### MAYERTHORPE LEGION BRANCH #126 UPDATES

Submitted by Margaret Thibault

I'm back, and there's so much to catch up on, I'm using short point form. Please note the dates.

It's a busy past, present and future at the Mayerthorpe Legion! First, thank you to the Floor Curlers who donated \$1,500 to our Legion. And thank you to the Ste. Anne Crime Watch who donated \$863.70 to our Legion coffers. We appreciate both donations.

Dark centre pins for poppies

will be available at the Mayerthorpe Legion for \$2, and if there are any left, they will be sold at the Remembrance Day Service on Nov. 11. Also being sold at our Legion are our Remembrance Day Lawn Signs.

Raffle tickets for \$2 are also available at the Legion and from several Legion members for an exquisite Poppy quilt and sham made by Carol Tulloch. Second prize is a very meaningful "Jake's Gift" framed print, and third prize is a \$100 Legion Lounge Gift Certificate. Service Officer Owen Knott will be arranging to

display the quilt and sell tickets at the Co-op. Plus he will be at the Northern Alberta Lightning hockey teams' home games. Attend the home games and you'll see two incredible things: the quilt and the Lightning team in action.

Sept. 21: Cenotaph Re-Dedication Ceremony - Exceptionally well done and well attended. Connie Morton, who has been a very active contributing member in all aspects of the Legion's success, was presented with her Lifetime Award at the service.

### ALBERTA ROLLS OUT GOLF CARTS ON MUNICIPAL ROADS

Submitted by Government of Alberta

Alberta's government is working with the Town of Coaldale and other interested municipalities across the province to pilot the use of golf carts on select municipal roads.

Alberta municipalities have unique transportation needs shaped by their geography and community preferences. Granting municipalities the flexibility to adopt various transportation modes helps reduce congestion and improves the quality of life for residents.

Accordingly, Alberta's government is working with the Town of Coaldale to pilot the limited use of golf carts in their community,

enhancing the mobility of Albertans and increasing recreational options. Other interested communities throughout the province are invited to submit bylaw proposals to Transportation and Economic Corridors for similar pilot projects.

"Transportation does not stand still, and Alberta must be ready with forward-thinking ideas on how to test new transportation-related solutions or activities. Off-highway vehicles (OHVs) and e-bikes have been popular with Albertans for years, and pilot projects like this one hold the key to unlocking new modes of transportation for everyone."

Devin Dreeschen, Minister of Transportation and Economic Corridors

"This is a commonsense approach to dealing with the use of golf carts in our communities. Many jurisdictions have been allowing golf carts to travel on roads without any concerns."

Grant Hunter, MLA for Taber-Warner

Coaldale is one of the first towns to pilot the limited use of golf carts, after the Legislature passed legislation that makes innovative projects like this possible, and the town's pilot will last five years.

Pilot projects like this allow new and innovative uses of existing or new modes of transportation and expands on municipalities already having the ability to allow

## Continued from Page 1

Oct. 6: Thanks to super detail-oriented organizer Kim O'Dempsey and volunteers, the Marathon Bingo was again a huge success, with players travelling from three provinces to join the supportive local players. If they didn't win the \$4,000 Grand Prize, they were possibly one of many winners of an abundance of cash prizes on many cards throughout the day.

Jon Arsenaull reported the Poppy Fund has rewarded 36 local students with prizes in the Legion's School Poster and Literary Contest, for a total amount of \$1,640. Jon also reminded the high school to re-post the Legion Scholarships available, as no students have applied.

The Legion Veterans' Banners are again proudly overlooking our streets, thanks to Jim Barker and the Town Maintenance crew. Banners will also be added to the business windows the last week

of October or the first week of November.

### UPCOMING:

several special places: Mayerthorpe High School at 9:15; Elmer Elson Elementary at 10:15; and in the

Nov. 9: Legion members will be selling Poppies from 10 until noon in the Co-op and Tim Horton's, both great supporters of the Legion. In the afternoon, the Mayerthorpe Cadets and Le-

gion members will be gathering at the Mayerthorpe Cemetery to place flags and poppies at each gravesite to honor the 117 Veterans. This continues the "No Stone Left Alone" tradition.

Nov. 11: Remembrance Day plans are well underway, and everyone is invited to the Legion for the service, followed by a lunch. Please take a precious moment from your day to honor our Veterans, past and present.

Two women met for the first time since graduating from high school. One asked the other, "You were always so organized in school, did you manage to live a well planned life?" "Yes," said her friend. "My first marriage was to a millionaire; my second marriage was to an actor; my third marriage was to a preacher; and now I'm married to an undertaker." Her friend asked, "What do those marriages have to do with a well planned life?" "One for the money, two for the show, three to get ready, and four to go."

The cost is \$70 per flag, per clearing. Private driveway snowplowing will include one pass of the snowplow unit in from the local road to the general parking area of the residence and one pass back out to the local road.

To access the Agreement please visit [LSAC.ca/snowplow](https://lsac.ca/snowplow), call the Public Works department or email [publicworks@lsac.ca](mailto:publicworks@lsac.ca).

Flags can be purchased in-person at the County Administration Office or via the County's online payment processor OptionPay at [LSAC.ca/payments](https://lsac.ca/payments).

Then, when you would like your driveway plowed, simply call the Public Works department to have them place a digital flag on your residence in our database.

