ft

Jim Carter - John Deere 720 - 586.11 ft

Mike Harapchuk - John Deere 830 - 552.4 ft

Class: 6

Mike Harapchuk - IH 660 - 545.6 ft

Dylan Kowalczyk - IH 660 - 543.1 ft

George Hnatiuk - IHC 660 - 539.7 ft

Demo:

George Suntjens - 2004 Dodge Ram 3500, 4x4, Gas 5.7 Hemi

Abe Klassen - 2020 Ford F350 Power Stroke, Diesel 4X4

Dale Bently - Case 930 - 338.6 ft

Our OPTPS member Fea-

ture Tractor was 1952 Fordson Major, owner George Freiser, Edmonton. George is an active and avid tractor pulling enthusiast, attending various pull competitions across Alberta.

Tractor Story: The model E1A Fordson Major was built in Dagenham, England with production starting in 1951. It was advertised as a full 3 to 4 plow tractor with a three point hitch. These tractors were tough and competitively priced. These tractors were sent to Canada because there was a shortage of farm tractors here. "I grew up on a farm north of Barrhead, driving a tractor like this one, so it brings back very fond memories for me." - George Freiser

Onna Klassen's wood burning sketch of George Freiser's Fordson Major was won by Pat Lamoureux. The West End Meals on Wheels 50/50 ticket #80760433, for \$170, was won by Joe Kowalczyk. Ken Lewis was the winner of the "Chance to Pull... who thoroughly enjoying the experience, pulling with Earl Mill's W9 International tractor.

This year the addition of the Kowalczyk/Deanna Harapchuk Painting "Money Mine" kept the children very busy digging for coins! Conrad Cave Family was on site with their concession booth.

From all across Alberta, our annual Tractor Pulls are well attended by tractor pulling enthusiasts. Tractor pullers often tell us that they like our track conditions and enjoy fellowship of members, volunteers and participants. OPTPS provides gratis evening meals with Sponsors, Volunteers and Participants; creating a little R&R fellowship after a competitive pull!

Winners at all tractor pulls in Alberta "qualify to compete" at the Annual Provincial Tractor Pull Championships hosted by Leduc West Antique Tractor Pull Society, which is held the second weekend in September.

Next year's tractor pull events will begin with Farmer's Day Pull on June 14 & 15, 2025. Mid-Summer Pull date TBA (in mid-August).

PARKLAND RCMP ARREST TWO AFTER ATTEMPTED ARMED ROBBERY

Submitted by Parkland RCMP

On Sept. 4, 2024, at approximately 3:56 p.m., Parkland RCMP responded to a complaint of a male suspect with a firearm at the Ford Dealership on Golden Spike Road.

Employees interrupted what they believed to be an attempted theft and one was bear sprayed. RCMP attended and followed the suspects throughout the city and eventually apprehended two of them. Two suspects are currently in custody.

RCMP understand that many people would have witnessed the incidents and want to ensure the public that there is no longer a risk to anyone. We understand how situations such as this can make a community feel uneasy, but rest

assured, your local RCMP quickly responded to the incident and ensured a successful conclusion.

An update will be sent once charges have been laid and the suspects can be named.

ATA URGES ACTION AS EDUCATION SPENDING LAGS BEHIND

Submitted by ATA

As teachers and students return to classrooms, a lack of funding persists.

The Alberta Teachers' Association (ATA) is expanding its Stop the Excuses campaign to focus on Alberta's government spending the least on public education per student in Canada. The provincewide ads feature Albertans from all backgrounds expressing their surprise at how the richest province in Canada spends the least per student. This chronic

underfunding has left our schools and students in dire need, creating a crisis in our public education system.

"Albertans understand the value of public education, so it should be a concern that while the province touts a surplus, students are not seeing any of the benefits. Their quality of education is suffering."

—ATA president Jason Schilling

Back-to-school means another year of overcrowded classrooms, unmet needs, decreased support for students

with complex issues and a lack of learning resources.

"Teachers are facing conditions that are not fair or sustainable. We cannot expect them to do more with less again and again. Public education is in crisis. This chronic underfunding of public education will be the legacy of this Premier and government."

—ATA president Jason Schilling

The time to act is now. The future of Alberta's students demands it. Visit StopTheExcuses.ca to learn more about under-

funding in classrooms and see the latest ads.

Contact your MLA and ask why Alberta spends the least per student in the country. Investing more in Alberta's future is the least we can do.

The Alberta Teachers' Association, as the professional organization of teachers, promotes and advances public education, supports teachers' professional practice and serves as the advocate for its 46,000 members.
