CENTENNIAL PARK TRAIL CLOSURES IN EFFECT MAY 22 TO JUNE 25, 2025

Submitted by Town of Whitecourt

Access to Centennial Park at the 47 Street entrance will be closed May 22 through June 25, 2025. The area will be closed so that the asphalt trail can be removed and re-

placed.

- Residents that back on to the project area, including Chickadee Drive, Beaver Drive, and Park Drive, may hear and see activity in the park area behind their property.

- The trail closure will be

marked with signs and barricades. Please do not enter the work site and avoid the active work zone.

The trail will be temporarily reopened to accommodate the June 7, 2025 Run 4 Fun event.

MORE SAND AND GRAVEL, LESS RED TAPE

Submitted by Government of Alberta

Alberta is laying the foundation for faster approvals by launching a new task force to cut red tape and accelerate regulatory processes for sand and

gravel operations.

Sand, gravel and crushed stone are the backbone of Alberta's construction economy - essential for building the roads we drive on, the homes we live in and the infrastructure that supports our communities.

These critical aggregates, often sourced from private land, play a foundational role across multiple industries. While these materials are heavily regulated to protect Alberta's environment, landowners and operators

Centennial Park Trail Closures In Effect May 22 To June 25, 2025

Continued from Page 1

Questions can be directed to Andre Blanchard, an E-Construction representative, at 780-983-3244.

The Centennial Park Pathway Improvement Project began in 2024, and will

be completed 2026. Work involves widening of the pathway, as well as surface and drainage improvements. This project is funded in part by the Government of Canada.

Residents are encouraged to use alternate walking

routes in the area. For further information on the trail system please download our mobile app and explore Whitecourt's outdoor spaces using our trail map features.

Happenings At The Rich Valley Public Library For June

Continued from Page 1

For all classes you can register by phone 780-967-3525 or email rvpublib@yrl.ab.ca.

Watch for all our events on our website or Facebook. The Library is open on Wednesday from 9am-4:30pm and Thursday

from 11:30am-7pm. We are located in the basement of the Rich Valley Community Hall.

More Sand And Gravel, Less Red Tape

Continued from Page 1

have consistently voiced frustration that excessive red tape is creating unnecessary barriers to development and slowing down the delivery of sand and gravel to market.

To dig into these concerns and build a more efficient path forward, Alberta's government is launching the Sand and Gravel Task Force. This dedicated group will work to streamline regulations related to sand and gravel pits located on private lands, ensuring faster project timelines while continuing to uphold Alberta's high environmental standards.

Led by Glenn van Dijken, MLA for Barrhead-Morinville-Westlock, and Brandon Lundy, MLA for Leduc-Beaumont, the task force will include representatives from industry and municipalities who understand the importance of timely access to sand and gravel resources. Over the next six months, the Sand and Gravel Task Force will deliver actionable recommendations focused on reducing bureaucratic delays, supporting landowners and strengthening Alberta's aggregate supply chain.

By clearing away unnecessary red tape, Alberta is preparing the ground for a more responsive regulatory system – one that delivers more sand and gravel, faster and smarter.

"With the launch of the Sand and Gravel Task Force, we're paving the way for a faster, smoother process. It's time to stop graveling under bureaucracy and start building Alberta's future. MLA van Dijken and MLA Lundy will leave no stone unturned as they dig into this important work."

Rebecca Schulz, Minister of Environment and Protected Areas

"Sand and gravel are foundational for building and maintaining a strong economy. From road infrastructure to industrial uses or residential housing, these resources are essential. Our government is determined to ensure the regulatory process

around sand and gravel pits recognizes the need for efficiency and clarity."

Glenn van Dijken, Task Force Co-chair and MLA for Athabasca-Barrhead-Westlock

"This new task force will reduce red tape and answer the call to build more when Albertans need it most. With more than 1,000 sand and gravel pit registrations on private land, streamlining the applications and approvals will bring significant development benefits."