## ENJOY A FRUGAL FALL ROAD TRIP

Road trips are a staple of autumn for many motorists. Fall foliage and moderate temperatures make the

months of September and October ideal months to hit the open road for weekend getaways.

Fall road trips rarely take drivers too far away from home, but traveling can still be costly. Fortunately, there are many ways to make road trips more affordable without sacrificing fun.

· Explore alternatives to more traditional lodging. If your road trip includes an overnight stay, consider alternatives to traditional lodging. Hotels might stretch your budget, but depending on where you plan to go, you might have some less traditional alternatives. Airbnb.com allows homeowners and even some apartment dwellers to rent their homes and

apartments to travelers, and these listings may pale in comparison to rates offered by nearby hotels. If weather permits, look for local campsites and spend your nights sleeping outdoors under the autumn stars. If you prefer hotels, look for deals on sites like Priceline.com or Hotwire.com, which may offer heavy discounts on rooms.

· Take steps to conserve fuel. Lodging might prove your biggest expense on a fall road trip, but fuel likely won't be too far behind. Drivers can cut fuel costs in several ways.

## Enjoy A Frugal Fall Road Trip

*Continued from Page 8*

Before beginning your trip, take your car in for a tuneup so any issues that might affect fuel efficiency are addressed before you hit the open road. Poorly inflated tires force the engine to work harder and burn more fuel, so make sure tire pressure matches the levels recommended in your owner's manual before embarking on your trip and even along the way if you feel your car is not running as smoothly as it could be. Another way to conserve fuel is to remove excess items from the trunk. If you don't plan to hit the links on your

trip, leave your golf clubs at home.

· Plot your route. Spontaneity may make fall road trips more fun, but drivers looking to save money should plot their routes in advance so they can avoid potentially costly problems like detours or road work that can waste fuel and lead to hours sitting in traffic. Use a GPS device during your trip so you can be alerted to any unexpected developments that might cost you time and money. Plotting your route in advance also allows you to find affordable dining and lodging options and choose

roads that don't require drivers to pay tolls.

· Invite some friends and family along. Inviting friends and family on a weekend getaway can make the trip more fun and more affordable. If you have room in the car, inviting friends along allows you to split fuel costs, and you may even save on lodging if you find a hotel that won't charge for extra guests in the room. Friends and family also can help split the cost of supplies.

· Bring your own food. Food is another big expense road trippers must account for. But you can save mon-

ey on food by bringing your own meals along on the trip. Prepare some sandwiches the morning that you leave and keep them fresh in a cooler so you don't have to pay for lunch. In addition, pack some snacks so you and your passengers can quickly and affordably quell any hunger pangs that arise while you're on the road. If you plan to stay in a place with its own kitchen, cook your own dinners so you don't have to spend money dining out.

Road trips are a staple of autumn, when drivers can still enjoy the open road without breaking the bank.

# Alberta Rolls Out Golf Carts On Municipal Roads

*Continued from Page 1*

registered off-highway vehicles to operate on their roads.

“We think it’s great that Alberta Municipalities’ advocacy on golf carts has paid off. Many communities have been asking for this for a few years and I’m happy that Coaldale is able to pilot this initiative for the province.”

Tina Jones, director of towns, Alberta Municipalities

These pilot projects will provide real-life evidence that will help the province evaluate and understand any safety implications and inform future policy decisions on the use of alternative modes of transportation on municipal roads.

“The creation of this pilot project comes as welcome news to the

Town of Coaldale. Thanks to Alberta’s government our Council will be able to pass a golf cart bylaw that gives residents living near our local golf course the ability to drive their carts to and from the course. It’s a win for everyone involved – Coaldale residents, municipal enforcement officers, our local golf course, Coaldale Town Council and the Government of Alberta.”

Jack Van Rijn, Mayor of Coaldale  
Six other communities, including the County of Lacombe, the Village of Linden, the Summer Village of Whispering Hills, the Town of Delburne, the Village of Acme and Half Moon Bay have applied for and been approved to use golf carts in their communities.

## PARKLAND COUNTY RCMP AND PARTNERS RESCUE STRANDED BOATERS

Submitted by Parkland County RCMP

On Oct. 15, 2024, at 2:45 p.m., Parkland RCMP were dispatched to assist stranded boaters on the North Saskatchewan River after their jet boat ran aground on a rock bed in the middle of the river. Working in cooperation

with our partners in Parkland Search and Rescue, a swift water rescue team was deployed and made it safely to the stranded boaters. With guidance from an RCMP Officer, the stranded boaters were taught how to use their on-board winch which they then used to dislodge themselves from the rock bed and

returned safely to shore.

Parkland RCMP would like to remind boaters to be aware of water levels and boating conditions and know what tools they have at their disposal before heading out on the water.

# SUDOKU

*of the week*

**Here's How It Works:** Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box.

**ANSWER:**  
**Last Weeks**

4	7	8	1	5	3	6	2	9
9	3	5	6	2	8	1	4	7
1	2	6	7	9	4	8	3	5
5	1	3	8	6	2	7	9	4
8	9	4	3	1	7	5	6	2
2	6	7	9	4	5	3	1	8
3	5	9	2	8	6	4	7	1
7	4	1	5	3	9	2	8	6
6	8	2	4	7	1	9	5	3

You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

7	4				5		1	
	5	8	3	6	1	4		
	1	9						
		4			8	3		
6			9					7