Brandon Lundy, Task Force Co-chair and MLA for Leduc-Beaumont

"Rural municipalities are on the front lines of balancing the economic value of aggregate extraction with the need to protect farmland, infrastructure and the environment. I'm honoured to represent the Rural Municipalities of Alberta on this Task Force and committed to advancing a more transparent, consistent

and practical regulatory process. This is an important step toward ensuring that the voices of rural communities are not only heard but meaningfully integrated into decision-making."

Amber Link, representative, Rural Municipalities Association

"I'm pleased to represent the interests of our association's

264 member communities on this task force. I look forward to finding ways to streamline and accelerate the regulatory process for sand and gravel extraction, while upholding Alberta's commitment to environmental excellence."

Tara Elwood, representative, Alberta Municipalities Association

GIVING YOU THE POWER TO RECYCLE BATTERIES MORE EFFICIENTLY

Submitted by Stony Plain

Don't Just Trash It! New changes to the Town of Stony Plain's Battery Recycling Program are em-"powering" residents by giving them even more easy ways to reduce their environmental footprint.

Battery recycling boxes will be posted at all Town facilities, making it simpler than ever to recycle batteries quickly and conveniently. When boxes are full, they will be picked

up, emptied and reposted by Public Works employees. The program will be offered year-round and promotional boxes will also be handed out at Town events.

"Reducing, reusing and recycling is a shared responsibility of all of us and the changes to the Battery Recycling Program will make it easier than ever for residents to join in and do their part," says Mayor William Choy.

"Best of all, the program is

available town-wide and free of charge – just like the batteries we will recycle!" says Doug Fraser, Supervisor of Utilities and Environment for the Town of Stony Plain.

This program will be offered as part of the Government of Alberta's Extended Producer Responsibility Regulation (EPR) and in conjunction with Call2Recycle. The initiative contributes to environmental priorities outlined in the Town's 2025-2028 Strategic

Plan, which highlights the importance of building community support for environmental initiatives.

Both rechargeable and primary, or single-use, batteries weighing less than 5kg are accepted under the program. Batteries with a post or terminal need to be covered. Visit www.stonyplain.com/waste to learn more.

LAKE ISLE COMMUNITY HALL NEWS

Submitted by Lake Isle Community Hall

Our annual Mother's Day Breakfast was once again a huge success. Congratulations to the winners of the door prizes and the 50/50

draw. Thank you to everyone who attended and supported our hall. The annual Father's Day Breakfast will be June 15, 9 am – 12 noon; complete with door prizes for Dad's and a raffle of a wooden rocking

chair – perfect for the covered porch.

We are so very grateful for the approved grant funding from EQUUS OPERATION ROUNDUP. We will now replace our very old unit heater. The continued sup-

port from this organization has been vital to our hall. Over the years, EQUUS OPERATION ROUNDUP has helped us purchase a riding lawn mower; new cooler; and now the new

JOKE of the week

"Dad, are bugs good to eat?" asked the boy.
"Let's not talk about such things at the dinner table, son," his father replied.
After dinner the father inquired,
"Now, son, what did you want to ask me?"
"Oh, nothing," the boy said.
"There was a bug in your soup, but now it's gone."

CONFIRMED CASE OF MEASLES PROMPTS PUBLIC ALERT TO POTENTIAL EXPOSURES

Submitted by Alberta Health Services

Alberta Health Services (AHS) has been notified of a person with confirmed measles in the Edmonton Zone who has been in a public setting while infectious. Additional locations

may be released if necessary.

Individuals who were in the following location during the specified dates and times may have been exposed to measles:

Location:
Connect Care Medical Clinic, Spruce Grove (20

Westwind Drive, #215)

Exposure time period:

May 16: Exposure time: Approx. 8:45 a.m. - 1 p.m. (MDT)

Anyone who attended this location at these times, who was born in or after 1970 and has less than two documented doses of mea-

sles-containing vaccine, may be at risk for developing measles. They should self-monitor for symptoms of measles and are strongly encouraged to review their immunization records.

Measles is an extremely contagious disease

Confirmed Case Of Measles Prompts Public Alert To Potential Exposures

Continued from Page 12

and the virus spreads easily through the air. Symptoms of measles include:

- Fever of 38.3° C or higher; and
- Cough, runny nose and/or red eyes; and
- A rash that appears

3 to 7 days after fever starts, usually beginning behind the ears and on the face and spreading down to the body and then to the arms and legs. The rash appears red and blotchy on lighter skin colours. On darker skin colours, it can appear purple or darker than the skin around it, or it might be hard to see.

Complications of measles can include ear infections, pneumonia, inflammation of the brain, premature delivery, and rarely death. Per-

sons who are pregnant, less than 5 years of age, or have weakened immune systems are at greatest risk.

If symptoms of measles do develop, individuals are advised to stay home and call the measles hotline at 1-844-944-3434 before visiting any healthcare facility or provider, including a family physician clinic or pharmacy.

Measles vaccine is highly effective at preventing infection and complications. In Alberta, measles vaccine is offered, free of charge, through Alberta's publicly funded immunization program. The recommended schedule for measles vaccination is two doses, the first at one year of age and the second at 18 months.

If you think you have been

exposed, and you are not protected against measles you may be able to receive immunization to reduce the risk of infection. A dose of vaccine needs to be given within 72 hours of exposure to prevent measles. Babies under 1 year of age, people with severely weakened immune systems, and those who are pregnant may be able to receive immunoglobulin within 6 days of exposure to prevent disease. Call the measles hotline at 1-844-944-3434 for more information if these situations apply to you or your family.

Albertans uncertain of their immunization history, or their child's immunization history, can check eligibility and/or book an appointment by calling the

measles hotline at 1-844-944-3434.

Individuals who are 14 years of age and older can check their My Health Record.

The measles hotline connects you to a professional who can assist with accessing your immunization records or offer general information; provide advice for those experiencing measles symptoms and are feeling unwell; and assist with booking measles immunization appointments or locating a public health clinic offering immunization in your area.

FIRE ADVISORY RESCINDED FOR LAC STE. ANNE COUNTY

[LSAC.ca/news](https://lsac.ca/news)

Lac Ste. Anne County Fire Services sincerely thanks our residents and visitors for their vigilance, patience, and compliance with the recent FIRE RESTRICTION, FIRE BAN, and FIRE ADVISORY; and reminds everyone that we must always use caution and be responsible. Our behaviour is within our control—Fire Behaviour is not.

Fire Permits in accordance to bylaw and conditions imposed by Fire Guardians will again be allowed.

COUNTY FIRE SERVICES WORKING FOR YOU

[LSAC.ca/fire-services](https://lsac.ca/fire-services)

Lac Ste. Anne County Fire Services (LSACFS) is more than just an emergency response department—we're your partners in prevention, education, and community safety.

During wildfire season and all year long—LSACFS is actively working behind the scenes—and in your neighbourhood—to ensure our community is informed, prepared, and resilient. We want residents and community organizations to know we're here not only in times of crisis, but every day of the year.

HERE'S HOW WE'RE WORKING FOR YOU:

Community Events

LSACFS is proud to attend local events, festivals, and gatherings. Whether we're hosting a booth, bringing along one of our trucks for kids to explore, or simply connecting with residents, we're there to share important safety tips and answer your fire-related questions. If your group is planning an event, we'd love to be part of it!

Public Education Sessions

Knowledge is one of the best tools we have in fire prevention. Our team offers interactive public education sessions tailored to all ages. From fire safety basics to understanding local fire bans and emergency preparedness, we're here to help make complex topics simple and accessible.

Community Presentations

Schools, seniors' groups, service clubs, and other organizations are invited to book a LSACFS presentation. We'll come to you with engaging, up-to-date content designed to inform and empower. Presentations can be customized to suit your group's needs and interests.

FireSmart Assessments

FireSmart assessments help property owners identify ways to reduce wildfire risk. These FREE assessments include practical tips for yard maintenance, building materials, and landscaping — all geared toward increasing your home's chances of surviving a wildfire.

Whether you're planning a block party, want to host a safety session, or are simply looking to take the next step in protecting your home, LSACFS is here to help.

To request a visit or book an assessment or presentation, please give us a call, visit us online, or email firesafety@LSAC.ca.

We're seeking public members for the Subdivision and Development Appeal Board (SDAB)

Interested? Email your cover letter and expression of interest—including relevant experience to csuter@LSAC.ca or call the Administration Office for more information.

Beaver Trapping is Underway—in problem areas throughout the County. Please use caution and keep pets safe. For more information visit [LSAC.ca/beavers](https://lsac.ca/beavers).

In case you missed it last week:

the County-Wide Road Ban has been lifted for all GRAVEL SURFACED ROADS! Weight restrictions remain in place for hard-surfaced roads as determined by the County. Stop by CountyRoads.ca or call the Public Works department for details.

Poll Workers Wanted—work the 2025 Municipal Election! Please visit [LSAC.ca/election](https://lsac.ca/election) or contact Returning Officer Reanne Springer at 780.305.9162.

Lac Ste. Anne County 56521 Range Road 65, Box 219 Sangudo AB T0E 2A0 Phone 780 785 3411 Toll-free 1 866 880 5722 Email LSAC@LSAC.ca

DISCRETIONARY DEVELOPMENT PERMITS

[LSAC.ca/permits](https://lsac.ca/permits)

The development permits below have been conditionally approved under the provisions of the Land Use Bylaw. This list does not include permitted uses. Please contact County Planning & Development to request additional information on permits listed.

Anyone who claims to be affected and who wishes to lodge an appeal against any of these developments must do so in writing on the applicable form on or before 4:30 pm on the noted date(s) to the appropriate appeal body.

POTENTIAL CANADA POST SERVICE DISRUPTION

[LSAC.ca/notices](https://lsac.ca/notices)

The County is actively monitoring the situation surrounding a potential service disruption at Canada Post. We understand that any interruption to mail delivery can impact residents, businesses, and key municipal processes, particularly when it comes to the timely delivery of important documents and notices.

Residents are reminded that all statutory notices issued by Lac Ste. Anne County—such as public hearing announcements, development permit notifications, taxation information, and other regulatory communications—are always posted on our official website, regardless of postal service status. This practice ensures transparency, accessibility, and continuity, even in the face of unforeseen circumstances like a postal disruption. The website serves as the primary, reliable source for up-to-date municipal information, and we encourage everyone to visit it regularly.

In the event that Canada Post services are interrupted, the County will place an even greater emphasis on digital communications to keep the public informed. Updates will be shared through our website and official social media channels, and staff will be available by phone or email to assist residents who may have questions or require support in accessing posted information.

We remain committed to keeping our community informed and ensuring that statutory obligations are met in a timely and accessible manner. We thank all residents for their understanding and cooperation as we continue to monitor this developing situation.

Registration opens June 2 for the Onoway Playschool 2025-26 School Year! Visit [LSAC.ca/playschool](https://lsac.ca/playschool) to learn more.

Available for three and four year olds. Act now, as this popular program fills up fast. Registration is limited to Lac Ste. Anne County area residents—including those living in towns and summer villages—within the Onoway Elementary School catchment area.

TIME

10:00 am

- Redistricting the lands legally described and shown on the map identifying the lot in Schedule "A" from Country Residential Ranch (CRR) District to Highway Development (HD) District; and
- Amending Map 4 Region D and Map 6 Region F to reflect the redistricting of the lands legally described and shown in Schedule "B" to Highway Development (HD) District

Lac Ste. Anne County, 56521 RGE RD 65, Box 219, Sangudo, AB T0E 2A0
Attn: Amy Roberts, Development Officer, or email at devassistant@LSAC.ca

Interested individuals may attend the public hearing to voice their comments. To schedule an appointment, please contact Development Officer Amy Roberts at 780.785.3411. Appointment times shall be in accordance with the Procedures (and Committee) Bylaw #04-2020.

To attend via zoom please use the following link: <https://us06web.zoom.us/j/85287562820>

[illegible]

A landowner/developer has applied to the municipality to redistrict Block OT Plan 0322775 from Country Residential District to a Highway Development District. In order to amend the Land Use Bylaw for redistricting, a bylaw must be drafted and a public hearing held first under the provisions of Part 17 of the *Municipal Government Act* (Sections 216.4, 606, 632, 640 and 692).

ALBERTA RCMP ENCOURAGES FAMILIES TO DISCUSS PERSONAL SAFETY WITH CHILDREN

Submitted by Alberta RCMP

With the arrival of warmer weather and longer days, kids are spending more time outside—whether walking to a friend's house, heading to the park, or just enjoying the outdoors. Your Alberta RCMP is reminding parents and guardians that this is a good time to check in with children about staying safe and being aware of their environment.

Building confidence in children to recognize unsafe situations and trust their instincts is one of the best ways to help keep them safe. Having open, age-appropriate conversations about boundaries, decision-making, and what to do when something feels wrong can go a long way in preparing kids for real-life scenarios.

To support families in the community with these important conversations, the Alberta RCMP is sharing a list of tips that parents and caregivers can review with their children:

- Remind kids never to go anywhere with someone they don't know. Even if a stranger seems nice or asks for help, they should walk away and seek help from someone they trust.

- Let your child know that no adult should ever ask them to do something that makes them feel uneasy. It's okay to say no and remove themselves from the situation.

- If something doesn't sit right—even if they can't explain why—children should be encouraged to leave and talk to a trusted adult as soon as they can.

- Teach kids to check in with a parent or caregiver before accepting anything or going anywhere, especially if it involves someone unfamiliar.

- Help them identify safe adults they can approach if they feel unsure, like a teacher, neighbour, or family member.

- Consider setting up a family password. If someone other than you needs to pick up your child unexpectedly, they should know the agreed-upon word.

- Encourage kids to stick with friends or siblings when walking or playing outside—there's always greater safety in numbers.

- Walk or bike common routes with your child and point out safe locations they can go to if they need help.

- If your child has a phone, make use of family location features available on most smartphones, like Apple's Family Sharing or Google Family Link.

- Go over how to use emergency call functions and make sure they know their full name, address, your contact info, and how to describe their location to 911 if needed.

- Run through some "what would you do if..." situations with your child to help them think through different safety scenarios.

For more local safety information and tips, follow us on Facebook @RCMPinAlberta and on X @RCMPAlberta.

Obituaries

McDonald, Patricia "Pat" Ann (née Church) It is with great sadness that the family announces the passing of Pat McDonald, on May 4, 2025, at the age of 81 years. Pat will be lovingly remembered by her husband of 48 years, John, of Whitecourt, AB; children, Janice (Mike) Loback of Snohomish, USA, Rodney (Karen) of Hinton, Sheila (Terry) Bartlet of Rainbow Lake, and Scott of Whitecourt; many grandchildren and great-grandchildren; her sister, Judy (Gerry) Foster of Grand Fork, BC; and many more relatives and friends. Pat will be best remembered for her quick wit and high-spirited personality. She didn't suffer fools gladly and you always knew where you stood with Pat. Most of all, she nurtured her family and

friendships with love and kindness. Although outgoing in life, Pat requested no public ceremony be held in her honour. In lieu of other tributes, donation would be welcome to the Mayerthorpe Hospital Auxiliary Association, Box 582, Mayerthorpe, AB T0E 1N0. Photos, memories, and condolences may be shared through www.parkmemorial.com. Park Memorial Whitecourt 780-779-2533 Family-Owned Funeral Home and Crematorium

Stettin Nakumun Comm. Hall,

SUDOKU

of the week

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box.

ANSWER:
Last Weeks

You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

4	8	5	3	1	2	7	6	9
2	9	1	7	6	4	3	8	5
3	6	7	5	8	9	2	1	4
